

AN ACT concerning criminal law.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 3. The Illinois Public Labor Relations Act is amended by changing Section 14 as follows:

(5 ILCS 315/14) (from Ch. 48, par. 1614)

(Text of Section before amendment by P.A. 101-652)

Sec. 14. Security employee, peace officer and fire fighter disputes.

(a) In the case of collective bargaining agreements involving units of security employees of a public employer, Peace Officer Units, or units of fire fighters or paramedics, and in the case of disputes under Section 18, unless the parties mutually agree to some other time limit, mediation shall commence 30 days prior to the expiration date of such agreement or at such later time as the mediation services chosen under subsection (b) of Section 12 can be provided to the parties. In the case of negotiations for an initial collective bargaining agreement, mediation shall commence upon 15 days notice from either party or at such later time as the mediation services chosen pursuant to subsection (b) of Section 12 can be provided to the parties. In mediation under this Section, if either party requests the use of mediation

services from the Federal Mediation and Conciliation Service, the other party shall either join in such request or bear the additional cost of mediation services from another source. The mediator shall have a duty to keep the Board informed on the progress of the mediation. If any dispute has not been resolved within 15 days after the first meeting of the parties and the mediator, or within such other time limit as may be mutually agreed upon by the parties, either the exclusive representative or employer may request of the other, in writing, arbitration, and shall submit a copy of the request to the Board.

(b) Within 10 days after such a request for arbitration has been made, the employer shall choose a delegate and the employees' exclusive representative shall choose a delegate to a panel of arbitration as provided in this Section. The employer and employees shall forthwith advise the other and the Board of their selections.

(c) Within 7 days after the request of either party, the parties shall request a panel of impartial arbitrators from which they shall select the neutral chairman according to the procedures provided in this Section. If the parties have agreed to a contract that contains a grievance resolution procedure as provided in Section 8, the chairman shall be selected using their agreed contract procedure unless they mutually agree to another procedure. If the parties fail to notify the Board of their selection of neutral chairman within

7 days after receipt of the list of impartial arbitrators, the Board shall appoint, at random, a neutral chairman from the list. In the absence of an agreed contract procedure for selecting an impartial arbitrator, either party may request a panel from the Board. Within 7 days of the request of either party, the Board shall select from the Public Employees Labor Mediation Roster 7 persons who are on the labor arbitration panels of either the American Arbitration Association or the Federal Mediation and Conciliation Service, or who are members of the National Academy of Arbitrators, as nominees for impartial arbitrator of the arbitration panel. The parties may select an individual on the list provided by the Board or any other individual mutually agreed upon by the parties. Within 7 days following the receipt of the list, the parties shall notify the Board of the person they have selected. Unless the parties agree on an alternate selection procedure, they shall alternatively strike one name from the list provided by the Board until only one name remains. A coin toss shall determine which party shall strike the first name. If the parties fail to notify the Board in a timely manner of their selection for neutral chairman, the Board shall appoint a neutral chairman from the Illinois Public Employees Mediation/Arbitration Roster.

(d) The chairman shall call a hearing to begin within 15 days and give reasonable notice of the time and place of the hearing. The hearing shall be held at the offices of the Board

or at such other location as the Board deems appropriate. The chairman shall preside over the hearing and shall take testimony. Any oral or documentary evidence and other data deemed relevant by the arbitration panel may be received in evidence. The proceedings shall be informal. Technical rules of evidence shall not apply and the competency of the evidence shall not thereby be deemed impaired. A verbatim record of the proceedings shall be made and the arbitrator shall arrange for the necessary recording service. Transcripts may be ordered at the expense of the party ordering them, but the transcripts shall not be necessary for a decision by the arbitration panel. The expense of the proceedings, including a fee for the chairman, shall be borne equally by each of the parties to the dispute. The delegates, if public officers or employees, shall continue on the payroll of the public employer without loss of pay. The hearing conducted by the arbitration panel may be adjourned from time to time, but unless otherwise agreed by the parties, shall be concluded within 30 days of the time of its commencement. Majority actions and rulings shall constitute the actions and rulings of the arbitration panel. Arbitration proceedings under this Section shall not be interrupted or terminated by reason of any unfair labor practice charge filed by either party at any time.

(e) The arbitration panel may administer oaths, require the attendance of witnesses, and the production of such books, papers, contracts, agreements and documents as may be deemed

by it material to a just determination of the issues in dispute, and for such purpose may issue subpoenas. If any person refuses to obey a subpoena, or refuses to be sworn or to testify, or if any witness, party or attorney is guilty of any contempt while in attendance at any hearing, the arbitration panel may, or the attorney general if requested shall, invoke the aid of any circuit court within the jurisdiction in which the hearing is being held, which court shall issue an appropriate order. Any failure to obey the order may be punished by the court as contempt.

(f) At any time before the rendering of an award, the chairman of the arbitration panel, if he is of the opinion that it would be useful or beneficial to do so, may remand the dispute to the parties for further collective bargaining for a period not to exceed 2 weeks. If the dispute is remanded for further collective bargaining the time provisions of this Act shall be extended for a time period equal to that of the remand. The chairman of the panel of arbitration shall notify the Board of the remand.

(g) At or before the conclusion of the hearing held pursuant to subsection (d), the arbitration panel shall identify the economic issues in dispute, and direct each of the parties to submit, within such time limit as the panel shall prescribe, to the arbitration panel and to each other its last offer of settlement on each economic issue. The determination of the arbitration panel as to the issues in

dispute and as to which of these issues are economic shall be conclusive. The arbitration panel, within 30 days after the conclusion of the hearing, or such further additional periods to which the parties may agree, shall make written findings of fact and promulgate a written opinion and shall mail or otherwise deliver a true copy thereof to the parties and their representatives and to the Board. As to each economic issue, the arbitration panel shall adopt the last offer of settlement which, in the opinion of the arbitration panel, more nearly complies with the applicable factors prescribed in subsection (h). The findings, opinions and order as to all other issues shall be based upon the applicable factors prescribed in subsection (h).

(h) Where there is no agreement between the parties, or where there is an agreement but the parties have begun negotiations or discussions looking to a new agreement or amendment of the existing agreement, and wage rates or other conditions of employment under the proposed new or amended agreement are in dispute, the arbitration panel shall base its findings, opinions and order upon the following factors, as applicable:

- (1) The lawful authority of the employer.
- (2) Stipulations of the parties.
- (3) The interests and welfare of the public and the financial ability of the unit of government to meet those costs.

(4) Comparison of the wages, hours and conditions of employment of the employees involved in the arbitration proceeding with the wages, hours and conditions of employment of other employees performing similar services and with other employees generally:

(A) In public employment in comparable communities.

(B) In private employment in comparable communities.

(5) The average consumer prices for goods and services, commonly known as the cost of living.

(6) The overall compensation presently received by the employees, including direct wage compensation, vacations, holidays and other excused time, insurance and pensions, medical and hospitalization benefits, the continuity and stability of employment and all other benefits received.

(7) Changes in any of the foregoing circumstances during the pendency of the arbitration proceedings.

