Provides that a special use permit license shall allow the holder to purchase alcoholic liquor from a distributor or importing distributor to be delivered directly to the location specified in the special use permit license. Provides that a special use permit license shall allow the holder, a distributor, or an importing distributor to transfer any inventory from the premises specified in the special use permit license to its retail premises. Provides that, if certain conditions are met, nothing in the Act prohibits a distributor or importing distributor from offering a credit or a refund for unused, salable beer to a special use permit licensee or a caterer retailer or a special use permit licensee or caterer retailer from accepting the credit or refund. In a provision that allows a manufacturer, distributor, or importing distributor to provide permanent outdoor signs to retailers if certain conditions are met, provides that the permanent outside sign shall cost not more than $3,000 per brand (instead of per manufacturer). Contains provisions concerning the servicing of certain systems by a manufacturer, distributor, or importing distributor. SB 01226 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.
Repeals the State Charter School Commission Fund on October 1, 2020 (rather than July 31, 2020). Provides that, beginning on July 1, 2020 through August 31, 2020, all money in the State Charter School Commission Fund shall be used by the State Board of Education for operational and administrative costs and, on September 1, 2020 (rather than July 1, 2020), in consultation with the State Board, the State Comptroller shall order transferred and the State Treasurer shall transfer all money in the State Charter School Commission Fund to the State Board of Education Special Purpose Trust Fund. Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Allows the State Board of Education to reverse a local board's decision to revoke or, beginning on July 1, 2020, not renew a charter if certain conditions are met. Requires the State Board to appoint and utilize a hearing officer for those appeals. Provides that if a charter school fails to make payments toward administrative costs, the State Board may withhold State funds from that school until it has made all payments for those costs. Adds reference to:
820 ILCS 105/12 from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to $9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of $15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of $100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)
There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)
Senator Mattie Hunter
SB 00001  (CONTINUED)

Increasing the minimum wage to $15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly $390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from $8.25 in 2019 to $10.00 in 2020, from $10.00 to $11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

SB 00516 (CONTINUED)  
Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago’s or Cook County’s website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to a specified date). Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations. 

Fiscal Note, House Floor Amendment No. 5 () 
SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board (“IGB”) is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB’s ability to implement this rate change and other gaming expansion items. 

House Floor Amendment No. 6 
In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations. 

House Floor Amendment No. 7 
Adds reference to: 
230 ILCS 45/25-30 
In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020). 

House Floor Amendment No. 9

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

Provides that no facility or managed care plan shall deny admission or continued residency to a person or resident based on the refusal of the administration of psychotropic medication, unless the prescribing clinician or facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk. Provides that no monetary penalty may be issued during the implementation period of rules establishing those penalties. Provides that the implementation period shall be July 1, 2020, through September 30, 2020. Provides that if a violation of staffing requirements is not more than a 5% deviation of the required minimum staffing requirements, the Department shall have the discretion to determine the gravity of the violation and, taking into account mitigating and aggravating circumstances and facts, may adjust any penalty or type or class of violation. Provides a notice form for facilities that do not meet the minimum staffing ratios. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

House Committee Amendment No. 1

Add reference to:
Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. Further amends the Abused and Neglected Child Reporting Act. Provides that persons required to report under the Act must complete an initial mandated reporter training (rather than must complete mandated reporter training) within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, or within the time frame of any other applicable State law that governs training requirements for a specific profession, and at least every 3 years thereafter. Provides that the initial requirement (rather than the initial 3-month requirement) only applies to the first time they engage in their professional or official capacity (rather than only applies to the first time they engage in their professional or official capacity and may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession).

35 ILCS 5/704A

Amends the Illinois Income Tax Act. Provides for a credit against withholding taxes in an amount equal to 25% of the wages
or salary paid by a private employer to an Illinois employee while the employee is on organ donation leave if the employer grants all of
its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone
marrow donor. Provides that the credit may not exceed $20,833.33 for each employee who takes organ donation leave. Provides that
such a leave of absence must be taken without loss of pay, vacation time, compensatory time, personal days, or sick time for at least
the first 30 days of the leave of absence. Effective immediately.

