

AN ACT relating to public labor relations.

Be it enacted by the People of the State of Illinois,
represented in the General Assembly:

Section 5. The Illinois Public Labor Relations Act is
amended by changing Section 20 as follows:

(5 ILCS 315/20) (from Ch. 48, par. 1620)

Sec. 20. Prohibitions.

(a) Nothing in this Act shall be construed to require an individual employee to render labor or service without his consent, nor shall anything in this Act be construed to make the quitting of his labor by an individual employee an illegal act; nor shall any court issue any process to compel the performance by an individual employee of such labor or service, without his consent; nor shall the quitting of labor by an employee or employees in good faith because of abnormally dangerous conditions for work at the place of employment of such employee be deemed a strike under this Act.

(b) This Act shall not be applicable to units of local government employing less than 35 employees at the time the Petition for Certification or Representation is filed with the Board. This prohibition shall not apply, except with respect to bargaining units in existence on the effective date of this Act, units of local government employing more than 35 employees where the total number of employees falls below 35 after the Board has certified a bargaining unit, and fire protection districts required by the Fire Protection District Act to appoint a Board of Fire Commissioners.
