(1) Except as to the municipalities and instrumentalities thereof specifically excluded under this Article, every county shall be subject to this Article, and all cities, villages and incorporated towns having a population in excess of 5,000 inhabitants as determined by the last preceding decennial or subsequent federal census, shall be subject to this Article following publication of the census by the Bureau of the Census. Within 90 days

after publication of the census, the Board shall notify any municipality that has become subject to this Article as a result of that census, and shall provide information to the corporate authorities of the municipality explaining the duties and consequences of participation. The notification shall also include a proposed date upon which participation by the municipality will commence.

However, for any city, village or incorporated town that attains a population over 5,000 inhabitants after having provided social security coverage for its employees under the Social Security Enabling Act, participation under this Article shall not be mandatory but may be elected in accordance with subparagraph (3) or (4) of this paragraph (a), whichever is applicable.

(2) School districts, other than those specifically excluded under this Article, shall be subject to this Article, without election, with respect to all employees thereof.

(3) Towns and all other bodies politic and corporate which are formed by vote of, or are subject to control by, the electors in towns and are located in towns which are not participating municipalities on the effective date of this Act, may become subject to this Article by election pursuant to Section 7-132.1.

(4) Any other municipality (together with its instrumentalities), other than those specifically excluded

from participation and those described in paragraph (3) above, may elect to be included either by referendum under Section 7-134 or by the adoption of a resolution or ordinance by its governing body. A copy of such resolution or ordinance duly authenticated and certified by the clerk of the municipality or other appropriate official of its governing body shall constitute the required notice to the board of such action.

(b) A municipality that is about to begin participation shall submit to the Board an application to participate, in a form acceptable to the Board, not later than 90 days prior to the proposed effective date of participation. The Board shall act upon the application within 90 days, and if it finds that the application is in conformity with its requirements and the requirements of this Article, participation by the applicant shall commence on a date acceptable to the municipality and specified by the Board, but in no event more than one year from the date of application.

(c) A participating municipality which succeeds to the functions of a participating municipality which is dissolved or terminates its existence shall assume and be transferred the net accumulation balance in the municipality reserve and the municipality account receivable balance of the terminated municipality.

(d) In the case of a Veterans Assistance Commission whose employees were being treated by the Fund on January 1, 1990 as

employees of the county served by the Commission, the Fund may continue to treat the employees of the Veterans Assistance Commission as county employees for the purposes of this Article, unless the Commission becomes a participating instrumentality in accordance with subsection (B) of this Section.

(B) Participating instrumentalities.

(a) The participating instrumentalities designated in paragraph (b) of this subsection shall be included within and be subject to this Article if:

(1) an application to participate, in a form acceptable to the Board and adopted by a two-thirds vote of the governing body, is presented to the Board not later than 90 days prior to the proposed effective date; and

(2) the Board finds that the application is in conformity with its requirements, that the applicant has reasonable expectation to continue as a political entity for a period of at least 10 years and has the prospective financial capacity to meet its current and future obligations to the Fund, and that the actuarial soundness of the Fund may be reasonably expected to be unimpaired by approval of participation by the applicant.

The Board shall notify the applicant of its findings within 90 days after receiving the application, and if the Board approves the application, participation by the applicant shall

commence on the effective date specified by the Board.
