Amends the Mental Health and Developmental Disabilities Code. Permits an advanced practice psychiatric nurse to order restraints or seclusion for a recipient of treatment. Provides that an advanced practice psychiatric nurse may examine a respondent and execute a certificate which states that the respondent is subject to involuntary admission on an inpatient basis and requires immediate hospitalization. Defines "advanced practice psychiatric nurse" as a nurse who is licensed to practice as an advanced practice registered nurse under the Nurse Practice Act and has been certified by the American Nurses Credentialing Center as a psychiatric mental health clinical nurse specialist or a psychiatric mental health nurse practitioner.

House Floor Amendment No. 1

Replaces everything after the enacting clause and reinserts the provisions of the engrossed bill with the following change:
Provides that as soon as possible but not later than 24 hours, excluding Saturdays, Sundays and holidays, after emergency admission of a respondent to a mental health facility on an inpatient basis, the respondent shall be personally examined (rather than examined) by a psychiatrist. Provides that for the purpose of this provision, a personal examination includes an examination performed in real time (synchronous examination) via an Interactive Telecommunication System as defined in the Illinois Administrative Code. 325 ILCS 5/11.5

from Ch. 23, par. 2061.5

Amends the Abused and Neglected Child Reporting Act. Removes the list of mandated reports under the Act and instead lists several categories of professionals required to report suspected child abuse and neglect to the Department of Children and Family Services, including: (1) medical personnel; (2) social services and mental health personnel; and (3) crisis intervention personnel. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training provided through or approved by the Department and that the training must be completed within a specified timeframe. Requires the Department to adopt rules by January 1, 2020 on its process for approving mandated reporter training. Provides that, by January 1, 2021, continuing education requirements for persons licensed by the Department of Financial and Professional Regulation must include mandated reporter training. Requires the Department, by January 1, 2020, to adopt rules and procedures for educating members of the public about their right to report child abuse or neglect. Requires the Department to seek assistance from businesses and organizations on raising awareness about child abuse and child neglect and the Department's statewide toll-free child abuse hotline.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, and his or her profession has continuing education requirements, the training mandated under the Act shall count toward meeting the licensee's required continuing education hours. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.

Senate Floor Amendment No. 2

Senator Julie A. Morrison
SB 01778 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

House Committee Amendment No. 1

Adds reference to:

50 ILCS 705/7

from Ch. 85, par. 507

Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. Further amends the Abused and Neglected Child Reporting Act. Provides that persons required to report under the Act must complete an initial mandated reporter training (rather than must complete mandated reporter training) within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, or within the time frame of any other applicable State law that governs training requirements for a specific profession, and at least every 3 years thereafter. Provides that the initial requirement (rather than the initial 3-month requirement) only applies to the first time they engage in their professional or official capacity (rather than only applies to the first time they engage in their professional or official capacity and may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession).

Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State's or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the information is exempt only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of computer systems. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). No land conveyances are included in Senate Bill 1863 (HA#4); therefore, there are no appraisals to be filed.

Balanced Budget Note, House Floor Amendment No. 4 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1863, as amended by House Amendment 4 as it is not a supplemental appropriation that increases or decreases appropriations. Correctional Note, House Floor Amendment No. 5 (Dept of Corrections)

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Replaces everything after the enacting clause. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Provides that the Director of State Police shall (rather than may) establish a statewide multi-jurisdictional Violent Crime Intelligence Task Force. Provides that the Violent Crime Intelligence Task Force shall also conduct enforcement operations against persons whose Firearm Owner's Identification Cards have been revoked or suspended and persons who fail to comply with the revocation or suspension requirements of the Firearm Owners Identification Card Act, prioritizing individuals presenting a clear and present danger to themselves or to others under that Act. Provides that the Task Force shall collaborate with local law enforcement agencies to enforce provisions of the Firearm Owners Identification Card Act, the Firearm Concealed Carry Act, the Firearm Dealer License Certification Act, and the Deadly Weapons Article of the Criminal Code of 2012. Provides that the Director of State Police may establish intergovernmental contracts written and executed in conformity with the Intergovernmental Cooperation Act. Provides that the Department of State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Amends the Firearm Owners Identification Card Act. Modifies definition of "clear and present danger". Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Department of State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Department under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that any transfer of a surrendered firearm must be conducted under the firearm transfer provisions of the Firearm Owners Identification Card Act. Provides that nothing in the firearm revocation or suspension provisions of the Firearm Owners Identification Card Act prevents a court from ordering an individual to surrender his or her Firearm Owner's Identification Card to a law enforcement agency of the court's choosing in a timeframe shorter than 48 hours after receipt of the notice of revocation or suspension. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. Amends the Firearm Concealed Carry Act. Provides that an applicant for renewal need not resubmit a full set of fingerprints if the applicant has previously done so under the Act or the Firearm Owners Identification Card Act. Amends the Criminal Code of 2012. Provides that a person commits the offense of unlawful sale or delivery of firearms when he or she transfers ownership of a firearm to a person in violation of the Firearm Owners Identification Card Act. This offense is a Class 4 felony. Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. 735 ILCS 5/15-1503 from Ch. 110, par. 15-1503

Amends the Code of Civil Procedure. Provides that the failure to send a copy of the notice of foreclosure to the alderman or to file an affidavit as required results in a fine of \$500 payable to the ward in which the property is located (instead of resulting in the dismissal without prejudice of the complaint or counterclaim on a motion of a party or the court). Deletes language regarding the requirements a party must comply with if the party refiles the complaint or counterclaim. Effective immediately.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes:
Deletes language providing that the failure to send a copy of the notice to the alderman or to file an affidavit as required results in a fine of \$500 payable to the ward in which the property is located. Provides instead that the failure to send a copy of the notice to the alderman or to file an affidavit as required shall result in a stay of the foreclosure action on a motion of a party or the court; if the foreclosure action has been stayed by an order of the court, the plaintiff shall send the notice by certified mail or by private carrier that provides proof of delivery; and after proof of delivery is tendered to the court, the court shall lift the stay of the foreclosure action. Effective immediately.

