

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by changing Sections 10-22.6 and 34-19 as follows:

(105 ILCS 5/10-22.6) (from Ch. 122, par. 10-22.6)

Sec. 10-22.6. Suspension or expulsion of pupils; school searches.

(a) To expel pupils guilty of gross disobedience or misconduct, including gross disobedience or misconduct perpetuated by electronic means, and no action shall lie against them for such expulsion. Expulsion shall take place only after the parents have been requested to appear at a meeting of the board, or with a hearing officer appointed by it, to discuss their child's behavior. Such request shall be made by registered or certified mail and shall state the time, place and purpose of the meeting. The board, or a hearing officer appointed by it, at such meeting shall state the reasons for dismissal and the date on which the expulsion is to become effective. If a hearing officer is appointed by the board he shall report to the board a written summary of the evidence heard at the meeting and the board may take such action thereon as it finds appropriate.

(b) To suspend or by policy to authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend pupils guilty of gross disobedience or misconduct, or to suspend pupils guilty of gross disobedience or misconduct on the school bus from riding the school bus, and no action shall lie against them for such suspension. The board may by policy authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend pupils guilty of such acts for a period not to exceed 10 school days. If a pupil is suspended due to gross disobedience or misconduct on a school bus, the board may suspend the pupil in excess of 10 school days for safety reasons. Any suspension shall be reported immediately to the parents or guardian of such pupil along with a full statement of the reasons for such suspension and a notice of their right to a review. The school board must be given a summary of the notice, including the reason for the suspension and the suspension length. Upon request of the parents or guardian the school board or a hearing officer appointed by it shall review such action of the superintendent or principal, assistant principal, or dean of students. At such review the parents or guardian of the pupil may appear and discuss the suspension with the board or its hearing officer. If a hearing officer is appointed by the board he shall report to the board a written summary of the evidence heard at the meeting. After its hearing or upon receipt of the written

report of its hearing officer, the board may take such action as it finds appropriate.

(c) The Department of Human Services shall be invited to send a representative to consult with the board at such meeting whenever there is evidence that mental illness may be the cause for expulsion or suspension.

(d) The board may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis. A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year:

(1) A firearm. For the purposes of this Section, "firearm" means any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 1961. The expulsion period under this subdivision (1) may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

(2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alike" of any firearm as defined in

subdivision (1) of this subsection (d). The expulsion requirement under this subdivision (2) may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

Expulsion or suspension shall be construed in a manner consistent with the Federal Individuals with Disabilities Education Act. A student who is subject to suspension or expulsion as provided in this Section may be eligible for a transfer to an alternative school program in accordance with Article 13A of the School Code. The provisions of this subsection (d) apply in all school districts, including special charter districts and districts organized under Article 34.

(d-5) The board may suspend or by regulation authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend a student for a period not to exceed 10 school days or may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis, if (i) that student has been determined to have made an explicit threat on an Internet website against a school employee, a student, or any school-related personnel, (ii) the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and (iii) the threat could be reasonably interpreted as threatening to the

safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school. The provisions of this subsection (d-5) apply in all school districts, including special charter districts and districts organized under Article 34 of this Code.

(e) To maintain order and security in the schools, school authorities may inspect and search places and areas such as lockers, desks, parking lots, and other school property and equipment owned or controlled by the school, as well as personal effects left in those places and areas by students, without notice to or the consent of the student, and without a search warrant. As a matter of public policy, the General Assembly finds that students have no reasonable expectation of privacy in these places and areas or in their personal effects left in these places and areas. School authorities may request the assistance of law enforcement officials for the purpose of conducting inspections and searches of lockers, desks, parking lots, and other school property and equipment owned or controlled by the school for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs. If a search conducted in accordance with this Section produces evidence that the student has violated or is violating either the law, local ordinance, or the school's policies or rules, such evidence may be seized by school authorities, and

disciplinary action may be taken. School authorities may also turn over such evidence to law enforcement authorities. The provisions of this subsection (e) apply in all school districts, including special charter districts and districts organized under Article 34.

(f) Suspension or expulsion may include suspension or expulsion from school and all school activities and a prohibition from being present on school grounds.

(g) A school district may adopt a policy providing that if a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into the school district. This policy may allow placement of the student in an alternative school program established under Article 13A of this Code, if available, for the remainder of the suspension or expulsion. This subsection (g) applies to all school districts, including special charter districts and districts organized under Article 34 of this Code.

(105 ILCS 5/34-19) (from Ch. 122, par. 34-19)

Sec. 34-19. By-laws, rules and regulations; business transacted at regular meetings; voting; records. The board shall, subject to the limitations in this Article, establish by-laws, rules and regulations, which shall have the force of

ordinances, for the proper maintenance of a uniform system of discipline for both employees and pupils, and for the entire management of the schools, and may fix the school age of pupils, the minimum of which in kindergartens shall not be under 4 years, except that, based upon an assessment of the child's readiness, children who have attended a non-public preschool and continued their education at that school through kindergarten, were taught in kindergarten by an appropriately certified teacher, and will attain the age of 6 years on or before December 31 of the year of the 2009-2010 school term and each school term thereafter may attend first grade upon commencement of such term, and in grade schools shall not be under 6 years. It may expel, suspend or, subject to the limitations of all policies established or adopted under Section 14-8.05, otherwise discipline any pupil found guilty of gross disobedience, misconduct or other violation of the by-laws, rules and regulations, including gross disobedience or misconduct perpetuated by electronic means. The bylaws, rules and regulations of the board shall be enacted, money shall be appropriated or expended, salaries shall be fixed or changed, and textbooks, electronic textbooks, and courses of instruction shall be adopted or changed only at the regular meetings of the board and by a vote of a majority of the full membership of the board; provided that notwithstanding any other provision of this Article or the School Code, neither the board or any local school council may purchase any textbook for

use in any public school of the district from any textbook publisher that fails to furnish any computer diskettes as required under Section 28-21. Funds appropriated for textbook purchases must be available for electronic textbook purchases and the technological equipment necessary to gain access to and use electronic textbooks at the local school council's discretion. The board shall be further encouraged to provide opportunities for public hearing and testimony before the adoption of bylaws, rules and regulations. Upon all propositions requiring for their adoption at least a majority of all the members of the board the yeas and nays shall be taken and reported. The by-laws, rules and regulations of the board shall not be repealed, amended or added to, except by a vote of 2/3 of the full membership of the board. The board shall keep a record of all its proceedings. Such records and all by-laws, rules and regulations, or parts thereof, may be proved by a copy thereof certified to be such by the secretary of the board, but if they are printed in book or pamphlet form which are purported to be published by authority of the board they need not be otherwise published and the book or pamphlet shall be received as evidence, without further proof, of the records, by-laws, rules and regulations, or any part thereof, as of the dates thereof as shown in such book or pamphlet, in all courts and places where judicial proceedings are had.

Notwithstanding any other provision in this Article or in the School Code, the board may delegate to the general

superintendent or to the attorney the authorities granted to the board in the School Code, provided such delegation and appropriate oversight procedures are made pursuant to board by-laws, rules and regulations, adopted as herein provided, except that the board may not delegate its authorities and responsibilities regarding (1) budget approval obligations; (2) rule-making functions; (3) desegregation obligations; (4) real estate acquisition, sale or lease in excess of 10 years as provided in Section 34-21; (5) the levy of taxes; or (6) any mandates imposed upon the board by "An Act in relation to school reform in cities over 500,000, amending Acts herein named", approved December 12, 1988 (P.A. 85-1418).
