**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

ARTICLE 1

Section 1-1. Short title. This Act may be cited as the FY2005 Budget Implementation (Revenue) Act.

Section 1-5. Purpose. It is the purpose of this Act to make changes in State programs that are necessary to implement the Governor's FY2005 budget recommendations concerning revenue.

ARTICLE 5

Section 5-5. The Illinois Insurance Code is amended by changing Section 416 as follows:

(215 ILCS 5/416)

Sec. 416. Industrial Commission Operations Fund Surcharge.

(a) As of the effective date of this amendatory Act of 2004 ~~the 93rd General Assembly~~, every company licensed or authorized by the Illinois Department of Insurance and insuring employers' liabilities arising under the Workers' Compensation Act or the Workers' Occupational Diseases Act shall remit to the Director a surcharge based upon the annual direct written premium, as reported under Section 136 of this Act, of the company in the manner provided in this Section. Such proceeds shall be deposited into the Industrial Commission Operations Fund as established in the Workers' Compensation Act. If a company survives or was formed by a merger, consolidation, reorganization, or reincorporation, the direct written premiums of all companies party to the merger, consolidation,

reorganization, or reincorporation shall, for purposes of determining the amount of the fee imposed by this Section, be regarded as those of the surviving or new company.

(b) (1) Except as provided in subsection (b) (2) of this Section, beginning on the effective date of this amendatory Act of 2004 and on July 1 of July 1, 2004 and each year thereafter, the Director shall charge an annual Industrial Commission Operations Fund Surcharge from every company subject to subsection (a) of this Section equal to 1.01% ~~1.5%~~ of its direct written premium for insuring employers' liabilities arising under the Workers' Compensation Act or Workers' Occupational Diseases Act as reported in each company's annual statement filed for the previous year as required by Section 136. The Industrial Commission Operations Fund Surcharge shall be collected by companies subject to subsection (a) of this Section as a separately stated surcharge on insured employers at the rate of 1.01% ~~1.5%~~ of direct written premium. The Industrial Commission Operations Fund Surcharge shall not be collected by companies subject to subsection (a) of this Section from any employer that self-insures its liabilities arising under the Workers' Compensation Act or Workers' Occupational Diseases Act, provided that the employer has paid the Industrial Commission Operations Fund Fee pursuant to Section 4d of the Workers' Compensation Act. All sums collected by the Department of Insurance under the provisions of this Section shall be paid promptly after the receipt of the same, accompanied by a detailed statement thereof, into the Industrial Commission Operations Fund in the State treasury.

(b) (2) The surcharge due pursuant to this amendatory Act of 2004 shall be collected instead of the surcharge due on July 1, 2004 under Public Act 93-32. Payment of the surcharge due under this amendatory Act of 2004 shall discharge the employer's obligations due on July 1, 2004. ~~Prior to July 1, 2004, the Director shall charge and collect the surcharge set forth in subparagraph (b) (1) of this Section on or before September 1, 2003, December 1, 2003, March 1, 2004 and June 1, 2004. For~~

~~purposes of this subsection (b) (2), the company shall remit the amounts to the Director based on estimated direct premium for each quarter beginning on July 1, 2003, together with a sworn statement attesting to the reasonableness of the estimate, and the estimated amount of direct premium written forming the bases of the remittance.~~

(c) In addition to the authority specifically granted under Article XXV of this Code, the Director shall have such authority to adopt rules or establish forms as may be reasonably necessary for purposes of enforcing this Section. The Director shall also have authority to defer, waive, or abate the surcharge or any penalties imposed by this Section if in the Director's opinion the company's solvency and ability to meet its insured obligations would be immediately threatened by payment of the surcharge due.

(d) When a company fails to pay the full amount of any annual Industrial Commission Operations Fund Surcharge of \$100 or more due under this Section, there shall be added to the amount due as a penalty the greater of \$1,000 or an amount equal to 5% of the deficiency for each month or part of a month that the deficiency remains unpaid.

(e) The Department of Insurance may enforce the collection of any delinquent payment, penalty, or portion thereof by legal action or in any other manner by which the collection of debts due the State of Illinois may be enforced under the laws of this State.

(f) Whenever it appears to the satisfaction of the Director that a company has paid pursuant to this Act an Industrial Commission Operations Fund Surcharge in an amount in excess of the amount legally collectable from the company, the Director shall issue a credit memorandum for an amount equal to the amount of such overpayment. A credit memorandum may be applied for the 2-year period from the date of issuance, against the payment of any amount due during that period under the surcharge imposed by this Section or, subject to reasonable rule of the Department of Insurance including requirement of

notification, may be assigned to any other company subject to regulation under this Act. Any application of credit memoranda after the period provided for in this Section is void.

(g) Annually, the Governor may direct a transfer of up to 2% of all moneys collected under this Section to the Insurance Financial Regulation Fund.

Such proceeds shall be deposited in the Industrial Commission Operations Fund. If an employer survives or was formed by a merger, consolidation, reorganization, or reincorporation, the actual wages paid in this State of all employers party to the merger, consolidation, reorganization, or reincorporation shall, for purposes of determining the amount of the fee imposed by this Section, be regarded as those of the surviving or new employer.

(b) Beginning on the effective date of this amendatory Act of 2004 ~~the 93rd General Assembly~~ and on July 1 of each year thereafter, the Chairman shall charge and collect an annual Industrial Commission Operations Fund Fee from every employer subject to subsection (a) of this Section equal to 0.0075% ~~0.045%~~ of its annual actual wages paid in this State as reported in each employer's annual self-insurance renewal filed for the previous year as required by Section 4 of this Act and Section 4 of the Workers' Occupational Diseases Act. All sums collected by the Commission under the provisions of

this Section shall be paid promptly after the receipt of the same, accompanied by a detailed statement thereof, into the Industrial Commission Operations Fund. The fee due pursuant to this amendatory Act of 2004 shall be collected instead of the fee due on July 1, 2004 under Public Act 93-32. Payment of the fee due under this amendatory Act of 2004 shall discharge the employer's obligations due on July 1, 2004.

(c) In addition to the authority specifically granted under Section 16, the Chairman shall have such authority to adopt rules or establish forms as may be reasonably necessary for purposes of enforcing this Section. The Commission shall have authority to defer, waive, or abate the fee or any penalties imposed by this Section if in the Commission's opinion the employer's solvency and ability to meet its obligations to pay workers' compensation benefits would be immediately threatened by payment of the fee due.

(d) When an employer fails to pay the full amount of any annual Industrial Commission Operations Fund Fee of \$100 or more due under this Section, there shall be added to the amount due as a penalty the greater of \$1,000 or an amount equal to 5% of the deficiency for each month or part of a month that the deficiency remains unpaid.

(e) The Commission may enforce the collection of any delinquent payment, penalty or portion thereof by legal action or in any other manner by which the collection of debts due the State of Illinois may be enforced under the laws of this State.

(f) Whenever it appears to the satisfaction of the Chairman that an employer has paid pursuant to this Act an Industrial Commission Operations Fund Fee in an amount in excess of the amount legally collectable from the employer, the Chairman shall issue a credit memorandum for an amount equal to the amount of such overpayment. A credit memorandum may be applied for the 2-year period from the date of issuance against the payment of any amount due during that period under the fee imposed by this Section or, subject to reasonable rule of the Commission including requirement of notification, may be

assigned to any other employer subject to regulation under this Act. Any application of credit memoranda after the period provided for in this Section is void.

ARTICLE 15

Section 15-1. Short title. This Article may be cited as the Watercraft Use Tax Law, and references in this Article to "this Law" mean this Article.

Section 15-5. Definitions. For the purposes of this Law:

"Department" means the Department of Revenue.

"Purchase price" means the reasonable consideration paid for a watercraft whether received in money or otherwise, including, but not limited to, cash, credits, property, and services, and including the value of any motor sold with, or in conjunction with, the watercraft. Except in the case of transfers between immediate family members, reasonable consideration ordinarily means the fair market value on the date the watercraft or the share of the watercraft was acquired or the date the watercraft was brought into this State, whichever is later, unless the taxpayer can demonstrate that a different value is reasonable. In the case of transfers between immediate family members, reasonable consideration ordinarily means the consideration actually paid, unless it appears from the facts and circumstances that the primary motivation of the transfer was the avoidance of tax.

"Watercraft" means:

(1) Class 2, Class 3, and Class 4 watercraft, as defined in Section 3-2 of the Boat Registration and Safety Act; or

(2) personal watercraft, as defined in Section 1-2 of the Boat Registration and Safety Act.

Section 15-10. Tax imposed. A tax is hereby imposed on the privilege of using, in this State, any watercraft acquired by gift, transfer, or purchase after September 1, 2004. This tax does not apply if: (i) the use of the watercraft is otherwise taxed under the Use Tax Act; (ii) the watercraft is bought and used by a governmental agency or a society, association, foundation, or institution organized and operated exclusively for charitable, religious, or educational purposes and that entity has been issued an exemption identification number under Section 1g of the Retailers' Occupation Tax Act; (iii) the use of the watercraft is not subject to the Use Tax Act by reason of subsection (a), (b), (c), (d), or (e) of Section 3-55 of that Act dealing with the prevention of actual or likely multi-state taxation; (iv) the transfer is a gift to a beneficiary in the administration of an estate and the beneficiary is a surviving spouse; or (v) the watercraft is exempted from the numbering provisions of Section 3-12 of the Boat Registration and Safety Act. However, the exemption from tax provided by item (v) shall not apply to a watercraft exempted under paragraphs A, B, C, F, and G of Section 3-12 of the Boat Registration and Safety Act if such watercraft are used upon the waters of this State for more than 30 days in any calendar year.

Section 15-15. Rate of tax.

The rate of tax is 6.25% of the purchase price for each purchase of watercraft that is subject to tax under this Law. When an ownership share of a watercraft is acquired, the tax is imposed on the purchase price of that share. All owners are jointly and severally liable for any tax due as a result of the purchase, gift, or transfer of an ownership share of the watercraft.

Section 15-20. Returns.

(a) The purchaser, transferee, or donee shall file with the

Department a return signed by the purchaser, transferee, or donee on a form prescribed by the Department. The return shall contain a verification in substantially the following form and such other information as the Department may reasonably require:

VERIFICATION

I declare that I have examined this return and, to the best of my knowledge, it is true, correct, and complete. I understand that the penalty for willfully filing a false return is a fine not to exceed \$1,000 or imprisonment in a penal institution other than the penitentiary not to exceed one year, or both a fine and imprisonment.

