705 ILCS 505/8  
from Ch. 37, par. 439.8

Amends the Court of Claims Act. Provides that if a person who has been granted a pardon or issued a certificate of innocence establishes that he or she plead guilty due to a forced confession, the Court of Claims shall make an award of $50,000 per year the person was wrongfully imprisoned and attorney's fees not exceeding 25% of the award granted. Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination of the award and that the court shall include an additional $25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Provides that the court shall annually adjust the awards authorized by the new provisions to reflect the increase, if any, in the Consumer Price Index For All Urban Consumers for the previous calendar year, as determined by the United States Department of Labor, except that no annual increment may exceed 5%. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Court of Claims Act. Deletes language regarding the amount a court shall award to a person for time unjustly served in prison when the person imprisoned received a pardon on the ground of innocence of the crime for which he or she was imprisoned or he or she received a certificate of innocence. Provides instead that the court shall award $50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned, including the number of years the person was awaiting trial. Provides that the court shall award attorney's fees in an amount not to exceed 25% of the award granted. Provides that the changes made by the amendatory Act apply to all claims pending or filed on or after the effective date.

Fiscal Note (Court of Claims)

House Bill 86 could have a cost to the State of Illinois, however no dollar estimate can be given. Under the current statute, award amounts for innocent individuals that were incarcerated are in three tiers, with maximum payouts based on the length of incarceration. Each tier could be affected by this amendment, which allows payment of $50,000.00 per year in cases involving coerced confessions.  
It is not possible to forecast the number of future innocence claims that may be received by the Court of Claims, nor the lengths of incarceration or circumstances surrounding any individual future claim. The Court received approximately 50 certificates in fiscal year 2020 and, to date, over 70 certificates in fiscal year 2021.

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award $50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than $85,350; for imprisonment of 14 years or less but over 5 years, not more than $170,000; for imprisonment of over 14 years, not more than $199,150"). Balanced Budget Note (Office of Management and Budget)  
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.  

Judicial Note (Admin Office of the Illinois Courts)  
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.  

Pension Note (Government Forecasting & Accountability)  
HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.  

State Debt Impact Note (Government Forecasting & Accountability)  
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.  

Housing Affordability Impact Note (Housing Development Authority)  
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.  

Home Rule Note (Dept. of Commerce & Economic Opportunity)  
This bill does not pre-empt home rule authority.  

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)  
This bill does not create a State Mandate.  

Fiscal Note (Dept. of Healthcare & Family Services)  
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

In a provision concerning rules on grants awarded to entities for the development of affordable rental housing, provides that the rules must require 50% of the units that are supported by any grant to be set aside for households whose income is at or below 25% (rather than 15%) of the median family income for the area in which the grant will be made.

Effective immediately.

Provides that for purposes of determining enrollment capacity, priority in the admission of applicants to an institution must be given to applicants who are residents of this State and admission to an institution may not be denied to an applicant who is a State resident based on the institution's enrollment capacity unless 100% of the enrollment capacity is filled exclusively by students who are State residents.

House Floor Amendment No. 2

Fiscal Note (Admin Office of the Illinois Courts)

HB3447 amends the Criminal Identification Act regarding expungements. Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

625 ILCS 5/12-614 new

Amends the Illinois Vehicle Code. Provides that no person may possess a vehicle security circumvention device if he or she has previously been convicted of specified felonies under the Code. Provides that only a mechanic, a licensed new or used vehicle dealer, a licensed locksmith, a repossession agent, or a State or local law enforcement officer may possess a vehicle security circumvention device. Provides that any seller of a vehicle security circumvention device shall: (1) conduct a criminal background check on a buyer before completing the sale; and (2) confirm that the buyer may lawfully possess a vehicle security circumvention device before completing the sale. Provides criminal penalties.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: allows employees of facilities subject to the Automotive Repair Act and Automotive Collision Repair Act (instead of mechanics) to possess a vehicle security circumvention device; specifies that language prohibiting the possession or sale of vehicle security circumvention devices by or to persons convicted of certain felonies applies only with respect to convictions within the previous 5 years.
820 ILCS 42/20 new

Amends the Artificial Intelligence Video Interview Act. Provides that employers that rely solely upon artificial intelligence to determine whether an applicant will qualify for an in-person interview must gather and report certain demographic information to the Department of Commerce and Economic Opportunity. Requires the Department to analyze the data and report to the Governor and General Assembly whether the data discloses a racial bias in the use of artificial intelligence.
Amends the Illinois Vehicle Code. Provides that licensed dealers, financing affiliates, parts recyclers, scrap processors, repairers, rebuilders, and out-of-state salvage vehicle buyers shall retain records relating to the acquisition or disposition of tire rims and catalytic converters, including the date of the acquisition of each tire rim or catalytic converter and the name and address of the person from whom the tire rim or catalytic converter was acquired and, if that person is a dealer, the Illinois or out-of-state dealer license number of such person. Provides that, if the tire rim or catalytic converter being acquired is from a person other than a dealer, the licensee shall verify and record that person's identity by recording the identification numbers from at least 2 sources of identification, one of which shall be a driver's license or State identification card.

