Provides that an insurer shall file with the Department of Insurance all rates and any change to such rates within 30 days after the effective date of the rate change. Sets forth provisions concerning flood insurance forms. Provides that authorized insurers must notify the Department of plans to sell primary residential flood insurance products at least 30 days before writing flood insurance in the State and file a plan of operation and financial projections or material revisions to such plan. Sets forth provisions concerning notice to consumers that live in a special flood hazard area, notice of cancellation and nonrenewal, and surplus line placements of private flood insurance. Provides that rates, supplementary rate information, and any supporting information filed under the Act shall be open to public inspection upon disposition, except information marked and accepted by the Director of Insurance as confidential, trade secret, or proprietary by the insurer or filer. Provides that the Department may adopt rules to implement the Act.

New Act

50 ILCS 750/4 from Ch. 134, par. 34

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

Fiscal Note (Dept. of Human Services)

The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

House Floor Amendment No. 1
Represents that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish Regional Advisory Committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:

50 ILCS 750/4

Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. The Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 PSAPs, emergency services dispatched through 9-1-1 PSAPs, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that the State goals listed in this Section are achieved. Appropriate mobile response service for mental and behavioral health emergencies shall be available regardless of whether the initial contact was with 9-8-8, 9-1-1 or directly with an emergency service dispatched through 9-1-1. Provides that the Division of Mental Health shall establish a Statewide Advisory Committee to review and make recommendations for aspects of coordinating 9-1-1 and the 9-8-8 mobile mental health response system most appropriately addressed on a State level. Provides that the Division of Mental Health shall establish Regional Advisory Committees in each EMS Region to advise on regional issues related to emergency response systems for mental and behavioral health. Provides that the exemptions from civil liability in the Emergency Telephone Systems Act apply to any act or omission in the development, design, installation, operation, maintenance, performance, or provision of service directed by the Act. Provides that the Act applies to persons of all ages, both children and adults. This Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. No provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care.

Senate Floor Amendment No. 2

Make technical and stylistic changes in the bill as amended by Senate Amendment No. 1. Adds additional responsibilities for 9-1-1 Public Safety Answering Point telecommunicators and emergency service providers. Places the applicability and home rule preemption provisions in a separate Section of the bill.

Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or managed care plan that offers a program for wellness coverage must not provide a total incentive that exceeds 30% (rather than 20%) of the cost of self-only or employee-only coverage (rather than only employee-only coverage). Amends the Navigator Certification Act. Provides that certified application counselors are subject to the same certification requirements as navigators. Provides that a navigator or certified application counselor who fails to timely file for certificate renewal shall be charged a late fee in an amount prescribed by the Director of Insurance. 215 ILCS 5/356z.22

Amends the Illinois Insurance Code. Includes the delivery of covered health care services by way of telephone usage in the definition of "telehealth services". Provides that health care services that are covered under an individual or group policy of accident or health insurance must be covered when delivered via telehealth services when clinically appropriate, subject to specified conditions (rather than requiring an individual or group policy of accident or health insurance to comply with specified conditions if it provides coverage for telehealth services). Provides that patient cost-sharing may be no more than if the health care service were delivered in person. Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning health care services that are covered under an individual or group policy of accident and health insurance that must be covered when delivered via telehealth services when clinically appropriate, provides that reimbursement to a health care provider for telehealth services for behavioral health services provided through an interactive telecommunications system shall be made on the same basis, in the same manner, and at the same rate as would be applied for the same services if they had been delivered in-person and shall include reasonable compensation to a facility that serves as the originating site at the time a telehealth service is rendered. Provides that with respect to telehealth benefits provided in an individual or group policy of accident or health insurance, insurers may not (rather than an individual or group policy of accident or health insurance may not) require patients to use a separate panel of health care providers to receive telehealth service coverage and reimbursement; create geographic or facility restrictions or requirements for telehealth services; require patients or health care providers to prove a hardship or access barrier before the approval of telehealth services for coverage or reimbursement; negotiate different contract rates for telehealth services and in-person services for behavioral health services; or impose upon telehealth services utilization review requirements that are unnecessary, duplicative, or unwarranted or impose any treatment limitations, prior authorization, documentation, or recordkeeping requirements that are more stringent than the requirements applicable to the same health care service when rendered in-person. Provides that health care providers shall determine the appropriateness of specific sites, technology platforms, and technology vendors for a telehealth service, as long as delivered services adhere to privacy laws. Defines terms.

Amends the All-Inclusive Care for the Elderly Act. Changes the name of the Act to the "Program of All-Inclusive Care for the Elderly Act". Provides that no later than March 1, 2022, the Department of Healthcare and Family Services must submit a State Plan amendment to the federal Centers for Medicare and Medicaid Services (CMS) to establish the Program of All-Inclusive Care for the Elderly (PACE program) to provide community-based, risk-based, and capitated long-term care services as optional services under the State's Medicaid Plan and under contracts entered into between CMS, the Department, and PACE organizations. Provides that beginning June 1, 2022, or upon federal approval, the Department must develop the PACE program in consultation with nursing homes, Area Agencies on Aging, and others interested in the well-being of Illinois' elderly residents. Provides that no later than June 30, 2022, the Department must have prepared a comprehensive plan that describes on a county by county basis how PACE services will be delivered within the designated region. Requires the Department, by August 1, 2022, to issue a request for proposals seeking organizations to enter into risk-based contracts. Provides that no later than October 1, 2023, the Department shall begin accepting applications for the PACE program and shall begin approving applications by November 1, 2023. Provides that certain federal requirements of the PACE model shall not be waived or modified. Contains provisions concerning the treatment of income and resources to determine applicant eligibility; capitation rates for PACE organizations; and other matters. Amends the Illinois Public Aid Code. Provides that subject to federal approval, PACE services shall become a covered benefit of the medical assistance program. Effective immediately.

Fiscal Note (Dept. of Healthcare & Family Services)
The Department of Healthcare and Family Services anticipates that approximately 3 - 6 PACE organizations would begin operation between a target start date of 7/1/23 and a target end date of 6/30/24. It is anticipated that capacity at each center would be roughly 500 individuals. At a per member per month rate of $616 the cost would be between $924,000 and $1,848,000. This fiscal impact has been put together with very broad assumptions, as at this point, it is difficult to determine exactly how many areas of the state will be able to support a PACE program, and thus, the number of enrollees is a very general estimate. It is important to note, the cost of the PACE program would be offset by the reduction to MCO coverage. Therefore, while there is a fiscal impact, the fiscal impact on the state overall would be minimal.

Effective January 1, 2022.

House Committee Amendment No. 1

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Veterans' Affairs Act. Removes provisions requiring the Illinois Joining Forces Foundation (Foundation) to utilize working groups when convening military and veteran support organizations and when providing policy recommendations that benefit service members, veterans, and their families. Removes provisions requiring the Foundation to facilitate the transfer of information and knowledge among Illinois Joining Forces member organizations. Makes changes to the definition of "veterans service organization". Provides that the Foundation may also include up to 18 additional voting members of the Board of Directors: 9 members to be nominated and approved by the Board of Directors according to the Foundation's bylaws, and 9 members to be nominated by the Director of Veterans' Affairs or the Director of Military Affairs. Provides that, to ensure parity, no additional nominees may be considered by the Board of Directors unless a like appointment is made by the Department of Veterans' Affairs or the Department of Military Affairs, and vice versa. Provides that, in consultation with the Foundation's Board of Directors, the Department of Veterans' Affairs or the Department of Military Affairs may adopt other rules deemed necessary to govern Foundation procedures (rather than the Department of Veterans' Affairs may adopt rules in consultation with the Department of Military Affairs). Permits the Foundation to receive administrative support including, but not limited to, legal professionals or additionally agreed upon support as needed or requested, from either the Department of Veterans' Affairs or the Department of Military Affairs.

Amends the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to increase rates and reimbursements in effect on June 30, 2021 payable to Illinois not-for-profit community-based agencies in order to increase access utilization of individual and group supported employment, increase acuity-based rate differentials in on-site and off-site community day services, and other matters. Provides that beginning January 1, 2022, for a medical assistance recipient who is a resident in a facility licensed under the Community-Integrated Living Arrangements (CILA) Licensure and Certification Act, the State shall pay an amount in addition to the minimum monthly personal needs allowance authorized under the Social Security Act so that the person's total monthly personal needs allowance from both State and federal sources equals $90. Provides that beginning no later than October 1, 2022, residents of CILA facilities who are eligible for medical assistance and are enrolled in the State's home and community-based services waiver program for adults with developmental disabilities shall retain all earned income from employment or community day services activities. Removes language requiring that supplies and services be procured without advertising or calling for bids from any qualified not-for-profit agency for persons with significant disabilities that pays at least minimum wage or better. Removes the amendatory changes made to the Illinois Public Aid Code concerning an increase in rates and reimbursements to not-for-profit community-based agencies and an increase in personal needs allowances for residents of Community-Integrated Living Arrangements.

