House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)
House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19, EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of “Average Student Enrollment” in Section 18-8.15 of the School Code. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

New Act
Representative Jehan Gordon-Booth

HB 00217 (CONTINUED)

Creates the Criminal History in College Applications Act. Provides that a public university or community college may not inquire about or consider an applicant's criminal history information at any time during the admission decision-making process, except as required by federal law or specified provisions of the Department of State Police Law of the Civil Administrative Code of Illinois or the Medical School Matriculant Criminal History Records Check Act, if applicable. Allows a public university or community college to use a multi-institution application, even if the application inquires about criminal history, but requires the public university or community college to disregard the information for the admission process. Allows a public university or community college to inquire about criminal history for certain purposes after the admission decision-making process, but forbids a public university or community college from rescinding an admission offer based on the information. Authorizes a public university or community college to provide certain information. Effective immediately.

Provides that prior to conducting forensic testing that would result in the complete consumption of an evidentiary sample, a forensic scientist must take all reasonable measures to preserve a portion of the evidentiary sample for subsequent forensic testing, unless in the course of the requested forensic testing, the forensic scientist has determined that complete consumption of an evidentiary sample is required to pursue a meaningful analytical result. Amends the Criminal Code of 2012. Provides that it is unlawful for a law enforcement agency or an agent acting on behalf of the law enforcement agency to intentionally fail to comply with the provision. HB 01613

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt and Napoleon Harris, III-Jacqueline Y. Collins)

625 ILCS 5/11-212

Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)
The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000. Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state's share of the cost.

House Floor Amendment No. 1

Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

HB 02691

New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency, or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL Student Assistance Commission)

The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.
State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Amends the Medical Patient Rights Act. Provides that every woman has certain rights with regard to pregnancy and childbirth, including the right to receive care that is consistent with current scientific evidence about benefits and risks, the right to choose her birth setting, the right to be provided with certain information, and the right to be treated with respect at all times before, during, and after pregnancy by her health care professionals and to have a health care professional that is culturally competent and treats her appropriately regardless of her ethnicity, sexual orientation, or religious background. Requires the Department of Public Health, Department of Healthcare and Family Services, Department of Children and Family Services, and Department of Human Services to post information about these rights on their publicly available websites. Requires every health care provider, day care center, Head Start, and community center to post information about these rights in a prominent place and on their websites, if applicable. Requires the Department of Public Health to adopt rules to implement the provisions. Effective immediately.

Fiscal Note (Dept. of Public Health)
HB 2 would not pose any fiscal cost aside from standard staff time with the rulemaking. The cost would be negligible.

Senate Floor Amendment No. 1
Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Removes language regarding a woman's rights to receive maternity care regarding social and behavioral factors, to receive continuous social, emotional, and physical support during labor and birth, and to receive full advance information about specified risks and benefits. Provides that a woman has the right to a certified nurse midwife as her maternity care professional and to examine and receive an explanation of her total bill for services rendered. Specifies that nothing in the provisions or any rules adopted under them shall be construed to require a physician, health care professional, hospital, hospital affiliate, or health care provider to provide care inconsistent with generally accepted medical standards or available capabilities or resources. Makes other changes. Effective January 1, 2020 (rather than immediately).

HB 00006

20 ILCS 2310/2310-431 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)

The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

20 ILCS 5/5-715
Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years (currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application process for an expedited temporary occupational or professional license issued to service members and the spouses of service members shall be refundable (currently, not refundable).

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for a temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term “service member” to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with changes. Modifies the additional responsibilities of the military liaison to include virtual, phone, or in-person periodic meetings with each military installation military and family support center. Provides for expedited occupational or professional licenses (rather than temporary occupational or professional licenses). Removes provisions requiring a service member or his or her spouse to present military orders as evidence of residence in order to receive a temporary expedited license. Restores provisions requiring a service member or his or her spouse to include proof of an application for full licensure as a part of his or her expedited license application. Strikes a provision concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

Provides that the review and determination (currently, review only) of an application for a license issued by a department shall be expedited by the department within 60 days after the date on which the applicant provides the department with all necessary documentation required for licensure. Removes a requirement specifying that an application to reactivate a license must include proof that the service member is assigned to a duty station in this State, is deployed overseas, or has orders (or a letter from his or her commander) designating that the service member shall be assigned within 180 days to a duty station in this State, or has established legal residence in this State. Makes conforming changes.

Senate Committee Amendment No. 1

Restores provisions specifying that fees paid by applicants for expedited occupational or professional licenses issued to service members and spouses of service members shall not be refundable.

