1 Section 10. The North Shore Sanitary District Act is
2 amended by changing the title of the Act and Sections 0.1, 4,
3 and 11 and by adding Sections 0.5, 7.6, 7.7, 18.5, and 31 as
4 follows:

5 (70 ILCS 2305/Act title)

6 An Act to create water reclamation ~~sanitary~~ districts, and
7 to provide for sewage disposal.

8 (70 ILCS 2305/0.1) (from Ch. 42, par. 276.99)

9 Sec. 0.1. This Act shall be known and may be cited as the
10 "North Shore Water Reclamation ~~Sanitary~~ District Act".

11 (Source: P.A. 77-699.)

12 (70 ILCS 2305/0.5 new)

13 Sec. 0.5. Sanitary district references. On and after the
14 date the sanitary district renames itself under Section 4 of
15 this Act, any references to "sanitary district" in this Act
16 shall mean "water reclamation district". Any references to
17 "North Shore Sanitary District" in this Act shall mean "North
18 Shore Water Reclamation District".

19 (70 ILCS 2305/4) (from Ch. 42, par. 280)

20 Sec. 4. Board of trustees; powers; compensation. The
21 trustees shall constitute a board of trustees for the district.

1 The board of trustees is the corporate authority of the
2 district, and shall exercise all the powers and manage and
3 control all the affairs and property of the district. The board
4 shall elect a president and vice-president from among their own
5 number. In case of the death, resignation, absence from the
6 state, or other disability of the president, the powers, duties
7 and emoluments of the office of the president shall devolve
8 upon the vice-president, until the disability is removed or
9 until a successor to the president is appointed and chosen in
10 the manner provided in this Act. The board may select a
11 secretary, treasurer, executive director, and attorney, and
12 may provide by ordinance for the employment of other employees
13 as the board may deem necessary for the municipality. The board
14 may appoint such other officers and hire such employees to
15 manage and control the operations of the district as it deems
16 necessary; provided, however, that the board shall not employ
17 an individual as a wastewater operator whose Certificate of
18 Technical Competency is suspended or revoked under rules
19 adopted by the Pollution Control Board under item (4) of
20 subsection (a) of Section 13 of the Environmental Protection
21 Act. All employees selected by the board shall hold their
22 respective offices during the pleasure of the board, and give
23 such bond as may be required by the board. The board may
24 prescribe the duties and fix the compensation of all the
25 officers and employees of the sanitary district. However, the
26 president of the board of trustees shall not receive more than

1 \$10,000 per year and the other members of the board shall not
2 receive more than \$7,000 per year. However, beginning with the
3 commencement of the new term of each board member in 1993, the
4 president shall not receive more than \$11,000 per year and each
5 other member of the board shall not receive more than \$8,000
6 per year. Beginning with the commencement of the first new term
7 after the effective date of this amendatory Act of the 95th
8 General Assembly, the president of the board shall not receive
9 more than \$14,000 per year, and each other member of the board
10 shall not receive more than \$11,000 per year. Notwithstanding
11 any other provision of this Section, the board of trustees may
12 increase the annual rate of compensation at a separate flat
13 amount for the president and the other members with a vote by
14 at least 4 of the 5 trustees, and the increased annual rate of
15 compensation shall apply to the president and the other members
16 whose terms as members of the board commence after the increase
17 in compensation is adopted by the board. The board of trustees
18 has full power to pass all necessary ordinances, rules and
19 regulations for the proper management and conduct of the
20 business of the board and of the corporation, and for carrying
21 into effect the objects for which the sanitary district was
22 formed. The ordinances may provide for a fine for each offense
23 of not less than \$100 or more than \$1,000. Each day's
24 continuance of a violation shall be a separate offense. Fines
25 under this Section are recoverable by the sanitary district in
26 a civil action. The sanitary district is authorized to apply to

1 the circuit court for injunctive relief or mandamus when, in
2 the opinion of the chief administrative officer, the relief is
3 necessary to protect the sewerage system of the sanitary
4 district.

5 The board of trustees shall have the authority to change
6 the name of the District, by ordinance, to the North Shore
7 Water Reclamation District. Any such name change shall not
8 impair the legal status of any act by the sanitary district. If
9 an ordinance is passed pursuant to this paragraph, all
10 provisions of this Act shall apply to the newly renamed
11 district. No rights, duties, or privilege of such sanitary
12 district or of any person existing before the change of name
13 shall be affected by the change in the name of the sanitary
14 district. All proceedings pending in any court relating to such
15 sanitary district may continue to final consummation under the
16 name in which they were commenced.

17 (Source: P.A. 98-162, eff. 8-2-13.)