    Senate Committee Amendment No. 2
Senator Toi W. Hutchinson
SB 00068     (CONTINUED)

Makes changes to the introduced bill to require the employer to provide medical documentation and documentation of the employer's organ donation leave policy to the Department of Revenue and to require the employee to allow medical records to be disclosed to the Department of Revenue. Provides that, if the leave taken spans into a second tax year, the employer qualifies for the credit in the later of the 2 years. Provides that the credit may be carried forward.

Senate Floor Amendment No. 4

Replaces everything after the enacting clause. Makes changes to update the statutory base. Reinserts the provisions of the bill as amended by Senate Amendment No. 2, but provides that the credit may not exceed $1,000 in withholdings for each employee (in Senate Amendment No. 2, $20,833.33). Provides that the credit applies for reporting periods beginning on or after January 1, 2020. Effective immediately.
Amends the Illinois Insurance Code. In provisions concerning coverage for anesthetics provided in conjunction with dental care to an individual diagnosed with autism spectrum disorder, removes the requirement that anesthetics be provided by a dentist licensed under the Illinois Dental Practice Act and changes the age of the individual that treatment shall be covered to under age 26 (rather than under age 19).

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

Proposes to amend the Revenue Article of the Illinois Constitution. Removes a provision that provides that a tax on income shall be measured at a non-graduated rate. Provides that there may be one tax on the income of individuals and corporations (currently, there may be no more than one income tax imposed on individuals and one income tax imposed on corporations, and the rate of tax imposed upon corporations shall not exceed the rate imposed on individuals by more than a ratio of 8 to 5). Provides that the income tax may be a fair tax where lower rates apply to lower income levels and higher rates apply to higher income levels. Provides that no government other than the State may impose a tax on or measured by income. Effective upon being declared adopted.

Provides that the highest rate imposed on corporations may not exceed the highest rate imposed on individuals by more than a ratio of 8 to 5. Effective upon being declared adopted.

SB 01321 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Permits the Department of Healthcare and Family Services to require medical assistance recipients to pay a federally approved co-payment for services (rather than prohibiting co-payments for medical assistance services and generic drugs). Removes a provision requiring the Department to authorize nutritionists and certified diabetes educators to counsel senior diabetes patients at the patient's home. Requires the Department to confer with stakeholders to discuss the development of alternative value-based payment models that move away from fee-for-service and reward health outcomes and improved quality and provide flexibility in how providers meet the needs of the individuals they serve. Requires the Department to meet with mental health providers and other specified persons no later than July 1, 2019 to discuss the development of value-based payment models. Contains provisions concerning an extended period for claims submissions outside the standard filing requirements; a dispute resolution process; annual publications on the Department's website of each Medicaid managed care organization's (MCO's) calculated medical loss ratios; a MCO's liability effective date; updated provider directories from MCOs; operational guidelines to enhance and improve operation performance of the State's Medicaid managed care program; and health care information released to managed care organizations. Contains provisions concerning managed care claim rejection and denial management; pay stub information to verify eligibility for medical assistance; other acceptable information to verify continued eligibility for medical assistance; a review of the Medicaid redetermination process in order to identify changes that can increase the use of ex parte redetermination processing; reporting requirements; and audits for the State's Integrated Eligibility System; provisional eligibility for Medicaid long-term care services. Removes a provision concerning third party liability recoveries. Requires the Department of Healthcare and Family Services to implement, by October 1, 2019, a methodology effective for dates of service July 1, 2019 and later to reimburse hospitals for inpatient stays extended beyond medical necessity. Makes other changes.

