Amends the Downstate Firefighter Article of the Illinois Pension Code. Requires a unit of local government of 5,000 or more inhabitants that employs a firefighter who is a full-time firefighter in a different downstate firefighter pension fund to make specified contributions to that downstate firefighter pension fund. Establishes reporting requirements. Senate Committee Amendment No. 1 Referred to Assignments
Amends the Criminal Code of 2012. Makes a technical change in a Section concerning the short title.

Replaces everything after the enacting clause. Amends the School Code. Provides that a check of the Statewide Sex Offender
Database and Statewide Murderer and Violent Offender Against Youth Database must be conducted by the school district or regional
superintendent, as applicable, once for every 5 years an applicant remains employed by a school district. Provides that no school board
shall knowingly employ a person or knowingly allow a person to student teach who has been issued an indicated finding of abuse or
neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a
child welfare agency of another jurisdiction. Requires the State Board of Education to conduct random audits of Professional Educator
Licensees to verify a licensee's fulfillment of required professional development hours. With regard to the conviction of certain
offenses as grounds for disqualification for licensure or suspension or revocation of a license, provides that if the holder of a license or
applicant for a license has been charged with attempting to commit, conspiring to commit, soliciting, or committing certain offenses,
first degree murder, or a Class X felony or any offense committed or attempted in any other state or against the laws of the United
States that, if committed or attempted in this State, would have been punishable as one or more of those offenses, the State
Superintendent of Education shall immediately suspend the license or deny the application until the person's criminal charges are
adjudicated through a court of competent jurisdiction. Makes other changes.
Adds reference to:

105 ILCS 5/34-85 from Ch. 122, par. 34-85

Adds reference to:

820 ILCS 40/8 from Ch. 48, par. 2008

Adds reference to:

820 ILCS 40/9 from Ch. 48, par. 2009

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. Provides that each school district must adopt and implement a policy addressing sexual abuse investigations. Provides that, except for an educator licensed under the Educator Licensure Article of the Code, if a school board determines that any school district employee has willfully or negligently failed to report an instance of suspected child abuse or neglect, as required by the Abused and Neglected Child Reporting Act, then the school board may dismiss that employee immediately upon that determination. Provides that the State Superintendent of Education has the authority to initiate a suspension of or revoke the license of any educator licensed under the Educator Licensure Article of the Code if he or she negligently fails to report an instance of suspected child abuse or neglect. Provides that if an individual is dismissed by a school district for committing a physical or sexual act on a student, the State Superintendent of Education shall immediately suspend, pending revocation, any license issued to that individual under the Educator Licensure Article of the Code. Provides that if a mandated reporter within a school has knowledge of an alleged incident of sexual abuse, the reporter must call the Department of Children and Family Services' hotline immediately after obtaining the minimal information necessary to make a report, including the names of the affected parties and the allegations. Provides that for schools in a county with an accredited Children's Advocacy Center, every alleged incident of sexual abuse that is reported to the Department of Children and Family Services' hotline or a law enforcement agency and is subsequently accepted for investigation must be referred by the entity that received the report to the local Children's Advocacy Center pursuant to that county's multidisciplinary team's protocol under the Children's Advocacy Center Act for investigating child sexual abuse allegations. Provides for the local Children's Advocacy Center's duties and the duties of a school. Provides that if, during the course of its internal investigation and at any point during or after the multidisciplinary team's investigation, a school determines that it needs to interview an alleged victim of sexual abuse to successfully complete its investigation and the victim is under 18 years of age, a child advocate must be made available to the student and must be present during the school's interview. Provides that the Department of Children and Family Services and the appropriate law enforcement agency must notify the relevant school when an agency investigation of an alleged incident of sexual abuse is completed, which must include information on the outcome of that investigation. Creates the Make Sexual and Severe Physical Abuse Fully Extinct Task Force. Provides for the Task Force's membership, meeting requirements, and duties. With regard to employee dismissal proceedings, provides that in the case of charges involving physical or sexual contact with a student or a person under the age of 18, the hearing officer shall make alternative hearing procedures to protect a witness who is a student or who is under the age of 18 from being intimidated or traumatized. Amends the Personnel Record Review Act to provide that certain disclosure requirements under the Act do not apply to a school district responding to an inquiry from a prospective employer or to activities or associations with individuals or groups involved in the physical, sexual, or other exploitation of minors. Makes conforming and other changes. Adds an immediate effective date.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Amends the School Code. Creates the School District Efficiency Commission. Provides for the membership and support of the Commission. Requires the Commission to make recommendations to the Governor and the General Assembly on the number of school districts in this State, the optimal amount of enrollment for a school district, and where reorganization and realignment of school districts would be beneficial in this State; specifies the topics on which the recommendations must focus. Provides that, on or before May 1, 2020, the Commission must vote on its recommendations and submit a report to the Governor and the General Assembly. Provides that if the Commission adopts the report recommendations by an affirmative vote of at least 11 of its members, then the Commission's recommendations for reorganization of school districts into unit school districts must be placed on the ballots of the designated school districts in the next general election in the same manner as petitions approved by a regional superintendent of schools, except without financial incentives. Provides that certain military plates may be (i) transferred, upon death of the owner, to the surviving spouse; and (ii) reclassified without a replacement fee. Provides that "established place of business" only includes a place with an outdoor lot capable of parking at least 5 vehicles or an indoor lot with space for a minimum of one vehicle to be parked in its indoor showroom. Provides that applicants for certain licenses shall disclose the full name, address, and contact information of each of the applicant's agents or legal representatives who is an Illinois resident and liable for the performance of the dealership.

