HB 01745

215 ILCS 134/45.3 new

Amends the Managed Care Reform and Patient Rights Act. Requires health insurance carriers that provide coverage for prescription drugs to ensure that, within service areas and levels of coverage specified by federal law, at least half of individual and group plans meet one or more of the following criteria: apply a pre-deductible and flat-dollar copayment structure to the entire drug benefit, limit a beneficiary's monthly out-of-pocket financial responsibility for prescription drugs to a specified amount, or limit a beneficiary's annual out-of-pocket financial responsibility for prescription drugs to a specified amount. Provides that all plans for prescription drugs offered under the amendatory Act must be clearly and appropriately named, marketed in the same manner as other plans offered by the health insurance carrier, and offered for purchase to any individual and group plan sponsor. Effective January 1, 2022.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Managed Care Reform and Patient Rights Act. In provisions concerning individual health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall ensure that at least 10% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall ensure that at least 25% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit. In provisions concerning group health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall offer at least one group health plan in each applicable service area that applies a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall offer at least 2 group health plans in each applicable service area that apply a flat-dollar copayment structure to the entire drug benefit. Provides that the flat-dollar copayment structure for prescription drugs must be applied pre-deductible and be reasonably graduated and proportionately related in all tier levels such that the copayment structure as a whole does not discriminate against or discourage the enrollment of individuals with significant health care needs. Requires the health insurance carriers to clearly and appropriately name the plans to aid in individual or group plan selection. Requires the health insurance carriers to market the plans in the same manner as their other plans. Requires the Department of Insurance to adopt rules necessary to implement and enforce the provisions. Effective January 1, 2023.

Replaces everything after the enacting clause. Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Provides that the Department shall report the incidences of low birth weight, preterm birth, hospital admission for neonatal intensive care services, and severe maternal morbidity, pregnancy-related mortality, and neonatal mortality among program participants. Requires the Department to collect and maintain deidentified demographic data for all program participants. Provides that the demographic data collected for any program participant shall include the participant's zip code of residence at the time of program enrollment, parity, maternal race and ethnicity, maternal age at delivery, and weeks' gestation at the time of program enrollment. (Sen. Laura Fine)

430 ILCS 85/2-2  from Ch. 111 1/2, par. 4052

Amends the Amusement Ride and Attraction Safety Act. Provides that "amusement ride" includes any trampoline court.
Defines "trampoline court".

House Floor Amendment No. 1
Provides that "amusement ride" means, among other things, any dry slide, alpine slide, or toboggan slide that a person must
pay to gain access to, but not a slide at a private residence, public or nonpublic school, daycare, or public park (rather than any dry
slide, alpine slide, or toboggan slide). Provides that "trampoline court" does not include a gymnastic training facility that derives all
(rather than a majority) of its revenue from supervised instruction in the teaching of gymnastic skills (rather than gymnastic skills and
basics).

House Floor Amendment No. 2
Makes changes to the bill as amended by House Amendment No. 1 to provide that "amusement ride" does not include (1) any
slide that is placed in a playground and that does not normally require the supervision or services of a person responsible for its
operation; or (2) any slide that is not open to the general public and for which admission is monitored and strictly controlled by
invitation, company or group identification, or other means of identification (rather than providing that "amusement ride" includes any
dry slide, alpine slide, or toboggan slide that a person must pay to gain access to, but not a slide at a private residence, public or
nonpublic school, daycare, or public park).

Senate Committee Amendment No. 1
Provides that the definition of "trampoline court" does not include a gymnastic training facility that only utilizes trampolines
during the supervised instruction of gymnastic skills (currently, a gymnastic training facility that derives all of its revenue from
supervised instruction in the teaching of gymnastic skills).