New Act  

Senate Committee Amendment No. 1  
Adds reference to:  
30 ILCS 105/5.891 new  
Replaces everything after the enacting clause. Creates the Illinois Hazardous Materials Workforce Training Act. Provides that the Department of Labor shall develop by rule a curriculum of approved advanced safety training for workers at high hazard facilities. Provides that an owner or operator, when contracting for the performance of construction work at the stationary source, shall require that its contractors and any subcontractors use a skilled and trained workforce to perform all onsite work within an apprenticeable occupation in the building and construction trades. Provides a penalty for violation of the Act. Creates the Illinois Hazardous Materials Workforce Training Fund as a special fund in the State treasury. Makes corresponding changes in the State Finance Act. Effective immediately.  
Senate Floor Amendment No. 2  
Provides that activities described in Code 324110, 325110, 325193, and 325199 (currently, only 324110 and 325110) of the 2017 North American Industry Classification System are within the meaning of “owner or operator”.  
Land Conveyance Appraisal Note (Dept. of Transportation)  
No land conveyances are included in Senate Bill 1407; therefore, there are no appraisals to be filed.  
Correctional Note (Dept of Corrections)  
There is no fiscal or population impact on the Department of Corrections.  
State Debt Impact Note (Government Forecasting & Accountability)  
SB 1407, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.  
Pension Note (Government Forecasting & Accountability)  
SB 1407 will not impact any public pension fund or retirement system in Illinois.  
Judicial Note (Admin Office of the Illinois Courts)  
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.  
State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)  
This bill does not create a State Mandate.  
Home Rule Note (Dept. of Commerce & Economic Opportunity)  
This bill does not pre-empt home rule authority.  
Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)  
The Balanced Budget Note Act does not apply to House Bill 1407 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.  
Housing Affordability Impact Note (Housing Development Authority)  
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to $9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of $15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of $100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)
There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)
Increasing the minimum wage to $15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly $390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year. The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from $8.25 in 2019 to $10.00 in 2020, from $10.00 to $11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Grow Your Own Teacher Education Act. Makes changes to the definitions of "cohort", "eligible school", and
"hard-to-staff school", and defines "dual credit course". Provides that Grown Your Own Illinois (rather than the Board of Higher
Education) shall administer the Grow Your Own Teacher Education Initiative as a grant competition to fund consortia that will carry
out Grow Your Own Teacher preparation programs. In provisions concerning selection of grantees, provides that the Board of Higher
Education shall, subject to appropriation, allocate funds to Grow Your Own Illinois for the purpose of administering the program and
awarding grants under the Act (rather than requiring the Board of Higher Education to award grants under the Act). Removes the
language providing that the consortium shall consider whether a candidate has experienced an interruption in his or her college
education when recruiting potential candidates for the program. Provides that, subject to the requirements under the Dual Credit
Quality Act, an institution of higher education may offer a high school student a dual credit course under the program. Provides that
the Board of Higher Education may not adopt rules regarding candidate eligibility that are more restrictive than those in the Act.
Makes conforming changes. Effective immediately.

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1
Senator Kimberly A. Lightford
SB 00449 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

SB 00471    (CONTINUED)  
Replaces everything after the enacting clause. Creates the Healthy Workplace Act and amends the State Finance Act. Requires employers to provide specified paid sick days to employees. Sets forth the purposes for and manner in which the sick days may be used. Contains provisions regarding employer responsibilities, unlawful employer practices, and other matters. Exempts employers subject to the Railway Labor Act. Provides that an employee who works in the State who is absent from work for specified reasons is entitled to earn and use a minimum of 40 hours of paid sick time during a 12-month period or a pro rata number of hours of paid sick time under the provisions of the Act. Provides that it is unlawful for an employer to interfere with, restrain, deny, change work days or hours scheduled to avoid paying sick time, or discipline an employee for the exercise of, or the attempt to exercise, any right provided under or in connection with the Act, including considering the use of paid sick time as a negative factor in an employment action that involves hiring, terminating, evaluating, promoting, disciplining, or counting the paid sick time under a no-fault attendance policy. Provides that any employer that the Department of Labor or a court finds by a preponderance of the evidence to have knowingly, repeatedly, or with reckless disregard violated any provision of the Act or any rule adopted under the Act is subject to a civil money penalty to be paid to the employee not to exceed $2,500 for each separate offense. Provides that the Department of Labor shall administer the Act. Authorizes individuals to file civil actions with respect to violations. Creates the Healthy Workplace Fund as a special fund in the State treasury. Effective immediately.