Representative Lindsey LaPointe

HB 00591  (CONTINUED)

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

Fiscal Note (Dept. of Healthcare & Family Services)

The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

   New Act
Rep. Lindsey LaPointe  
HB 03849  (CONTINUED)  

Creates the Supported Decision-Making Agreement Act. Authorizes the creation of supported decision-making agreements and allows a supporter to assist a principal with an intellectual or developmental disability in accessing, collecting, or obtaining information that is relevant to a decision authorized under the supported decision-making agreement. Provides that all adults are presumed to be capable of making decisions regarding daily living and to have capacity unless otherwise determined by a court. Provides that certain persons are disqualified from acting as a supporter. Provides that a supporter may exercise the authority granted to the supporter in the supported decision-making agreement. Provides for the duties of a supporter in a supported decision-making agreement. Prohibits a supporter from doing certain actions in relation to the principal. Requires 2 or more witnesses to be present and sign and date a supported decision-making agreement. Provides a form for a supported decision-making agreement. Provides that a person is not subject to criminal or civil liability and has not engaged in professional misconduct for an act or omission under certain circumstances. Provides that a decision or request made or communicated with the assistance of a supporter shall be recognized as the decision or request of the principal and may be enforced by the principal or supporter on the same basis as a decision or request of the principal. Provides that if a person who receives a copy or is aware of the existence of a supported decision-making agreement and has cause to believe that the principal is being abused, neglected, or exploited by the supporter, the person shall report the alleged abuse, neglect, or exploitation. Provides that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated. Provides for the termination of a supported decision-making agreement. Provides that a principal may revoke the supported decision-making agreement and invalidate the supported decision-making agreement at any time. Provides that a supporter may resign by giving notice to the principal. Effective immediately.

House Committee Amendment No. 2  
Deletes language providing that a person against whom there has been a finding of abuse, neglect, or exploitation of the principal, a child, an elderly individual, or a person with a disability is disqualified from acting as a supporter. Instead disqualifies a person who is listed on the Health Care Worker Registry maintained by the Department of Public Health as ineligible to work. Deletes language providing that a person against whom the principal has obtained an order of protection is disqualified from acting as a supporter. Instead disqualifies an individual who is the subject of a civil or criminal order prohibiting contact with the principal. Deletes language providing that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated.

Senate Committee Amendment No. 1  
Allows a supporter in a supported decision-making agreement to ascertain the wishes and decisions of the principal in order to advocate that the wishes and decisions of an individual with disabilities are implemented (rather than “ascertain the wishes and decisions of the principal, assist in communicating those wishes and decisions to other persons, and advocate to ensure that the wishes and decisions of the principal are implemented”). Requires the Guardianship and Advocacy Commission to develop training and education materials for both principals and supporters. Provides that the Act is effective 6 months after becoming law (rather than immediately).

Amends the Unemployment Insurance Act to provide that if an individual's benefit year begins on or after March 8, 2020, but before the week following the last week of a disaster period established by the gubernatorial disaster proclamations in response to COVID-19, recovery by suit in the name of the People of the State of Illinois or recoupment from benefits payable to an individual for any week shall be permanently waived if the sum was received by the individual without fault on his or her part. Provides that, in cases of such permanent waiver of recovery or recoupment, the Director of Employment Security may not request the Comptroller or the Secretary of the Treasury to withhold a sum of benefits for which an individual is found to be ineligible. Effective immediately.

Fiscal Note (Dept. of Employment Security)

The legislation may have a fiscal impact on the Illinois Unemployment Insurance Trust Fund. The reported data indicates that for the programs payable under Illinois state law: (1) Fiscal Year 2019, non-fraudulent recovery totaled approximately $14,303,046.00; (2) Fiscal Year 2020, non-fraudulent recovery totaled approximately $16,552,059.00; and (3) First and Second Quarter Fiscal Year 2021, non-fraudulent recovery totaled approximately $10,147,378.00. Based on the above data, it appears the legislation could forgive $3.5 million to $5.1 million for each quarter the waiver provision remained in effect. While the system is generally designed to replenish the state’s Unemployment Trust Fund account by charging employers for benefits paid from the account, employers would not be directly charged for the forgiven overpayments as the bill is currently written.

State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunit

HB 1736 (H-AM 1) does not create a State Mandate.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1736 (H-AM 1) includes new requirements for the State Board of Education (Board) and school districts that will have a fiscal impact. This fiscal impact estimate only addresses known or estimated costs for the Board and not PreK-12 public school districts, other State agencies or other entities impacted by the amendments. The Board is tasked with adopting sex education standards by July 1, 2022, develop and maintain sex education resources, and provide technical assistance to school district as needed. ISBE anticipates needing to hire additional staff to implement the requirements of HB 1736 (H-AM 1). ISBE estimates the cost of implementing this amendment will be $1.45m in years 1 and 2 and $100,000 in future years.

New Act

Creates the Protecting Household Privacy Act. Provides that a law enforcement agency shall not obtain household electronic data or direct the acquisition of household electronic data from a private third party, unless (i) the law enforcement agency obtains a court order based upon probable cause, or (ii) the owner of the household electronic device consents to voluntarily provide the desired household electronic data. Provides that if a law enforcement agency obtains household electronic data, the agency within 30 days shall destroy all information obtained, except that a supervisor at that agency may retain particular information if (1) there is reasonable suspicion that the information contains evidence of criminal activity, or (2) the information is relevant to an ongoing investigation or pending criminal trial.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Creates Protecting Household Privacy Act. Reinserts the provisions of the introduced bill with these exceptions. Changes the exceptions in which law enforcement agency may obtain household electronic data. Provides that a law enforcement agency may obtain the data (1) if a law enforcement agency first obtains a warrant under the Code of Criminal Procedure of 1963; (2) a specified emergency situation exists; or (3) with the lawful consent of the owner of the household electronic device or person in actual or constructive possession of the household electronic device, excluding law enforcement personnel. Provides that nothing in the Act shall be construed to apply to the interception, recording, wiretap, or other acquisition of electronic communications as they are transmitted in real time. Provides that in the event of any conflict between the Act and any applicable federal or State law, the requirement that establishes the higher standard for law enforcement to obtain information shall govern.

Senate Floor Amendment No. 1

Defines "digital gateway device". Provides that nothing in the Act prohibits the use of a lawful grand jury subpoena to obtain information which was obtainable by grand jury subpoena prior to the effective date of the Act. Provides that nothing in the Act expands existing civil or criminal liability of an individual or entity arising under any applicable federal or State law.

New Act

50 ILCS 750/4 from Ch. 134, par. 34

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

Provides that the Division of Mental Health shall establish a Statewide Advisory Committee to review and make recommendations for aspects of coordinating 9-1-1 and the 9-8-8 mobile mental health response system most appropriately addressed on a State level. Provides that the Division of Mental Health shall establish Regional Advisory Committees in each EMS Region to advise on regional issues related to emergency response systems for mental and behavioral health. Provides that the exemptions from civil liability in the Emergency Telephone Systems Act apply to any act or omission in the development, design, installation, operation, maintenance, performance, or provision of service directed by the Act. Amends the Medical Assistance Article of the Illinois Public Aid Code. Defines "routine care cost" to mean the cost of medically necessary services related to the care method that is under evaluation in a clinical trial, including the cost of services related to the detection and treatment of any complications arising from the patient's medical care and any complications related to participation in the clinical trial. 725 ILCS 5/123 new

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that ressentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

House Floor Amendment No. 1
Deletes reference to:
   725 ILCS 5/123 new
Adds reference to:
   New Act

Replaces everything after the enacting clause. Creates the Resentencing Task Force Act. Provides that the task force shall study innovative ways to reduce the prison population in Illinois from initiations of ressentencing motions filed by State's Attorneys, the Illinois Department of Corrections and the judicial branch. Provides that the task force further aims to acknowledge that employees who work for the Illinois Department of Corrections and other members of law enforcement may be affected by the reduction of the prison population. Provides that the task force shall consider ways to train and refocus the workforce in communities where many jobs are with the Illinois Department of Corrections and law enforcement. Provides that the task force shall consist of specific members. Provides that the task force shall meet no less than 4 times and shall provide recommendations for legislation to the General Assembly and the Governor's Office on or before January 1, 2022. Provides that the members of the task force shall serve without compensation. Provides that the Illinois Criminal Justice Information Authority shall provide administrative and technical support for the task force and are responsible for appointing a chairperson and ensuring the requirements of the task force are met. Contains a findings provision. Effective immediately.