18 (70 ILCS 2305/7.6 new)

19 Sec. 7.6. Rates for treatment and disposal of sewage and
20 surface or ground water. The board of trustees shall have the
21 authority by ordinance to establish, revise, and maintain rates
22 or charges for the treatment and disposal of sewage and surface
23 or ground water. Any user charge, industrial waste surcharge,
24 or industrial cost recovery charge imposed by the sanitary
25 district, together with all penalties, interest, and costs

1 imposed in connection therewith, shall be liens against the
2 real estate which receives the service or benefit for which the
3 charges are being imposed; provided, however, such liens shall
4 not attach to such real estate until such charges or rates have
5 become delinquent as provided by the ordinance of the sanitary
6 district and provided further, that nothing in this Section
7 shall be construed to give the sanitary district a preference
8 over the rights of any purchaser, mortgagee, judgment creditor,
9 or other lien holder arising prior to the filing in the office
10 of the recorder of the county in which real estate is located
11 of notice of the lien, which notice shall consist of a sworn
12 statement setting out (1) a description of the real estate for
13 which the service or the benefit was rendered sufficient to
14 identify the real estate, (2) the amount or amounts of money
15 due for such service or benefit, and (3) the date or dates when
16 such amount or amounts became delinquent. The sanitary district
17 shall have the power to foreclose such lien in the same manner
18 and with the same effect as in the foreclosure of mortgages on
19 real estate.

20 The assertion of liens against real estate by the sanitary
21 district to secure payment of user charges, industrial waste
22 surcharges, or industrial cost recovery charges imposed by the
23 sanitary district as indicated in the previous paragraph shall
24 be in addition to any other remedy or right of recovery which
25 the sanitary district may have with respect to the collection
26 or recovery of such charges imposed by the sanitary district.

1 Judgment in a civil action brought by the sanitary district to
2 recover or collect such charges shall not operate as a release
3 and waiver of the lien upon the real estate for the amount of
4 the judgment. Only satisfaction of the judgment or the filing
5 of a release or satisfaction of lien shall release said lien.
6 The lien for charges on account of services or benefits
7 provided for in this Section and the rights created hereunder
8 shall be in addition to the lien upon real estate created by
9 and imposed for general real estate taxes.

10 (70 ILCS 2305/7.7 new)

11 Sec. 7.7. Discharge into sewers of the sanitary district.

12 (a) As used in this Section:

13 "Executive director" means the executive director of the
14 sanitary district.

15 "Industrial wastes" means all solids, liquids, or gaseous
16 wastes resulting from any commercial, industrial,
17 manufacturing, agricultural, trade, or business operation or
18 process, or from the development, recovery, or processing of
19 natural resources.

20 "Other wastes" means decayed wood, sawdust, shavings,
21 bark, lime, refuse, ashes, garbage, offal, oil, tar, chemicals,
22 and all other substances except sewage and industrial wastes.

23 "Person" means any individual, firm, association, joint
24 venture, sole proprietorship, company, partnership, estate
25 copartnership, corporation, joint stock company, trust, school

1 district, unit of local government, or private corporation
2 organized or existing under the laws of this or any other state
3 or country.

4 "Sewage" means water-carried human wastes or a combination
5 of water-carried wastes from residences, buildings,
6 businesses, industrial establishments, institutions, or other
7 places together with any ground, surface, storm, or other water
8 that may be present.

9 (b) It shall be unlawful for any person to discharge
10 sewage, industrial waste, or other wastes into the sewerage
11 system of the sanitary district or into any sewer tributary
12 therewith, except upon the terms and conditions that the
13 sanitary district might reasonably impose by way of ordinance,
14 permit, rule, or regulation.

15 The sanitary district, in addition to all other powers
16 vested in it and in the interest of public health and safety,
17 or as authorized by subsections (b) and (c) of Section 46 of
18 the Environmental Protection Act, is hereby empowered to pass
19 all ordinances, rules, or regulations necessary to implement
20 this Section, including, but not limited to, the imposition of
21 charges based on factors that influence the cost of treatment,
22 including strength and volume, and including the right of
23 access during reasonable hours to the premises of a person for
24 enforcement of adopted ordinances, rules, or regulations.

25 (c) Whenever the sanitary district, acting through the
26 executive director, determines that sewage, industrial wastes,

1 or other wastes are being discharged into the sewerage system
2 and when, in the opinion of the executive director, the
3 discharge is in violation of an ordinance, rules, or
4 regulations adopted by the board of trustees under this Section
5 governing industrial wastes or other wastes, the executive
6 director shall order the offending party to cease and desist.
7 The order shall be served by certified mail or personally on
8 the owner, officer, registered agent, or individual designated
9 by permit.

