

AN ACT in relation to economic development.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 1. Short title. This Act may be cited as the Central Illinois Economic Development Authority Act.

Section 5. Findings. The General Assembly determines and declares the following:

(1) that labor surplus areas currently exist in central Illinois;

(2) that the economic burdens resulting from involuntary unemployment fall, in part, upon the State in the form of increased need for public assistance and reduced tax revenues and, in the event that the unemployed worker and his or her family migrate elsewhere to find work, the burden may also fall upon the municipalities and other taxing districts within the areas of unemployment in the form of reduced tax revenues, thereby endangering their financial ability to support necessary governmental services for their remaining inhabitants;

(3) that the State has a responsibility to help create a favorable climate for new and improved job opportunities for its citizens by encouraging the development of commercial and service businesses and industrial and manufacturing plants within central Illinois;

(4) that a lack of decent housing contributes to urban blight, crime, anti-social behavior, disease, a higher need for public assistance, reduced tax revenues, and the migration of workers and their families away from areas which fail to offer adequate, decent, and affordable housing, leading to the disconnection of younger generations from their elderly relations;

(5) that decent, affordable housing is a necessary

ingredient of life affording each citizen basic human dignity, a sense of self-worth, confidence, and a firm foundation upon which to build a family, educate children, and live out their elderly years in dignity;

(6) that in order to foster civic and neighborhood pride, citizens require access to educational institutions, recreation, parks and open spaces, entertainment, sports, a reliable transportation network, cultural facilities, and theaters; and

(7) that the main purpose of this Act is to promote industrial, commercial, residential, service, transportation, and recreational activities and facilities, thereby reducing the evils attendant upon unemployment and enhancing the public health, safety, morals, happiness, and general welfare of the State.

(10) to acquire, own, construct, lease, operate, and maintain bridges, terminals, terminal facilities, and port facilities and to fix and collect just, reasonable, and nondiscriminatory charges for the use of such facilities. Section 35. Bonds.

(a) The Authority, with the written approval of the Governor, shall have the continuing power to issue bonds, notes, or other evidences of indebtedness in an aggregate amount not to exceed \$250,000,000 for the following purposes: (i) development, construction, acquisition, or improvement of projects, including those established by business entities locating or expanding property within the territorial jurisdiction of the Authority; (ii) entering into venture capital agreements with businesses locating or expanding within the territorial jurisdiction of the Authority; and (iii) acquisition and improvement of any property necessary and useful in connection therewith. For the purpose of evidencing the obligations of the Authority to repay any money borrowed, the Authority may, pursuant to resolution, from time to time, issue and dispose of its interest-bearing revenue bonds, notes, or other evidences of indebtedness and may also from time to time issue and dispose of such bonds, notes, or other evidences of indebtedness to refund, at maturity, at a redemption date or in advance of either, any bonds, notes, or other evidences of indebtedness pursuant to redemption provisions or at any time before maturity. All such bonds, notes, or other evidences of indebtedness shall be payable solely and only from the revenues or income to be derived from loans made with respect to projects, from the leasing or sale of the projects, or from any other funds available to the Authority for such purposes. The bonds, notes, or other evidences of indebtedness may bear such date or dates, may mature at such time or times not exceeding 40 years from their respective dates, may bear interest at such

rate or rates not exceeding the maximum rate permitted by the Bond Authorization Act, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium, as is stated on the face thereof, may be authenticated in such manner and may contain such terms and covenants as may be provided by an applicable resolution.

(b) The holder or holders of any bonds, notes, or other evidences of indebtedness issued by the Authority may bring suits at law or proceedings in equity to compel the performance and observance by any corporation or person or by the Authority or any of its agents or employees of any contract or covenant made with the holders of the bonds, notes, or other evidences of indebtedness, to compel such corporation, person, the Authority, and any of its agents or employees to perform any duties required to be performed for the benefit of the holders of the bonds, notes, or other evidences of indebtedness by the provision of the resolution authorizing their issuance and to enjoin the corporation, person, the Authority, and any of its agents or employees from taking any action in conflict with any contract or covenant.

(c) If the Authority fails to pay the principal of or interest on any of the bonds or premium, if any, as the bond becomes due, a civil action to compel payment may be instituted in the appropriate circuit court by the holder or holders of the bonds on which the default of payment exists or by an indenture trustee acting on behalf of the holders. Delivery of a summons and a copy of the complaint to the chairman of the Board shall constitute sufficient service to give the circuit court jurisdiction over the subject matter of the suit and jurisdiction over the Authority and its officers named as defendants for the purpose of compelling such payment. Any case, controversy, or cause of action concerning the validity of this Act relates to the revenue of the State of Illinois.

(d) Notwithstanding the form and tenor of any bond, note,

or other evidence of indebtedness and in the absence of any express recital on its face that it is non-negotiable, all such bonds, notes, and other evidences of indebtedness shall be negotiable instruments. Pending the preparation and execution of any bonds, notes, or other evidences of indebtedness, temporary bonds, notes, or evidences of indebtedness may be issued as provided by ordinance.

(e) To secure the payment of any or all of such bonds, notes, or other evidences of indebtedness, the revenues to be received by the Authority from a lease agreement or loan agreement shall be pledged, and, for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance of the bonds, notes, or other evidences of indebtedness and the issuance of any additional bonds, notes or other evidences of indebtedness payable from such revenues, income, or other funds to be derived from projects, the Authority may execute and deliver a mortgage or trust agreement. A remedy for any breach or default of the terms of any mortgage or trust agreement by the Authority may be by mandamus proceeding in the appropriate circuit court to compel performance and compliance under the terms of the mortgage or trust agreement, but the trust agreement may prescribe by whom or on whose behalf the action may be instituted.