Senate Floor Amendment No. 5
Reinserts the provisions of the bill as engrossed, with the following changes:

Removes a task force member representing the interests of members of a labor union. Provides for an additional task force member representing the private criminal defense bar. Provides for an additional task force member appointed by the Public Defender's Association. Provides for 3 task force members who are retired judges (rather than one). Provides for an additional task force member appointed by the Department of Corrections.

Provides that the Department of Children and Family Services shall facilitate the prompt and timely collection and provision of data as requested by or on behalf of the Task Force. Requires the Task Force to explore policies and protocols that honor language, culture, and heritage in identity formation and familial relationships, including, but not limited to, race-blind child protection screenings and child removal reviews, as implemented in other jurisdictions around the United States, and to make recommendations for implementation in Illinois. Effective immediately.

Amends the Illinois Human Rights Act. Provides that it is the public policy of the State to prevent discrimination based on the specific status or term of status that accompanies a legal work authorization. Defines “work authorization status” as the status of being a person born outside of the United States, and not a U.S. citizen, who is authorized by the federal government to work in the United States. Provides that it is a civil rights violation for: (1) any employer to refuse to hire, to segregate, to engage in harassment, or to act with respect to recruitment, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges or conditions of employment on the basis of work authorization status; (2) any employment agency to fail or refuse to classify properly, accept applications and register for employment referral or apprenticeship referral, refer for employment, or refer for apprenticeship on the basis of work authorization status; (3) any labor organization to limit, segregate, or classify its membership, or to limit employment opportunities, selection and training for apprenticeship in any trade or craft, or otherwise to take or fail to take, any action which affects adversely any person’s status as an employee or as an applicant for employment or as an apprentice, or as an applicant for apprenticeships, or wages, tenure, hours of employment, or apprenticeship conditions on the basis of work authorization status; and (4) any employer to refuse to honor work authorization based upon the specific status or term of status that accompanies the authorization to work. Provides that it is a civil rights violation for a person, or for 2 or more persons, to conspire to retaliate against a person because he or she has opposed that which he or she reasonably and in good faith believes to be discrimination based on work authorization status. Makes conforming changes. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

775 ILCS 5/2-104 from Ch. 68, par. 2-104

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following change:

Provides that nothing contained in the Act shall require an employer to sponsor any applicant or employee to obtain or modify work authorization status, unless otherwise required by federal law. Effective immediately.

At least 60 days before the start of a term, requires the governing board of a public university or community college district to notify an adjunct professor about whether a class he or she was hired to teach has been canceled.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Amends various Acts relating to the governance of public universities and community colleges in Illinois. At least 30 days before the start of a term and again 14 days before the beginning of a term, requires the governing board of a public university or community college district to notify an adjunct professor about the status of the class the adjunct professor was hired to teach. 225 ILCS 430/1 from Ch. 111, par. 2401
Amends the Detection of Deception Examiners Act. Provides that all applicants and licensees under the Act shall provide a valid address and email address to the Department of Financial and Professional Regulation, which shall serve as the address of record and email address of record, and shall inform the Department of any change of address of record or email address of record within 14 days after such change. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Director of Public Health, if a physician licensed to practice medicine in all its branches in Illinois, shall establish a standing order complete with the issuance of a prescription for a hormonal contraceptive in accordance with the requirements of the provisions. Provides that if the Director is not a physician licensed to practice medicine in all its branches in Illinois, the Medical Director of the Department of Public Health shall establish the standing order. Amends the Illinois Insurance Code. Requires a group or individual policy of accident and health insurance or managed care plan to provide coverage for patient care services provided by a pharmacist. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code. Amends the Pharmacy Practice Act. Provides that the definition of “practice of pharmacy” includes the dispensing of hormonal contraceptives pursuant to the standing order under provisions of the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Amends the Illinois Public Aid Code. Requires the medical assistance program to cover patient care services provided by a pharmacist for hormonal contraceptives assessment and consultation. Effective January 1, 2022.

House Floor Amendment No. 1
Deletes reference to:
   20 ILCS 2310/2310-705 new
Adds reference to:
   225 ILCS 85/43 new
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Further amends the Pharmacy Practice Act. Sets forth provisions concerning dispensation of hormonal contraceptives. Provides that the Department of Financial and Professional Regulation may adopt rules to implement the provisions. In provisions in the Illinois Public Aid Code concerning coverage for patient care services provided by a pharmacist for hormonal contraceptives, provides that the Department of Public Health (rather than the Director of Public Health) shall apply for any necessary federal waivers or approvals to implement the provisions by January 1, 2022. Requires the Department to submit to the Joint Committee on Administrative Rules administrative rules (rather than adopt administrative rules) as soon as practicable but no later than 6 months after federal approval is received (rather than no later than May 1, 2022). Removes changes to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Removes language that provides that the provisions shall not be implemented until the receipt of all necessary federal waivers or approvals or until January 1, 2024, whichever comes first, and if federal approval is not obtained by January 1, 2024, the provisions shall be implemented using State funds.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2023 (rather than the effective date of the amendatory Act) shall provide coverage for health care or patient care services provided by a pharmacist if specified conditions are met (instead of coverage for patient care services provided by a pharmacist for hormonal contraceptives assessment and consultation). Amends the Pharmacy Practice Act to provide that nothing in the provisions concerning dispensation of hormonal contraceptives shall be interpreted to require a pharmacist to dispense hormonal contraception under a standing order issued by a physician licensed to practice medicine in all its branches or the medical director of a local health department (rather than also under a standing order issued by the Medical Director of the Department of Public Health). Changes the definition of “practice of pharmacy”. Effective January 1, 2023 (rather than January 1, 2022).

Senate Floor Amendment No. 2

Provides that an insured or any other person who may be the owner of rights under a policy of life insurance may make an irrevocable assignment of all or a part of his or her rights under the policy to a funeral home in accordance with a specified provision of the Illinois Funeral or Burial Funds Act. Provides that a policy owner who executes a designation beneficiary form irrevocably waives and cannot exercise certain rights, including the right to collect from the insurance company the net proceeds of the policy when it becomes a claim by death and the right to collect or receive income, distributions, or shares of surplus, dividend deposits, refunds of premium, or additions to the policy. Amends the Illinois Funeral or Burial Funds Act. Provides that existing life insurance policies are exempt if there has been an irrevocable declaration of proceeds at the death of the insured. Requires the insured person to sign an irrevocable designation of beneficiary form declaring that any amounts payable from the policies not used for funeral goods and services shall be received by the State up to an amount equal to the total medical assistance paid on behalf of the person with any remaining funds paid to a secondary beneficiary (if any) listed on the policy.

New Act

Creates the Renters' Right to Recycle Act. Requires owners of multifamily dwellings to arrange for recycling services that are appropriate to the multifamily dwelling, including, but not limited to, the provision of on-site paper, plastic, and aluminum recycling containers for tenants. Provides exceptions for multifamily dwellings with inadequate space for recycling containers, that do not have a solid waste enterprise providing recycling services that serve the location, or for which the cost of recycling services creates a financial hardship for the building owner. Directs the Environmental Protection Agency to implement, administer, and enforce the Act and adopt necessary rules. Allows residents of multifamily dwellings to file claims with the Agency stating that the owner of the unit in which the resident resides is in violation of the Act. Provides that violators of the Act's provisions may be assessed a civil penalty in an amount to be determined by the Agency. Provides that the Act does not interfere with or prevent a unit of local government from requiring recycling services for multifamily dwellings.

Acknowledges that toxic stress and adverse childhood experiences can have significantly negative short-term, long-term, and generational impacts and that early interventions through trauma-informed care is the most efficient and cost effective way to combat these impacts. Urges the Illinois General Assembly to seek out opportunities to enhance legislation through the science of resiliency and a trauma informed lens and funding around early intervention services for children and families that centers the principles of brain development, the intimate connection between mental and physical health, and the concepts of toxic stress and adverse childhood experiences.