The fiscal impact of SB 471, as amended by HA 1, is not known as the number of COVID-related fatalities amongst the ranks of Chicago police officers and firefighters cannot be predicted.

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()
SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board (“IGB”) is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB’s ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

New Act
110 ILCS 805/6-4.2

Creates the Course Equity Act. Defines terms. Requires the State Board of Education to establish a Course Equity Program in which any public or nonpublic school student in this State may enroll in a Course Equity Program course, provided that the student has completed all applicable prerequisite course requirements. Provides that the funding structure for Course Equity Program courses must maximize access to courses for low-income students and school districts by following a specified funding structure. Provides that the initial authorization of a Course Provider requires the Board to establish a course review and approval process for Course Providers that may be implemented by the Board or an entity designated by the Board. Specifies qualifications for a course to be added to the Course Equity Catalog. Requires Course Providers to annually report to the Board; specifies report requirements. Provides for the Board's responsibilities and a school district's responsibilities. Allows for rulemaking by the Board. Amends the Public Community College Act to provide that, for purposes of enrollment in a dual credit course through the Course Equity Program, a student shall, for tuition purposes, be classified as a resident of a community college district if he or she meets the criteria to be deemed an Illinois resident under the Act. 210 ILCS 45/1-101-

from Ch. 111 1/2, par. 4151-101

Provides that for purposes of minimum staffing ratios, all residents shall be classified as requiring either skilled care or intermediate care. Defines "intermediate care" and "skilled care".

Provides that the Department of Public Health shall adopt rules on or before January 1, 2020 establishing a system for determining compliance with minimum direct care staffing standards and establishing penalties for noncompliance with minimum direct care staffing ratios. Provides that monetary penalties shall be imposed beginning no later than October 1, 2020 and quarterly thereafter.

Provides that a violation of the minimum staffing requirements is, at minimum, a Type "B" violation. Provides that a facility that has received a notice of violation for having violated the minimum staffing requirements shall display a notice stating that the facility did not have enough staff to meet the needs of the facility's residents during the quarter cited in the notice of violation. Adds members to the Long-Term Care Facility Advisory Board. Provides that the affirmative vote of 7 (instead of 6) members of the Board shall be necessary for Board action. Provides that no facility or managed care plan shall deny admission or continued residency to a person or resident based on the refusal of the administration of psychotropic medication, unless the prescribing clinician or facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk. May 28 19  House Floor Amendment No. 1 Motion to Concur Assignments Referred to Financial Institutions
Amends the Children and Family Services Act. Requires the Department of Children and Family Services, subject to appropriations, to provide eligible youth an apprenticeship stipend to cover those costs associated with entering an apprenticeship, including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provide that the following youth shall be eligible for an apprenticeship stipend: youth for whom the Department has court-ordered legal responsibility; youth who aged out of care at age 18 or older; or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Limits the stipend to eligible youth who: (i) are enrolled in an approved apprenticeship training program; (ii) are not a recipient of any other scholarship or fee waiver provided by the Department; and (iii) are under the age of 26. Provides that apprenticeship stipends shall be available to an eligible youth for a maximum of 5 years after the youth enrolls in a qualifying apprenticeship program. Waives the age requirement and 5-year cap on the stipend for applicants who were unable to enroll in a qualifying apprenticeship program because the applicant: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the apprenticeship stipends. Effective January 1, 2020.

