Amends the Court of Claims Act. Provides that if a person who has been granted a pardon or issued a certificate of innocence establishes that he or she plead guilty due to a forced confession, the Court of Claims shall make an award of $50,000 per year the person was wrongfully imprisoned and attorney's fees not exceeding 25% of the award granted. Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination of the award and that the court shall include an additional $25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Provides that the court shall annually adjust the awards authorized by the new provisions to reflect the increase, if any, in the Consumer Price Index For All Urban Consumers for the previous calendar year, as determined by the United States Department of Labor, except that no annual increment may exceed 5%. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Court of Claims Act. Deletes language regarding the amount a court shall award to a person for time unjustly served in prison when the person imprisoned received a pardon on the ground of innocence of the crime for which he or she was imprisoned or he or she received a certificate of innocence. Provides instead that the court shall award $50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned, including the number of years the person was awaiting trial. Provides that the court shall award attorney's fees in an amount not to exceed 25% of the award granted. Provides that the changes made by the amendatory Act apply to all claims pending or filed on or after the effective date.

Fiscal Note (Court of Claims)
House Bill 86 could have a cost to the State of Illinois, however no dollar estimate can be given. Under the current statute, award amounts for innocent individuals that were incarcerated are in three tiers, with maximum payouts based on the length of incarceration. Each tier could be affected by this amendment, which allows payment of $50,000.00 per year in cases involving coerced confessions.
It is not possible to forecast the number of future innocence claims that may be received by the Court of Claims, nor the lengths of incarceration or circumstances surrounding any individual future claim. The Court received approximately 50 certificates in fiscal year 2020 and, to date, over 70 certificates in fiscal year 2021.

House Floor Amendment No. 3
Adds an immediate effective date.

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award $50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than $85,350; for imprisonment of 14 years or less but over 5 years, not more than $170,000; for imprisonment of over 14 years, not more than $199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional $25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

Provides that it is the public policy of the State to prevent discrimination based on the specific status or term of status that accompanies a legal work authorization. Provides that it is a civil rights violation for: (1) any employer to refuse to hire, to segregate, to engage in harassment, or to act with respect to recruitment, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges or conditions of employment on the basis of work authorization status; (2) any employment agency to fail or refuse to classify properly, accept applications and register for employment referral or apprenticeship referral, refer for employment, or refer for apprenticeship on the basis of work authorization status; (3) any labor organization to limit, segregate, or classify its membership, or to limit employment opportunities, selection and training for apprenticeship in any trade or craft, or otherwise to take or fail to take, any action which affects adversely any person's status as an employee or as an applicant for employment or as an apprentice, or as an applicant for apprenticeships, or wages, tenure, hours of employment, or apprenticeship conditions on the basis of work authorization status; and (4) any employer to refuse to honor work authorization based upon the specific status or term of status that accompanies the authorization to work. Provides that it is a civil rights violation for a person, or for 2 or more persons, to conspire to retaliate against a person because he or she has opposed that which he or she reasonably and in good faith believes to be discrimination based on work authorization status. 40 ILCS 5/1-110.16

Amends the General Provisions Article of the Illinois Pension Code. Requires the Illinois Investment Policy Board to make its best efforts to identify all for-profit companies that contract to shelter migrant children and include those companies in the list of restricted companies for purposes of investment distributed to each retirement system and the Illinois State Board of Investment. Effective immediately.

House Floor Amendment No. 1

Adds reference to:

40 ILCS 5/1-110.17 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Provides that if a company ceases activity that designates the company to be a for-profit company that contracts to shelter migrant children, the company shall be removed from the list of restricted companies. Provides that a retirement system shall adhere to specified procedures for restricted companies that are for-profit companies that contract to shelter migrant children. Provides that if, at least 4 years after the effective date of an amendatory Act that initially establishes a prohibited transaction under this Article, the Illinois Investment Policy Board concludes that divestment is no longer necessary due to achievement of the underlying goals of the amendatory Act establishing the prohibited transaction, changes in status surrounding the prohibited transactions, or other verifiable reasons, the Illinois Investment Policy Board may cease actions to require divestment, identify restricted companies, or prohibit transactions by a majority vote of the Illinois Investment Policy Board if: (1) no less than one year prior to the change in policy, the Illinois Investment Policy Board notifies, in writing, the General Assembly of the change in policy and lists the reasons for changing the policy; and (2) the General Assembly does not, before the change in policy, adopt a House Resolution or a Senate Resolution instructing the Illinois Investment Policy Board to not change the policy. Effective immediately.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

**Balanced Budget Note (Office of Management and Budget)**
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

**Pension Note (Government Forecasting & Accountability)**
HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

**State Debt Impact Note (Government Forecasting & Accountability)**
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

**Housing Affordability Impact Note (Housing Development Authority)**
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

**Home Rule Note (Dept. of Commerce & Economic Opportunity)**
This bill does not pre-empt home rule authority.

**State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)**
This bill does not create a State Mandate.

**Fiscal Note (Dept. of Healthcare & Family Services)**
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

310 ILCS 105/25

Amends the Rental Housing Support Program Act. In a provision requiring the Illinois Housing Development Authority to adopt rules concerning grants awarded to local administering agencies to fund rent subsidies for low-income families, provides that the rules must limit eligibility for tenancy in the subsidized rental units to households with gross income that is at or below 40% (rather than 30%) of the family median income for the area in which the grant will be made. In a provision concerning rules on grants awarded to entities for the development of affordable rental housing, provides that the rules must require 50% of the units that are supported by any grant to be set aside for households whose income is at or below 25% (rather than 15%) of the median family income for the area in which the grant will be made.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Rental Housing Support Program Act. Provides that once a tenant has received assistance under the Rental Housing Support Program the tenant shall remain eligible for assistance under the Program until the tenant reaches an income level of 35% of area median family income and will then begin the transition out of the Program, as described in the rules governing the Program. Provides that local administering agencies should (rather than must) include 2-bedroom, 3-bedroom, and 4-bedroom units among those intended to be supported by grants under the Program.

Amends the Public University Uniform Admission Pilot Program Act. Beginning with the 2022-2023 academic year, requires the University of Illinois to create a 4-year uniform admission system pilot program under the Act to admit first-time freshman students for each semester of the pilot program; makes corresponding changes. Provides that if an institution requires a student's successful completion of certain curriculum requirements prior to or concurrently with enrollment at the institution, then the institution shall identify and connect the student to a community college that offers the required curriculum and that has an articulation agreement with the institution or the institution shall offer the required curriculum through online instruction to the student. Provides that for purposes of determining enrollment capacity, priority in the admission of applicants to an institution must be given to applicants who are residents of this State and admission to an institution may not be denied to an applicant who is a State resident based on the institution's enrollment capacity unless 100% of the enrollment capacity is filled exclusively by students who are State residents.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Reinserts the contents of the bill, but provides for the University of Illinois to admit community college transfer students (rather than first-time freshman students) under the pilot program. Specifies that the University of Illinois provides multiple pathways to transfer and shall guarantee admission to all applicants who (i) have enrolled only at an Illinois community college after graduating from an Illinois high school; (ii) have earned a minimum of 36 graded, transferable semester hours at the time of application to the University; (iii) have attained a minimum grade point average of 3.0 in all transferable coursework completed at the time of application to the University; and (iv) have satisfied the university's English language proficiency requirement.

New Act

Creates the Relieve College Costs Pilot Program Act. Creates a pilot program for a 4-year degree pathway based on texts that served as the core foundational basis for western civilization and the Enlightenment, under which one public high school, one public community college, and one public university shall develop a competency-based baccalaureate degree program for a Fundamental Issues and Texts Humanities Degree. Includes as goals of the program: (1) preparing students with skills relating to critical thinking, problem solving, rational inquiry, and oral and written communication needed for employment or further graduate study; (2) using open educational resources if available; (3) using online course options if available to reduce costs; (4) identifying pathway courses to promote dual credit course enrollment in the participating high school; and (5) having a $20,000 maximum tuition rate for the entirety of the degree pathway. Contains provisions concerning a program director, the curriculum, open educational resources, reporting, and rulemaking. Effective immediately.