Creates the Securing All Futures for Equitable Reinvestment in Communities Act. Provides legislative intent. Creates the Securing All Futures for Equitable Reinvestment Tax Credit Pilot Program Act. Provides that an applicant that hires certain formerly incarcerated individuals during the incentive period may apply for a tax credit against the applicant's withholding tax liability. Provides that the savings from the changes made to the Unified Code of Corrections shall be deposited into the Securing All Futures for Equitable Reinvestment (SAFER) Communities Fund for the purpose of funding the program. Amends the Unified Code of Corrections to reduce the sentencing ranges for all classes of felonies, and to remove minimum sentences for Class 4 felonies and Class A and Class B misdemeanors. Provides that the provisions of the Act apply to offenses committed before the effective date of this Act, and to offenses committed on or after the effective date of this amendatory Act. Provides for resentencing of currently incarcerated persons based on these changes. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although the bill limits the credit to $1.5 billion over its 6-year life, the Department is unable to provide a fiscal impact estimate for House Bill 3215 because the legislation, as introduced, contains multiple drafting ambiguities, errors, and incomplete definitions. For example, the bill defines "participant" to mean, in part, a full-time employee who was formerly incarcerated between January 1, 2009 and December 31, 2019. The bill, however, provides later that the credit is limited to 10,000 participants 

"newly released" from prison and 10,000 participants that were released between January 1, 2009 and December 31, 2019. Additionally, the bill provides the credit amount awarded is to be between $10,000 and $15,000 each year per participant hired. The bill further provides a list of criteria to be considered in determining the amount of the credit, but no guidance is provided as to how that list of criteria computes to a given credit amount.

These problems, among others in the bill as introduced, prevent the Department from making adequately precise determinations of who qualifies for the credit and of how to calculate the credit.

215 ILCS 5/356z.22

Amends the Illinois Insurance Code. Includes the delivery of covered health care services by way of telephone usage in the definition of "telehealth services". Provides that health care services that are covered under an individual or group policy of accident or health insurance must be covered when delivered via telehealth services when clinically appropriate, subject to specified conditions (rather than requiring an individual or group policy of accident or health insurance to comply with specified conditions if it provides coverage for telehealth services). Provides that patient cost-sharing may be no more than if the health care service were delivered in person. Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning health care services that are covered under an individual or group policy of accident and health insurance that must be covered when delivered via telehealth services when clinically appropriate, provides that reimbursement to a health care provider for telehealth services for behavioral health services provided through an interactive telecommunications system shall be made on the same basis, in the same manner, and at the same rate as would be applied for the same services if they had been delivered in-person and shall include reasonable compensation to a facility that serves as the originating site at the time a telehealth service is rendered. Provides that with respect to telehealth benefits provided in an individual or group policy of accident or health insurance, insurers may not (rather than an individual or group policy of accident or health insurance may not) require patients to use a separate panel of health care providers to receive telehealth service coverage and reimbursement; create geographic or facility restrictions or requirements for telehealth services; require patients or health care providers to prove a hardship or access barrier before the approval of telehealth services for coverage or reimbursement; negotiate different contract rates for telehealth services and in-person services for behavioral health services; or impose upon telehealth services utilization review requirements that are unnecessary, duplicative, or unwarranted or impose any treatment limitations, prior authorization, documentation, or recordkeeping requirements that are more stringent than the requirements applicable to the same health care service when rendered in-person. Provides that health care providers shall determine the appropriateness of specific sites, technology platforms, and technology vendors for a telehealth service, as long as delivered services adhere to privacy laws. Defines terms.

(Sen. Robert Peters-Jacqueline Y. Collins)

725 ILCS 5/123 new

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

Provides that the task force shall consider ways to train and refocus the workforce in communities where many jobs are with the Illinois Department of Corrections and law enforcement. Provides that the task force shall consist of specific members. Amends the Vital Records Act. Removes language requiring that the State Registrar of Vital Records establish a new certificate of birth when he receives a declaration stating that a person has undergone treatment for the purpose of gender transition, or that the individual has an intersex condition, and that the sex designation on such person's birth record should therefore be changed. Provides that the State Registrar of Vital Records must establish a new certificate of birth when he receives a statement signed by the person in which the person attests to making the request for the purpose of affirming the person's gender identity or intersex condition and that the sex designation on the person's certificate of birth should therefore be changed. Provides that the fee for a new certificate of birth shall not be required from persons upon release from the Department of Corrections or the Department of Juvenile Justice, but the person is entitled to only one new certificate of birth fee waiver. Provides that the fee for a new certificate of birth shall be waived for specified persons. Provides that fees for a new certificate of birth and for a search of a birth record or a certified copy of a birth record shall be waived for all requests by a person who resides in a shelter for domestic violence. Requires the State Registrar of Vital Records to establish standards and procedures for the waiver of fees. Provides that a person who knowingly or purposefully falsifies verification is subject to a penalty of $100. Provides that a person who resides in a shelter for domestic violence shall be provided no more than 4 birth records annually under the provisions. Effective January 1, 2022.  

House Committee Amendment No. 1  
Provides that a person's signed statement to receive a new birth certificate must indicate whether the certificate of birth should be changed to a male, female, or X designation (rather than just changed).

Creates the Prior Authorization Reform Act. Provides requirements concerning disclosure and review of prior authorization requirements, denial of claims or coverage by a utilization review organization, and the implementation of prior authorization requirements or restrictions. Provides requirements concerning a utilization review organization’s obligations with respect to prior authorizations in nonurgent circumstances, urgent health care services, and emergency health care services. Provides that a utilization review organization shall not require prior authorization under specified circumstances. Provides requirements concerning the length of prior authorizations. Provides that health care services are automatically deemed authorized if a utilization review organization fails to comply with the requirements of the Act. Provides that the Director of Insurance may impose an administrative fine not to exceed $250,000 for violations of the Act. Defines terms. Amends the Illinois Insurance Code to change the definition of “emergency medical condition”. Amends the Managed Care Reform and Patient Rights Act to provide that companies that transact accident and health insurance shall comply with specified requirements of the Managed Care Reform and Patient Rights Act. Amends the Illinois Public Aid Code to provide that all managed care organizations shall comply with the requirements of the Prior Authorization Reform Act. Makes other changes. Effective January 1, 2022.

House Floor Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references from “utilization review organization” to “health insurance issuer” or “health insurance issuer or its contracted utilization review organization”. Provides that a health insurance issuer or its contracted utilization review organization must ensure that all adverse determinations are made by a physician when the request is by a physician or a representative of a physician. Provides that a health insurance issuer shall periodically review its prior authorization requirements and consider removal of prior authorization requirements in specified circumstances (rather than a utilization review organization shall not require prior authorization in specified circumstances). In provisions concerning length of prior authorization approval, provides that a prior authorization approval shall be valid for the lesser of 12 months after the date the health care professional or health care provider receives the prior authorization approval or the length of treatment as determined by the patient's health care professional. In provisions concerning clinical review criteria of prior authorization requirements, removes language that provides that a utilization review organization shall seek input from actively practicing physicians representing major areas of the specialty who are not employees of the utilization review organization or consultants to the utilization review organization before establishing or substantially or materially altering written clinical review criteria. Removes language that provides that a utilization review organization shall not deny prior authorization of a health care service solely based on the grounds that a health care professional or health care provider judges a service, product, or procedure is medically appropriate for his or her patient even if it has not been formally approved for the specific condition being treated. In provisions concerning statistics that shall be made available regarding prior authorization approvals and denials, removes specified categories of information. In provisions concerning requirements applicable to the physician who can review consultations and appeals, removes language that provides that the physician must not be employed by a utilization review organization, be under contract with the utilization review organization other than to participate in one or more of the utilization review organization's health care professional networks or to perform reviews of appeals, or otherwise have any financial interest in the outcome of the appeal. Makes other changes. Effective January 1, 2022.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes concerning definitions. Refers to certified nurse midwives (rather than midwives). Provides that licenses under the Act are renewable every year (rather than every 3 years) upon submission of specified materials. Provides that birth centers shall obtain certificates of need from the Health Facilities and Services Review Board under the Illinois Health Facilities Planning Act before receiving a license by the Department of Public Health. Provides that, if, after obtaining an initial certificate of need, a birth center seeks to increase the bed capacity of the birth center, the birth center must obtain a certificate of need from the Health Facilities and Services Review Board before increasing the bed capacity. Provides that a birth center in a medically underserved area shall receive priority in obtaining a certificate of need. Provides that a birth center shall link and integrate its services with at least one birthing hospital with a minimum of a Level 1 perinatal designation (rather than with nearby health care facilities). Provides that a birth center shall have an established agreement with a nearby receiving birthing center (rather than a written plan for transfer of patients).

Provides that a birth center is encouraged to participate in quality improvement projects implemented by the Department of Public Health's Administrative Perinatal Centers and other Department-supported perinatal quality improvement projects. Requires clinicians, or their clinical representative, and attending persons in labor at a birth center to attend morbidity and mortality reviews that occur at the receiving birthing hospital on their patients. Requires the Department to require each birth center to report specified information every year (rather than every 3 years). Removes language requiring the Department to deem an accreditation body applicable to birth centers as a substitute for its own periodic inspection. Makes other changes.

