- 1 AN ACT concerning public aid.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The Illinois Public Aid Code is amended by
- 5 adding Section 1-12 as follows:
- 6 (305 ILCS 5/1-12 new)
- 7 <u>Sec. 1-12. Family violence option.</u>
- 8 (a) Findings. The General Assembly finds that domestic
- 9 <u>violence may make it difficult for individuals and families</u>
- 10 to attain economic self-sufficiency, because the physical and
- 11 mental effects of past or present abuse may hinder job
- 12 <u>performance; because abusive partners may attempt to sabotage</u>
- 13 their victims' education, training, and employment to keep
- 14 them economically dependent; or because the demands of court
- 15 <u>intervention</u>, <u>criminal prosecution</u>, <u>counseling</u>, <u>or safety</u>
- 16 planning may interfere with work, education, or training.
- 17 (b) It is the policy of the State of Illinois that:
- 18 <u>(1) no individual or family should be forced to</u>
- 19 <u>remain in a violent living situation or place themselves</u>
- 20 <u>or others at risk in order to attain or retain assistance</u>
- or because any time period for receipt of assistance has
- 22 <u>expired; and</u>
- 23 (2) no individual or family should be unfairly
- 24 <u>penalized because past or present domestic violence or</u>
- 25 <u>the risk of domestic violence causes them to fail to</u>
- 26 <u>comply with requirements for assistance.</u>
- (c) <u>Definitions</u>.
- 28 <u>(1) Definition of domestic violence. For purposes</u>
- of this Section, "domestic violence" means battering or
- 30 <u>subjecting a person to extreme cruelty by (i) physical</u>
- 31 <u>acts that result in or threaten to result in physical</u>

1	injury; (ii) sexual abuse; (iii) sexual activity
2	involving a dependent child; (iv) forcing the person to
3	participate in nonconsensual sexual acts or activities;
4	(v) threats of, or attempts at, physical or sexual abuse;
5	(vi) mental abuse; or (vii) neglect or deprivation of
6	medical care.
7	(2) Definition of assistance. For purposes of this
8	Section, the term assistance is as defined at 45 CFR
9	<u>260.31.</u>
10	(d) Protection of applicants and recipients who are
11	victims of domestic violence. In recognition of the reality
12	of domestic violence for many individuals and families who
13	may need assistance under the Illinois Public Aid Code, the
14	State of Illinois adopts the Family Violence Option of
15	Section 402(a)(7) of the Social Security Act (42 U.S.C.
16	602(a)(7)) and the implementing federal regulations for the
17	Temporary Assistance for Needy Families Program (TANF) at 45
18	CFR 260.50 et seq. Standards and procedures shall be
19	established and enforced to:
20	(1) Screen and identify applicants and recipients of
21	assistance who are past or present victims of domestic
22	violence or at risk of further domestic violence, while
23	maintaining the confidentiality of those individuals.
24	(2) Refer those individuals to counseling and
25	supportive services.
26	(3) Waive, pursuant to a determination of good
27	cause, for so long as necessary any program requirements
28	that would make it more difficult for those individuals
29	to escape domestic violence or unfairly penalize past or
30	present victims of domestic violence or those at risk of
31	further domestic violence, such as time limits on
32	receiving assistance, paternity establishment and child
33	support cooperation requirements, and family cap
3.4	provisions When granting waivers under this Section

2.1

the Department shall determine a specific relationship between the domestic violence suffered by the client and the need to waive a requirement because domestic violence makes it more difficult or impossible for the client to meet the requirement.

In addition, in the assessment process to develop a personal plan for self-sufficiency, the factor of domestic violence shall be taken into account in determining the work, education, and training activities that are appropriate, including temporarily waiving any work, education, or training requirement, and in establishing good cause for failure to cooperate in the plan. Further, the State shall meet the requirements for Federal recognition of good cause domestic violence waivers for assistance applicants and recipients under 45 CFR 260.55.

- (e) Evidence of domestic violence. Allegations of domestic violence by a victim shall be corroborated by further evidence. Evidence may include, but is not limited to, police, governmental agency, or court records; documentation from a shelter worker, legal, clerical, medical, or other professional from whom the individual has sought assistance in dealing with domestic violence; or other corroborating evidence, such as a statement from any other individual with knowledge of the circumstances which provide the basis for the claim, physical evidence of domestic violence, or any other evidence that supports the allegations. That an individual is a past or present victim of domestic violence or at risk of further domestic violence may be established at any time.
- (f) An individual may decline to participate in services specifically directed at domestic violence or may terminate participation in those services, without penalty or sanction.
- 34 (q) The Department of Human Services, or any successor

- 1 Department or Agency responsible for the operation of the
- 2 TANF program under Article IV, shall be responsible for the
- 3 coordination of policies and procedures to comply with this
- 4 <u>Section</u>, in consultation with State and local domestic
- 5 <u>violence experts. Those policies and procedures include, but</u>
- 6 are not limited to, the screening and identification of
- 7 victims of domestic violence, notification to applicants and
- 8 recipients of assistance, maintaining confidentiality,
- 9 referral to services, the waiver process, determining
- 10 <u>evidence of domestic violence</u>, and training of State
- 11 <u>employees</u>. The policies and procedures shall apply to State
- 12 <u>Departments and Agencies which directly administer programs</u>
- 13 <u>affected</u> by the waivers that might be granted under
- 14 <u>subsection (d) above, including but not limited to the</u>
- 15 provision of assistance under TANF, paternity establishment
- 16 and child support cooperation, and work, education, and
- 17 <u>training programs</u>.
- 18 (305 ILCS 5/4-22 rep.)
- 19 Section 10. The Illinois Public Aid Code is amended by
- 20 repealing Section 4-22.
- 21 Section 99. Effective date. This Act takes effect upon
- 22 becoming law.
