 following the involuntary termination of that individual
 health insurance coverage.

4

g. Other sources primary; nonduplication of benefits.

(1) The Plan shall be the last payor of benefits 5 whenever any other benefit or source of third party 6 7 payment is available. Subject to the provisions of subsection e of Section 7, benefits otherwise payable 8 9 under Plan coverage shall be reduced by all amounts paid or payable by Medicare or any other government program or 10 11 through any health insurance coverage or group health plan, whether by insurance, reimbursement, or otherwise, 12 any third party liability, settlement, 13 or through judgment, or award, regardless of the date of the 14 15 settlement, judgment, or award, whether the settlement, 16 judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and 17 whether the settlement, judgment, or award is payable to 18 the covered person, his or her dependent, 19 estate, personal representative, or guardian in a lump sum or 20 21 over time, and by all hospital or medical expense 22 benefits paid or payable under any worker's compensation 23 coverage, automobile medical payment, or liability insurance, whether provided on the basis of fault or 24 25 nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any State or 26 federal law or program. 27

(2) The Plan shall have a cause of action against
any covered person or any other person or entity for the
recovery of any amount paid to the extent the amount was
for treatment, services, or supplies not covered in this
Section or in excess of benefits as set forth in this
Section.

34

(3) Whenever benefits are due from the Plan because

1 of sickness or an injury to a covered person resulting 2 from a third party's wrongful act or negligence and the covered person has recovered or may recover damages from 3 4 a third party or its insurer, the Plan shall have the right to reduce benefits or to refuse to pay benefits 5 that otherwise may be payable by the amount of damages 6 7 that the covered person has recovered or may recover 8 regardless of the date of the sickness or injury or the 9 date of any settlement, judgment, or award resulting from that sickness or injury. 10

11 During the pendency of any action or claim that is brought by or on behalf of a covered person against a 12 third party or its insurer, any benefits that would 13 otherwise be payable except for the provisions of this 14 paragraph (3) shall be paid if payment by or for the 15 16 third party has not yet been made and the covered person or, if incapable, that person's legal representative 17 agrees in writing to pay back promptly the benefits paid 18 as a result of the sickness or injury to the extent of 19 any future payments made by or for the third party for 20 21 the sickness or injury. This agreement is to apply whether or not liability for the payments is established 22 or admitted by the third party or whether those payments 23 24 are itemized.

Any amounts due the plan to repay benefits may be deducted from other benefits payable by the Plan after payments by or for the third party are made.

(4) Benefits due from the Plan may be reduced or
refused as an offset against any amount otherwise
recoverable under this Section.

31 h. Right of subrogation; recoveries.

32 (1) Whenever the Plan has paid benefits because of
33 sickness or an injury to any covered person resulting
34 from a third party's wrongful act or negligence, or for

1 which an insurer is liable in accordance with the 2 provisions of any policy of insurance, and the covered person has recovered or may recover damages from a third 3 4 party that is liable for the damages, the Plan shall have the right to recover the benefits it paid from any 5 amounts that the covered person has received or may 6 7 receive regardless of the date of the sickness or injury 8 or the date of any settlement, judgment, or award 9 resulting from that sickness or injury. The Plan shall be subrogated to any right of recovery the covered person 10 11 may have under the terms of any private or public health care coverage or liability coverage, including coverage 12 13 under the Workers' Compensation Act or the Workers' Occupational Diseases Act, without the necessity of 14 15 assignment of claim or other authorization to secure the 16 right of recovery. To enforce its subrogation right, the Plan may (i) intervene or join in an action or proceeding 17 brought covered person or his personal 18 by the representative, including his guardian, 19 conservator, estate, dependents, or survivors, against any third party 20 21 or the third party's insurer that may be liable or (ii) 22 institute and prosecute legal proceedings against any 23 third party or the third party's insurer that may be liable for the sickness or injury in an appropriate court 24 either in the name of the Plan or in the name of the 25 covered person or his personal representative, including 26 27 his guardian, conservator, estate, dependents, or survivors. 28

