HB 02400

730 ILCS 5/3-14-1.1 new

Amends the Unified Code of Corrections. Provides that a committed person who is at least 50 years of age and who has served at least 30 consecutive years of imprisonment in a Department of Corrections institution or facility may petition the Department for participation in the Pathway to Community Program, which is a 5-year pilot program within the Department of Corrections. Provides that a maximum of 15 males and a maximum of 15 females may be selected for the Program. Excludes from the Program persons convicted of first degree murder of a peace officer or firefighter and sexual predators. Establishes eligibility requirements for the Program. Provides that before a participant is selected for the Program, the petitioner shall successfully complete an atonement and restorative justice program prepared by the Department. Following completion of this program of atonement and restorative justice, the Department shall notify the victim and the family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. Up to $1,000 of trauma-informed victim services or trauma-certified professional therapy shall be provided by the Department to family members of the victim of the petitioner's offense. Provides that optional participation by family members of the victim of petitioner's offense shall be provided by the Department at no cost to the family members of the victim. Provides that time served in the Program shall be credited toward time served on the sentence. Provides that the Program is terminated 6 years after the effective date of the amendatory Act.

Correctional Note (Dept of Corrections)
Representative Arthur Turner
HB 02400  (CONTINUED)

The impact of this legislation on the Department will depend on how many offenders would be accepted into and complete the Pathway to Community Program, how many offenders would receive executive clemency, how many staff are needed to meet the requirements outlined in this legislation, how victims and their families respond, and how fiscal needs will be met. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown since program participants must petition for Governor clemency to receive an early release from prison based on their progress through the program. Also, though participants may be released from prison before their expected parole or mandatory supervised release date, the end date of their supervised release period does not change, leaving the offender under the jurisdiction of the Department for the entirety of their sentence. Second, House Bill 2400 does not specify the components of an atonement and restorative adjustment program. The Department does not currently operate such a program. In addition, Department efforts are presently focusing on evidence-based programs. Therefore, an atonement and restorative adjustment program would have to be created, or acquired, and this will result in costs for program development and/or acquisition. Staff would have to develop a research design necessary to implement a program with a potentially high success rate for older offenders who have been incarcerated for many years, and then develop and study the specific components. Among many undertakings, staff would have to be trained; selection criteria and methods would have to be developed; policies would be written; means to measure if offenders have demonstrated reform, changed behavior, remorse, and the ability to socialize; renunciation of criminal activity and gang affiliation would have to be identified; and outcome measures would have to be constructed. Moreover, this legislation specifies that offenders must participate for 5 years; however, there is no indication in House Bill 2400 as written for the justification for mandating that time period. The costs for these responsibilities, as well as costs for acquisition of licensed curriculum and supplies, if available, are unknown at this time. Third, House Bill 2400 stipulates that, following completion of this program of atonement and restorative justice, the Department shall make an exhaustive effort to find and notify family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. This presents numerous logistical problems for Department staff. Records are very old, and documents may not identify victims by name or where to contact them after more than 30 years. Department staff currently struggle to get victim information from the courts. Many victims' families would have to be contacted, and if found, may not want to participate in any activities with the offenders, relive the memories, or even be identified at all. Many victims want absolutely nothing to do with their offenders. Correctional staff do not treat victims; there are no staff to perform any necessary therapeutic services to victims. If the victims refuse this service, the Department is unsure if it would be mandated to withhold the program if a victim chooses not to participate. Despite efforts made by centralized program staff, as well as the facility staff, Victims Services is already inundated with work related to assisting the victims of Illinois' 39,000 inmates and 27,000 parolees. Current Victim Services staff would not be able to assist in meeting House Bill 2400 provisions. The Department estimates this program would need to be implemented in two facilities, one for males and one for females. The Department also estimates two additional staff members would need to be employed at each facility where Pathway programs are implemented, one to assist in Victim Services and one to assist in the administrative tasks of the program. Staff are estimated at an annual cost of $100,000 each for salary and benefits. Fourth, House Bill 2400 provides that up to $1,000 of trauma-informed victim services or trauma-certified professional therapy must be provided by the Department to family members of the victim of the petitioner's offense. Insurance policies of the family members of the victim of the petitioner's offense or family members' financial resources shall first be used to pay the costs of these services or therapy. Optional participation by family members of the victim of petitioner's offense would be provided by the Department at no cost to the family members of the victim. The impact of these fiscal constraints on the Department cannot be identified until the program is implemented, though the number of victims this legislation may address is unknown, and potentially quite large. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown as offenders are not eligible for early release until granted clemency by the Governor based on petitions filed and an offender's program progress, a process that cannot be initiated until more than 5 years after enactment. The Department currently lacks the resources, training, curriculum, victim information, and funding to enact this proposal.