Amends the Illinois Insurance Guaranty Fund Article of the Illinois Insurance Code. Provides that a "covered claim" does not include a claim for fines and penalties paid to government authorities. Provides that the board of directors of the Illinois Insurance Guaranty Fund has the authority to assess to pay off a loan necessary to pay covered claims. Provides that if the loan is projected to be outstanding for 3 years or more, the board of directors has the authority to increase the assessment to 3% of net direct written premiums for the previous year until the loan has been paid in full. Makes changes in provisions that specify conditions under which the Fund is bound by certain settlements, releases, compromises, waivers, and final judgments. Provides that the Fund may also take legal action to recover from insurers and insureds in certain circumstances. Provides that the Fund may bring an action against certain third-party representatives of an insolvent insurer to obtain custody and control of all claim information related to the insolvent company. Provides that any person recovering under the Article and any insured whose liabilities are satisfied under the Article shall be deemed to have assigned the person's or insured's rights under the policy to the Fund to the extent of his or her recovery or satisfaction obtained from the Fund's payments. Provides that the Fund may also pay certain workers' compensation claims or any other third-party claims covered by a policy of an insolvent company on behalf of a high net worth insured and may recover from the high net worth insured through any action necessary to collect the full amount to the Fund's reimbursement. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning actions regarding insolvent company records, provides that the Illinois Insurance Guaranty Fund has the absolute right through emergency equitable relief to obtain custody and control of certain claims information in possession of certain third-party administrators, agents, attorneys, or other representatives of an insolvent insurer (rather than the absolute right through emergency equitable relief to obtain custody and control of certain third-party administrators, agents, attorneys, or other representatives of an insolvent insurer).

Adds reference to:

20 ILCS 3960/8.7 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes. Removes discontinuation of a health care facility from the list of projects eligible for exemption rather than a permit. Provides that the Health Facilities and Services Review Board may accept an application for an exemption for the discontinuation of a category of service at a health care facility only once in a 6-month period following (1) the previous application for exemption at the same health care facility or (2) the final decision of the Board regarding the discontinuation of a category service at the same health care facility, whichever occurs later. Provides that a discontinuation of a category of service shall otherwise require an application for a permit if an application for an exemption has already been accepted within the 6-month period. Provides that the Board shall provide by rule for an expedited process for obtaining an exemption for a change of ownership among related persons (rather than any change of ownership). Adds a Section concerning applications for permit for discontinuation of a health care facility or category of service. Provides that upon a finding that an application to close a health care facility or discontinue a category of service is complete, the Board shall publish a legal notice on 3 consecutive days in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. Provides further specified public notice requirements. Provides that no later than 30 days after issuance of a permit to close a health care facility or discontinue a category of service, the permit holder shall give written notice of the closure or discontinuation to the State Senator and State Representative serving the legislative district in which the health care facility is located. Provides that if there is a pending lawsuit that challenges an application to discontinue a health care facility that either names the Board as a party or alleges fraud in the filings of the application, the Board may defer action on the application for up to 6 months from the date of the initial deferral of the application. Adds a Section concerning certificates of exemption for change of ownership of a health care facility, and makes changes concerning notice and the closure of a health care facility or the discontinuation of a category of service at a health care facility. Provides that specified changes shall apply to all applications submitted after the effective date of this amendatory Act of the 101st General Assembly. Makes other changes. Effective immediately.

Senator Antonio Muñoz
SB 00001 (CONTINUED)

Adds reference to:

820 ILCS 105/12

from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

Senator Antonio Muñoz
SB 00001 (CONTINUED)

There is no fiscal or population impact on the Department of Corrections.
Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.
Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

New Act
5 ILCS 140/7.5

Creates the Automated License Plate Recognition System Data Act. Provides that a law enforcement agency may use recorded automated license plate recognition system (ALPR) data and historical ALPR system data only for a legitimate law enforcement purpose. Provides that ALPR system data collected by law enforcement and historical ALPR system data collected by law enforcement may not be used, shared, sold, traded, or exchanged for any other purpose. Requires law enforcement agencies using an automated license plate recognition system to adopt a policy governing use of the system; adopt a privacy policy to ensure that ALPR system data and historical ALPR system data is not used or shared in violation of this Act; adopt audit procedures relating to use of ALPR system data and historical ALPR system data; and adopt and periodically update a comprehensive training program for agency employees who use or have access to ALPR system data and procedures to adhere to policies and procedures governing use of ALPR system data or historical ALPR system data. Provides that a State or local law enforcement agency may retain ALPR system data for 5 years. Provides that after 5 years, the State or local law enforcement agency must create an internal record showing why data older than 5 years was accessed, and attach a case name and number, the name of the officer that accessed the data, the date, and an explanation for why the data was accessed. Prohibits admission of data that is used in violation of the Act in a court or administrative proceeding. Prohibits less restrictive local regulation, including by home rule units. Defines terms. Senator Antonio Muñoz
SB 00690 (CONTINUED)

