(Source: P.A. 94-945, eff. 6-27-06; 95-331, eff. 8-21-07.)

Section 10. The School Code is amended by changing Sections 10-21.9, 27A-5, and 34-18.5 as follows:

(105 ILCS 5/10-21.9) (from Ch. 122, par. 10-21.9)

Sec. 10-21.9. Criminal history records checks and checks of the Statewide Sex Offender Database and Statewide ~~Child~~ Murderer and Violent Offender Against Youth Database.

(a) Certified and noncertified applicants for employment with a school district, except school bus driver applicants, are required as a condition of employment to authorize a fingerprint-based criminal history records check to determine

if such applicants have been convicted of any of the enumerated criminal or drug offenses in subsection (c) of this Section or have been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. Authorization for the check shall be furnished by the applicant to the school district, except that if the applicant is a substitute teacher seeking employment in more than one school district, a teacher seeking concurrent part-time employment positions with more than one school district (as a reading specialist, special education teacher or otherwise), or an educational support personnel employee seeking employment positions with more than one district, any such district may require the applicant to furnish authorization for the check to the regional superintendent of the educational service region in which are located the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee. Upon receipt of this authorization, the school district or the appropriate regional superintendent, as the case may be, shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police,

to the Department. The regional superintendent submitting the requisite information to the Department of State Police shall promptly notify the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee that the check of the applicant has been requested. The Department of State Police and the Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board for the school district that requested the check, or to the regional superintendent who requested the check. The Department shall charge the school district or the appropriate regional superintendent a fee for conducting such check, which fee shall be deposited in the State Police Services Fund and shall not exceed the cost of the inquiry; and the applicant shall not be charged a fee for such check by the school district or by the regional superintendent, except that those applicants seeking employment as a substitute teacher with a school district may be charged a fee not to exceed the cost of the inquiry. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse school districts and regional superintendents for fees paid to obtain criminal history records checks under this Section.

(a-5) The school district or regional superintendent shall further perform a check of the Statewide Sex Offender Database,

as authorized by the Sex Offender Community Notification Law, for each applicant.

(a-6) The school district or regional superintendent shall further perform a check of the Statewide ~~Child~~ Murderer and Violent Offender Against Youth Database, as authorized by the ~~Child~~ Murderer and Violent Offender Against Youth Community Notification Law, for each applicant.

(b) Any information concerning the record of convictions obtained by the president of the school board or the regional superintendent shall be confidential and may only be transmitted to the superintendent of the school district or his designee, the appropriate regional superintendent if the check was requested by the school district, the presidents of the appropriate school boards if the check was requested from the Department of State Police by the regional superintendent, the State Superintendent of Education, the State Teacher Certification Board, any other person necessary to the decision of hiring the applicant for employment, or for clarification purposes the Department of State Police or Statewide Sex Offender Database, or both. A copy of the record of convictions obtained from the Department of State Police shall be provided to the applicant for employment. Upon the check of the Statewide Sex Offender Database, the school district or regional superintendent shall notify an applicant as to whether or not the applicant has been identified in the Database as a sex offender. If a check of an applicant for employment as a

substitute or concurrent part-time teacher or concurrent educational support personnel employee in more than one school district was requested by the regional superintendent, and the Department of State Police upon a check ascertains that the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and so notifies the regional superintendent and if the regional superintendent upon a check ascertains that the applicant has not been identified in the Sex Offender Database as a sex offender, then the regional superintendent shall issue to the applicant a certificate evidencing that as of the date specified by the Department of State Police the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and evidencing that as of the date

that the regional superintendent conducted a check of the Statewide Sex Offender Database, the applicant has not been identified in the Database as a sex offender. The school board of any school district may rely on the certificate issued by any regional superintendent to that substitute teacher, concurrent part-time teacher, or concurrent educational support personnel employee or may initiate its own criminal history records check of the applicant through the Department of State Police and its own check of the Statewide Sex Offender Database as provided in subsection (a). Any person who releases any confidential information concerning any criminal convictions of an applicant for employment shall be guilty of a Class A misdemeanor, unless the release of such information is authorized by this Section.

(c) No school board shall knowingly employ a person who has been convicted of any offense that would subject him or her to certification suspension or revocation pursuant to Section 21-23a of this Code. Further, no school board shall knowingly employ a person who has been found to be the perpetrator of sexual or physical abuse of any minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987.

(d) No school board shall knowingly employ a person for whom a criminal history records check and a Statewide Sex Offender Database check has not been initiated.