(b) The return and payment from the purchaser, transferee, or donee shall be submitted to the Department within 30 days after the date of purchase, donation, or other transfer or the date the watercraft is brought into this State, whichever is later. Payment of tax is a condition to securing certificate of title for the watercraft from the Department of Natural Resources. When a purchaser, transferee, or donee pays the tax imposed by Section 5-10 of this Law, the Department (upon request therefor from the purchaser, transferee, or donee) shall issue an appropriate receipt to the purchaser, transferee, or donee showing that he or she has paid the tax to the Department. The receipt shall be sufficient to relieve the purchaser, transferee, or donee from further liability for the tax to which the receipt may refer.

Section 15-25. Filing false or incomplete return. Any person required to file a return under this Law who willfully files a false or incomplete return is guilty of a Class A misdemeanor.

Section 15-30. Determining purchase price. For the purpose of assisting in determining the validity of the purchase price reported on returns filed with the Department, the Department may furnish the following information to persons with whom the

Department has contracted for service related to making that determination: (i) the purchase price stated on the return; (ii) the watercraft identification number; (iii) the year, the make, and the model name or number of the watercraft; (iv) the purchase date; and (v) the hours of operation.

Section 15-35. Powers of Department. The Department has full power to: (i) administer and enforce this Law; (ii) collect all taxes, penalties, and interest due under this Law; (iii) dispose of taxes, penalties, and interest so collected in the manner set forth in this Law; and (iv) determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Law. In the administration of, and compliance with, this Law, the Department and persons who are subject to this Law have the same rights, remedies, privileges, immunities, powers, and duties, and are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in the Use Tax Act (except for the provisions of Section 3-70), that are not inconsistent with this Law, as fully as if the provisions of the Use Tax Act were set forth in this Law. In addition to any other penalties imposed under law, any person convicted of violating the provisions of this Law shall be assessed a fine of \$1,000.

Section 15-40. Payments to State and Local Sales Tax Reform Fund and General Revenue Fund. The Department shall each month, upon collecting any taxes as provided in this Law, pay 20% of the money collected into the State and Local Sales Tax Reform Fund, a special fund in the State treasury, and 80% into the General Revenue Fund.

Section 15-45. Rules. The Department has the authority to adopt such rules as are reasonable and necessary to implement the provisions of this Law.

Section 15-990. The Retailers' Occupation Tax Act is amended by changing Section 1c as follows:

(35 ILCS 120/1c) (from Ch. 120, par. 440c)

Sec. 1c. For the purpose of this Section "aircraft" has the meaning prescribed in Section 3 of the Illinois Aeronautics Act. For the purpose of this Section, "watercraft" has the meaning prescribed in Section 5-5 of the Watercraft Use Tax Law. (Nothing provided herein shall affect liability incurred under this Act because of the sale at retail of such motor vehicles, ~~or~~ aircraft, or watercraft to a lessor.)

Sec. 3A-5. Certificate of title - Issuance - Records.

that the applicant is entitled to the issuance of a certificate of title, shall issue a certificate of title.

(b) The Department of Natural Resources shall maintain a record of all certificates of title issued under a distinctive title number assigned to the watercraft and, in the discretion of the Department, in any other method determined.

(23) Personal property purchased by a lessor who leases the property, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a governmental body that has been issued an active sales tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the property is leased in a manner that does not

qualify for this exemption or used in any other non-exempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the non-qualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department.

(24) Beginning with taxable years ending on or after December 31, 1995 and ending with taxable years ending on or before December 31, 2004, personal property that is donated for disaster relief to be used in a State or federally declared disaster area in Illinois or bordering Illinois by a manufacturer or retailer that is registered in this State to a corporation, society, association, foundation, or institution that has been issued a sales tax exemption identification number by the Department that assists victims of the disaster who reside within the declared disaster area.

(27) A motor vehicle, as that term is defined in Section 1-146 of the Illinois Vehicle Code, that is donated to a corporation, limited liability company, society, association, foundation, or institution that is determined by the Department to be organized and operated exclusively for educational purposes. For purposes of this exemption, "a corporation, limited liability company, society, association, foundation, or institution organized and operated exclusively for educational purposes" means all tax-supported public schools, private schools that offer systematic instruction in useful branches of learning by methods common to public schools and that compare favorably in their scope and intensity with the course of study presented in tax-supported schools, and vocational or technical schools or institutes organized and operated exclusively to provide a course of study of not less than 6 weeks duration and designed to prepare individuals to follow a trade or to pursue a manual, technical, mechanical, industrial, business, or commercial occupation.

(28) Beginning January 1, 2000, personal property, including food, purchased through fundraising events for the benefit of a public or private elementary or secondary school, a group of those schools, or one or more school districts if the events are sponsored by an entity recognized by the school district that consists primarily of volunteers and includes parents and teachers of the school children. This paragraph does not apply to fundraising events (i) for the benefit of private home instruction or (ii) for which the fundraising entity purchases the personal property sold at the events from another individual or entity that sold the property for the purpose of resale by the fundraising entity and that profits from the sale to the fundraising entity. This paragraph is

exempt from the provisions of Section 3-90.

(29) Beginning January 1, 2000 and through December 31, 2001, new or used automatic vending machines that prepare and serve hot food and beverages, including coffee, soup, and other items, and replacement parts for these machines. This paragraph is exempt from the provisions of Section 3-90.

(30) Food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, when purchased for use by a person receiving medical assistance under Article 5 of the Illinois Public Aid Code who resides in a licensed long-term care facility, as defined in the Nursing Home Care Act.

(31) Beginning on the effective date of this amendatory Act of the 92nd General Assembly, computers and communications equipment utilized for any hospital purpose and equipment used in the diagnosis, analysis, or treatment of hospital patients purchased by a lessor who leases the equipment, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a hospital that has been issued an active tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the equipment is leased in a manner that does not qualify for this exemption or is used in any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the nonqualifying use occurs. No lessor shall collect

or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

(32) Beginning on the effective date of this amendatory Act of the 92nd General Assembly, personal property purchased by a lessor who leases the property, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a governmental body that has been issued an active sales tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the property is leased in a manner that does not qualify for this exemption or used in any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the nonqualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

Sec. 3-85. Manufacturer's Purchase Credit. For purchases of machinery and equipment made on and after January 1, 1995 ~~and~~ through June 30, 2003, and on and after September 1, 2004, a purchaser of manufacturing machinery and equipment that qualifies for the exemption provided by paragraph (18) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax which would have been incurred under this Act on those purchases. For purchases of graphic arts machinery and equipment made on or after July 1, 1996 and through June 30, 2003, and on and after September 1, 2004, a purchaser of graphic arts machinery and equipment that qualifies for the exemption provided by paragraph (6) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax that would have been incurred under this Act on those purchases. The credit earned for purchases of manufacturing machinery and equipment or graphic arts machinery and equipment shall be referred to as the Manufacturer's Purchase Credit. A graphic arts producer is a person engaged in graphic arts production as defined in Section 2-30 of the Retailers' Occupation Tax Act. Beginning July 1, 1996, all references in this Section to manufacturers or manufacturing shall also be deemed to refer to graphic arts producers or graphic arts production.

The amount of credit shall be a percentage of the tax that would have been incurred on the purchase of manufacturing

machinery and equipment or graphic arts machinery and equipment if the exemptions provided by paragraph (6) or paragraph (18) of Section 3-5 of this Act had not been applicable. The percentage shall be as follows:

(1) 15% for purchases made on or before June 30, 1995.

(2) 25% for purchases made after June 30, 1995, and on or before June 30, 1996.

(3) 40% for purchases made after June 30, 1996, and on or before June 30, 1997.

(4) 50% for purchases made on or after July 1, 1997.

(a) Manufacturer's Purchase Credit earned prior to July 1, 2003. This subsection (a) applies to Manufacturer's Purchase Credit earned prior to July 1, 2003. A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller prior to October 1, 2003 that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer prior to October 1, 2003 may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. A Manufacturer's Purchase Credit reported on any original or

amended return filed under this Act after October 20, 2003 shall be disallowed. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility may, prior to October 1, 2003, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish, prior to October 1, 2003, the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for all credit utilized by a construction contractor.

No Manufacturer's Purchase Credit earned prior to July 1, 2003 may be used after October 1, 2003. The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or by a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by

the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used, prior to October 1, 2003, to satisfy the tax arising either from the purchase of machinery and equipment on or after January 1, 1995 for which the exemption provided by paragraph (18) of Section 3-5 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 1996 for which the exemption provided by paragraph (6) of Section 3-5 of this Act was erroneously claimed, but not in

satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may, prior to October 1, 2003, utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used prior to October 1, 2003, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. No Manufacturer's Purchase Credit may be used after September 30, 2003 regardless of when that credit was earned.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall

maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

No annual report shall be filed before May 1, 1996 or after June 30, 2004. A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may

be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. No Manufacturer's Purchase Credit report filed with the Department for periods prior to January 1, 1995 shall be approved. Manufacturer's Purchase Credit claimed on an amended report may be used, until October 1, 2003, to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made in the case of manufacturers on or after January 1, 1995, or in the case of graphic arts producers on or after July 1, 1996.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer.

A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit

liability.

(b) Manufacturer's Purchase Credit earned on and after September 1, 2004. This subsection (b) applies to Manufacturer's Purchase Credit earned on and after September 1, 2004. Manufacturer's Purchase Credit earned on or after September 1, 2004 may only be used to satisfy the Use Tax or Service Use Tax liability incurred on production related tangible personal property purchased on or after September 1, 2004. A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic

arts production facility may, on or after September 1, 2004, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for all credit utilized by a construction contractor.

The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase, made on or after September 1, 2004, of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or by a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible

personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used to satisfy the tax arising either from the purchase of machinery and equipment on or after September 1, 2004 for which the exemption provided by paragraph (18) of Section 3-5 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after September 1, 2004 for which the exemption provided by paragraph (6) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property that is purchased on or after September 1, 2004 who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property on and after September 1, 2004 which is later

determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase. A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is

used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. Manufacturer's Purchase Credit claimed on an amended report may be used to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible

personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying production related tangible personal property purchased on or after September 1, 2004. If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer. A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due.