House Floor Amendment No. 1

Deletes provision that the Department of Corrections may enter an order releasing and discharging a participant in the Pathway to Community Program from mandatory supervised release if it determines that he or she is likely to remain at liberty without committing another offense.

Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)
The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

Fiscal Note, House Floor Amendment No. 3 (Office of the Attorney General)
The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. New Act
105 ILCS 5/27A-5
30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.
Representative Karina Villa
HB 01475 (CONTINUED)

House Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2
Representative Celina Villanueva

HB 00834 (CONTINUED)

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1

Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory
minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to
probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment
or to a lesser sentence of imprisonment, probation, or conditional discharge than the minimum sentence of imprisonment, probation, or
conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest
of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or
conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of
imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that if the defendant has been
charged with an offense involving the use, possession, or discharge of a firearm, the court may not deviate from a mandatory minimum
sentence or probation or conditional discharge requirement, unless it is the recommendation of a presentence investigation and there is
clear articulable evidence that the defendant is not a threat to the public safety. Provides that an offender convicted of a sex offense or
an offense involving the infliction of great bodily harm may not be sentenced to a lesser term of imprisonment, probation, or
conditional discharge.

House Committee Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that in
imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge
of 2 years or more, the court may instead sentence the offender to a lesser term of imprisonment, probation, or conditional discharge it
deems appropriate if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the
non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge.
Provides that an offender convicted of a sex offense, robbery offense, or a crime of violence as defined in the Crime Victims
Compensation Act (rather than an offense involving the infliction of great bodily harm) may not be sentenced to a lesser term of
imprisonment, probation, or conditional discharge under the provision.

House Floor Amendment No. 4
Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Provides that in imposing a sentence
for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation,
conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs,
retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a
risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of
imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser
term of imprisonment.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

House Floor Amendment No. 2

H Public Act . . . . . . . . . . 101-0478

HB 02691

New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency, or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL Student Assistance Commission)
The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)

HB 02491 (CONTINUED)

Amends the Environmental Protection Act. Provides that to the extent allowed by federal law, uncontaminated plastics that meet feedstock specifications for a gasification facility or pyrolysis facility, and that are further processed by a gasification facility or pyrolysis facility and returned to the economic mainstream in the form of crude oil, diesel, gasoline, home heating oil or other fuels, chemicals, waxes, lubricants, chemical feedstocks, diesel and gasoline blendstocks, or other raw materials or intermediate or final products, are considered recycled and are not subject to regulation as waste. HB 00158

35 ILCS 5/901 from Ch. 120, par. 9-901

Amends the Illinois Income Tax Act. Provides that, from February 1, 2020 through January 31, 2021, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2021 through January 31, 2022, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2022 through January 31, 2023, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2023, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although increasing the Local Government Distributive Fund (LGDF) diversion rate would have no effect on gross corporate or individual income taxes, there would be a decrease to the amount deposited into the General Revenue Fund and a corresponding increase to the amount deposited into the LGDF. Because the diversion rate would increase in February of each calendar year for four consecutive years beginning in 2020, the additional amount of money deposited into the LGDF would increase gradually for each of the next several fiscal years.

New Act

Creates the No Representation Without Population Act. Provides that the Department of Corrections shall collect and
maintain an electronic record of the legal residence, outside of any correctional facility, and other demographic data for each person
entering its custody after January 1, 2019. Provides for the minimum records that the Department shall maintain. Requires the
Department to provide certain information to the Secretary of State after the decennial census. Requires the Secretary of State to
request similar information from agencies that operate federal incarceration facilities. Requires the Secretary of State to prepare
redistricting data to reflect the incarcerated persons at their residential address, rather than the address of the facility in which the
person is incarcerated. Provides that for persons for whom a legal residence is unknown or not in the State, and for all persons reported
in the census as residing in a federal correctional facility for whom a report was not provided, the Secretary of State to allocate the
person to a State unit not tied to a specific determined geographic location, as other residents with unknown addresses are allocated.
Requires the data collected to only be used as a basis for determining Legislative and Representative Districts. Prohibits the use of the
data for the distribution of State or federal aid. Contains severability provisions. Effective immediately.