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

410 ILCS 18/40

Amends the Crematory Regulation Act. Provides that a "temporary container" is, among other things, a single container of sufficient size to hold the cremated remains only until an urn is acquired. Provides that a funeral director (rather than a crematory authority or authorizing agent) has responsibilities specified throughout the Act. Provides that a crematory authority shall not cremate human remains until it has received, among other things, the name of the funeral establishment or cemetery (rather than the person) authorized to receive the cremated remains from the crematory authority and the manner in which final disposition of the cremated remains is to take place, whether it be burial, entombment, or inurnment in a cemetery. Provides that cremated remains must (rather than may) be disposed of by placing them in a grave, crypt, or niche in a designated cemetery. Removes language authorizing a crematory authority to dispose of cremated remains in a specified manner if the authorizing agent has not, within 60 days following the date of the cremation, instructed the crematory authority to arrange for the final disposition of the remains or claimed the remains. Removes language allowing for the disposal of cremated remains commingled with those of another person when scattering cremated remains at sea, by air, or in an area located in a dedicated cemetery and used exclusively for those purposes. Provides that an authorizing agent has the right to request and retain up to 8 ounces of cremated remains for memorialization before final disposition of the remains and requires funeral directors to notify an authorizing agent of that right. New Act

110 ILCS 805/6-4.2

Creates the Course Equity Act. Defines terms. Requires the State Board of Education to establish a Course Equity Program in which any public or nonpublic school student in this State may enroll in a Course Equity Program course, provided that the student has completed all applicable prerequisite course requirements. Provides that the funding structure for Course Equity Program courses must maximize access to courses for low-income students and school districts by following a specified funding structure. Provides that the initial authorization of a Course Provider and courses shall be for a one-year period and the State Board may reauthorize a Course Provider for additional periods of up to 3 years. Provides that the initial authorization of a Course Provider requires the Board to establish a course review and approval process for Course Providers that may be implemented by the Board or an entity designated by the Board. Specifies qualifications for a course to be added to the Course Equity Catalog. Requires Course Providers to annually report to the Board; specifies report requirements. Provides for the Board's responsibilities and a school district's responsibilities. Allows for rulemaking by the Board. Amends the Public Community College Act to provide that, for purposes of enrollment in a dual credit course through the Course Equity Program, a student shall, for tuition purposes, be classified as a resident of a community college district if he or she meets the criteria to be deemed an Illinois resident under the Act. Effective immediately.

110 ILCS 805/6-4.2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Provides that no school district may pass on the cost of the fee to enroll in a Course Equity Program course to a student if he or she is eligible for (i) Medicaid, (ii) the Children's Health Insurance Program under the Children's Health Insurance Program Act, (iii) the Temporary Assistance for Needy Families program, or (iv) the Supplemental Nutrition Assistance Program (rather than if the student qualifies to receive free or reduced-price lunch under the federal Richard B. Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health shall develop and make available training materials that ensure that all phlebotomists are trained in the most current methods of drawing blood from children and adults with intellectual and developmental disabilities. Provides that the Department shall review the materials every 3 years to ensure that they conform with the best available practices. Provides that the Department shall ensure that health care providers and laboratories that employ a phlebotomist incorporate the training as part of a phlebotomist's initial employment training and as part of any ongoing training to maintain competencies and certifications as a phlebotomist. Defines "phlebotomist".

House Floor Amendment No. 1

Removes language requiring the Department to develop training materials.

110 ILCS 947/40

Amends the Higher Education Student Assistance Act. Provides that a person is a qualified applicant if, despite not meeting other residency requirements, the applicant is a resident of Illinois at the time of application and at some point after leaving federal active duty service was a resident of Illinois for 15 consecutive years. Effective July 1, 2019.

Senate Committee Amendment No. 1

Deletes reference to:

110 ILCS 947/40

Adds reference to:

110 ILCS 305/9 from Ch. 144, par. 30

Replaces everything after the enacting clause. Amends the University of Illinois Act. With regard to scholarships for children of veterans, provides that, subject to eligibility requirements, the child of a person who served in the armed forces of the United States during Operation Just Cause between December 20, 1989 and January 31, 1990 is entitled to a scholarship in the University. Effective July 1, 2019.

Senate Floor Amendment No. 2

Deletes reference to:

110 ILCS 305/9

Adds reference to:

105 ILCS 5/30-14.2 from Ch. 122, par. 30-14.2

Adds reference to:

110 ILCS 947/40

Replaces everything after the enacting clause. Amends the Scholarships Article of the School Code. With regard to the MIA/POW Scholarship, provides that the definition of "eligible veteran or serviceperson" includes, among other requirements, a veteran or serviceperson who is a resident of Illinois at the time of application for the Scholarship and, at some point after leaving service, was a resident of Illinois for at least 15 consecutive years. Amends the Higher Education Student Assistance Act. With regard to the Illinois Veteran grant program, provides that a person is a qualified applicant if, despite not meeting other requirements, he or she is a resident of Illinois at the time of application to the Illinois Student Assistance Commission and, at some point after leaving federal active duty service, was a resident of Illinois for at least 15 consecutive years. Effective July 1, 2019.

Fiscal Note (Illinois Student Assistance Commission)

SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging \$4,545, and for FY17 (most recent available), 1,211 Illinoisans received MIA/POW grants averaging \$2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about \$187,000 and MIA/POW waivers by about \$30,000, for a total increase of \$217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately \$1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)

SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

Senator Laura M. Murphy
SB 01467 (CONTINUED)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1467; therefore, there are no appraisals to be filed.