Amends the Illinois Public Aid Code. Provides that the new nursing services reimbursement methodology taking effect January 1, 2022, upon federal approval, shall utilize the Patient Driven Payment Model (PDPM) (rather than the RUG-IV 48 grouper model). Creates the Scholars of Service Act. Defines terms. Creates the public service student loan forgiveness grant program, and provides that the Illinois Student Assistance Commission must, each year, receive and consider applications for grant assistance under the program. Specifies grant eligibility requirements, including requiring an applicant to have been enrolled in the federal Public Service Loan Forgiveness Program and been denied federal student loan forgiveness. Amends the Illinois Insurance Code. Sets forth provisions concerning eligibility for health savings accounts. Provides that an HSA-eligible high deductible health plan is exempt from specified requirements but only until the deductible has been met and only to the extent necessary to allow the policy to satisfy specified federal criteria. Provides that for any HSA-eligible high deductible health plan issued, delivered, amended, or renewed on or after January 1, 2022, a company shall expressly identify the policy as HSA-eligible in all policy forms and in all sales and marketing materials. Provides that for high deductible non-HSA policies issued, delivered, amended, or renewed on or after January 1, 2022, the company shall use the term "non-HSA" in any name or title of the product found in its policy form, as well as in all sales and marketing materials. Provides that beginning January 1, 2022, if a company offers any HSA-eligible HDHP in the large group market, then it shall also offer in the same market at least one high-deductible non-HSA policy. Defines "HSA-eligible HDHP" and "high deductible non-HSA policy". In provisions concerning coverage for screening by low-dose mammography, provisions concerning coverage for contraceptives, and provisions concerning coverage for whole body skin examination, removes provisions stating that the mandates do not apply to required coverage to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account pursuant to specified federal law. Makes a conforming change in the Health Maintenance Organization Act. Amends the Health Maintenance Organization Act and the Voluntary Health Services Plans Act to provide that health maintenance organizations and voluntary health services plans shall be subject to provisions of the Illinois Insurance Code concerning nonparticipating facility-based physicians and providers and provisions concerning eligibility for health savings accounts. Amends the Criminal Identification Act. Provides that the Illinois State Police and all law enforcement agencies within the State shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for any person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation on the effective date of the amendatory Act. Provides that the clerk of the circuit court shall, on the effective date of the amendatory Act, automatically expunge the court records of a person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation on the effective date of the amendatory Act. Provides that a person imprisoned solely as a result of one or more convictions for possession or delivery, but not manufacture or production, of cannabis shall be released from incarceration on the effective date of the amendatory Act. Amends the Cannabis Control Act. Repeals the provision prohibiting the possession of cannabis. Modifies the provision prohibiting the delivery or manufacture of cannabis so it applies only to manufacture or production of cannabis. Amends the Cannabis Regulation and Tax Act to make conforming changes.

Fiscal Note (Admin Office of the Illinois Courts)

HB3085 amends the Criminal Identification Act, requiring automatic expungement of law enforcement and court records related to cannabis convictions on the effective date of the bill. Based on a review of the bill, it is not possible to determine what fiscal impact, if any, the bill would have on state appropriations to the judicial branch or what fiscal impact, if any, the bill would have on local judicial budgets.

Fiscal Note (Illinois State Police)

House Bill 3085 provides the Illinois State Police shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for any person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation. Automatic expungement outside the judicial process will not allow for the collection of statutory fees, which cover administrative costs. While existing personnel may be used to develop and implement computer programming to carry out the automatic expungement of electronic records, our records unit who handles physical records would need additional staff. The cost of one office specialist in our records unit is $113,583, which includes personal services and fringe benefits (retirement, social security and insurance). If House Bill 3085 were to become law, we would hire three additional records specialists at a cost of approximately $340,749.

HB 03308

215 ILCS 5/356z.22

Amends the Illinois Insurance Code. Includes the delivery of covered health care services by way of telephone usage in the definition of "telehealth services". Provides that health care services that are covered under an individual or group policy of accident or health insurance must be covered when delivered via telehealth services when clinically appropriate, subject to specified conditions (rather than requiring an individual or group policy of accident or health insurance to comply with specified conditions if it provides coverage for telehealth services). Provides that patient cost-sharing may be no more than if the health care service were delivered in person. Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.

House Committee Amendment No. 1
Representative Bob Morgan
HB 03308 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning health care services that are covered under an individual or group policy of accident and health insurance that must be covered when delivered via telehealth services when clinically appropriate, provides that reimbursement to a health care provider for telehealth services for behavioral health services provided through an interactive telecommunications system shall be made on the same basis, in the same manner, and at the same rate as would be applied for the same services if they had been delivered in-person and shall include reasonable compensation to a facility that serves as the originating site at the time a telehealth service is rendered. Provides that with respect to telehealth benefits provided in an individual or group policy of accident or health insurance, insurers may not (rather than an individual or group policy of accident or health insurance may not) require patients to use a separate panel of health care providers to receive telehealth service coverage and reimbursement; create geographic or facility restrictions or requirements for telehealth services; require patients or health care providers to prove a hardship or access barrier before the approval of telehealth services for coverage or reimbursement; negotiate different contract rates for telehealth services and in-person services for behavioral health services; or impose upon telehealth services utilization review requirements that are unnecessary, duplicative, or unwarranted or impose any treatment limitations, prior authorization, documentation, or recordkeeping requirements that are more stringent than the requirements applicable to the same health care service when rendered in-person. Provides that health care providers shall determine the appropriateness of specific sites, technology platforms, and technology vendors for a telehealth service, as long as delivered services adhere to privacy laws. Defines terms.

Amends the Compassionate Use of Medical Cannabis Program Act. Provides that employers are not prohibited from adopting specified policies concerning medical cannabis by registered qualifying patients, including drug testing policies for such patients working in safety sensitive positions. Unless specified circumstances are met, prohibits employers from taking adverse action against registered qualifying patients who work in non-safety sensitive positions solely due to a positive drug test for medicinal cannabis. Defines "safety sensitive position". Provides that nothing in the Act prohibits an employer from enforcing a preemployment drug testing policy, zero-tolerance drug testing policy, random drug testing policy, or a drug free workplace policy (rather than only a workplace drug policy) or disciplining a registered qualifying patient for violating such a policy, provided that an employer shall not take adverse action against a registered qualifying patient in a non-safety sensitive position solely due to a positive drug test for medical cannabis (rather than due to a positive drug test for cannabis) unless specified criteria are met. Provides that there is not a cause of action for any person against an employer for disciplining or terminating the employment of a registered qualifying patient when enforcing a compliant policy. Makes other changes. Amends the Right to Privacy in the Workplace Act. Provides that the amendatory Act's provisions are an exception to provisions prohibiting an employer from refusing to hire or to discharge or disadvantage any individual because the individual uses lawful products off the premises of the employer during nonworking and non-call hours. Effective immediately.

New Act

Creates the Supported Decision-Making Agreement Act. Authorizes the creation of supported decision-making agreements and allows a supporter to assist a principal with an intellectual or developmental disability in accessing, collecting, or obtaining information that is relevant to a decision authorized under the supported decision-making agreement. Provides that all adults are presumed to be capable of making decisions regarding daily living and to have capacity unless otherwise determined by a court. Provides that certain persons are disqualified from acting as a supporter. Provides that a supporter may exercise the authority granted to the supporter in a supported decision-making agreement. Provides for the duties of a supporter in a supported decision-making agreement. Prohibits a supporter from doing certain actions in relation to the principal. Requires 2 or more witnesses to be present and sign and date a supported decision-making agreement. Provides a form for a supported decision-making agreement. Provides that a person is not subject to criminal or civil liability and has not engaged in professional misconduct for an act or omission under certain circumstances. Provides that a decision or request made or communicated with the assistance of a supporter shall be recognized as the decision or request of the principal and may be enforced by the principal or supporter on the same basis as a decision or request of the principal. Provides that if a person who receives a copy or is aware of the existence of a supported decision-making agreement and has cause to believe that the principal is being abused, neglected, or exploited by the supporter, the person shall report the alleged abuse, neglect, or exploitation. Provides that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated. Provides for the termination of a supported decision-making agreement. Provides that a principal may revoke the supported decision-making agreement and invalidate the supported decision-making agreement at any time. Provides that a supporter may resign by giving notice to the principal. Effective immediately.