HB 01637

New Act
Representative Emanuel Chris Welch  
HB 01637  (CONTINUED)

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)  
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)  
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Creates the Keep Illinois Families Together Act. Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

Establishes the Safe Schools and Healthy Learning Environments Grant Program and grants under the program. Sets forth requirements for grant applicants and provisions for the distribution of funds appropriated for the program. 105 ILCS 5/2-3.176 new

Replaces everything after the enacting clause. Amends the School Code. With regard to the student discipline report, provides that the report must include data on the total number of school days missed by a student due to an out-of-school suspension or expulsion and data on the number of arrests made by law enforcement officers of students on school grounds, in school vehicles, at school activities or school-sanctioned events, or as a result of referrals by school officials. Provides that the report must be disaggregated by whether a student qualifies for services under the federal Individuals with Disabilities Education Act, the total number of school days missed by the student, and the incident type that caused the suspension, expulsion, or removal to an alternative setting. Provides that, in compiling the report, the State Board of Education must use the same disclosure avoidance standards used by the United States Department of Education in its public reporting of data submitted by each school district as part of the Civil Rights Data Collection and must also ensure that cross-tabulation by the various categories of disaggregation is possible. Makes other changes.

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate
Fiscal Note (State Board of Education)
HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4
Representative Emanuel Chris Welch  
HB 02100 (CONTINUED)

Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

New Act

Creates the Mental Health Early Action on Campus Act. Provides for intent, legislative findings, purposes of the Act, and definitions. Provides that to raise mental health awareness on college campuses, each public college or university in this State must complete specified tasks. Provides that the board of trustees of each public college or university must designate an expert panel to develop and implement policies and procedures that (i) advise students, faculty, and staff on the proper procedures for identifying and addressing the needs of students exhibiting symptoms of mental health conditions, (ii) promote understanding of the rules of Section 504 of the federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 to increase knowledge and understanding of student protections under the law, and (iii) provide training if appropriate. Provides that because peer support programs may be beneficial in improving the emotional well-being of the student population, each public college or university must develop and implement a peer support program utilizing student peers to support individuals living with mental health conditions on campus; specifies best practices for the peer support programs. Provides that each public college or university must form strategic partnerships with local mental health service providers to improve overall campus mental wellness and augment on-campus capacity; specifies what the partnerships must include. Requires the Board of Higher Education to develop a Technical Assistance Center; specifies the duties of the Center. Requires each public college or university to evaluate the required programs under the Act using specified criteria. Effective July 1, 2020.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. Provides that the initial recommendation must be provided by the Commission no later than December 31, 2019 and any appropriation provided in advance of this recommendation may be used for planning purposes. Provides that no provision of the Act may be funded by student fees created on or after July 1, 2020 (rather than new student fees). Makes other changes. Effective July 1, 2020, except that certain provisions are effective immediately.

5 ILCS 140/7.5
15 ILCS 505/16.8 new

Amends the State Treasurer Act. Provides that the State Treasurer shall establish the Illinois Higher Education Savings Program for the purpose of expanding access to higher education through savings. Provides for enrollment in the Program. Provides further duties and requirements of the Treasurer regarding the Program. Creates the Illinois Higher Education Savings Program Fund as a fund held outside of the State treasury to be the official repository of all contributions, appropriations, interest, and dividend payments, gifts, or other financial assets received by the State Treasurer in connection with the operation of the Program or related partnerships. Provides for audits and reports concerning the Program. Allows the Treasurer to adopt any rules that may be necessary to implement the Program. Amends the Freedom of Information Act to provide an exemption for information that is exempt from disclosure under the Illinois Higher Education Savings Program.

House Floor Amendment No. 2

Provides that notwithstanding any court order which would otherwise prevent the release of information, the Department of Public Health is authorized to release specified information to the State Treasurer for the purposes of the Illinois Higher Education Savings Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (Office of the Treasurer)
Based upon Illinois' current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as unclaimed and unused funds are recycled.

House Floor Amendment No. 3
Modifies the definition of "eligible child".