Senator Bill Cunningham
SB 00516  (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board (“IGB”) is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB’s ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice to all affected property owners and local government within 2,500 feet of the leak site. Effective immediately.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice with specified information immediately upon discovery to all affected property owners and local government within 2,500 feet of the leak site. Provides that the amendatory Act's provisions apply only to an owner or operator of a sterilization source using one ton or more of ethylene oxide in a rolling 12-month period of sterilization or fumigation operations, and do not apply to beehive fumigators, research or laboratory facilities, or sources such as hospitals, doctors' offices, clinics, or other facilities for which the primary purpose is to provide medical services to humans or animals.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that no person shall conduct ethylene oxide sterilization operations, unless the ethylene oxide sterilization source captures 100% of all ethylene oxide emissions and reduces ethylene oxide emissions to the atmosphere from each exhaust point at the ethylene oxide sterilization source by at least 99.9% or to 0.2 parts per million. Requires that, within 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, the owner or operator of the ethylene oxide sterilization source shall conduct an initial emissions test. Sets forth criteria for the test and requires certain information concerning the test be submitted to the Environmental Protection Agency. Requires the owner or operator of the ethylene oxide sterilization source to conduct emissions testing on all exhaust points at the ethylene oxide sterilization source at least once each calendar year (at least 6 months apart) to demonstrate compliance with these requirements and any applicable requirements concerning ethylene oxide that are set forth in either United States Environmental Protection Agency rules or Pollution Control Board rules. Provides that if certain conditions are not met the owner or operator of an ethylene oxide sterilization source shall immediately cease ethylene oxide sterilization operations and notify the Agency within 24 hours of becoming aware of a failed emissions test. Within 60 days after the date of the test, requires the owner or operator of the ethylene oxide sterilization source to: complete an analysis to determine the root cause of the failed emissions test; take any actions necessary to address that root cause; submit a report to the Agency; and restart operations only to the extent necessary to conduct additional emissions tests. Provides that, beginning 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, no person shall conduct ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source submits for review and approval by the Agency an Ambient Air Monitoring Plan. Requires the owner or operator of the ethylene oxide sterilization source to apply for and obtain a construction permit from the Agency for any modifications made to the source to comply with the requirements of the amendatory Act and a modification of the source's operating permit to incorporate such modifications made to the source. Prohibits a person from conducting ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source has performed dispersion modeling and the Agency approves such modeling. Prohibits a facility that is permitted to emit ethylene oxide and subject to a seal order from using ethylene oxide for sterilization or fumigation purposes. Requires specified entities to notify the Agency of any property right in sterilization technology that does not involve the use of ethylene oxide. Provides that, within 30 days after discovering noncompliance with specified requirements the Agency must post a notice on its website and notify the specified persons and entities. Requires the Agency to conduct at least one unannounced inspection of all ethylene oxide sterilization sources subject to the provisions per year. Requires the Agency to (i) conduct air testing to determine ambient levels of ethylene oxide and (ii) submit rules for ambient air testing of ethylene oxide to the Board within 180 days after the amendatory Act's effective date. Effective immediately.

