

1 AN ACT concerning emergency telephone services.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Emergency Telephone System Act is amended
5 by changing Section 2.16 as follows:

6 (50 ILCS 750/2.16)

7 Sec. 2.16. Private business switch service. "Private
8 business switch service" means a telecommunications service
9 including centrex type service and private branch exchange
10 service (PBX), even though key telephone systems or
11 equivalent telephone systems registered with the FCC under 47
12 C.F.R. Part 68 are directly connected to centrex type and PBX
13 systems providing 9-1-1 services equipped for switched local
14 network connections or 9-1-1 system access to business end
15 users through a private telephone switch. The term "private
16 business switch service" does not include key telephone
17 systems or equivalent telephone systems registered with the
18 FCC under 47 C.F.R. Part 68 when not used in conjunction with
19 centrex type and PBX systems. "Private business switch
20 service" typically includes, but is not limited to, private
21 businesses, corporations, and industries where the
22 telecommunications service is primarily for conducting
23 business. "Private business switch service" does not include
24 school and religious buildings.