20 ILCS 3960/8.7 new

Senator Laura M. Murphy
SB 01739 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes. Removes discontinuation of a health care facility from the list of projects eligible for exemption rather than a permit. Provides that the Health Facilities and Services Review Board may accept an application for an exemption for the discontinuation of a category of service at a health care facility only once in a 6-month period following (1) the previous application for exemption at the same health care facility or (2) the final decision of the Board regarding the discontinuation of a category service at the same health care facility, whichever occurs later. Provides that a discontinuation of a category of service shall otherwise require an application for a permit if an application for an exemption has already been accepted within the 6-month period. Provides that the Board shall provide by rule for an expedited process for obtaining an exemption for a change of ownership among related persons (rather than any change of ownership). Adds a Section concerning applications for permit for discontinuation of a health care facility or category of service. Provides that upon a finding that an application to close a health care facility or discontinue a category of service is complete, the Board shall publish a legal notice on 3 consecutive days in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. Provides further specified public notice requirements. Provides that no later than 30 days after issuance of a permit to close a health care facility or discontinue a category of service, the permit holder shall give written notice of the closure or discontinuation to the State Senator and State Representative serving the legislative district in which the health care facility is located. Provides that if there is a pending lawsuit that challenges an application to discontinue a health care facility that either names the Board as a party or alleges fraud in the filings of the application, the Board may defer action on the application for up to 6 months from the date of the initial deferral of the application. Adds a Section concerning certificates of exemption for change of ownership of a health care facility, and makes changes concerning notice and the closure of a health care facility or the discontinuation of a category of service at a health care facility. Provides that specified changes shall apply to all applications submitted after the effective date of this amendatory Act of the 101st General Assembly. Makes other changes. Effective immediately.

Requires the Secretary of Human Services to seek input from specified advisory bodies and committees with regard to the establishment, maintenance, and administration of PUNS. Contains provisions concerning the type of information to be collected and maintained for PUNS; the Department's development of a web-based verification and information-update application; notice of services to individuals listed in the PUNS database; and other matters.

Provides that an owner or operator, when contracting for the performance of construction work at the stationary source, shall require that its contractors and any subcontractors use a skilled and trained workforce to perform all onsite work within an apprenticeable occupation in the building and construction trades. No land conveyances are included in Senate Bill 1407; therefore, there are no appraisals to be filed.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1407, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1407 will not impact any public pension fund or retirement system in Illinois.

SB 01525 (CONTINUED)

Amends the Children and Family Services Act. Requires the Department of Children and Family Services, subject to appropriations, to provide eligible youth an apprenticeship stipend to cover those costs associated with entering an apprenticeship, including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provide that the following youth shall be eligible for an apprenticeship stipend: youth for whom the Department has court-ordered legal responsibility; youth who aged out of care at age 18 or older; or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Limits the stipend to eligible youth who: (i) are enrolled in an approved apprenticeship training program; (ii) are not a recipient of any other scholarship or fee waiver provided by the Department; and (iii) are under the age of 26. Provides that apprenticeship stipends shall be available to an eligible youth for a maximum of 5 years after the youth enrolls in a qualifying apprenticeship program. Waives the age requirement and 5-year cap on the stipend for applicants who were unable to enroll in a qualifying apprenticeship program because the applicant: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the apprenticeship stipends. Effective January 1, 2020.

Senate Floor Amendment No. 2

Provides that the Department of Children and Family Services shall provide eligible youth an apprenticeship stipend to cover those costs associated with entering and sustaining through completion an apprenticeship (rather than those costs associated with entering an apprenticeship), including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provides that certain youth may (rather than shall) be eligible for the apprenticeship stipend. Provides that, to receive a stipend, an applicant must be enrolled in an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or an apprenticeship program approved by the United States Department of Labor (rather than an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or a similar federal entity).

House Floor Amendment No. 2

Provides that youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, and youth formerly under care who have been adopted or who have been placed in private guardianship shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education at any community college, university, or college maintained by the State of Illinois (rather than providing that such youth shall receive a tuition and fee waiver if they are not selected to receive a scholarship or fee waiver under a specified provision of the Children and Family Services Act).

305 ILCS 5/12-4.13c new

Amends the Illinois Public Aid Code. Requires the Illinois Student Assistance Commission (ISAC) to identify and flag college students who are potentially eligible to receive Supplemental Nutrition Assistance Program (SNAP) benefits. Provides that the factors to be used to determine potential SNAP eligibility shall be prescribed by ISAC in consultation with the Department of Human Services, but at a minimum shall include income information reported on a college student's Free Application for Federal Student Aid. Requires ISAC, in consultation with the Department of Human Services, to develop a notice that ISAC shall make available electronically to institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline. Requires Illinois institutions of higher education that participate in the Monetary Award Program to provide the notice in writing to all students who are enrolled or accepted for enrollment and are identified by ISAC as potentially SNAP eligible. Requires ISAC to adopt rules. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

305 ILCS 5/12-4.13b

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes and additions: Provides that the Department of Human Services shall consult with the Illinois Workforce Innovation Board (rather than with the Illinois Workforce Investment Board) to establish a protocol to identify and verify all potential exemptions to certain federal eligibility rules under the Supplemental Nutrition Assistance Program (SNAP). Provides that a career and technical educational program approved by the Illinois Community College Board that could be a component of a SNAP Employment and Training (E&T) program, as identified by the Department of Human Services, shall be considered an employment and training program under a specified provision of the Code of Federal Regulations, unless prohibited by federal law. In provisions requiring the Illinois Student Assistance Commission (ISAC) to adopt rules concerning SNAP eligibility notifications to college students, requires ISAC to adopt the rules on or before October 1, 2020 (rather than on or before October 1, 2019). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois Student Assistance Commission (ISAC) to annually include information about the Supplemental Nutrition Assistance Program (SNAP) in the language that schools are required to provide to students eligible for the Monetary Award Program grant (rather than requiring ISAC to identify and flag college students who are potentially eligible to receive SNAP benefits). Provides that the language shall, at a minimum, direct students to information about college student eligibility criteria for SNAP, and direct students to the Department of Human Services and to the Illinois Hunger Coalition's Hunger Hotline for additional information. Requires Illinois institutions of higher education that participate in the Monetary Award Program (MAP) to provide the notice to all students who are enrolled, or who are accepted for enrollment and intending to enroll, and who have been identified by ISAC as MAP-eligible at the institution (rather than requiring ISAC to develop, in consultation with the Department of Human Services, an electronic notice for institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline).