Amends the Eviction Article of the Code of Civil Procedure. Provides that upon the filing of an eviction action, the clerk of the circuit court shall immediately impound the court file unless: the tenancy is commercial; or the property the plaintiff seeks possession of is a condominium unit and at least one of the defendants named is the unit owner. Provides that the court shall make specific findings when an eviction order is entered against a defendant. Provides that the court may order a court file in an eviction be or remain impounded (rather than placed under seal) when the interests of justice outweigh the interests of the government and the public in maintaining a public record of the case (rather than clearly in the interests of justice and those interests are not outweighed by the public's interest in knowing about the record). Provides that a court file shall be impounded: (1) in any case not resulting in an eviction order entered in favor of the plaintiff; (2) in a foreclosure-related eviction action; (3) in a not-for-cause eviction action; or (4) if the parties to the eviction action so agree. Provides factors that the court shall consider in determining whether to grant or deny a motion or petition to impound or unimpound a court file. Provides that the clerk of the circuit court shall automatically seal an eviction action no later than 5 years after a plaintiff's initial filing. Provides that a person shall not disseminate any information contained in a sealed or impounded court file. Provides that a consumer reporting agency shall not disclose the existence of a sealed or impounded eviction action in a consumer report or use an eviction action as a factor to determination a score or recommendation to be included in a consumer report pertaining to a person for whom dissemination has been prohibited. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

New Act

Creates the Polygraph Exam Integrity Act. Provides that every polygraph question submitted for the administration of a polygraph exam by a State agency or entity shall be screened by independent legal counsel to ensure compliance with the Illinois Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity requesting the service.

Fiscal Note (Illinois State Police)

The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's fees.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

Amends the Toll Highway Act. Provides that, if the acquisition, construction, relocation, operation, regulation, or maintenance of a toll highway requires the relocation of public utilities due to the elimination of a tollway oasis bridge, the Illinois Highway Authority must conduct an assessment in order to determine the most cost-effective means of providing utility service to associated tollway property that remains. Provides for an intergovernmental agreement to effectuate adequate compensation for the adjacent municipality. Provides that the analysis shall consider several specific criteria relating to pollution, private nuisance, frequency of usage, and the need for public services. Provides that, if the Authority determines that any municipality adjacent to the tollway property is substantially impacted by activities or businesses conducted on the property, it shall be appropriately compensated. Provides that the Authority, the municipality wherein the tollway property is located, and the impacted adjacent municipality shall enter into an intergovernmental agreement to effectuate the requirements and provide for adequate compensation.

820 ILCS 112/10
820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2
Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

Provides that the Department of Commerce and Economic Opportunity shall create a Clean Water Workforce Pipeline Program to provide grants and other financial assistance to prepare and support individuals for careers in water infrastructure. Provides specified groups that may be provided with grants and other financial assistance on a competitive annual basis. Amends the State Finance Act. Creates the Clean Water Workforce Development Fund.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 3349 requires DCEO to award grants designed to encourage and facilitate employment in water infrastructure careers. Competitive awards shall be made for various activities including: identification of individuals for job training in the water sector; counseling, preparation, skills training, and other support to increase a candidate's likelihood of success in a job training program and career; and several others. While HB 3349 requires DCEO to make the grants, the legislation does not specify a funding source for the program. Without a funding source, the legislation represents a potential unfunded mandate on the agency. Without additional information on available funding and the number of grants required to be awarded, the Department lacks the ability to determine program scope and ongoing implementation costs. As a result, we are unable to determine the fiscal impact of this legislation.

215 ILCS 155/18.1

Amends the Title Insurance Act. In provisions concerning choice of title insurance company, provides that it is the public policy of the State that parties to a contract for the sale of residential real property who are obligated to pay for certain products and services related to title insurance (rather than title insurance) have the right to also choose the independent escrowee that will provide those products and services. Makes conforming changes. Provides that for a county with a population not less than 500,000, a transaction for the sale or purchase of residential real property, the title insurance company issuing the owner's title insurance policy shall issue the lender's title insurance policy for that transaction if the policy is required by the lender. Provides an exception to that if the buyer and seller agree otherwise or the buyer or seller is offered a discount of fees as an inducement to split the title insurance policies, unless the title insurance company issuing the owner's policy agrees to offer the same discount of fees.

