30 (d) To report in writing, to the Governor, annually on
31 or before the first day of December, and at such other times
32 and in such manner and upon such subjects as the Governor may

1 require. The annual report shall contain (1) a statement of
 2 the existing condition of comprehensive rehabilitation
 3 services, habilitation and rehabilitation in the State; (2) a
 4 statement of suggestions and recommendations with reference
 5 to the development of comprehensive rehabilitation services,

 10 amounts have been devoted.

11 (e) (Blank). ~~To exercise, pursuant to Section 13 of this~~
 12 ~~Act, executive and administrative supervision over all~~

22 (f) To establish a program of services to prevent
 23 unnecessary institutionalization of persons with Alzheimer's
 24 disease and related disorders or persons in need of long term
 25 care who are established as blind or disabled as defined by
 26 the Social Security Act, thereby enabling them to remain in
 27 their own homes or other living arrangements. Such preventive
 28 services may include, but are not limited to, any or all of
 29 the following:

- 30 (1) home health services;
- 31 (2) home nursing services;
- 32 (3) homemaker services;
- 33 (4) chore and housekeeping services;
- 34 (5) day care services;

- 1 (6) home-delivered meals;
- 2 (7) education in self-care;
- 3 (8) personal care services;
- 4 (9) adult day health services;
- 5 (10) habilitation services;
- 6 (11) respite care; or
- 7 (12) other nonmedical social services that may
- 8 enable the person to become self-supporting.

9 The Department shall establish eligibility standards for
10 such services taking into consideration the unique economic
11 and social needs of the population for whom they are to be
12 provided. Such eligibility standards may be based on the
13 recipient's ability to pay for services; provided, however,
14 that any portion of a person's income that is equal to or
15 less than the "protected income" level shall not be
16 considered by the Department in determining eligibility. The
17 "protected income" level shall be determined by the
18 Department, shall never be less than the federal poverty
19 standard, and shall be adjusted each year to reflect changes
20 in the Consumer Price Index For All Urban Consumers as
21 determined by the United States Department of Labor.
22 Additionally, in determining the amount and nature of
23 services for which a person may qualify, consideration shall
24 not be given to the value of cash, property or other assets
25 held in the name of the person's spouse pursuant to a written
26 agreement dividing marital property into equal but separate
27 shares or pursuant to a transfer of the person's interest in
28 a home to his spouse, provided that the spouse's share of the
29 marital property is not made available to the person seeking
30 such services.

31 The services shall be provided to eligible persons to
32 prevent unnecessary or premature institutionalization, to the
33 extent that the cost of the services, together with the other
34 personal maintenance expenses of the persons, are reasonably

1 related to the standards established for care in a group
2 facility appropriate to their condition. These
3 non-institutional services, pilot projects or experimental
4 facilities may be provided as part of or in addition to those
5 authorized by federal law or those funded and administered by
6 the Illinois Department on Aging.

7 Personal care attendants shall be paid:

8 (i) A \$5 per hour minimum rate beginning July 1,
9 1995.

10 (ii) A \$5.30 per hour minimum rate beginning July
11 1, 1997.

12 (iii) A \$5.40 per hour minimum rate beginning July
13 1, 1998.

14 The Department shall execute, relative to the nursing
15 home prescreening project, as authorized by Section 4.03 of
16 the Illinois Act on the Aging, written inter-agency
17 agreements with the Department on Aging and the Department of
18 Public Aid, to effect the following: (i) intake procedures
19 and common eligibility criteria for those persons who are
20 receiving non-institutional services; and (ii) the
21 establishment and development of non-institutional services
22 in areas of the State where they are not currently available
23 or are undeveloped. On and after July 1, 1996, all nursing
24 home prescreenings for individuals 18 through 59 years of age
25 shall be conducted by the Department.

26 The Department is authorized to establish a system of
27 recipient cost-sharing for services provided under this
28 Section. The cost-sharing shall be based upon the
29 recipient's ability to pay for services, but in no case shall
30 the recipient's share exceed the actual cost of the services
31 provided. Protected income shall not be considered by the
32 Department in its determination of the recipient's ability to
33 pay a share of the cost of services. The level of
34 cost-sharing shall be adjusted each year to reflect changes

1 in the "protected income" level. The Department shall deduct
2 from the recipient's share of the cost of services any money
3 expended by the recipient for disability-related expenses.