New Act

Creates the Mental Health Modernization and Access Improvement Act. Requires the Department of Healthcare and Family Services to apply for a Medicaid waiver or State Plan amendment, or both, within 6 months after the effective date of the Act to develop and implement a regulatory framework that allows, incentivizes, and fosters payment reform models for all Medicaid community mental health services provided by community mental health centers or behavioral health clinics. Requires the regulatory framework to: (i) allow for and incentivize service innovation that is aimed at producing the best health outcomes for Medicaid enrollees with mental health conditions; (ii) reward high-quality care through annual incentive payments to community mental health centers and behavioral health clinics; (iii) require community mental health centers and behavioral health clinics to report on specified quality and outcomes metrics; and other matters. Provides that all documentation and reporting requirements under the regulatory framework must comply with the federal Mental Health Parity and Addiction Equity Act of 2008 and the State mental health parity requirements under the Illinois Insurance Code. Contains provisions concerning quality and outcomes metrics reporting; data sharing; the establishment of a Stakeholder Quality and Outcomes Metrics Development Working Group; statewide in-person trainings to ensure provider readiness for the regulatory framework; quality and patient safety protections; implementation timeline; certification of community mental health centers that opt into the regulatory framework; and other matters. Provides that the Act shall be implemented upon federal approval and only to the extent that federal financial participation is available. Effective immediately.

325 ILCS 5/4

325 ILCS 5/11.5

from Ch. 23, par. 2061.5

Amends the Abused and Neglected Child Reporting Act. Removes the list of mandated reports under the Act and instead lists several categories of professionals required to report suspected child abuse and neglect to the Department of Children and Family Services, including: (1) medical personnel; (2) social services and mental health personnel; and (3) crisis intervention personnel. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training provided through or approved by the Department and that the training must be completed within a specified timeframe. Requires the Department to adopt rules by January 1, 2020 on its process for approving mandated reporter training. Provides that, by January 1, 2021, continuing education requirements for persons licensed by the Department of Financial and Professional Regulation must include mandated reporter training. Requires the Department, by January 1, 2020, to adopt rules and procedures for educating members of the public about their right to report child abuse or neglect. Requires the Department to seek assistance from businesses and organizations on raising awareness about child abuse and child neglect and the Department's statewide toll-free child abuse hotline.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, and his or her profession has continuing education requirements, the training mandated under the Act shall count toward meeting the licensee's required continuing education hours. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.

Senate Floor Amendment No. 2

Senator Robert Peters
SB 01778 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

House Committee Amendment No. 1

Adds reference to:

50 ILCS 705/7

from Ch. 85, par. 507

Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. 110 ILCS 947/40

Senate Committee Amendment No. 1

Deletes reference to:

110 ILCS 947/40

Replaces everything after the enacting clause. Amends the University of Illinois Act. With regard to scholarships for children of veterans, provides that, subject to eligibility requirements, the child of a person who served in the armed forces of the United States during Operation Just Cause between December 20, 1989 and January 31, 1990 is entitled to a scholarship in the University. Effective July 1, 2019.

Deletes reference to:

Adds reference to:

105 ILCS 5/30-14.2 from Ch. 122, par. 30-14.2

Adds reference to:

110 ILCS 947/40

Senator Elgie R. Sims, Jr.
SB 01467 (CONTINUED)

Replaces everything after the enacting clause. Amends the Scholarships Article of the School Code. With regard to the MIA/POW Scholarship, provides that the definition of "eligible veteran or serviceperson" includes, among other requirements, a veteran or serviceperson who is a resident of Illinois at the time of application for the Scholarship and, at some point after leaving service, was a resident of Illinois for at least 15 consecutive years. Amends the Higher Education Student Assistance Act. With regard to the Illinois Veteran grant program, provides that a person is a qualified applicant if, despite not meeting other requirements, he or she is a resident of Illinois at the time of application to the Illinois Student Assistance Commission and, at some point after leaving federal active duty service, was a resident of Illinois for at least 15 consecutive years. Effective July 1, 2019.

Fiscal Note (Illinois Student Assistance Commission)

SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging \$4,545, and for FY17 (most recent available), 1,211 Illinoisans received MIA/POW grants averaging \$2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about \$187,000 and MIA/POW waivers by about \$30,000, for a total increase of \$217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately \$1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)

SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1467; therefore, there are no appraisals to be filed.

Amends the Worker's Compensation Act and the Workers' Occupational Diseases Act. Provides that specified Sections limiting recovery do not apply to injuries or death resulting from an occupational disease as to which the recovery of compensation benefits under the Act would be precluded due to the operation of any period of repose or repose provision. Provides that, as to any such injury occupational disease, the employee, the employee's heirs, and any person having the standing under law to bring a civil action at law has the nonwaivable right to bring such an action against any employer or employers. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1596 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1596 amends the Worker's Compensation Act and the Worker's Occupational Diseases Act in a way that does not impact any State pension fund.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1596; therefore, there are no appraisals to be filed.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Central Management Services)

Senator Elgie R. Sims, Jr.
SB 01596 (CONTINUED)

It is not possible to calculate an exact fiscal impact of this proposed legislation due to the case-specific nature of any claims that may arise pursuant to this legislation. However, based on the average cost of a workers' compensation claim and the percentage of claims that are denied for untimely filing, the Department of Central Management Services estimates the proposed legislation would result in a cost increase of approximately \$250,000 annually.

5 ILCS 140/7 from Ch. 116, par. 207
10 ILCS 5/1A-55

Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State's or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the information is exempt only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of computer systems. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). Effective immediately.