Amends the Recyclable Metal Purchase Registration Law. Imposes restrictions concerning the acquisition and disposition of catalytic converter contents, steel wheels, and aluminum wheels upon recyclable metal dealers rather than licensed vehicle dealers, financing affiliates, parts recyclers, scrap processors, repairers, rebuilders and out-of-state salvage vehicle buyers. Authorizes a fine of $1,000 or the value of the unlawfully recycled metal, whichever is greater, for a first offense and a fine of $5,000 or 3 times the value of the unlawfully recycled metal, whichever is greater, for a second or subsequent offense. Authorizes the Department of Revenue to initiate an action to prevent the unlawful operation of a recyclable metal dealer.

Replaces everything after the enacting clause. Amends the Recyclable Metal Purchase Registration Law. Amends the Business Corporation Act of 1983, the General Not For Profit Corporation Act of 1986, and the Limited Liability Company Act. Provides that, with respect to entities organized under these Acts, the Secretary of State shall publish data required to be maintained by the Secretary in a machine-readable form that is freely available to the public. Abolishes charges for that data. Effective immediately.

House Committee Amendment No. 2

HB 02784

New Act

50 ILCS 750/4 from Ch. 134, par. 34

HB 02784 (CONTINUED)

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's Community Emergency Services and Supports Plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

Fiscal Note (Dept. of Human Services)
The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

House Committee Amendment No. 1

Adds reference to:

5 ILCS 100/5-45.8 new

Adds reference to:

35 ILCS 5/704A

Replaces everything after the enacting clause. Creates the Investing in Illinois Works Tax Credit Act. Provides limitations on the credit. Creates the Access to Apprenticeship Act. Provides that no preapprenticeship or apprenticeship program may require a recommendation from a union member or any other person as a condition of acceptance.

Amends the Illinois Administrative Procedure Act and the Illinois Income Tax Act to make conforming changes. Creates the Illinois Hazardous Workforce Materials Training Act. Requires workers at high hazard facilities to obtain minimum approved safety training, provided by the Occupational and Safety Health Administration, and to file a certificate of completion with the Department of Labor. Contains enforcement provisions. Provides that the Act does not apply to any owner or operator that has an executed national or local labor agreement in effect pertaining to the performance of construction work at a given facility or site under the terms of the agreement. Requires applicable apprenticeship and training programs, approved by and registered with the U.S. Department of Labor's Office of Apprenticeship, providing minimum approved safety training for workers in high hazard facilities and contractors employing workers at high hazard facilities to file an annual report with the Department and the Illinois Works Review Panel. Provides that an owner or operator who violates the requirements of the Act shall be subject to a minimum civil penalty of $10,000 for each violation. Requires all moneys received by the Department as fees and civil penalties under the Act to be deposited into the Illinois Works Fund to be used to recruit, prescreen, and provide preapprenticeship skills training. Contains other provisions. Effective January 1, 2022.

In provisions creating the Investing in Illinois Works Tax Credit Act, makes changes to provisions concerning definitions. Provides that each owner or operator may claim an amount equal to $2,500 (rather than may apply for a credit up to 45% of qualified wages paid) against a tax imposed under specified provisions of the Illinois Income Tax Act for each member of its skilled and trained workforce who is also a qualifying graduate. Contains provisions regarding the application process for the credit. Provides that the credit shall not be awarded more than an aggregate of $20,000,000 in total tax credits. Contains provisions regarding penalties and recapture. Makes other changes. In provisions creating the Illinois Hazardous Workforce Materials Training Act, provides that the Illinois Department of Labor (rather than the Attorney General's Workers Rights Bureau, in conjunction with the Department) must certify that an emergency warrants noncompliance with the Act. Makes other changes. In provisions amending the Illinois Income Tax Act, removes changes to the reporting periods upon which the amount computed for maximum credit is based. Makes other changes. Effective January 1, 2022.

Amends the Vital Records Act. Removes language requiring that the State Registrar of Vital Records establish a new certificate of birth when he receives a declaration stating that a person has undergone treatment for the purpose of gender transition, or that the individual has an intersex condition, and that the sex designation on such person's birth record should therefore be changed. Provides that the State Registrar of Vital Records must establish a new certificate of birth when he receives a statement signed by the person in which the person attests to making the request for the purpose of affirming the person's gender identity or intersex condition and that the sex designation on the person's certificate of birth should therefore be changed. Provides that the fee for a new certificate of birth shall not be required from persons upon release from the Department of Corrections or the Department of Juvenile Justice, but the person is entitled to only one new certificate of birth fee waiver. Provides that the fee for a new certificate of birth shall be waived for specified persons. Provides that fees for a new certificate of birth and for a search of a birth record or a certified copy of a birth record shall be waived for all requests by a person who resides in a shelter for domestic violence. Requires the State Registrar of Vital Records to establish standards and procedures for the waiver of fees. Provides that a person who resides in a shelter for domestic violence must not be charged for verification. Provides that a person who knowingly or purposefully falsifies verification is subject to a penalty of $100. Provides that a person who resides in a shelter for domestic violence shall be provided no more than 4 birth records annually under the provisions. Effective January 1, 2022.  