4 The Department, or the Department's authorized
5 representative, shall recover the amount of moneys expended
6 for services provided to or in behalf of a person under this
7 Section by a claim against the person's estate or against the
8 estate of the person's surviving spouse, but no recovery may
9 be had until after the death of the surviving spouse, if any,
10 and then only at such time when there is no surviving child
11 who is under age 21, blind, or permanently and totally
12 disabled. This paragraph, however, shall not bar recovery,
13 at the death of the person, of moneys for services provided
14 to the person or in behalf of the person under this Section
15 to which the person was not entitled; provided that such
16 recovery shall not be enforced against any real estate while
17 it is occupied as a homestead by the surviving spouse or
18 other dependent, if no claims by other creditors have been
19 filed against the estate, or, if such claims have been filed,
20 they remain dormant for failure of prosecution or failure of
21 the claimant to compel administration of the estate for the
22 purpose of payment. This paragraph shall not bar recovery
23 from the estate of a spouse, under Sections 1915 and 1924 of
24 the Social Security Act and Section 5-4 of the Illinois
25 Public Aid Code, who precedes a person receiving services
26 under this Section in death. All moneys for services paid to
27 or in behalf of the person under this Section shall be
28 claimed for recovery from the deceased spouse's estate.
29 "Homestead", as used in this paragraph, means the dwelling
30 house and contiguous real estate occupied by a surviving
31 spouse or relative, as defined by the rules and regulations
32 of the Illinois Department of Public Aid, regardless of the
33 value of the property.

34 The Department and the Department on Aging shall

1 cooperate in the development and submission of an annual
2 report on programs and services provided under this Section.
3 Such joint report shall be filed with the Governor and the
4 General Assembly on or before March 30 each year.

5 The requirement for reporting to the General Assembly
6 shall be satisfied by filing copies of the report with the
7 Speaker, the Minority Leader and the Clerk of the House of
8 Representatives and the President, the Minority Leader and
9 the Secretary of the Senate and the Legislative Research
10 Unit, as required by Section 3.1 of the General Assembly
11 Organization Act, and filing additional copies with the State
12 Government Report Distribution Center for the General
13 Assembly as required under paragraph (t) of Section 7 of the
14 State Library Act.

15 (g) To establish such subdivisions of the Department as
16 shall be desirable and assign to the various subdivisions the
17 responsibilities and duties placed upon the Department by
18 law.

19 (h) To cooperate and enter into any necessary agreements
20 with the Department of Employment Security for the provision
21 of job placement and job referral services to clients of the
22 Department, including job service registration of such
23 clients with Illinois Employment Security offices and making
24 job listings maintained by the Department of Employment
25 Security available to such clients.

26 (i) To possess all powers reasonable and necessary for
27 the exercise and administration of the powers, duties and
28 responsibilities of the Department which are provided for by
29 law.

30 (j) To establish a procedure whereby new providers of
31 personal care attendant services shall submit vouchers to the
32 State for payment two times during their first month of
33 employment and one time per month thereafter. In no case
34 shall the Department pay personal care attendants an hourly

1 wage that is less than the federal minimum wage.

2 (k) To provide adequate notice to providers of chore and
3 housekeeping services informing them that they are entitled
4 to an interest payment on bills which are not promptly paid
5 pursuant to Section 3 of the State Prompt Payment Act.

6 (l) To establish, operate and maintain a Statewide
7 Housing Clearinghouse of information on available, government
8 subsidized housing accessible to disabled persons and
9 available privately owned housing accessible to disabled
10 persons. The information shall include but not be limited to
11 the location, rental requirements, access features and
12 proximity to public transportation of available housing. The
13 Clearinghouse shall consist of at least a computerized
14 database for the storage and retrieval of information and a
15 separate or shared toll free telephone number for use by
16 those seeking information from the Clearinghouse. Department
17 offices and personnel throughout the State shall also assist
18 in the operation of the Statewide Housing Clearinghouse.
19 Cooperation with local, State and federal housing managers
20 shall be sought and extended in order to frequently and
21 promptly update the Clearinghouse's information.

22 (m) To assure that the names and case records of persons
23 who received or are receiving services from the Department,
24 including persons receiving vocational rehabilitation, home
25 services, or other services, and those attending one of the
26 Department's schools or other supervised facility shall be
27 confidential and not be open to the general public. Those
28 case records and reports or the information contained in
29 those records and reports shall be disclosed by the Director
30 only to proper law enforcement officials, individuals
31 authorized by a court, the General Assembly or any committee
32 or commission of the General Assembly, and other persons and
33 for reasons as the Director designates by rule. Disclosure
34 by the Director may be only in accordance with other

1 applicable law.