In provisions creating the Conduct of the 2020 General Election Article in the Election Code, excludes absent electors in military or naval service from the requirement that any elector submitting an application on or before October 1, 2020 shall receive a ballot no later than October 6, 2020. Housing Affordability Impact Note, House Floor Amendment No. 5 (Housing Development Authority)

Correctional Note, House Floor Amendment No. 5 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Provides that the Director of State Police shall (rather than may) establish a statewide multi-jurisdictional Violent Crime Intelligence Task Force. Provides that the Violent Crime Intelligence Task Force shall also conduct enforcement operations against persons whose Firearm Owner's Identification Cards have been revoked or suspended and persons who fail to comply with the revocation or suspension requirements of the Firearm Owners Identification Card Act, prioritizing individuals presenting a clear and present danger to themselves or to others under that Act. Provides that the Task Force shall collaborate with local law enforcement agencies to enforce provisions of the Firearm Owners Identification Card Act, the Firearm Concealed Carry Act, the Firearm Dealer License Certification Act, and the Deadly Weapons Article of the Criminal Code of 2012. Provides that the Director of State Police may establish intergovernmental contracts written and executed in conformity with the Intergovernmental Cooperation Act. Provides that the Department of State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Amends the Firearm Owners Identification Card Act. Modifies definition of "clear and present danger". Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Department of State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Department under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that any transfer of a surrendered firearm must be conducted under the firearm transfer provisions of the Firearm Owners Identification Card Act. Provides that nothing in the firearm revocation or suspension provisions of the Firearm Owners Identification Card Act prevents a court from ordering an individual to surrender his or her Firearm Owner's Identification Card to a law enforcement agency of the court's choosing in a timeframe shorter than 48 hours after receipt of the notice of revocation or suspension. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. Amends the Firearm Concealed Carry Act. Provides that an applicant for renewal need not resubmit a full set of fingerprints if the applicant has previously done so under the Act or the Firearm Owners Identification Card Act. Amends the Criminal Code of 2012. Provides that a person commits the offense of unlawful sale or delivery of firearms when he or she transfers ownership of a firearm to a person in violation of the Firearm Owners Identification Card Act. This offense is a Class 4 felony. Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. 30 ILCS 105/5.891 new

Amends the Higher Education Student Assistance Act. Provides that, beginning with the 2019-2020 academic year, the Illinois Student Assistance Commission must implement and administer a program to award Early Childhood Workforce Free College grants to all eligible child care workers seeking an associate or bachelor's degree from a public institution or a regionally accredited, online-only early childhood education degree program; defines terms. Specifies grant eligibility and renewal requirements. Creates the Early Childhood Workforce Advisory Committee to advise the Commission on all matters relating to the Early Childhood Workforce Free College grant program and on the ways to improve and expand the early childhood workforce in this State. Provides for the membership and support of the Committee and requires the Committee to (i) study and make recommendations to the Commission that are related to the implementation of the Early Childhood Workforce Free College grant program, (ii) conduct an analysis from data received by the Commission to ensure the program is at full utilization, (iii) address access issues to the program, including, but not limited to, geographic, financial, cultural, and workplace settings, and (iv) address ways to expand the early childhood workforce in this State. Amends the State Finance Act to create the Early Childhood Workforce Free College Fund. Effective immediately.

Senate Committee Amendment No. 1

Expands the definition of "child care worker". Changes the definition of "early childhood degree program" to a regionally accredited degree program (rather than online degree program) administered solely through an Illinois-based, not-for-profit organization or through a public institution through which a child care worker may attain a degree or credential or maintain a classroom role in any child care or early childhood education setting, including a Child Development Associate Credential program or an Early Childhood Education (ECE) degree program. Requires the Illinois Student Assistance Commission to implement and administer the Early Childhood Workforce Free College grant program beginning with the 2020-2021 (rather than 2019-2020) academic year and subject to appropriation. Provides that, if other eligibility requirements are met, an eligible child care worker seeking to enroll in an alternative educator licensure program under the School Code is eligible for a grant under the program. Removes a provision allowing for exceptions to a student's initial enrollment in a public institution or an early childhood degree program for extenuating circumstances as provided in rules by the Commission. Provides that, in awarding grants under the program, if, in any fiscal year, the amount appropriated for the grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the Commission must proportionately reduce the grants accordingly (rather than must develop the selection and renewal criteria for students). Requires the Illinois Early Learning Council (rather than the Commission) to provide the Early Childhood Workforce Advisory Committee with administrative and other support. Makes other changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes. Changes the definition of "early childhood degree program". Provides that if a student chooses to enroll in a private institution, the grant awarded to the student under the program shall be no more than 150% of the highest rate paid on behalf of students in a similar program at a public institution to cover the cost of tuition and mandatory fees, less all other student aid. Provides that after completion of or disenrolling from his or her program of study, a student must reside and work within this State in a child care or early childhood education setting for a minimum of one year. Provides that if the student does not reside and work within this State for a minimum of one year, the student must repay the total grant amount awarded to him or her through installments in accordance with rules adopted by the Illinois Student Assistance Commission. Creates the Early Childhood Workforce Free College Advisory Committee (rather than the Early Childhood Workforce Committee), established by the Illinois Early Learning Council; changes the membership of the Committee and the Committee's duties. Makes other changes. Effective immediately.

5 ILCS 140/7 from Ch. 116, par. 207

Amends the Freedom of Information Act. Exempts from inspection and copying a law enforcement record created for law enforcement purposes if the public body that is the recipient of the request did not create the record and did not participate in or have a role in any of the events that are the subject of the record. Provides that if a public body receives a request for a law enforcement record created for law enforcement purposes that it did not create, the public body shall direct the requester to the public body that created the law enforcement record. Deletes language exempting from inspection and copying a law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system.

Senator Elgie R. Sims, Jr.