310 ILCS 105/25

Amends the Rental Housing Support Program Act. In a provision requiring the Illinois Housing Development Authority to adopt rules concerning grants awarded to local administering agencies to fund rent subsidies for low-income families, provides that the rules must limit eligibility for tenancy in the subsidized rental units to households with gross income that is at or below 40% (rather than 30%) of the family median income for the area in which the grant will be made. In a provision concerning rules on grants awarded to entities for the development of affordable rental housing, provides that the rules must require 50% of the units that are supported by any grant to be set aside for households whose income is at or below 25% (rather than 15%) of the median family income for the area in which the grant will be made.

House Committee Amendment No. 1

Provides that once a tenant has received assistance under the Rental Housing Support Program the tenant shall remain eligible for assistance under the Program until the tenant reaches an income level of 35% of area median family income and will then begin the transition out of the Program, as described in the rules governing the Program. Provides that local administering agencies should (rather than must) include 2-bedroom, 3-bedroom, and 4-bedroom units among those intended to be supported by grants under the Program.

Replaces everything after the enacting clause. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health, subject to appropriation or other available funding, shall conduct a program to promote awareness of firearms restraining orders to the general public. Provides that beginning July 1, 2022, the program must include the development and dissemination, through print, digital, and broadcast media, of public service announcements that publicize the options victims of domestic violence have to seek help with special emphasis on the firearms restraining order. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Creates the Commission on Implementing the Firearms Restraining Order Act. Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board may approve training to be conducted by a third party. Officers who have successfully completed this program shall be issued a certificate attesting to their attendance. Amends the Firearms Restraining Order Act. Provides that a firearms restraining order includes the seizure of the respondent's ammunition and firearm parts that could be assembled to make an operable firearm. Provides that "family member of the respondent" includes a former spouse and a person with whom the respondent has or allegedly has a child in common. Provides that a petition for a firearms restraining order may be filed in any county where an incident occurred that involved the respondent posing an immediate and present danger of causing personal injury to the respondent or another by having in his or her custody or control, or purchasing, possessing, or receiving, a firearm or ammunition or firearm parts that could be assembled to make an operable firearm. Includes printing a petition for a firearms restraining order for which no fees may be charged by the circuit clerk. Provides that the Illinois State Police shall submit a yearly report to the General Assembly concerning the applications and issuance of firearms restraining orders. Makes other changes.

Further amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health's program to promote awareness of firearms restraining orders shall include production of materials that can be given to health care workers that assist in identifying people who may benefit from awareness of the Firearms Restraining Order Act (rather than victims of domestic violence and how to safely and discreetly determine if a potential abuser possesses a firearm). Deletes language providing that the program must include the development and dissemination of public service announcements that publicize the options for victims of domestic violence to seek help. Further amends the Department of State Police Law of the Civil Administrative Code of Illinois. Changes the composition of the Commission on Implementing the Firearms Restraining Order Act. Removes language providing for a member of a nonprofit organization whose mission is to reduce gun violence with experience educating the public about the Firearms Restraining Order Act, nominated by such an organization whose membership is the most numerous in Illinois. Adds to the membership the Director of Public Health or the Director's designee. Further amends the Illinois Police Training Act. Deletes language providing that police officer training shall include how to promote a firearms restraining order in a domestic violence situation. Further amends the Firearms Restraining Order Act. In the definition of "family member of the respondent", replaces new provision that the definition includes a person with whom the respondent has or allegedly has a child in common with a person with whom the respondent has a minor child in common.