HB 02100  (CONTINUED)

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate

Fiscal Note (State Board of Education)

HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4

Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

HB 02668

(Sen. Mattie Hunter)

105 ILCS 5/2-3.176 new

Amends the School Code. Requires the State Board of Education to develop child opportunity zones as a means to deliver comprehensive and coordinated social services at or near schools in this State that are related to specific community needs and that will ultimately increase student performance in schools in the community; defines "child opportunity zone". Provides that a child opportunity zone must provide a means to integrate education, health, and social services into schools and link families to school and community resources. Provides that on or before August 1, 2020, and on or before each August 1 thereafter, the State Board must submit a report to the General Assembly on the number of children and families served by a child opportunity zone program and any other outcome data for each program. Requires the State Board to adopt rules.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (State Board of Education)

HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials, community colleges, and other adult education and workforce training providers. The position would also complete required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of Education to make funding available to provide assistance and supports to the child opportunity zones.

Fiscal Note Requested by Rep. Tom Demmer

HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials, community colleges, and other adult education and workforce training providers. The position would also complete required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of Education to make funding available to provide assistance and supports to the child opportunity zones.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "child opportunity zone" to mean a coordinated system of early childhood education (rather than a site at or near a school that provides early childhood education). Provides that, subject to appropriation, the State Board of Education, in cooperation with regional superintendents of schools, school districts, and other State and community agencies (rather than only the State Board), must develop child opportunity zones as a means to deliver comprehensive and coordinated social services in this State (rather than delivering them at or near schools in this State) that are related to specific community needs and that will ultimately increase student performance in schools in the community. Provides that in addition to funds appropriated by the General Assembly, the State Board may use funds appropriated by the General Assembly for other grant programs to implement child opportunity zone programs. Makes other changes.

Fiscal Note (State Board of Education)

HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4
Representative Will Guzzardi
HB 02100 (CONTINUED)

Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

HB 03440  (CONTINUED)  
Amends the Illinois Food, Drug and Cosmetic Act. Provides that provisions prohibiting the offer for sale of any bulk food in a manner other than to prevent direct handling of such items by the consumer shall not prohibit self-service by consumers provided that take-home containers, including bags, cups, and lids, provided for consumer use are stored and dispensed in a sanitary manner. Provides that a retailer may allow a consumer to fill or refill a personal container with bulk food if the dispensers used prevent the direct handling of the bulk food. Provides that county health departments and municipalities shall not prohibit the ability of a retailer to allow a consumer to fill or refill a personal container with bulk food if the dispensers used prevent the direct handling of the bulk food.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that take-home containers provided for consumer use must be cleaned, stored, and dispensed (rather than stored and dispensed) in a sanitary manner. Provides that personal containers filled or refilled by customers with bulk food shall be clean and sanitary. In a provision that prohibits a county health department or municipality from prohibiting the ability of a retailer to allow a consumer to fill or refill a personal container with bulk food, adds an exception if the prohibition is provided for in a specified provision of the Illinois Administrative Code and adds a requirement that the personal containers must be clean and sanitary.

Amends the Illinois Insurance Guaranty Fund Article of the Illinois Insurance Code. Provides that a "covered claim" does not include a claim for fines and penalties paid to government authorities. Provides that the board of directors of the Illinois Insurance Guaranty Fund has the authority to assess to pay off a loan necessary to pay covered claims. Provides that if the loan is projected to be outstanding for 3 years or more, the board of directors has the authority to increase the assessment to 3% of net direct written premiums for the previous year until the loan has been paid in full. Makes changes in provisions that specify conditions under which the Fund is bound by certain settlements, releases, compromises, waivers, and final judgments. Provides that the Fund may also take legal action to recover from insurers and insureds in certain circumstances. Provides that the Fund may bring an action against certain third-party representatives of an insolvent insurer to obtain custody and control of all claim information related to the insolvent company. Provides that any person recovering under the Article and any insured whose liabilities are satisfied under the Article shall be deemed to have assigned the person's or insured's rights under the policy to the Fund to the extent of his or her recovery or satisfaction obtained from the Fund's payments. Provides that the Fund may also pay certain workers' compensation claims or any other third-party claims covered by a policy of an insolvent company on behalf of a high net worth insured and may recover from the high net worth insured through any action necessary to collect the full amount to the Fund's reimbursement. Effective immediately.

House Floor Amendment No. 2
In provisions concerning actions regarding insolvent company records, provides that the Illinois Insurance Guaranty Fund has the absolute right through emergency equitable relief to obtain custody and control of certain third-party administrators, agents, attorneys, or other representatives of an insolvent insurer (rather than the absolute right through emergency equitable relief to obtain custody and control of certain third-party administrators, agents, attorneys, or other representatives of an insolvent insurer).