These organizations include, but are not limited to, music and dramatic arts organizations such as symphony orchestras and theatrical groups, arts and cultural service organizations, local arts councils, visual arts organizations, and media arts organizations. This item (7) is exempt from the provisions of Section 3-75.

(8) Fuel and petroleum products sold to or used by an air common carrier, certified by the carrier to be used for consumption, shipment, or storage in the conduct of its business as an air common carrier, for a flight destined for or returning from a location or locations outside the United States without regard to previous or subsequent domestic stopovers.

If the equipment is leased in a manner that does not qualify for this exemption or is used in any other non-exempt manner, the lessor shall be liable for the tax imposed under this Act or the Use Tax Act, as the case may be, based on the fair market value of the property at the time the non-qualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department.

No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a

If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-75.

Sec. 3-70. Manufacturer's Purchase Credit. For purchases of machinery and equipment made on and after January 1, 1995 and through June 30, 2003, and on and after September 1, 2004, a purchaser of manufacturing machinery and equipment that qualifies for the exemption provided by Section 2 of this Act

earns a credit in an amount equal to a fixed percentage of the tax which would have been incurred under this Act on those purchases. For purchases of graphic arts machinery and equipment made on or after July 1, 1996 ~~and~~ through June 30, 2003, and on and after September 1, 2004, a purchase of graphic arts machinery and equipment that qualifies for the exemption provided by paragraph (5) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax that would have been incurred under this Act on those purchases. The credit earned for the purchase of manufacturing machinery and equipment and graphic arts machinery and equipment shall be referred to as the Manufacturer's Purchase Credit. A graphic arts producer is a person engaged in graphic arts production as defined in Section 3-30 of the Service Occupation Tax Act. Beginning July 1, 1996, all references in this Section to manufacturers or manufacturing shall also refer to graphic arts producers or graphic arts production.

The amount of credit shall be a percentage of the tax that would have been incurred on the purchase of the manufacturing machinery and equipment or graphic arts machinery and equipment if the exemptions provided by Section 2 or paragraph (5) of Section 3-5 of this Act had not been applicable.

All purchases prior to October 1, 2003 of manufacturing machinery and equipment and graphic arts machinery and equipment that qualify for the exemptions provided by paragraph (5) of Section 2 or paragraph (5) of Section 3-5 of this Act qualify for the credit without regard to whether the serviceman elected, or could have elected, under paragraph (7) of Section 2 of this Act to exclude the transaction from this Act. If the serviceman's billing to the service customer separately states a selling price for the exempt manufacturing machinery or equipment or the exempt graphic arts machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on that selling price. If the serviceman's billing does not separately state a selling price for the exempt manufacturing machinery and equipment or the exempt graphic

arts machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on 50% of the entire billing. If the serviceman contracts to design, develop, and produce special order manufacturing machinery and equipment or special order graphic arts machinery and equipment, and the billing does not separately state a selling price for such special order machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on 50% of the entire billing. The provisions of this paragraph are effective for purchases made on or after January 1, 1995.

The percentage shall be as follows:

- (1) 15% for purchases made on or before June 30, 1995.
- (2) 25% for purchases made after June 30, 1995, and on or before June 30, 1996.
- (3) 40% for purchases made after June 30, 1996, and on or before June 30, 1997.
- (4) 50% for purchases made on or after July 1, 1997.

(a) Manufacturer's Purchase Credit earned prior to July 1, 2003. This subsection (a) applies to Manufacturer's Purchase Credit earned prior to July 1, 2003. A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller prior to October 1, 2003 that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of a Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer prior to October

1, 2003 may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 shall be disallowed. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility, prior to October 1, 2003, may authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish, prior to October 1, 2003, the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for credit utilized by a construction contractor.

No Manufacturer's Purchase Credit earned prior to July 1, 2003 may be used after October 1, 2003. The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including

purchases by a manufacturer, by a graphic arts producer, or a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as pre-production material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing or graphic arts facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's

Purchase Credit may be used, prior to October 1, 2003, to satisfy the tax arising either from the purchase of machinery and equipment on or after January 1, 1995 for which the manufacturing machinery and equipment exemption provided by Section 2 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 1996 for which the exemption provided by paragraph (5) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may, prior to October 1, 2003, utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used prior to October 1, 2003, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. No Manufacturer's Purchase Credit may be used after September 30, 2003 regardless of when that credit was earned.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state,

for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

No annual report shall be filed before May 1, 1996 or after June 30, 2004. A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. No Manufacturer's Purchase Credit report filed with the Department for periods prior to January 1, 1995 shall be approved. Manufacturer's Purchase Credit claimed on an amended report may be used, prior to October 1, 2003, to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made in the case of manufacturers on or after January 1, 1995, or in the case of graphic arts producers on or after July 1, 1996.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or a graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer.

A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported

and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit liability.

(b) Manufacturer's Purchase Credit earned on and after September 1, 2004. This subsection (b) applies to Manufacturer's Purchase Credit earned on or after September 1, 2004. Manufacturer's Purchase Credit earned on or after September 1, 2004 may only be used to satisfy the Use Tax or Service Use Tax liability incurred on production related tangible personal property purchased on or after September 1, 2004. A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of a Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but

only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility may, on or after September 1, 2004, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for credit utilized by a construction contractor.

The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase, made on or after September 1, 2004, of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a

manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as pre-production material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing or graphic arts facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used to satisfy the tax arising either from the purchase of machinery and equipment on or after September 1, 2004 for which the manufacturing machinery and equipment exemption provided by Section 2 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after September 1, 2004 for which the exemption provided by paragraph (5) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and

interest for failure to pay the tax when due. A purchaser of production related tangible personal property that is purchased on or after September 1, 2004 who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property on and after September 1, 2004 which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which

the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have

agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. Manufacturer's Purchase Credit claimed on an amended report may be used to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying production related tangible personal property purchased on or after September 1, 2004.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or a graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer. A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due.

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each

of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Prior to October 1, 2003, and on and after September 1, 2004 a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 or on or after September 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1,

2005 will be disallowed for periods prior to September 1, 2004.

No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make

all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof

to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the revenue realized for the preceding month from the 6.25% general

rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the

preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the

Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to $\frac{1}{6}$ of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon

certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. 6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a

licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A copy of the monthly statement shall be sent to the retailer no later than the 10th day of the month for the preceding month during which transactions occurred.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic

funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount

is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but

shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle

Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner

than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department

being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying

data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the

month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in

the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The

credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	\$54,800,000
1987	\$76,650,000

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build

Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the

certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity ~~Community Affairs~~ Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of

the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall

be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or

events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 25-5. The Illinois Income Tax Act is amended by changing Sections 203, 205, 305, and 1501 as follows:

(35 ILCS 5/203) (from Ch. 120, par. 2-203)

Sec. 203. Base income defined.

(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).

(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or

multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction (30% of the adjusted basis of the qualified property) taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; ~~and~~

(D-16) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.†

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property; ~~and~~

(D-17) For taxable years ending on or after December 31, 2004, an amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person, during the same taxable year, paid, accrued, or incurred, the

interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid,

accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

- (i) any item of intangible expenses or costs

paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made

pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

This subparagraph (Y) is exempt from the provisions of Section 250;

(C) In the case of a regulated investment company, an amount equal to the excess of (i) the net long-term capital gain for the taxable year, over (ii) the amount of the capital gain dividends designated as such in accordance with Section 852(b)(3)(C) of the Internal Revenue Code and any amount designated under Section 852(b)(3)(D) of the Internal Revenue Code, attributable to the taxable year (this amendatory Act of 1995 (Public Act 89-89) is declarative of existing law and is not a new enactment);

(D) The amount of any net operating loss deduction taken in arriving at taxable income, other than a net operating loss carried forward from a taxable year ending prior to December 31, 1986;

(E) For taxable years in which a net operating loss carryback or carryforward from a taxable year ending

prior to December 31, 1986 is an element of taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other than those provided by this subparagraph (E) exceeded subtraction modifications in such earlier taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(E-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the corporation deducted in computing adjusted gross income and for which the corporation claims a credit under subsection (1) of Section 201;

on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; and

(E-11) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (E-10), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (T) with respect to that property;

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(E-12) For taxable years ending on or after December 31, 2004, an amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-13) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or

indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms;
or

(iii) any item of intangible expense or

cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

and by deducting from the total so obtained the sum of the following amounts:

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to any amount included in such total under Section 78 of the Internal Revenue Code;

(H) In the case of a regulated investment company, an amount equal to the amount of exempt interest dividends as defined in subsection (b) (5) of Section 852 of the Internal Revenue Code, paid to shareholders for the taxable year;

(I) With the exception of any amounts subtracted under subparagraph (J), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a) (2), and 265(a)(2) and amounts disallowed as interest expense by Section 291(a)(3) of the Internal Revenue Code, as now or hereafter amended, and all amounts of expenses allocable to interest and

disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code, as now or hereafter amended; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, 291(a)(3), and 832(b)(5)(B)(i) of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(J) An amount equal to all amounts included in such total which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-8) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section

78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. (ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the

intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms;

or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this

State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(H) Any income of the partnership which constitutes personal service income as defined in Section 1348 (b) (1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater;

(I) An amount equal to all amounts of income distributable to an entity subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a) (2), and 265(2) of the Internal Revenue Code of 1954, as now or hereafter amended, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(1) of the Internal Revenue Code, as now or hereafter amended; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a) (2), 265, 280C, and 832(b) (5) (B) (i) of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(K) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in an Enterprise Zone or

zones created under the Illinois Enterprise Zone Act, enacted by the 82nd General Assembly, and conducts substantially all of its operations in an Enterprise Zone or Zones;

(L) An amount equal to any contribution made to a job training project established pursuant to the Real Property Tax Increment Allocation Redevelopment Act;

(M) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (K) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (M);

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code of 1986;

(O) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction (30% of the adjusted basis of the qualified property) is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction (30% of the adjusted basis of the qualified property) was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction; and

(2) "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction (30% of the adjusted basis of the qualified property) taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code; ~~and~~

(P) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property; ~~and~~

(Q) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification;

(R) An amount equal to the interest income taken

into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-7) for interest paid, accrued, or incurred, directly or indirectly, to the same foreign person; and

(S) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person.

