

AN ACT concerning property.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Home Equity Assurance Act is amended by changing Section 11 as follows:

(65 ILCS 95/11) (from Ch. 24, par. 1611)

Sec. 11. Guarantee Fund.

(a) Each governing commission and program created by referendum under the provisions of this Act shall maintain a guarantee fund for the purposes of paying the costs of administering the program and extending protection to members pursuant to the limitations and procedures set forth in this Act.

(b) The guarantee fund shall be raised by means of an annual tax levied on all residential property within the territory of the program having at least one, but not more than 6 dwelling units and classified by county ordinance as residential. The rate of this tax may be changed from year to year by majority vote of the governing commission but in no case shall it exceed a rate of .12% of the equalized assessed valuation of all property in the territory of the program having at least one, but not more than 6 dwelling units and classified by county ordinance as residential, or the maximum

tax rate approved by the voters of the territory at the referendum which created the program or, in the case of a merged program, the maximum tax rate approved by the voters at the referendum authorizing the merger, whichever rate is lower. The commissioners shall cause the amount to be raised by taxation in each year to be certified to the county clerk in the manner provided by law, and any tax so levied and certified shall be collected and enforced in the same manner and by the same officers as those taxes for the purposes of the county and city within which the territory of the commission is located. Any such tax, when collected, shall be paid over to the proper officer of the commission who is authorized to receive and receipt for such tax. The governing commission may issue tax anticipation warrants against the taxes to be assessed for the calendar year in which the program is created and for the first full calendar year after the creation of the program.

(c) The moneys deposited in the guarantee fund shall, as nearly as practicable, be fully and continuously invested or reinvested by the governing commission in investment obligations which shall be in such amounts, and shall mature at such times, that the maturity or date of redemption at the option of the holder of such investment obligations shall coincide, as nearly as practicable, with the times at which monies will be required for the purposes of the program. For the purposes of this Section investment obligation shall mean direct general municipal, state, or federal obligations which

at the time are legal investments under the laws of this State and the payment of principal of and interest on which are unconditionally guaranteed by the governing body issuing them.

(d) Except as permitted by this subsection and subsection (d-5), the guarantee fund shall be used solely and exclusively for the purpose of providing guarantees to members of the particular Guaranteed Home Equity Program and for reasonable salaries, expenses, bills, and fees incurred in administering the program, and shall be used for no other purpose.

A governing commission, with no less than \$4,000,000 in its guarantee fund, may, if authorized by referendum duly adopted by a majority of the voters, establish a Low Interest Home Improvement Loan Program in accordance with and subject to procedures established by a financial institution, as defined in the Illinois Banking Act. Whenever the question of creating a Low Interest Home Improvement Loan Program is initiated by resolution or ordinance of the corporate authorities of the municipality or by a petition signed by not less than 10% of the total number of registered voters of each precinct in the territory, the registered voters of which are eligible to sign the petition, it shall be the duty of the election authority having jurisdiction over the municipality to submit the question of creating the program to the electors of each precinct within the territory at the regular election specified in the resolution, ordinance, or petition initiating the question. A petition initiating a question described in this

subsection shall be filed with the election authority having jurisdiction over the municipality. The petition shall be filed and objections to the petition shall be made in the manner provided in the Election Code. A resolution, ordinance, or petition initiating a question described in this subsection shall specify the election at which the question is to be submitted. The referendum on the question shall be held in accordance with the Election Code. The question shall be in substantially the following form:

"Shall the (name of the home equity program) implement a Low Interest Home Improvement Loan Program with money from the guarantee fund of the established guaranteed home equity program?"

The votes must be recorded as "Yes" or "No".

Whenever a majority of the voters on the public question approve the creation of the program as certified by the proper election authorities, the commission shall establish the program and administer the program with funds collected under the Guaranteed Home Equity Program, subject to the following conditions:

- (1) At any given time, the cumulative total of all loans and loan guarantees (if applicable) issued under this program may not reduce the balance of the guarantee fund to less than \$3,000,000.
- (2) Only eligible applicants may apply for a loan.
- (3) The loan must be used for the repair, maintenance,

remodeling, alteration, or improvement of a guaranteed residence. This condition is not intended to exclude the repair, maintenance, remodeling, alteration, or improvement of a guaranteed residence's landscape. This condition is intended to exclude the demolition of a current residence. This condition is also intended to exclude the construction of a new residence.

(4) An eligible applicant may not borrow more than the amount of equity value in his or her residence.