(8) Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours and conditions of employment through voluntary collective bargaining, mediation, fact-finding, arbitration or otherwise between the parties, in the public service or in private employment.

(i) In the case of peace officers, the arbitration

decision shall be limited to wages, hours, and conditions of employment (which may include residency requirements in municipalities with a population under 1,000,000, but those residency requirements shall not allow residency outside of Illinois) and shall not include the following: i) residency requirements in municipalities with a population of at least 1,000,000; ii) the type of equipment, other than uniforms, issued or used; iii) manning; iv) the total number of employees employed by the department; v) mutual aid and assistance agreements to other units of government; and vi) the criterion pursuant to which force, including deadly force, can be used; provided, nothing herein shall preclude an arbitration decision regarding equipment or manning levels if such decision is based on a finding that the equipment or manning considerations in a specific work assignment involve a serious risk to the safety of a peace officer beyond that which is inherent in the normal performance of police duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the factors upon which the decision may be based, as set forth in subsection (h).

In the case of fire fighter, and fire department or fire district paramedic matters, the arbitration decision shall be limited to wages, hours, and conditions of employment (including manning and also including residency requirements in municipalities with a population under 1,000,000, but those

residency requirements shall not allow residency outside of Illinois) and shall not include the following matters: i) residency requirements in municipalities with a population of at least 1,000,000; ii) the type of equipment (other than uniforms and fire fighter turnout gear) issued or used; iii) the total number of employees employed by the department; iv) mutual aid and assistance agreements to other units of government; and v) the criterion pursuant to which force, including deadly force, can be used; provided, however, nothing herein shall preclude an arbitration decision regarding equipment levels if such decision is based on a finding that the equipment considerations in a specific work assignment involve a serious risk to the safety of a fire fighter beyond that which is inherent in the normal performance of fire fighter duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the facts upon which the decision may be based, as set forth in subsection (h).

The changes to this subsection (i) made by Public Act 90-385 (relating to residency requirements) do not apply to persons who are employed by a combined department that performs both police and firefighting services; these persons shall be governed by the provisions of this subsection (i) relating to peace officers, as they existed before the amendment by Public Act 90-385.

To preserve historical bargaining rights, this subsection

shall not apply to any provision of a fire fighter collective bargaining agreement in effect and applicable on the effective date of this Act; provided, however, nothing herein shall preclude arbitration with respect to any such provision.

(j) Arbitration procedures shall be deemed to be initiated by the filing of a letter requesting mediation as required under subsection (a) of this Section. The commencement of a new municipal fiscal year after the initiation of arbitration procedures under this Act, but before the arbitration decision, or its enforcement, shall not be deemed to render a dispute moot, or to otherwise impair the jurisdiction or authority of the arbitration panel or its decision. Increases in rates of compensation awarded by the arbitration panel may be effective only at the start of the fiscal year next commencing after the date of the arbitration award. If a new fiscal year has commenced either since the initiation of arbitration procedures under this Act or since any mutually agreed extension of the statutorily required period of mediation under this Act by the parties to the labor dispute causing a delay in the initiation of arbitration, the foregoing limitations shall be inapplicable, and such awarded increases may be retroactive to the commencement of the fiscal year, any other statute or charter provisions to the contrary, notwithstanding. At any time the parties, by stipulation, may amend or modify an award of arbitration.

(k) Orders of the arbitration panel shall be reviewable,

upon appropriate petition by either the public employer or the exclusive bargaining representative, by the circuit court for the county in which the dispute arose or in which a majority of the affected employees reside, but only for reasons that the arbitration panel was without or exceeded its statutory authority; the order is arbitrary, or capricious; or the order was procured by fraud, collusion or other similar and unlawful means. Such petitions for review must be filed with the appropriate circuit court within 90 days following the issuance of the arbitration order. The pendency of such proceeding for review shall not automatically stay the order of the arbitration panel. The party against whom the final decision of any such court shall be adverse, if such court finds such appeal or petition to be frivolous, shall pay reasonable attorneys' fees and costs to the successful party as determined by said court in its discretion. If said court's decision affirms the award of money, such award, if retroactive, shall bear interest at the rate of 12 percent per annum from the effective retroactive date.

(1) During the pendency of proceedings before the arbitration panel, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other but a party may so consent without prejudice to his rights or position under this Act. The proceedings are deemed to be pending before the arbitration panel upon the initiation of arbitration

procedures under this Act.

(m) Security officers of public employers, and Peace Officers, Fire Fighters and fire department and fire protection district paramedics, covered by this Section may not withhold services, nor may public employers lock out or prevent such employees from performing services at any time.

(n) All of the terms decided upon by the arbitration panel shall be included in an agreement to be submitted to the public employer's governing body for ratification and adoption by law, ordinance or the equivalent appropriate means.

The governing body shall review each term decided by the arbitration panel. If the governing body fails to reject one or more terms of the arbitration panel's decision by a 3/5 vote of those duly elected and qualified members of the governing body, within 20 days of issuance, or in the case of firefighters employed by a state university, at the next regularly scheduled meeting of the governing body after issuance, such term or terms shall become a part of the collective bargaining agreement of the parties. If the governing body affirmatively rejects one or more terms of the arbitration panel's decision, it must provide reasons for such rejection with respect to each term so rejected, within 20 days of such rejection and the parties shall return to the arbitration panel for further proceedings and issuance of a supplemental decision with respect to the rejected terms. Any supplemental decision by an arbitration panel or other

decision maker agreed to by the parties shall be submitted to the governing body for ratification and adoption in accordance with the procedures and voting requirements set forth in this Section. The voting requirements of this subsection shall apply to all disputes submitted to arbitration pursuant to this Section notwithstanding any contrary voting requirements contained in any existing collective bargaining agreement between the parties.

(o) If the governing body of the employer votes to reject the panel's decision, the parties shall return to the panel within 30 days from the issuance of the reasons for rejection for further proceedings and issuance of a supplemental decision. All reasonable costs of such supplemental proceeding including the exclusive representative's reasonable attorney's fees, as established by the Board, shall be paid by the employer.

(p) Notwithstanding the provisions of this Section the employer and exclusive representative may agree to submit unresolved disputes concerning wages, hours, terms and conditions of employment to an alternative form of impasse resolution.

Sec. 14. Security employee, peace officer and fire fighter disputes.

(a) In the case of collective bargaining agreements involving units of security employees of a public employer, Peace Officer Units, or units of fire fighters or paramedics, and in the case of disputes under Section 18, unless the parties mutually agree to some other time limit, mediation shall commence 30 days prior to the expiration date of such agreement or at such later time as the mediation services chosen under subsection (b) of Section 12 can be provided to the parties. In the case of negotiations for an initial collective bargaining agreement, mediation shall commence upon 15 days notice from either party or at such later time as the mediation services chosen pursuant to subsection (b) of Section 12 can be provided to the parties. In mediation under this Section, if either party requests the use of mediation services from the Federal Mediation and Conciliation Service, the other party shall either join in such request or bear the additional cost of mediation services from another source. The mediator shall have a duty to keep the Board informed on the progress of the mediation. If any dispute has not been resolved within 15 days after the first meeting of the parties and the mediator, or within such other time limit as may be mutually agreed upon by the parties, either the exclusive representative or employer may request of the other, in writing, arbitration, and shall submit a copy of the request to the Board.

