(a) The Department of State Police shall establish and maintain a Statewide Murderer and Violent Offender Against Youth Database for the purpose of identifying violent offenders against youth and making that information available to the persons specified in Section 95. The Database shall be created from the Law Enforcement Agencies Data System (LEADS) established under Section 6 of the Intergovernmental Missing Child Recovery Act of 1984. The Department of State Police

The Department of State Police may require that a person who seeks access to the violent offender against youth information submit biographical information about himself or herself before permitting access to the violent offender against youth information.