New Act

Creates the Ballistics Information Act. Provides that, whenever a law enforcement agency recovers any spent shell casing at a crime scene or has reason to believe that the recovered spent shell casing is related to or associated with the commission of a crime or the unlawful discharge of a firearm, the law enforcement agency shall, within a 24-hour period, submit the ballistics information to the National Integrated Ballistics Identification Network. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: provides that, as part of the request-for-proposal process and subject to specified requirements, best efforts will be used to prioritize local administering agencies that serve the county in which annual receipts were collected upon receipt of current data from the Department of Revenue applicable to the annual receipts (rather than annual receipts shall be distributed with priority to local administering agencies from the county in which the annual receipts were collected); removes a provision requiring the Illinois Housing Development Authority to wait at least 6 months after annual receipts are deposited into the Rental Housing Support Program Fund before distributing the annual receipts; provides that the Illinois Housing Development Authority shall use best efforts through outreach to local administering agencies to encourage at least one local administering agency to serve each county in the State (rather than the Authority shall work with each county to ensure that at least one local administering agency is located within each county); and creates the Illinois Rental Housing Support Program Funding Allocation Task Force, which shall study and make recommendations regarding the equitable distribution of rental housing support funds across the State and shall also work with the Authority as funding allocations will be required to be adjusted due to data released by the United States Census Bureau on the 2020 decennial census. Amends the Illinois Public Aid Code. Provides that it shall be a matter of State policy that the Department of Healthcare and Family Services shall set nursing facility rates by rule utilizing an evidenced-based methodology that rewards appropriate staffing, quality-of-life improvements for nursing facility residents, including the cessation of payments for rooms with 3 or more people residing in them by January 1, 2027, and the reduction of racial inequities and health disparities for nursing facility residents enrolled in Medicaid. Provides that the new nursing services reimbursement methodology taking effect January 1, 2022, upon federal approval, shall utilize the Patient Driven Payment Model (PDPM) (rather than the RUG-IV 48 grouper model). Sets the statewide base rate for dates of service on and after January 1, 2022 at $85.25. Requires the Department to establish, by rule, a multiplier based on information from the Payroll Based Journal. Provides that, beginning on and after January 1, 2022, the Department shall allocate funding, by rule, for per diem add-ons to the PDPM methodology for each resident with a diagnosis of Alzheimer's disease. Contains provisions concerning funds allocated for certain incentive payments to nursing facilities; emergency rules; payments to improve the quality of care delivered by nursing facilities; long-term care provider assessments; and other matters. Amends the Nurse Agency Licensing Act. Prohibits nurse agencies from entering into covenants not to compete with certified nurse aides. Amends the Illinois Administrative Procedure Act. Permits the Department of Healthcare and Family Services to adopt emergency rules. Effective immediately.

Amends the Unified Code of Corrections. 625 ILCS 5/6-308

Amends the Illinois Vehicle Code. Further amends the Unified Code of Corrections. Amends the Equitable Restrooms Act. Provides that, notwithstanding any other provision of law, any multiple-occupancy restroom may be identified as an all-gender multiple-occupancy restroom and designated for use by any person of any gender. Requires that an all-gender multiple-occupancy restroom must include specified signage, stall dividers, and partitions for urinals. Provides that any multiple-occupancy restroom may be converted into an all-gender multiple-occupancy restroom. Provides that, if a facility commences construction, or commences alterations exceeding 50% of the facility, and implements an all-gender multiple-occupancy restroom, the all-gender multiple-occupancy restroom must satisfy or include specified requirements. Requires certain newly constructed or previously existing restrooms to be designated as all-gender multiple-occupancy restrooms. Provides that, where a person or entity must meet female-to-male ratio requirements, each individual toilet stall in an all-gender multiple-occupancy restroom may be counted toward the required number of either female or male toilet stalls. Provides that during any inspection of a facility by a health officer, health inspector, or building inspector, the health officer, health inspector, or building inspector may inspect the facility to determine whether it complies with the provisions. Requires the Department of Public Health to adopt rules to implement the provisions. Defines "multiple-occupancy restroom". Makes other changes. Effective immediately.

