**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by changing Section 21-7.1 and by adding Section 21-7.6 as follows:

(105 ILCS 5/21-7.1) (from Ch. 122, par. 21-7.1)

Sec. 21-7.1. Administrative certificate.

(a) After July 1, 1999, an administrative certificate valid for 5 years of supervising and administering in the public common schools (unless changed under subsection (a-5) of this Section) may be issued to persons who have graduated from a regionally accredited institution of higher learning with a master's degree and who have been recommended by a recognized institution of higher learning, a not-for-profit entity, or a combination thereof, as having completed a program of preparation for one or more of these endorsements. Such programs of academic and professional preparation required for endorsement shall be administered by an ~~the~~ institution or not-for-profit entity approved to offer such programs by the State Board of Education, in consultation with the State Teacher Certification Board, and shall be operated in accordance with this Article and the standards set forth by the State Superintendent of Education in consultation with the

State Teacher Certification Board. Any program offered in whole or in part by a not-for-profit entity must also be approved by the Board of Higher Education.

(a-5) Beginning July 1, 2003, if an administrative certificate holder holds a Standard Teaching Certificate, the validity period of the administrative certificate shall be changed, if necessary, so that the validity period of the administrative certificate coincides with the validity period of the Standard Teaching Certificate. Beginning July 1, 2003, if an administrative certificate holder holds a Master Teaching Certificate, the validity period of the administrative certificate shall be changed so that the validity period of the administrative certificate coincides with the validity period of the Master Teaching Certificate.

(b) No administrative certificate shall be issued for the first time after June 30, 1987 and no endorsement provided for by this Section shall be made or affixed to an administrative certificate for the first time after June 30, 1987 unless the person to whom such administrative certificate is to be issued or to whose administrative certificate such endorsement is to be affixed has been required to demonstrate as a part of a program of academic or professional preparation for such certification or endorsement: (i) an understanding of the knowledge called for in establishing productive parent-school relationships and of the procedures fostering the involvement which such relationships demand; and (ii) an understanding of

the knowledge required for establishing a high quality school climate and promoting good classroom organization and management, including rules of conduct and instructional procedures appropriate to accomplishing the tasks of schooling; and (iii) a demonstration of the knowledge and skills called for in providing instructional leadership. The standards for demonstrating an understanding of such knowledge shall be set forth by the State Board of Education in consultation with the State Teacher Certification Board, and shall be administered by the recognized institutions of higher learning as part of the programs of academic and professional preparation required for certification and endorsement under this Section. As used in this subsection: "establishing productive parent-school relationships" means the ability to maintain effective communication between parents and school personnel, to encourage parental involvement in schooling, and to motivate school personnel to engage parents in encouraging student achievement, including the development of programs and policies which serve to accomplish this purpose; and "establishing a high quality school climate" means the ability to promote academic achievement, to maintain discipline, to recognize substance abuse problems among students and utilize appropriate law enforcement and other community resources to address these problems, to support teachers and students in their education endeavors, to establish learning objectives and to provide instructional leadership, including the

development of policies and programs which serve to accomplish this purpose; and "providing instructional leadership" means the ability to effectively evaluate school personnel, to possess general communication and interpersonal skills, and to establish and maintain appropriate classroom learning environments. The provisions of this subsection shall not apply to or affect the initial issuance or making on or before June 30, 1987 of any administrative certificate or endorsement provided for under this Section, nor shall such provisions apply to or affect the renewal after June 30, 1987 of any such certificate or endorsement initially issued or made on or before June 30, 1987.

(c) Administrative certificates shall be renewed every 5 years with the first renewal being 5 years following the initial receipt of an administrative certificate, unless the validity period for the administrative certificate has been changed under subsection (a-5) of this Section, in which case the certificate shall be renewed at the same time that the Standard or Master Teaching Certificate is renewed.

(c-5) (Blank). ~~Before July 1, 2003, renewal requirements for administrators whose positions require certification shall be based upon evidence of continuing professional education which promotes the following goals: (1) improving administrators' knowledge of instructional practices and administrative procedures; (2) maintaining the basic level of competence required for initial certification; and (3)~~

~~improving the mastery of skills and knowledge regarding the improvement of teaching performance in clinical settings and assessment of the levels of student performance in their schools. Evidence of continuing professional education must include verification of biennial attendance in a program developed by the Illinois Administrators' Academy and verification of annual participation in a school district approved activity which contributes to continuing professional education.~~

(c-10) Except ~~Beginning July 1, 2003, except~~ as otherwise provided in subsection (c-15) of this Section, persons holding administrative certificates must follow the certificate renewal procedure set forth in this subsection (c-10), provided that those persons holding administrative certificates on June 30, 2003 who are renewing those certificates on or after July 1, 2003 shall be issued new administrative certificates valid for 5 years (unless changed under subsection (a-5) of this Section), which may be renewed thereafter as set forth in this subsection (c-10).