(5) A commission must ensure that loans issued are secured with collateral that is at least equal to the amount of the loan or loan guarantee.

(6) A commission shall charge an interest rate which it determines to be below the market rate of interest generally available to the applicant.

(7) A commission may, by resolution, establish other administrative rules and procedures as are necessary to implement this program including, but not limited to, loan dollar amounts and terms. A commission may also impose on loan applicants a one-time application fee for the purpose of defraying the costs of administering the program.

(d-5) A governing commission, with no less than \$4,000,000 in its guarantee fund, may, if authorized by referendum duly adopted by a majority of the voters, establish a Foreclosure Prevention Loan Fund to provide low interest emergency loans to eligible applicants that may be forced into foreclosure

proceedings.

Whenever the question of creating a Foreclosure Prevention Loan Fund is initiated by resolution or ordinance of the corporate authorities of the municipality or by a petition signed by not less than 10% of the total number of registered voters of each precinct in the territory, the registered voters of which are eligible to sign the petition, it shall be the duty of the election authority having jurisdiction over the municipality to submit the question of creating the program to the electors of each precinct within the territory at the regular election specified in the resolution, ordinance, or petition initiating the question. A petition initiating a question described in this subsection shall be filed with the election authority having jurisdiction over the municipality. The petition shall be filed and objections to the petition shall be made in the manner provided in the Election Code. A resolution, ordinance, or petition initiating a question described in this subsection shall specify the election at which the question is to be submitted. The referendum on the question shall be held in accordance with the Election Code. The question shall be in substantially the following form:

"Shall the (name of the home equity program) implement a Foreclosure Prevention Loan Fund with money from the guarantee fund of the established guaranteed home equity program?"

The votes must be recorded as "Yes" or "No".

Whenever a majority of the voters on the public question

approve the creation of a Foreclosure Prevention Loan Fund as certified by the proper election authorities, the commission shall establish the program and administer the program with funds collected under the Guaranteed Home Equity Program, subject to the following conditions:

(1) At any given time, the cumulative total of all loans and loan guarantees (if applicable) issued under this program may not exceed \$3,000,000.

(2) Only eligible applicants may apply for a loan. The Commission may establish, by resolution, additional criteria for eligibility.

(3) The loan must be used to assist with preventing foreclosure proceedings.

(4) An eligible applicant may not borrow more than the amount of equity value in his or her residence.

(5) A commission must ensure that loans issued are secured as a second lien on the property.

(6) A commission shall charge an interest rate which it determines to be below the market rate of interest generally available to the applicant.

(7) A commission may, by resolution, establish other administrative rules and procedures as are necessary to implement this program including, but not limited to, eligibility requirements for eligible applicants, loan dollar amounts, and loan terms.

(8) A commission may also impose on loan applicants a

one-time application fee for the purpose of defraying the costs of administering the program.

(e) The guarantee fund shall be maintained, invested, and expended exclusively by the governing commission of the program for whose purposes it was created. Under no circumstance shall the guarantee fund be used by any person or persons, governmental body, or public or private agency or concern other than the governing commission of the program for whose purposes it was created. Under no circumstances shall the guarantee fund be commingled with other funds or investments.

(e-1) No commissioner or family member of a commissioner, or employee or family member of an employee, may receive any financial benefit, either directly or indirectly, from the guarantee fund. Nothing in this subsection (e-1) shall be construed to prohibit payment of expenses to a commissioner in accordance with Section 4 or payment of salaries or expenses to an employee in accordance with this Section.

As used in this subsection (e-1), "family member" means a spouse, child, stepchild, parent, brother, or sister of a commissioner or a child, stepchild, parent, brother, or sister of a commissioner's spouse.

(f) An independent audit of the guarantee fund and the management of the program shall be conducted annually and made available to the public through any office of the governing commission or a public facility such as a local public library located within the territory of the program.

(205 ILCS 635/4-10) (from Ch. 17, par. 2324-10)

Sec. 4-10. Rules and Regulations of the Commissioner.

(a) In addition to such powers as may be prescribed by this Act, the Commissioner is hereby authorized and empowered to promulgate regulations consistent with the purposes of this Act, including but not limited to:

(1) Such rules and regulations in connection with the activities of licensees as may be necessary and appropriate for the protection of consumers in this State;

(2) Such rules and regulations as may be necessary and appropriate to define improper or fraudulent business practices in connection with the activities of licensees in making mortgage loans;

(3) Such rules and regulations as may define the terms used in this Act and as may be necessary and appropriate to interpret and implement the provisions of this Act; and

(4) Such rules and regulations as may be necessary for the enforcement of this Act.