House Committee Amendment No. 1  
Provides that a person's signed statement to receive a new birth certificate must indicate whether the certificate of birth should be changed to a male, female, or X designation (rather than just changed).

Provides that a peace officer subjecting another person to the deprivation of individual rights is liable to the person for appropriate relief. Excludes sovereign immunity, statutory immunity, and statutory damages for claims brought under this provision. Provides that qualified immunity is not a defense to liability under this provision. Allows attorney's fees and costs to be awarded to the plaintiff. Provides that civil actions brought under this provision must be commenced within 5 years after the cause of action accrues. Requires units of local government to make public disclosures regarding judgments or settlements awarded under this provision. Determines what information is not required to be disclosed by the unit of local government.

Fiscal Note (Illinois Court of Claims)

The Illinois Court of Claims cannot provide an estimated cost to the State of Illinois if House Bill 1727 is passed. The Court has jurisdiction over State agencies, not individual State employees. It is not possible to forecast what future lawsuits may be filed, nor the facts surrounding the alleged events and/or potential awards by the Court.

(Sen. Emil Jones, III)

40 ILCS 5/5-214 from Ch. 108 1/2, par. 5-214
30 ILCS 805/8.45 new

Amends the Chicago Police Article of the Illinois Pension Code. Makes changes to provisions concerning credit for service while on a leave of absence from the police department and assigned or detailed to perform safety or investigative work. Provides that the changes made by the amendatory Act requiring an applicant to have been on a leave of absence from the police department of the city while assigned or detailed to perform investigative work for the department while employed as a civilian employee of the police department of the city are operative beginning January 1, 2021. Defines "investigative work". Provides that the board shall reconsider any application for credit for service for any active policeman assigned or detailed to perform safety or investigative work as an employee for the County of Cook (instead of an application for credit under the provisions), if the application was submitted between specified dates and was denied. Provides that no credit shall be granted for certain service while on a leave of absence or as a temporary police officer if the policeman has not, within 5 years after the date his application for credit has been approved, but prior to his date of retirement, made a specified contribution. Provides that it is the sole responsibility of the policeman to ensure that all sums contributed by the policeman have been received by the fund for the service credit for which the policeman has applied. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Provides that the board may (rather than shall) reconsider any application for credit for service for any active policeman assigned or detailed to perform safety or investigative work as an employee for the County of Cook. Adds a condition that the application for reconsideration must be made by December 21, 2022. Provides that the changes made by the amendatory Act requiring an applicant to have been on a leave of absence from the police department of the city while assigned or detailed to perform investigative work for the department while employed as a civilian employee of the police department of the city are operative beginning January 1, 2023 (instead of January 1, 2021).

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)
HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Fiscal Note (Dept. of Healthcare & Family Services)
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

Deletes a provision concerning objections relating to specificity, timing, filing, and form. Provides that a person who has been convicted of a felony offense in this State or any other state and whose sentence has not been terminated, completed, or discharged is not permitted to file a petition for a name change in the courts of this State unless that person is pardoned for the offense. Adds "name" to two section headings to reflect the duty to report a legal name change. Provides that certain objections shall be served upon the petitioner. Replaces a repeal of a provision concerning notice by publication with a change to the provision providing that the court may issue an order directing that the notice and publication requirement be waived for a change of name involving a person who files with the court a statement verified under oath that the person believes that publishing notice of the name change would be a hardship, including but not limited to, a negative impact on the person's health or safety. Provides that in a case where waiver of the notice and publication requirement is sought, the petition for waiver will be presumed granted and heard at the same hearing as the petition for name change. Provides that the court retains discretion to determine whether a hardship is shown and may order the petitioner to publish thereafter.

(Sen. Robert Peters-Doris Turner and Mike Simmons-Cristina Castro)

New Act
50 ILCS 750/4 from Ch. 134, par. 34

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

Fiscal Note (Dept. of Human Services)