(e) Upon receipt of the record of a conviction of or a

finding of child abuse by a holder of any certificate issued pursuant to Article 21 or Section 34-8.1 or 34-83 of the School Code, the State Superintendent of Education may initiate certificate suspension and revocation proceedings as authorized by law.

(e-5) The superintendent of the employing school board shall, in writing, notify the State Superintendent of Education and the applicable regional superintendent of schools of any certificate holder whom he or she has reasonable cause to believe has committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child, as defined in Section 3 of the Abused and Neglected Child Reporting Act, and that act resulted in the certificate holder's dismissal or resignation from the school district. This notification must be submitted within 30 days after the dismissal or resignation. The certificate holder must also be contemporaneously sent a copy of the notice by the superintendent. All correspondence, documentation, and other information so received by the regional superintendent of schools, the State Superintendent of Education, the State Board of Education, or the State Teacher Certification Board under this subsection (e-5) is confidential and must not be disclosed to third parties, except (i) as necessary for the State Superintendent of Education or his or her designee to investigate and prosecute pursuant to Article 21 of this Code, (ii) pursuant to a court order, (iii) for disclosure to the

certificate holder or his or her representative, or (iv) as otherwise provided in this Article and provided that any such information admitted into evidence in a hearing is exempt from this confidentiality and non-disclosure requirement. Except for an act of willful or wanton misconduct, any superintendent who provides notification as required in this subsection (e-5) shall have immunity from any liability, whether civil or criminal or that otherwise might result by reason of such action.

(f) After January 1, 1990 the provisions of this Section shall apply to all employees of persons or firms holding contracts with any school district including, but not limited to, food service workers, school bus drivers and other transportation employees, who have direct, daily contact with the pupils of any school in such district. For purposes of criminal history records checks and checks of the Statewide Sex Offender Database on employees of persons or firms holding contracts with more than one school district and assigned to more than one school district, the regional superintendent of the educational service region in which the contracting school districts are located may, at the request of any such school district, be responsible for receiving the authorization for a criminal history records check prepared by each such employee and submitting the same to the Department of State Police and for conducting a check of the Statewide Sex Offender Database for each employee. Any information concerning the record of

conviction and identification as a sex offender of any such employee obtained by the regional superintendent shall be promptly reported to the president of the appropriate school board or school boards.

(g) In order to student teach in the public schools, a person is required to authorize a fingerprint-based criminal history records check and checks of the Statewide Sex Offender Database and Statewide ~~Child~~ Murderer and Violent Offender Against Youth Database prior to participating in any field experiences in the public schools. Authorization for and payment of the costs of the checks must be furnished by the student teacher. Results of the checks must be furnished to the higher education institution where the student teacher is enrolled and the superintendent of the school district where the student is assigned.

(a) Certified and noncertified applicants for employment with the school district are required as a condition of employment to authorize a fingerprint-based criminal history

records check to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses in subsection (c) of this Section or have been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. Upon receipt of this authorization, the school district or the appropriate regional superintendent, as the case may be, shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as

The Department of State Police and the Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board for the school district that requested the check, or to the regional superintendent who requested the check. The Department shall charge the school district or the appropriate regional superintendent a fee for conducting such check, which fee shall be deposited in the State Police Services Fund and shall not exceed the cost of the inquiry; and the applicant shall not be charged a fee for such check by the school district or by the regional superintendent. Upon the check of the Statewide Sex Offender Database, the school district or regional superintendent shall notify an applicant as to whether or not the applicant has been identified in the Database as a sex offender. If a check of an applicant for employment as a substitute or concurrent part-time teacher or concurrent

educational support personnel employee in more than one school district was requested by the regional superintendent, and the Department of State Police upon a check ascertains that the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and so notifies the regional superintendent and if the regional superintendent upon a check ascertains that the applicant has not been identified in the Sex Offender Database as a sex offender, then the regional superintendent shall issue to the applicant a certificate evidencing that as of the date specified by the Department of State Police the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and evidencing that as of the date that the regional superintendent conducted a check of the

This notification must be submitted within 30 days after the dismissal or resignation. The certificate holder must also be contemporaneously sent a copy of the notice by the superintendent. All correspondence, documentation, and other information so received by the State Superintendent of Education, the State Board of Education, or the State Teacher Certification Board under this subsection (e-5) is confidential and must not be disclosed to third parties, except (i) as necessary for the State Superintendent of Education or his or her designee to investigate and prosecute pursuant to Article 21 of this Code, (ii) pursuant to a court order, (iii) for disclosure to the certificate holder or his or her representative, or (iv) as otherwise provided in this Article and provided that any such information admitted into evidence

in a hearing is exempt from this confidentiality and non-disclosure requirement. Except for an act of willful or wanton misconduct, any superintendent who provides notification as required in this subsection (e-5) shall have immunity from any liability, whether civil or criminal or that otherwise might result by reason of such action.