A person holding an administrative certificate and employed in a position requiring administrative certification, including a regional superintendent of schools, must satisfy the continuing professional development requirements of this Section to renew his or her administrative certificate. The continuing professional development must include without limitation the following continuing professional development

purposes:

(1) To improve the administrator's knowledge of instructional practices and administrative procedures in accordance with the Illinois Professional School Leader Standards.

(2) To maintain the basic level of competence required for initial certification.

(3) To improve the administrator's mastery of skills and knowledge regarding the improvement of teaching performance in clinical settings and assessment of the levels of student performance in the schools.

The continuing professional development must include the following in order for the certificate to be renewed:

(A) Participation in continuing professional development activities, which must total a minimum of 100 hours of continuing professional development. The participation must consist of a minimum of 5 activities per validity period of the certificate, and the certificate holder must maintain documentation of completion of each activity.

(B) Participation every year in an Illinois Administrators' Academy course, which participation must total a minimum of 30 continuing professional development hours during the period of the certificate's validity and which must include completion of applicable required coursework, including completion of a communication,

dissemination, or application component, as defined by the State Board of Education.

The certificate holder must complete a verification form developed by the State Board of Education and certify that 100 hours of continuing professional development activities and 5 Administrators' Academy courses have been completed. The regional superintendent of schools shall review and validate the verification form for a certificate holder. Based on compliance with all of the requirements for renewal, the regional superintendent of schools shall forward a recommendation for renewal or non-renewal to the State Superintendent of Education and shall notify the certificate holder of the recommendation. The State Superintendent of Education shall review the recommendation to renew or non-renew and shall notify, in writing, the certificate holder of a decision denying renewal of his or her certificate. Any decision regarding non-renewal of an administrative certificate may be appealed to the State Teacher Certification Board.

The State Board of Education, in consultation with the State Teacher Certification Board, shall adopt rules to implement this subsection (c-10).

The regional superintendent of schools shall monitor the process for renewal of administrative certificates established in this subsection (c-10).

(c-15) This subsection (c-15) applies to the first period

of an administrative certificate's validity during which the holder becomes subject to the requirements of subsection (c-10) of this Section if the certificate has less than 5 years' validity or has less than 5 years' validity remaining when the certificate holder becomes subject to the requirements of subsection (c-10) of this Section. With respect to this period, the 100 hours of continuing professional development and 5 activities per validity period specified in clause (A) of subsection (c-10) of this Section shall instead be deemed to mean 20 hours of continuing professional development and one activity per year of the certificate's validity or remaining validity and the 30 continuing professional development hours specified in clause (B) of subsection (c-10) of this Section shall instead be deemed to mean completion of at least one course per year of the certificate's validity or remaining validity. Certificate holders who evaluate certified staff must complete a 2-day teacher evaluation course, in addition to the 30 continuing professional development hours.

(c-20) The State Board of Education, in consultation with the State Teacher Certification Board, shall develop procedures for implementing this Section and shall administer the renewal of administrative certificates. Failure to submit satisfactory evidence of continuing professional education which contributes to promoting the goals of this Section shall result in a loss of administrative certification.

(d) Any limited or life supervisory certificate issued

prior to July 1, 1968 shall continue to be valid for all administrative and supervisory positions in the public schools for which it is valid as of that date as long as its holder meets the requirements for registration or renewal as set forth in the statutes or until revoked according to law.

Subject to the provisions of Section 21-1a, endorsements shall be made under conditions set forth in this Section. The State Board of Education shall, in consultation with the State Teacher Certification Board, adopt rules pursuant to the Illinois Administrative Procedure Act, establishing requirements for obtaining administrative certificates where the minimum administrative or supervisory requirements surpass those set forth in this Section.

The State Teacher Certification Board shall file with the State Board of Education a written recommendation when considering additional administrative or supervisory requirements. All additional requirements shall be based upon the requisite knowledge necessary to perform those tasks required by the certificate. These standards shall at a minimum contain, but not be limited to, those used by the State Board of Education in determining whether additional knowledge will be required.