(b) Within 10 days after such a request for arbitration

has been made, the employer shall choose a delegate and the employees' exclusive representative shall choose a delegate to a panel of arbitration as provided in this Section. The employer and employees shall forthwith advise the other and the Board of their selections.

(c) Within 7 days after the request of either party, the parties shall request a panel of impartial arbitrators from which they shall select the neutral chairman according to the procedures provided in this Section. If the parties have agreed to a contract that contains a grievance resolution procedure as provided in Section 8, the chairman shall be selected using their agreed contract procedure unless they mutually agree to another procedure. If the parties fail to notify the Board of their selection of neutral chairman within 7 days after receipt of the list of impartial arbitrators, the Board shall appoint, at random, a neutral chairman from the list. In the absence of an agreed contract procedure for selecting an impartial arbitrator, either party may request a panel from the Board. Within 7 days of the request of either party, the Board shall select from the Public Employees Labor Mediation Roster 7 persons who are on the labor arbitration panels of either the American Arbitration Association or the Federal Mediation and Conciliation Service, or who are members of the National Academy of Arbitrators, as nominees for impartial arbitrator of the arbitration panel. The parties may select an individual on the list provided by the Board or any

other individual mutually agreed upon by the parties. Within 7 days following the receipt of the list, the parties shall notify the Board of the person they have selected. Unless the parties agree on an alternate selection procedure, they shall alternatively strike one name from the list provided by the Board until only one name remains. A coin toss shall determine which party shall strike the first name. If the parties fail to notify the Board in a timely manner of their selection for neutral chairman, the Board shall appoint a neutral chairman from the Illinois Public Employees Mediation/Arbitration Roster.

(d) The chairman shall call a hearing to begin within 15 days and give reasonable notice of the time and place of the hearing. The hearing shall be held at the offices of the Board or at such other location as the Board deems appropriate. The chairman shall preside over the hearing and shall take testimony. Any oral or documentary evidence and other data deemed relevant by the arbitration panel may be received in evidence. The proceedings shall be informal. Technical rules of evidence shall not apply and the competency of the evidence shall not thereby be deemed impaired. A verbatim record of the proceedings shall be made and the arbitrator shall arrange for the necessary recording service. Transcripts may be ordered at the expense of the party ordering them, but the transcripts shall not be necessary for a decision by the arbitration panel. The expense of the proceedings, including a fee for the

chairman, shall be borne equally by each of the parties to the dispute. The delegates, if public officers or employees, shall continue on the payroll of the public employer without loss of pay. The hearing conducted by the arbitration panel may be adjourned from time to time, but unless otherwise agreed by the parties, shall be concluded within 30 days of the time of its commencement. Majority actions and rulings shall constitute the actions and rulings of the arbitration panel. Arbitration proceedings under this Section shall not be interrupted or terminated by reason of any unfair labor practice charge filed by either party at any time.

(e) The arbitration panel may administer oaths, require the attendance of witnesses, and the production of such books, papers, contracts, agreements and documents as may be deemed by it material to a just determination of the issues in dispute, and for such purpose may issue subpoenas. If any person refuses to obey a subpoena, or refuses to be sworn or to testify, or if any witness, party or attorney is guilty of any contempt while in attendance at any hearing, the arbitration panel may, or the attorney general if requested shall, invoke the aid of any circuit court within the jurisdiction in which the hearing is being held, which court shall issue an appropriate order. Any failure to obey the order may be punished by the court as contempt.

(f) At any time before the rendering of an award, the chairman of the arbitration panel, if he is of the opinion that

it would be useful or beneficial to do so, may remand the dispute to the parties for further collective bargaining for a period not to exceed 2 weeks. If the dispute is remanded for further collective bargaining the time provisions of this Act shall be extended for a time period equal to that of the remand. The chairman of the panel of arbitration shall notify the Board of the remand.

(g) At or before the conclusion of the hearing held pursuant to subsection (d), the arbitration panel shall identify the economic issues in dispute, and direct each of the parties to submit, within such time limit as the panel shall prescribe, to the arbitration panel and to each other its last offer of settlement on each economic issue. The determination of the arbitration panel as to the issues in dispute and as to which of these issues are economic shall be conclusive. The arbitration panel, within 30 days after the conclusion of the hearing, or such further additional periods to which the parties may agree, shall make written findings of fact and promulgate a written opinion and shall mail or otherwise deliver a true copy thereof to the parties and their representatives and to the Board. As to each economic issue, the arbitration panel shall adopt the last offer of settlement which, in the opinion of the arbitration panel, more nearly complies with the applicable factors prescribed in subsection (h). The findings, opinions and order as to all other issues shall be based upon the applicable factors prescribed in

subsection (h).

(h) Where there is no agreement between the parties, or where there is an agreement but the parties have begun negotiations or discussions looking to a new agreement or amendment of the existing agreement, and wage rates or other conditions of employment under the proposed new or amended agreement are in dispute, the arbitration panel shall base its findings, opinions and order upon the following factors, as applicable:

(1) The lawful authority of the employer.

(2) Stipulations of the parties.

(3) The interests and welfare of the public and the financial ability of the unit of government to meet those costs.

(4) Comparison of the wages, hours and conditions of employment of the employees involved in the arbitration proceeding with the wages, hours and conditions of employment of other employees performing similar services and with other employees generally:

(A) In public employment in comparable communities.

(B) In private employment in comparable communities.

(5) The average consumer prices for goods and services, commonly known as the cost of living.

(6) The overall compensation presently received by the

employees, including direct wage compensation, vacations, holidays and other excused time, insurance and pensions, medical and hospitalization benefits, the continuity and stability of employment and all other benefits received.

(7) Changes in any of the foregoing circumstances during the pendency of the arbitration proceedings.

(8) Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours and conditions of employment through voluntary collective bargaining, mediation, fact-finding, arbitration or otherwise between the parties, in the public service or in private employment.

(i) In the case of peace officers, the arbitration decision shall be limited to wages, hours, and conditions of employment (which may include residency requirements in municipalities with a population under 100,000, but those residency requirements shall not allow residency outside of Illinois) and shall not include the following: i) residency requirements in municipalities with a population of at least 100,000; ii) the type of equipment, other than uniforms, issued or used; iii) manning; iv) the total number of employees employed by the department; v) mutual aid and assistance agreements to other units of government; and vi) the criterion pursuant to which force, including deadly force, can be used; provided, nothing herein shall preclude an

arbitration decision regarding equipment or manning levels if such decision is based on a finding that the equipment or manning considerations in a specific work assignment involve a serious risk to the safety of a peace officer beyond that which is inherent in the normal performance of police duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the factors upon which the decision may be based, as set forth in subsection (h).