Senate Floor Amendment No. 2

Provides that youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, and youth formerly under care who have been adopted or who have been placed in private guardianship shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education at any community college, university, or college maintained by the State of Illinois (rather than providing that such youth shall receive a tuition and fee waiver if they are not selected to receive a scholarship or fee waiver under a specified provision of the Children and Family Services Act).

from Ch. 110, par. 2-1401
Amends the Code of Criminal Procedure of 1963. Eliminates the amendatory changes made by Public Act 100-574 to the Code. Amends the Code of Civil Procedure. Provides that a movant may present a meritorious claim under this section if the allegations in the petition establish each of the following by a preponderance of the evidence: (1) she was convicted of a forcible felony; (2) her participation in the offense was a direct result of her suffering from post-partum depression or post-partum psychosis; (3) no evidence of post-partum depression or post-partum psychosis was presented by a qualified medical person at trial or sentencing, or both; (4) she was unaware of the mitigating nature of the evidence or, if aware, was at the time unable to present this defense due to suffering from post-partum depression or post-partum psychosis, or, at the time of trial or sentencing, neither was a recognized mental illness and as such she was unable to receive proper treatment; and (5) evidence of post-partum depression or post-partum psychosis as suffered by the person is material and noncumulative to other evidence offered at the time of trial or sentencing and it is of such a conclusive character that it would likely change the sentence imposed by the original court. Provides that the new provision is inoperative 2 years after its effective date. Provides that nothing in the new provision prevents a person from applying for any other relief under the Civil Practice Law or any other law otherwise available to her. Defines "post-partum depression" and "post-partum psychosis".

Deletes a provision making the amendatory changes to the Code of Civil Procedure inoperative 2 years after the effective date of the amendatory Act. Adds an immediate effective date to the bill.
Amends the Department of Agriculture Law of the Civil Administrative Code of Illinois. Provides that the Department of Agriculture shall make resources available for future and existing community gardens and farms located within urban areas of the State that seek to screen or test the soil for contaminants that could pose a hazard to human health.

Amends the Criminal Identification Act. Provides that a petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in the underlying conduct being later decriminalized.
Amends the Illinois Public Aid Code. Requires the Illinois Student Assistance Commission (ISAC) to identify and flag college students who are potentially eligible to receive Supplemental Nutrition Assistance Program (SNAP) benefits. Provides that the factors to be used to determine potential SNAP eligibility shall be prescribed by ISAC in consultation with the Department of Human Services, but at a minimum shall include income information reported on a college student's Free Application for Federal Student Aid. Requires ISAC, in consultation with the Department of Human Services, to develop a notice that ISAC shall make available electronically to institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline. Requires Illinois institutions of higher education that participate in the Monetary Award Program to provide the notice in writing to all students who are enrolled or accepted for enrollment and are identified by ISAC as potentially SNAP eligible. Requires ISAC to adopt rules. Effective immediately.

Senate Committee Amendment No. 1
Adds reference to:
305 ILCS 5/12-4.13b
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes and additions: Provides that the Department of Human Services shall consult with the Illinois Workforce Innovation Board (rather than with the Illinois Workforce Investment Board) to establish a protocol to identify and verify all potential exemptions to certain federal eligibility rules under the Supplemental Nutrition Assistance Program (SNAP). Provides that a career and technical educational program approved by the Illinois Community College Board that could be a component of a SNAP Employment and Training (E&T) program, as identified by the Department of Human Services, shall be considered an employment and training program under a specified provision of the Code of Federal Regulations, unless prohibited by federal law. In provisions requiring the Illinois Student Assistance Commission (ISAC) to adopt rules concerning SNAP eligibility notifications to college students, requires ISAC to adopt the rules on or before October 1, 2020 (rather than on or before October 1, 2019). Effective immediately.