House Floor Amendment No. 3
Provides that the Illinois Insurance Guaranty Fund shall recover (rather than may recover) from the high net worth insured for all amounts paid on its behalf, all allocated claim adjusted expenses related to such claims, the Fund's attorney's fees, and all court costs in any action necessary to collect the full amount to the Fund's reimbursement. Makes a grammatical change.

Requires the Comptroller to make an annual report available on the Comptroller's website (rather than to the Governor and General Assembly). Modifies the Comptroller's annually required list of all persons employed by the State to include the county in which such employees reside, and removes requirements and exemptions concerning the inclusion of employee addresses on the list. Provides that within 60 days following the creation or dissolution of a unit of local government or school district, each county clerk shall provide to the Comptroller information for the local government and school district registry. Modifies a Section concerning the Cemetery Consumer Protection Fund concerning the use of monies in the Fund and restitution or reimbursement paid by the Fund. Amends the Housing Authorities Act. In a provision permitting a Housing Authority to refuse to certify or recertify applicants, current tenants, or other household members who have been convicted of a criminal offense relating to the sale or distribution of a controlled substance, provides that prior to refusing to certify or recertify such a person, the Authority shall make an individualized assessment and determine whether it is reasonable to conclude that the applicant, current tenant, or other household member would constitute a threat to those in the community where the applicant, current tenant, or other household member would reside; or whether it is reasonable to conclude that the applicant, current tenant, or other household member would otherwise engage in other unlawful activities in that community. Provides that during the individualized assessment, the Authority shall consider all mitigating circumstances, including, but not limited to: the nature of the crime; the time elapsed between the date of conviction and the date of certification or recertification; the applicant's, tenant's, or other household member's background; the incentive to litigate the criminal matter; and any evidence demonstrating rehabilitation. Requires the Authority to provide notice to the applicant, current tenant, or other household member that he or she may be denied certification or recertification because of his or her particular circumstances.

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt)

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1

Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment or to a lesser sentence of imprisonment, probation, or conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that if the defendant has been charged with an offense involving the use, possession, or discharge of a firearm, the court may not deviate from a mandatory minimum sentence or probation or conditional discharge requirement, unless it is the recommendation of a presentence investigation and there is clear articulable evidence that the defendant is not a threat to the public safety. Provides that an offender convicted of a sex offense or an offense involving the infliction of great bodily harm may not be sentenced to a lesser term of imprisonment, probation, or conditional discharge.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may instead sentence the offender to a lesser term of imprisonment, probation, or conditional discharge if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that an offender convicted of a sex offense, robbery offense, or a crime of violence as defined in the Crime Victims Compensation Act (rather than an offense involving the infliction of great bodily harm) may not be sentenced to a lesser term of imprisonment, probation, or conditional discharge under the provision.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

HB 02400  

730 ILCS 5/3-14-1.1 new

Amends the Unified Code of Corrections. Provides that a committed person who is at least 50 years of age and who has served at least 30 consecutive years of imprisonment in a Department of Corrections institution or facility may petition the Department for participation in the Pathway to Community Program, which is a 5-year pilot program within the Department of Corrections. Provides that a maximum of 15 males and a maximum of 15 females may be selected for the Program. Excludes from the Program persons convicted of first degree murder of a peace officer or firefighter and sexual predators. Establishes eligibility requirements for the Program. Provides that before a participant is selected for the Program, the petitioner shall successfully complete an atonement and restorative justice program prepared by the Department. Following completion of this program of atonement and restorative justice, the Department shall notify the victim and the family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. Up to $1,000 of trauma-informed victim services or trauma-certified professional therapy shall be provided by the Department to family members of the victim of the petitioner's offense. Provides that optional participation by family members of the victim of petitioner's offense shall be provided by the Department at no cost to the family members of the victim. Provides that time served in the Program shall be credited toward time served on the sentence. Provides that the Program is terminated 6 years after the effective date of the amendatory Act.