In the case of fire fighter, and fire department or fire district paramedic matters, the arbitration decision shall be limited to wages, hours, and conditions of employment (including manning and also including residency requirements in municipalities with a population under 1,000,000, but those residency requirements shall not allow residency outside of Illinois) and shall not include the following matters: i) residency requirements in municipalities with a population of at least 1,000,000; ii) the type of equipment (other than uniforms and fire fighter turnout gear) issued or used; iii) the total number of employees employed by the department; iv) mutual aid and assistance agreements to other units of government; and v) the criterion pursuant to which force, including deadly force, can be used; provided, however, nothing herein shall preclude an arbitration decision regarding equipment levels if such decision is based on a finding that the equipment considerations in a specific work

assignment involve a serious risk to the safety of a fire fighter beyond that which is inherent in the normal performance of fire fighter duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the facts upon which the decision may be based, as set forth in subsection (h).

The changes to this subsection (i) made by Public Act 90-385 (relating to residency requirements) do not apply to persons who are employed by a combined department that performs both police and firefighting services; these persons shall be governed by the provisions of this subsection (i) relating to peace officers, as they existed before the amendment by Public Act 90-385.

To preserve historical bargaining rights, this subsection shall not apply to any provision of a fire fighter collective bargaining agreement in effect and applicable on the effective date of this Act; provided, however, nothing herein shall preclude arbitration with respect to any such provision.

(j) Arbitration procedures shall be deemed to be initiated by the filing of a letter requesting mediation as required under subsection (a) of this Section. The commencement of a new municipal fiscal year after the initiation of arbitration procedures under this Act, but before the arbitration decision, or its enforcement, shall not be deemed to render a dispute moot, or to otherwise impair the jurisdiction or authority of the arbitration panel or its decision. Increases

in rates of compensation awarded by the arbitration panel may be effective only at the start of the fiscal year next commencing after the date of the arbitration award. If a new fiscal year has commenced either since the initiation of arbitration procedures under this Act or since any mutually agreed extension of the statutorily required period of mediation under this Act by the parties to the labor dispute causing a delay in the initiation of arbitration, the foregoing limitations shall be inapplicable, and such awarded increases may be retroactive to the commencement of the fiscal year, any other statute or charter provisions to the contrary, notwithstanding. At any time the parties, by stipulation, may amend or modify an award of arbitration.

(k) Orders of the arbitration panel shall be reviewable, upon appropriate petition by either the public employer or the exclusive bargaining representative, by the circuit court for the county in which the dispute arose or in which a majority of the affected employees reside, but only for reasons that the arbitration panel was without or exceeded its statutory authority; the order is arbitrary, or capricious; or the order was procured by fraud, collusion or other similar and unlawful means. Such petitions for review must be filed with the appropriate circuit court within 90 days following the issuance of the arbitration order. The pendency of such proceeding for review shall not automatically stay the order of the arbitration panel. The party against whom the final

decision of any such court shall be adverse, if such court finds such appeal or petition to be frivolous, shall pay reasonable attorneys' fees and costs to the successful party as determined by said court in its discretion. If said court's decision affirms the award of money, such award, if retroactive, shall bear interest at the rate of 12 percent per annum from the effective retroactive date.

(l) During the pendency of proceedings before the arbitration panel, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other but a party may so consent without prejudice to his rights or position under this Act. The proceedings are deemed to be pending before the arbitration panel upon the initiation of arbitration procedures under this Act.

(m) Security officers of public employers, and Peace Officers, Fire Fighters and fire department and fire protection district paramedics, covered by this Section may not withhold services, nor may public employers lock out or prevent such employees from performing services at any time.

(n) All of the terms decided upon by the arbitration panel shall be included in an agreement to be submitted to the public employer's governing body for ratification and adoption by law, ordinance or the equivalent appropriate means.

The governing body shall review each term decided by the arbitration panel. If the governing body fails to reject one

or more terms of the arbitration panel's decision by a 3/5 vote of those duly elected and qualified members of the governing body, within 20 days of issuance, or in the case of firefighters employed by a state university, at the next regularly scheduled meeting of the governing body after issuance, such term or terms shall become a part of the collective bargaining agreement of the parties. If the governing body affirmatively rejects one or more terms of the arbitration panel's decision, it must provide reasons for such rejection with respect to each term so rejected, within 20 days of such rejection and the parties shall return to the arbitration panel for further proceedings and issuance of a supplemental decision with respect to the rejected terms. Any supplemental decision by an arbitration panel or other decision maker agreed to by the parties shall be submitted to the governing body for ratification and adoption in accordance with the procedures and voting requirements set forth in this Section. The voting requirements of this subsection shall apply to all disputes submitted to arbitration pursuant to this Section notwithstanding any contrary voting requirements contained in any existing collective bargaining agreement between the parties.

(o) If the governing body of the employer votes to reject the panel's decision, the parties shall return to the panel within 30 days from the issuance of the reasons for rejection for further proceedings and issuance of a supplemental

decision. All reasonable costs of such supplemental proceeding including the exclusive representative's reasonable attorney's fees, as established by the Board, shall be paid by the employer.

(p) Notwithstanding the provisions of this Section the employer and exclusive representative may agree to submit unresolved disputes concerning wages, hours, terms and conditions of employment to an alternative form of impasse resolution.

The amendatory changes to this Section made by Public Act 101-652 take effect July 1, 2022.

(a) No person shall receive a permanent appointment as a law enforcement officer or a permanent appointment as a county corrections officer unless that person has been awarded, within 6 months of the officer's initial full-time employment, a certificate attesting to the officer's successful completion of the Minimum Standards Basic Law Enforcement or County Correctional Training Course as prescribed by the Board; or has been awarded a certificate attesting to the officer's satisfactory completion of a training program of similar content and number of hours and which course has been found acceptable by the Board under the provisions of this Act; or a training waiver by reason of extensive prior law enforcement or county corrections experience the basic training requirement is determined by the Board to be illogical and unreasonable.

If such training is required and not completed within the applicable 6 months, then the officer must forfeit the officer's position, or the employing agency must obtain a waiver from the Board extending the period for compliance. Such waiver shall be issued only for good and justifiable reasons, and in no case shall extend more than 90 days beyond

the initial 6 months. Any hiring agency that fails to train a law enforcement officer within this period shall be prohibited from employing this individual in a law enforcement capacity for one year from the date training was to be completed. If an agency again fails to train the individual a second time, the agency shall be permanently barred from employing this individual in a law enforcement capacity.

The Board may also establish special training requirements to be completed as a condition for re-activation.

A law enforcement officer who is refused reactivation under this Section may request a hearing in accordance with the hearing procedures as outlined in subsection (h) of Section 6.3 of this Act.

The Board may refuse to re-activate the certification of a law enforcement officer who was involuntarily terminated for good cause by his or her governmental agency for conduct subject to decertification under this Act or resigned or retired after receiving notice of a governmental agency's investigation.

(2) A law enforcement officer who is currently certified can place his or her certificate on inactive status by sending a written request to the Board. A law enforcement officer whose certificate has been placed on inactive status shall not function as a law enforcement

officer until the officer has completed any requirements for reactivating the certificate as required by the Board. A request for inactive status in this subsection shall be in writing, accompanied by verifying documentation, and shall be submitted to the Board with a copy to the chief administrator of the law enforcement officer's governmental agency.