House Committee Amendment No. 1
Requires the Illinois Student Assistance Commission (ISAC) to annually include information about the Supplemental Nutrition Assistance Program (SNAP) in the language that schools are required to provide to students eligible for the Monetary Award Program grant (rather than requiring ISAC to identify and flag college students who are potentially eligible to receive SNAP benefits). Provides that the language shall, at a minimum, direct students to information about college student eligibility criteria for SNAP, and direct students to the Department of Human Services and to the Illinois Hunger Coalition's Hunger Hotline for additional information. Requires Illinois institutions of higher education that participate in the Monetary Award Program (MAP) to provide the notice to all students who are enrolled, or who are accepted for enrollment and intending to enroll, and who have been identified by ISAC as MAP-eligible at the institution (rather than requiring ISAC to develop, in consultation with the Department of Human Services, an electronic notice for institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline).

Provides that the employer shall not discourage employees or applicants from becoming or remaining union members or authorizing dues deductions, and shall not otherwise interfere with the relationship between employees and their exclusive bargaining representative. Correctional Note, House Floor Amendment No. 1 (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)
No land conveyances are included in Senate Bill 1784 (H-AM 1); therefore, there are no appraisals to be filed.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
SB 1784 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)
The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
There is no discernible fiscal impact associated with SB 1784, as amended by HA 1.

Fiscal Note, House Floor Amendment No. 1 (IL Educational Labor Relations Board)

SB 01784 (CONTINUED)

In the event Senate Bill 1784 (H-AM 1) passes and becomes law, it is not expected to have any measurable fiscal impact on the Illinois Educational Labor Relations Board.

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 2

Makes a technical correction to change a reference from "employee" to "participant". Provides that certain provisions of House Amendment No. 1 concerning the disclosure of information by a pension fund or retirement system do not apply to a labor organization or other voluntary association affiliated with a labor organization or labor federation (in House Amendment No. 1, a labor organization or an exclusive representative).

Amends the School Code. With regard to the student discipline report, provides that the report must include data on the total number of school days missed by a student due to an out-of-school suspension or expulsion and data on the number of law enforcement officers assigned to schools within each school district and the number of arrests made by law enforcement officers of students on school grounds, in school vehicles, at school activities or school-sanctioned events, or as a result of referrals by school officials. Provides that the report must be disaggregated by whether a student qualifies for services under the federal Individuals with Disabilities Education Act, the total amount of school days missed by the student, and the incident type that caused the suspension or expulsion. SB 02122  (CONTINUED)

Amends the Public Community College Act. Provides for legislative findings. Provides that, subject to appropriation, the Illinois Community College Board shall establish a community college apprenticeship grant program to expand opportunities for credit and non-credit education and training leading to high-demand jobs through apprenticeship programs offered in partnership with a community college and a local business or industry. Requires the Illinois Community College Board to adopt rules. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
The Balanced Budget Note Act does not apply to Senate Bill 2122 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note (Government Forecasting & Accountability)
SB 2122, as engrossed, amends the Public Community College Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
SB 2122, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Illinois Community College Board)
In the opinion of the Illinois Community College Board (ICCB), Senate Bill 2122 does not have a fiscal impact on the Illinois Community College Board or Illinois Community College System. The legislation is subject to appropriation.

SB 00027 (CONTINUED)

305 ILCS 5/5-5.25 rep.

Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Repeals a provision requiring the Department to reimburse psychiatrists and federally qualified health centers for mental health services provided by psychiatrists to medical assistance recipients through telepsychiatry. Makes other changes.

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

Replaces everything after the enacting clause. Amends the Educator Licensure Article of the School Code to allow a paraprofessional educator endorsement on an Educator License with Stipulations to be issued to an applicant who, among other qualifications, has passed a paraprofessional competency test (instead of allowing the endorsement to be issued only if the applicant holds an associate's degree or a minimum number of higher education credits). Requires the State Board of Education to adopt rules to implement the test. Amends the Charter Schools Law of the Code to require charter school employees in instructional positions to have passed a content area knowledge test. Makes changes concerning obsolete language. Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Repeals a provision requiring the Department to reimburse psychiatrists and federally qualified health centers for mental health services provided by psychiatrists to medical assistance recipients through telepsychiatry. Makes other changes.