10 In the event the offending party fails or refuses to
11 discontinue the discharge within 90 days after notification of
12 the cease and desist order, the executive director may order
13 the offending party to show cause before the board of trustees
14 of the sanitary district why the discharge should not be
15 discontinued. A notice shall be served on the offending party
16 directing him, her, or it to show cause before the board of
17 trustees why an order should not be entered directing the
18 discontinuance of the discharge. The notice shall specify the
19 time and place where a hearing will be held and shall be served
20 personally or by registered or certified mail at least 10 days
21 before the hearing; and, in the case of a unit of local
22 government or a corporation, the service shall be upon an
23 officer or agent thereof. After reviewing the evidence, the
24 board of trustees may issue an order to the party responsible
25 for the discharge, directing that within a specified period of
26 time the discharge be discontinued. The board of trustees may

1 also order the party responsible for the discharge to pay a
2 civil penalty in an amount specified by the board of trustees
3 that is not less than \$1,000 nor more than \$2,000 per day for
4 each day of discharge of effluent in violation of this Act as
5 provided in subsection (d). The board of trustees may also
6 order the party responsible for the violation to pay court
7 reporter costs and hearing officer fees in an amount not
8 exceeding \$3,000.

9 (d) The board of trustees shall establish procedures for
10 assessing civil penalties and issuing orders under subsection
11 (c) as follows:

12 (1) In making its orders and determinations, the board
13 of trustees shall take into consideration all the facts and
14 circumstances bearing on the activities involved and the
15 assessment of civil penalties as shown by the record
16 produced at the hearing.

17 (2) The board of trustees shall establish a panel of
18 one or more independent hearing officers to conduct all
19 hearings on the assessment of civil penalties and issuance
20 of orders under subsection (c). All hearing officers shall
21 be attorneys licensed to practice law in this State.

22 (3) The board of trustees shall promulgate procedural
23 rules governing the proceedings, the assessment of civil
24 penalties, and the issuance of orders.

25 (4) All hearings shall be on the record, and testimony
26 taken must be under oath and recorded stenographically.

1 Transcripts so recorded must be made available to any
2 member of the public or any party to the hearing upon
3 payment of the usual charges for transcripts. At the
4 hearing, the hearing officer may issue, in the name of the
5 board of trustees, notices of hearing requesting the
6 attendance and testimony of witnesses, the production of
7 evidence relevant to any matter involved in the hearing,
8 and may examine witnesses.

9 (5) The hearing officer shall conduct a full and
10 impartial hearing on the record, with an opportunity for
11 the presentation of evidence and cross-examination of the
12 witnesses. The hearing officer shall issue findings of
13 fact, conclusions of law, a recommended civil penalty, and
14 an order based solely on the record. The hearing officer
15 may also recommend, as part of the order, that the
16 discharge of industrial waste be discontinued within a
17 specified time.

18 (6) The findings of fact, conclusions of law,
19 recommended civil penalty, and order shall be transmitted
20 to the board of trustees along with a complete record of
21 the hearing.

22 (7) The board of trustees shall either approve or
23 disapprove the findings of fact, conclusions of law,
24 recommended civil penalty, and order. If the findings of
25 fact, conclusions of law, recommended civil penalty, or
26 order are rejected, the board of trustees shall remand the

1 matter to the hearing officer for further proceedings. If
2 the order is accepted by the board of trustees, it shall
3 constitute the final order of the board of trustees.

4 (8) The civil penalty specified by the board of
5 trustees shall be paid within 35 days after the party on
6 whom it is imposed receives a written copy of the order of
7 the board of trustees, unless the person or persons to whom
8 the order is issued seeks judicial review.

9 (9) If a person seeks judicial review of the order
10 assessing civil penalties, the person shall, within 35 days
11 after the date of the final order, pay the amount of the
12 civil penalties into an escrow account maintained by the
13 sanitary district for that purpose or file a bond
14 guaranteeing payment of the civil penalties if the civil
15 penalties are upheld on review.

16 (10) Civil penalties not paid by the times specified
17 above shall be delinquent and subject to a lien recorded
18 against the property of the person ordered to pay the
19 penalty. The foregoing provisions for asserting liens
20 against real estate by the sanitary district shall be in
21 addition to any other remedy or right of recovery that the
22 sanitary district may have with respect to the collection
23 or recovery of penalties and charges imposed by the
24 sanitary district. Judgment in a civil action brought by
25 the sanitary district to recover or collect the charges
26 shall not operate as a release and waiver of the lien upon

1 the real estate for the amount of the judgment. Only
2 satisfaction of the judgment or the filing of a release or
3 satisfaction of lien shall release the lien.

4 (e) The executive director may order a person to cease the
5 discharge of industrial waste upon a finding by the executive
6 director that the final order of the board of trustees entered
7 after a hearing to show cause has been violated. The executive
8 director shall serve the person with a copy of his or her order
9 either by certified mail or personally by serving the owner,
10 officer, registered agent, or individual designated by permit.
11 The order of the executive director shall also schedule an
12 expedited hearing before a hearing officer designated by the
13 board of trustees for the purpose of determining whether the
14 person has violated the final order of the board of trustees.
15 The board of trustees shall adopt rules of procedure governing
16 expedited hearings. In no event shall the hearing be conducted
17 less than 7 days after service of the executive director's
18 order.