(3) Certification that has become inactive under paragraph (2) of this subsection (b), shall be reactivated by written notice from the law enforcement officer's agency upon a showing that the law enforcement officer is: (i) employed in a full-time law enforcement position with the same governmental agency (ii) not the subject of a decertification proceeding, and (iii) meets all other criteria for re-activation required by the Board.

(4) Notwithstanding paragraph (3) of this subsection (b), a law enforcement officer whose certification has become inactive under paragraph (2) may have the officer's governmental agency submit a request for a waiver of training requirements to the Board. (50 ILCS 706/10-20)

(Text of Section before amendment by P.A. 101-652)

Sec. 10-20. Requirements.

(a) The Board shall develop basic guidelines for the use of officer-worn body cameras by law enforcement agencies. The guidelines developed by the Board shall be the basis for the written policy which must be adopted by each law enforcement agency which employs the use of officer-worn body cameras. The written policy adopted by the law enforcement agency must include, at a minimum, all of the following:

(1) Cameras must be equipped with pre-event recording, capable of recording at least the 30 seconds prior to camera activation, unless the officer-worn body camera was purchased and acquired by the law enforcement agency prior to July 1, 2015.

(2) Cameras must be capable of recording for a period of 10 hours or more, unless the officer-worn body camera was purchased and acquired by the law enforcement agency prior to July 1, 2015.

(3) Cameras must be turned on at all times when the officer is in uniform and is responding to calls for service or engaged in any law enforcement-related encounter or activity, that occurs while the officer is on duty.

(A) If exigent circumstances exist which prevent the camera from being turned on, the camera must be

turned on as soon as practicable.

(B) Officer-worn body cameras may be turned off when the officer is inside of a patrol car which is equipped with a functioning in-car camera; however, the officer must turn on the camera upon exiting the patrol vehicle for law enforcement-related encounters.

(4) Cameras must be turned off when:

(A) the victim of a crime requests that the camera be turned off, and unless impractical or impossible, that request is made on the recording;

(B) a witness of a crime or a community member who wishes to report a crime requests that the camera be turned off, and unless impractical or impossible that request is made on the recording; or

(C) the officer is interacting with a confidential informant used by the law enforcement agency.

However, an officer may continue to record or resume recording a victim or a witness, if exigent circumstances exist, or if the officer has reasonable articulable suspicion that a victim or witness, or confidential informant has committed or is in the process of committing a crime. Under these circumstances, and unless impractical or impossible, the officer must indicate on the recording the reason for continuing to record despite the request of the victim or witness.

(4.5) Cameras may be turned off when the officer is

engaged in community caretaking functions. However, the camera must be turned on when the officer has reason to believe that the person on whose behalf the officer is performing a community caretaking function has committed or is in the process of committing a crime. If exigent circumstances exist which prevent the camera from being turned on, the camera must be turned on as soon as practicable.

(5) The officer must provide notice of recording to any person if the person has a reasonable expectation of privacy and proof of notice must be evident in the recording. If exigent circumstances exist which prevent the officer from providing notice, notice must be provided as soon as practicable.

(6) For the purposes of redaction, labeling, or duplicating recordings, access to camera recordings shall be restricted to only those personnel responsible for those purposes. The recording officer and his or her supervisor may access and review recordings prior to completing incident reports or other documentation, provided that the officer or his or her supervisor discloses that fact in the report or documentation.

(7) Recordings made on officer-worn cameras must be retained by the law enforcement agency or by the camera vendor used by the agency, on a recording medium for a period of 90 days.

(A) Under no circumstances shall any recording made with an officer-worn body camera be altered, erased, or destroyed prior to the expiration of the 90-day storage period.

(B) Following the 90-day storage period, any and all recordings made with an officer-worn body camera must be destroyed, unless any encounter captured on the recording has been flagged. An encounter is deemed to be flagged when:

(i) a formal or informal complaint has been filed;

(ii) the officer discharged his or her firearm or used force during the encounter;

(iii) death or great bodily harm occurred to any person in the recording;

(iv) the encounter resulted in a detention or an arrest, excluding traffic stops which resulted in only a minor traffic offense or business offense;

(v) the officer is the subject of an internal investigation or otherwise being investigated for possible misconduct;

(vi) the supervisor of the officer, prosecutor, defendant, or court determines that the encounter has evidentiary value in a criminal prosecution; or

(vii) the recording officer requests that the video be flagged for official purposes related to his or her official duties.

(C) Under no circumstances shall any recording made with an officer-worn body camera relating to a flagged encounter be altered or destroyed prior to 2 years after the recording was flagged. If the flagged recording was used in a criminal, civil, or administrative proceeding, the recording shall not be destroyed except upon a final disposition and order from the court.

(8) Following the 90-day storage period, recordings may be retained if a supervisor at the law enforcement agency designates the recording for training purposes. If the recording is designated for training purposes, the recordings may be viewed by officers, in the presence of a supervisor or training instructor, for the purposes of instruction, training, or ensuring compliance with agency policies.

(9) Recordings shall not be used to discipline law enforcement officers unless:

(A) a formal or informal complaint of misconduct has been made;

(B) a use of force incident has occurred;

(C) the encounter on the recording could result in a formal investigation under the Uniform Peace

Officers' Disciplinary Act; or

(D) as corroboration of other evidence of misconduct.

Nothing in this paragraph (9) shall be construed to limit or prohibit a law enforcement officer from being subject to an action that does not amount to discipline.

(10) The law enforcement agency shall ensure proper care and maintenance of officer-worn body cameras. Upon becoming aware, officers must as soon as practical document and notify the appropriate supervisor of any technical difficulties, failures, or problems with the officer-worn body camera or associated equipment. Upon receiving notice, the appropriate supervisor shall make every reasonable effort to correct and repair any of the officer-worn body camera equipment.

(11) No officer may hinder or prohibit any person, not a law enforcement officer, from recording a law enforcement officer in the performance of his or her duties in a public place or when the officer has no reasonable expectation of privacy. The law enforcement agency's written policy shall indicate the potential criminal penalties, as well as any departmental discipline, which may result from unlawful confiscation or destruction of the recording medium of a person who is not a law enforcement officer. However, an officer may take reasonable action to maintain safety and control, secure

crime scenes and accident sites, protect the integrity and confidentiality of investigations, and protect the public safety and order.

(b) Recordings made with the use of an officer-worn body camera are not subject to disclosure under the Freedom of Information Act, except that:

(1) if the subject of the encounter has a reasonable expectation of privacy, at the time of the recording, any recording which is flagged, due to the filing of a complaint, discharge of a firearm, use of force, arrest or detention, or resulting death or bodily harm, shall be disclosed in accordance with the Freedom of Information Act if:

(A) the subject of the encounter captured on the recording is a victim or witness; and

(B) the law enforcement agency obtains written permission of the subject or the subject's legal representative;

(2) except as provided in paragraph (1) of this subsection (b), any recording which is flagged due to the filing of a complaint, discharge of a firearm, use of force, arrest or detention, or resulting death or bodily harm shall be disclosed in accordance with the Freedom of Information Act; and

(3) upon request, the law enforcement agency shall disclose, in accordance with the Freedom of Information

Act, the recording to the subject of the encounter captured on the recording or to the subject's attorney, or the officer or his or her legal representative.