The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

Amends the Compassionate Use of Medical Cannabis Program Act. Provides that employers are not prohibited from adopting specified policies concerning medical cannabis by registered qualifying patients, including drug testing policies for such patients working in safety sensitive positions. Unless specified circumstances are met, prohibits employers from taking adverse action against registered qualifying patients who work in non-safety sensitive positions solely due to a positive drug test for medicinal cannabis. Defines "safety sensitive position". Provides that nothing in the Act prohibits an employer from enforcing a preemployment drug testing policy, zero-tolerance drug testing policy, random drug testing policy, or a drug free workplace policy (rather than only a workplace drug policy) or disciplining a registered qualifying patient for violating such a policy, provided that an employer shall not take adverse action against a registered qualifying patient in a non-safety sensitive position solely due to a positive drug test for medical cannabis (rather than due to a positive drug test for cannabis) unless specified criteria are met. Provides that there is not a cause of action for any person against an employer for disciplining or terminating the employment of a registered qualifying patient when enforcing a compliant policy. Makes other changes. Amends the Right to Privacy in the Workplace Act. Provides that the amendatory Act's provisions are an exception to provisions prohibiting an employer from refusing to hire or to discharge or disadvantage any individual because the individual uses lawful products off the premises of the employer during nonworking and non-call hours. 725 ILCS 5/116-2.2 new
Amends the Code of Criminal Procedure of 1963. Provides that a person serving a sentence for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance for which the statutory penalty has been subsequently reduced or altered may petition the trial court that entered the judgment of conviction to request resentencing or dismissal in accordance with the statutory penalty in effect at the time of the filing of the petition. Provides that upon verified petition for resentencing by the defendant, the trial court that entered the judgment of conviction in a defendant's case may order resentencing at any time after 30 days have passed following the imposition of a sentence under a guilty verdict or a finding of guilt for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance provided: (1) the State's Attorney or other prosecuting attorney is given at least 30-day notice of the filing of the petition seeking resentencing; (2) the statutory penalty for the offense for which the defendant was found guilty or convicted, since his or her plea of guilty or conviction, has been subsequently reduced or altered in a manner that includes, but is not limited to: (A) reducing the minimum or maximum sentence for the offense; (B) granting the court more discretion over the range of penalties available for the offense; or (C) changing the penalties associated with the offense or conduct underlying the offense in any way.

House Floor Amendment No. 1

725 ILCS 5/123 new

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

Amends the Unified Code of Corrections to create a Misdemeanor Diversion Program.

Fiscal Note (Admin Office of the Illinois Courts)

HB3447 amends the Criminal Identification Act regarding expungements. Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

820 ILCS 405/900 from Ch. 48, par. 490

Amends the Unemployment Insurance Act to provide that if an individual's benefit year begins on or after March 8, 2020,
but before the week following the last week of a disaster period established by the gubernatorial disaster proclamations in response to
COVID-19, recovery by suit in the name of the People of the State of Illinois or recoupment from benefits payable to an individual for
any week shall be permanently waived if the sum was received by the individual without fault on his or her part. Provides that, in cases
of such permanent waiver of recovery or recoupment, the Director of Employment Security may not request the Comptroller or the
Secretary of the Treasury to withhold a sum of benefits for which an individual is found to be ineligible. Effective immediately.
Fiscal Note (Dept. of Employment Security)
The legislation may have a fiscal impact on the Illinois Unemployment Insurance Trust Fund. The reported data indicates that for the programs payable under Illinois state law: (1) Fiscal Year 2019, non-fraudulent recovery totaled approximately $14,303,046.00; (2) Fiscal Year 2020, non-fraudulent recovery totaled approximately $16,552,059.00; and (3) First and Second Quarter Fiscal Year 2021, non-fraudulent recovery totaled approximately $10,147,378.00. Based on the above data, it appears the legislation could forgive $3.5 million to $5.1 million for each quarter the waiver provision remained in effect. While the system is generally designed to replenish the state’s Unemployment Trust Fund account by charging employers for benefits paid from the account, employers would not be directly charged for the forgiven overpayments as the bill is currently written.

Amends the Health Care Professional Credentials Data Collection Act. Makes a technical change in a Section concerning the adoption and incorporation of the Illinois Administrative Procedure Act.

House Committee Amendment No. 1

Deletes reference to:

410 ILCS 517/45

Adds reference to:

New Act
Replaces everything after the enacting clause. Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

House Committee Amendment No. 2

Provides that the Medicaid voucher pilot program includes home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives who are licensed and registered in Illinois (rather than racially concordant nationally accredited certified professional midwives).
Amends the Medical Patient Rights Act. Requires that, during the pendency of a proclamation issued by the Governor under the Illinois Emergency Management Agency Act declaring that a public health-related emergency exists, a health professional:

shall permit people eligible for critical or intensive care services to remain eligible regardless of a patient's age or disability; shall provide individual patient assessments based on the best available objective medical evidence; shall not deny a patient's care based on stereotypes, assessments of a patient's quality of life, or assessments related to disability or other identity factor; and shall not make decisions on health care resources based on age, ancestry, color, creed, disability, domestic partnership or civil union status, ethnicity, gender identity or expression, health insurance status, marital status, national origin, nationality, place of residence, race, sex, sexual orientation, or socioeconomic status if the characteristics are not relevant to the patient's medical diagnosis and treatment. Defines "health professional". Effective immediately.
Amends the Illinois Public Aid Code. Provides that, in determining income eligibility for child care benefits beginning in State fiscal year 2022, the income threshold shall be no less than 200% of the then-current federal poverty level for each family size. Effective July 1, 2021.

House Floor Amendment No. 1

Provides that the income threshold established for the child care program in the amendatory Act shall be in effect notwithstanding any other provision of law or administrative rule to the contrary.

Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions. Provides that an insurer shall not limit benefits or coverage for medically necessary services on the basis that those services should be or could be covered by a public program. Provides that an insurer shall base any medical necessity determination or the utilization review criteria on current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care. Provides that in conducting utilization review of covered health care services and benefits for the diagnosis, prevention, and treatment of mental, emotional, and nervous disorders or conditions in children, adolescents, and adults, an insurer shall exclusively apply the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between $5,000 and $20,000 for each violation. Amends the Health Carrier External Review Act. Provides that independent review organization shall comply with specified requirements for an adverse determination or final adverse determination involving mental, emotional, nervous, or substance use disorders or conditions. Makes other changes. Effective immediately.

House Floor Amendment No. 1

In provisions concerning mental and emotional disorders, provides that an insurer shall not set a specific limit on the duration of benefits or coverage of medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions or limit coverage only to alleviation of the insured's current symptoms. Provides that nothing shall require the insurer to cover a treatment when the authorization was granted based on a material misrepresentation by the insured, the policyholder, or the provider. Provides that an insurer may apply specified utilization review criteria to health care services and benefits for mental, emotional, and nervous disorders or conditions that are outside the scope of specified criteria and guidelines or relate to advancements in technology or types of care that are not covered in the most recent versions of specified sources. Provides that if the Director of Insurance determines that an insurer has violated the provisions, the Director may assess a civil penalty between $1,000 and $5,000 for each violation (rather than between $5,000 and $20,000). Removes language that provides that changes in terminology, organization, or classification of mental, emotional, nervous, substance use disorder or condition in future versions of specified publications shall not affect the conditions covered by provisions concerning mental and emotional disorders as long as a condition is commonly understood to be a mental, emotional, nervous, or substance use disorder or condition by health care providers practicing in relevant clinical specialties. Removes language that provides that an insurer shall not limit benefits or coverage for mental, emotional, nervous, or substance use disorders or conditions to short-term or acute treatment at any level of placement. Makes other changes. Changes the effective date to January 1, 2022 (rather than an immediate effective date).

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Fiscal Note (Dept. of Healthcare & Family Services)
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

HB 02595
Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions. Provides that an insurer shall not limit benefits or coverage for medically necessary services on the basis that those services should be or could be covered by a public program. Provides that an insurer shall base any medical necessity determination or the utilization review criteria on current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care. Provides that in conducting utilization review of covered health care services and benefits for the diagnosis, prevention, and treatment of mental, emotional, and nervous disorders or conditions in children, adolescents, and adults, an insurer shall exclusively apply the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between $5,000 and $20,000 for each violation. Amends the Health Carrier External Review Act. Provides that independent review organization shall comply with specified requirements for an adverse determination or final adverse determination involving mental, emotional, nervous, or substance use disorders or conditions. Makes other changes. Effective immediately.

House Floor Amendment No. 1

In provisions concerning mental and emotional disorders, provides that an insurer shall not set a specific limit on the duration of benefits or coverage of medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions or limit coverage only to alleviation of the insured's current symptoms. Provides that nothing shall require the insurer to cover a treatment when the authorization was granted based on a material misrepresentation by the insured, the policyholder, or the provider. Provides that an insurer may apply specified utilization review criteria to health care services and benefits for mental, emotional, and nervous disorders or conditions that are outside the scope of specified criteria and guidelines or relate to advancements in technology or types of care that are not covered in the most recent versions of specified sources. Provides that if the Director of Insurance determines that an insurer has violated the provisions, the Director may assess a civil penalty between $1,000 and $5,000 for each violation (rather than between $5,000 and $20,000). Removes language that provides that changes in terminology, organization, or classification of mental, emotional, nervous, substance use disorder or condition in future versions of specified publications shall not affect the conditions covered by provisions concerning mental and emotional disorders as long as a condition is commonly understood to be a mental, emotional, nervous, or substance use disorder or condition by health care providers practicing in relevant clinical specialties. Removes language that provides that an insurer shall not limit benefits or coverage for mental, emotional, nervous, or substance use disorders or conditions to short-term or acute treatment at any level of placement. Makes other changes. Changes the effective date to January 1, 2022 (rather than an immediate effective date).

House Floor Amendment No. 1
Rep. William Davis
HB 00711

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references from "utilization review organization" to "health insurance issuer" or "health insurance issuer or its contracted utilization review organization". Provides that a health insurance issuer or its contracted utilization review organization must ensure that all adverse determinations are made by a physician when the request is by a physician or a representative of a physician. Provides that a health insurance issuer shall periodically review its prior authorization requirements and consider removal of prior authorization requirements in specified circumstances (rather than a utilization review organization shall not require prior authorization in specified circumstances). In provisions concerning length of prior authorization approval, provides that a prior authorization approval shall be valid for the lesser of 12 months after the date the health care professional or health care provider receives the prior authorization approval or the length of treatment as determined by the patient's health care professional. In provisions concerning clinical review criteria of prior authorization requirements, removes language that provides that a utilization review organization shall seek input from actively practicing physicians representing major areas of the specialty who are not employees of the utilization review organization or consultants to the utilization review organization before establishing or substantially or materially altering written clinical review criteria. Removes language that provides that a utilization review organization shall not deny prior authorization of a health care service solely based on the grounds that a health care professional or health care provider judges a service, product, or procedure is medically appropriate for his or her patient even if it has not been formally approved for the specific condition being treated. In provisions concerning statistics that shall be made available regarding prior authorization approvals and denials, removes specified categories of information. In provisions concerning requirements applicable to the physician who can review consultations and appeals, removes language that provides that the physician must not be employed by a utilization review organization, be under contract with the utilization review organization other than to participate in one or more of the utilization review organization's health care professional networks or to perform reviews of appeals, or otherwise have any financial interest in the outcome of the appeal. Makes other changes. Effective January 1, 2022.

