

1 AN ACT concerning public utilities.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Public Utilities Act is amended by adding  
5 Section 13-505.9 as follows:

6 (220 ILCS 5/13-505.9 new)

7 Sec. 13-505.9. Provision of service; customer  
8 authorization required. A telecommunications carrier may not  
9 provide or make available to a customer any optional service,  
10 feature, or functionality, including but not limited to  
11 services that can be activated on a per-use basis, unless the  
12 customer expressly authorizes the telecommunications carrier  
13 in advance and in writing to make the service available.