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b) (3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from

taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b) (2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the

Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and (d) (2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the

Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Sec. 205. Exempt organizations.

(a) Charitable, etc. organizations. The base income of an organization which is exempt from the federal income tax by reason of Section 501(a) of the Internal Revenue Code shall not be determined under section 203 of this Act, but shall be its unrelated business taxable income as determined under section 512 of the Internal Revenue Code, without any deduction for the tax imposed by this Act. The standard exemption provided by section 204 of this Act shall not be allowed in determining the net income of an organization to which this subsection applies.

(b) Partnerships. A partnership as such shall not be subject to the tax imposed by subsection 201 (a) and (b) of this Act, but shall be subject to the replacement tax imposed by subsection 201 (c) and (d) of this Act and shall compute its

base income as described in subsection (d) of Section 203 of this Act. For taxable years ending on or after December 31, 2004, an investment partnership, as defined in Section 1501(a)(11.5) of this Act, shall not be subject to the tax imposed by subsections (c) and (d) of Section 201 of this Act.

A partnership shall file such returns and other information at such time and in such manner as may be required under Article 5 of this Act. The partners in a partnership shall be liable for the replacement tax imposed by subsection 201 (c) and (d) of this Act on such partnership, to the extent such tax is not paid by the partnership, as provided under the laws of Illinois governing the liability of partners for the obligations of a partnership. Persons carrying on business as partners shall be liable for the tax imposed by subsection 201 (a) and (b) of this Act only in their separate or individual capacities.

(c) Subchapter S corporations. A Subchapter S corporation shall not be subject to the tax imposed by subsection 201 (a) and (b) of this Act but shall be subject to the replacement tax imposed by subsection 201 (c) and (d) of this Act and shall file such returns and other information at such time and in such manner as may be required under Article 5 of this Act.

(d) Combat zone death. An individual relieved from the federal income tax for any taxable year by reason of section 692 of the Internal Revenue Code shall not be subject to the tax imposed by this Act for such taxable year.

(e) Certain trusts. A common trust fund described in Section 584 of the Internal Revenue Code, and any other trust to the extent that the grantor is treated as the owner thereof under sections 671 through 678 of the Internal Revenue Code shall not be subject to the tax imposed by this Act.

(f) Certain business activities. A person not otherwise subject to the tax imposed by this Act shall not become subject to the tax imposed by this Act by reason of:

- (1) that person's ownership of tangible personal property located at the premises of a printer in this State with which the person has contracted for printing, or

(2) activities of the person's employees or agents located solely at the premises of a printer and related to quality control, distribution, or printing services performed by a printer in the State with which the person has contracted for printing.

Sec. 305. Allocation of Partnership Income by partnerships and partners other than residents. (a) Allocation of partnership business income by partners other than residents. The respective shares of partners other than residents in so much of the business income of the partnership as is allocated or apportioned to this State in the possession of the partnership shall be taken into account by such partners pro rata in accordance with their respective distributive shares of such partnership income for the partnership's taxable year and allocated to this State.

(b) Allocation of partnership nonbusiness income by partners other than residents. The respective shares of partners other than residents in the items of partnership income and deduction not taken into account in computing the business income of a partnership shall be taken into account by such partners pro rata in accordance with their respective distributive shares of such partnership income for the partnership's taxable year, and allocated as if such items had been paid, incurred or accrued directly to such partners in their separate capacities.

(c) Allocation or apportionment of base income by partnership. Base income of a partnership shall be allocated or apportioned to this State pursuant to Article 3, in the same manner as it is allocated or apportioned for any other nonresident.

(c-5) Taxable income of an investment partnership, as defined in Section 1501(a)(11.5) of this Act, that is distributable to a nonresident partner shall be treated as

nonbusiness income and shall be allocated to the partner's state of residence (in the case of an individual) or commercial domicile (in the case of any other person). However, any income distributable to a nonresident partner shall be treated as business income and apportioned as if such income had been received directly by the partner if the partner has made an election under Section 1501(a)(1) of this Act to treat all income as business income or if such income is from investment activity:

(1) that is directly or integrally related to any other business activity conducted in this State by the nonresident partner (or any member of that partner's unitary business group);

(2) that serves an operational function to any other business activity of the nonresident partner (or any member of that partner's unitary business group) in this State; or

(3) where assets of the investment partnership were acquired with working capital from a trade or business activity conducted in this State in which the nonresident partner (or any member of that partner's unitary business group) owns an interest.

(d) Cross reference. For allocation of partnership income or deductions by residents, see Section 301(a).

(35 ILCS 5/1501) (from Ch. 120, par. 15-1501)

Sec. 1501. Definitions.

(a) In general. When used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(1) Business income. The term "business income" means all income that may be treated as apportionable business income under the Constitution of the United States. Business income is net of the deductions allocable thereto ~~income arising from transactions and activity in the regular course of the taxpayer's trade or business, net of~~

~~the deductions allocable thereto, and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.~~ Such term does not include compensation or the deductions allocable thereto. For each taxable year beginning on or after January 1, 2003, a taxpayer may elect to treat all income other than compensation as business income. This election shall be made in accordance with rules adopted by the Department and, once made, shall be irrevocable.

(2) Commercial domicile. The term "commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(3) Compensation. The term "compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(4) Corporation. The term "corporation" includes associations, joint-stock companies, insurance companies and cooperatives. Any entity, including a limited liability company formed under the Illinois Limited Liability Company Act, shall be treated as a corporation if it is so classified for federal income tax purposes.

(5) Department. The term "Department" means the Department of Revenue of this State.

(6) Director. The term "Director" means the Director of Revenue of this State.

(7) Fiduciary. The term "fiduciary" means a guardian, trustee, executor, administrator, receiver, or any person acting in any fiduciary capacity for any person.

(8) Financial organization.

(A) The term "financial organization" means any bank, bank holding company, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, building and loan association, credit union, currency

exchange, cooperative bank, small loan company, sales finance company, investment company, or any person which is owned by a bank or bank holding company. For the purpose of this Section a "person" will include only those persons which a bank holding company may acquire and hold an interest in, directly or indirectly, under the provisions of the Bank Holding Company Act of 1956 (12 U.S.C. 1841, et seq.), except where interests in any person must be disposed of within certain required time limits under the Bank Holding Company Act of 1956.

(B) For purposes of subparagraph (A) of this paragraph, the term "bank" includes (i) any entity that is regulated by the Comptroller of the Currency under the National Bank Act, or by the Federal Reserve Board, or by the Federal Deposit Insurance Corporation and (ii) any federally or State chartered bank operating as a credit card bank.

(C) For purposes of subparagraph (A) of this paragraph, the term "sales finance company" has the meaning provided in the following item (i) or (ii):

(i) A person primarily engaged in one or more of the following businesses: the business of purchasing customer receivables, the business of making loans upon the security of customer receivables, the business of making loans for the express purpose of funding purchases of tangible personal property or services by the borrower, or the business of finance leasing. For purposes of this item (i), "customer receivable" means:

(a) a retail installment contract or retail charge agreement within the meaning of the Sales Finance Agency Act, the Retail Installment Sales Act, or the Motor Vehicle Retail Installment Sales Act;

(b) an installment, charge, credit, or

similar contract or agreement arising from the sale of tangible personal property or services in a transaction involving a deferred payment price payable in one or more installments subsequent to the sale; or

(c) the outstanding balance of a contract or agreement described in provisions (a) or (b) of this item (i).

A customer receivable need not provide for payment of interest on deferred payments. A sales finance company may purchase a customer receivable from, or make a loan secured by a customer receivable to, the seller in the original transaction or to a person who purchased the customer receivable directly or indirectly from that seller.

(ii) A corporation meeting each of the following criteria:

(a) the corporation must be a member of an "affiliated group" within the meaning of Section 1504(a) of the Internal Revenue Code, determined without regard to Section 1504(b) of the Internal Revenue Code;

(b) more than 50% of the gross income of the corporation for the taxable year must be interest income derived from qualifying loans. A "qualifying loan" is a loan made to a member of the corporation's affiliated group that originates customer receivables (within the meaning of item (i)) or to whom customer receivables originated by a member of the affiliated group have been transferred, to the extent the average outstanding balance of loans from that corporation to members of its affiliated group during the taxable year do not exceed the limitation amount for that

corporation. The "limitation amount" for a corporation is the average outstanding balances during the taxable year of customer receivables (within the meaning of item (i)) originated by all members of the affiliated group. If the average outstanding balances of the loans made by a corporation to members of its affiliated group exceed the limitation amount, the interest income of that corporation from qualifying loans shall be equal to its interest income from loans to members of its affiliated groups times a fraction equal to the limitation amount divided by the average outstanding balances of the loans made by that corporation to members of its affiliated group;

(c) the total of all shareholder's equity (including, without limitation, paid-in capital on common and preferred stock and retained earnings) of the corporation plus the total of all of its loans, advances, and other obligations payable or owed to members of its affiliated group may not exceed 20% of the total assets of the corporation at any time during the tax year; and

(d) more than 50% of all interest-bearing obligations of the affiliated group payable to persons outside the group determined in accordance with generally accepted accounting principles must be obligations of the corporation.

This amendatory Act of the 91st General Assembly is declaratory of existing law.

(D) Subparagraphs (B) and (C) of this paragraph are declaratory of existing law and apply retroactively, for all tax years beginning on or before December 31,

1996, to all original returns, to all amended returns filed no later than 30 days after the effective date of this amendatory Act of 1996, and to all notices issued on or before the effective date of this amendatory Act of 1996 under subsection (a) of Section 903, subsection (a) of Section 904, subsection (e) of Section 909, or Section 912. A taxpayer that is a "financial organization" that engages in any transaction with an affiliate shall be a "financial organization" for all purposes of this Act.