HB 03495

Amends the Liquor Control Act of 1934. Adds provisions concerning: first class wine-manufacturers, first-class wine-makers, and second-class wine-makers that manufacture beer or spirits; class 1 craft distillers and class 2 craft distillers that manufacture wine or beer; and class 1 brewers and class 2 brewers that manufacture wine or spirits. Prohibits self-distribution exemption holders from being affiliated with a group that produces certain quantities of beer, wine, or spirits (instead of any other alcoholic liquor). Creates the brewery shipper’s license and the distillery shipper’s license to allow certain licensees to ship beer or spirits. Contains provisions concerning licensing fees; application for a license; recordkeeping; and taxation. Limits home rule powers to regulate the delivery of alcoholic liquor. Removes language providing that any retail license issued to a manufacturer shall only permit the manufacturer to sell beer at retail on the premises actually occupied by the manufacturer. Provides that a brew pub licensee may sell no more than 6,200 gallons of beer per year to retail licensees within a 10-mile radius of the licensed premises if the premises are in a city with a population of more than 1,000,000 or within a 50-mile radius of the licensed premises if the premises are in a city with a population of 1,000,000 or less. Deletes a provision specifying that the sale of beer at retail by a brew pub must be in-person. Adds that provisions authorizing delivery and carry out of mixed drinks grant authorization to class 1 craft distillers, wine-maker’s premises, brew pubs, and distilling pubs. Removes language repealing the provision concerning delivery and carry out of mixed drinks on June 2, 2021. Makes other changes. Effective immediately.
Amends the Illinois Educational Labor Relations Act. Provides that a "supervisor" shall be considered an educational employee under the definition of "educational employee" unless the supervisor is also a managerial employee. Modifies the definition of "managerial employee" to mean an individual who has a significant role in the negotiation of collective bargaining agreements or who formulates and determines employer-wide management policies and practices (rather than an individual who is engaged predominantly in executive and management functions and is charged with the responsibility of directing the effectuation of such management policies and practices). Effective immediately.

Amends the Homeowners' Energy Policy Statement Act. Changes the definition of "solar storage mechanism" to include batteries. Provides that the entity may determine the specific configuration of the elements of a solar energy system on a given roof face, provided that it may not prohibit elements of the system from being installed on any roof face and that any such determination may not reduce the production of the solar energy system by more than 10% (rather than specific location where a solar energy system may be installed on the roof within an orientation to the south or within 45 degrees east or west of due south provided that the determination does not impair the effective operation of the solar energy system). Amends the Managed Care Reform and Patient Rights Act. Requires health insurance carriers that provide coverage for prescription drugs to ensure that, within service areas and levels of coverage specified by federal law, at least half of individual and group plans meet one or more of the following criteria: apply a pre-deductible and flat-dollar copayment structure to the entire drug benefit, limit a beneficiary's monthly out-of-pocket financial responsibility for prescription drugs to a specified amount, or limit a beneficiary's annual out-of-pocket financial responsibility for prescription drugs to a specified amount. Provides that all plans for prescription drugs offered under the amendatory Act must be clearly and appropriately named, marketed in the same manner as other plans offered by the health insurance carrier, and offered for purchase to any individual and group plan sponsor. Effective January 1, 2022.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Managed Care Reform and Patient Rights Act. In provisions concerning individual health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall ensure that at least 10% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall ensure that at least 25% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit. In provisions concerning group health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall offer at least one group health plan in each applicable service area that applies a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall offer at least 2 group health plans in each applicable service area that apply a flat-dollar copayment structure to the entire drug benefit. Provides that the flat-dollar copayment structure for prescription drugs must be applied pre-deductible and be reasonably graduated and proportionately related in all tier levels such that the copayment structure as a whole does not discriminate against or discourage the enrollment of individuals with significant health care needs. Requires the health insurance carriers to clearly and appropriately name the plans to aid in individual or group plan selection. Requires the health insurance carriers to market the plans in the same manner as their other plans. Requires the Department of Insurance to adopt rules necessary to implement and enforce the provisions. Effective January 1, 2023.

House Floor Amendment No. 1 Adopted
Amends the Unemployment Insurance Act to provide that if an individual's benefit year begins on or after March 8, 2020, but before the week following the last week of a disaster period established by the gubernatorial disaster proclamations in response to COVID-19, recovery by suit in the name of the People of the State of Illinois or recoupment from benefits payable to an individual for any week shall be permanently waived if the sum was received by the individual without fault on his or her part. Provides that, in cases of such permanent waiver of recovery or recoupment, the Director of Employment Security may not request the Comptroller or the Secretary of the Treasury to withhold a sum of benefits for which an individual is found to be ineligible. Effective immediately.

