(55 ILCS 5/3-5018) (from Ch. 34, par. 3-5018)

Sec. 3-5018. Fees. The recorder elected as provided for in this Division shall receive such fees as are or may be provided for him or her by law, in case of provision therefor: otherwise he or she shall receive the same fees as are or may be provided in this Section, except when increased by county ordinance pursuant to the provisions of this Section, to be paid to the county clerk for his or her services in the office of recorder for like services.

However, except for leases and liens pertaining to oil, gas and other minerals, whenever a mortgage, lease or lien assignment assigns more than one mortgage, lease or lien document, a \$7 fee shall be charged for the recording of each such mortgage, lease or lien document after the first one.

For recording maps or plats of additions or subdivisions approved by the county or municipality (including the spreading of the same of record in map case or other proper books) or plats of condominiums, \$50 for the first page, plus \$1 for each additional page thereof except that in the case of recording a single page, legal size 8 1/2 x 14, plat of survey in which there are no more than two lots or parcels of land, the fee shall be \$12. For non-certified copies of records, an amount not to exceed one-half of the amount provided in this Section for certified copies, according to a standard scale of fees, established by county ordinance and made public. The provisions of this paragraph shall not be applicable to any person or entity who obtains non-certified copies of records in the following manner: (i) in bulk for all documents recorded on any

Each certificate of such recorder of the recording of the deed or other writing and of the date of recording the same signed by such recorder, shall be sufficient evidence of the recording thereof, and such certificate including the indexing of record, shall be furnished upon the payment of the fee for recording the instrument, and no additional fee shall be allowed for the certificate or indexing.

The recorder shall charge an additional fee, in an amount equal to the fee otherwise provided by law, for recording a document (other than a document filed under the Plat Act or the Uniform Commercial Code) that does not conform to the following standards:

- (1) The document shall consist of one or more individual sheets measuring 8.5 inches by 11 inches, not permanently bound and not a continuous form. Graphic

displays accompanying a document to be recorded that measure up to 11 inches by 17 inches shall be recorded without charging an additional fee.

(2) The document shall be legibly printed in black ink, by hand, type, or computer. Signatures and dates may be in contrasting colors if they will reproduce clearly.

(3) The document shall be on white paper of not less than 20-pound weight and shall have a clean margin of at least one-half inch on the top, the bottom, and each side. Margins may be used for non-essential notations that will not affect the validity of the document, including but not limited to form numbers, page numbers, and customer notations.

(4) The first page of the document shall contain a blank space, measuring at least 3 inches by 5 inches, from the upper right corner.

(5) The document shall not have any attachment stapled or otherwise affixed to any page.

A document that does not conform to these standards shall not be recorded except upon payment of the additional fee required under this paragraph. This paragraph, as amended by this amendatory Act of 1995, applies only to documents dated after the effective date of this amendatory Act of 1995.

The county board of any county may provide for an additional charge of \$3 for filing every instrument, paper, or notice for record, (1) in order to defray the cost of

converting the county recorder's document storage system to computers or micrographics and (2) in order to defray the cost of providing access to records through the global information system known as the Internet.

A special fund shall be set up by the treasurer of the county and such funds collected pursuant to Public Act 83-1321 shall be used (1) for a document storage system to provide the equipment, materials and necessary expenses incurred to help defray the costs of implementing and maintaining such a document records system and (2) for a system to provide electronic access to those records.

The county board of any county that provides and maintains a countywide map through a Geographic Information System (GIS) may provide for an additional charge of \$3 for filing every instrument, paper, or notice for record (1) in order to defray the cost of implementing or maintaining the county's Geographic Information System and (2) in order to defray the cost of providing electronic or automated access to the county's Geographic Information System or property records. Of that amount, \$2 must be deposited into a special fund set up by the treasurer of the county, and any moneys collected pursuant to this amendatory Act of the 91st General Assembly and deposited into that fund must be used solely for the equipment, materials, and necessary expenses incurred in implementing and maintaining a Geographic Information System and in order to defray the cost of providing electronic access to the county's

Geographic Information System records. The remaining \$1 must be deposited into the recorder's special funds created under Section 3-5005.4. The recorder may, in his or her discretion, use moneys in the funds created under Section 3-5005.4 to defray the cost of implementing or maintaining the county's Geographic Information System and to defray the cost of providing electronic access to the county's Geographic Information System records.

The recorder shall collect a \$10 Rental Housing Support Program State surcharge for the recordation of any real estate-related document. Payment of the Rental Housing Support Program State surcharge shall be evidenced by a receipt that shall be marked upon or otherwise affixed to the real estate-related document by the recorder. The form of this receipt shall be prescribed by the Department of Revenue and the receipts shall be issued by the Department of Revenue to each county recorder.

The recorder shall not collect the Rental Housing Support Program State surcharge from any State agency, any unit of local government or any school district.

One dollar of each surcharge shall be retained by the county in which it was collected. This dollar shall be deposited into the county's general revenue fund. Fifty cents of that amount shall be used for the costs of administering the Rental Housing Support Program State surcharge and any other lawful expenditures for the operation of the office of the

recorder and may not be appropriated or expended for any other purpose. The amounts available to the recorder for expenditure from the surcharge shall not offset or reduce any other county appropriations or funding for the office of the recorder.

On the 15th day of each month, each county recorder shall report to the Department of Revenue, on a form prescribed by the Department, the number of real estate-related documents recorded for which the Rental Housing Support Program State surcharge was collected. Each recorder shall submit \$9 of each surcharge collected in the preceding month to the Department of Revenue and the Department shall deposit these amounts in the Rental Housing Support Program Fund. Subject to appropriation, amounts in the Fund may be expended only for the purpose of funding and administering the Rental Housing Support Program.

For purposes of this Section, "real estate-related document" means that term as it is defined in Section 7 of the Rental Housing Support Program Act.

The foregoing fees allowed by this Section are the maximum fees that may be collected from any officer, agency, department or other instrumentality of the State. The county board may, however, by ordinance, increase the fees allowed by this Section and collect such increased fees from all persons and entities other than officers, agencies, departments and other instrumentalities of the State if the increase is justified by an acceptable cost study showing that the fees allowed by this Section are not sufficient to cover the cost of providing the

service. Regardless of any other provision in this Section, the maximum fee that may be collected from the Department of Revenue for filing or indexing a lien, certificate of lien release or subordination, or any other type of notice or other documentation affecting or concerning a lien is \$5. Regardless of any other provision in this Section, the maximum fee that may be collected from the Department of Revenue for indexing each additional name in excess of one for any lien, certificate of lien release or subordination, or any other type of notice or other documentation affecting or concerning a lien is \$1.

A statement of the costs of providing each service, program and activity shall be prepared by the county board. All supporting documents shall be public record and subject to public examination and audit. All direct and indirect costs, as defined in the United States Office of Management and Budget Circular A-87, may be included in the determination of the costs of each service, program and activity.