19 At the conclusion of the expedited hearing, the hearing
20 officer shall prepare a report with his or her findings and
21 recommendations and transmit it to the board of trustees. If
22 the board of trustees, after reviewing the findings and
23 recommendations, and the record produced at the hearing,
24 determines that the person has violated the board of trustees'
25 final order, the board of trustees may authorize the plugging
26 of the sewer. The executive director shall give not less than

1 10 days' written notice of the board of trustees' order to the
2 owner, officer, registered agent, or individual designated by
3 permit, as well as the owner of record of the real estate and
4 other parties known to be affected, that the sewer will be
5 plugged.

6 The foregoing provision for plugging a sewer shall be in
7 addition to any other remedy that the sanitary district may
8 have to prevent violation of its ordinances and orders of its
9 board of trustees.

10 (f) A violation of the final order of the board of trustees
11 shall be considered a nuisance. If any person discharges
12 sewage, industrial wastes, or other wastes into any waters
13 contrary to the final order of the board of trustees, the
14 sanitary district, acting through the executive director, has
15 the power to commence an action or proceeding in the circuit
16 court in and for the county in which the sanitary district is
17 located for the purpose of having the discharge stopped either
18 by mandamus or injunction, or to remedy the violation in any
19 manner provided for in this Section.

20 The court shall specify a time, not exceeding 20 days after
21 the service of the copy of the complaint, in which the party
22 complained of must plead to the complaint, and in the meantime,
23 the party may be restrained. In case of default or after
24 pleading, the court shall immediately inquire into the facts
25 and circumstances of the case and enter an appropriate judgment
26 in respect to the matters complained of. Appeals may be taken

1 as in other civil cases.

2 (g) The sanitary district, acting through the executive
3 director, has the power to commence an action or proceeding for
4 mandamus or injunction in the circuit court ordering a person
5 to cease its discharge, when, in the opinion of the executive
6 director, the person's discharge presents an imminent danger to
7 the public health, welfare, or safety; presents or may present
8 an endangerment to the environment; or threatens to interfere
9 with the operation of the sewerage system or a water
10 reclamation plant under the jurisdiction of the sanitary
11 district. The initiation of a show cause hearing is not a
12 prerequisite to the commencement by the sanitary district of an
13 action or proceeding for mandamus or injunction in the circuit
14 court. The court shall specify a time, not exceeding 20 days
15 after the service of a copy of the petition, in which the party
16 complained of must answer the petition, and in the meantime,
17 the party may be restrained. In case of default in answer or
18 after answer, the court shall immediately inquire into the
19 facts and circumstances of the case and enter an appropriate
20 judgment order in respect to the matters complained of. An
21 appeal may be taken from the final judgment in the same manner
22 and with the same effect as appeals are taken from judgment of
23 the circuit court in other actions for mandamus or injunction.

24 (h) Whenever the sanitary district commences an action
25 under subsection (f) of this Section, the court shall assess a
26 civil penalty of not less than \$1,000 nor more than \$10,000 for

1 each day the person violates the board of trustees' order.
2 Whenever the sanitary district commences an action under
3 subsection (g) of this Section, the court shall assess a civil
4 penalty of not less than \$1,000 nor more than \$10,000 for each
5 day the person violates the ordinance. Each day's continuance
6 of the violation is a separate offense. The penalties provided
7 in this Section plus interest at the rate set forth in the
8 Interest Act on unpaid penalties, costs, and fees, imposed by
9 the board of trustees under subsection (d); the reasonable
10 costs to the sanitary district of removal or other remedial
11 action caused by discharges in violation of this Act;
12 reasonable attorney's fees; court costs; other expenses of
13 litigation; and costs for inspection, sampling, analysis, and
14 administration related to the enforcement action against the
15 offending party are recoverable by the sanitary district in a
16 civil action.

17 (i) The board of trustees may establish fees for late
18 filing of reports with the sanitary district required by an
19 ordinance governing discharges. The sanitary district shall
20 provide by certified mail a written notice of the fee
21 assessment that states the person has 30 days after the receipt
22 of the notice to request a conference with the executive
23 director's designee to discuss or dispute the appropriateness
24 of the assessed fee. Unless a person objects to paying the fee
25 for filing a report late by timely requesting in writing a
26 conference with a designee of the executive director, that

1 person waives his or her right to a conference and the sanitary
2 district may impose a lien recorded against the property of the
3 person for the amount of the unpaid fee.

