RE: Law Enforcement Camera Grant Act Annual Report

The following information is provided as an annual report pursuant to the Law Enforcement Camera Grant Act.

- The McCook Police Department received six (6) cameras.
- All six (6) cameras were installed in department vehicle and are still in use.
- Review Process by Supervisors:
  - At regular intervals, the supervisors shall conduct a check on officers under their supervision to ensure that each officer is using the camera system pursuant to department policy regarding when the MVRS system shall be activated.
  - Supervisors that become aware of potential policy or rules violations pertaining to the use of the camera system shall review any such recordings without delay.
  - Supervisors shall review any recordings that may contain information related to any complaints against an officer.
  - Supervisors shall notify the Chief of Police if misconduct or possible misconduct is identified on any recording.
- An electronic document was created with information pertaining to criminal, traffic, and ordinance offenses where video recordings were flagged and/or used in a court proceeding. That document will be attached to the email sent with this letter.