House Committee Amendment No. 2

Deletes language providing that a person against whom there has been a finding of abuse, neglect, or exploitation of the principal, a child, an elderly individual, or a person with a disability is disqualified from acting as a supporter. Instead disqualifies a person who is listed on the Health Care Worker Registry maintained by the Department of Public Health as ineligible to work. Deletes language providing that a person against whom the principal has obtained an order of protection is disqualified from acting as a supporter. Instead disqualifies an individual who is the subject of a civil or criminal order prohibiting contact with the principal. Deletes language providing that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated. Provides for the termination of a supported decision-making agreement. Provides that a principal may revoke the supported decision-making agreement and invalidate the supported decision-making agreement at any time. Provides that a supporter may resign by giving notice to the principal. Effective immediately.

Senate Committee Amendment No. 1

Allows a supporter in a supported decision-making agreement to ascertain the wishes and decisions of the principal in order to advocate that the wishes and decisions of an individual with disabilities are implemented (rather than “ascertain the wishes and decisions of the principal, assist in communicating those wishes and decisions to other persons, and advocate to ensure that the wishes and decisions of the principal are implemented”). Requires the Guardianship and Advocacy Commission to develop training and education materials for both principals and supporters. Provides that the Act is effective 6 months after becoming law (rather than immediately).

HB 00135 (CONTINUED)  
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Further amends the Pharmacy Practice Act. Sets forth provisions concerning dispensation of hormonal contraceptives. Provides that the Department of Financial and Professional Regulation may adopt rules to implement the provisions. In provisions in the Illinois Public Aid Code concerning coverage for patient care services for hormonal contraceptives provided by a pharmacist, provides that the Department of Public Health (rather than the Director of Public Health) shall apply for any necessary federal waivers or approvals to implement the provisions by January 1, 2022. Provides that the Department shall submit to the Joint Committee on Administrative Rules administrative rules (rather than adopt administrative rules) as soon as practicable but no later than 6 months after federal approval is received (rather than no later than May 1, 2022). Removes changes to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Removes language that provides that the provisions shall not be implemented until the receipt of all necessary federal waivers or approvals or until January 1, 2024, whichever comes first, and if federal approval is not obtained by January 1, 2024, the provisions shall be implemented using State funds.

Senate Committee Amendment No. 1  
Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2023 (rather than the effective date of the amendatory Act) shall provide coverage for health care or patient care services provided by a pharmacist if specified conditions are met (instead of coverage for patient care services provided by a pharmacist for hormonal contraceptives assessment and consultation). Amends the Pharmacy Practice Act to provide that nothing in the provisions concerning dispensation of hormonal contraceptives shall be interpreted to require a pharmacist to dispense hormonal contraception under a standing order issued by a physician licensed to practice medicine in all its branches or the medical director of a local health department (rather than also under a standing order issued by the Medical Director of the Department of Public Health). Changes the definition of "practice of pharmacy". Effective January 1, 2023 (rather than January 1, 2022).

Senate Floor Amendment No. 2  
Provides that the bill takes effect on January 1, 2022, except that provisions amending the Illinois Insurance Code take effect on January 1, 2023 (rather than all provisions taking effect on January 1, 2023).

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that the State Board of Education shall adopt rules governing the use of isolated time, time out, and physical restraint in public schools and special education nonpublic facilities (rather than just in public schools). Provides that the State Board shall, by the adoption of emergency rules if it so chooses, create (rather than must create) a grant program for school districts, certain special education nonpublic facilities, and special education cooperatives (rather than for school districts and special education cooperatives and charter schools approved by the State Board). Makes changes concerning the prohibition against the use of prone restraint to allow prone restraint to be used when specified conditions are satisfied. Amends the Illinois Administrative Procedure Act to make a related change. Corrects grammatical errors. Effective immediately.

Senate Floor Amendment No. 2

With respect to the grant program, requires the State Board of Education to prioritize grant funding to those school districts, special education nonpublic facilities, and special education cooperatives that submit a plan to achieve a significant reduction or elimination in the use of isolated time out and physical restraint in less than 3 years. In provisions allowing the use of prone restraint if certain conditions are satisfied, allows the use of prone restraint if the use of prone restraint occurs within the 2021-2022 school year (rather than within the school years of 2021-2022 and 2022-2023).

New Act

Creates the Racial Disproportionality in Child Welfare Task Force Act. Creates the Racial Disproportionality in Child Welfare Task Force within the Department of Children and Family Services. Requires the Task Force to examine the historical and current role of mandatory reporting and its impact on the racial and gender disparities of families involved with the Department of Children and Family Services; examine the underlying factors that bring families into contact with the Department and the factors that lead to child removal; review the Department's progress on the planning and implementation of the Family First Prevention Services Act; examine the current processes and policies, data, and data collection methods for families involved simultaneously in the child welfare, juvenile justice, or criminal justice systems; explore policies and protocols for race-blind child protection screenings and child removal reviews; and other duties. Contains provisions concerning the composition of the Task Force and Task Force meetings. Requires the Task Force to submit a report to the General Assembly and the Governor within one year after the Task Force has its first meeting. Provides that the report shall contain policy recommendations that seek to prioritize preserving and reuniting families involved in the child welfare system, particularly Black families; reduce child welfare system involvement, particularly for Black families; and eliminate racial disproportionality in system involvement and the disproportionate impact of system involvement on families. Provides that the Task Force is dissolved, and the Act repealed, on January 1, 2024. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Task Force shall include one member (rather than 2 members) from an organization with expertise in the child welfare system that advocates to preserve and reunify families, appointed by the Governor's Office; 2 members who provide legal representation on behalf of the State of Illinois in child protection cases, one from the Cook County State's Attorney's Office, appointed by the Governor's Office, and one from a State's Attorney's office outside of Cook County, appointed by the Governor's Office; and one member from a statewide organization advocating for the advancement of civil liberties for at least 80 years in Illinois, appointed by the Governor's Office. Provides that the Department of Children and Family Services shall facilitate the prompt and timely collection and provision of data as requested by or on behalf of the Task Force. Requires the Task Force to explore policies and protocols that honor language, culture, and heritage in identity formation and familial relationships, including, but not limited to, race-blind child protection screenings and child removal reviews, as implemented in other jurisdictions around the United States, and to make recommendations for implementation in Illinois. Effective immediately.

House Floor Amendment No. 2

Provides that any data provided by the Department of Children and Family Services to the Racial Disproportionality in Child Welfare Task Force shall not contain any personally identifiable information of any clients or families in accordance with the provisions of the Abused and Neglected Child Reporting Act.

410 ILCS 705/10-35

In provisions amending the Compassionate Use of Medical Cannabis Program Act, makes changes to the definition of “Social Equity Justice Involved Applicant”. Requires cannabis in a vehicle to be in a reasonably secured, sealed or resealable (rather than a reasonable secured, sealed) container. In provisions amending the Cannabis Regulation and Tax Act, makes the following changes. Removes language providing that any person 21 years of age or older in possession of cannabis shall not be required to possess cannabis in a container that meets specified requirements. Provides an exception for breaching the confidentiality of information obtained under the Act. Provides that an Early Approval Adult Use Dispensing Organization's application to relocate its license under specified provisions shall be deemed approved 30 days (rather than within 30 days) following the submission of a complete application to relocate. Provides that specified applicants may not be located within 1,500 of a dispensing organization licensed under provisions regarding Early Approval Adult Use Dispensing Organization Licenses or Early Approval Adult Use Dispensing Organization License secondary sites (rather than within 1,500 of a dispensing organization), unless specified requirements are met. Provides that if awarding a license in a Tied Applicant Lottery would result in a Tied Applicant possessing more than 10 specified licenses, or any combination of the specified licenses, (rather than only the specified licenses) the Tied Applicant must choose which license to abandon. Restores language requiring any product containing cannabis to be sold in a container that, among other things, must be odor-proof.

Acknowledges that toxic stress and adverse childhood experiences can have significantly negative short-term, long-term, and generational impacts and that early interventions through trauma-informed care is the most efficient and cost effective way to combat these impacts. Urges the Illinois General Assembly to seek out opportunities to enhance legislation through the science of resiliency and a trauma informed lens and funding around early intervention services for children and families that centers the principles of brain development, the intimate connection between mental and physical health, and the concepts of toxic stress and adverse childhood experiences.

A search warrant authorized under this Section shall require that a law enforcement officer be recognizable and identifiable as a uniformed law enforcement officer and provide audible notice of his authority and purpose reasonably expected to be heard by occupants of the place to be searched prior to the execution of the search warrant. After entering and securing the place to be searched and prior to undertaking any search or seizure pursuant to the search warrant, the executing law enforcement officer shall read and give a copy of the search warrant to the person to be searched or the owner of the place to be searched or, if the owner is not present, to any occupant of the place to be searched. 310 ILCS 105/25

Amends the Rental Housing Support Program Act. In a provision requiring the Illinois Housing Development Authority to adopt rules concerning grants awarded to local administering agencies to fund rent subsidies for low-income families, provides that the rules must limit eligibility for tenancy in the subsidized rental units to households with gross income that is at or below 40% (rather than 30%) of the family median income for the area in which the grant will be made. In a provision concerning rules on grants awarded to entities for the development of affordable rental housing, provides that the rules must require 50% of the units that are supported by any grant to be set aside for households whose income is at or below 25% (rather than 15%) of the median family income for the area in which the grant will be made.