Amends the Public Community College Act. Requires the Illinois Community College Board to establish and administer a manufacturing training grant program. Provides that to qualify for a grant, a community college district and a public high school located in that district must jointly establish a collaborative regional partnership with workforce development organizations, regional economic development organizations, and economic development officials in the district, along with manufacturers, healthcare service providers, and innovative technology businesses that have a presence in the district, to provide a manufacturing training program. Senate Floor Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Illinois Community College Board shall establish and administer a 21st Century Employment grant program (rather than a manufacturing training grant program). Provides that in awarding grants under the program, the Board must give priority to plans that demonstrate a formal articulation agreement between a public high school and a community college district. Adds to the membership of the advisory board. Makes other changes.

110 ILCS 805/2-26 new

Amends the Public Community College Act. Provides for legislative findings. Provides that, subject to appropriation, the Illinois Community College Board shall establish a community college apprenticeship grant program to expand opportunities for credit and non-credit education and training leading to high-demand jobs through apprenticeship programs offered in partnership with a community college and a local business or industry. Provides that the grants must be prioritized to expand apprenticeship programs to new populations, develop apprenticeships in new, non-traditional sectors, and identify ways to promote greater inclusion and diversity in apprenticeships. Requires the Illinois Community College Board to adopt rules. Effective immediately.

Balanced Budget Note (Office of Management and Budget)
The Balanced Budget Note Act does not apply to Senate Bill 2122 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note (Government Forecasting & Accountability)
SB 2122, as engrossed, amends the Public Community College Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
SB 2122, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Illinois Community College Board)
In the opinion of the Illinois Community College Board (ICCB), Senate Bill 2122 does not have a fiscal impact on the Illinois Community College Board or Illinois Community College System. The legislation is subject to appropriation.
Amends the Parking Excise Tax Act. Provides that the tax imposed by the Act does not apply to a parking area or garage owned or operated by a city, village, county, township, or incorporated town. Effective immediately.

SB 00516 (CONTINUED)
Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5
SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board (“IGB”) is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB’s ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6
In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7
Adds reference to:
230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9
Adds reference to:
230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

Includes additional information for the affidavit of identification to be given by the biological mother in an adoption proceeding. Provides that, in specified proceedings, in the case of a related adoption where the child sought to be adopted is not a youth in care, the court shall have the discretion to waive the appointment of a guardian ad litem. Provides that the ability for the petitioners to apply for judgment of adoption 6 months after the date of any interim order vesting temporary care, custody, and control of a child in the petitioners does not apply to a judgment for adoption of a related child, an adult, or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent. Deletes language providing that a judgment for adoption of an adult or a child as to whose adoption an agency or person authorized by law has the right of authority to consent may be entered at any time after service of process and after the return day designated therein. Provides instead that a judgment for adoption of: an adult may be entered at any time after the adult has consented to his or her adoption; or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent may be entered at any time after placement and completion of investigation. Requires any Department employee responsible for reviewing contracts or program plans who is aware of a violation of these provisions to immediately refer the matter to the Inspector General of the Department. New Act

Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and
"recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a
mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the
individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility
specified information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health
treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was
tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the
information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or
modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the
recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless
the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an
infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental
health records by law, regulation, or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of
mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental Health and
Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental
health records to the extent necessary to give the Act full implementation.