Adds reference to:
235 ILCS 5/8-5 from Ch. 43, par. 163a
Senator Andy Manar
SB 01831 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Removes provisions amending the definition of "beer". Removes brew pubs from provisions authorizing manufacturers, distributors, or importing distributors to give, sell, or lease dispensing equipment to certain licensees. Provides that the term of a lease for dispensing equipment shall not exceed 180 days (instead of 12 months) and no 180-day lease shall be renewed automatically. Removes Waymatics and trailers from a list of items included in the definition of "dispensing equipment". Makes changes to the definitions of "fair market value" for purposes of provisions concerning leasing dispensing equipment and "dispensing equipment". Adds provisions prohibiting the sale of products on consignment or conditional sale. Provides that replacement of alcoholic liquor damaged while in a retailer's possession is a violation of specified provisions of the Act. Provides that transactions involving the bona fide return of products for ordinary and usual commercial reasons arising after the product has been sold are not prohibited. Specifies circumstances that are ordinary and usual commercial reasons for the return of alcoholic liquor products. Provides that nothing in the provisions prohibits a manufacturer with self-distribution privileges, importing distributor, or distributor from accepting the return of beer from a retailer if the beer is near or beyond its freshness date, code date, or other similar date marking the deterioration or freshness of the beer if specified conditions are met. Defines "beer" for the purposes of provisions concerning taxation of beer and specifies that the tax rate for beer is regardless of the alcohol by volume of the beer. In a provision concerning the examination of tax returns of licensees, provides that no earlier than 90 days after the due date of the return, the Department of Revenue may compare filed returns, or any amendments thereto, against reports of sales of alcoholic liquor submitted to the Department by other manufacturers and distributors. Makes other changes.

House Committee Amendment No. 1

Provides that a caterer retailer or special use permit licensee may engage a distributor or importing distributor to transfer any inventory from any off-site location to its caterer retailer premises or special use premises at the conclusion of an off-site event if specified conditions are met. Removes a provision prohibiting a distributor or importing distributor from selling or giving coil cleaning services to retailers or other specified licensees. Provides that the term of a lease for dispensing equipment shall not exceed 180 days in the aggregate in one calendar year (instead of 180 days) and no lease (instead of 180-day lease) shall be renewed automatically. Provides that there shall be a lapse of 90 (instead of 30) consecutive days before the beginning of a new lease term. Removes a provision authorizing a manufacturer, distributor, or importing distributor to enter into a written lease for the fair market value of dispensing equipment to specified licensees that sell alcoholic liquor at certain events. Makes changes to the definition of "fair market value". Adds an immediate effective date.

Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State's or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the information is exempt only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of computer systems. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). Effective immediately.

State Debt Impact Note, House Floor Amendment No. 4 (Government Forecasting & Accountability)

Correctional Note, House Floor Amendment No. 5 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.
Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately $16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

State Debt Impact Note, House Floor Amendment No. 6 (Government Forecasting & Accountability)

SB 1863, as amended by House Amendment 6, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note, House Floor Amendment No. 6 (Dept. of Transportation)

Amends the Election Code. Allows the State Board of Elections to receive voter registration information provided by applicants using electronic voter registration portals (rather than the Board’s website). Provides that notwithstanding any other provision of law, a person who is otherwise qualified to vote may preregister to vote on or after that person’s 16th birthday, with the registration held in abeyance by the appropriate election authority until that individual attains the required age to vote. Requires preregistration to be completed using the online voter registration system or an electronic voter registration portal. Provides that for the purposes of the Code, an individual who is 16 years of age or older (rather than who is 17 years of age and who will be 18 years of age on the date of the general or consolidated election) shall be deemed competent to execute and attest to any voter registration forms.