House Floor Amendment No. 1

In provisions concerning the panel created by the State Board of Education, Illinois Community College Board, and Board of Higher Education, requires the panel to seek and identify initiatives to support the use of foundational materials and original sources that reside in the public domain or open educational resource materials in support of the degree program (rather than only to seek and identify initiatives to support the use of open educational resource materials). Provides that the panel is dissolved on January 31, 2023. Provides that a public institution, at the request of its board of trustees, must highlight the courses that use low-cost digital or print options for students (rather than courses that may have a lost-cost option for print versions).

Amends the Language Assistance Services Act. Provides for the use and availability of qualified medical interpreters
(rather than interpreters) in health facilities. Defines "qualified medical interpreters". Provides that employees of a health facility have

730 ILCS 5/5-6-3.7 new

Amends the Criminal Identification Act. Provides that a petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in:
(1) an order of misdemeanor diversion under the Unified Code of Corrections, and the diversion program was successfully completed by the petitioner; or (2) a conviction for possession of certain specified amounts of a controlled substance; (3) a conviction for possessing less than 5 grams of methamphetamine; or (4) a conviction where the statutory penalty changed as a result of a resentencing hearing under the Code of Criminal Procedure of 1963. Amends the Illinois Controlled Substances Act. Changes the penalties for the manufacture, delivery, or possession with intent to manufacture or deliver, or possession of a controlled substance. Amends the Methamphetamine Control and Community Protection Act. Changes the penalties for methamphetamine delivery or possession. Amends the Code of Criminal Procedure of 1963. Provides that a person serving a sentence, including a sentence of probation, for an offense for which the statutory penalty has been subsequently reduced under the amendatory Act to petition the trial court that entered the judgment of conviction to request resentencing in accordance with the statutory penalty in effect at the time of the filing of the petition. Amends the Unified Code of Corrections to create a Misdemeanor Diversion Program.

Fiscal Note (Admin Office of the Illinois Courts)

HB3447 amends the Criminal Identification Act regarding expungements. Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

New Act
HB 03995  (CONTINUED)

Creates the Birth Center Licensing Act. Provides that, except as provided by the Act, no person shall open, manage, conduct, offer, maintain, or advertise as a birth center without a valid license issued by the Department of Public Health. Requires all birth centers in existence as of the effective date of the Act to obtain a valid license to operate within 2 years after the adoption of rules by the Department to implement the Act. Provides that an applicant for a license under the Act shall submit an application on forms prescribed by the Department, which shall be accompanied by a nonrefundable license fee, as established by rule by the Department. Provides that licenses under the Act are renewable every 3 years upon submission of specified materials. Requires birth centers, to the extent possible, to link and integrate services with nearby health care facilities. Contains provisions concerning staffing requirements; minimum standards to protect the health and safety of a patient of a birth center; and requirements for reimbursement, reporting, training, and inspections. Requires the Department to adopt specified rules. Contains other provisions. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes concerning definitions. Refers to certified nurse midwives (rather than midwives). Provides that licenses under the Act are renewable every year (rather than every 3 years) upon submission of specified materials. Provides that birth centers shall obtain certificates of need from the Health Facilities and Services Review Board under the Illinois Health Facilities Planning Act before receiving a license by the Department of Public Health. Provides that if, after obtaining an initial certificate of need, a birth center seeks to increase the bed capacity of the birth center, the birth center must obtain a certificate of need from the Health Facilities and Services Review Board before increasing the bed capacity. Provides that a birth center in a medically underserved area shall receive priority in obtaining a certificate of need. Provides that a birth center shall link and integrate its services with at least one birthing hospital with a minimum of a Level 1 perinatal designation (rather than with nearby health care facilities). Provides that a birth center shall have an established agreement with a nearby receiving birthing center (rather than a written plan for transfer of patients). Provides that a birth center is encouraged to participate in quality improvement projects implemented by the Department of Public Health’s Administrative Perinatal Centers and other Department-supported perinatal quality improvement projects. Requires clinicians, or their clinical representative, and attending persons in labor at a birth center to attend morbidity and mortality reviews that occur at the receiving birthing hospital on their patients. Requires the Department to require each birth center to report specified information every year (rather than every 3 years). Removes language requiring the Department to deem an accreditation body applicable to birth centers as a substitute for its own periodic inspection. Makes other changes.

HB 02784

New Act
50 ILCS 750/4    from Ch. 134, par. 34

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

Fiscal Note (Dept. of Human Services)

The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

Provides that 9-1-1 PSAPs, emergency services dispatched through 9-1-1 PSAPs, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that the State goals listed in this Section are achieved. Appropriate mobile response service for mental and behavioral health emergencies shall be available regardless of whether the initial contact was with 9-8-8, 9-1-1 or directly with an emergency service dispatched through 9-1-1. Provides that the Division of Mental Health shall establish a Statewide Advisory Committee to review and make recommendations for aspects of coordinating 9-1-1 and the 9-8-8 mobile mental health response system most appropriately addressed on a State level. Provides that the Division of Mental Health shall establish Regional Advisory Committees in each EMS Region to advise on regional issues related to emergency response systems for mental and behavioral health. Provides that the exemptions from civil liability in the Emergency Telephone Systems Act apply to any act or omission in the development, design, installation, operation, maintenance, performance, or provision of service directed by the Act. Provides that the Act applies to persons of all ages, both children and adults. This Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. No provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care.

Senate Floor Amendment No. 2

Make technical and stylistic changes in the bill as amended by Senate Amendment No. 1. Adds additional responsibilities for 9-1-1 Public Safety Answering Point telecommunicators and emergency service providers. Places the applicability and home rule preemption provisions in a separate Section of the bill.

Amends the Vital Records Act. Removes language requiring that the State Registrar of Vital Records establish a new certificate of birth when he receives a declaration stating that a person has undergone treatment for the purpose of gender transition, or that the individual has an intersex condition, and that the sex designation on such person's birth record should therefore be changed. Provides that the State Registrar of Vital Records must establish a new certificate of birth when he receives a statement signed by the person in which the person attests to making the request for the purpose of affirming the person's gender identity or intersex condition and that the sex designation on the person's certificate of birth should therefore be changed. Provides that the fee for a new certificate of birth shall not be required from persons upon release from the Department of Corrections or the Department of Juvenile Justice, but the person is entitled to only one new certificate of birth fee waiver. Provides that the fee for a new certificate of birth shall be waived for specified persons. Provides that fees for a new certificate of birth and for a search of a birth record or a certified copy of a birth record shall be waived for all requests by a person who resides in a shelter for domestic violence. Requires the State Registrar of Vital Records to establish standards and procedures for the waiver of fees. Provides that a person who resides in a shelter for domestic violence must not be charged for verification. Provides that a person who knowingly or purposefully falsifies verification is subject to a penalty of $100. Provides that a person who resides in a shelter for domestic violence shall be provided no more than 4 birth records annually under the provisions. Effective January 1, 2022.

House Committee Amendment No. 1

Provides that a person's signed statement to receive a new birth certificate must indicate whether the certificate of birth should be changed to a male, female, or X designation (rather than just changed).

105 ILCS 5/2-3.130
105 ILCS 5/10-20.33
105 ILCS 5/34-18.20

Amends the School Code. Makes changes concerning the adoption of rules by the State Board of Education governing time out and physical restraint in the public schools. Subject to appropriation, requires the State Board to create a grant program for school districts and special education cooperatives and charter schools to implement school-wide, culturally sensitive, and trauma-informed practices, positive behavioral interventions and supports, and restorative practices. Allows the State Board to contract with a third party to provide assistance with oversight and monitoring, and requires the State Board to establish reduction goals and a system of ongoing review, auditing, and monitoring. Makes changes in provisions concerning a school board's use of time out and physical restraint, including providing that isolated time out, time out, and physical restraint may be used only under certain circumstances, prohibiting the deprivation of necessities and prone, mechanical, and chemical restraint, and requiring a meeting with school personnel if requested by the parent or guardian, the provision of information to parents and guardians, and written procedures. Effective immediately.