4 If a person requests a conference and the matter is not
5 resolved at the conference, the person subject to the fee may
6 request an administrative hearing before an impartial hearing
7 officer appointed under subsection (d) to determine the
8 person's liability for and the amount of the fee. If the
9 hearing officer finds that the late filing fees are owed to the
10 sanitary district, the sanitary district shall notify the
11 responsible person or persons of the hearing officer's
12 decision. If payment is not made within 30 days after the
13 notice, the sanitary district may impose a lien on the property
14 of the person or persons.

15 Any liens filed under this subsection shall apply only to
16 the property to which the late filing fees are related. A claim
17 for lien shall be filed in the office of the recorder of the
18 county in which the property is located. The filing of a claim
19 for lien by the sanitary district does not prevent the sanitary
20 district from pursuing other means for collecting late filing
21 fees. If a claim for lien is filed, the sanitary district shall
22 notify the person whose property is subject to the lien, and
23 the person may challenge the lien by filing an action in the
24 circuit court. The action shall be filed within 90 days after
25 the person receives the notice of the filing of the claim for
26 lien. The court shall hear evidence concerning the underlying

1 reasons for the lien only if an administrative hearing has not
2 been held under this subsection.

3 (j) To be effective service under this Section, a demand or
4 order sent by certified or registered mail to the last known
5 address need not be received by the offending party. Service of
6 the demand or order by registered or certified mail shall be
7 deemed effective upon deposit in the United States mail with
8 proper postage prepaid and addressed as provided in this
9 Section.

10 (k) The provisions of the Administrative Review Law and all
11 amendments and rules adopted pursuant to that Law apply to and
12 govern all proceedings for the judicial review of final
13 administrative decisions of the board of trustees in the
14 enforcement of any ordinance, rule, or regulation adopted under
15 this Act. The cost of preparing the record on appeal shall be
16 paid by the person seeking a review of an order or action
17 pursuant to the Administrative Review Law.

18 (l) The provisions of this Section are severable under
19 Section 1.31 of the Statute on Statutes.

20 (70 ILCS 2305/11) (from Ch. 42, par. 287)

21 Sec. 11. Except as otherwise provided in this Section, all
22 contracts for purchases or sales by the municipality, the
23 expense of which will exceed the mandatory competitive bid
24 threshold, shall be let to the lowest responsible bidder
25 therefor upon not less than 14 days' public notice of the terms

1 and conditions upon which the contract is to be let, having
2 been given by publication in a newspaper of general circulation
3 published in the district, and the board may reject any and all
4 bids and readvertise. In determining the lowest responsible
5 bidder, the board shall take into consideration the qualities
6 and serviceability of the articles supplied, their conformity
7 with specifications, their suitability to the requirements of
8 the district, the availability of support services, the
9 uniqueness of the service, materials, equipment, or supplies as
10 it applies to network integrated computer systems, the
11 compatibility of the service, materials, equipment or supplies
12 with existing equipment, and the delivery terms. Contracts for
13 services in excess of the mandatory competitive bid threshold
14 may, subject to the provisions of this Section, be let by
15 competitive bidding at the discretion of the district board of
16 trustees. All contracts for purchases or sales that will not
17 exceed the mandatory competitive bid threshold may be made in
18 the open market without publication in a newspaper as above
19 provided, but whenever practical shall be based on at least 3
20 competitive bids. For purposes of this Section, the "mandatory
21 competitive bid threshold" is a dollar amount equal to 0.1% of
22 the total general fixed assets of the district as reported in
23 the most recent required audit report. In no event, however,
24 shall the mandatory competitive bid threshold dollar amount be
25 less than \$10,000, nor more than \$40,000.

26 Cash, a cashier's check, a certified check, or a bid bond

1 with adequate surety approved by the board of trustees as a
2 deposit of good faith, in a reasonable amount, but not in
3 excess of 10% of the contract amount, may be required of each
4 bidder by the district on all bids involving amounts in excess
5 of the mandatory competitive bid threshold and, if so required,
6 the advertisement for bids shall so specify.

7 Contracts which by their nature are not adapted to award by
8 competitive bidding, including, without limitation, contracts
9 for the services of individuals, groups or firms possessing a
10 high degree of professional skill where the ability or fitness
11 of the individual or organization plays an important part,
12 contracts for financial management services undertaken
13 pursuant to "An Act relating to certain investments of public
14 funds by public agencies", approved July 23, 1943, as now or
15 hereafter amended, contracts for the purchase or sale of
16 utilities, contracts for commodities including supply
17 contracts for natural gas and electricity, contracts for
18 materials economically procurable only from a single source of
19 supply, contracts for services, supplies, materials, parts, or
20 equipment which are available only from a single source or
21 contracts for maintenance, repairs, OEM supplies, or OEM parts
22 from the manufacturer or from a source authorized by the
23 manufacturer, contracts for the use, purchase, delivery,
24 movement, or installation of data processing equipment,
25 software, or services and telecommunications and interconnect
26 equipment, software, or services, contracts for duplicating

1 machines and supplies, contracts for goods or services procured
2 from another governmental agency, purchases of equipment
3 previously owned by an entity other than the district itself,
4 purchases of used equipment, purchases at auction or similar
5 transactions which by their very nature are not suitable to
6 competitive bids, and leases of real property where the
7 sanitary district is the lessee shall not be subject to the
8 competitive bidding requirements of this Section.