Provides that specified all-gender multiple-occupancy restrooms must satisfy all accessibility requirements set forth by the Illinois Accessibility Code. Provides that if a fixture is counted towards the minimum required fixtures for females, that same fixture shall not also be counted towards the minimum required fixtures for males, and if a fixture is counted towards the minimum required fixtures for males, that same fixture shall not also be counted towards the minimum required fixtures for females. Amends the Civil Administrative Code of Illinois. Provides that, if the Department of Financial and Professional Regulation refuses to issue a license or certificate or grant registration to an applicant based upon a criminal conviction or convictions, the Department shall include in its notification to the applicant an explanation of how the conviction directly relates to and would prevent the person from effectively engaging in the position for which a license, registration, or certificate is sought. Provides that the Department shall post on its website a list of all State and federal licensing restrictions that would prohibit an applicant from working in a position for which a license is sought. In provisions concerning an annual report summarizing statistical information relating to new license, certification, or registration applications during the preceding calendar year, requires the Department to include the types of criminal convictions that contributed to the denial of a license, certificate, or registration.

New Act

Creates the Bad Apples in Law Enforcement Accountability Act of 2021. Provides that a peace officer subjecting another person to the deprivation of individual rights is liable to the person for appropriate relief. Excludes sovereign immunity, statutory immunity, and statutory damages for claims brought under this provision. Provides that qualified immunity is not a defense to liability under this provision. Allows attorney's fees and costs to be awarded to the plaintiff. Provides that civil actions brought under this provision must be commenced within 5 years after the cause of action accrues. Requires units of local government to make public disclosures regarding judgments or settlements awarded under this provision. Determines what information is not required to be disclosed by the unit of local government.

Fiscal Note (Illinois Court of Claims)
The Illinois Court of Claims cannot provide an estimated cost to the State of Illinois if House Bill 1727 is passed. The Court has jurisdiction over State agencies, not individual State employees. It is not possible to forecast what future lawsuits may be filed, nor the facts surrounding the alleged events and/or potential awards by the Court.

Rep. Curtis J. Tarver, II

705 ILCS 405/5-915
Representative Curtis J. Tarver, II
HB 01952     (CONTINUED)

Amends the Juvenile Court Act of 1987. Provides that the juvenile law enforcement records of a person who before his or her 18th birthday has committed an act which if committed by an adult would constitute a criminal violation under the Cannabis Control Act or a criminal violation of the Drug Paraphernalia Control Act with respect to cannabis are subject to automatic expungement. Provides that the law enforcement agency who initiated the violation shall automatically expunge, on or before January 1 and July 1 of each year, the juvenile law enforcement records of a person eligible under this provision. Provides that the law enforcement agency shall provide by rule the process for access, review, and confirmation of the automatic expungement by the law enforcement agency. Provides that the clerk of the circuit court shall expunge, upon order of the court, or in the absence of a court order on or before January 1 and July 1 of each year, the juvenile court records of a person who before his or her 18th birthday has committed an act which if committed by an adult would constitute a criminal violation under the Cannabis Control Act or a criminal violation of the Drug Paraphernalia Control Act with respect to cannabis in the clerk's possession or control and which contains the final satisfactory disposition which pertain to a person eligible under this provision. Effective immediately.

Fiscal Note (Illinois State Police)

House Bill 1952 provides law enforcement agencies that initiated a criminal violation of the Cannabis Control or Drug Paraphernalia Control Acts, would have to automatically expunge juvenile records of a person who committed a criminal violation on or before January 1 and July 1 of each year. Automatic expungement outside the judicial process will not allow for the collection of statutory fees, which cover administrative costs. While existing personnel may be used to develop and implement computer programming to carry out the automatic expungement of electronic records, our records unit who handles physical records would need additional staff. The cost of one office specialist in our records unit is $113,583, which includes personal services and fringe benefits (retirement, social security and insurance). If House Bill 1952 were to become law, we would hire three additional records specialists at a cost of approximately $340,749.