(2) If any action or claim is brought by or on
behalf of a covered person against a third party or the
third party's insurer, the covered person or his personal
representative, including his guardian, conservator,
estate, dependents, or survivors, shall notify the Plan
by personal service or registered mail of the action or

1 claim and of the name of the court in which the action or 2 claim is brought, filing proof thereof in the action or claim. The Plan may, at any time thereafter, join in the 3 4 action or claim upon its motion so that all orders of court after hearing and judgment shall be made for its 5 protection. No release or settlement of a claim for 6 7 damages and no satisfaction of judgment in the action 8 shall be valid without the written consent of the Plan to 9 the extent of its interest in the settlement or judgment and of the covered person or his personal representative. 10

11 (3) In the event that the covered person or his personal representative fails to institute a proceeding 12 13 against any appropriate third party before the fifth month before the action would be barred, the Plan may, in 14 15 its own name or in the name of the covered person or 16 personal representative, commence a proceeding against any appropriate third party for the recovery of damages 17 on account of any sickness, injury, or death to the 18 covered person. The covered person shall cooperate in 19 20 doing what is reasonably necessary to assist the Plan in 21 any recovery and shall not take any action that would 22 prejudice the Plan's right to recovery. The Plan shall 23 pay to the covered person or his personal representative all sums collected from any third party by judgment or 24 25 otherwise in excess of amounts paid in benefits under the Plan and amounts paid or to be paid as costs, attorneys 26 fees, and reasonable expenses incurred by the 27 Plan in making the collection or enforcing the judgment. 28

29 (4) In the event that a covered person or his representative, including his 30 personal guardian, 31 conservator, estate, dependents, or survivors, recovers damages from a third party for sickness or injury caused 32 to the covered person, the covered person or the personal 33 representative shall pay to the Plan from the damages 34

recovered the amount of benefits paid or to be paid on
 behalf of the covered person.

(5) When the action or claim is brought by the 3 4 covered person alone and the covered person incurs a personal liability to pay attorney's fees and costs of 5 litigation, the Plan's claim for reimbursement of the 6 7 benefits provided to the covered person shall be the full amount of benefits paid to or on behalf of the covered 8 9 person under this Act less a pro rata share that represents the Plan's reasonable share of attorney's fees 10 11 paid by the covered person and that portion of the cost of litigation expenses determined by multiplying by the 12 ratio of the full amount of the expenditures to the full 13 amount of the judgement, award, or settlement. 14

In the event of judgment or award in a suit or 15 (6) 16 claim against a third party or insurer, the court shall order paid from any judgement or award the 17 first reasonable litigation expenses incurred in preparation 18 19 and prosecution of the action or claim, together with reasonable attorney's fees. After payment of those 20 21 expenses and attorney's fees, the court shall apply out 22 of the balance of the judgment or award an amount 23 sufficient to reimburse the Plan the full amount of benefits paid on behalf of the covered person under this 24 25 Act, provided the court may reduce and apportion the Plan's portion of the judgement proportionate to the 26 recovery of the covered person. The burden of producing 27 evidence sufficient to support the exercise by the court 28 29 of its discretion to reduce the amount of a proven charge 30 sought to be enforced against the recovery shall rest with the party seeking the reduction. The court may 31 consider the nature and extent of the injury, economic 32 and non-economic loss, settlement offers, comparative 33 34 negligence as it applies to the case at hand, hospital 13

1 costs, physician costs, and all other appropriate costs. 2 The Plan shall pay its pro rata share of the attorney 3 fees based on the Plan's recovery as it compares to the 4 total judgment. Any reimbursement rights of the Plan 5 shall take priority over all other liens and charges existing under the laws of this State with the exception б 7 of any attorney liens filed under the Attorneys Lien Act. (7) The Plan may compromise or settle and release 8 9 any claim for benefits provided under this Act or waive any claims for benefits, in whole or in part, for the 10 convenience of the Plan or if the Plan determines that 11 collection would result in undue hardship upon the 12
