- 1 AN ACT in relation to highways.
- it enacted by the People of the State of Illinois, 2
- 3 represented in the General Assembly:
- 4 Section 5. The Illinois Highway Code is amended by
- changing Sections 6-201.7 and 6-508 as follows: 5
- 6 (605 ILCS 5/6-201.7) (from Ch. 121, par. 6-201.7)
- Sec. 6-201.7. Construct, maintain and repair and be 7
- 8 responsible for the construction, maintenance and repair of
- roads within the district, let contracts, employ labor and 9
- purchase material and machinery therefor, subject to the 10
- limitations provided in this Code. No contract shall be let 11
- for the construction or repair of any road or part thereof in 12
- 13 excess of the amount of \$10,000 \$5,000, nor shall any
- material, machinery or other appliances to be used in road 14
- 15 construction or maintenance of roads in excess of such amount
- 16 be purchased, nor shall several contracts each for an amount
- of \$10,000 \$5,000 or less be let for the construction or 17
- 18 repair of any road or part thereof when such construction or
- 19 repair is in reality part of one project costing more than
- appliance to be used therein be purchased under several

\$10,000 \$5,000, nor shall any material, machinery or other

- 22 contracts each for an amount of \$10,000 \$5,000 or less, if
- such purchases are essentially one transaction amounting to 23
- more than \$10,000 \$5,000, without the written approval of the 24
- county superintendent of highways in the case of road 25
- districts other than consolidated township road districts or 26
- 27 without the written approval of the highway board of auditors
- in the case of consolidated township road districts. 28
- 29 Except for professional services, when the cost of
- construction, materials, supplies, new machinery or equipment 30
- exceeds \$5,000,--or \$10,000 in-ease-of-a-district-having-a 31

1 population--of--10,000--or--more, the contract for such 2 construction, materials, supplies, machinery or equipment shall be let, after the above written approval is obtained, 3 4 to the lowest responsible bidder after advertising for bids 5 at least once, and at least 10 days prior to the time set for б the opening of such bids, in a newspaper published within the 7 township or road district, or, if no newspaper is published 8 within the township or road district then in one published 9 within the county, or, if no newspaper is published within the county then in a newspaper having general circulation 10 11 within the township or road district, but, in case of emergency, such contract may be let without advertising for 12 bids upon the approval of the County Superintendent of 13 expressing in writing the existence of such 14 emergency and, in the case of consolidated township road 15 16 districts, upon the approval of the highway board of auditors. For purposes of this Section "new machinery or 17 equipment" shall be defined as that which has been previously 18 19 untitled or that which shows fewer than 200 hours on its operating clock and that is accompanied by a new equipment 20 2.1 manufacturer's warranty.

23 (605 ILCS 5/6-508) (from Ch. 121, par. 6-508)

24 Sec. 6-508. (a) For the purpose of constructing or repairing bridges, culverts, drainage structures or grade 25 separations, including approaches thereto, at the 26 ioint of a county and a road district and obtaining aid 27 from the county as provided in Section 5-501 of this Code, 28 29 there may be included in the annual tax levies provided for in Section 6-501 of this Code a tax of not to exceed .05% of 30 31 the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue, which 32 tax shall be in addition to and may be in excess of the 33

1 maximum levy and may be extended at a rate in addition to and

in excess of the tax rate for road purposes authorized under

3 Section 6-501 of this Code.

4 Such tax, when collected, shall constitute and be held by the treasurer of the district as a separate fund to be 5 б expended for the construction or repair of bridges, culverts, 7 grade separations, structures or approaches thereto, at the joint expense of the county and 8 9 the road district. The highway commissioner shall separately specify in the certificate required by Section 6-501 the 10 11 amount necessary to be raised by taxation for the purpose of 12 constructing or repairing bridges, culverts, drainage grade separations, including approaches 13 structures or thereto, at the joint expense of the county and the road 14 15 Upon the approval by the county board of the 16 amount so certified as provided in Section 6-501 of this Code, the county clerk shall extend the same against the 17 taxable property of the road district, provided the amount 18 thus approved shall not be extended at a rate in excess of 19 .05% of value, as equalized or assessed by the Department of 20 21 Revenue.

When any improvement project for which a tax may be levied under this Section has been ordered as provided in Section 5-501 and the estimated cost of such project to the road district is in excess of the amount that will be realized from the annual tax levy authorized by this Section when extended and collected, then the road district may accumulate the proceeds of such tax for such number of years as may be necessary to acquire the funds necessary to pay the district's share of the cost of such project. In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law and the imposition of the property tax extension limitation prevents a road district from levying taxes for road purposes at the required

- 1 rate, a road district may retain its eligibility if, at the
- 2 time the property tax extension limitation was imposed, the
- 3 road district was levying at the required rate and continues
- 4 to levy the maximum allowable amount after the imposition of
- 5 the property tax extension limitation. It shall not be a
- 6 valid objection to any subsequent tax levy made under this
- 7 Section that there remains unexpended money arising from a
- 8 preceding levy of a prior year because of the accumulation
- 9 provided for in this Section.
- 10 The rate limitation imposed by this Section may be
- increased for a 10 year period to up to 0.25% of the value of
- 12 all the taxable property in the road district, as equalized
- or assessed by the Department of Revenue if the proposition
- 14 for the increased tax rate is submitted under Sections 6-504
- and 6-505 and receives a majority of all ballots cast on the
- proposition at the election held under Section 6-505.
- 17 (b) All surplus funds remaining in the hands of the
- 18 treasurer of the road district after the completion of any
- 19 construction or repairing of bridges, culverts, drainage
- 20 structures or grade separations, including approaches
- 21 thereto, under this Section, shall be turned over at the
- request of the highway commissioner, with the written consent
- of the county superintendent, to the regular road fund of the
- 24 road district. Upon such request, no further levy under this
- 25 Section is to be extended by the county clerk unless the
- 26 proposition authorizing such further levy is submitted under
- 27 Sections 6-504 and 6-505 and receives a majority of all
- 28 ballots cast on the proposition at the election held under
- 29 Section 6-505.
- 30 <u>(c) The moneys from this tax may also be used for</u>
- 31 <u>construction and maintenance of bridges, culverts and other</u>
- 32 <u>drainage facilities</u>, or <u>grade separations</u>, including
- 33 <u>approaches thereto, on, under, or over the district roads,</u>
- 34 <u>without joint county funds being involved and without</u>

- limitation as to size of project, but only if adequate funds
- 2 are available for all projects for which the road district
- 3 <u>has petitioned the county for joint participation. If the</u>
- 4 project size is over \$5,000, the road district commissioner
- 5 shall also obtain the permission of the county engineer.