       House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Rental Housing Support Program Act. Provides that once a tenant has received assistance under the Rental Housing Support Program the tenant shall remain eligible for assistance under the Program until the tenant reaches an income level of 35% of area median family income and will then begin the transition out of the Program, as described in the rules governing the Program. Replaces everything after the enacting clause. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health, subject to appropriation or other available funding, shall conduct a program to promote awareness of firearms restraining orders to the general public. Provides that beginning July 1, 2022, the program must include the development and dissemination, through print, digital, and broadcast media, of public service announcements that publicize the options victims of domestic violence have to seek help with special emphasis on the firearms restraining order. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Creates the Commission on Implementing the Firearms Restraining Order Act. Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board shall develop and approve a standard curriculum for a training program on the Firearms Restraining Order Act. Provides that the Board shall conduct a training program that trains officers on the use of firearms restraining orders, how to identify situations in which a firearms restraining order is appropriate, and how to safely promote the usage of the firearms restraining order in a domestic violence situation. Provides that the curriculum of police training schools shall also include training on the use of a firearms restraining order by providing instruction on the process used to file a firearms restraining order, how to identify situations in which a firearms restraining order is appropriate, and how to promote a firearms restraining order in a domestic violence situation. Provides that if adequate firearms restraining order training is unavailable, the Illinois Law Enforcement Training Standards Board may approve training to be conducted by a third party. Officers who have successfully completed this program shall be issued a certificate attesting to their attendance. Amends the Firearms Restraining Order Act. Provides that a firearms restraining order includes the seizure of the respondent's ammunition and firearm parts that could be assembled to make an operable firearm. Provides that “family member of the respondent” includes a former spouse and a person with whom the respondent has or allegedly has a child in common. Provides that a petition for a firearms restraining order may be filed in any county where an incident occurred that involved the respondent posing an immediate and present danger of causing personal injury to the respondent or another by having in his or her custody or control, or purchasing, possessing, or receiving, a firearm or ammunition or firearm parts that could be assembled to make an operable firearm. Includes printing a petition for a firearms restraining order for which no fees may be charged by the circuit clerk. Provides that the Illinois State Police shall submit a yearly report to the General Assembly concerning the applications and issuance of firearms restraining orders. Makes other changes.

Senate Committee Amendment No. 1
Further amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health's program to promote awareness of firearms restraining orders shall include production of materials that can be given to health care workers that assist in identifying people who may benefit from awareness of the Firearms Restraining Order Act (rather than victims of domestic violence and how to safely and discreetly determine if a potential abuser possesses a firearm). Deletes language providing that the program must include the development and dissemination of public service announcements that publicize the options for victims of domestic violence to seek help. Further amends the Department of State Police Law of the Civil Administrative Code of Illinois. Changes the composition of the Commission on Implementing the Firearms Restraining Order Act. Removes language providing for a member of a nonprofit organization whose mission is to reduce gun violence with experience educating the public about the Firearms Restraining Order Act, nominated by such an organization whose membership is the most numerous in Illinois. Adds to the membership the Director of Public Health or the Director's designee. Further amends the Illinois Police Training Act. Deletes language providing that police officer training shall include how to promote a firearms restraining order in a domestic violence situation. Further amends the Firearms Restraining Order Act. In the definition of “family member of the respondent”, replaces new provision that the definition includes a person with whom the respondent has or allegedly has a child in common with a person with whom the respondent has a minor child in common.

State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

HB 1736 (H-AM 1) does not create a State Mandate.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1736 (H-AM 1) includes new requirements for the State Board of Education (Board) and school districts that will have a fiscal impact. This fiscal impact estimate only addresses known or estimated costs for the Board and not PreK-12 public school districts, other State agencies or other entities impacted by the amendments. The Board is tasked with adopting sex education standards by July 1, 2022, develop and maintain sex education resources, and provide technical assistance to school district as needed. ISBE anticipates needing to hire additional staff to implement the requirements of HB 1736 (H-AM 1). ISBE estimates the cost of implementing this amendment will be $1.45m in years 1 and 2 and $100,000 in future years.

House Committee Amendment No. 1
Changes the definition of "administering State agency" to any agency or department of the State that is eligible to receive a direct federal allocation of federal Emergency Rental Assistance funds that will disburse funds and administer all or a portion of the Federal Emergency Rental Assistance Program. Deletes the definition of "recipient" or "program recipient". Provides that any State agency administering the program shall provide rental assistance (rather than "program recipients with relief payments") in an amount based on stated need rather than on a flat or fixed amount. Provides that the administering State agency shall make any joint program application forms available. Deletes language requiring the administering State agency to make program application forms for utility providers available.

Fiscal Note (Dept. of Human Services)
The source for the Rental Assistance Program is federal and pending the final determination of the agency responsible for implementing the Covid-19 Federal Emergency Rental Assistance Program, The Department of Human Services does not anticipate a significant fiscal impact to the department to carry out the duties required by HB 2877.

35 ILCS 5/304.1 new
35 ILCS 5/1501 from Ch. 120, par. 15-1501

Amends the Illinois Income Tax Act. Provides that all the corporations, wherever incorporated or domiciled, that are members of a unitary business shall file a combined return as a combined group. Makes changes to the definition of "unitary business". Contains provisions concerning a water's edge election. Provides that, with respect to unitary business groups, "United States" means the 50 states of the United States, the District of Columbia, and United States' territories and possessions.

Fiscal Note (Dept. of Revenue)
The revenue impact of this bill is unknown. Several issues need to be addressed before determining if and how this bill might impact State revenues. As an example, in a provision relating to a water's-edge election, the bill provides that a taxpayer's "entire income" must be considered. The bill does not define "entire income" nor is this a relevant term in the Illinois Income Tax Act. Aside from this and similar type issues needing addressed, there are other challenges to determining a fiscal impact. For example, where there might be a revenue impact, there is no way to compute an estimate since the provision brings income into the apportionable base from companies that previously have not had to file with the Department. There is no way for the Department to know anything about those companies, their income, or their apportionment factors. In fact, the Department cannot definitively say whether the overall revenue impact of this bill, as written, is positive, negative, or neutral.

35 ILCS 5/203 from Ch. 120, par. 2-203
35 ILCS 5/1501 from Ch. 120, par. 15-1501

Amends the Illinois Income Tax Act. Contains provisions concerning a deduction for income included in the taxpayer's federal adjusted gross income and deemed received under Section 951A (GILTI) or Section 952 (Subpart F) of the Internal Revenue Code.

Fiscal Note (Dept. of Revenue)
The bill refers to a corporate taxpayer's calculation of federal adjusted gross income. However, corporate taxpayers do not have a federal adjusted gross income. They have federal taxable income. Additionally, the bill proposes to disallow a subtraction at the State level that would have been made in tax years 2018 and 2019 for amounts included federally pursuant to Section 965 of the Internal Revenue Code. This is likely to raise issues as to the constitutionality of the proposal. For these reasons, an estimate cannot be determined.

705 ILCS 405/2-10 from Ch. 37, par. 802-10

Amends the Juvenile Court Act of 1987. In the Section concerning temporary custody of an abused or neglected minor, provides that nothing in the provisions shall restrict the Department of Children and Family Services from immediately restricting or terminating parent-child contact or sibling contacts if the Department or its assigns reasonably believe that continuation of the contact, as set out in the plan, would result in an immediate threat (instead of "would be contrary to") to the child's health, safety, and welfare. Provides that such restrictions on parent-child contact and sibling contacts by the Department or its assigns shall only occur on an individual case-by-case basis.