Senate Floor Amendment No. 1
Adds reference to:
105 ILCS 5/21B-25

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. With regard to endorsements on licenses, provides that, for a special education endorsement in the area of Early Childhood Special Education, an individual may satisfy the student teaching requirement of his or her early childhood teacher preparation program through placement in a setting with children from birth through grade 2, and the individual may be paid and receive credit while student teaching. Provides that the student teaching experience must meet the requirements of and be approved by the individual's early childhood teacher preparation program. Provides that, subject to appropriation, an individual who holds a Professional Educator License and is employed for a minimum of one school year by a school district designated as Tier 1 under the evidence-based funding formula may, after application to the State Board of Education, receive a refund for any costs associated with completing the teacher performance assessment required to obtain his or her license. Effective immediately.

Amends the State University Certificates of Participation Act. Provides that the Act applies until December 31, 2023 (rather than December 31, 2014). Amends the University of Illinois Act and the Northern Illinois University Law. Under an Investment, Performance, and Accountability Commitment at each University, requires each University to comply with certain tuition and mandatory fee, financial aid, and performance goal provisions if the University is appropriated a certain amount of money each fiscal year. Provides for an annual report, and repeals the Commitment on June 30, 2024. Subject to appropriation (greater than or equal to 1% of the faculty salary pool for Northern Illinois University), provides for an Excellence Program at each University to recruit and retain promising faculty throughout the University through capital investments; amends the State Finance Act to create a special fund. Effective immediately.
Amends the School Code. With regard to the textbook block grant program, removes a provision requiring the State Board of Education to preapprove and designate textbooks authorized to be purchased under the program; makes a related change. With regard to special education classes for children from orphanages, foster family homes, children's homes, or State residential units, removes a provision requiring each school district claiming reimbursement for a program operated as a group program to have an approved budget on file with the State Board prior to the initiation of the program's operation; makes a related change and other changes regarding claims and reimbursements. With regard to the evidence-based funding formula, removes a provision requiring the State Superintendent of Education to certify the actual amounts of the New State Funds payable for each eligible Organizational Unit based on the equitable distribution calculation to the unit's treasurer and publish a yearly distribution schedule at its meeting in June. Provides that no publisher or retail dealer (rather than person) shall offer any school instructional materials for adoption, sale, or exchange in this State until it has complied with certain conditions; makes related changes. Makes other changes with regard to instructional materials.

House Committee Amendment No. 1
Adds reference to:

105 ILCS 5/2-3.170

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.
Further amends the School Code. With regard to property tax relief pool grants, provides that the intended relief may not be greater than 1% of the EAV for a unit district, 0.69% of the EAV for an elementary school district, or 0.31% of the EAV for a high school district, multiplied by the school district's local capacity percentage multiplier; defines "local capacity percentage multiplier". Provides that if more school districts apply for relief than there are funds available, the State Board of Education must distribute the grants and prorate any remaining funds to the final school district that qualifies for grant relief. Removes a provision requiring the State Board to publish an estimated threshold unit equivalent tax rate and granting eligibility for relief to a school district whose adjusted operating tax rate is greater than the estimated threshold unit equivalent tax rate; makes conforming changes. Provides that, beginning with Fiscal Year 2020, if a school district receives a grant, the school district must present to the county clerk a duly authorized and approved abatement resolution by March 30 for the year in which the school district receives the grant and the successive fiscal year following the receipt of the grant, authorizing the county clerk to lower the school district's levy by the amount designated in its original application to the State Board. Provides that after receiving a resolution, the county clerk must reduce the amount collected for the school district by the amount indicated in the school district's abatement resolution for that fiscal year. With regard to the evidence-based funding formula, makes changes to the duties and powers of the Professional Review Panel. Makes other changes. Adds an immediate effective date.

House Floor Amendment No. 3
With regard to the evidence-based funding formula, provides that the Professional Review Panel shall, within 5 years after the implementation of the funding formula, and every 5 years thereafter (rather than only within 5 years after the implementation of the funding formula), complete an evaluative study of the entire funding model.
