

AN ACT concerning employment.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Public Employee Disability Act is amended by changing Section 1 as follows:

(5 ILCS 345/1) (from Ch. 70, par. 91)

Sec. 1. Disability benefit.

(a) For the purposes of this Section, "eligible employee" means any part-time or full-time State correctional officer or any other full or part-time employee of the Department of Corrections, any full or part-time employee of the Prisoner Review Board, any full or part-time employee of the Department of Human Services working within a penal institution or a State mental health or developmental disabilities facility operated by the Department of Human Services, and any full-time law enforcement officer or full-time firefighter, including a full-time paramedic or a firefighter who performs paramedic duties, who is employed by the State of Illinois, any unit of local government (including any home rule unit), any State supported college or university, or any other public entity granted the power to employ persons for such purposes by law.

(b) Whenever an eligible employee suffers any injury in the line of duty which causes him to be unable to perform his

duties, he shall continue to be paid by the employing public entity on the same basis as he was paid before the injury, with no deduction from his sick leave credits, compensatory time for overtime accumulations or vacation, or service credits in a public employee pension fund during the time he is unable to perform his duties due to the result of the injury, but not longer than one year in relation to the same injury, except as otherwise provided under subsection (b-5). However, no injury to an employee of the Department of Corrections or the Prisoner Review Board working within a penal institution or an employee of the Department of Human Services working within a departmental mental health or developmental disabilities facility shall qualify the employee for benefits under this Section unless the injury is the direct or indirect result of violence by inmates of the penal institution or residents of the mental health or developmental disabilities facility.

(b-5) Upon the occurrence of circumstances, directly or indirectly attributable to COVID-19, occurring on or after March 9, 2020 and on or before December 31, 2020 which would hinder the physical recovery from an injury of an eligible employee within the one-year period as required under subsection (b), the eligible employee shall be entitled to an extension of no longer than 60 days by which he or she shall continue to be paid by the employing public entity on the same basis as he or she was paid before the injury. The employing public entity may require proof of the circumstances hindering

an eligible employee's physical recovery before granting the extension provided under this subsection (b-5).

(c) At any time during the period for which continuing compensation is required by this Act, the employing public entity may order at the expense of that entity physical or medical examinations of the injured person to determine the degree of disability.

(d) During this period of disability, the injured person shall not be employed in any other manner, with or without monetary compensation. Any person who is employed in violation of this paragraph forfeits the continuing compensation provided by this Act from the time such employment begins. Any salary compensation due the injured person from workers' compensation or any salary due him from any type of insurance which may be carried by the employing public entity shall revert to that entity during the time for which continuing compensation is paid to him under this Act. Any person with a disability receiving compensation under the provisions of this Act shall not be entitled to any benefits for which he would qualify because of his disability under the provisions of the Illinois Pension Code.

(e) Any employee of the State of Illinois, as defined in Section 14-103.05 of the Illinois Pension Code, who becomes permanently unable to perform the duties of such employment due to an injury received in the active performance of his duties as a State employee as a result of a willful act of violence by

another employee of the State of Illinois, as so defined, committed during such other employee's course of employment and after January 1, 1988, shall be eligible for benefits pursuant to the provisions of this Section. For purposes of this Section, permanent disability is defined as a diagnosis or prognosis of an inability to return to current job duties by a physician licensed to practice medicine in all of its branches.

(f) The compensation and other benefits provided to part-time employees covered by this Section shall be calculated based on the percentage of time the part-time employee was scheduled to work pursuant to his or her status as a part-time employee.

(g) Pursuant to paragraphs (h) and (i) of Section 6 of Article VII of the Illinois Constitution, this Act specifically denies and limits the exercise by home rule units of any power which is inconsistent herewith, and all existing laws and ordinances which are inconsistent herewith are hereby superseded. This Act does not preempt the concurrent exercise by home rule units of powers consistent herewith.

This Act does not apply to any home rule unit with a population of over 1,000,000.

(h) In those cases where the injury to a State employee for which a benefit is payable under this Act was caused under circumstances creating a legal liability for damages on the part of some person other than the State employer, all of the rights and privileges, including the right to notice of suit

brought against such other person and the right to commence or join in such suit, as given the employer, together with the conditions or obligations imposed under paragraph (b) of Section 5 of the Workers' Compensation Act, are also given and granted to the State, to the end that, with respect to State employees only, the State may be paid or reimbursed for the amount of benefit paid or to be paid by the State to the injured employee or his or her personal representative out of any judgment, settlement, or payment for such injury obtained by such injured employee or his or her personal representative from such other person by virtue of the injury.

(b) Before an organization gaming license may be granted or renewed, the applicant or licensee seeking an organization gaming license or renewal shall:

(1) Enter into, and observe, the terms of a collective bargaining agreement with any labor organization seeking

to represent a majority of the licensee's employees in a bargaining unit consisting of all non-supervisory and non-management employees in the classifications identified by the labor organization. Any new employees hired by the licensee who perform work substantially similar to current employees in an existing bargaining unit already represented by a labor organization at the facility shall be incorporated into that existing bargaining unit.

(2) Upon written notice by a labor organization of its desire to represent employees in a designated bargaining unit, the licensee shall:

(A) provide the names, classifications, and home addresses of each and every employee in the identified bargaining unit;

(3) Upon a showing of majority interest, to be certified through card check by the Federal Mediation and

Conciliation Service or from a designated arbitrator from a permanent panel of arbitrators appointed by the Illinois Racing Board, the licensee and the labor organization shall immediately enter into negotiations for a collective bargaining agreement.

(4) If the parties are unable to conclude a labor agreement within 60 days following the date of certification, the terms of the agreement shall be set by an arbitrator jointly selected by the parties from a panel of arbitrators designated by the Illinois Racing Board, who shall issue a final and binding award within 120 days after the date of certification, if the parties fail to conclude an agreement by that date. Except with regard to the minimum requirements in paragraph (5), the arbitrator shall be guided by the terms of labor agreements covering the same or similar classifications of employees within 100 miles of the facility or facilities for which the agreement is negotiated. The arbitrator shall also resolve all disputes regarding the scope and composition of the bargaining unit covered under the labor agreement. The licensee and the labor organization shall share equally the expenses of the arbitrator. No labor agreement shall cover employees in a bargaining unit for which another labor organization has been certified as a bargaining representative under this Act and that continues to actively represent such employees.

(5) All labor agreements required under this Section shall, at a minimum, include a:

(A) term of at least 3 years;

(B) prohibition on strikes or other work stoppages by the labor organization and the represented employees during the term of the labor agreement; and

(C) restriction on subcontracting any work performed on or about the licensee's premises as part of its normal operations except by mutual agreement with the labor organization, and then only to a person or firm that is signatory to a labor agreement with a labor organization that has indicated its interest in representing the employees of the subcontractor, provided, the subcontractor's employees are not lawfully represented by another labor organization.

(6) A copy of the fully executed labor agreement shall be submitted to the Illinois Racing Board prior to the issuance or renewal of any organization gaming license required under this Act.

(c) Upon the expiration of a labor agreement required under this Section, the parties shall negotiate a successor agreement under the procedures set forth in paragraphs (4) and (5) of subsection (b), except that the negotiation and arbitration procedures shall commence upon the last effective day of the expiring labor agreement.

(d) The provisions of this Section, except for paragraph

(2) of subsection (b), do not apply to any entity that is covered, or subsequently becomes covered, under the National Labor Relations Act, 29 U.S.C. 151 et seq. However, nothing in this Act shall affect or diminish the validity and enforceability of any collective bargaining agreement entered into during the period that this Act applies.
