AN ACT with regard to education.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

Section 5. The School Code is amended by changing
Section 10-17a and adding Section 27-23.6 as follows:

6 (105 ILCS 5/10-17a) (from Ch. 122, par. 10-17a)

7 Sec. 10-17a. Better schools accountability.

8 (1) Policy and Purpose. It shall be the policy of the State of Illinois that each school district in this State, 9 including special charter districts and districts subject to 10 the provisions of Article 34, shall submit to parents, 11 of such district, the Governor, the General 12 taxpayers 13 Assembly, and the State Board of Education a school report card assessing the performance of its schools and students. 14 The report card shall be an index of school performance 15 16 measured against statewide and local standards and will provide information to make prior year comparisons and to set 17 18 future year targets through the school improvement plan.

19 (2) Reporting Requirements. Each school district shall 20 prepare a report card in accordance with the guidelines set forth in this Section which describes the performance of its 21 22 students by school attendance centers and by district and the district's use of financial resources. Such report card 23 shall be presented at a regular school board meeting subject 24 25 to applicable notice requirements, and such report cards shall be made available to a newspaper of general circulation 26 27 serving the district and shall be sent home to parents. Τn addition, each school district shall submit the completed 28 report card to the office of the district's Regional 29 Superintendent which shall make copies available to any 30 individuals requesting them. 31

1 The report card shall be completed and disseminated prior 2 to October 31 in each school year. The report card shall contain, but not be limited to, actual local school 3 4 attendance center, school district and statewide data 5 indicating the present performance of the school, the State 6 norms and the areas for planned improvement for the school 7 and school district.

The report card shall include the following 8 (3) (a) 9 applicable indicators of attendance center, district, and statewide student performance: percent of students who 10 11 exceed, meet, or do not meet standards established by the State Board of Education pursuant to Section 2-3.25a; 12 composite and subtest means on nationally normed achievement 13 tests for college bound students; student attendance rates; 14 15 chronic truancy rate; dropout rate; graduation rate; and 16 student mobility, turnover shown as a percent of transfers out and a percent of transfers in. 17

The report card shall include the following 18 (b) 19 descriptions for the school, district, and State: average class size; amount of time per day devoted to mathematics, 20 21 science, English and social science at primary, middle and junior high school grade levels; number of students taking 22 the Prairie State Achievement Examination under subsection 23 (c) of Section 2-3.64, the number of those students who 24 received a score of excellent, and the average score by 25 school of students taking the examination; pupil-teacher 26 ratio; pupil-administrator ratio; operating expenditure per 27 pupil; district expenditure by fund; average administrator 28 29 salary; and average teacher salary.

30 (c) The report card shall include applicable indicators 31 of parental involvement in each attendance center. The 32 parental involvement component of the report card shall 33 include the percentage of students whose parents or guardians 34 have had one or more personal contacts with the students'

Sec. 27-23.6. Anti-bias education.

(a) The General Assembly finds that there is a
significant increase in violence in the schools and that much
of that violence is the result of intergroup tensions. The
General Assembly further finds that anti-bias education and
intergroup conflict resolution are effective methods for
preventing violence and lessening tensions in the schools.
(b) Beginning with the 2002-2003 school year, public

elementary and secondary schools may incorporate activities address intergroup conflict, with the objectives of improving intergroup relations on and beyond the school campus, defusing intergroup tensions, and promoting peaceful resolution of conflict. Such activities may include, but not be limited to, instruction and teacher training programs.
