Public Act 100-0143

HB3018 Enrolled

AN ACT concerning the Department of Veterans' Affairs.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois is amended by changing Section 805-305 as follows:

(20 ILCS 805/805-305) (was 20 ILCS 805/63a23)

Sec. 805-305. Campsites and housing facilities. The Department has the power to provide facilities for overnight tent and trailer campsites and to provide suitable housing facilities for student and juvenile overnight camping groups. The Department of Natural Resources may regulate, by administrative order, the fees to be charged for tent and trailer camping units at individual park areas based upon the facilities available. However, for campsites with access to showers or electricity, any Illinois resident who is age 62 or older or has a Class 2 disability as defined in Section 4A of the Illinois Identification Card Act shall be charged only one-half of the camping fee charged to the general public during the period Monday through Thursday of any week and shall be charged the same camping fee as the general public on all other days. For campsites without access to showers or electricity, no camping fee authorized by this Section shall be
charged to any resident of Illinois who has a Class 2 disability as defined in Section 4A of the Illinois Identification Card Act. For campsites without access to showers or electricity, no camping fee authorized by this Section shall be charged to any resident of Illinois who is age 62 or older for the use of a campsite unit during the period Monday through Thursday of any week. No camping fee authorized by this Section shall be charged to any resident of Illinois who is a veteran with a disability or a former prisoner of war, as defined in Section 5 of the Department of Veterans' Affairs Act. No camping fee authorized by this Section shall be charged to any resident of Illinois after returning from service abroad or mobilization by the President of the United States as an active duty member of the United States Armed Forces, the Illinois National Guard, or the Reserves of the United States Armed Forces for the amount of time that the active duty member spent in service abroad or mobilized if the person (i) applies for a pass at the Department office in Springfield within 2 years after returning and provides acceptable verification of service or mobilization to the Department or (ii) applies for a pass at a Regional Office of the Department within 2 years after returning and provides acceptable verification of service or mobilization to the Department; any portion of a year that the active duty member spent in service abroad or mobilized shall count as a full year. Nonresidents shall be charged the same fees as are
authorized for the general public regardless of age. The Department shall provide by regulation for suitable proof of age, or either a valid driver's license or a "Golden Age Passport" issued by the federal government shall be acceptable as proof of age. The Department shall further provide by regulation that notice of these reduced admission fees be posted in a conspicuous place and manner.

Reduced fees authorized in this Section shall not apply to any charge for utility service.

For the purposes of this Section, "acceptable verification of service or mobilization" means official documentation from the Department of Defense or the appropriate Major Command showing mobilization dates or service abroad dates, including: (i) a DD-214, (ii) a letter from the Illinois Department of Military Affairs for members of the Illinois National Guard, (iii) a letter from the Regional Reserve Command for members of the Armed Forces Reserve, (iv) a letter from the Major Command covering Illinois for active duty members, (v) personnel records for mobilized State employees, and (vi) any other documentation that the Department, by administrative rule, deems acceptable to establish dates of mobilization or service abroad.

For the purposes of this Section, the term "service abroad" means active duty service outside of the 50 United States and the District of Columbia, and includes all active duty service in territories and possessions of the United States.
Section 10. The Illinois Lottery Law is amended by changing Section 21.6 as follows:

(20 ILCS 1605/21.6)

(a) The Department shall offer a special instant scratch-off game for the benefit of Illinois veterans. The game shall commence on January 1, 2006 or as soon thereafter, at the discretion of the Director, as is reasonably practical. The operation of the game shall be governed by this Act and any rules adopted by the Department. If any provision of this Section is inconsistent with any other provision of this Act, then this Section governs.

(b) The Illinois Veterans Assistance Fund is created as a special fund in the State treasury. The net revenue from the Illinois veterans scratch-off game shall be deposited into the Fund for appropriation by the General Assembly solely to the Department of Veterans' Affairs for making grants, funding additional services, or conducting additional research projects relating to each of the following:

(i) veterans' post traumatic stress disorder;
(ii) veterans' homelessness;
(iii) the health insurance costs of veterans;
(iv) veterans' disability benefits, including but not
limited to, disability benefits provided by veterans service organizations and veterans assistance commissions or centers;

(v) the long-term care of veterans; provided that, beginning with moneys appropriated for fiscal year 2008, no more than 20% of such moneys shall be used for health insurance costs; and

(vi) veteran employment and employment training.

In order to expend moneys from this special fund, beginning with moneys appropriated for fiscal year 2008, the Director of Veterans' Affairs shall appoint a 3-member funding authorization committee. The Director shall designate one of the members as chairperson. The committee shall meet on a quarterly basis, at a minimum, and shall authorize expenditure of moneys from the special fund by a two-thirds vote. Decisions of the committee shall not take effect unless and until approved by the Director of Veterans' Affairs. Each member of the committee shall serve until a replacement is named by the Director of Veterans' Affairs. One member of the committee shall be a member of the Veterans' Advisory Council.

Moneys collected from the special instant scratch-off game shall be used only as a supplemental financial resource and shall not supplant existing moneys that the Department of Veterans' Affairs may currently expend for the purposes set forth in items (i) through (v).

Moneys received for the purposes of this Section,
including, without limitation, net revenue from the special instant scratch-off game and from gifts, grants, and awards from any public or private entity, must be deposited into the Fund. Any interest earned on moneys in the Fund must be deposited into the Fund.

For purposes of this subsection, "net revenue" means the total amount for which tickets have been sold less the sum of the amount paid out in the prizes and the actual administrative expenses of the Department solely related to the scratch-off game under this Section.

(c) During the time that tickets are sold for the Illinois veterans scratch-off game, the Department shall not unreasonably diminish the efforts devoted to marketing any other instant scratch-off lottery game.

(d) The Department may adopt any rules necessary to implement and administer the provisions of this Section.