For the purposes of paragraph (1) of this subsection (b), the subject of the encounter does not have a reasonable expectation of privacy if the subject was arrested as a result of the encounter. For purposes of subparagraph (A) of paragraph (1) of this subsection (b), "witness" does not include a person who is a victim or who was arrested as a result of the encounter.

Only recordings or portions of recordings responsive to the request shall be available for inspection or reproduction. Any recording disclosed under the Freedom of Information Act shall be redacted to remove identification of any person that appears on the recording and is not the officer, a subject of the encounter, or directly involved in the encounter. Nothing in this subsection (b) shall require the disclosure of any recording or portion of any recording which would be exempt from disclosure under the Freedom of Information Act.

(c) Nothing in this Section shall limit access to a camera recording for the purposes of complying with Supreme Court rules or the rules of evidence.

a crime. Under these circumstances, and unless impractical or impossible, the officer must indicate on the recording the reason for continuing to record despite the request of the victim or witness.

(4.5) Cameras may be turned off when the officer is engaged in community caretaking functions. However, the camera must be turned on when the officer has reason to believe that the person on whose behalf the officer is performing a community caretaking function has committed or is in the process of committing a crime. Supplemental reports under this provision shall also contain documentation regarding access to the video footage.

(B) The recording officer's assigned field

(7) Recordings made on officer-worn cameras must be retained by the law enforcement agency or by the camera vendor used by the agency, on a recording medium for a period of 90 days.

(A) Under no circumstances shall any recording, except for a non-law enforcement related activity or encounter, made with an officer-worn body camera be altered, erased, or destroyed prior to the expiration of the 90-day storage period. In the event any recording made with an officer-worn body camera is altered, erased, or destroyed prior to the expiration of the 90-day storage period, the law enforcement agency shall maintain, for a period of one year, a written record including (i) the name of the individual who made such alteration, erasure, or destruction, and (ii) the reason for any such alteration, erasure, or destruction.

(B) Following the 90-day storage period, any and all recordings made with an officer-worn body camera must be destroyed, unless any encounter captured on

the recording has been flagged. An encounter is deemed to be flagged when:

Upon receiving notice, the appropriate supervisor shall make every reasonable effort to correct and repair any of the officer-worn body camera equipment.

(11) No officer may hinder or prohibit any person, not a law enforcement officer, from recording a law enforcement officer in the performance of his or her duties in a public place or when the officer has no reasonable expectation of privacy. Section 50. The Criminal Code of 2012 is amended by changing Sections 7-5, 7-5.5, 7-15, 7-16, 31-1, and 33-9 as follows:

(Text of Section before amendment by P.A. 101-652)

Sec. 7-5. Peace officer's use of force in making arrest.

(a) A peace officer, or any person whom he has summoned or directed to assist him, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. He is justified in the use of any force which he reasonably believes to be necessary to effect the arrest and of any force which he reasonably believes to be necessary to defend himself or another from bodily harm while making the arrest. However, he is justified in using force likely to cause death or great bodily harm only when he reasonably believes that such force is necessary to prevent death or great bodily harm to himself or such other person, or when he reasonably believes both that:

(1) Such force is necessary to prevent the arrest from being defeated by resistance or escape; and

(2) The person to be arrested has committed or attempted a forcible felony which involves the infliction or threatened infliction of great bodily harm or is attempting to escape by use of a deadly weapon, or otherwise indicates that he will endanger human life or inflict great bodily harm unless arrested without delay.

(b) A peace officer making an arrest pursuant to an invalid warrant is justified in the use of any force which he would be justified in using if the warrant were valid, unless he knows that the warrant is invalid.

(Source: P.A. 84-1426.)

(Text of Section after amendment by P.A. 101-652)

Sec. 7-5. Peace officer's use of force in making arrest.

(a) A peace officer, or any person whom he has summoned or directed to assist him, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. He is justified in the use of any force which he reasonably believes, based on the totality of the circumstances, to be necessary to effect the arrest and of any force which he reasonably believes, based on the totality of the circumstances, to be necessary to defend himself or another from bodily harm while making the arrest. However, he is justified in using force likely to cause death or great bodily harm only when: (i) he reasonably believes, based on the totality of the circumstances, that such force is necessary to prevent death or great bodily harm to himself or such other person;~~7~~ or (ii) when he reasonably believes, based on the totality of the circumstances, both that:

(1) Such force is necessary to prevent the arrest from being defeated by resistance or escape; ~~the officer reasonably believes that the person to be arrested cannot be apprehended at a later date,~~ and the officer reasonably believes that the person to be arrested is likely to cause great bodily harm to another; and

(2) The person to be arrested ~~just~~ committed or

attempted a forcible felony which involves the infliction or threatened infliction of great bodily harm or is attempting to escape by use of a deadly weapon, or otherwise indicates that he will endanger human life or inflict great bodily harm unless arrested without delay.

As used in this subsection, "retreat" does not mean tactical repositioning or other de-escalation tactics.

A peace officer is not justified in using force likely to cause death or great bodily harm when there is no longer an imminent threat of great bodily harm to the officer or another.

(a-5) Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify himself or herself as a peace officer and to warn that deadly force may be used, ~~unless the officer has reasonable grounds to believe that the person is aware of those facts.~~

(a-10) A peace officer shall not use deadly force against a person based on the danger that the person poses to himself or herself if an reasonable officer would believe the person does not pose an imminent threat of death or great bodily harm ~~serious bodily injury~~ to the peace officer or to another person.

(a-15) A peace officer shall not use deadly force against a person who is suspected of committing a property offense, unless that offense is terrorism or unless deadly force is otherwise authorized by law.

(b) A peace officer making an arrest pursuant to an invalid warrant is justified in the use of any force which he would be justified in using if the warrant were valid, unless he knows that the warrant is invalid.

(c) The authority to use physical force conferred on peace officers by this Article is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life.

(d) Peace officers shall use deadly force only when reasonably necessary in defense of human life. In determining whether deadly force is reasonably necessary, officers shall evaluate each situation in light of the totality of ~~particular~~ circumstances of each case including but not limited to the proximity in time of the use of force to the commission of a forcible felony, and the reasonable feasibility of safely apprehending a subject at a later time, and shall use other available resources and techniques, if reasonably safe and feasible to a reasonable officer.

(e) The decision by a peace officer to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers, in order to ensure that officers use force consistent with law and agency policies.

(f) The decision by a peace officer to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances

known to or perceived by the officer at the time of the decision, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgments about using force.

(g) Law enforcement agencies are encouraged to adopt and develop policies designed to protect individuals with physical, mental health, developmental, or intellectual disabilities, or individuals who are significantly more likely to experience greater levels of physical force during police interactions, as these disabilities may affect the ability of a person to understand or comply with commands from peace officers.