415 ILCS 5/22.23d new

Amends the Environmental Protection Act to prohibit lead-acid battery retailers from disposing of lead-acid batteries by delivery to a collection or recycling facility, unless that collection or recycling facility accepts lead-acid batteries. Prohibits the knowing mixing of lead-acid batteries with material intended for collection as a recyclable material by a hauler, and the knowing placement of a lead-acid battery into a container intended for collection and processing at a recycling center. Defines "rechargeable battery". Prohibits any person from knowingly disposing of a rechargeable battery, either as municipal waste or as a recyclable material. Denies home rule units from regulating the collection or disposal of rechargeable batteries. Requires the Agency to provide educational information regarding rechargeable batteries on its website. Requires the Agency to encourage the waste industry, recyclers, haulers, local governments, and other stakeholders to collaborate on educating the public regarding the collection and recycling of rechargeable batteries. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines "rechargeable battery" partly as any battery containing lithium ion, lithium metal, or lithium polymer or that uses lithium as an anode or cathode (currently, partly as any dry cell battery containing an electrode composed of cadmium or lead, or any combination thereof, of any shape). Removes language providing that, beginning January 1, 2020, no person shall knowingly mix a rechargeable battery that is intended for disposal at a sanitary landfill with any other municipal waste. Provides that unless expressly authorized as part of a recycling collection program, beginning January 1, 2020 no person shall knowingly mix a rechargeable battery or any appliance, device, or other item that contains a rechargeable battery with any other material intended for collection by a hauler as a recyclable material or place a rechargeable battery or any appliance, device, or other item that contains a rechargeable battery into a container intended for collection by a hauler for processing at a recycling center. Removes a provision prohibiting home rule units from regulating the collection or disposal of rechargeable batteries. Effective immediately.

House Floor Amendment No. 3
Redefines "rechargeable battery" as one or more voltaic or galvanic cells, electrically connected to produce electric energy, that is designed to be recharged for repeated uses, but includes a battery containing lithium ion, lithium metal, or lithium polymer or that uses lithium as an anode or cathode, that is designed to be recharged for repeated uses (currently, as any battery containing lithium ion, lithium metal, or lithium polymer or that uses lithium as an anode or cathode, is designed for reuse, and is capable of being recharged after repeated uses). Provides that specified acts shall only be done if expressly authorized by (currently, authorized as part of) a recycling collection program. Provides that the Agency shall include on its website information regarding the recycling (currently, collection and recycling) of rechargeable batteries. Removes language requiring the Agency to undertake other communications to educate the public regarding the collection and recycling of rechargeable batteries.

New Act

225 ILCS 320/40 from Ch. 111, par. 1138
Represents the Water Heater Safety Valve Act. Provides that a manufacturer or supplier of a hot water heater for use in a residential home or facility must supply or attach a temperature mixing valve or other safety valve to the hot water heater or tank that prevents water with a temperature above 130 degrees Fahrenheit from coming from any faucet or other source of water into direct contact with a person. Amends the Illinois Plumbing License Law to provide that a person engaged in plumbing who installs a hot water heater for use in a residential home or facility must supply or attach a temperature mixing valve or other safety valve to the hot water heater or tank that prevents water with a temperature above 130 degrees Fahrenheit from coming from any bathtub faucet, shower faucet, sink faucet, or any other source of water into direct contact with a person.

House Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces "hot water heater or tank" with "water heater or tank". Provides that a manufacturer or supplier of a water heater or tank for use in a residence or residential facility located in Illinois (rather than a residential home or facility) must supply or attach a temperature mixing valve or other safety valve that prevents water with a temperature above 120 degrees Fahrenheit (rather than 130 degrees Fahrenheit) from coming into direct contact with a person. Provides that the Department of Public Health shall administer and enforce the provisions of the Act. Provides that any person or entity who violates the Act's provisions shall be liable for a civil penalty of $500 for the first violation and $1,000 for each subsequent violation.

Senate Committee Amendment No. 1
Legislative Information System
101st General Assembly
House Democrat Sponsor Synopsis Report

Representative Ann M. Williams
HB 03677 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2
Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

