SENATE RESOLUTION

2

WHEREAS, In response to concerns regarding premium costs for Illinois employers responsible for providing Workers' Compensation Insurance coverage for their employees, the State of Illinois enacted Public Act 97-0018 which created a substantial reduction in benefits for injured workers, with the intention of providing employers relief from the high costs of workers' compensation premiums; and

9

WHEREAS, As a result of this Act, the National Council on Compensation Insurance has subsequently recommended premium rate reductions totaling nearly 20% for Illinois employers; and

10

11

12

WHEREAS, If fully implemented by insurers, such a rate reduction would provide Illinois' employers with nearly \$1 billion in premium savings; and

13

14

15

WHEREAS, Employers have experienced premium reductions of \$315 million, which represents only a fraction of the \$1 billion that would have been saved via full implementation of the recommended rate reductions; therefore, be it

16