(f) Bonds or notes shall be secured as provided in the authorizing ordinance which may include, notwithstanding any other provision of this Act, in addition to any other security, a specific pledge, assignment of and lien on, or security interest in any or all revenues or money of the Authority, from whatever source, which may, by law, be used for debt service purposes and a specific pledge, or assignment of and lien on, or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of the bonds or notes.

(g) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant

to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with the holders of bonds or notes or in any way impair the rights and remedies of those holders until the bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of the holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued pursuant to this Section.

(h) Not less than 30 days prior to the commitment to issue bonds, notes, or other evidences of indebtedness for the purpose of developing, constructing, acquiring, or improving housing or residential projects, as defined in this Act, the Authority shall provide notice to the Executive Director of the Illinois Housing Development Authority. Within 30 days after the notice is provided, the Illinois Housing Development Authority shall, in writing, either express interest in financing the project or notify the Authority that it is not interested in providing financing and that the Authority may finance the project or seek alternative financing.

Section 40. Bonds and notes; exemption from taxation. The creation of the Authority is in all respects for the benefit of the people of Illinois and for the improvement of their health, safety, welfare, comfort, and security, and its purposes are public purposes. In consideration thereof, the notes and bonds of the Authority issued pursuant to this Act and the income from these notes and bonds may be free from all taxation by the

State or its political subdivisions, except for estate, transfer, and inheritance taxes. The exemption from taxation provided by the preceding sentence shall apply to the income on any notes or bonds of the Authority only if the Authority in its sole judgment determines that the exemption enhances the marketability of the bonds or notes or reduces the interest rates that would otherwise be borne by the bonds or notes. For purposes of Section 250 of the Illinois Income Tax Act, the exemption of the Authority shall terminate after all of the bonds have been paid. The amount of such income that shall be added and then subtracted on the Illinois income tax return of a taxpayer, subject to Section 203 of the Illinois Income Tax Act, from federal adjusted gross income or federal taxable income in computing Illinois base income shall be the interest net of any bond premium amortization.

Section 45. Acquisition.

(a) The Authority may, but need not, acquire title to any project with respect to which it exercises its authority.

(b) The Authority shall have power to acquire by purchase, lease, gift, or otherwise any property or rights therein from any person or persons, the State of Illinois, any municipal corporation, any local unit of government, the government of the United States and any agency or instrumentality of the United States, any body politic, or any county useful for its purposes, whether improved for the purposes of any prospective project or unimproved. The Authority may also accept any donation of funds for its purposes from any of these sources.

(c) The Authority shall have power to develop, construct, and improve, either under its own direction or through collaboration with any approved applicant, or to acquire, through purchase or otherwise, any project, using for this purpose the proceeds derived from its sale of revenue bonds, notes, or other evidences of indebtedness or governmental loans or grants and shall have the power to hold title to those projects in the name of the Authority.

(d) The Authority shall have the power to enter into intergovernmental agreements with the State of Illinois, the counties of Macon, Sangamon, Menard, Logan, Christian, DeWitt, Macoupin, Montgomery, Calhoun, Greene, and Jersey, the Illinois Finance Authority, the Illinois Housing Development Authority, the United States government and any agency or instrumentality of the United States, any unit of local government located within the territory of the Authority, or any other unit of government to the extent allowed by Article VII, Section 10 of the Illinois Constitution and the Intergovernmental Cooperation Act.

(e) The Authority shall have the power to share employees with other units of government, including agencies of the United States, agencies of the State of Illinois, and agencies or personnel of any unit of local government.

(f) The Authority shall have the power to exercise powers and issue bonds as if it were a municipality so authorized in Divisions 12.1, 74, 74.1, 74.3, and 74.5 of Article 11 of the Illinois Municipal Code.

Section 55. Designation of depository. The Authority shall biennially designate a national or State bank or banks as depositories of its money. Such depositories shall be designated only within the State and upon condition that bonds approved as to form and surety by the Authority and at least equal in amount to the maximum sum expected to be on deposit at any one time shall be first given by such depositories to the Authority, such bonds to be conditioned for the safe keeping and prompt repayment of such deposits. When any of the funds of the Authority shall be deposited by the treasurer in any such depository, the treasurer and the sureties on his or her official bond shall, to such extent, be exempt from liability for the loss of any such deposited funds by reason of the failure, bankruptcy, or any other act or default of such depository; provided that the Authority may accept assignments of collateral by any depository of its funds to secure such

deposits to the same extent and conditioned in the same manner as assignments of collateral are permitted by law to secure deposits of the funds of any city.

Section 60. Taxation prohibited. The Authority shall have no right or authority to levy any tax or special assessment, to pledge the credit of the State or any other subdivision or municipal corporation thereof, or to incur any obligation enforceable upon any property, either within or without the territory of the Authority.

Section 65. Fees. The Authority may collect fees and charges in connection with its loans, commitments, and servicing and may provide technical assistance in the development of the region.

Section 70. Reports. The Authority shall annually submit a report of its finances to the Auditor General. The Authority shall annually submit a report of its activities to the Governor and to the General Assembly.