310 ILCS 105/30 new
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
provides that, as part of the request-for-proposal process and subject to specified requirements, best efforts will be used to prioritize
local administering agencies that serve the county in which annual receipts were collected upon receipt of current data from the
Department of Revenue applicable to the annual receipts (rather than annual receipts shall be distributed with priority to local
administering agencies from the county in which the annual receipts were collected); removes a provision requiring the Illinois
Housing Development Authority to wait at least 6 months after annual receipts are deposited into the Rental Housing Support Program
Fund before distributing the annual receipts; provides that the Illinois Housing Development Authority shall use best efforts through
outreach to local administering agencies to encourage at least one local administering agency to serve each county in the State (rather
than the Authority shall work with each county to ensure that at least one local administering agency is located within each county);
and creates the Illinois Rental Housing Support Program Funding Allocation Task Force, which shall study and make
recommendations regarding the equitable distribution of rental housing support funds across the State and shall also work with the
Authority as funding allocations will be required to be adjusted due to data released by the United States Census Bureau on the 2020

Replaces everything after the enacting clause. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Provides that the Illinois State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Provides that the portal is for law enforcement purposes only. Amends the Firearm Owners Identification Card Act. Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Illinois State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Illinois State Police under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Creates within the Illinois State Police a Firearm Owner's Identification Card Review Board to consider any appeal of the denial or revocation and seizure of a Firearm Owner's Identification Card by the Illinois State Police, other than an appeal directed to the circuit court. Provides that a Firearm Owner's Identification Card of a licensee under the Firearm Concealed Carry Act shall not expire during the term of the licensee's concealed carry license. Provides that the Illinois State Police shall deny an application or shall revoke and seize a Firearm Owner's Identification Card previously issued under the Act if the Illinois State Police finds that the applicant or person to whom such card was issued is or was at the time of issuance subject to a civil no contact order or a stalking no contact order. HB 01092

(Sen. Ann Gillespie-Julie A. Morrison-Ram Villivalam)

720 ILCS 5/2-5 from Ch. 38, par. 2-5

Amends the Criminal Code of 2012. Makes a technical change in a Section concerning the definition of "conviction".

House Floor Amendment No. 1
Replaces everything after the enacting clause. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health, subject to appropriation or other available funding, shall conduct a program to promote awareness of firearms restraining orders to the general public. Provides that beginning July 1, 2022, the program must include the development and dissemination, through print, digital, and broadcast media, of public service announcements that publicize the options victims of domestic violence have to seek help with special emphasis on the firearms restraining order. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Creates the Commission on Implementing the Firearms Restraining Order Act. Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board shall develop and approve a standard curriculum for a training program on the Firearms Restraining Order Act. Provides that the Board shall conduct a training program that trains officers on the use of firearms restraining orders, how to identify situations in which a firearms restraining order is appropriate, and how to safely promote the usage of the firearms restraining order in a domestic violence situation. Provides that the curriculum of police training schools shall also include training on the use of a firearms restraining order by providing instruction on the process used to file a firearms restraining order, how to identify situations in which a firearms restraining order is appropriate, and how to promote a firearms restraining order in a domestic violence situation. Provides that if adequate firearms restraining order training is unavailable, the Illinois Law Enforcement Training Standards Board may approve training to be conducted by a third party. Officers who have successfully completed this program shall be issued a certificate attesting to their attendance. Amends the Firearms Restraining Order Act. Provides that a firearms restraining order includes the seizure of the respondent's ammunition and firearm parts that could be assembled to make an operable firearm. Provides that "family member of the respondent" includes a former spouse and a person with whom the respondent has or allegedly has a child in common. Provides that a petition for a firearms restraining order may be filed in any county where an incident occurred that involved the respondent posing an immediate and present danger of causing personal injury to the respondent or another by having in his or her custody or control, or purchasing, possessing, or receiving, a firearm or ammunition or firearm parts that could be assembled to make an operable firearm. Includes printing a petition for a firearms restraining order for which no fees may be charged by the circuit clerk. Provides that the Illinois State Police shall submit a yearly report to the General Assembly concerning the applications and issuance of firearms restraining orders. Makes other changes.