(E) For all tax years beginning on or before December 31, 1996, a taxpayer that falls within the definition of a "financial organization" under subparagraphs (B) or (C) of this paragraph, but who does not fall within the definition of a "financial organization" under the Proposed Regulations issued by the Department of Revenue on July 19, 1996, may irrevocably elect to apply the Proposed Regulations for all of those years as though the Proposed Regulations had been lawfully promulgated, adopted, and in effect for all of those years. For purposes of applying subparagraphs (B) or (C) of this paragraph to all of those years, the election allowed by this subparagraph applies only to the taxpayer making the election and to those members of the taxpayer's unitary business group who are ordinarily required to apportion business income under the same subsection of Section 304 of this Act as the taxpayer making the election. No election allowed by this subparagraph shall be made under a claim filed under subsection (d) of Section 909 more than 30 days after the effective date of this amendatory Act of 1996.

(F) Finance Leases. For purposes of this subsection, a finance lease shall be treated as a loan or other extension of credit, rather than as a lease, regardless of how the transaction is characterized for

any other purpose, including the purposes of any regulatory agency to which the lessor is subject. A finance lease is any transaction in the form of a lease in which the lessee is treated as the owner of the leased asset entitled to any deduction for depreciation allowed under Section 167 of the Internal Revenue Code.

(9) Fiscal year. The term "fiscal year" means an accounting period of 12 months ending on the last day of any month other than December.

(10) Includes and including. The terms "includes" and "including" when used in a definition contained in this Act shall not be deemed to exclude other things otherwise within the meaning of the term defined.

(11) Internal Revenue Code. The term "Internal Revenue Code" means the United States Internal Revenue Code of 1954 or any successor law or laws relating to federal income taxes in effect for the taxable year.

(14) Nonresident. The term "nonresident" means a person who is not a resident.

(15) Paid, incurred and accrued. The terms "paid", "incurred" and "accrued" shall be construed according to the method of accounting upon the basis of which the person's base income is computed under this Act.

(16) Partnership and partner. The term "partnership" includes a syndicate, group, pool, joint venture or other unincorporated organization, through or by means of which any business, financial operation, or venture is carried on, and which is not, within the meaning of this Act, a trust or estate or a corporation; and the term "partner" includes a member in such syndicate, group, pool, joint venture or organization.

The term "partnership" includes any entity, including a limited liability company formed under the Illinois Limited Liability Company Act, classified as a partnership

for federal income tax purposes.

The term "partnership" does not include a syndicate, group, pool, joint venture, or other unincorporated organization established for the sole purpose of playing the Illinois State Lottery.

(17) Part-year resident. The term "part-year resident" means an individual who became a resident during the taxable year or ceased to be a resident during the taxable year. Under Section 1501(a)(20)(A)(i) residence commences with presence in this State for other than a temporary or transitory purpose and ceases with absence from this State for other than a temporary or transitory purpose. Under Section 1501(a)(20)(A)(ii) residence commences with the establishment of domicile in this State and ceases with the establishment of domicile in another State.

(18) Person. The term "person" shall be construed to mean and include an individual, a trust, estate, partnership, association, firm, company, corporation, limited liability company, or fiduciary. For purposes of Section 1301 and 1302 of this Act, a "person" means (i) an individual, (ii) a corporation, (iii) an officer, agent, or employee of a corporation, (iv) a member, agent or employee of a partnership, or (v) a member, manager, employee, officer, director, or agent of a limited liability company who in such capacity commits an offense specified in Section 1301 and 1302.

(18A) Records. The term "records" includes all data maintained by the taxpayer, whether on paper, microfilm, microfiche, or any type of machine-sensible data compilation.

(19) Regulations. The term "regulations" includes rules promulgated and forms prescribed by the Department.

(20) Resident. The term "resident" means:

(A) an individual (i) who is in this State for other than a temporary or transitory purpose during the taxable year; or (ii) who is domiciled in this State

but is absent from the State for a temporary or transitory purpose during the taxable year;

(B) The estate of a decedent who at his or her death was domiciled in this State;

(C) A trust created by a will of a decedent who at his death was domiciled in this State; and

(D) An irrevocable trust, the grantor of which was domiciled in this State at the time such trust became irrevocable. For purpose of this subparagraph, a trust shall be considered irrevocable to the extent that the grantor is not treated as the owner thereof under Sections 671 through 678 of the Internal Revenue Code.

(21) Sales. The term "sales" means all gross receipts of the taxpayer not allocated under Sections 301, 302 and 303.

(22) State. The term "state" when applied to a jurisdiction other than this State means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any Territory or Possession of the United States, and any foreign country, or any political subdivision of any of the foregoing. For purposes of the foreign tax credit under Section 601, the term "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and any territory or possession of the United States, or any political subdivision of any of the foregoing, effective for tax years ending on or after December 31, 1989.

(25) International banking facility. The term international banking facility shall have the same meaning as is set forth in the Illinois Banking Act or as is set forth in the laws of the United States or regulations of the Board of Governors of the Federal Reserve System.

(26) Income Tax Return Preparer.

(A) The term "income tax return preparer" means any person who prepares for compensation, or who employs one or more persons to prepare for compensation, any return of tax imposed by this Act or any claim for refund of tax imposed by this Act. The preparation of a substantial portion of a return or claim for refund shall be treated as the preparation of that return or claim for refund.

(B) A person is not an income tax return preparer if all he or she does is

(i) furnish typing, reproducing, or other mechanical assistance;

(ii) prepare returns or claims for refunds for the employer by whom he or she is regularly and continuously employed;

(iii) prepare as a fiduciary returns or claims for refunds for any person; or

(iv) prepare claims for refunds for a taxpayer in response to any notice of deficiency issued to that taxpayer or in response to any waiver of restriction after the commencement of an audit of that taxpayer or of another taxpayer if a determination in the audit of the other taxpayer directly or indirectly affects the tax liability of the taxpayer whose claims he or she is preparing.

(27) Unitary business group. The term "unitary business group" means a group of persons related through common ownership whose business activities are integrated with, dependent upon and contribute to each other. The

group will not include those members whose business activity outside the United States is 80% or more of any such member's total business activity; for purposes of this paragraph and clause (a)(3)(B)(ii) of Section 304, business activity within the United States shall be measured by means of the factors ordinarily applicable under subsections (a), (b), (c), (d), or (h) of Section 304 except that, in the case of members ordinarily required to apportion business income by means of the 3 factor formula of property, payroll and sales specified in subsection (a) of Section 304, including the formula as weighted in subsection (h) of Section 304, such members shall not use the sales factor in the computation and the results of the property and payroll factor computations of subsection (a) of Section 304 shall be divided by 2 (by one if either the property or payroll factor has a denominator of zero). The computation required by the preceding sentence shall, in each case, involve the division of the member's property, payroll, or revenue miles in the United States, insurance premiums on property or risk in the United States, or financial organization business income from sources within the United States, as the case may be, by the respective worldwide figures for such items. Common ownership in the case of corporations is the direct or indirect control or ownership of more than 50% of the outstanding voting stock of the persons carrying on unitary business activity. Unitary business activity can ordinarily be illustrated where the activities of the members are: (1) in the same general line (such as manufacturing, wholesaling, retailing of tangible personal property, insurance, transportation or finance); or (2) are steps in a vertically structured enterprise or process (such as the steps involved in the production of natural resources, which might include exploration, mining, refining, and marketing); and, in either instance, the members are functionally integrated through the exercise of strong

centralized management (where, for example, authority over such matters as purchasing, financing, tax compliance, product line, personnel, marketing and capital investment is not left to each member). In no event, however, will any unitary business group include members which are ordinarily required to apportion business income under different subsections of Section 304 except that for tax years ending on or after December 31, 1987 this prohibition shall not apply to a unitary business group composed of one or more taxpayers all of which apportion business income pursuant to subsection (b) of Section 304, or all of which apportion business income pursuant to subsection (d) of Section 304, and a holding company of such single-factor taxpayers (see definition of "financial organization" for rule regarding holding companies of financial organizations). If a unitary business group would, but for the preceding sentence, include members that are ordinarily required to apportion business income under different subsections of Section 304, then for each subsection of Section 304 for which there are two or more members, there shall be a separate unitary business group composed of such members. For purposes of the preceding two sentences, a member is "ordinarily required to apportion business income" under a particular subsection of Section 304 if it would be required to use the apportionment method prescribed by such subsection except for the fact that it derives business income solely from Illinois. As used in this paragraph, the phrase "United States" means only the 50 states and the District of Columbia, but does not include any territory or possession of the United States or any area over which the United States has asserted jurisdiction or claimed exclusive rights with respect to the exploration for or exploitation of natural resources.

If the unitary business group members' accounting periods differ, the common parent's accounting period or, if there is no common parent, the accounting period of the

member that is expected to have, on a recurring basis, the greatest Illinois income tax liability must be used to determine whether to use the apportionment method provided in subsection (a) or subsection (h) of Section 304. The prohibition against membership in a unitary business group for taxpayers ordinarily required to apportion income under different subsections of Section 304 does not apply to taxpayers required to apportion income under subsection (a) and subsection (h) of Section 304. The provisions of this amendatory Act of 1998 apply to tax years ending on or after December 31, 1998.

(28) Subchapter S corporation. The term "Subchapter S corporation" means a corporation for which there is in effect an election under Section 1362 of the Internal Revenue Code, or for which there is a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982.

(30) Foreign person. The term "foreign person" means any person who is a nonresident alien individual and any nonindividual entity, regardless of where created or organized, whose business activity outside the United States is 80% or more of the entity's total business activity.

(b) Other definitions.

(1) Words denoting number, gender, and so forth, when used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(A) Words importing the singular include and apply to several persons, parties or things;

(B) Words importing the plural include the singular; and

(C) Words importing the masculine gender include the feminine as well.

(2) "Company" or "association" as including successors

and assigns. The word "company" or "association", when used in reference to a corporation, shall be deemed to embrace the words "successors and assigns of such company or association", and in like manner as if these last-named words, or words of similar import, were expressed.

(3) Other terms. Any term used in any Section of this Act with respect to the application of, or in connection with, the provisions of any other Section of this Act shall have the same meaning as in such other Section.

Section 35-1. Short title. This Article may be cited as the Tax Shelter Voluntary Compliance Law, and references in this Article to "this Law" mean this Article.

Section 35-5. Tax Shelter Voluntary Compliance Program.