Fiscal Note (Dept. of Employment Security)

The legislation may have a fiscal impact on the Illinois Unemployment Insurance Trust Fund. The reported data indicates that for the programs payable under Illinois state law: (1) Fiscal Year 2019, non-fraudulent recovery totaled approximately $14,303,046.00; (2) Fiscal Year 2020, non-fraudulent recovery totaled approximately $16,552,059.00; and (3) First and Second Quarter Fiscal Year 2021, non-fraudulent recovery totaled approximately $10,147,378.00. Based on the above data, it appears the legislation could forgive $3.5 million to $5.1 million for each quarter the waiver provision remained in effect. While the system is generally designed to replenish the state’s Unemployment Trust Fund account by charging employers for benefits paid from the account, employers would not be directly charged for the forgiven overpayments as the bill is currently written.

Amends the Court of Claims Act. Provides that if a person who has been granted a pardon or issued a certificate of innocence establishes that he or she plead guilty due to a forced confession, the Court of Claims shall make an award of $50,000 per year the person was wrongfully imprisoned and attorney's fees not exceeding 25% of the award granted. House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall award attorney's fees in an amount not to exceed 25% of the award granted. Provides that the changes made by the amendatory Act apply to all claims pending or filed on or after the effective date.

HB 00086  (CONTINUED)

House Bill 86 could have a cost to the State of Illinois, however no dollar estimate can be given. Under the current statute, award amounts for innocent individuals that were incarcerated are in three tiers, with maximum payouts based on the length of incarceration. Each tier could be affected by this amendment, which allows payment of $50,000.00 per year in cases involving coerced confessions. It is not possible to forecast the number of future innocence claims that may be received by the Court of Claims, nor the lengths of incarceration or circumstances surrounding any individual future claim. The Court received approximately 50 certificates in fiscal year 2020 and, to date, over 70 certificates in fiscal year 2021.

House Floor Amendment No. 3

Rep. Mary E. Flowers-Carol Ammons and Rita Mayfield
Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award $50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than $85,350; for imprisonment of 14 years or less but over 5 years, not more than $170,000; for imprisonment of over 14 years, not more than $199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional $25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

New Act
50 ILCS 750/4 from Ch. 134, par. 34
Represents Mary E. Flowers  
HB 02784     (CONTINUED)  

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local 
government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals 
with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, 
or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner 
 inconsisent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and 
behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at 
the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, 
services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan 
shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the 
manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate 
with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in 
conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent 
Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

Fiscal Note (Dept. of Human Services)  
The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that 
each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental 
and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following 
State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency 
mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or 
behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to 
give guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when 
responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a 
non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile 
mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain 
specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in 
each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons 
of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. 
No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care 
or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints 
when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

New Act
HB 02928     (CONTINUED)

Creates the Relieve College Costs Pilot Program Act. Creates a pilot program for a 4-year degree pathway based on texts that served as the core foundational basis for western civilization and the Enlightenment, under which one public high school, one public community college, and one public university shall develop a competency-based baccalaureate degree program for a Fundamental Issues and Texts Humanities Degree. Includes as goals of the program: (1) preparing students with skills relating to critical thinking, problem solving, rational inquiry, and oral and written communication needed for employment or further graduate study; (2) using open educational resources if available; (3) using online course options if available to reduce costs; (4) identifying pathway courses to promote dual credit course enrollment in the participating high school; and (5) having a $20,000 maximum tuition rate for the entirety of the degree pathway. Contains provisions concerning a program director, the curriculum, open educational resources, reporting, and rulemaking. Effective immediately.

House Floor Amendment No. 1

In provisions concerning the panel created by the State Board of Education, Illinois Community College Board, and Board of Higher Education, requires the panel to seek and identify initiatives to support the use of foundational materials and original sources that reside in the public domain or open educational resource materials in support of the degree program (rather than only to seek and identify initiatives to support the use of open educational resource materials). Provides that the panel is dissolved on January 31, 2023. Provides that a public institution, at the request of its board of trustees, must highlight the courses that use low-cost digital or print options for students (rather than courses that may have a lost-cost option for print versions).

Replaces everything after the enacting clause. Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Amends the Criminal Identification Act. Provides that the Illinois State Police and all law enforcement agencies within the State shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for any person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation on the effective date of the amendatory Act. Provides that the clerk of the circuit court shall, on the effective date of the amendatory Act, automatically expunge the court records of a person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation on the effective date of the amendatory Act. Provides that a person imprisoned solely as a result of one or more convictions for possession or delivery, but not manufacture or production, of cannabis shall be released from incarceration on the effective date of the amendatory Act. Amends the Cannabis Control Act. Repeals the provision prohibiting the possession of cannabis. Modifies the provision prohibiting the delivery or manufacture of cannabis so it applies only to manufacture or production of cannabis. Amends the Cannabis Regulation and Tax Act to make conforming changes.