9 The District may use a design-build procurement method for
10 any public project which shall not be subject to the
11 competitive bidding requirements of this Section provided the
12 Board of Trustees approves the contract for the public project
13 by a vote of 4 of the 5 trustees. For the purposes of this
14 Section, "design-build" means a delivery system that provides
15 responsibility within a single contract for the furnishing of
16 architecture, engineering, land surveying and related services
17 as required, and the labor, materials, equipment, and other
18 construction services for the project.

19 In the case of an emergency affecting the public health or
20 safety so declared by the Board of Trustees of the municipality
21 at a meeting thereof duly convened, which declaration shall
22 require the affirmative vote of four of the five Trustees, and
23 shall set forth the nature of the danger to the public health
24 or safety, contracts totaling not more than the emergency
25 contract cap may be let to the extent necessary to resolve such
26 emergency without public advertisement or competitive bidding.

1 For purposes of this Section, the dollar amount of an emergency
2 contract shall not be less than \$40,000, nor more than
3 \$350,000. The Resolution or Ordinance in which such declaration
4 is embodied shall fix the date upon which such emergency shall
5 terminate which date may be extended or abridged by the Board
6 of Trustees as in their judgment the circumstances require. A
7 full written account of any such emergency, together with a
8 requisition for the materials, supplies, labor or equipment
9 required therefor shall be submitted immediately upon
10 completion and shall be open to public inspection for a period
11 of at least one year subsequent to the date of such emergency
12 purchase. ~~Within 30 days after the passage of the resolution or~~
13 ~~ordinance declaring an emergency affecting the public health or~~
14 ~~safety, the municipality shall submit to the Illinois~~
15 ~~Environmental Protection Agency the full written account of any~~
16 ~~such emergency along with a copy of the resolution or ordinance~~
17 ~~declaring the emergency, in accordance with requirements as may~~
18 ~~be provided by rule.~~

19 To address operating emergencies not affecting the public
20 health or safety, the Board of Trustees shall authorize, in
21 writing, officials or employees of the sanitary district to
22 purchase in the open market and without advertisement any
23 supplies, materials, equipment, or services for immediate
24 delivery to meet the bona fide operating emergency, without
25 filing a requisition or estimate therefor, in an amount not in
26 excess of \$100,000; provided that the Board of Trustees must be

1 notified of the operating emergency. A full, written account of
2 each operating emergency and a requisition for the materials,
3 supplies, equipment, and services required to meet the
4 operating emergency must be immediately submitted by the
5 officials or employees authorized to make purchases to the
6 Board of Trustees. The account must be available for public
7 inspection for a period of at least one year after the date of
8 the operating emergency purchase. The exercise of authority
9 with respect to purchases for a bona fide operating emergency
10 is not dependent on a declaration of an operating emergency by
11 the Board of Trustees.

12 The competitive bidding requirements of this Section do not
13 apply to contracts, including contracts for both materials and
14 services incidental thereto, for the repair or replacement of a
15 sanitary district's treatment plant, sewers, equipment, or
16 facilities damaged or destroyed as the result of a sudden or
17 unexpected occurrence, including, but not limited to, a flood,
18 fire, tornado, earthquake, storm, or other natural or man-made
19 disaster, if the board of trustees determines in writing that
20 the awarding of those contracts without competitive bidding is
21 reasonably necessary for the sanitary district to maintain
22 compliance with a permit issued under the National Pollution
23 Discharge Elimination System (NPDES) or any successor system or
24 with any outstanding order relating to that compliance issued
25 by the United States Environmental Protection Agency, the
26 Illinois Environmental Protection Agency, or the Illinois

1 Pollution Control Board. The authority to issue contracts
2 without competitive bidding pursuant to this paragraph expires
3 6 months after the date of the writing determining that the
4 awarding of contracts without competitive bidding is
5 reasonably necessary.

6 No Trustee shall be interested, directly or indirectly, in
7 any contract, work or business of the municipality, or in the
8 sale of any article, whenever the expense, price or
9 consideration of the contract work, business or sale is paid
10 either from the treasury or by any assessment levied by any
11 Statute or Ordinance. No Trustee shall be interested, directly
12 or indirectly, in the purchase of any property which (1)
13 belongs to the municipality, or (2) is sold for taxes or
14 assessments of the municipality, or (3) is sold by virtue of
15 legal process in the suit of the municipality.