(a) In general. The Department of Revenue shall establish and administer a tax shelter voluntary compliance program as provided in this Section for eligible taxpayers subject to tax under the Illinois Income Tax Act. The tax shelter voluntary compliance program shall be conducted from October 15, 2004 to January 31, 2005 and shall apply to tax liabilities under Section 201 of the Illinois Income Tax Act attributable to the use of tax avoidance transactions for taxable years beginning before January 1, 2004. The Department shall adopt rules, issue forms and instructions, and take such other actions as it deems necessary to implement the provisions of this Law. Any correspondence mailed by the Department to a taxpayer at the taxpayer's last known address outlining the tax shelter voluntary compliance program constitutes a "contact" within the meaning of Sections 1005(b)(6) and 1005(c) of the Illinois Income Tax Act.

(b) Election. An eligible taxpayer that meets the requirements of subsection (c) of this Section with respect to any taxable year to which this Law applies may elect to participate in the tax shelter voluntary compliance program under either method for any particular tax avoidance transaction period. Such election shall be made separately for each taxable year and in the form and manner prescribed by the Department, and once made shall be irrevocable.

(1) Voluntary compliance without appeal. If an eligible taxpayer elects to participate under this paragraph, then: (i) the Department shall abate and not seek to collect any penalty that may be applicable to the underreporting or underpayment of Illinois income tax attributable to the use of tax avoidance transactions for such taxable year, (ii) except as otherwise provided in this Law, the Department shall not seek civil or criminal prosecution against the taxpayer for such taxable year with respect to tax avoidance transactions, and (iii) the taxpayer may not file a claim for credit or refund with respect to the tax avoidance transaction for such taxable year. Nothing in this subsection shall preclude a taxpayer from filing a claim for credit or refund for the same taxable year in which a tax avoidance transaction was reported if such credit or refund is not attributable to the tax avoidance transaction. No penalty may be waived or abated under this Law if the penalty imposed related to an amount of Illinois income tax assessed prior to October 15, 2004.

(2) Voluntary compliance with appeal. If an eligible taxpayer elects to participate under this paragraph, then: (i) the Department shall abate and not seek to collect the penalties imposed under Sections 1005(b) and 1005(c) of the Illinois Income Tax Act with respect to such taxable year, (ii) except as otherwise provided in this Act, the Department shall not seek civil or criminal prosecution against the taxpayer for such taxable year with respect to tax avoidance transactions, and (iii) the taxpayer may file a claim for credit or refund as provided in the Illinois Income Tax Act with respect to such taxable year. Notwithstanding Section 909(e) of the Illinois Income Tax Act, the taxpayer may not file a written protest until after either of the following: (i) the Department issues a notice of denial, or (ii) the earlier of (1) the date which is 180 days after the date of a final determination by the

Internal Revenue Service with respect to the transactions at issue, or (2) the date that is 3 years after the date the claim for refund was filed or one year after full payment of all tax, including penalty and interest. No penalty may be waived or abated under this Act if the penalty imposed relates to an amount of Illinois income tax assessed prior to October 15, 2004.

(c) Eligible taxpayer. The tax shelter voluntary compliance program applies to any taxpayer who, during the period from October 15, 2004 to January 31, 2005, does both of the following:

(1) Files an amended return for the taxable year for which the taxpayer used a tax avoidance transaction to under report the taxpayer's Illinois income tax liability, reporting the total Illinois net income and tax for such taxable year computed without regard to any tax avoidance transactions;

(2) Makes full payment of the additional Illinois income tax and interest due for such taxable year that is attributable to the use of the tax avoidance transaction (not including a payment made under protest as provided in Section 2a.1 of the State Officers and Employees Money Disposition Act (30 ILCS 230/2a.1));

For purposes of this subsection (c), if the Department subsequently determines that the correct amount of Illinois income tax was not paid for the taxable year, then the penalty relief under this Section shall not apply to any portion of the underpayment attributable to a tax avoidance transaction not paid to the State.

Section 35-10. "Tax avoidance transaction" defined. For purposes of this Law, the term "tax avoidance transaction" means a plan or arrangement devised for the principal purpose of avoiding federal income tax. Tax avoidance transactions include, but are not limited to, "listed transactions" as defined in Treasury Regulations Section 1.6011-4(b)(2).

Section 35-15. Use of evidence of participation in the program. The fact of a taxpayer's participation in the tax shelter voluntary compliance program shall not be considered evidence that the taxpayer in fact engaged in a tax avoidance transaction.

Section 35-90. The Illinois Income Tax Act is amended by changing Sections 501, 905, 1001, 1002, and 1005 and by adding Sections 1007, 1008, 1405.5, and 1405.6 as follows:

(35 ILCS 5/501) (from Ch. 120, par. 5-501)

Sec. 501. Notice or Regulations Requiring Records, Statements and Special Returns.

(a) In general. Every person liable for any tax imposed by this Act shall keep such records, render such statements, make such returns and notices, and comply with such rules and regulations as the Department may from time to time prescribe. Whenever in the judgment of the Director it is necessary, he may require any person, by notice served upon such person or by regulations, to make such returns and notices, render such statements, or keep such records, as the Director deems sufficient to show whether or not such person is liable for tax under this Act.

(b) Reportable transactions. For each taxable year in which a taxpayer is required to make a disclosure statement under Treasury Regulations Section 1.6011-4 (26 CFR 1.6011-4) (including any taxpayer that is a member of a consolidated group required to make such disclosure) with respect to a reportable transaction (including a listed transaction) in which the taxpayer participated in a taxable year for which a return is required under Section 502 of this Act, such taxpayer shall file a copy of such disclosure with the Department. Disclosure under this subsection is required to be made by any taxpayer that is a member of a unitary business group that includes any person required to make a disclosure statement

under Treasury Regulations Section 1.6011-4. Disclosure under this subsection is required with respect to any transaction entered into after February 28, 2000 that becomes a listed transaction at any time, and shall be made in the manner prescribed by the Department. With respect to transactions in which the taxpayer participated for taxable years ending before December 31, 2004, disclosure shall be made by the due date (including extensions) of the first return required under Section 502 of this Act due after the effective date of this amendatory Act of the 93rd General Assembly. With respect to transactions in which the taxpayer participated for taxable years ending on and after December 31, 2004, disclosure shall be made in the time and manner prescribed in Treasury Regulations Section 1.6011-4(e). Notwithstanding the above, no disclosure is required for transactions entered into after February 28, 2000 and before January 1, 2005 (i) if the taxpayer has filed an amended Illinois income tax return which reverses the tax benefits of the potential tax avoidance transaction, or (ii) as a result of a federal audit the Internal Revenue Service has determined the tax treatment of the transaction and an Illinois amended return has been filed to reflect the federal treatment.

(35 ILCS 5/905) (from Ch. 120, par. 9-905)

Sec. 905. Limitations on Notices of Deficiency.

(a) In general. Except as otherwise provided in this Act:

(1) A notice of deficiency shall be issued not later than 3 years after the date the return was filed, and

(2) No deficiency shall be assessed or collected with respect to the year for which the return was filed unless such notice is issued within such period.

(b) Substantial omission of items.

(1) Omission of more than 25% of income. If the taxpayer omits from base income an amount properly includible therein which is in excess of 25% of the amount

of base income stated in the return, a notice of deficiency may be issued not later than 6 years after the return was filed. For purposes of this paragraph, there shall not be taken into account any amount which is omitted in the return if such amount is disclosed in the return, or in a statement attached to the return, in a manner adequate to apprise the Department of the nature and the amount of such item.

(2) Reportable transactions. If a taxpayer fails to include on any return or statement for any taxable year any information with respect to a reportable transaction, as required under Section 501(b) of this Act, a notice of deficiency may be issued not later than 6 years after the return is filed with respect to the taxable year in which the taxpayer participated in the reportable transaction and said deficiency is limited to the non-disclosed item.

(c) No return or fraudulent return. If no return is filed or a false and fraudulent return is filed with intent to evade the tax imposed by this Act, a notice of deficiency may be issued at any time.

(d) Failure to report federal change. If a taxpayer fails to notify the Department in any case where notification is required by Section 304(c) or 506(b), or fails to report a change or correction which is treated in the same manner as if it were a deficiency for federal income tax purposes, a notice of deficiency may be issued (i) at any time or (ii) on or after August 13, 1999, at any time for the taxable year for which the notification is required or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is required; provided, however, that the amount of any proposed assessment set forth in the notice shall be limited to the amount of any deficiency resulting under this Act from the recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is required

after giving effect to the item or items required to be reported.

(e) Report of federal change.

(1) Before August 13, 1999, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, net loss, or Article 2 credits for the taxable year after giving effect to the item or items reflected in the reported alteration.

(2) On and after August 13, 1999, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given for the taxable year for which the notification is given or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is given after giving effect to the item or items reflected in the reported alteration.

(f) Extension by agreement. Where, before the expiration of the time prescribed in this Section for the issuance of a notice of deficiency, both the Department and the taxpayer shall have consented in writing to its issuance after such time, such notice may be issued at any time prior to the expiration of the period agreed upon. In the case of a taxpayer who is a partnership, Subchapter S corporation, or trust and

who enters into an agreement with the Department pursuant to this subsection on or after January 1, 2003, a notice of deficiency may be issued to the partners, shareholders, or beneficiaries of the taxpayer at any time prior to the expiration of the period agreed upon. Any proposed assessment set forth in the notice, however, shall be limited to the amount of any deficiency resulting under this Act from recomputation of items of income, deduction, credits, or other amounts of the taxpayer that are taken into account by the partner, shareholder, or beneficiary in computing its liability under this Act. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(g) Erroneous refunds. In any case in which there has been an erroneous refund of tax payable under this Act, a notice of deficiency may be issued at any time within 2 years from the making of such refund, or within 5 years from the making of such refund if it appears that any part of the refund was induced by fraud or the misrepresentation of a material fact, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of such erroneous refund.

Beginning July 1, 1993, in any case in which there has been a refund of tax payable under this Act attributable to a net loss carryback as provided for in Section 207, and that refund is subsequently determined to be an erroneous refund due to a reduction in the amount of the net loss which was originally carried back, a notice of deficiency for the erroneous refund amount may be issued at any time during the same time period in which a notice of deficiency can be issued on the loss year creating the carryback amount and subsequent erroneous refund. The amount of any proposed assessment set forth in the notice shall be limited to the amount of such erroneous refund.

(h) Time return deemed filed. For purposes of this Section a tax return filed before the last day prescribed by law (including any extension thereof) shall be deemed to have been

filed on such last day.