House Floor Amendment No. 2

Adds reference to:

5 ILCS 100/5-45 from Ch. 127, par. 1005-45

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that the State Board of Education shall adopt rules governing the use of isolated time, time out, and physical restraint in public schools and special education nonpublic facilities (rather than just in public schools). Provides that the State Board shall, by the adoption of emergency rules if it so chooses, create (rather than must create) a grant program for school districts, certain special education nonpublic facilities, and special education cooperatives (rather than for school districts and special education cooperatives and charter schools approved by the State Board). Makes changes concerning the prohibition against the use of prone restraint to allow prone restraint to be used when specified conditions are satisfied. Amends the Illinois Administrative Procedure Act to make a related change. Corrects grammatical errors. Effective immediately.

Senate Floor Amendment No. 2

With respect to the grant program, requires the State Board of Education to prioritize grant funding to those school districts, special education nonpublic facilities, and special education cooperatives that submit a plan to achieve a significant reduction or elimination in the use of isolated time out and physical restraint in less than 3 years. In provisions allowing the use of prone restraint if certain conditions are satisfied, allows the use of prone restraint if the use of prone restraint occurs within the 2021-2022 school year (rather than within the schools years of 2021-2022 and 2022-2023).

Representative Kambium Buckner  
HB 00451  (CONTINUED)  
Amends the Code of Criminal Procedure of 1963. Provides that no law enforcement officer shall seek, execute, or participate in the execution of a no-knock search warrant. A search warrant authorized under this Section shall require that a law enforcement officer be recognizable and identifiable as a uniformed law enforcement officer and provide audible notice of his authority and purpose reasonably expected to be heard by occupants of the place to be searched prior to the execution of the search warrant. After entering and securing the place to be searched and prior to undertaking any search or seizure pursuant to the search warrant, the executing law enforcement officer shall read and give a copy of the search warrant to the person to be searched or the owner of the place to be searched or, if the owner is not present, to any occupant of the place to be searched. If the place to be searched is unoccupied, the executing law enforcement officer shall leave a copy of the search warrant suitably affixed to the place to be searched. Search warrants authorized under this section shall be executed only in the daytime unless: (1) a judge authorizes the execution of the search warrant at another time for good cause shown; or (2) the search warrant is for the withdrawal of blood. A search warrant for the withdrawal of blood may be executed at any time of day. A law enforcement officer shall make reasonable efforts to locate a judge before seeking authorization to execute the warrant at another time. Such reasonable efforts shall be documented in an affidavit and submitted to a judge when seeking the authorization. Any evidence obtained from a search warrant in violation of this subsection shall not be admitted into evidence for the State in any prosecution.

New Act

Creates the Bad Apples in Law Enforcement Accountability Act of 2021. Provides that a peace officer subjecting another person to the deprivation of individual rights is liable to the person for appropriate relief. Excludes sovereign immunity, statutory immunity, and statutory damages for claims brought under this provision. Provides that qualified immunity is not a defense to liability under this provision. Allows attorney's fees and costs to be awarded to the plaintiff. Provides that civil actions brought under this provision must be commenced within 5 years after the cause of action accrues. Requires units of local government to make public disclosures regarding judgments or settlements awarded under this provision. Determines what information is not required to be disclosed by the unit of local government.

Fiscal Note (Illinois Court of Claims)

The Illinois Court of Claims cannot provide an estimated cost to the State of Illinois if House Bill 1727 is passed. The Court has jurisdiction over State agencies, not individual State employees. It is not possible to forecast what future lawsuits may be filed, nor the facts surrounding the alleged events and/or potential awards by the Court.

Replaces everything after the enacting clause. Amends the Chicago Park District Act. Authorizes the Chicago Park District to issue bonds in the principal amount of $250,000,000 for the purpose of making contributions to the Chicago Park District Pension Fund without submitting the question of issuing the bonds to the voters of the District. Amends the Property Tax Extension Limitation Law of the Property Tax Code to exclude extensions made for payments of principal and interest on those bonds. Amends the Chicago Park District Article of the Illinois Pension Code. Repeals and removes certain provisions added by Public Act 98-622 that have been held unconstitutional by the Circuit Court of Cook County. For an employee to whom Tier 2 applies who first becomes an employee under the Chicago Park District Article on or after January 1, 2022 or who makes a specified election, decreases the retirement age by 2 years. Makes related changes. For persons who first become an employee on or after January 1, 2022 or who make a specified election, provides that the contribution for a service annuity shall be 9% (instead of 7%) of salary. Provides that in lieu of levying all or a portion of the tax, the employer may deposit an amount not less than the required amount of the employer contributions derived from any source legally available for that purpose. Makes changes to the formula for calculating the amount of the required Park District contribution beginning in payment year 2021. Provides that beginning in levy year 2020, the tax levy shall not exceed the amount of the Park District's total required contribution to the fund (instead of a multiplier of the employee contributions). Reenacts provisions concerning new benefit increases. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Amends the Chicago Police Article of the Illinois Pension Code. Removes an age limitation on eligibility for a refund of contributions. Deletes language providing that a policeman may receive a refund until the annuity to which he is entitled has been fixed. Provides that any refund under the Article shall be calculated based on the policeman's contributions to the fund, less the amount of any annuity benefit previously received by the policeman and his beneficiaries. Provides that a policeman shall have no such right of refund if the sum of the annuity benefits the policeman and his beneficiaries have received exceeds the sum to which the policeman has contributed to the fund. Amends the State Mandates Act to require implementation without reimbursement.
Amends the Chicago Police Article of the Illinois Pension Code. Makes changes to provisions concerning credit for
service while on a leave of absence from the police department and assigned or detailed to perform safety or investigative work.
Provides that the changes made by the amendatory Act requiring an applicant to have been on a leave of absence from the police
department of the city while assigned or detailed to perform investigative work for the department while employed as a civilian
employee of the police department of the city are operative beginning January 1, 2021. Defines "investigative work". Provides that the
board shall reconsider any application for credit for service for any active policeman assigned or detailed to perform safety or
investigative work as an employee for the County of Cook (instead of an application for credit under the provisions), if the application
was submitted between specified dates and was denied. Provides that no credit shall be granted for certain service while on a leave of
absence or as a temporary police officer if the policeman has not, within 5 years after the date his application for credit has been
approved, but prior to his date of retirement, made a specified contribution. Provides that it is the sole responsibility of the policeman
to ensure that all sums contributed by the policeman have been received by the fund for the service credit for which the policeman has
applied. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Provides that the board may (rather than shall) reconsider any application for credit for service for any active policeman
assigned or detailed to perform safety or investigative work as an employee for the County of Cook. Adds a condition that the
application for reconsideration must be made by December 21, 2022. Provides that the changes made by the amendatory Act requiring
an applicant to have been on a leave of absence from the police department of the city while assigned or detailed to perform
investigative work for the department while employed as a civilian employee of the police department of the city are operative

Provides that a drug may be accepted under the Act only if, in addition to other requirements, the donor has removed or redacted any patient name and prescription number and any other patient identifying information (rather than removed or redacted any patient name and prescription number) on the drug or otherwise maintains patient confidentiality by executing a confidentiality agreement with the recipient according to all State and federal medical patient privacy laws, rules, or regulations (rather than or otherwise maintains patient confidentiality by executing a confidentiality agreement with the recipient).