Senate Committee Amendment No. 1

Deletes language: exempting from inspection and copying a law enforcement record created for law enforcement purposes if the law enforcement agency that is the recipient of the request did not create the record and did not participate in or have a role in any of the events that are the subject of the record; and providing that if a law enforcement agency receives a request for a law enforcement record created for law enforcement purposes that it did not create, the law enforcement agency shall direct the requester to the law enforcement agency that created the law enforcement record. Instead exempts from inspection and copying a law enforcement record that is: (i) created by a law enforcement agency other than the law enforcement agency that is the recipient of the request; and (ii) attached as an exhibit to a law enforcement record created by the law enforcement agency that is the recipient of the request, if the law enforcement agency notifies the requester of the additional law enforcement records available from different law enforcement agencies and the law enforcement agencies the requester may contact to obtain records not produced by the law enforcement agency that is the recipient of the request.

Amends the Property Tax Code. Provides that a taxing district may abate taxes on residential property that qualifies for an abatement under any program adopted by the governing authority of the taxing district for the purpose of revitalizing or stabilizing neighborhoods. Provides that, if a county purchases delinquent property, the county may take steps to maintain the property, including, but not limited to, the mowing of grass or removal of nuisance greenery, the removal of garbage, waste, debris, or other materials, or the demolition, repair, or remediation of unsafe structures. In a Section concerning sales in error granted because a county, city, village or incorporated town has an interest in the property because of advancements made from public funds, provides that no petition for a sale in error may be brought unless the party seeking the sale in error has submitted a request in writing to the county, city, village, or town to waive the amounts owed, and that request has been (i) denied or (ii) not acted upon for a period of at least 90 days from the date on which the request was made. Provides that the redemption period for property that has been declared abandoned or blighted is 6 months (currently, 2 years) from: (1) the date of sale, if the holder of the certificate of purchase is a unit of local government; or (2) the date the property was declared abandoned or blighted, if the holder of the certificate of purchase is not a unit of local government.

Senate Floor Amendment No. 1

Removes references to blighted property from provisions of the introduced bill concerning the period of redemption. Provides that, if the property is abandoned and the holder of the certificate of purchase is a unit of local government, then the court may order that the property may be redeemed at any time on or before the expiration of 6 months from the date of sale (currently, 2 years).

Amends the Suicide Prevention, Education, and Treatment Act. Makes changes concerning the findings of the General Assembly. Creates the Office of Suicide Prevention within the Department of Public Health for the purpose of implementing the Act. Requires the Office of Suicide Prevention, in consultation with the Illinois Suicide Prevention Alliance, to submit an annual report to the Governor and General Assembly on the effectiveness of the activities and programs undertaken under the Illinois Suicide Prevention Strategic Plan that includes any recommendations for modification to Illinois law to enhance the effectiveness of the Plan (instead of an annual report by the Illinois Suicide Prevention Alliance). New Act

Creates the Mental Health Modernization and Access Improvement Act. Requires the Department of Healthcare and Family Services to apply for a Medicaid waiver or State Plan amendment, or both, within 6 months after the effective date of the Act to develop and implement a regulatory framework that allows, incentivizes, and fosters payment reform models for all Medicaid community mental health services provided by community mental health centers or behavioral health clinics. Provides that all documentation and reporting requirements under the regulatory framework must comply with the federal Mental Health Parity and Addiction Equity Act of 2008 and the State mental health parity requirements under the Illinois Insurance Code. Contains provisions concerning quality and outcomes metrics reporting; data sharing; the establishment of a Stakeholder Quality and Outcomes Metrics Development Working Group; statewide in-person trainings to ensure provider readiness for the regulatory framework; quality and patient safety protections; implementation timeline; certification of community mental health centers that opt into the regulatory framework; and other matters. Provides that the Act shall be implemented upon federal approval and only to the extent that federal financial participation is available. Effective immediately.

Provides that any surviving spouse of an annuitant who (1) retired prior to June 1, 2011, (2) was not married on the date the retirement annuity began, (3) received a specified refund of survivor credits, and (4) died prior to the implementation of Public Act 99-682, which allowed certain annuitants who received a refund of contributions for survivor benefits to elect to repay the refund and have their survivor benefit rights reinstated, may, within a period of one year beginning 5 months after the effective date of the amendatory Act, make an election to re-establish rights to a surviving spouse annuity by paying to the Fund: (1) the total amount of the refund received for survivor credits; and (2) interest thereon at the actuarially assumed rate of return from the date of the refund to the date of payment. Provides that the surviving spouse must also provide documentation proving he or she was married to the annuitant at the time of death and has not subsequently remarried. Provides that the Fund may allow the surviving spouse to repay this refund over a period of not more than 24 months. Provides that, for federal and State tax purposes and to the extent permitted by law, if a surviving spouse pays in monthly installments by reducing the monthly benefit by the amount of the otherwise applicable contribution, the monthly amount by which the surviving spouse's benefit is reduced shall not be treated as a contribution by the surviving spouse but rather as a reduction of the surviving spouse's monthly benefit. Senate Floor Amendment No. 2

Deletes reference to:

110 ILCS 305/9

Adds reference to:

105 ILCS 5/30-14.2 from Ch. 122, par. 30-14.2

Adds reference to:

110 ILCS 947/40

Replaces everything after the enacting clause. Amends the Scholarships Article of the School Code. With regard to the MIA/POW Scholarship, provides that the definition of "eligible veteran or serviceperson" includes, among other requirements, a veteran or serviceperson who is a resident of Illinois at the time of application for the Scholarship and, at some point after leaving service, was a resident of Illinois for at least 15 consecutive years. Amends the Higher Education Student Assistance Act. With regard to the Illinois Veteran grant program, provides that a person is a qualified applicant if, despite not meeting other requirements, he or she is a resident of Illinois at the time of application to the Illinois Student Assistance Commission and, at some point after leaving federal active duty service, was a resident of Illinois for at least 15 consecutive years. Effective July 1, 2019.