(i) Request for prompt determination of liability. For purposes of subsection (a)(1), in the case of a tax return required under this Act in respect of a decedent, or by his estate during the period of administration, or by a corporation, the period referred to in such Subsection shall be 18 months after a written request for prompt determination of liability is filed with the Department (at such time and in such form and manner as the Department shall by regulations prescribe) by the executor, administrator, or other fiduciary representing the estate of such decedent, or by such corporation, but not more than 3 years after the date the return was filed. This subsection shall not apply in the case of a corporation unless:

(1) (A) such written request notifies the Department that the corporation contemplates dissolution at or before the expiration of such 18-month period, (B) the dissolution is begun in good faith before the expiration of such 18-month period, and (C) the dissolution is completed;

(2) (A) such written request notifies the Department that a dissolution has in good faith been begun, and (B) the dissolution is completed; or

(3) a dissolution has been completed at the time such written request is made.

(j) Withholding tax. In the case of returns required under Article 7 of this Act (with respect to any amounts withheld as tax or any amounts required to have been withheld as tax) a notice of deficiency shall be issued not later than 3 years after the 15th day of the 4th month following the close of the calendar year in which such withholding was required.

(k) Penalties for failure to make information reports. A notice of deficiency for the penalties provided by Subsection 1405.1(c) of this Act may not be issued more than 3 years after the due date of the reports with respect to which the penalties are asserted.

(l) Penalty for failure to file withholding returns. A

notice of deficiency for penalties provided by Section 1004 of this Act for taxpayer's failure to file withholding returns may not be issued more than three years after the 15th day of the 4th month following the close of the calendar year in which the withholding giving rise to taxpayer's obligation to file those returns occurred.

(m) Transferee liability. A notice of deficiency may be issued to a transferee relative to a liability asserted under Section 1405 during time periods defined as follows:

1) Initial Transferee. In the case of the liability of an initial transferee, up to 2 years after the expiration of the period of limitation for assessment against the transferor, except that if a court proceeding for review of the assessment against the transferor has begun, then up to 2 years after the return of the certified copy of the judgment in the court proceeding.

2) Transferee of Transferee. In the case of the liability of a transferee, up to 2 years after the expiration of the period of limitation for assessment against the preceding transferee, but not more than 3 years after the expiration of the period of limitation for assessment against the initial transferor; except that if, before the expiration of the period of limitation for the assessment of the liability of the transferee, a court proceeding for the collection of the tax or liability in respect thereof has been begun against the initial transferor or the last preceding transferee, as the case may be, then the period of limitation for assessment of the liability of the transferee shall expire 2 years after the return of the certified copy of the judgment in the court proceeding.

(n) Notice of decrease in net loss. On and after the effective date of this amendatory Act of the 92nd General Assembly, no notice of deficiency shall be issued as the result of a decrease determined by the Department in the net loss incurred by a taxpayer under Section 207 of this Act unless the

Department has notified the taxpayer of the proposed decrease within 3 years after the return reporting the loss was filed or within one year after an amended return reporting an increase in the loss was filed, provided that in the case of an amended return, a decrease proposed by the Department more than 3 years after the original return was filed may not exceed the increase claimed by the taxpayer on the original return.

(35 ILCS 5/1001) (from Ch. 120, par. 10-1001)

Sec. 1001. Failure to File Tax Returns.

(a) Failure to file tax return. In case of failure to file any tax return required under this Act on the date prescribed therefor, (determined with regard to any extensions of time for filing) there shall be added as a penalty the amount prescribed by Section 3-3 of the Uniform Penalty and Interest Act.

(b) Failure to disclose reportable transaction. Any taxpayer who fails to comply with the requirements of Section 501(b) of this Act shall pay a penalty in the amount determined under this subsection. Such penalty shall be deemed assessed upon the date of filing of the return for the taxable year in which the taxpayer participates in the reportable transaction. A taxpayer shall not be considered to have complied with the requirements of Section 501(b) of this Act unless the disclosure statement filed with the Department includes all of the information required to be disclosed with respect to a reportable transaction pursuant to Treasury Regulations Section 1.6011-4 (26 CFR 1.6011-4) and regulations promulgated by the Department under Section 501(b) of this Act.

(1) Amount of penalty. Except as provided in paragraph (2), the amount of the penalty under this subsection shall be \$15,000 for each failure to comply with the requirements of Section 501(b).

(2) Increase in penalty for listed transactions. In the case of a failure to comply with the requirements of Section 501(b) with respect to a "listed transaction", the penalty

under this subsection shall be \$30,000 for each failure.

(3) Authority to rescind penalty. The Department may rescind all or any portion of any penalty imposed by this subsection with respect to any violation, if any of the following apply:

(A) It is determined that failure to comply did not jeopardize the best interests of the State and is not due to any willful neglect or any intent not to comply;

(B) The person on whom the penalty is imposed has a history of complying with the requirements of this Act;

(C) It is shown that the violation is due to an unintentional mistake of fact;

(D) Imposing the penalty would be against equity and good conscience;

(E) Rescinding the penalty would promote compliance with the requirements of this Act and effective tax administration; or

(F) The taxpayer can show that there was a reasonable cause for the failure to disclose and that the taxpayer acted in good faith.

A determination made under this subparagraph (3) may be reviewed in any administrative or judicial proceeding.

(4) Coordination with other penalties. The penalty imposed by this subsection is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act. The doubling of penalties and interest authorized by the Illinois Tax Delinquency Amnesty Act (P.A. 93-26) are not applicable to the reportable penalties under subsection (b).

(c) The total penalty imposed under subsection (b) of this Section with respect to any taxable year shall not exceed 10% of the increase in net income (or reduction in Illinois net loss under Section 207 of this Act) that would result had the taxpayer not participated in any reportable transaction affecting its net income for such taxable year.

(Source: P.A. 87-205.)

(35 ILCS 5/1002) (from Ch. 120, par. 10-1002)

Sec. 1002. Failure to Pay Tax.

(a) Negligence. If any part of a deficiency is due to negligence or intentional disregard of rules and regulations (but without intent to defraud) there shall be added to the tax as a penalty the amount prescribed by Section 3-5 of the Uniform Penalty and Interest Act.

(b) Fraud. If any part of a deficiency is due to fraud, there shall be added to the tax as a penalty the amount prescribed by Section 3-6 of the Uniform Penalty and Interest Act.

(c) Nonwillful failure to pay withholding tax. If any employer, without intent to evade or defeat any tax imposed by this Act or the payment thereof, shall fail to make a return and pay a tax withheld by him at the time required by or under the provisions of this Act, such employer shall be liable for such taxes and shall pay the same together with the interest and the penalty provided by Sections 3-2 and 3-3, respectively, of the Uniform Penalty and Interest Act and such interest and penalty shall not be charged to or collected from the employee by the employer.

(d) Willful failure to collect and pay over tax. Any person required to collect, truthfully account for, and pay over the tax imposed by this Act who willfully fails to collect such tax or truthfully account for and pay over such tax or willfully attempts in any manner to evade or defeat the tax or the payment thereof, shall, in addition to other penalties provided by law, be liable for the penalty imposed by Section 3-7 of the Uniform Penalty and Interest Act.

(e) Penalties assessable.

(1) In general. Except as otherwise provided in this Act ~~provided in paragraphs (2), (3) and (4)~~, the penalties provided by this Act shall be paid upon notice and demand and shall be assessed, collected, and paid in the same manner as taxes and any reference in this Act to the tax imposed by this Act shall be deemed also to refer to

penalties provided by this Act.

(2) Procedure for assessing certain penalties. For the purposes of Article 9 any penalty under Section 804(a) or Section 1001 shall be deemed assessed upon the filing of the return for the taxable year.

(3) Procedure for assessing the penalty for failure to file withholding returns or annual transmittal forms for wage and tax statements. The penalty imposed by Section 1004 will be asserted by the Department's issuance of a notice of deficiency. If taxpayer files a timely protest, the procedures of Section 908 will be followed. If taxpayer does not file a timely protest, the notice of deficiency will constitute an assessment pursuant to subsection (c) of Section 904.

(4) Assessment of penalty under Section 1005(b). The penalty imposed under Section 1005(b) shall be deemed assessed upon the assessment of the tax to which such penalty relates and shall be collected and paid on notice and demand in the same manner as the tax.

(f) Determination of deficiency. For purposes of subsections (a) and (b), the amount shown as the tax by the taxpayer upon his return shall be taken into account in determining the amount of the deficiency only if such return was filed on or before the last day prescribed by law for the filing of such return, including any extensions of the time for such filing.

(35 ILCS 5/1005) (from Ch. 120, par. 10-1005)

Sec. 1005. Penalty for Underpayment of Tax.

(a) In general. If any amount of tax required to be shown on a return prescribed by this Act is not paid on or before the date required for filing such return (determined without regard to any extension of time to file), a penalty shall be imposed in the manner and at the rate prescribed by the Uniform Penalty and Interest Act.

(b) Reportable transaction penalty. If a taxpayer has a reportable transaction understatement for any taxable year, there shall be added to the tax an amount equal to 20% of the amount of that understatement. This penalty shall be deemed assessed upon the assessment of the tax to which such penalty relates and shall be collected and paid on notice and demand in the same manner as the tax.

(1) Reportable transaction understatement. For purposes of this Section, the term "reportable transaction understatement" means the sum of subparagraphs (A) and (B):

(A) The product of (i) the amount of the increase (if any) in Illinois net income, as determined by reference to the amount of post-apportioned income that results from a difference between the proper tax treatment of an item to which this subsection applies and the taxpayer's treatment of that item (as shown on the taxpayer's return of tax), including an amended return filed prior to the date the taxpayer is first contacted by the Department regarding the examination of the return, and (ii) the applicable tax rates under Section 201 of this Act.

(B) Special rules in the case of carrybacks and carryovers. The penalty for an understatement of income attributable to a reportable transaction applies to any portion of an understatement for a year to which a loss, deduction, or credit is carried that is attributable to a reportable transaction for that year in which the carryback or carryover of the loss, deduction, or credit arises (the "loss or credit year").