Provides that an insured or any other person who may be the owner of rights under a policy of life insurance may make an irrevocable assignment of all or a part of his or her rights under the policy to a funeral home in accordance with a specified provision of the Illinois Funeral or Burial Funds Act. Provides that a policy owner who executes a designation beneficiary form irrevocably waives and cannot exercise certain rights, including the right to collect from the insurance company the net proceeds of the policy when it becomes a claim by death and the right to collect or receive income, distributions, or shares of surplus, dividend deposits, refunds of premium, or additions to the policy. Amends the Illinois Funeral or Burial Funds Act. In a provision concerning pre-need contracts funded through the purchase of a life insurance policy or tax-deferred annuity contract, provides that nothing shall prohibit the purchaser from irrevocably assigning ownership of the policy or annuity to a person or trust or from irrevocably assigning the benefits of the policy or annuity to a funeral home for the purpose of obtaining favorable consideration for Medicaid, Supplemental Security Income, or another public assistance program. Provides that the form prepared by the Department of Healthcare and Family Services or by the insurance company shall provide for an irrevocable designation of beneficiary of one or more life insurance policies. Requires the insured or any other person who may be the owner of rights under the policy of whole life insurance to sign a guaranteed pre-need contract with the provider that describes the cost of the funeral goods and services to be provided upon the person's death, up to $6,774, in addition to the purchase of burial spaces as defined under the Act. Requires the licensees to annually report certain information to the Comptroller. Requires the proceeds of the life insurance policy to be paid to the provider and disbursed in a certain order upon the death of the insured. Exempts up to $6,774 (rather than $5,874) in funds under an irrevocable prepaid funeral or burial contract when determining an individual's resources and eligibility for medical assistance. Provides that existing life insurance policies are exempt if there has been an irrevocable declaration of proceeds at the death of the insured. Requires the insured person to sign an irrevocable designation of beneficiary form declaring that any amounts payable from the policies not used for funeral goods and services shall be received by the State up to an amount equal to the total medical assistance paid on behalf of the person with any remaining funds paid to a secondary beneficiary (if any) listed on the policy.

New Act

Creates the Supported Decision-Making Agreement Act. Authorizes the creation of supported decision-making agreements and allows a supporter to assist a principal with an intellectual or developmental disability in accessing, collecting, or obtaining information that is relevant to a decision authorized under the supported decision-making agreement. Provides that all adults are presumed to be capable of making decisions regarding daily living and to have capacity unless otherwise determined by a court. Provides that certain persons are disqualified from acting as a supporter. Provides that a supporter may exercise the authority granted to the supporter in the supported decision-making agreement. Provides for the duties of a supporter in a supported decision-making agreement. Prohibits a supporter from doing certain actions in relation to the principal. Requires 2 or more witnesses to be present and sign a supported decision-making agreement. Provides a form for a supported decision-making agreement. Provides that a decision or request made or communicated with the assistance of a supporter shall be recognized as the decision or request of the principal and may be enforced by the principal or supporter on the same basis as a decision or request of the principal. Provides that if a person who receives a copy or is aware of the existence of a supported decision-making agreement and has cause to believe that the principal is being abused, neglected, or exploited by the supporter, the person shall report the alleged abuse, neglect, or exploitation. Provides that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated. Provides for the termination of a supported decision-making agreement. Provides that a principal may revoke the supported decision-making agreement and invalidate the supported decision-making agreement at any time. Provides that a supporter may resign by giving notice to the principal. Effective immediately.

House Committee Amendment No. 2

Deletes language providing that a person against whom there has been a finding of abuse, neglect, or exploitation of the principal, a child, an elderly individual, or a person with a disability is disqualified from acting as a supporter. Instead disqualifies a person who is listed on the Health Care Worker Registry maintained by the Department of Public Health as ineligible to work. Deletes language providing that a person against whom the principal has obtained an order of protection is disqualified from acting as a supporter. Instead disqualifies an individual who is the subject of a civil or criminal order prohibiting contact with the principal. Deletes language providing that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated.

Senate Committee Amendment No. 1

Allows a supporter in a supported decision-making agreement to ascertain the wishes and decisions of the principal in order to advocate that the wishes and decisions of an individual with disabilities are implemented (rather than “ascertain the wishes and decisions of the principal, assist in communicating those wishes and decisions to other persons, and advocate to ensure that the wishes and decisions of the principal are implemented”). Requires the Guardianship and Advocacy Commission to develop training and education materials for both principals and supporters. Provides that the Act is effective 6 months after becoming law (rather than immediately).

Creates the Safer Consumption Services Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Public Health may approve an entity to operate a program in one or more jurisdictions upon satisfaction of specified requirements relating to, among other things, the safe and hygienic use of preobtained drugs. Requires the Department to establish standards for program approval and training and allows it to adopt any rules that are necessary to implement the Act. House Floor Amendment No. 1
Deletes reference to:

20 ILCS 2310/2310-705 new

Adds reference to:

225 ILCS 85/43 new

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Further amends the Pharmacy Practice Act. Sets forth provisions concerning dispensation of hormonal contraceptives. Provides that the Department of Financial and Professional Regulation may adopt rules to implement the provisions. In provisions in the Illinois Public Aid Code concerning coverage for patient care services for hormonal contraceptives provided by a pharmacist, provides that the Department of Public Health (rather than the Director of Public Health) shall apply for any necessary federal waivers or approvals to implement the provisions by January 1, 2022. Provides that the Department shall submit to the Joint Committee on Administrative Rules administrative rules (rather than adopt administrative rules) as soon as practicable but no later than 6 months after federal approval is received (rather than no later than May 1, 2022). Removes changes to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Removes language that provides that the provisions shall not be implemented until the receipt of all necessary federal waivers or approvals or until January 1, 2024, whichever comes first, and if federal approval is not obtained by January 1, 2024, the provisions shall be implemented using State funds.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2023 (rather than the effective date of the amendatory Act) shall provide coverage for health care or patient care services provided by a pharmacist if specified conditions are met (instead of coverage for patient care services provided by a pharmacist for hormonal contraceptives assessment and consultation). Amends the Pharmacy Practice Act to provide that nothing in the provisions concerning dispensation of hormonal contraceptives shall be interpreted to require a pharmacist to dispense hormonal contraception under a standing order issued by a physician licensed to practice medicine in all its branches or the medical director of a local health department (rather than also under a standing order issued by the Medical Director of the Department of Public Health). Changes the definition of “practice of pharmacy”. Effective January 1, 2023 (rather than January 1, 2022).

Senate Floor Amendment No. 2
Provides that the bill takes effect on January 1, 2022, except that provisions amending the Illinois Insurance Code take effect on January 1, 2023 (rather than all provisions taking effect on January 1, 2023).

305 ILCS 5/5-5.12d new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)
HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.
Representative Kelly M. Cassidy  
HB 00591 (CONTINUED)  

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)  
This bill does not create a State Mandate.  
Fiscal Note (Dept. of Healthcare & Family Services)  
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

Requires the person to report the name change within 10 days to the law enforcement agency with whom they last registered. Amends the Code of Civil Procedure. Provides further requirements for when name changes may and may not be granted. House Floor Amendment No. 1
Rep. Kelly M. Cassidy
HB 02542 (CONTINUED)

Deletes reference to:
735 ILCS 5/21-103 rep.

Adds reference to:
735 ILCS 5/21-103 from Ch. 110, par. 21-103

Deletes a provision concerning objections relating to specificity, timing, filing, and form. Provides that a person who has been convicted of a felony offense in this State or any other state and whose sentence has not been terminated, completed, or discharged is not permitted to file a petition for a name change in the courts of this State unless that person is pardoned for the offense. Adds "name" to two section headings to reflect the duty to report a legal name change. Provides that certain objections shall be served upon the petitioner. Replaces a repeal of a provision concerning notice by publication with a change to the provision providing that the court may issue an order directing that the notice and publication requirement be waived for a change of name involving a person who files with the court a statement verified under oath that the person believes that publishing notice of the name change would be a hardship, including but not limited to, a negative impact on the person's health or safety. Provides that in a case where waiver of the notice and publication requirement is sought, the petition for waiver will be presumed granted and heard at the same hearing as the petition for name change. Provides that the court retains discretion to determine whether a hardship is shown and may order the petitioner to publish thereafter.

New Act
50 ILCS 750/4 from Ch. 134, par. 34

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes.

Fiscal Note (Dept. of Human Services)
The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

50 ILCS 750/4
Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that 9-1-1 PSAPs, emergency services dispatched through 9-1-1 PSAPs, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that the State goals listed in this Section are achieved. Appropriate mobile response service for mental and behavioral health emergencies shall be available regardless of whether the initial contact was with 9-8-8, 9-1-1 or directly with an emergency service dispatched through 9-1-1.