HB 03810  (CONTINUED)

New Act

Creates the Racial Disproportionality in Child Welfare Task Force Act. Creates the Racial Disproportionality in Child Welfare Task Force within the Department of Children and Family Services. Requires the Task Force to examine the historical and current role of mandatory reporting and its impact on the racial and gender disparities of families involved with the Department of Children and Family Services; examine the underlying factors that bring families into contact with the Department and the factors that lead to child removal; review the Department's progress on the planning and implementation of the Family First Prevention Services Act; examine the current processes and policies, and data collection methods for families involved simultaneously in the child welfare, juvenile justice, or criminal justice systems; explore policies and protocols for race-blind child protection screenings and child removal reviews; and other duties. Contains provisions concerning the composition of the Task Force and Task Force meetings. Requires the Task Force to submit a report to the General Assembly and the Governor within one year after the Task Force has its first meeting. Provides that the report shall contain policy recommendations that seek to prioritize preserving and reuniting families involved in the child welfare system, particularly Black families; reduce child welfare involvement, particularly for Black families; and eliminate racial disproportionality in system involvement and the disproportionate impact of system involvement on families. Provides that the Task Force is dissolved, and the Act repealed, on January 1, 2024. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Task Force shall include one member (rather than 2 members) from an organization with expertise in the child welfare system that advocates to preserve and reunify families, appointed by the Governor's Office; 2 members who provide legal representation on behalf of the State of Illinois in child protection cases, one from the Cook County State's Attorney's Office, appointed by the Governor's Office, and one from a State's Attorney's office outside of Cook County, appointed by the Governor's Office; and one member from a statewide organization advocating for the advancement of civil liberties for at least 80 years in Illinois, appointed by the Governor's Office. Provides that the Department of Children and Family Services shall facilitate the prompt and timely collection and provision of data as requested by or on behalf of the Task Force. Requires the Task Force to explore policies and protocols that honor language, culture, and heritage in identity formation and familial relationships, including, but not limited to, race-blind child protection screenings and child removal reviews, as implemented in other jurisdictions around the United States, and to make recommendations for implementation in Illinois. Effective immediately.

House Floor Amendment No. 2

Provides that any data provided by the Department of Children and Family Services to the Racial Disproportionality in Child Welfare Task Force shall not contain any personally identifiable information of any clients or families in accordance with the provisions of the Abused and Neglected Child Reporting Act.

Provides that a unit of local government may also adopt a method of certifying paperless digital copies of any record using PDF file delivery if the unit of local government provides for free on its website an upload tool for any person in recipient of a certified digital file to confirm its authenticity. Requires a unit of local government to provide notice before adopting such procedures. Provides that the Act may be referred to as the At Your Service Act.

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. HB 01092  (CONTINUED) 

Amends the Department of Public Health Powers and Duties law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health, subject to appropriation or other available funding, shall conduct a program to promote awareness of firearms restraining orders to the general public. Provides that beginning July 1, 2022, the program must include the development and dissemination, through print, digital, and broadcast media, of public service announcements that publicize the options victims of domestic violence have to seek help with special emphasis on the firearms restraining order. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Creates the Commission on Implementing the Firearms Restraining Order Act. Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board may approve training to be conducted by a third party. Officers who have successfully completed this program shall be issued a certificate attesting to their attendance. Amends the Firearms Restraining Order Act. Provides that a firearms restraining order includes the seizure of the respondent's ammunition and firearm parts that could be assembled to make an operable firearm. Provides that "family member of the respondent" includes a former spouse and a person with whom the respondent has or allegedly has a child in common. Provides that a petition for a firearms restraining order may be filed in any county where an incident occurred that involved the respondent posing an immediate and present danger of causing personal injury to the respondent or another by having in his or her custody or control, or purchasing, possessing, or receiving, a firearm or ammunition or firearm parts that could be assembled to make an operable firearm. Includes printing a petition for a firearms restraining order for which no fees may be charged by the circuit clerk. Provides that the Illinois State Police shall submit a yearly report to the General Assembly concerning the applications and issuance of firearms restraining orders. Makes other changes.

Senate Committee Amendment No. 1

Further amends the Department of Public Health Powers and Duties law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health's program to promote awareness of firearms restraining orders shall include production of materials that can be given to health care workers that assist in identifying people who may benefit from awareness of the Firearms Restraining Order Act (rather than victims of domestic violence and how to safely and discreetly determine if a potential abuser possesses a firearm). Deletes language providing that the program must include the development and dissemination of public service announcements that publicize the options for victims of domestic violence to seek help. Further amends the Department of State Police Law of the Civil Administrative Code of Illinois. Changes the composition of the Commission on Implementing the Firearms Restraining Order Act. Removes language providing for a member of a nonprofit organization whose mission is to reduce gun violence with experience educating the public about the Firearms Restraining Order Act, nominated by such an organization whose membership is the most numerous in Illinois. Adds to the membership the Director of Public Health or the Director's designee. Further amends the Illinois Police Training Act. Deletes language providing that police officer training shall include how to promote a firearms restraining order in a domestic violence situation. Further amends the Firearms Restraining Order Act. In the definition of "family member of the respondent", replaces new provision that the definition includes a person with whom the respondent has or allegedly has a child in common with a person with whom the respondent has a minor child in common.

Creates the Securing All Futures for Equitable Reinvestment in Communities Act. Provides legislative intent. Creates the Securing All Futures for Equitable Reinvestment Tax Credit Pilot Program Act. Provides that an applicant that hires certain formerly incarcerated individuals during the incentive period may apply for a tax credit against the applicant's withholding tax liability. Provides that the savings from the changes made to the Unified Code of Corrections shall be deposited into the Securing All Futures for Equitable Reinvestment (SAFER) Communities Fund for the purpose of funding the program. Amends the Unified Code of Corrections to reduce the sentencing ranges for all classes of felonies, and to remove minimum sentences for Class 4 felonies and Class A and Class B misdemeanors. Provides that the provisions of the Act apply to offenses committed before the effective date of this Act, and to offenses committed on or after the effective date of this amendatory Act. Provides for resentencing of currently incarcerated persons based on these changes. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although the bill limits the credit to $1.5 billion over its 6-year life, the Department is unable to provide a fiscal impact estimate for House Bill 3215 because the legislation, as introduced, contains multiple drafting ambiguities, errors, and incomplete definitions. For example, the bill defines "participant" to mean, in part, a full-time employee who was formerly incarcerated between January 1, 2009 and December 31, 2019. The bill, however, provides later that the credit is limited to 10,000 participants "newly released" from prison and 10,000 participants that were released between January 1, 2009 and December 31, 2019. Additionally, the bill provides the credit amount awarded is to be between $10,000 and $15,000 each year per participant hired. The bill further provides a list of criteria to be considered in determining the amount of the credit, but no guidance is provided as to how that list of criteria computes to a given credit amount.

These problems, among others in the bill as introduced, prevent the Department from making adequately precise determinations of who qualifies for the credit and of how to calculate the credit.

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Amends the Criminal Identification Act. Provides that a petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in:
(1) an order of misdemeanor diversion under the Unified Code of Corrections, and the diversion program was successfully completed by the petitioner; or (2) a conviction for possession of certain specified amounts of a controlled substance; (3) a conviction for possessing less than 5 grams of methamphetamine; or (4) a conviction where the statutory penalty changed as a result of a resentencing hearing under the Code of Criminal Procedure of 1963. Amends the Illinois Controlled Substances Act. Changes the penalties for the manufacture, delivery, or possession with intent to manufacture or deliver, or possession of a controlled substance. Amends the Methamphetamine Control and Community Protection Act. Changes the penalties for methamphetamine delivery or possession. Amends the Code of Criminal Procedure of 1963. Provides that a person serving a sentence, including a sentence of probation, for an offense for which the statutory penalty has been subsequently reduced under the amendatory Act to petition the trial court that entered the judgment of conviction to request resentencing in accordance with the statutory penalty in effect at the time of the filing of the petition. Amends the Unified Code of Corrections to create a Misdemeanor Diversion Program.

Fiscal Note (Admin Office of the Illinois Courts)
HB3447 amends the Criminal Identification Act regarding expungements. Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

HB 03587 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. 725 ILCS 5/104-17 from Ch. 38, par. 104-17

Amends the Code of Criminal Procedure of 1963. Provides that in the case of an order of the court committing a defendant who has been found unfit to stand trial for treatment, the court shall order that the placement be on an outpatient basis unless the court determines that outpatient treatment will not provide reasonable assurances for the safety of the defendant and others or provide reasonable assurances that the defendant can be restored to fitness on an outpatient basis. Provides that if the court determines that placement on an outpatient basis is not appropriate, the court shall (rather than may) order the defendant placed for treatment in the custody of the Department of Human Services or the court may order him or her placed in the custody of any other appropriate public or private inpatient mental health facility (deletes treatment program) which has agreed to provide treatment to the defendant. Makes other changes.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following changes:
In a provision concerning commitment for treatment, provides that the court shall order that the placement be on an outpatient basis unless the court determines: (1) that outpatient treatment will not provide reasonable assurances for the safety of the defendant and others or provide reasonable assurances that the defendant can be restored to fitness on an outpatient basis, or (2) that clinically appropriate outpatient treatment is not accessible, or optimal, due to cost, waiting lists, treatment limits, or other barriers. Provides that the defendant shall be placed in a state operated facility under certain circumstances unless there are no beds available.