(2) Items to which subsection applies. This subsection shall apply to any item which is attributable to either of the following: (i) any listed transaction as defined in Treasury Regulations Section 1.6011-4, and (ii) any reportable transaction as defined in Treasury Regulations Section 1.6011-4 (other than a listed transaction) if a

significant purpose of the transaction is the avoidance or evasion of federal income tax.

(3) Subsection (b) shall be applied by substituting "30%" for "20%" with respect to the portion of any reportable transaction understatement with respect to which the requirements of (4)(B)(i) of this subsection are not met.

(4) Reasonable cause exception.

(A) In general. No penalty shall be imposed under this subsection with respect to any portion of a reportable transaction understatement if it is shown that there was a reasonable cause for such portion and that the taxpayer acted in good faith with respect to such portion.

(B) Special rules. Subparagraph (A) does not apply to any reportable transaction (including listed transaction) unless all of the following requirements are met:

(i) The relevant facts affecting the tax treatment of the item are adequately disclosed in accordance with Section 501(b) of this Act. A taxpayer failing to adequately disclose in accordance with Section 501(b) shall be treated as meeting the requirements of this subparagraph (i) if the penalty for that failure was rescinded under Section 1001(b)(3) of this Act;

(ii) There is or was substantial authority for such treatment; and

(iii) The taxpayer reasonably believed that such treatment was more likely than not the proper treatment.

(C) Rules relating to reasonable belief. For purposes of subparagraph (B), a taxpayer shall be treated as having a reasonable belief with respect to the tax treatment of an item only if such belief meets the requirements of this subparagraph (C):

(i) Such belief must be based on the facts and law that exist at the time the return of tax that includes that tax treatment is filed;

(ii) Such belief must relate solely to the taxpayer's chances of success on the merits of that treatment and does not take into account the possibility that the return will not be audited, that the treatment will not be raised on audit, or that the treatment will be resolved through settlement if it is raised; and

(iii) Such belief is not solely based on the opinion of a disqualified tax advisor or on a disqualified opinion.

(5) Definitions.

(A) Disqualified tax advisor. The term "disqualified tax advisor" is a tax advisor that meets any of the following conditions:

(I) Is a material advisor who participates in the organization, management, promotion, or sale of the transaction or who is related (within the meaning of Sections 267(b) or 707(b)(1) of the Internal Revenue Code) to any person who so participates;

(II) Is compensated directly or indirectly by a material advisor with respect to the transaction;

(III) Has a fee arrangement with respect to the transaction that is contingent on all or part of the intended tax benefits from the transaction being sustained; or

(IV) As determined under regulations prescribed by either the Secretary of the Treasury for federal income tax purposes or the Department, has a continuing financial interest with respect to the transaction.

(B) Disqualified opinion. The term "disqualified

opinion" means an opinion that meets any of the following conditions:

(I) Is based on unreasonable factual or legal assumptions (including assumptions as to future events);

(II) Unreasonably relies on representations, statements, findings, or agreements of the taxpayer or any other person;

(III) Does not identify and consider all relevant facts; or

(IV) Fails to meet any other requirement as either the Secretary of the Treasury for federal income tax purposes or the Department may prescribe.

(C) Material Advisor. The term "material advisor" shall have substantially the same meaning as the same term is defined under Treasury Regulations Section 301.6112-1, (26 CFR 301.6112-1) and shall include any person that is a material advisor for federal income tax purposes under such regulation.

(6) Effective date. This subsection shall apply to taxable years ending on and after December 31, 2004, except that a reportable transaction understatement shall include an understatement (as determined under paragraph (1)) with respect to any taxable year for which the limitations period on assessment has not expired as of January 1, 2005 that is attributable to a transaction which the taxpayer has entered into after February 28, 2000 and before December 31, 2004 that becomes a listed transaction (as defined in Treasury Regulations Section 1.6011-4(b)(2) at any time.

(c) 100% interest penalty. If a taxpayer has been contacted by the Internal Revenue Service or the Department regarding the use of a potential tax avoidance transaction with respect to a taxable year and has a deficiency with respect to such taxable year or years, there shall be added to the tax attributable to

the potential tax avoidance transaction (determined as described in subsection (b)(1) of Section 1005) an amount equal to 100% of the interest assessed under the Uniform Penalty and Interest Act (determined without regard to subsection (f) of Section 3-2 of such Act) for the period beginning on the last date prescribed by law for the payment of such tax and ending on the date of the notice of deficiency. Such penalty shall be deemed assessed upon the assessment of the interest to which such penalty relates and shall be collected and paid in the same manner as such interest. The penalty imposed by this subsection is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act. For purposes of this subsection and subsection (d) of this Section, the term "potential tax avoidance transaction" means any tax shelter as defined in Section 6111 of the Internal Revenue Code. This subsection shall apply to taxable years ending on and after December 31, 2004, except that the penalty may also be imposed with respect to any taxable year for which the limitations period on assessment has not expired as of January 1, 2005 that is attributable to a transaction in which the taxpayer has entered into after February 28, 2000 and before December 31, 2004, which transaction becomes a listed transaction (as defined in Treasury Regulations Section 1.6011-4(b)(2)) at any time.

(d) 150% interest rate. For taxable years ending on and after July 1, 2002, for any notice of deficiency issued before the taxpayer is contacted by the Internal Revenue Service or the Department regarding a potential tax avoidance transaction, the taxpayer is subject to interest as provided under Section 3-2 of the Uniform Penalty and Interest Act, but with respect to any deficiency attributable to a potential tax avoidance transaction, the taxpayer is subject to interest at a rate of 150% of the otherwise applicable rate.

(e) Coordination with other penalties. Except as provided in regulations, the penalties imposed by this Section are in addition to any other penalty imposed by this Act or the

Uniform Penalty and Interest Act. The doubling of penalties and interest authorized by the Illinois Tax Delinquency Amnesty Act (P.A. 93-26), are not applicable to the reportable transaction penalties and interest under subsections (b), (c), and (d).

~~The provisions of this Section shall apply to all taxable years ending on or after January 1, 1986.~~

(c) Authority to rescind penalty. The Director of the Board of Appeals may rescind all or any portion of any penalty imposed by this Section with respect to any violation, if any of the following apply:

(1) It is determined that failure to comply did not jeopardize the best interests of the State and is not due to any willful neglect or any intent not to comply;

(2) The person on whom the penalty is imposed has a history of complying with the requirements of this Act;

(3) It is shown that the violation is due to an unintentional mistake of fact;

(4) Imposing the penalty would be against equity and good conscience;

(5) Rescinding the penalty would promote compliance with the requirements of this Act and effective tax administration; or

(6) The taxpayer can show that there was reasonable cause for the failure to disclose and that the taxpayer acted in good faith.

(d) Coordination with other penalties. The penalty imposed by this Section is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act.

ARTICLE 40

Section 40-5. The Illinois Income Tax Act is amended by changing Section 201 as follows:

(35 ILCS 5/201) (from Ch. 120, par. 2-201)

Sec. 201. Tax Imposed.

(a) In general. A tax measured by net income is hereby imposed on every individual, corporation, trust and estate for each taxable year ending after July 31, 1969 on the privilege of earning or receiving income in or as a resident of this State. Such tax shall be in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(b) Rates. The tax imposed by subsection (a) of this Section shall be determined as follows, except as adjusted by subsection (d-1):

(1) In the case of an individual, trust or estate, for taxable years ending prior to July 1, 1989, an amount equal to 2 1/2% of the taxpayer's net income for the taxable year.

(2) In the case of an individual, trust or estate, for taxable years beginning prior to July 1, 1989 and ending after June 30, 1989, an amount equal to the sum of (i) 2 1/2% of the taxpayer's net income for the period prior to July 1, 1989, as calculated under Section 202.3, and (ii) 3% of the taxpayer's net income for the period after June 30, 1989, as calculated under Section 202.3.

(3) In the case of an individual, trust or estate, for taxable years beginning after June 30, 1989, an amount equal to 3% of the taxpayer's net income for the taxable year.

(4) (Blank).

(5) (Blank).

(6) In the case of a corporation, for taxable years ending prior to July 1, 1989, an amount equal to 4% of the taxpayer's net income for the taxable year.

(7) In the case of a corporation, for taxable years beginning prior to July 1, 1989 and ending after June 30, 1989, an amount equal to the sum of (i) 4% of the taxpayer's net income for the period prior to July 1, 1989,

as calculated under Section 202.3, and (ii) 4.8% of the taxpayer's net income for the period after June 30, 1989, as calculated under Section 202.3.

(8) In the case of a corporation, for taxable years beginning after June 30, 1989, an amount equal to 4.8% of the taxpayer's net income for the taxable year.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed

are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code, equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b)

and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall

not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property

which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property or services rendered in conjunction with the sale of tangible consumer goods or commodities.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal

income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2003, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2003.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those

credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal

Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal

income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(g) Jobs Tax Credit; Enterprise Zone and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Economic Opportunity ~~Community Affairs~~ conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of \$500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(B) the taxpayer's total employment within the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Economic Opportunity ~~Community Affairs~~ as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(C) Employed in the enterprise zone or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity ~~Community Affairs~~ designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois

Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a) (3) (A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h) (1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c) (2) (A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this

subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax

shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit.

For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year

~~ending on or after December 31, 2003. ; provided that no credit may be carried forward to any year ending on or after December 31, 2003.~~

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(1) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a

release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of \$100,000 per site, except that the \$100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed \$40,000 per year with a maximum total of \$150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the

maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed \$500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are

residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of \$250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

Sec. 12.5. NPDES discharge fees; sludge permit fees.

(a) Beginning July 1, 2003, the Agency shall assess and collect annual fees (i) in the amounts set forth in subsection (e) for all discharges that require an NPDES permit under subsection (f) of Section 12, from each person holding an NPDES permit authorizing those discharges (including a person who

continues to discharge under an expired permit pending renewal), and (ii) in the amounts set forth in subsection (f) of this Section for all activities that require a permit under subsection (b) of Section 12, from each person holding a domestic sewage sludge generator or user permit.

(d) Failure to submit the fee required under this Section by the due date constitutes a violation of this Section. (iii) \$20,000 for systems serving a tributary population that is greater than 25,000.

The fee amounts in this subdivision (e)(2) are in addition to the fees stated in subdivision (e)(1) when the combined sewer overflow outfall is contained within a permit subject to subsection (e)(1) fees.