Provides that the Division of Mental Health shall establish a Statewide Advisory Committee to review and make recommendations for aspects of coordinating 9-1-1 and the 9-8-8 mobile mental health response system most appropriately addressed on a State level. Provides that the Division of Mental Health shall establish Regional Advisory Committees in each EMS Region to advise on regional issues related to emergency response systems for mental and behavioral health. Provides that the exemptions from civil liability in the Emergency Telephone Systems Act apply to any act or omission in the development, design, installation, operation, maintenance, performance, or provision of service directed by the Act. Provides that the Act applies to persons of all ages, both children and adults. This Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. No provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care.

Senate Floor Amendment No. 2
Make technical and stylistic changes in the bill as amended by Senate Amendment No. 1. Adds additional responsibilities for 9-1-1 Public Safety Answering Point telecommunicators and emergency service providers. Places the applicability and home rule preemption provisions in a separate Section of the bill.

from Ch. 48, par. 2855

Amends the Compassionate Use of Medical Cannabis Program Act. Provides that employers are not prohibited from adopting specified policies concerning medical cannabis by registered qualifying patients, including drug testing policies for such patients working in safety sensitive positions. Unless specified circumstances are met, prohibits employers from taking adverse action against registered qualifying patients who work in non-safety sensitive positions solely due to a positive drug test for medicinal cannabis. Defines "safety sensitive position". Provides that nothing in the Act prohibits an employer from enforcing a preemployment drug testing policy, zero-tolerance drug testing policy, random drug testing policy, or a drug free workplace policy (rather than only a workplace drug policy) or disciplining a registered qualifying patient for violating such a policy, provided that an employer shall not take adverse action against a registered qualifying patient in a non-safety sensitive position solely due to a positive drug test for medical cannabis (rather than due to a positive drug test for cannabis) unless specified criteria are met. Provides that there is not a cause of action for any person against an employer for disciplining or terminating the employment of a registered qualifying patient when enforcing a compliant policy. Makes other changes. Amends the Right to Privacy in the Workplace Act. Provides that the amendatory Act's provisions are an exception to provisions prohibiting an employer from refusing to hire or to discharge or disadvantage any individual because the individual uses lawful products off the premises of the employer during nonworking and non-call hours. Effective immediately.

House Floor Amendment No. 1

Provides that "safety sensitive position" includes, but is not limited to, a position in which a lapse of attention could result in injury, illness, death, or damage to property, including, among other specified positions, road or commercial construction.

Amends the Criminal Identification Act. Provides that a petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in: (1) an order of misdemeanor diversion under the Unified Code of Corrections, and the diversion program was successfully completed by the petitioner; or (2) a conviction for possession of certain specified amounts of a controlled substance; (3) a conviction for possessing less than 5 grams of methamphetamine; or (4) a conviction where the statutory penalty changed as a result of a resentencing hearing under the Code of Criminal Procedure of 1963. Amends the Methamphetamine Control and Community Protection Act. Changes the penalties for methamphetamine delivery or possession. Amends the Code of Criminal Procedure of 1963. Provides that a person serving a sentence, including a sentence of probation, for an offense for which the statutory penalty has been subsequently reduced under the amendatory Act to petition the trial court that entered the judgment of conviction to request resentencing in accordance with the statutory penalty in effect at the time of the filing of the petition. Amends the Unified Code of Corrections to create a Misdemeanor Diversion Program.

Fiscal Note (Admin Office of the Illinois Courts)
HB3447 amends the Criminal Identification Act regarding expungements. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

HB 03587

(Sen. Robert Peters-Jacqueline Y. Collins)

725 ILCS 5/123 new

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

Provides that the task force shall consider ways to train and refocus the workforce in communities where many jobs are with the Illinois Department of Corrections and law enforcement. Provides that the task force shall consist of specific members. Provides that the task force shall meet no less than 4 times and shall provide recommendations for legislation to the General Assembly and the Governor's Office on or before January 1, 2022. HB 03851

Amends the Unemployment Insurance Act to provide that if an individual’s benefit year begins on or after March 8, 2020, but before the week following the last week of a disaster period established by the gubernatorial disaster proclamations in response to COVID-19, recovery by suit in the name of the People of the State of Illinois or recoupment from benefits payable to an individual for any week shall be permanently waived if the sum was received by the individual without fault on his or her part. Provides that, in cases of such permanent waiver of recovery or recoupment, the Director of Employment Security may not request the Comptroller or the Secretary of the Treasury to withhold a sum of benefits for which an individual is found to be ineligible. Effective immediately.

Fiscal Note (Dept. of Employment Security)

The legislation may have a fiscal impact on the Illinois Unemployment Insurance Trust Fund. The reported data indicates that for the programs payable under Illinois state law: (1) Fiscal Year 2019, non-fraudulent recovery totaled approximately $14,303,046.00; (2) Fiscal Year 2020, non-fraudulent recovery totaled approximately $16,552,059.00; and (3) First and Second Quarter Fiscal Year 2021, non-fraudulent recovery totaled approximately $10,147,378.00. Based on the above data, it appears the legislation could forgive $3.5 million to $5.1 million for each quarter the waiver provision remained in effect. While the system is generally designed to replenish the state’s Unemployment Trust Fund account by charging employers for benefits paid from the account, employers would not be directly charged for the forgiven overpayments as the bill is currently written.

Rep. Mary E. Flowers-Carol Ammons-LaToya Greenwood-Cyril Nichols-Lakesia Collins and Camille Y. Lilly
(Sen. Patricia Van Pelt-Jacqueline Y. Collins)
Amends the Higher Education Student Assistance Act. Allows the dependents of an exonerated person to receive a grant for exonerated persons. Effective July 1, 2021.

50 ILCS 825/Act rep.

Repeals the Rent Control Preemption Act.

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

The anticipated fiscal impact seen by local governments in performance of this bill will be that of administering a referendum. The Department believes costs associated with administering a referendum to be minimal and should be covered by funds budgeted for normal election activities.

New Act
225 ILCS 85/4 from Ch. 111, par. 4124
225 ILCS 120/15 from Ch. 111, par. 8301-15
320 ILCS 50/10
410 ILCS 620/16 from Ch. 56 1/2, par. 516
Creates the Prescription Drug Repository Program Act. Requires the Department of Public Health to, by rule, establish a prescription drug repository program, under which any person may donate a prescription drug or supplies needed to administer a prescription drug for use by an individual who meets eligibility criteria specified by the Department. Sets forth requirements that prescription drugs or supplies must meet in order to be accepted and dispensed under the program. Provides that no drugs or supplies donated under the prescription drug repository program may be resold. Provides that nothing in the Act requires that a pharmacy or pharmacist participate in the prescription drug repository program. Provides for civil and criminal immunity for drug and supply manufacturers and individuals in relation to the donation, acceptance, or dispensing of prescription drugs or supplies under the prescription drug repository program. Imposes conditions on any rulemaking authority. Amends the Pharmacy Practice Act, the Wholesale Drug Distribution Licensing Act, the Senior Pharmaceutical Assistance Act, the Illinois Food, Drug and Cosmetic Act, the Illinois Controlled Substances Act, and the Cannabis and Controlled Substances Tort Claims Act to provide that persons engaged in donating or accepting, or packaging, repackaging, or labeling, prescription drugs to the extent permitted or required under the Prescription Drug Repository Program Act are exempt from provisions of those other Acts that might prohibit or otherwise regulate such activity.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Creates the Illinois Drug Reuse Opportunity Program Act. Provides that, notwithstanding any other law or rule, donors may donate drugs to recipients and recipients may receive donated drugs from donors. Provides that recipients shall only dispense or administer drugs to eligible patients, further donate drugs to another recipient, or dispose of drugs in accordance with specified provisions. Provides that drugs donated for use under the Act are considered nonsaleable. Provides that, when dispensing a drugs to an eligible patient, the recipient must do so at no cost to the eligible patient, except that a reasonable handling fee may be charged. Provides that recipients may only dispense or administer a prescription drug or provide an over-the-counter drug if specified requirements are met. Provides that recipients shall, to the greatest extent practicable, dispense drugs received under the Act to priority patients. Provides that drugs may be accepted under the Act only if specified requirements are met. Contains requirements for the further donation of drugs by a recipient. Contains provisions regarding the disposition of specified drugs. Provides that nothing in the Act requires that a pharmacy or pharmacist be a recipient of drugs under the Act. Provides that the Act shall supersede any inconsistent law or rule for activities conducted under the Act. Contains other provisions. Amends the Pharmacy Practice Act, the Wholesale Drug Distribution Licensing Act, the Senior Pharmaceutical Assistance Act, the Illinois Food, Drug and Cosmetic Act, the Illinois Controlled Substances Act, and the Cannabis and Controlled Substances Tort Claims Act to provide that persons engaged in donating or accepting, or packaging, repackaging, or labeling, prescription drugs to the extent permitted or required under the Illinois Drug Reuse Opportunity Program Act are exempt from provisions of those other Acts that might prohibit or otherwise regulate such activity.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. In provisions creating the Prescription Drug Repository Program Act, provides that "prescription drug" does not include a drug for the treatment of cancer that can only be dispensed or administer drugs registered with the drug manufacturer in accordance with the federal Food and Drug Administration's requirements. Removes language providing that "recipient" includes a prescriber office. Provides that when dispensing a drug to an eligible patient, the recipient must do so at no cost to the eligible patient, except that a uniform reasonable handling fee (rather than a reasonable handling fee) may be charged. Provides that a drug may be accepted under the Act only if, in addition to other requirements, the donor has removed or redacted any patient name and prescription number and any other patient identifying information (rather than removed or redacted any patient name and prescription number) on the drug or otherwise maintains patient confidentiality by executing a confidentiality agreement with the recipient according to all State and federal medical patient privacy laws, rules, or regulations (rather than or otherwise maintains patient confidentiality by executing a confidentiality agreement with the recipient).