16 A contract for any work or other public improvement, to be
17 paid for in whole or in part by special assessment or special
18 taxation, shall be entered into and the performance thereof
19 controlled by the provisions of Division 2 of Article 9 of the
20 "Illinois Municipal Code", approved May 29, 1961, as heretofore
21 or hereafter amended, as near as may be. However, contracts may
22 be let for making proper and suitable connections between the
23 mains and outlets of the respective sanitary sewers in the
24 district with any conduit, conduits, main pipe or pipes that
25 may be constructed by such sanitary district.

1 (70 ILCS 2305/18.5 new)

2 Sec. 18.5. Contracts. The sanitary district may enter into
3 contracts with municipalities or other parties outside the
4 sanitary district that may request service from the sanitary
5 district at higher rates than the existing rates for like
6 consumers within the sanitary district to allow the sanitary
7 district to obtain a fair return to cover the costs of
8 financing, constructing, operating, and maintaining its
9 facilities. In the event that thereafter such rates are not
10 agreed upon by the parties or are not otherwise provided for by
11 contract, such rates shall be fixed and determined by the
12 circuit court of Lake County after a petition has been filed
13 with that court.

14 (70 ILCS 2305/31 new)

15 Sec. 31. Resource recovery.

16 (a) As used in this Section:

17 "Recovered resources" means any material produced by or
18 extracted from the operation of sanitary district facilities,
19 including, but not limited to:

20 (1) solids, including solids from the digestion
21 process, semi-solids, or liquid materials;

22 (2) gases, including biogas, carbon dioxide, and
23 methane;

24 (3) nutrients;

1 (4) algae;

2 (5) treated effluent; and

3 (6) thermal energy or hydropower.

4 "Renewable energy facility" shall have the same meaning as
5 a facility defined under Section 5 of the Renewable Energy
6 Production District Act.

7 "Renewable energy resources" means resources as defined
8 under Section 1-10 of the Illinois Power Agency Act.

9 "Resource recovery" means the recovery of material or
10 energy from waste as defined under Section 3.435 of the
11 Environmental Protection Act.

12 (b) The General Assembly finds that:

13 (1) technological advancements in wastewater treatment
14 have resulted in the ability to capture recovered resources
15 and produce renewable energy resources from material
16 previously discarded;

17 (2) the capture and beneficial reuse of recovered
18 resources and the production of renewable energy resources
19 serve a wide variety of environmental benefits including,
20 but not limited to, improved water quality, reduction of
21 greenhouse gases, reduction of carbon footprint, reduction
22 of landfill usage, reduced usage of hydrocarbon-based
23 fuels, return of nutrients to the food cycle, and reduced
24 water consumption;

25 (3) the sanitary district is a leader in the field of
26 wastewater treatment and possesses the expertise and

1 experience necessary to capture and beneficially reuse or
2 prepare for beneficial reuse recovered resources,
3 including renewable energy resources; and

4 (4) the sanitary district has the opportunity and
5 ability to change the approach to wastewater treatment from
6 that of a waste material to be disposed of to one of a
7 collection of resources to be recovered, reused, and sold,
8 with the opportunity to provide the sanitary district with
9 additional sources of revenue and reduce operating costs.

10 (c) The sanitary district may sell or otherwise dispose of
11 recovered resources or renewable energy resources resulting
12 from the operation of sanitary district facilities, and may
13 construct, maintain, finance, and operate such activities,
14 facilities, and other works as are necessary for that purpose.

15 (d) The sanitary district may take in materials which are
16 used in the generation of usable products from recovered
17 resources, or which increase the production of renewable energy
18 resources, including but not limited to food waste, organic
19 fraction of solid waste, commercial or industrial organic
20 wastes, fats, oils, greases, and vegetable debris.

21 (e) The authorizations granted to the sanitary district
22 under this Section shall not be construed as modifying or
23 limiting any other law or regulation. Any actions taken
24 pursuant to the authorities granted in this Section must be in
25 compliance with all applicable laws and regulations,
26 including, but not limited to, the Environmental Protection

1 Act, and rules adopted under that Act.

2 Section 15. The Sanitary District Act of 1917 is amended by
3 changing Section 17.1 as follows:

4 (70 ILCS 2405/17.1) (from Ch. 42, par. 316.1)