(b) The Commissioner is hereby authorized and empowered to

make such specific rulings, demands and findings as he or she may deem necessary for the proper conduct of the mortgage lending industry.

(c) A person or entity may make a written application to the Department for a written interpretation of this Act. The Department may then, in its sole discretion, choose to issue a written interpretation. To be valid, a written interpretation must be signed by the Secretary, or his or her designated Director of Financial and Professional Regulation, and the Department's General Counsel. A written interpretation expires 2 years after the date that it was issued.

(d) No provision in this Act that imposes liability or establishes violations shall apply to any act taken by a person or entity in conformity with a written interpretation of this Act that is in effect at the time the act is taken, notwithstanding whether the written interpretation is later amended, rescinded, or determined by judicial or other authority to be invalid for any reason.

(205 ILCS 635/4-15 new)

Sec. 4-15. Enforcement and reporting provisions. The Attorney General may enforce any violation of Section 5-6, 5-7, 5-8, 5-9, 5-10, 5-11, 5-12, 5-14, or 5-15 of this Act as an unlawful practice under the Consumer Fraud and Deceptive Business Practices Act.

(205 ILCS 635/4-16 new)

Sec. 4-16. Private right of action. A borrower injured by a violation of the standards, duties, prohibitions, or requirements of Sections 5-6, 5-7, 5-8, 5-9, 5-10, 5-11, 5-12, 5-14, 5-15, and 5-16 of this Act shall have a private right of action.

(a) A licensee is not liable for a violation of this Act if:

(1) within 30 days of the loan closing and prior to receiving any notice from the borrower of the violation, the licensee has made appropriate restitution to the borrower and appropriate adjustments are made to the loan; or

(2) the violation was not intentional and resulted from a bona fide error in fact, notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, and within 60 days of the discovery of the violation and prior to receiving any notice from the borrower of the violation, the borrower is notified of the violation, appropriate restitution is made to the borrower, and appropriate adjustments are made to the loan.

(b) The remedies and rights provided for in this Act are not exclusive, but cumulative, and all other applicable claims are specifically preserved.

(205 ILCS 635/5-6 new)

Sec. 5-6. Verification of borrower's ability to repay.

(a) No licensee may make, provide, or arrange for a residential mortgage loan without verifying the borrower's reasonable ability to pay the principal and interest on the loan, real estate taxes, homeowner's insurance, assessments, and mortgage insurance premiums, if applicable.

For residential mortgage loans in which the interest rate may vary, the reasonable ability to pay the principal and interest on the loan shall be determined based on a fully indexed rate, which rate shall be calculated by using the index rate prevailing at the time of origination of the loan plus the margin that will apply when calculating the adjustable rate under the terms of the loan, assuming a fully amortizing repayment schedule based on the term of the loan.

For loans that allow for negative amortization, the principal amount of the loan shall be calculated by including the maximum amount the principal balance may increase due to negative amortization under the terms of the loan.

(b) For all residential mortgage loans made by a licensee, the borrower's income and financial resources must be verified by tax returns, payroll receipts, bank records, or other reasonably reliable methods, based upon the circumstances of the proposed loan. Nothing in this Section shall be construed to limit a licensee's ability to rely on criteria other than the borrower's income and financial resources to establish the

borrower's reasonable ability to repay a residential mortgage loan; however, such other criteria must be verified through reasonably reliable methods and documentation. A statement by the borrower to the licensee of the borrower's income and resources is not sufficient to establish the existence of the income or resources when verifying the reasonable ability to pay. Stated income should be accepted only if there are mitigating factors that clearly minimize the need for direct verification of ability to repay.

(205 ILCS 635/5-7 new)

Sec. 5-7. Broker agency relationship.

(a) A mortgage broker shall be considered to have created an agency relationship with the borrower in all cases and shall comply with the following duties:

(1) A mortgage broker shall act in the borrower's best interest and in good faith toward the borrower. A mortgage broker shall not accept, give, or charge any undisclosed compensation or realize any undisclosed remuneration, either through direct or indirect means, that inures to the benefit of the mortgage broker on an expenditure made for the borrower;

(2) mortgage brokers shall carry out all lawful instructions given by borrowers;

(3) mortgage brokers shall disclose to borrowers all material facts of which the mortgage broker has knowledge

which might reasonably affect the borrower's rights, interests, or ability to receive the borrower's intended benefit from the residential mortgage loan, but not facts which are reasonably susceptible to the knowledge of the borrower;

(4) mortgage brokers shall use reasonable care in performing duties; and

(5) mortgage brokers shall account to a borrower for all the borrower's money and property received as agent.