For purposes of criminal history records checks and checks of the Statewide Sex Offender Database on employees of persons or firms holding contracts with more than one school district and assigned to more than one school district, the regional superintendent of the educational service region in which the contracting school districts are located may, at the request of any such school district, be responsible for receiving the authorization for a criminal history records check prepared by each such employee and submitting the same to the Department of State Police and for conducting a check of the Statewide Sex Offender Database for each employee. Any information concerning the record of conviction and identification as a sex offender of any such employee obtained by the regional superintendent shall be promptly reported to the president of the appropriate school

board or school boards.

(g) In order to student teach in the public schools, a person is required to authorize a fingerprint-based criminal history records check and checks of the Statewide Sex Offender Database and Statewide ~~Child~~ Murderer and Violent Offender Against Youth Database prior to participating in any field experiences in the public schools. (325 ILCS 40/6) (from Ch. 23, par. 2256)

Sec. 6. The Department shall:

(a) Establish and maintain a statewide Law Enforcement Agencies Data System (LEADS) for the purpose of effecting an immediate law enforcement response to reports of missing children. The Department shall implement an automated data exchange system to compile, to maintain and to make available for dissemination to Illinois and out-of-State law enforcement agencies, data which can assist appropriate agencies in

recovering missing children.

(b) Establish contacts and exchange information regarding lost, missing or runaway children with nationally recognized "missing person and runaway" service organizations and monitor national research and publicize important developments.

(c) Provide a uniform reporting format for the entry of pertinent information regarding reports of missing children into LEADS.

(d) Develop and implement a policy whereby a statewide or regional alert would be used in situations relating to the disappearances of children, based on criteria and in a format established by the Department. Such a format shall include, but not be limited to, the age and physical description of the missing child and the suspected circumstances of the disappearance.

(e) Notify all law enforcement agencies that reports of missing persons shall be entered as soon as the minimum level of data specified by the Department is available to the reporting agency and that no waiting period for entry of such data exists.

(f) Provide a procedure for prompt confirmation of the receipt and entry of the missing child report into LEADS to the parent or guardian of the missing child.

(g) Compile and retain information regarding missing children in a separate data file, in a manner that allows such information to be used by law enforcement and other agencies

deemed appropriate by the Director, for investigative purposes. Such files shall be updated to reflect and include information relating to the disposition of the case.

(h) Compile and maintain an historic data repository relating to missing children in order (1) to develop and improve techniques utilized by law enforcement agencies when responding to reports of missing children and (2) to provide a factual and statistical base for research that would address the problem of missing children.

(i) Create a quality control program to monitor timeliness of entries of missing children reports into LEADS and conduct performance audits of all entering agencies.

(j) Prepare a periodic information bulletin concerning missing children who it determines may be present in this State, compiling such bulletin from information contained in both the National Crime Information Center computer and from reports, alerts and other information entered into LEADS or otherwise compiled and retained by the Department pursuant to this Act. The bulletin shall indicate the name, age, physical description, suspected circumstances of disappearance if that information is available, a photograph if one is available, the name of the law enforcement agency investigating the case, and such other information as the Director considers appropriate concerning each missing child who the Department determines may be present in this State. The Department shall send a copy of each periodic information bulletin to the State Board of

Education for its use in accordance with Section 2-3.48 of the School Code. The Department shall provide a copy of the bulletin, upon request, to law enforcement agencies of this or any other state or of the federal government, and may provide a copy of the bulletin, upon request, to other persons or entities, if deemed appropriate by the Director, and may establish limitations on its use and a reasonable fee for so providing the same, except that no fee shall be charged for providing the periodic information bulletin to the State Board of Education, appropriate units of local government, State agencies, or law enforcement agencies of this or any other state or of the federal government.

(k) Provide for the entry into LEADS of the names and addresses of sex offenders as defined in the Sex Offender Registration Act who are required to register under that Act. The information shall be immediately accessible to law enforcement agencies and peace officers of this State or any other state or of the federal government. Similar information may be requested from any other state or of the federal government for purposes of this Act.

(l) Provide for the entry into LEADS of the names and addresses of violent offenders against youth as defined in the ~~Child~~ Murderer and Violent Offender Against Youth Registration Act who are required to register under that Act. The information shall be immediately accessible to law enforcement agencies and peace officers of this State or any other state or

of the federal government. Similar information may be requested from any other state or of the federal government for purposes of this Act.