Provides that the portal is for law enforcement purposes only. Amends the Firearm Owners Identification Card Act. Provides that the Illinois State Police shall develop an Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm under this provision concerning transfer of firearms. The Illinois State Police shall have the Internet-based system completed and available for use by July 1, 2022. The Department shall adopt rules not inconsistent with this Section to implement this system. Provides that beginning January 1, 2024, any person who is not a federally licensed firearm dealer shall, before selling or transferring the firearms, contact the Illinois State Police with the transferee's or purchaser's Firearm Owner's Identification Card number to determine the validity of the transferee's or purchaser's Firearm Owner's Identification Card and initiate and complete an automated search of its criminal history record information files and those of the Federal Bureau of Investigation, including the National Instant Criminal Background Check System, and of the files of the Department of Human Services relating to mental health and developmental disabilities to obtain any felony conviction or patient hospitalization information which would disqualify a person from obtaining or require revocation of a currently valid Firearm Owner's Identification Card. Provides that if a person who possesses a combined Firearm Owner's Identification Card and a concealed carry license becomes subject to suspension or revocation under the Firearm Concealed Carry Act, but is otherwise eligible for a valid Firearm Owner's Identification Card, the Illinois State Police shall ensure the person's Firearm Owner's Identification Card status is not interrupted. Provides for email notifications and text messages from the Illinois State Police upon request of an applicant or Card holder. Create expanded rule making authority for the Illinois State Police concerning the Firearm Owners Identification Card Act and the Firearm Concealed Carry Act. New Act

Replaces everything after the enacting clause. Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

House Committee Amendment No. 2

Provides that the Department shall report the incidences of low birth weight, preterm birth, hospital admission for neonatal intensive care services, and severe maternal morbidity, pregnancy-related mortality, and neonatal mortality among program participants. Requires the Department to collect and maintain deidentified demographic data for all program participants. Provides that the demographic data collected for any program participant shall include the participant's zip code of residence at the time of program enrollment, parity, maternal race and ethnicity, maternal age at delivery, and weeks' gestation at the time of program enrollment. Requires the Department of Public Health to monitor and evaluate implementation of the alternative health care delivery model provided under the pilot program in accordance with the relevant terms and standards under the Alternative Health Care Delivery Act.

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Further amends the Pharmacy Practice Act. Sets forth provisions concerning dispensation of hormonal contraceptives. Provides that the Department of Financial and Professional Regulation may adopt rules to implement the provisions. In provisions in the Illinois Public Aid Code concerning coverage for patient care services for hormonal contraceptives provided by a pharmacist, provides that the Department of Public Health (rather than the Director of Public Health) shall apply for any necessary federal waivers or approvals to implement the provisions by January 1, 2022. Provides that the Department shall submit to the Joint Committee on Administrative Rules administrative rules (rather than adopt administrative rules) as soon as practicable but no later than 6 months after federal approval is received (rather than no later than May 1, 2022). Removes changes to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Removes language that provides that the provisions shall not be implemented until the receipt of all necessary federal waivers or approvals or until January 1, 2024, whichever comes first, and if federal approval is not obtained by January 1, 2024, the provisions shall be implemented using State funds.

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2023 (rather than the effective date of the amendatory Act) shall provide coverage for health care or patient care services provided by a pharmacist if specified conditions are met (instead of coverage for patient care services provided by a pharmacist for hormonal contraceptives assessment and consultation). Amends the Pharmacy Practice Act to provide that nothing in the provisions concerning dispensation of hormonal contraceptives shall be interpreted to require a pharmacist to dispense hormonal contraception under a standing order issued by a physician licensed to practice medicine in all its branches or the medical director of a local health department (rather than also under a standing order issued by the Medical Director of the Department of Public Health). Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to reimburse physicians, community mental health centers, and substance abuse centers that provide primary care and behavioral health services to medical assistance recipients via telehealth, including medical evaluations for individuals residing in facilities licensed under the ID/DD Community Care Act and in community-integrated living arrangements. Requires the Department to establish, by rule, a method to reimburse providers for medical and behavioral health services (rather than mental health services) provided by telehealth. Requires the Department to reimburse any community mental health center, facility licensed under the ID/DD Community Care Act, and community-integrated living arrangement that acts as the location of the patient at the time a telehealth service is rendered.

Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions. Provides that an insurer shall not limit benefits or coverage for medically necessary services on the basis that those services should be or could be covered by a public program. Provides that an insurer shall base any medical necessity determination or the utilization review criteria on current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care. Provides that in conducting utilization review of covered health care services and benefits for the diagnosis, prevention, and treatment of mental, emotional, and nervous disorders or conditions in children, adolescents, and adults, an insurer shall exclusively apply the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between $5,000 and $20,000 for each violation. Amends the Health Carrier External Review Act. Provides that the independent review organization shall comply with specified requirements for an adverse determination or final adverse determination involving mental, emotional, nervous, or substance use disorders or conditions. Makes other changes. Effective immediately.

House Floor Amendment No. 1

In provisions concerning mental and emotional disorders, provides that an insurer shall not set a specific limit on the duration of benefits or coverage of medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions or limit coverage only to alleviation of the insured's current symptoms. Provides that nothing shall require the insurer to cover a treatment when the authorization was granted based on a material misrepresentation by the insured, the policyholder, or the provider. Provides that an insurer may apply specified utilization review criteria to health care services and benefits for mental, emotional, and nervous disorders or conditions that are outside the scope of specified criteria and guidelines or relate to advancements in technology or types of care that are not covered in the most recent versions of specified sources. Provides that if the Director of Insurance determines that an insurer has violated the provisions, the Director may assess a civil penalty between $1,000 and $5,000 for each violation (rather than between $5,000 and $20,000). Removes language that provides that changes in terminology, organization, or classification of mental, emotional, nervous, substance use disorder or condition in future versions of specified publications shall not affect the conditions covered by provisions concerning mental and emotional disorders as long as a condition is commonly understood to be a mental, emotional, nervous, or substance use disorder or condition by health care providers practicing in relevant clinical specialties. Removes language that provides that an insurer shall not limit benefits or coverage for mental, emotional, nervous, or substance use disorders or conditions to short-term or acute treatment at any level of placement. Makes other changes. Changes the effective date to January 1, 2022 (rather than an immediate effective date).