Amends the Illinois Local Library Act. Provides that a proposition for the appointed Aurora Public Library board to be changed to an elected board shall be submitted by referendum to the voters of the City of Aurora either by ordinance of the city council or on the petition of 10% of the number of persons who voted at the last regular election in the City of Aurora. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that a Medicaid managed care plan amended, delivered, issued, or renewed after the effective date of the amendatory Act must provide individuals under 21 years of age coverage for the diagnosis of autism spectrum disorders and for the treatment of autism spectrum disorders to the extent that the diagnosis and treatment of autism spectrum disorders are not already covered by the Medicaid managed care plan. Provides that the coverage provided for the treatment of autism spectrum disorders shall not be subject to any limits on the number of visits to a service provider, but shall be subject to copayment, deductible, and coinsurance provisions of a Medicaid managed care plan to the extent that other medical services covered by the Medicaid managed care plan are subject to these provisions. Provides that the provisions of the amendatory Act shall not be construed as limiting benefits that are otherwise available to an individual under a Medicaid managed care plan and benefits provided under the amendatory Act may not be subject to dollar limits, deductibles, copayments, or coinsurance provisions that are less favorable to the insured than the dollar limits, deductibles, or coinsurance provisions that apply to physical illness generally. Requires a provider of treatment for autism spectrum disorders to furnish, upon request to the reimbursing managed care organization, medical records, clinical notes, or other necessary data that substantiate that initial or continued medical treatment is medically necessary and is resulting in improved clinical status. Defines terms. Makes other changes.
Amends the Illinois Municipal Code and the Fire Protection District Act. Creates a hiring preference of up to 20 points for a person who has performed fire suppression service for a department as a firefighter apprentice and otherwise meets the qualifications for original appointment as a firefighter. Requires the firefighter to have completed a minimum of 600 hours of specified fire suppression work in order to be considered for the preference. Provides that the Joint Apprenticeship Committee shall evaluate the merit of the applicant's performance and determine the preference points to be awarded. Modifies how preferences are computed after addition of the apprentice preference. Effective immediately.

House Committee Amendment No. 1

In the provisions amending the Civil Services in Cities Division of the Illinois Municipal Code, makes the granting of a hiring preference permissive rather than mandatory for a person who has performed fire suppression service for a department as a firefighter apprentice and otherwise meets the qualifications for original appointment as a firefighter. Makes grammatical changes.

Senate Committee Amendment No. 1

In the provisions amending the Board of Fire and Police Commissioners Division of the Illinois Municipal Code and the Fire Protection District Act, makes the granting of a hiring preference permissive rather than mandatory for a person who has performed fire suppression service for a department as a firefighter apprentice and otherwise meet the qualifications for original appointment as a firefighter.
Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the medical assistance program shall cover charges incurred, and anesthetics provided, in conjunction with dental care that is provided to an individual in a hospital or an ambulatory surgical treatment center if the individual is otherwise eligible for medical assistance and any of the following applies: (1) the individual has a medical condition that requires hospitalization or general anesthesia for dental care; or (2) the individual is a person with a disability. Defines "person with a disability" to mean a person, regardless of age, with a chronic disability if the chronic disability meets specified conditions. Provides that the medical assistance program shall cover charges incurred, and anesthetics provided by a dentist with a permit provided under the Illinois Dental Practice Act or by a physician licensed under the Medical Practice Act to practice medicine in all of its branches, in conjunction with dental care that is provided to an individual in a dental office, oral surgeon's office, hospital, or ambulatory surgical treatment center if the individual, regardless of age, is otherwise eligible for medical assistance and has been diagnosed with (i) an autism spectrum disorder as defined in the Autism Spectrum Disorders Reporting Act or (ii) a developmental disability. Defines "developmental disability". Requires the Department of Healthcare and Family Services to reimburse providers of services covered under the amendatory Act at the same rates as the Medicare program's rates for similar services.

Creates the Water Heater Safety Valve Act. Provides that a manufacturer or supplier of a hot water heater for use in a

contact with a person. Amends the Illinois Plumbing License Law to provide that a person engaged in plumbing who installs a hot  
water heater for use in a residential home or facility must supply or attach a temperature mixing valve or other safety valve to the hot  
water heater or tank that prevents water with a temperature above 130 degrees Fahrenheit from coming from any bathtub faucet,  
shower faucet, sink faucet, or any other source of water into direct contact with a person.

from coming into direct contact with a person. Provides that the Department of Public Health shall administer and enforce the  
provisions of the Act. Provides that any person or entity who violates the Act's provisions shall be liable for a civil penalty of $500 for

Amends the Illinois Insurance Code. Requires insurance policies to be written in language easily readable and
understandable by a person of average intelligence and education. Provides the factors the Director of Insurance shall consider in
making the determination that the policy is easily readable and understandable by a person of average intelligence and education.

Fiscal Note (Dept. of Insurance)

Some states have requirements related to the Flesch Test Readability which could greatly assist in adhering to the
requirements of this bill. However, the bill in its current form provides little guidance on what "understandable" means,
which could vary greatly from individual to individual. To meet the requirements as described within HB 3451 the
Department anticipates the need for, at minimum, eight (8) additional insurance analyst positions within three of our
insurance compliance units, Life, Health and Property/Casualty, with a projected fiscal impact to the Illinois Department of
Insurance of just over $978,500 in personal services and related expenditures.