Fiscal Note (Admin Office of the Illinois Courts)
HB3085 amends the Criminal Identification Act, requiring automatic expungement of law enforcement and court records related to cannabis convictions on the effective date of the bill. Based on a review of the bill, it is not possible to determine what fiscal impact, if any, the bill would have on state appropriations to the judicial branch or what fiscal impact, if any, the bill would have on local judicial budgets.

Fiscal Note (Illinois State Police)
House Bill 3085 provides the Illinois State Police shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for any person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation. Automatic expungement outside the judicial process will not allow for the collection of statutory fees, which cover administrative costs. While existing personnel may be used to develop and implement computer programming to carry out the automatic expungement of electronic records, our records unit who handles physical records would need additional staff. The cost of one office specialist in our records unit is $113,583, which includes personal services and fringe benefits (retirement, social security and insurance). If House Bill 3085 were to become law, we would hire three additional records specialists at a cost of approximately $340,749.

Creates the Securing All Futures for Equitable Reinvestment in Communities Act. Provides legislative intent. Creates the Securing All Futures for Equitable Reinvestment Tax Credit Pilot Program Act. Provides that an applicant that hires certain formerly incarcerated individuals during the incentive period may apply for a tax credit against the applicant's withholding tax liability. Provides that the savings from the changes made to the Unified Code of Corrections shall be deposited into the Securing All Futures for Equitable Reinvestment (SAFER) Communities Fund for the purpose of funding the program. Amends the Unified Code of Corrections to reduce the sentencing ranges for all classes of felonies, and to remove minimum sentences for Class 4 felonies and Class A and Class B misdemeanors. Provides that the provisions of the Act apply to offenses committed before the effective date of this Act, and to offenses committed on or after the effective date of this amendatory Act. Provides for resentencing of currently incarcerated persons based on these changes. Effective immediately.

Fiscal Note (Dept. of Revenue)
Although the bill limits the credit to $1.5 billion over its 6-year life, the Department is unable to provide a fiscal impact estimate for House Bill 3215 because the legislation, as introduced, contains multiple drafting ambiguities, errors, and incomplete definitions. For example, the bill defines "participant" to mean, in part, a full-time employee who was formerly incarcerated between January 1, 2009 and December 31, 2019. The bill, however, provides later that the credit is limited to 10,000 participants "newly released" from prison and 10,000 participants that were released between January 1, 2009 and December 31, 2019. Additionally, the bill provides the credit amount awarded is to be between $10,000 and $15,000 each year per participant hired. The bill further provides a list of criteria to be considered in determining the amount of the credit, but no guidance is provided as to how that list of criteria computes to a given credit amount. These problems, among others in the bill as introduced, prevent the Department from making adequately precise determinations of who qualifies for the credit and of how to calculate the credit.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall transition pharmacy services for managed care enrollees from the State's managed care medical assistance program back to the State's traditional fee-for-service program, thereby assuming direct responsibility for all pharmacy services provided under the Article. Provides that the transition back to a fee-for-service reimbursement model for pharmacy services shall be implemented by the Department upon the expiration of any managed care contracts the Department has with managed care organizations on the effective date of the amendatory Act. Provides that, to ensure managed care enrollees do not experience an interruption in pharmacy services during the transition from managed care to fee-for-service coverage, the Department must, at a minimum, do the following: add an additional pharmacist to its staff; stress-test its existing claims processing system; increase its capacity for prior authorizations; and educate the public and its help desk staff about the change in coverage for pharmacy services. Grants the Department rulemaking authority. Repeals a provision that permits the Department to enter into a contract with a third party on a fee-for-service reimbursement model for the purpose of administering pharmacy benefits for recipients not enrolled in a Medicaid managed care organization. Requires the Task Force to examine the historical and current role of mandatory reporting and its impact on the racial and gender disparities of families involved with the Department of Children and Family Services; examine the underlying factors that bring families into contact with the Department and the factors that lead to child removal; review the Department's progress on the planning and implementation of the Family First Prevention Services Act; examine the current processes and policies, data, and data collection methods for families involved simultaneously in the child welfare, juvenile justice, or criminal justice systems; explore policies and protocols for race-blind child protection screenings and child removal reviews; and other duties. Provides that the Department of Children and Family Services shall facilitate the prompt and timely collection and provision of data as requested by or on behalf of the Task Force. Requires the Task Force to explore policies and protocols that honor language, culture, and heritage in identity formation and familial relationships, including, but not limited to, race-blind child protection screenings and child removal reviews, as implemented in other jurisdictions around the United States, and to make recommendations for implementation in Illinois. Effective immediately.

625 ILCS 5/6-308

305 ILCS 5/5-5.12d new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and
Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from
the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee
for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the
Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies.
Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a
recipient's access to pharmacy services to a selected group of pharmacies. Requires the Department to renegotiate with the resulting
entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or
acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on
those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of
pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits
of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters.
Prohibits the Department from entering into any new contract with a managed care organization before the report has been received
and analyzed by the Department and posted on its website. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental
appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for
bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the
number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)
HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect
the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not preempt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Fiscal Note (Dept. of Healthcare & Family Services)
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.