Senate Committee Amendment No. 1

Adds reference to:

215 ILCS 5/370c.1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions on or after January 1, 2023 (rather than January 1, 2022). Provides that an insurer or Medicaid managed care organization shall not be required to pay for services if the individual was not the insurer's enrollee or eligible for Medicaid at the time the service was rendered. Provides that an insurer shall not be required to cover benefits that have been authorized and provided for a covered person by a public entitlement program. Provides that for medical necessity determinations (rather than in conducting utilization review of covered health care services and benefits) relating to level of care placement, continued stay, and transfer or discharge of insureds diagnosed with mental, emotional, and nervous disorders or conditions, insurers and Medicaid managed care organizations shall apply specified patient placement criteria. Makes various changes to provisions concerning requirements for insurers regarding education of the insurer's staff and other stakeholders, publishing of utilization review criteria, and documentation of interrater reliability testing and remediation actions. Further amends the Illinois Insurance Code. In provisions concerning mental, emotional, nervous, or substance use disorder or condition parity, provides that not later than January 1 (rather than August 1) of each year, the Department of Insurance shall issue a joint report to the General Assembly and provide an educational presentation to the General Assembly. Removes language that provides that insurers shall base the duration of treatment on the insured's individual needs; that an insurer shall only engage applicable qualified providers in the treatment of mental, emotional, nervous, or substance use disorders or conditions or the appropriate subspecialty and who possess an active professional license or certificate to review, approve, or deny services; and that every insurer shall sponsor a formal education program by nonprofit clinical specialty associations. Makes other changes. Effective January 1, 2022, except that specified provisions take effect immediately.

215 ILCS 5/356z.22

Amends the Illinois Insurance Code. Includes the delivery of covered health care services by way of telephone usage in the definition of "telehealth services". Provides that health care services that are covered under an individual or group policy of accident or health insurance must be covered when delivered via telehealth services when clinically appropriate, subject to specified conditions (rather than requiring an individual or group policy of accident or health insurance to comply with specified conditions if it provides coverage for telehealth services). Provides that patient cost-sharing may be no more than if the health care service were delivered in person. Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.

House Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning health care services that are covered under an individual or group policy of accident and health insurance that must be covered when delivered via telehealth services when clinically appropriate, provides that reimbursement to a health care provider for telehealth services for behavioral health services provided through an interactive telecommunications system shall be made on the same basis, in the same manner, and at the same rate as would be applied for the same services if they had been delivered in-person and shall include reasonable compensation to a facility that serves as the originating site at the time a telehealth service is rendered. Provides that with respect to telehealth benefits provided in an individual or group policy of accident or health insurance, insurers may not require patients to use a separate panel of health care providers to receive telehealth service coverage and reimbursement; create geographic or facility restrictions or requirements for telehealth services; require patients or health care providers to prove a hardship or access barrier before the approval of telehealth services for coverage or reimbursement; negotiate different contract rates for telehealth services and in-person services for behavioral health services; or impose upon telehealth services utilization review requirements that are unnecessary, duplicative, or unwarranted or impose any treatment limitations, prior authorization, documentation, or recordkeeping requirements that are more stringent than the requirements applicable to the same health care service when rendered in-person. Provides that health care providers shall determine the appropriateness of specific sites, technology platforms, and technology vendors for a telehealth service, as long as delivered services adhere to privacy laws. Defines terms.

20 ILCS 405/405-317 new

Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Provides that
each State building constructed, acquired, or of which more than 50% of the façade is substantially altered shall meet specified
standards concerning bird safety. Provides requirements for the Director of Central Management Services in implementing the
standards. Specifies that the provisions shall not apply to any acquisition or substantial alteration if the Director, after consideration of
multiple options, determines that the use of the required building materials and design features would result in a significant additional
cost for the project. Exempts specified buildings from the requirements.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that any construction
which may be required as a result of the bird-safe buildings requirements shall be under the authority of the Capital Development
Board in consultation with the Department of Central Management Services. Provides that the requirements shall only apply to State
buildings under the management or control of the Department, but does not include buildings leased by the Department. Provides that
the requirements shall not apply to any project in the design or construction phase as of the effective date of the provisions. Removes
the Lincoln Home in Springfield, Illinois, and its related buildings and grounds from the list of entities for which the bird-safe building
requirements do not apply. Makes conforming changes.

410 ILCS 620/3.24 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that a drug is misbranded if it contains gluten but does not provide a warning on its label stating that it contains gluten.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Amends the Illinois Food, Drug and Cosmetic Act. Provides that an oral drug is misbranded if gluten is included as an inactive ingredient and is not so listed on its label. Provides that the provisions do not apply to pharmacies or pharmacists.
Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to permit medical assistance recipients, including those enrolled in managed care, to obtain pharmacy services from the pharmacy of their choice if the pharmacy is licensed under the Pharmacy Practice Act and accepts the professional dispensing fee for pharmacy services as determined by the Department. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)
HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Fiscal Note (Dept. of Healthcare & Family Services)
The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of $186 million.

Provides that a law enforcement drill (i) must not include simulations that mimic an actual school shooting incident or active shooter event, (ii) must be announced in advance to all school personnel and students prior to the commencement of the drill, (iii) must include content that is age appropriate and developmentally appropriate, (iv) must include and involve school personnel, including school-based mental health professionals, and (v) must include trauma-informed approaches to address the concerns and well-being of students and school personnel. Requires a school district to include in its annual review of each school building's emergency and crisis response plans, protocols, and procedures an examination of the efficacy and effects of law enforcement drills. 215 ILCS 5/370c
from Ch. 73, par. 982c
215 ILCS 180/35
215 ILCS 180/40
Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions. Provides that an insurer shall not limit benefits or coverage for medically necessary services on the basis that those services should be or could be covered by a public program. Provides that an insurer shall base any medical necessity determination or the utilization review criteria on current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care. Provides that in conducting utilization review of covered health care services and benefits for the diagnosis, prevention, and treatment of mental, emotional, and nervous disorders or conditions in children, adolescents, and adults, an insurer shall exclusively apply the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between $5,000 and $20,000 for each violation. Amends the Health Carrier External Review Act. Provides that the independent review organization shall comply with specified requirements for an adverse determination or final adverse determination involving mental, emotional, nervous, or substance use disorders or conditions. Makes other changes. Effective immediately.

In provisions concerning mental and emotional disorders, provides that an insurer shall not set a specific limit on the duration of benefits or coverage of medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions or limit coverage only to alleviation of the insured's current symptoms. Provides that nothing shall require the insurer to cover a treatment when the authorization was granted based on a material misrepresentation by the insured, the policyholder, or the provider. Provides that an insurer may apply specified utilization review criteria to health care services and benefits for mental, emotional, and nervous disorders or conditions that are outside the scope of specified criteria and guidelines or relate to advancements in technology or types of care that are not covered in the most recent versions of specified sources. Provides that if the Director of Insurance determines that an insurer has violated the provisions, the Director may assess a civil penalty between $1,000 and $5,000 for each violation (rather than between $5,000 and $20,000). Removes language that provides that changes in terminology, organization, or classification of mental, emotional, nervous, substance use disorder or condition in future versions of specified publications shall not affect the conditions covered by provisions concerning mental and emotional disorders as long as a condition is commonly understood to be a mental, emotional, nervous, or substance use disorder or condition by health care providers practicing in relevant clinical specialties. Removes language that provides that an insurer shall not limit benefits or coverage for mental, emotional, nervous, or substance use disorders or conditions to short-term or acute treatment at any level of placement. Makes other changes. Changes the effective date to January 1, 2022 (rather than an immediate effective date).