(h) As used in this Section:

(1) "Deadly force" means any use of force that creates a substantial risk of causing death or great bodily harm ~~serious bodily injury~~, including, but not limited to, the discharge of a firearm.

(2) A threat of death or serious bodily injury is "imminent" when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or great bodily harm ~~serious bodily injury~~ to the peace officer or another person. An imminent harm is not merely a fear of future harm, no matter how great the fear

and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed.

(3) "Totality of the circumstances" means all facts known to the peace officer at the time, or that would be known to a reasonable officer in the same situation, including the conduct of the officer and the subject leading up to the use of deadly force.

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee, judge, prosecutor, juror or witness, senior citizen,

child, or person with a disability, whether evidence shows that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5, whether a foreign national defendant is

lawfully admitted in the United States of America, whether the government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either individually or in consort with others, whether at the time of the offense charged he or she was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal

jurisdiction, whether the defendant is under parole, aftercare release, mandatory supervised release, or work release from the Illinois Department of Corrections or Illinois Department of Juvenile Justice or any penal institution or corrections department of any state or federal jurisdiction, the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself or herself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable

information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(a-5) There shall be a presumption that any conditions of release imposed shall be non-monetary in nature and the court shall impose the least restrictive conditions or combination of conditions necessary to reasonably assure the appearance of the defendant for further court proceedings and protect the integrity of the judicial proceedings from a specific threat to a witness or participant. Conditions of release may include, but not be limited to, electronic home monitoring, curfews, drug counseling, stay-away orders, and in-person reporting. The court shall consider the defendant's socio-economic circumstance when setting conditions of release or imposing monetary bail.

(b) The amount of bail shall be:

(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating

reasonable cause, the State's Attorney may request a source of bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into matters appropriate to the determination which shall include, but are not limited to, the following:

(1) the background, character, reputation, and relationship to the accused of any surety; and

(2) the source of any money or property deposited by any surety, and whether any such money or property constitutes the fruits of criminal or unlawful conduct; and

(3) the source of any money posted as cash bail, and whether any such money constitutes the fruits of criminal or unlawful conduct; and

(4) the background, character, reputation, and relationship to the accused of the person posting cash bail.

Upon setting the hearing, the court shall examine, under oath, any persons who may possess material information.

The State's Attorney has a right to attend the hearing, to

call witnesses and to examine any witness in the proceeding. The court shall, upon request of the State's Attorney, continue the proceedings for a reasonable period to allow the State's Attorney to investigate the matter raised in any testimony or affidavit. If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving or ~~of~~ disapproving the bail.

(c) When a person is charged with an offense punishable by fine only the amount of the bail shall not exceed double the amount of the maximum penalty.

(d) When a person has been convicted of an offense and only a fine has been imposed the amount of the bail shall not exceed double the amount of the fine.

(e) The State may appeal any order granting bail or setting a given amount for bail.

(f) When a person is charged with a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012 or when a person is charged with domestic battery, aggravated domestic battery, kidnapping, aggravated kidnaping, unlawful restraint, aggravated unlawful restraint, stalking, aggravated stalking, cyberstalking, harassment by telephone, harassment through electronic communications, or an attempt to commit first degree murder committed against an intimate partner regardless

whether an order of protection has been issued against the person,

(1) whether the alleged incident involved harassment or abuse, as defined in the Illinois Domestic Violence Act of 1986;

(2) whether the person has a history of domestic violence, as defined in the Illinois Domestic Violence Act, or a history of other criminal acts;

(3) based on the mental health of the person;

(4) whether the person has a history of violating the orders of any court or governmental entity;

(5) whether the person has been, or is, potentially a threat to any other person;

(6) whether the person has access to deadly weapons or a history of using deadly weapons;

(7) whether the person has a history of abusing alcohol or any controlled substance;

(8) based on the severity of the alleged incident that is the basis of the alleged offense, including, but not limited to, the duration of the current incident, and whether the alleged incident involved the use of a weapon, physical injury, sexual assault, strangulation, abuse during the alleged victim's pregnancy, abuse of pets, or forcible entry to gain access to the alleged victim;

(9) whether a separation of the person from the alleged victim or a termination of the relationship

between the person and the alleged victim has recently occurred or is pending;

(10) whether the person has exhibited obsessive or controlling behaviors toward the alleged victim, including, but not limited to, stalking, surveillance, or isolation of the alleged victim or victim's family member or members;

(11) whether the person has expressed suicidal or homicidal ideations;

(12) based on any information contained in the complaint and any police reports, affidavits, or other documents accompanying the complaint,

the court may, in its discretion, order the respondent to undergo a risk assessment evaluation using a recognized, evidence-based instrument conducted by an Illinois Department of Human Services approved partner abuse intervention program provider, pretrial service, probation, or parole agency. These agencies shall have access to summaries of the defendant's criminal history, which shall not include victim interviews or information, for the risk evaluation. Based on the information collected from the 12 points to be considered at a bail hearing under this subsection (f), the results of any risk evaluation conducted and the other circumstances of the violation, the court may order that the person, as a condition of bail, be placed under electronic surveillance as provided in Section 5-8A-7 of the Unified Code of Corrections. Upon making a

determination whether or not to order the respondent to undergo a risk assessment evaluation or to be placed under electronic surveillance and risk assessment, the court shall document in the record the court's reasons for making those determinations. The cost of the electronic surveillance and risk assessment shall be paid by, or on behalf, of the defendant. As used in this subsection (f), "intimate partner" means a spouse or a current or former partner in a cohabitation or dating relationship.

(b) The court shall impose any conditions that are mandatory under Section 110-10. The court may impose any conditions that are permissible under Section 110-10.

(b-5) ~~(b)~~ When a person is charged with a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012 or when a person is charged with domestic battery, aggravated domestic battery, kidnapping, aggravated kidnaping, unlawful restraint, aggravated unlawful restraint, stalking, aggravated stalking, cyberstalking, harassment by telephone, harassment through electronic communications, or an attempt to commit first degree murder committed against an intimate partner regardless whether an order of protection has been issued against the person,

(c) In cases of stalking or aggravated stalking under Section 12-7.3 or 12-7.4 of the Criminal Code of 2012, the court may consider the following additional factors:

If the court finds that there are less restrictive conditions of release, the court shall order that the condition be removed. This subsection takes effect January 1,

2022.

(j) Crime Victims shall be given notice by the State's Attorney's office of this hearing as required in paragraph (1) of subsection (b) of Section 4.5 of the Rights of Crime Victims and Witnesses Act and shall be informed of their opportunity at this hearing to obtain an order of protection under Article 112A of this Code.

(D) the number of earned sentence credit revocations.

(4)(A) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that any prisoner who is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, pregnancy or parenting education programs, work-release programs or activities in accordance with Section 3-13-1, the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any

~~inmate during specific periods of time in which such inmate is engaged full time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention.~~

(B) The Department shall award sentence credit under this paragraph (4) accumulated prior to January 1, 2020 (the

effective date of Public Act 101-440) ~~this amendatory Act of the 101st General Assembly~~ in an amount specified in subparagraph (C) of this paragraph (4) to an inmate serving a sentence for an offense committed prior to June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit, based upon:

(i) documentation provided by the Department that the inmate engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration; or

(ii) the inmate's own testimony in the form of an affidavit or documentation, or a third party's documentation or testimony in the form of an affidavit that the inmate likely engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration.