(b) Nothing in this Section prohibits a mortgage broker from contracting for or collecting a fee for services rendered and which had been disclosed to the borrower in advance of the provision of those services.

(c) Nothing in this Section requires a mortgage broker to obtain a loan containing terms or conditions not available to the mortgage broker in the mortgage broker's usual course of business, or to obtain a loan for the borrower from a mortgage lender with whom the mortgage broker does not have a business relationship.

(205 ILCS 635/5-8 new)

Sec. 5-8. Prepayment penalties.

(a) No licensee may make, provide, or arrange a mortgage loan with a prepayment penalty unless the licensee offers the borrower a loan without a prepayment penalty, the offer is in writing, and the borrower initials the offer to indicate that

the borrower has declined the offer. In addition, the licensee must disclose the discount in rate received in consideration for a mortgage loan with the prepayment penalty.

(b) If a borrower declines an offer required under subsection (a) of this Section, the licensee may include a prepayment penalty that extends no longer than three years or the first change date or rate adjustment of a variable rate mortgage, whichever comes earlier, provided that, if a prepayment is made during the fixed rate period, the licensee shall receive an amount that is no more than:

(1) 3% of the total loan amount if the prepayment is made within the first 12-month period following the date the loan was made;

(2) 2% of the total loan amount if the prepayment is made within the second 12-month period following the date the loan was made; or

(3) 1% of the total loan amount if the prepayment is made within the third 12-month period following the date the loan was made, if the fixed rate period extends 3 years.

(c) Notwithstanding any provision in this Section, prepayment penalties are prohibited in connection with the sale or destruction of a dwelling secured by a residential mortgage loan.

(d) This Section applies to loans made, refinanced, renewed, extended, or modified on or after the effective date

of this amendatory Act of the 95th General Assembly.

(205 ILCS 635/5-9 new)

Sec. 5-9. Notice of change in loan terms.

(a) No licensee may fail to do either of the following:

(1) Provide timely notice to the borrower of any material change in the terms of the residential mortgage loan prior to the closing of the loan. For purposes of this Section, a "material change means" any of the following:

(A) A change in the type of loan being offered, such as a fixed or variable rate loan or a loan with a balloon payment.

(B) A change in the term of the loan, as reflected in the number of monthly payments due before a final payment is scheduled to be made.

(C) An increase in the interest rate of more than 0.15%, or an equivalent increase in the amount of discount points charged.

(D) An increase in the regular monthly payment of principal and interest of more than 5%.

(E) A change regarding the requirement or amount of escrow of taxes or insurance.

(F) A change regarding the requirement or payment, or both, of private mortgage insurance.

(2) Timely inform the borrower if any fees payable by the borrower to the licensee increase by more than 10% or

\$100, whichever is greater.

(b) The disclosures required by this Section shall be deemed timely if the licensee provides the borrower with the revised information not later than 3 days after learning of the change or 24 hours before the residential mortgage loan is closed, whichever is earlier. If the licensee discloses a material change more than the 3 days after learning of the change but still 24 hours before the residential mortgage loan is closed, it will not be liable for penalties or forfeitures if the licensee cures in time for the borrower to avoid any damage.

(c) If an increase in the total amount of the fee to be paid by the borrower to the broker is not disclosed in accordance with this Section, the broker shall refund to the borrower the amount by which the fee was increased. If the fee is financed into the residential mortgage loan, the broker shall also refund to the borrower the interest charged to finance the fee.

(d) Licensees limited to soliciting residential mortgage loan applications as approved by the Director under Title 38, Section 1050.2115(c)(1) of the Illinois Administrative Code are not required to provide the disclosures under this Section as long as the solicitor does not discuss the terms and conditions with the potential borrower.

Sec. 5-10. Comparable monthly payment quotes. When comparing different loans, the licensee must not state or imply that monthly loan payments, if they include amounts escrowed for payment of property taxes and homeowner's insurance, are comparable with monthly loan payments that do not include these amounts.

(205 ILCS 635/5-11 new)

Sec. 5-11. Requirement to provide borrower with a copy of all appraisals. Licensees must provide to the borrower a complete copy of any appraisal, including any appraisal generated using the Automated Valuation Model, obtained by the lender for use in underwriting the residential mortgage loan within 3 business days of receipt by the licensee, but in no event less than 24 hours prior to the day of closing. The appraisal may be sent via first class mail, commercial carrier, by facsimile or by e-mail, if the borrower has supplied an e-mail address.