Senate Committee Amendment No. 1

Adds reference to:
215 ILCS 5/370c.1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions on or after January 1, 2023 (rather than January 1, 2022). Provides that an insurer or Medicaid managed care organization shall not be required to pay for services if the individual was not the insurer's enrollee or eligible for Medicaid at the time the service was rendered. Provides that an insurer shall not be required to cover benefits that have been authorized and provided for a covered person by a public entitlement program. Provides that for medical necessity determinations (rather than in conducting utilization review of covered health care services and benefits) relating to level of care placement, continued stay, and transfer or discharge of insureds diagnosed with mental, emotional, and nervous disorders or conditions, insurers and Medicaid managed care organizations shall apply specified patient placement criteria. Makes various changes to provisions concerning requirements for insurers regarding education of the insurer's staff and other stakeholders, publishing of utilization review criteria, and documentation of intrarater reliability testing and remediation actions. Further amends the Illinois Insurance Code. In provisions concerning mental, emotional, nervous, or substance use disorder or condition parity, provides that not later than January 1 (rather than August 1) of each year, the Department of Insurance shall issue a joint report to the General Assembly and provide an educational presentation to the General Assembly. Removes language that provides that insurers shall base the duration of treatment on the insured's individual needs; that an insurer shall only engage applicable qualified providers in the treatment of mental, emotional, nervous, or substance use disorders or conditions or the appropriate subspecialty and who possess an active professional license or certificate to review, approve, or deny services; and that every insurer shall sponsor a formal education program by nonprofit clinical specialty associations. Makes other changes. Effective January 1, 2022, except that specified provisions take effect immediately.

Provides requirements concerning disclosure and review of prior authorization requirements, denial of claims or coverage by a utilization review organization, and the implementation of prior authorization requirements or restrictions. Provides requirements concerning a utilization review organization’s obligations with respect to prior authorizations in nonurgent circumstances, urgent health care services, and emergency health care services. Provides that a utilization review organization shall not require prior authorization under specified circumstances. Provides requirements concerning the length of prior authorizations. Provides that health care services are automatically deemed authorized if a utilization review organization fails to comply with the requirements of the Act. Provides that the Director of Insurance may impose an administrative fine not to exceed $250,000 for violations of the Act. Defines terms. Amends the Illinois Insurance Code to change the definition of "emergency medical condition". Amends the Managed Care Reform and Patient Rights Act to provide that companies that transact accident and health insurance shall comply with specified requirements of the Managed Care Reform and Patient Rights Act. Amends the Illinois Public Aid Code to provide that all managed care organizations shall comply with the requirements of the Prior Authorization Reform Act. Makes other changes. Effective January 1, 2022.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references from "utilization review organization" to "health insurance issuer" or "health insurance issuer or its contracted utilization review organization". Provides that a health insurance issuer or its contracted utilization review organization must ensure that all adverse determinations are made by a physician when the request is by a physician or a representative of a physician. Provides that a health insurance issuer shall periodically review its prior authorization requirements and consider removal of prior authorization requirements in specified circumstances (rather than a utilization review organization shall not require prior authorization in specified circumstances). In provisions concerning length of prior authorization approval, provides that a prior authorization approval shall be valid for the lesser of 12 months after the date the health care professional or health care provider receives the prior authorization approval or the length of treatment as determined by the patient's health care professional. In provisions concerning clinical review criteria of prior authorization requirements, removes language that provides that a utilization review organization shall seek input from actively practicing physicians representing major areas of the specialty who are not employees of the utilization review organization or consultants to the utilization review organization before establishing or substantially or materially altering written clinical review criteria. Removes language that provides that a utilization review organization shall not deny prior authorization of a health care service solely based on the grounds that a health care professional or health care provider judges a service, product, or procedure is medically appropriate for his or her patient even if it has not been formally approved for the specific condition being treated. In provisions concerning statistics that shall be made available regarding prior authorization approvals and denials, removes specified categories of information. In provisions concerning requirements applicable to the physician who can review consultations and appeals, removes language that provides that the physician must not be employed by a utilization review organization, be under contract with the utilization review organization other than to participate in one or more of the utilization review organization’s health care professional networks or to perform reviews of appeals, or otherwise have any financial interest in the outcome of the appeal. Makes other changes. Effective January 1, 2022.

New Act

Creates the Water and Sewer Financial Assistance Act. Provides that the Department of Commerce and Economic Opportunity is authorized to institute the water and sewer assistance program. Provides that any person who is a resident of the State of Illinois and whose household income is not greater than an amount determined annually by the Department may apply for assistance. Provides that in determining the amounts of assistance to be provided to or on behalf of a qualified applicant, the Department shall ensure that the highest amounts of assistance go to households with the greatest need for financial assistance in relation to household income by considering specified factors. Provides that each water or sewer provider shall assess each of its customer accounts a monthly Water and Sewer Assistance Charge to be deposited into the Water and Sewer Low-Income Assistance Fund. Amends the State Finance Act. Creates the Water and Sewer Low-Income Assistance Fund. Amends the Public Utilities Act. Provides that specified water or sewer utilities shall be allowed to offer a financial assistance program designed for bill payment assistance for low-income customers in accordance with the Water and Sewer Financial Assistance Act. Provides that the costs of a financial assistance program offered by a water or sewer utility shall be reimbursed from the Water and Sewer Low-Income Assistance Fund. Effective immediately.

House Floor Amendment No. 1

Provides that, in its use of federal funds under the Act, the Department of Commerce and Economic Opportunity may not cause a disproportionate share of those federal funds to benefit customers of water or sewer providers that do not assess the Water and Sewer Assistance Charge.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In provisions creating the Water and Sewer Financial Assistance Act, provides that in setting the annual eligibility level to receive financial assistance under the Act, the Department of Commerce and Economic Opportunity may not set a limit higher than the eligibility limit for assistance under the Energy Assistance Act (rather than 150% of the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services). Provides that the process to allow a water or sewer provider to discontinue imposing assessments shall include review by the Illinois Commerce Commission of any water or sewer provider subject to the Public Utilities Act. Removes provisions concerning program eligibility for residents of rental properties. In provisions amending the Public Utilities Act, provides that the Commission shall render its decision within 90 days (rather than 60 days) after receiving a petition from a water or sewer utility to offer a financial assistance program. Removes language requiring the Commission to annually review and reconcile any amounts collected through tariffs to recover the costs of the financial assistance program. Makes corresponding changes.

Amends the Homeowners' Energy Policy Statement Act. Changes the definition of "solar storage mechanism" to include batteries. Provides that the entity may determine the specific configuration of the elements of a solar energy system on a given roof face, provided that it may not prohibit elements of the system from being installed on any roof face and that any such determination may not reduce the production of the solar energy system by more than 10% (rather than specific location where a solar energy system may be installed on the roof within an orientation to the south or within 45 degrees east or west of due south provided that the determination does not impair the effective operation of the solar energy system). Provides that within 60 (rather than 120) days after a homeowners' association, common interest community association, or condominium unit owners' association receives a request for a policy statement or an application from an association member, the association shall adopt an energy policy statement. Provides that whenever approval is required for the installation or use of a solar energy system, the application for approval shall be processed by the appropriate approving entity of the association within 60 (rather than 90) days of (rather than after) the submission of the application. Amends the Managed Care Reform and Patient Rights Act. Requires health insurance carriers that provide coverage for prescription drugs to ensure that, within service areas and levels of coverage specified by federal law, at least half of individual and group plans meet one or more of the following criteria: apply a pre-deductible and flat-dollar copayment structure to the entire drug benefit, limit a beneficiary's monthly out-of-pocket financial responsibility for prescription drugs to a specified amount, or limit a beneficiary's annual out-of-pocket financial responsibility for prescription drugs to a specified amount. Provides that all plans for prescription drugs offered under the amendatory Act must be clearly and appropriately named, marketed in the same manner as other plans offered by the health insurance carrier, and offered for purchase to any individual and group plan sponsor. Effective January 1, 2022.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Managed Care Reform and Patient Rights Act. In provisions concerning individual health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall ensure that at least 10% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall ensure that at least 25% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit. In provisions concerning group health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall offer at least one group health plan in each applicable service area that applies a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall offer at least 2 group health plans in each applicable service area that apply a flat-dollar copayment structure to the entire drug benefit. Provides that the flat-dollar copayment structure for prescription drugs must be applied pre-deductible and be reasonably graduated and proportionately related in all tier levels such that the copayment structure as a whole does not discriminate against or discourage the enrollment of individuals with significant health care needs. Requires the health insurance carriers to clearly and appropriately name the plans to aid in individual or group plan selection. Requires the health insurance carriers to market the plans in the same manner as their other plans. Requires the Department of Insurance to adopt rules necessary to implement and enforce the provisions. Effective January 1, 2023.