(C) If the inmate can provide documentation that he or she

is entitled to sentence credit under subparagraph (B) in excess of 45 days of participation in those programs, the inmate shall receive 90 days of sentence credit. If the inmate cannot provide documentation of more than 45 days of participation in those programs, the inmate shall receive 45 days of sentence credit. In the event of a disagreement between the Department and the inmate as to the amount of credit accumulated under subparagraph (B), if the Department provides documented proof of a lesser amount of days of participation in those programs, that proof shall control. If the Department provides no documentary proof, the inmate's proof as set forth in clause (ii) of subparagraph (B) shall control as to the amount of sentence credit provided.

(D) If the inmate has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, sentencing credits under subparagraph (B) of this paragraph (4) shall be awarded by the Department only if the conditions set forth in paragraph (4.6) of subsection (a) are satisfied. No inmate serving a term of natural life imprisonment shall receive sentence credit under subparagraph (B) of this paragraph (4).

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on

the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section.

The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a bachelor's degree while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of this subsection (a). The sentence credit provided for in this paragraph shall be available only to those prisoners who have not earned a bachelor's degree prior to the current commitment to the Department of Corrections. If, after an award of the bachelor's degree sentence credit has been made, the Department determines that the prisoner was not eligible, then

the award shall be revoked. The Department may also award 180 days of sentence credit to any committed person who earned a bachelor's degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a master's or professional degree while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of this subsection (a). The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a master's or professional degree prior to the current commitment to the Department of Corrections. If, after an award of the master's or professional degree sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 180 days of sentence credit to any committed person who earned a master's or professional degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall

also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(4.7) On or after January 1, 2018 (the effective date of Public Act 100-3) ~~this amendatory Act of the 100th General Assembly~~, sentence credit under paragraph (3), (4), or (4.1) of this subsection (a) may be awarded to a prisoner who is serving a sentence for an offense described in paragraph (2), (2.3), (2.4), (2.5), or (2.6) for credit earned on or after January 1, 2018 (the effective date of Public Act 100-3) ~~this amendatory Act of the 100th General Assembly~~; provided, the award of the credits under this paragraph (4.7) shall not reduce the sentence of the prisoner to less than the following amounts:

(i) 85% of his or her sentence if the prisoner is required to serve 85% of his or her sentence; or

(ii) 60% of his or her sentence if the prisoner is required to serve 75% of his or her sentence, except if the prisoner is serving a sentence for gunrunning his or her

sentence shall not be reduced to less than 75%.

(iii) 100% of his or her sentence if the prisoner is required to serve 100% of his or her sentence.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of earned sentence credit under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense, and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences

shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend, or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when, during any 12-month ~~12-month~~ period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the

Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended, or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code.

If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so

identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012, earlier than it otherwise would because of a grant of sentence credit, the Department, as a condition of release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

Each day of sentence credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no sentence credit.

(2.3) Except as provided in paragraph (4.7) of this

subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.4) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm, committed on or after July 15, 1999 (the effective date of Public Act 91-121), that a prisoner serving a sentence for any of these offenses shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.5) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) shall receive no more

than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.6) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230) shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(3) In addition to the sentence credits earned under paragraphs (2.1), (4), (4.1), (4.2), and (4.7) of this subsection (a), the rules and regulations shall also provide that the Director may award up to 180 days of earned sentence credit for prisoners serving a sentence of incarceration of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer. The Director may grant this credit for good conduct in specific instances as the Director deems proper. The good conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State.

Eligible inmates for an award of earned sentence credit

under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Eligibility for the additional earned sentence credit under this paragraph (3) may be based on, but is not limited to, participation in programming offered by the Department ~~department~~ as appropriate for the prisoner based on the results of any available risk/needs assessment or other relevant assessments or evaluations administered by the Department using a validated instrument, the circumstances of the crime, demonstrated commitment to rehabilitation by a prisoner with a history of conviction for a forcible felony enumerated in Section 2-8 of the Criminal Code of 2012, the inmate's behavior and improvements in disciplinary history while incarcerated, and the inmate's commitment to rehabilitation, including participation in programming offered by the Department.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the earned sentence credit;

(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow;

(B-1) has received a risk/needs assessment or other relevant evaluation or assessment administered by the Department using a validated instrument; and

(C) has met the eligibility criteria established by rule for earned sentence credit.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of earned sentence credit no later than February 1 of each year. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded earned sentence credit;

(B) the average amount of earned sentence credit awarded;

(C) the holding offenses of inmates awarded earned sentence credit; and

(D) the number of earned sentence credit revocations.

(4) (A) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that any prisoner who is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, work-release programs or activities in accordance with Article 13 of Chapter III of this Code ~~730 ILCS 5/3-13-1~~

~~et seq.~~, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall receive ~~one day~~ of sentence credit for each day in which that prisoner is engaged in the activities described in this paragraph. The rules and regulations shall also provide that sentence credit may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. The rules and regulations shall also provide that sentence credit may be provided to an inmate who is in compliance with programming requirements in an adult transition center.

(B) The Department shall award sentence credit under this paragraph (4) accumulated prior to January 1, 2020 (the effective date of Public Act 101-440) in an amount specified in subparagraph (C) of this paragraph (4) to an inmate serving a sentence for an offense committed prior to June 19, 1998, if the Department determines that the inmate is entitled to this

sentence credit, based upon:

(i) documentation provided by the Department that the inmate engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration; or

(ii) the inmate's own testimony in the form of an affidavit or documentation, or a third party's documentation or testimony in the form of an affidavit that the inmate likely engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration.

(C) If the inmate can provide documentation that he or she is entitled to sentence credit under subparagraph (B) in excess of 45 days of participation in those programs, the inmate shall receive 90 days of sentence credit. If the inmate cannot provide documentation of more than 45 days of participation in those programs, the inmate shall receive 45

days of sentence credit. In the event of a disagreement between the Department and the inmate as to the amount of credit accumulated under subparagraph (B), if the Department provides documented proof of a lesser amount of days of participation in those programs, that proof shall control. If the Department provides no documentary proof, the inmate's proof as set forth in clause (ii) of subparagraph (B) shall control as to the amount of sentence credit provided.

(D) If the inmate has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, sentencing credits under subparagraph (B) of this paragraph (4) shall be awarded by the Department only if the conditions set forth in paragraph (4.6) of subsection (a) are satisfied. No inmate serving a term of natural life imprisonment shall receive sentence credit under subparagraph (B) of this paragraph (4).

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be earned ~~increased~~ under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The rules and regulations shall provide that a prisoner who has been placed on a waiting list but is transferred for non-disciplinary reasons before beginning a program shall receive priority placement on the waitlist for appropriate programs at the new facility.