(205 ILCS 635/5-12 new)

Sec. 5-12. Disclosure of refinancing options. If the subject of a future loan is discussed by a licensee making, providing, or arranging a mortgage loan, the licensee shall disclose the circumstances under which a new loan could be considered. Such disclosure shall clearly state that it is not a contract and that the licensee is not representing or

promising that a new loan could or would be made at any time in the future.

(205 ILCS 635/5-14 new)

Sec. 5-14. Prohibition on equity stripping and loan flipping. No licensee may engage in equity stripping or loan flipping, as those terms are defined in the Illinois Fairness in Lending Act.

(205 ILCS 635/5-15 new)

Sec. 5-15. Prohibition on financing certain insurance premiums. No licensee may make, provide, or arrange for a residential mortgage loan that finances, directly or indirectly, any credit life, credit disability, or credit unemployment insurance; however, insurance premiums calculated and paid on a monthly basis shall not be considered to be financed by the lender.

(205 ILCS 635/5-16 new)

Sec. 5-16. Prohibition on encouraging default. A licensee may not recommend or encourage default or the failure to make timely payments on an existing residential mortgage loan or other debt prior to and in connection with the closing or planned closing of a residential mortgage loan that refinances all or any portion of the existing loan or debt.

(205 ILCS 635/5-17 new)

Sec. 5-17. Severability. If any provision of this Act or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of this Act that can be given effect without the invalid provision or application.

Section 15. The Residential Real Property Disclosure Act is amended by changing Sections 70, 72, and 74 and adding Sections 73 and 78 as follows:

lender as a consideration for the loan referred to in this Section:

(b) in the case of construction loans, in addition to the matters referred to in clause (a) above, the actual cost incurred by the lender for services for making physical inspections, processing payouts, examining and reviewing contractors' and subcontractors' sworn statements and waivers of lien and the like.

(c) in the case of any loan made pursuant to the provisions of the Emergency Home Purchase Assistance Act of 1974 (Section 313 of the National Housing Act, Chapter B of Title 12 of the United States Code), in addition to the matters referred to in paragraphs (a) and (b) of this Section all charges required or allowed by the Government National Mortgage Association, whether designated as processing fees, commitment fees, loss reserve and marketing fees, discounts, origination fees or otherwise designated.

(d) in the case of a single payment loan, made for a period of 6 months or less, a regulated financial institution or licensed lender may contract for and receive a maximum charge of \$15 in lieu of interest. Such charge

may be collected when the loan is made, but only one such charge may be contracted for, received, or collected for any such loan, including any extension or renewal thereof.

(e) if the agreement governing the loan so provides, a charge not to exceed the rate permitted under Section 3-806 of the Uniform Commercial Code-Commercial Paper for any check, draft or order for the payment of money submitted in accordance with said agreement which is unpaid or not honored by a bank or other depository institution.

(f) if the agreement governing the loan so provides, for each loan installment in default for a period of not less than 10 days, a charge in an amount not in excess of 5% of such loan installment. Only one delinquency charge may be collected on any such loan installment regardless of the period during which it remains in default. Payments timely received by the lender under a written extension or deferral agreement shall not be subject to any delinquency charge.

Notwithstanding items (k) and (l) of subsection (1) of Section 4 of this Act, the lender, in the case of any nonexempt residential mortgage loan, as defined in Section 1-4 of the Residential Mortgage License Act of 1987, shall have the right to include a prepayment penalty that extends no longer than the fixed rate period of a variable rate mortgage provided that, if a prepayment is made during the fixed rate period and not in connection with the sale or destruction of the dwelling

(1) 3% of the total loan amount if the prepayment is made within the first 12-month period following the date the loan was made;

optional amortization of the principal of the loan, the rate of interest shall be calculated in the following manner:

Said percentage shall then be divided by the number of years and fractions thereof of the period of the loan according to its stated maturity. The percentage thus obtained shall then be added to the percentage of the stated annual rate of interest.

~~The borrower in the case of nonexempt loan shall have the right to prepay the loan in whole or in part at any time, but, except as may otherwise be provided by Section 4, the lender may require payment of not more than 6 months' advance interest on that part of the aggregate amount of all prepayments on a loan in one year, which exceeds 20% of the original principal amount of the loan.~~