Correctional Note (Dept of Corrections)
The impact of this legislation on the Department will depend on how many offenders would be accepted into and complete the Pathway to Community Program, how many offenders would receive executive clemency, how many staff are needed to meet the requirements outlined in this legislation, how victims and their families respond, and how fiscal needs will be met. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown since program participants must petition for Governor clemency to receive an early release from prison based on their progress through the program. Also, though participants may be released from prison before their expected parole or mandatory supervised release date, the end date of their supervised release period does not change, leaving the offender under the jurisdiction of the Department for the entirety of their sentence. Second, House Bill 2400 does not specify the components of an atonement and restorative adjustment program. The Department does not currently operate such a program. In addition, Department efforts are presently focusing on evidence-based programs. Therefore, an atonement and restorative adjustment program would have to be created, or acquired, and this will result in costs for program development and/or acquisition. Staff would have to develop a research design necessary to implement a program with a potentially high success rate for older offenders who have been incarcerated for many years, and then develop and study the specific components. Among many undertakings, staff would have to be trained; selection criteria and methods would have to be developed; policies would be written; means to measure if offenders have demonstrated reform, changed behavior, remorse, and the ability to socialize; renunciation of criminal activity and gang affiliation would have to be identified; and outcome measures would have to be constructed. Moreover, this legislation specifies that offenders must participate for 5 years; however, there is no indication in House Bill 2400 as written for the justification for mandating that time period. The costs for these responsibilities, as well as costs for acquisition of licensed curriculum and supplies, if available, are unknown at this time. Third, House Bill 2400 stipulates that, following completion of this program of atonement and restorative justice, the Department shall make an exhaustive effort to find and notify family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. This presents numerous logistical problems for Department staff. Records are very old, and documents may not identify victims by name or where to contact them after more than 30 years. Department staff currently struggle to get victim information from the courts. Many victims' families would have to be contacted, and if found, may not want to participate in any activities with the offenders, relive the memories, or even be identified at all. Many victims want absolutely nothing to do with their offenders. Correctional staff do not treat victims; there are no staff to perform any necessary therapeutic services to victims. If the victims refuse this service, the Department is unsure if it would be mandated to withhold the program if a victim chooses not to participate. Despite efforts made by centralized program staff, as well as the facility staff, Victims Services is already inundated with work related to assisting the victims of Illinois' 39,000 inmates and 27,000 parolees. Current Victim Services staff would not be able to assist in meeting House Bill 2400 provisions. The Department estimates this program would need to be implemented in two facilities, one for males and one for females. The Department also estimates two additional staff members would need to be employed at each facility where Pathway programs are implemented, one to assist in Victim Services and one to assist in the administrative tasks of the program. Staff are estimated at an annual cost of $100,000 each for salary and benefits. Fourth, House Bill 2400 provides that up to $1,000 of trauma-informed victim services or traumacertified professional therapy must be provided by the Department to family members of the victim of the petitioner's offense. Insurance policies of the family members of the victim of the petitioner's offense or family members' financial resources shall first be used to pay the costs of these services or therapy. Optional participation by family members of the victim of petitioner's offense would be provided by the Department at no cost to the family members of the victim. The impact of these fiscal constraints on the Department cannot be identified until the program is implemented, though the number of victims this legislation may address is unknown, and potentially quite large. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown as offenders are not eligible for early release until granted clemency by the Governor based on petitions filed and an offender's program progress, a process that cannot be initiated until more than 5 years after enactment. The Department currently lacks the resources, training, curriculum, victim information, and funding to enact this proposal.

House Floor Amendment No. 1

Deletes provision that the Department of Corrections may enter an order releasing and discharging a participant in the Pathway to Community Program from mandatory supervised release if it determines that he or she is likely to remain at liberty without committing another offense.

Provides that the State Treasurer or his or her designee (currently, only State Treasurer) may charge and collect insurance premiums under the Act. Rep. Gregory Harris-Jay Hoffman, Michael Halpin, Katie Stuart, Monica Bristow and Joyce Mason
(Sen. Don Harmon-Heather A. Steans, Emil Jones, III, Steve Stadelman, Steven M. Landek and Toi W. Hutchinson-Kimberly A. Lightford)

Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall promote the purchase of and give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States). Provides that, if the purchasing agency determines that certain conditions apply to a procured product, then, with respect to that procurement, the purchasing agency shall give preference to manufactured articles, materials, and supplies that have been manufactured in the United States. Effective immediately.

Fiscal Note (Dept. of Central Management Services)
It is not possible to calculate the negative fiscal impact of this proposed legislation currently. For all practical purposes, it should be assumed that negative impact will occur. The potential for up to 12% cost increases for an indeterminable universe of procured products exists.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a contract between a health insurer and a pharmacy benefit manager must: (1) require the pharmacy benefit manager to update maximum allowable cost pricing information and maintain a process that will eliminate drugs from maximum allowable cost lists or modify drug prices to remain consistent with changes in pricing data; (2) prohibit the pharmacy benefit manager from limiting a pharmacist's ability to disclose the availability of a more affordable alternative drug; and (3) prohibit the pharmacy benefit manager from requiring an insured to make a payment for a prescription drug in an amount that exceeds the lesser of the applicable cost-sharing amount or the retail price of the drug. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Makes changes to provisions concerning the denial of coverage for emergency services. Amends the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services may enter into a contract with any third party on a fee-for-service reimbursement model for the purpose of administering pharmacy benefits. Requires the Department to ensure coordination of care between the third-party administrator and managed care organizations as a consideration in any contracts established. Amends the Freedom of Information Act to exempt from disclosure certain information pharmacy benefits managers are required to provide under the Illinois Public Aid Code. Contains a severability provision.