Senate Committee Amendment No. 1
Further amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health's program to promote awareness of firearms restraining orders shall include production of materials that can be given to health care workers that assist in identifying people who may benefit from awareness of the Firearms Restraining Order Act (rather than victims of domestic violence and how to safely and discreetly determine if a potential abuser possesses a firearm). Deletes language providing that the program must include the development and dissemination of public service announcements that publicize the options for victims of domestic violence to seek help. Further amends the Department of State Police Law of the Civil Administrative Code of Illinois. Changes the composition of the Commission on Implementing the Firearms Restraining Order Act. Removes language providing for a member of a nonprofit organization whose mission is to reduce gun violence with experience educating the public about the Firearms Restraining Order Act, nominated by such an organization whose membership is the most numerous in Illinois. Adds to the membership the Director of Public Health or the Director's designee. Further amends the Illinois Police Training Act. Deletes language providing that police officer training shall include how to promote a firearms restraining order in a domestic violence situation. Further amends the Firearms Restraining Order Act. In the definition of “family member of the respondent”, replaces new provision that the definition includes a person with whom the respondent has or allegedly has a child in common with a person with whom the respondent has a minor child in common.

House Floor Amendment No. 6

Adds reference to:
   410 ILCS 705/10-35
Representative Emanuel Chris Welch
HB 01443  (CONTINUED)

In provisions amending the Compassionate Use of Medical Cannabis Program Act, makes changes to the definition of “Social Equity Justice Involved Applicant”. Requires cannabis in a vehicle to be in a reasonably secured, sealed or resealable (rather than a reasonably secured, sealed) container. In provisions amending the Cannabis Regulation and Tax Act, makes the following changes. Removes language providing that any person 21 years of age or older in possession of cannabis shall not be required to possess cannabis in a container that meets specified requirements. Provides an exception for breaching the confidentiality of information obtained under the Act. Provides that an Early Approval Adult Use Dispensing Organization's application to relocate its license under specified provisions shall be deemed approved 30 days (rather than within 30 days) following the submission of a complete application to relocate. Provides that specified applicants may not be located within 1,500 of a dispensing organization licensed under provisions regarding Early Approval Adult Use Dispensing Organization Licenses or Early Approval Adult Use Dispensing Organization License secondary sites (rather than within 1,500 of a dispensing organization), unless specified requirements are met. Provides that if awarding a license in a Tied Applicant Lottery would result in a Tied Applicant possessing more than 10 specified licenses, or any combination of the specified licenses, (rather than only the specified licenses) the Tied Applicant must choose which license to abandon. Restores language requiring any product containing cannabis to be sold in a container that, among other things, must be odor-proof.

Changes the definition of "administering State agency" to any agency or department of the State that is eligible to receive a direct federal allocation of federal Emergency Rental Assistance funds that will disburse funds and administer all or a portion of the Federal Emergency Rental Assistance Program. Deletes the definition of "recipient" or "program recipient". Provides that any State agency administering the program shall provide rental assistance (rather than "program recipients with relief payments") in an amount based on stated need rather than on a flat or fixed amount. Provides that the administering State agency shall make any joint program application forms available. Deletes language requiring the administering State agency to make program application forms for utility providers available.

Fiscal Note (Dept. of Human Services)

Adds reference to:

5 ILCS 100/5-45 from Ch. 127, par. 1005-45

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that the State Board of Education shall adopt rules governing the use of isolated time, time out, and physical restraint in public schools and special education nonpublic facilities (rather than just in public schools). Provides that the State Board shall, by the adoption of emergency rules if it so chooses, create (rather than must create) a grant program for school districts, certain special education nonpublic facilities, and special education cooperatives (rather than for school districts and special education cooperatives and charter schools approved by the State Board). Makes changes concerning the prohibition against the use of prone restraint to allow prone restraint to be used when specified conditions are satisfied. Amends the Illinois Administrative Procedure Act to make a related change. Corrects grammatical errors. Effective immediately.
With respect to the grant program, requires the State Board of Education to prioritize grant funding to those school districts, special education nonpublic facilities, and special education cooperatives that submit a plan to achieve a significant reduction or elimination in the use of isolated time out and physical restraint in less than 3 years. In provisions allowing the use of prone restraint if certain conditions are satisfied, allows the use of prone restraint if the use of prone restraint occurs within the 2021-2022 school year (rather than within the schools years of 2021-2022 and 2022-2023).

