SENATE RESOLUTION

2

WHEREAS, The future of our nation's productivity and  
3 competitiveness in the global marketplace depends on the  
4 success of all men and women; and

5

WHEREAS, Women have been discriminated against in  
6 education, the workplace, and society as a whole; and

7

WHEREAS, Women continue to earn no more than 78 cents on  
8 the dollar compared to men; and

9

10

11

WHEREAS, The pay gap has been shown to start as soon as one  
year after college; this inequality affects not only women, but  
their families and society as a whole; and

12

13

14

15

WHEREAS, The pay gap between women and men has long-term  
effects on women's economic security; such a gap affects  
women's Social Security earnings, their ability to save for  
retirement, and their children's education; and

16

17

18

WHEREAS, Pay equity is closely linked to the eradication of  
poverty and is essential to having a highly-motivated  
workforce; and

19

WHEREAS, Equal Pay Day was originated by the National

1 Committee on Pay Equity in 1996 as a public awareness event to  
2 illustrate the gap between men's and women's wages; the day,  
3 observed in April, symbolizes how far into the year a woman  
4 must work, on average, to earn as much as a man earned the  
5 previous year, with Tuesday being the day in which women's  
6 wages catch up to men's wages from the previous week; because  
7 women earn less on average than men, they must work longer for  
8 the same amount of pay; this wage gap is even greater for most  
9 women of color; and

10 WHEREAS, Equal pay is a priority for all women and for our  
11 society at large; therefore, be it

12 RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL  
13 ASSEMBLY OF THE STATE OF ILLINOIS, that we designate April 14,  
14 2015 as Pay Equity Day in the State of Illinois in order to  
15 raise awareness about this endemic inequity.