5 ILCS 140/7
Adds reference to:
215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Makes changes to provisions concerning the denial of coverage for emergency services. Amends the Illinois Public Aid Code. 215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

105 ILCS 5/2-3.162
Amends the School Code. With respect to school discipline improvement plans, makes changes to how the State Board of Education determines the top 20% of school districts, when notification is given that a plan must be submitted, which school districts are required to submit a plan, the timeframe for school board approval of a plan and submission of that plan to the State Board, and when additional annual progress reports are required. Establishes the Safe Schools and Healthy Learning Environments Grant Program and grants under the program. Sets forth requirements for grant applicants and provisions for the distribution of funds appropriated for the program. Requires the State Board of Education to issue a yearly report on the results of the program in cooperation with school districts participating in the program. Provides that the State Board may adopt any rules necessary for the program. Effective immediately.

Senate Committee Amendment No. 2
Deletes reference to:

Amends the School Code. With regard to the student discipline report, provides that the report must include data on the total number of school days missed by a student due to an out-of-school suspension or expulsion and data on the number of arrests made by law enforcement officers of students on school grounds, in school vehicles, at school activities or school-sanctioned events, or as a result of referrals by school officials. Provides that the report must be disaggregated by whether a student qualifies for services under the federal Individuals with Disabilities Education Act, the total number of school days missed by the student, and the incident type that caused the suspension, expulsion, or removal to an alternative setting. Provides that, in compiling the report, the State Board of Education must use the same disclosure avoidance standards used by the United States Department of Education in its public reporting of data submitted by each school district as part of the Civil Rights Data Collection and must also ensure that cross-tabulation by the various categories of disaggregation is possible. Makes other changes.

Yingling and Will Guzzardi
(Sen. Iris Y. Martinez-Kimberly A. Lightford)

5 ILCS 312/3-103 from Ch. 102, par. 203-103

Amends the Illinois Notary Public Act. Modifies the required disavowal of legal representation notice. Provides that the
failure of a notary public to follow specified notice requirements shall result in a fine of $1,500 (currently, $1,000) for each written
violation. Provides that a second (rather than third) violation shall result in permanent revocation of the commission of notary public
(currently, a second violation results in suspension of notary authorization). Provides that prior to rendering notary public services to a
person seeking such services, a notary public shall, in addition to any written or electronic notice, also give a verbal disavowal of legal
representation that is substantially the same as the statement required for written and electronic advertisements of notary services.
Provides that upon providing the verbal disavowal of legal representation, the person seeking notary services shall be provided with an
acknowledgment form reciting the disavowal of legal representation, and be required to sign such form acknowledging that he or she
has been advised and understands that the notary public is not a licensed attorney and is not otherwise authorized to provide legal
advice or services. Provides that the acknowledgment form shall be prescribed by the Secretary of State and be made available in
English and in the non-English language in which notary services were solicited.

House Committee Amendment No. 1

Requires every notary public who is not an attorney or an accredited immigration representative to, prior to rendering notary
services, provide any person seeking notary services with a written acknowledgment. Provides for the contents of the written
acknowledgment. Provides that the provision shall not apply to notary services related to documents prepared or produced in
accordance with the Illinois Election Code. Removes provisions concerning a verbal disavowal of legal representation and the
production of an acknowledgment form reciting the disavowal of legal representation to be signed by the person seeking notary
services.

Requires the Department of Healthcare and Family Services to apply for a Medicaid waiver or State Plan amendment, or both, within 6 months after the effective date of the Act to develop and implement a regulatory framework that allows, incentivizes, and fosters payment reform models for all Medicaid community mental health services provided by community mental health centers or behavioral health clinics. Requires the regulatory framework to: (i) allow for and incentivize service innovation that is aimed at producing the best health outcomes for Medicaid enrollees with mental health conditions; (ii) reward high-quality care through annual incentive payments to community mental health centers and behavioral health clinics; (iii) require community mental health centers and behavioral health clinics to report on specified quality and outcomes metrics; and other matters. New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency, or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Messes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL. Student Assistance Commission)

The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.

30 ILCS 517/10

Amends the Procurement of Domestic Products Act. Provides that the term "manufactured in the United States" means: (1) in the case of products that are not assembled articles, materials, or supplies, that the product is mined or produced in the United States; (2) in the case of assembled articles, materials, or supplies, that design, final assembly, processing, packaging, testing, or other process that adds value, quality, or reliability occurs in the United States and the cost of domestic components exceeds 50% of the cost of all of the components; or (3) that the product is a commercially available off-the-shelf item (currently, "that design, final assembly, processing, packaging, testing, or other process that adds value, quality, or reliability occurs in the United States"). Provides for an exception to the Act if the price of the procured products manufactured in the United States exceeds the price of available and comparable procured products manufactured outside the United States by 12% or more (currently, if the price of the procured products manufactured in the United States exceeds the price of available and comparable procured products manufactured outside the United States by an unreasonable amount). Effective immediately.

Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall promote the purchase of and give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States). Provides that, if the purchasing agency determines that certain conditions apply to a procured product, then, with respect to that procurement, the purchasing agency shall give preference to manufactured articles, materials, and supplies that have been manufactured in the United States. Effective immediately.

Fiscal Note (Dept. of Central Management Services)

It is not possible to calculate the negative fiscal impact of this proposed legislation currently. For all practical purposes, it should be assumed that negative impact will occur. The potential for up to 12% cost increases for an indeterminable universe of procured products exists.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

Feb 18 20  First Reading
Amends the Illinois Vehicle Code. Provides that a towing service shall possess, before the towing service arrives at the scene from which a vehicle is to be towed or transported, proof that the owner or operator of the vehicle initiated contact with the towing service regarding service. Provides that any towing service authorized to tow a vehicle is entitled to the payment of applicable recovery, towing, and storage charges, and shall have a lien against the vehicle to secure payment. Provides that a towing service that solicits or tows a vehicle in violation of certain provisions regarding solicitations at an accident or disablement scene shall not have a lien against the vehicle, and is required to release the vehicle without payment. Provides that if a towing service solicits or tows a vehicle in violation of certain provisions regarding solicitations at an accident or disablement scene and fails to produce electronic or other proof of contact, the law enforcement official with jurisdiction shall impound all tow trucks used in connection with the solicitation or towing and collect a civil penalty not less than $10,000 nor more than $15,000 per impounded vehicle. Provides that it is unlawful for any person to operate, as an intrastate motor carrier of property, in violation of provisions regarding solicitations at an accident or disablement scene. Provides that if the Illinois Commerce Commission finds that a licensed or unlicensed motor carrier of property or commercial vehicle safety relocator has violated certain provisions regarding solicitations at an accident or disablement scene 3 times in one year, the Commission shall revoke any motor carrier or relocator license held by the motor carrier or relocator, and shall not issue a license to the person or entity for 3 years. Amends the Illinois Power Agency Act. For electric utilities that serve less than 3,000,000 retail customers but more than 500,000 retail customers in this State: defines "energy efficiency"; in provisions concerning the renewable portfolio standards, specifies the goals for procurement of renewable energy credits and cost-effective renewable energy resources that shall be included in the long-term renewable resources procurement plan and makes other changes concerning these procurements; and provides for the calculation of the cost of equity for the purposes of recovering all reasonable and prudently incurred costs of energy efficiency measures from retail customers. Provides that savings of fuels other than electricity achieved by measures that educate about, incentivize, encourage or otherwise support the use of electricity to power vehicles shall count towards the applicable annual incremental goal and shall not be included in determining certain limits. Amends the Public Utilities Act. Provides that an electric utility that serves less than 3,000,000 retail customers but more than 500,000 customers in this State may plan for, construct, install, control, own, manage, or operate photovoltaic electricity production facilities and any energy storage facilities that are planned for, constructed, installed, controlled, owned, managed or operated in connection with photovoltaic electricity production facilities without obtaining a certificate of public convenience and necessity subject to specified terms and conditions. Defines "electric vehicle", "electric vehicle charging station", and "energy storage" for the purposes of the Electric Service Customer Choice and Rate Relief Law of 1997. Provides that, beginning in 2022, without obtaining any approvals from the Illinois Commerce Commission or any other agency, regardless of whether any such approval would otherwise be required, a participating utility that is a combination utility shall pay $1,000,000 per year for 10 years to the energy low-income and support program. Adds provisions authorizing certain utilities to plan for, construct, install, control, own, manage or operate electric vehicle charging infrastructure, including, but not limited to, electric vehicle charging stations within their service territories. 410 ILCS 70/11 new

Adds reference to:

410 ILCS 70/2 from Ch. 111 1/2, par. 87-2

Replaces everything after the enacting clause. Amends the Sexual Assault Survivors Emergency Treatment Act. Provides that the Department of Public Health may approve a sexual assault transfer plan for the provision of medical forensic services until January 1, 2022 if: (1) a treatment hospital with approved pediatric transfer has agreed, as part of an areawide treatment plan, to accept sexual assault survivors 13 years of age or older from the proposed transfer hospital, if the treatment hospital with approved pediatric transfer is geographically closer to the transfer hospital than a treatment hospital or another treatment hospital with approved pediatric transfer and such transfer is not unduly burdensome on the sexual assault survivor; and (2) a treatment hospital has agreed, as a part of an areawide treatment plan, to accept sexual assault survivors under 13 years of age from the proposed transfer hospital and transfer to the treatment hospital would not unduly burden the sexual assault survivor. Provides that an areawide treatment plan may include a written agreement with a treatment hospital with approved pediatric transfer that is geographically closer than other hospitals providing medical forensic services to sexual assault survivors 13 years of age or older stating that the treatment hospital with approved pediatric transfer will provide medical services to sexual assault survivors 13 years of age or older who are transferred from the transfer hospital. Provides that if the areawide treatment plan includes a written agreement with a treatment hospital with approved pediatric transfer, it must also include a written agreement with a treatment hospital stating that the treatment hospital will provide medical forensic services to sexual assault survivors under 13 years of age who are transferred from the transfer hospital. New Act

Creates the Customized Employment for Individuals with Disabilities Act. Requires the Department of Human Services' Division of Rehabilitation Services to establish a 5-year Customized Employment Pilot Program that serves a minimum of 25 individuals by the second year of the Pilot Program. Provides that the Pilot Program shall include certain components, including: (1) an intensive discovery phase during which the unique needs, abilities, and interests of each program participant will be explored; (2) a customized person-centered planning process based upon information gathered during the discovery phase that involves capturing, organizing, and presenting the information in a blueprint for the job search; and (3) an employer negotiation process in which job duties and employee expectations are negotiated to align the skills and interests of each program participant to the needs of an employer. Provides that community-based agencies serving persons with intellectual or developmental disabilities shall identify and refer individuals to the Department for participation in the Pilot Program. Requires program participants to reflect the geographical, racial, ethnic, gender, and income-level diversity of the State. Contains provisions concerning data collection and reporting, administrative rules, and other matters.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes:
Provides that the purpose of the Act is to assist individuals with intellectual or developmental disabilities or similar conditions resulting in a most significant disability (rather than individuals with intellectual or developmental disabilities and complex needs).
Provides that the Customized Employment Pilot Program shall be implemented through an individualized plan for employment developed by the individual with a disability and the vocational rehabilitation counselor employed by the Division of Rehabilitation Services. Provides that the individual with a disability may choose to have a personal representative participate in the development of the individualized plan for employment. Includes the State Rehabilitation Council in the list of entities from which the Department of Human Services is required to seek advice and recommendations concerning the creation, operation, and administration of the Customized Employment Pilot Program.

Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage for hearing instruments and related services for all individuals 65 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by any insurer.

House Committee Amendment No. 2
Deletes reference to:
305 ILCS 5/5-16.8

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of $2,500 (rather $1,500) for the hearing instrument and related services every 24 months. Provides that nothing in the provisions precludes an insured from selecting a more expensive hearing instrument as his or her own expense. Removes language providing that an insurer shall not be required to pay a claim filed by its insured for the payment of the cost of a hearing instrument if less than 24 months before the date of the claim its insured filed a claim for payment of the cost of the hearing instrument and the claim was paid by the insurer. Removes provisions amending the Illinois Public Aid Code.

House Floor Amendment No. 3
In provisions amending the Illinois Insurance Code, provides that nothing in the provisions precludes an insured from selecting a hearing instrument that costs more than the amount covered by a plan of accident and health insurance or a managed care plan and paying the uncovered cost at his or her own expense (rather than a more expensive hearing instrument at his or her own expense). The removal of these restrictions is necessary to allow the insurer to provide optional coverage or optional reimbursement for hearing instruments and related services.

Senate Floor Amendment No. 1
In provisions amending the Illinois Insurance Code, provides that a "hearing care professional" may also mean a licensed hearing instrument dispenser. Provides that the provisions shall not be construed to require a group policy to provide coverage if the group is unable to meet mandatory minimum participation requirements set by the insurer.

735 ILCS 5/2-1108 from Ch. 110, par. 2-1108

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that within the discretion of the court, the jury may be asked (rather than required by the court, and must be required on the request of any party) to find specially upon any material question or questions of fact submitted to the jury in writing. Provides that any party may request special interrogatories. Provides that submitting or refusing to submit a question of fact to the jury may be reviewed on appeal to determine whether the trial court abused its discretion (rather than as a ruling on a question of law). Provides that when any special finding of fact is inconsistent with the general verdict, the court shall direct the jury to further consider its answers and verdicts, and if, in the discretion of the trial court, the jury is unable to render a general verdict consistent with any special finding, the trial court shall order a new trial (rather than the former controls the latter and the court may enter judgment accordingly). Provides that during closing arguments, the parties shall be allowed to explain to the jury what may result if the general verdict is inconsistent with any special findings. Provides that the Act applies only to trials commencing on or after January 1, 2020. Effective immediately.