HB 1736 (H-AM 1) does not create a State Mandate.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1736 (H-AM 1) includes new requirements for the State Board of Education (Board) and school districts that will have a fiscal impact. This fiscal impact estimate only addresses known or estimated costs for the Board and not PreK-12 public school districts, other State agencies or other entities impacted by the amendments. The Board is tasked with adopting sex education standards by July 1, 2022, develop and maintain sex education resources, and provide technical assistance to school district as needed. ISBE anticipates needing to hire additional staff to implement the requirements of HB 1736 (H-AM 1). ISBE estimates the cost of implementing this amendment will be $1.45m in years 1 and 2 and $100,000 in future years.

Adds reference to:
    735 ILCS 5/21-103      from Ch. 110, par. 21-103
Deletes a provision concerning objections relating to specificity, timing, filing, and form. Provides that a person who has been convicted of a felony offense in this State or any other state and whose sentence has not been terminated, completed, or discharged is not permitted to file a petition for a name change in the courts of this State unless that person is pardoned for the offense. Adds "name" to two section headings to reflect the duty to report a legal name change. Provides that certain objections shall be served upon the petitioner. Replaces a repeal of a provision concerning notice by publication with a change to the provision providing that the court may issue an order directing that the notice and publication requirement be waived for a change of name involving a person who files with the court a statement verified under oath that the person believes that publishing notice of the name change would be a hardship, including but not limited to, a negative impact on the person's health or safety. Provides that in a case where waiver of the notice and publication requirement is sought, the petition for waiver will be presumed granted and heard at the same hearing as the petition for name change. Provides that the court retains discretion to determine whether a hardship is shown and may order the petitioner to publish thereafter.

New Act
30 ILCS 805/8.45 new

Creates the Decennial Committees on Local Government Consolidation and Efficiency Act. Provides that within one year after the effective date of the Act and at least once every 10 years thereafter, each unit of local government (except municipalities and counties) must form a committee to: study local efficiencies, including an analysis of whether to consolidate with another governmental unit, municipality, or county; and create a report with recommendations regarding efficiencies, increased accountability, and consolidation. Provides that the duties of the committee include, but are not limited to, the study of the unit of local government's governing statutes, ordinances, rules, procedures, powers, jurisdiction, shared services, intergovernmental agreements, and interrelationships with other units of local government and the State. Provides that the committee shall collect data, research, analysis, and public input. Dissolves the committee after completion of its report and oral presentation of the report. Contains provisions about committee membership, meetings, and report requirements. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Floor Amendment No. 1

Provides that the 2 residents appointed to the commission shall be appointed by the board of the governmental unit (rather than appointed by the county board chairperson or the president of the board of county commissioners in the county in which the governmental unit lies). Removes a government studies representative from a community college or State university from the committee and, instead, provides that the committee may seek assistance from community colleges or universities with research and the development and review of reports of the committee. Provides that, at the conclusion of each meeting, the committee shall conduct a survey of residents who attended asking for input on what was discussed at the meeting (rather than allowing public input though at least one public survey sent to at least 10% of residents within the governmental unit). Allows the committee meetings to take place at the same time as the governmental unit's regularly scheduled meetings under specified circumstances. Removes a requirement of an oral presentation of the committee's report. Requires that the committee submit its report no later than 18 months (rather than 6 months) after the formation of the committee.