New Act

Creates the Wholesale Importation of Prescription Drugs Act. Requires the Department of Public Health to design an importation program where the State is the licensed wholesaler of imported drugs from licensed, regulated Canadian suppliers. Requires the program to address specified issues, including billing issues, cost savings issues, and safety and regulatory issues. Contains auditing and reporting requirements. Provides that the Department shall enlist the assistance of the Attorney General to identify the potential for anti-competitive behavior in industries that would be affected by an importation program. Requires the Department to submit a formal request to the Secretary of the United States Department of Health and Human Services for certification of the importation program. Requires the Department to have the program operational within 6 months after receiving the certification. Contains provisions concerning implementation requirements.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the department.

Pension Note (Government Forecasting & Accountability)
HB 1441 creates the Wholesale Importation of Prescription Drugs Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 1441, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

(Sen. John F. Curran-Melinda Bush-Jacqueline Y. Collins and Thomas Cullerton)

415 ILCS 5/9.18 new

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Representsative Sam Yingling

HB 03888 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

Creates the Prescription Drug Pricing Transparency Act. Requires health insurers to disclose certain rate and spending information concerning prescription drugs and certain prescription drug pricing information to the Department of Public Health. Requires the Department and health insurers to create annual lists of prescription drugs on which the State spends significant health care dollars and for which costs have increased at a certain rate over time. Pension Note (Government Forecasting & Accountability)
Because the Cook County Pension Fund indicates that it does not track how many members are forced to take furlough days, the number of members eligible to purchase service credit under the circumstances proposed in HB 2071 is unknown.

State Debt Impact Note (Government Forecasting & Accountability)
HB 2074 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 1
Representative Michael J. Zalewski
HB 02071 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that a participant establishing service credit and earnings credit for periods of furlough or salary reduction must be an active participant and must pay the specified employee contributions while he or she is an active participant and within 12 months after the date of application. Provides that to receive the service credit and earnings credit for periods of furlough, the participant must not receive compensation or any type of remuneration from the county (instead of compensation) for any furlough period and must provide a written certification from the county stating that the participant has not received compensation or any type of remuneration from the county for such furlough days. Provides that to receive the service credit and earnings credit for periods of salary reduction, the participant must not receive compensation or any type of remuneration from the county for any reduction in salary and must provide a written certification from the county stating that the participant has not received compensation or any type of remuneration from the county for such reduction in salary. Specifies that the employer's normal cost for the purposes of the provision shall be determined by the Fund's actuarial valuation for the year ending December 31, 2018. Provides that any payments received under the provisions shall be considered contributions made by the employee for the purposes of determining the annual tax levy and county contribution rate under the Cook County and Cook County Forest Preserve Articles. Makes other changes. Effective immediately.

Amends the Revised Uniform Unclaimed Property Act. Provides that property due or owed by a business association resulting from a transaction occurring in the normal and ordinary course of business is exempt from the Act. Provides that an action or proceeding may not be maintained by the administrator more than 10 years after the holder filed a non-fraudulent report with the administrator (rather than after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property). Deletes language regarding the tolling of the period of limitation. Provides instead that the parties may agree to extend the period of limitation. Provides that the administrator may not commence an action, proceeding, or examination with respect to a duty of a holder more than 10 years after the duty arose. Provides that if a person subject to examination does not retain the records, the administrator may use specific estimation techniques to determine the amount of unclaimed property and shall incorporate a net method of extrapolation (rather than determine the value of property due using a reasonable method of estimation based on all information available to the administrator). Deletes language providing that a payment made based on estimation is a penalty for failure to maintain the records and does not relieve a person from an obligation to report and deliver property to a State in which the holder is domiciled. Provides that a holder may request a hearing to contest the use or validity of the estimation technique. Provides that the examination is final upon the failure of the holder to request a hearing. Provides that if a hearing is held, the State Treasurer shall issue an order approving or disapproving the use or validity of the estimation techniques. Deletes language providing that if the administrator contracts with a person, the contract may provide for compensation of the person based on a contingent fee. Deletes language providing that an initial report filed for property that was not required to be reported before the Act took effect must include all items of property that would have been presumed abandoned during the 5-year period preceding the effective date as if the Act had been in effect during that period.
