(5 ILCS 100/5-50) (from Ch. 127, par. 1005-50)

Sec. 5-50. Peremptory rulemaking. "Peremptory rulemaking" means any rulemaking that is required as a result of federal law, federal rules and regulations, an order of a court, or a collective bargaining agreement pursuant to subsection (d) of Section 1-5, under conditions that preclude compliance with the general rulemaking requirements imposed by Section 5-40 and that preclude the exercise of discretion by the agency as to the content of the rule it is required to adopt. Peremptory rulemaking shall not be used to implement consent orders or other court orders adopting settlements negotiated by the agency. If any agency finds that peremptory rulemaking is necessary and states in writing its reasons for that finding, the agency may adopt peremptory rulemaking upon filing a notice of rulemaking with the Secretary of State under Section 5-70. The notice shall be published in the Illinois Register. The agency shall accept data, views, arguments, or comments regarding the peremptory rulemaking. The agency shall accept submissions in writing, including submissions by email or by other publicly accessible electronic means through its website. In the discretion of the agency, submissions may be submitted orally. The notice published in the Illinois Register shall indicate the manner selected by the agency for the submissions, including the email address or website

address where submissions will be accepted. The agency shall consider all submissions received. A rule adopted under the peremptory rulemaking provisions of this Section becomes effective immediately upon filing with the Secretary of State and in the agency's principal office, or at a date required or authorized by the relevant federal law, federal rules and regulations, or court order, as stated in the notice of rulemaking. Notice of rulemaking under this Section shall be published in the Illinois Register, shall specifically refer to the appropriate State or federal court order or federal law, rules, and regulations, and shall be in a form as the Secretary of State may reasonably prescribe by rule. The agency shall file the notice of peremptory rulemaking within 30 days after a change in rules is required.

The Department of Healthcare and Family Services may adopt peremptory rulemaking under the terms and conditions of this Section to implement final payments included in a State Medicaid Plan Amendment approved by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services and authorized under Section 5A-12.2 of the Illinois Public Aid Code, and to adjust hospital provider assessments as Medicaid Provider-Specific Taxes permitted by Title XIX of the federal Social Security Act and authorized under Section 5A-2 of the Illinois Public Aid Code. (5 ILCS 100/5-60) (from Ch. 127, par. 1005-60)

Sec. 5-60. Regulatory agenda. An agency shall submit for publication in the Illinois Register by January 1 and July 1 of each year a regulatory agenda to elicit public comments concerning any rule that the agency is considering proposing but for which no notice of proposed rulemaking activity has been submitted to the Illinois Register. A regulatory agenda shall consist of summaries of those rules. Each summary shall, in less than 2,000 words, contain the following when practicable:

(1) A description of the rule.

(2) The statutory authority the agency is exercising.

(3) A schedule of the dates for any hearings, meetings, or other opportunities for public participation in the development of the rule.

(4) The date the agency anticipates submitting a notice of proposed rulemaking activity, if known.

(5) The name, address, email address, and telephone number of the agency representative who is knowledgeable about the rule, from whom any information may be obtained, and to whom written comments may be submitted concerning the rule.

(6) A statement whether the rule will affect small businesses, not for profit corporations, or small municipalities as defined in this Act.

(7) Any other information that may serve the public

interest.

Nothing in this Section shall preclude an agency from adopting a rule that has not been summarized in a regulatory agenda or from adopting a rule different than one summarized in a regulatory agenda if in the agency head's best judgment it is necessary. If an agency finds that a situation exists that requires adoption of a rule that was not summarized on either of the 2 most recent regulatory agendas, it shall state its reasons in writing together with the facts that form their basis upon filing the notice of proposed rulemaking with the Secretary of State under Section 5-40. Nothing in this Section shall require an agency to adopt a rule summarized in a regulatory agenda. The Secretary of State shall adopt rules necessary for the publication of a regulatory agenda, including but not limited to standard submission forms and deadlines.

(5 ILCS 100/5-65) (from Ch. 127, par. 1005-65)

Sec. 5-65. Filing of rules.

(a) Each agency shall file in the office of the Secretary of State and in the agency's principal office a certified copy of each rule and modification or repeal of any rule adopted by it. The Secretary of State and the agency shall each keep a permanent register of the rules open to public inspection.

Whenever a rule or modification or repeal of any rule is

filed with the Secretary of State, the Secretary shall send a certified copy of the rule, modification or repeal, within 3 working days after it is filed, to the Joint Committee on Administrative Rules.

(b) Concurrent with the filing of any rule under this Section, the filing agency shall submit to the Secretary of State for publication in the next available issue of the Illinois Register a notice of adopted rules. The notice shall include the following:

(1) The text of the adopted rule, including the full text of the new rule (if the material is a new rule), the full text of the rule or rules as amended (if the material is an amendment to a rule or rules), or the notice of repeal (if the material is a repealer).

(2) The name, address, email address, and telephone number of an individual who will be available to answer questions and provide information to the public concerning the adopted rules.

(3) Other information that the Secretary of State may by rule require in the interest of informing the public.