5 Sec. 17.1. Acquiring district or municipal treatment
6 works.

7 (a) After incorporation, any district organized under this
8 Act may, in accordance with this Act and an intergovernmental
9 agreement with the sanitary district being acquired or the
10 municipality from whom the treatment works and lines are to be
11 acquired, acquire the territory, treatment works, lines,
12 appurtenances, and other property of (i) any sanitary district
13 organized under this Act, the Sanitary District Act of 1907,
14 the North Shore Water Reclamation Sanitary District Act, the
15 Sanitary District Act of 1936, or the Metro-East Sanitary
16 District Act of 1974 or (ii) any municipality whose treatment
17 works were established under the Illinois Municipal Code or the
18 Municipal Wastewater Disposal Zones Act, regardless of whether
19 that district or municipality is contiguous to the acquiring
20 sanitary district. The distance between the sanitary district
21 being acquired or municipality and the acquiring sanitary
22 district, however, as measured between the points on their
23 corporate boundaries that are nearest to each other, shall not
24 exceed 20 miles. In the case of a municipality, only that

1 property used by the municipality for transport, treatment, and
2 discharge of wastewater and for disposal of sewage sludge shall
3 be transferred to the acquiring sanitary district.

4 (b) The board of trustees of the sanitary district being
5 acquired, or the corporate authorities of a municipality whose
6 treatment works is being acquired, shall, jointly with the
7 board of trustees of the acquiring sanitary district, petition
8 the circuit court of the county containing all or the larger
9 portion of the sanitary district being acquired or the
10 municipality to permit the acquisition. The petition shall show
11 the following:

12 (1) The reason for the acquisition.

13 (2) That there are no debts of the sanitary district
14 being acquired or municipality outstanding, or that there
15 are sufficient funds on hand or available to satisfy those
16 debts.

17 (3) That no contract or federal or State permit or
18 grant will be impaired by the acquisition.

19 (4) That all assets and responsibilities of the
20 sanitary district being acquired or municipality, as they
21 relate to wastewater treatment, have been properly
22 assigned to the acquiring sanitary district.

23 (5) That the acquiring sanitary district will pay any
24 court costs incurred in connection with the petition.

25 (6) The boundaries of the acquired sanitary district or
26 municipality as of the date of the petition.

1 (c) Upon adequate notice, including appropriate notice to
2 the Illinois Environmental Protection Agency, the circuit
3 court shall hold a hearing to determine whether there is good
4 cause for the acquisition by the acquiring district and whether
5 the allegations of the petition are true. If the court finds
6 that there is good cause and that the allegations are true, it
7 shall order the acquisition to proceed. If the court finds that
8 there is not good cause for the acquisition or that the
9 allegations of the petition are not true, the court shall
10 dismiss the petition. In either event, the costs shall be taxed
11 against the acquiring sanitary district. The order shall be
12 final. Separate or joint appeals may be taken by any party
13 affected by the order as in other civil cases.

14 (d) If the court orders the acquisition contemplated in the
15 petition, there shall be no further appointments of trustees if
16 the acquired agency is a sanitary district. The trustees of the
17 acquired sanitary district acting at the time of the order
18 shall close up the business affairs of the sanitary district
19 and make the necessary conveyances of title to the sanitary
20 district property in accordance with the intergovernmental
21 agreement between the acquiring and acquired sanitary
22 districts. In the case of a municipality, the governing body of
23 the municipality shall make the necessary conveyances of title
24 to municipal property to the acquiring sanitary district in
25 accordance with the intergovernmental agreement between the
26 municipality and the acquiring sanitary district. The

1 acquiring sanitary district's ordinances take effect in the
2 acquired territory upon entry of the order.

3 (e) The acquisition of any sanitary district by another
4 sanitary district or the acquisition of a treatment works from
5 a municipality by another sanitary district shall not affect
6 the obligation of any bonds issued or contracts entered into by
7 the acquired sanitary district or the municipality, nor
8 invalidate the levy, extension, or collection of any taxes or
9 special assessments upon a property in the acquired sanitary
10 district, but all those bonds and contracts shall be
11 discharged. The general obligation indebtedness of the
12 acquired sanitary district shall be paid from the proceeds of
13 continuing taxes and special assessments as provided in this
14 Act.

15 All money remaining after the business affairs of the
16 acquired sanitary district or acquired treatment works of the
17 municipality have been closed up and all debts and obligations
18 of the entities paid shall be paid to the acquiring sanitary
19 district in accordance with the intergovernmental agreement
20 between the parties.

21 (f) The board of trustees of the acquiring sanitary
22 district required to provide sewer service under this Act may
23 levy and collect, for that purpose, a tax on the taxable
24 property within that district. The aggregate amount of the tax
25 shall be as provided in this Act.

26 (g) Any intergovernmental agreement entered into by the

1 parties under this Section shall provide for the imposition or
2 continuance of a user charge system in accordance with the
3 acquiring district's ordinance, the Illinois Environmental
4 Protection Act, and the federal Clean Water Act.

5 (h) All courts shall take judicial notice of the
6 acquisition of the sanitary district being acquired or
7 municipal treatment works by the acquiring sanitary district.
