1

AN ACT concerning public utilities.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

Section 5. The Public Utilities Act is amended by adding
Sections 8-501.5, 8-505.5, and 9-245 as follows:

6 (220 ILCS 5/8-501.5 new)

Sec. 8-501.5. Employees and independent contractors;
background checks.

9 <u>(a) Before hiring an employee or independent contractor</u> 10 <u>to perform work involving facilities used for the</u> 11 <u>distribution of natural gas to customers, a public utility</u> 12 <u>shall, in accordance with Commission rules, require the</u> 13 <u>proposed employee or independent contractor to complete a</u> 14 <u>certificate listing the proposed employee's or contractor's</u> 15 <u>violations of pertinent safety or environmental laws.</u>

16 (b) The Commission shall adopt rules establishing the 17 requirements for the certificates referred to in subsection 18 (a).

19

(220 ILCS 5/8-505.5 new)

20 Sec. 8-505.5. Work on natural gas regulator or 21 manometer. The Commission shall require, under such rules as it may prescribe, a public utility that is performing work on 22 23 a natural gas regulator or manometer containing mercury that is used to provide natural gas service to test the immediate 24 25 area around the regulator or manometer for mercury before and after work is performed using testing instruments of the type 26 27 approved by the Commission. Copies of the test results, if requested, shall be provided to the occupant or owner of the 28 property upon which the regulator or manometer is located at 29 the time the work is performed. The test results shall be 30

-2-

1 <u>available for inspection by the Commission.</u>

2 (220 ILCS 5/9-245 new) 3 Sec. 9-245. Rates; environmental fines and remediation. In determining the rates for a public utility engaged in 4 providing natural gas service, the Commission may not include 5 any expenditure for fines or remediation and related б activities incurred as a result of mercury spills associated 7 8 with gas pressure regulators, manometers, or any other devices containing mercury in the utility's system. Any 9 related insurance or third party recoveries must also be 10 excluded for ratemaking purposes. 11

Section 99. Effective date. This Act takes effect uponbecoming law.