Provides that, by November 1, 2019, the Governor shall designate an Ombudsman for Behavioral Health Access to Care (Ombudsman) to help consumers, including consumers who are uninsured or have public or private health benefit coverage, and health care providers navigate and resolve issues related to consumer access to behavioral health care, including care for mental health conditions and substance use disorders. HB 00395

Rep. Yehiel M. Kalish

5 ILCS 340/1 from Ch. 15, par. 501

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
HB 0395, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
HB 0395, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)
No land conveyances are included in House Bill 395 House Amendment #1; therefore, there are no appraisals to be filed.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 1 (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
Subject to appropriation, HB 395 requires DCEO to provide administrative and other necessary support to the commission. The fiscal impact to DCEO will be based on the level of support needed by the commission. Under an assumption that DCEO will be required to provide research support to the commission, the cost to the Department for such support is estimated at $70 per hour. If DCEO will be providing reimbursements for the travel costs of the commission, assuming the commission will meet once per quarter in Springfield. The annual cost to reimburse for such travel for commission members will be $15,000. With more information about the anticipated tasks, deliverables, and required support of DCEO a more thorough fiscal impact can be summarized.
Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall not require any resident of a nursing home licensed under the Nursing Home Care Act to enroll in or transition to the State's managed care medical assistance program, including any demonstration program operated by contract with the federal Centers for Medicare and Medicaid Services. Effective immediately.

Amends the Court of Claims Act. Provides that the Court of Claims has exclusive jurisdiction to hear and determine all quantum meruit claims by medical vendors for medical services rendered by the claimant to a person eligible for medical assistance under programs administered by the Department of Healthcare and Family Services if: (1) the services or goods were provided between January 1, 2013 and December 31, 2017; (2) at the time the services or goods were provided, the vendor was certified by Medicaid to provide medical services to persons eligible for medical assistance; (3) the State accepted the services or goods provided; (4) the State has been unjustly enriched or benefited from the services or goods; and (5) the claim was filed with the Court of Claims before January 1, 2019. Provides that the existence of a vendor agreement between a vendor and the State shall not be a bar, defense, or otherwise defeat a quantum meruit claim. Provides that the amount due to a vendor shall not exceed the Medicaid fee for service rates that would have otherwise been paid to the vendor for a valid claim at the time the services were rendered. Makes a corresponding change. Effective immediately.

Provides that the sustainable investment policy may be incorporated in existing investment policies developed, published, and implemented by a public agency or governmental unit. Provides that the sustainable investment policy shall include material, relevant, and decision-useful sustainability factors to be applied by the public agency or governmental unit in evaluating investment decisions. Provides that a public agency shall prudently integrate sustainability factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership in order to maximize anticipated financial returns, minimize projected risk, and more effectively execute its fiduciary duty. Specifies sustainability factors, and the ways in which such factors may be analyzed. Amends the Deposit of State Moneys Act, the Public Funds Investment Act, and the Illinois Pension Code to make changes concerning investment policy and the Illinois Sustainable Investing Act. Provides findings and purpose provisions. Defines terms.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (Office of the Treasurer)

HB 2460 will have no fiscal impact on the State Treasurer's Office as the Treasurer's office already has a published investment policy that includes material, relevant and decision-useful sustainability factors in accordance with this legislation. HB 2460 is likely to have a positive economic impact to the State of Illinois because evaluating sustainability factors in investment decision-making minimizes risks and maximizes returns on the state's investments.

House Floor Amendment No. 1

Provides that the sustainable investment policy developed under the Illinois Sustainable Investing Act shall include material, relevant, and decision-useful sustainability factors to be considered (currently, applied) by the public agency or governmental unit as one component of its overall evaluation of investment decisions. Provides that nothing in the Act prohibits a public agency or governmental unit from integrating additional factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership of public funds. Provides that the Act shall not apply to bank time deposits or bank processing services. Makes conforming changes.

House Floor Amendment No. 2

Provides that sustainability factors include, among other factors, human capital factors that recognize that the workforce is an important asset to delivering long-term value, including factors such as labor practices, responsible contractor and responsible bidder policies, employee health and safety, employee engagement, diversity and inclusion, and incentives and compensation (currently, responsible contractor and responsible bidder policies are not included as human capital factors).

Senate Committee Amendment No. 1

Provides that any public agency or governmental unit should (currently, shall) develop, publish, and implement sustainable investment policies applicable to the management of all public funds under its control. Provides that the sustainable investment policy should (currently, shall) include material, relevant, and decision-useful sustainability factors to be considered by the public agency or governmental unit as one component of its overall evaluation of investment decisions, which may (currently, shall) include specified items. Makes other changes concerning specified investment policies. Defines "financial institution". Makes conforming changes.
