1 AMENDMENT TO SENATE BILL 1388

2 AMENDMENT NO. _____. Amend Senate Bill 1388 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Vehicle Code is amended by
5 changing Sections 11-303 and 11-304 as follows:

6 (625 ILCS 5/11-303) (from Ch. 95 1/2, par. 11-303)

7 Sec. 11-303. The Department to place signs on all State
8 highways.

9 (a) The Department shall place and maintain such
10 traffic-control devices, conforming to its manual and
11 specifications on all highways under its jurisdiction as it
12 shall deem necessary to indicate and to carry out the
13 provisions of this Chapter or to regulate, warn or guide
14 traffic. These traffic control devices shall include temporary
15 stop signs placed as a substitute for missing or damaged
16 permanent stop signs required by the State Manual. Temporary

1 stop signs shall be placed in a manner to provide adequate
2 visibility and legibility, and shall be placed within duration
3 recommendations in the State Manual, unless circumstances
4 require longer placement.

5 (b) No local authority shall place or maintain any
6 traffic-control device upon any highway under the jurisdiction
7 of the Department except by the latter's permission.

8 (c) The Department shall erect and maintain guide, warning
9 and direction signs upon highways in cities, towns and villages
10 of which portions or lanes of such highways are under the
11 control and jurisdiction of the Department or for which the
12 Department has maintenance responsibility.

13 (d) Nothing in this Chapter shall divest the corporate
14 authorities of park districts of power to prohibit or restrict
15 the use of highways under their jurisdiction by certain types
16 or weights of motor vehicles or the power of cities, villages,
17 incorporated towns and park districts to designate highways for
18 one-way traffic or the power of such municipal corporations to
19 erect and maintain appropriate signs respecting such uses.

20 (e) Nothing in this Section shall prohibit a municipality,
21 township, or county from erecting signs as required under the
22 Illinois Adopt-A-Highway Act.

24 (625 ILCS 5/11-304) (from Ch. 95 1/2, par. 11-304)

25 Sec. 11-304. Local traffic-control devices; tourist

1 oriented businesses signs.

2 Local authorities in their respective maintenance
3 jurisdiction shall place and maintain such traffic-control
4 devices, including temporary stop signs placed as a substitute
5 for missing or damaged permanent stop signs required by the
6 State Manual, upon highways under their maintenance
7 jurisdiction as are required to indicate and carry out the
8 provisions of this Chapter, and local traffic ordinances or to
9 regulate, warn, or guide traffic. All such traffic control
10 devices shall conform to the State Manual and Specifications
11 and shall be justified by traffic warrants stated in the
12 Manual. Temporary stop signs shall be placed in a manner to
13 provide adequate visibility and legibility, and shall be placed
14 within duration recommendations in the State Manual, unless
15 circumstances require longer placement. Placement of
16 traffic-control devices on township or road district roads also
17 shall be subject to the written approval of the county engineer
18 or superintendent of highways.

19 Local authorities in their respective maintenance
20 jurisdictions shall have the authority to install signs, in
21 conformance with the State Manual and specifications, alerting
22 motorists of the tourist oriented businesses available on roads
23 under local jurisdiction in rural areas as may be required to
24 guide motorists to the businesses. The local authorities and
25 road district highway commissioners shall also have the
26 authority to sell or lease space on these signs to the owners

1 or operators of the businesses.