Fiscal Note (Illinois Student Assistance Commission)

Senator Patricia Van Pelt
SB 01467 (CONTINUED)

SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging \$4,545, and for FY17 (most recent available), 1,211 Illinoisans received MIA/POW grants averaging \$2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about \$187,000 and MIA/POW waivers by about \$30,000, for a total increase of \$217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately \$1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)

SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1467; therefore, there are no appraisals to be filed.

SB 01966 (CONTINUED)

Replaces everything after the enacting clause. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Provides that the Director of State Police shall (rather than may) establish a statewide multi-jurisdictional Violent Crime Intelligence Task Force. Provides that the Violent Crime Intelligence Task Force shall also conduct enforcement operations against persons whose Firearm Owner's Identification Cards have been revoked or suspended and persons who fail to comply with the revocation or suspension requirements of the Firearm Owners Identification Card Act, prioritizing individuals presenting a clear and present danger to themselves or to others under that Act. Provides that the Task Force shall collaborate with local law enforcement agencies to enforce provisions of the Firearm Owners Identification Card Act, the Firearm Concealed Carry Act, the Firearm Dealer License Certification Act, and the Deadly Weapons Article of the Criminal Code of 2012. Provides that the Director of State Police may establish intergovernmental contracts written and executed in conformity with the Intergovernmental Cooperation Act. Provides that the Department of State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Amends the Firearm Owners Identification Card Act. Modifies definition of "clear and present danger". Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Department of State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Department under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that any transfer of a surrendered firearm must be conducted under the firearm transfer provisions of the Firearm Owners Identification Card Act. Provides that nothing in the firearm revocation or suspension provisions of the Firearm Owners Identification Card Act prevents a court from ordering an individual to surrender his or her Firearm Owner's Identification Card to a law enforcement agency of the court's choosing in a timeframe shorter than 48 hours after receipt of the notice of revocation or suspension. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. Amends the Firearm Concealed Carry Act. Provides that an applicant for renewal need not resubmit a full set of fingerprints if the applicant has previously done so under the Act or the Firearm Owners Identification Card Act. Amends the Criminal Code of 2012. Provides that a person commits the offense of unlawful sale or delivery of firearms when he or she transfers ownership of a firearm to a person in violation of the Firearm Owners Identification Card Act. This offense is a Class 4 felony. Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. Modifies requirements for transfer of firearms to a law enforcement agency as required under those Acts. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Creates the Healthy Workplace Act and amends the State Finance Act. Requires employers to provide specified paid sick days to employees. Sets forth the purposes for and manner in which the sick days may be used. Contains provisions regarding employer responsibilities, unlawful employer practices, and other matters. Exempts employers subject to the Railway Labor Act. Provides that an employee who works in the State who is absent from work for specified reasons is entitled to earn and use a minimum of 40 hours of paid sick time during a 12-month period or a pro rata number of hours of paid sick time under the provisions of the Act. Provides that it is unlawful for an employer to interfere with, restrain, deny, change work days or hours scheduled to avoid paying sick time, or discipline an employee for the exercise of, or the attempt to exercise, any right provided under or in connection with the Act, including considering the use of paid sick time as a negative factor in an employment action that involves hiring, terminating, evaluating, promoting, disciplining, or counting the paid sick time under a no-fault attendance policy. Provides that any employer that the Department of Labor or a court finds by a preponderance of the evidence to have knowingly, repeatedly, or with reckless disregard violated any provision of the Act or any rule adopted under the Act is subject to a civil money penalty to be paid to the employee not to exceed \$2,500 for each separate offense. Provides that the Department of Labor shall administer the Act. Authorizes individuals to file civil actions with respect to violations. New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Prohibits retaliation against an employee for using a panic button, availing himself or herself of the protections afforded by an anti-sexual harassment policy, or disclosing, reporting, or testifying about violations of the Act. Provides remedies for noncompliance. Limits home rule powers. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to \$350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

Senate Floor Amendment No. 2

Adds a definition. Defines the term "sexual assault" to mean: (1) an act of sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012; or (2) any act of sexual penetration, as defined in Section 11-0.1 of the Criminal Code of 2012 and includes, without limitation, acts prohibited under Sections 11-1.20 through 11-1.60 of the Criminal Code of 2012.

Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State's or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the information is exempt only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of computer systems. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). Effective immediately.

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

State Debt Impact Note, House Floor Amendment No. 6 (Government Forecasting & Accountability)

SB 1863, as amended by House Amendment 6, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. 20 ILCS 105/4.06

Amends the Illinois Act on the Aging. In provisions concerning the powers and duties of the Department on Aging under the Act, requires the Department to work with workforce development providers through the federal Workforce Innovation and Opportunity Act to establish and implement an affirmative action employment plan for the recruitment, hiring, training, and retraining of persons 60 or more years old for jobs for which their employment would not be precluded by law (rather than requiring the Department to make a grant to an institution of higher learning to study the feasibility of establishing and implementing an affirmative action employment plan for the recruitment, hiring, training, and retraining of persons 60 or more years old for jobs for which their employment would not be precluded by law). Requires the Department to conduct demonstration projects to identify additional ways to assist aging and minority senior citizens throughout the State (rather than requiring the Department to conduct a study of the feasibility of implementing the Senior Companion Program throughout the State). In a provision requiring the Department on Aging and the Department of Human Services to file a joint report with the Governor and the General Assembly, removes the requirement that the report be filed on or before September 30 of each year. Requires the Department on Aging and other specified agencies to submit an annual report on program and services for minority senior citizens in the State to be filed with the Governor and the General Assembly within 12 months of the closing of the lapse period for the fiscal year included in the report.