New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Prohibits retaliation against an employee for using a panic button, availing himself or herself of the protections afforded by an anti-sexual harassment policy, or disclosing, reporting, or testifying about violations of the Act. Provides remedies for noncompliance. Limits home rule powers. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to $350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

Senate Floor Amendment No. 2

Adds a definition. Defines the term "sexual assault" to mean: (1) an act of sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012; or (2) any act of sexual penetration, as defined in Section 11-0.1 of the Criminal Code of 2012 and includes, without limitation, acts prohibited under Sections 11-1.20 through 11-1.60 of the Criminal Code of 2012.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

The fiscal impact of SB 471, as amended by HA 1, is not known as the number of COVID-related fatalities amongst the ranks of Chicago police officers and firefighters cannot be predicted.

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 471, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Replaces everything after the enacting clause. Amends the Public Employee Disability Act. Provides that the employing public entity may require proof of the circumstances hindering an eligible employee's physical recovery before granting the extension. Makes conforming changes. Amends the Illinois Horse Racing Act of 1975. Provides that, as a condition of obtaining an organization gaming license under the Act, an entity that has at least 10 employees on average over the 12 months preceding application for the license must negotiate and enter into a labor agreement with labor organizations that seek to represent the entity's employees. Amends the Criminal Code of 2012. Provides that battery of a merchant is aggravated battery: (i) when the merchant is performing his or her duties, including, but not limited to, relaying directions for healthcare or safety from his or her supervisor or employer or relaying health or safety guidelines, recommendations, regulations, or rules from a federal, State, or local public health agency; and (ii) during a disaster declared by the Governor, or a state of emergency declared by the mayor of the municipality in which the merchant is located, due to a public health emergency and for a period of 6 months after such declaration. Effective immediately.

State Debt Impact Note, House Floor Amendment No. 3 (Government Forecasting & Accountability)

SB 0471, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note, House Floor Amendment No. 3 (Government Forecasting & Accountability)

There is no discernible fiscal impact to pension funds that employ public safety personnel as a result of SB 0471, as amended by HA 3. The number of public safety employees who will contract COVID-19 during the time period enumerated in the bill cannot be predicted.

Balanced Budget Note, House Floor Amendment No. 3 (Office of Management and Budget)  
Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 471, as amended by House Amendment 3 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

manufacturing training grant program. Provides that to qualify for a grant, a community college district and a public high school
located in that district must jointly establish a collaborative regional partnership with workforce development organizations, regional
economic development organizations, and economic development officials in the district, along with manufacturers, healthcare service
providers, and innovative technology businesses that have a presence in the district, to provide a manufacturing training program.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Provides that the Illinois Community College Board shall establish and administer a 21st Century Employment grant program (rather
than a manufacturing training grant program). Provides that in awarding grants under the program, the Board must give priority to
plans that demonstrate a formal articulation agreement between a public high school and a community college district. Provides that
the plan must support a seamless transition into higher education and career opportunities and must outline the college credit and
on-the-job training hours that will transfer from the high school to a community college. Adds to the membership of the advisory
board. Makes other changes.

Senate Floor Amendment No. 2

Makes the 21st Century Employment grant program subject to appropriation.

Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice to
all affected property owners and local government within 2,500 feet of the leak site. Effective immediately.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that in the event of an
ethylene oxide leak a facility shall issue a notice with specified information immediately upon discovery to all affected property
owners and local government within 2,500 feet of the leak site. Provides that the amendatory Act's provisions apply only to an owner
or operator of a sterilization source using one ton or more of ethylene oxide in a rolling 12-month period of sterilization or fumigation
operations, and do not apply to beehive fumigators, research or laboratory facilities, or sources such as hospitals, doctors' offices,
clinics, or other facilities for which the primary purpose is to provide medical services to humans or animals.

House Floor Amendment No. 2
Senator Suzy Glowiak Hilton  
SB 01852 (CONTINUED)  
Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that no person shall conduct ethylene oxide sterilization operations, unless the ethylene oxide sterilization source captures 100% of all ethylene oxide emissions and reduces ethylene oxide emissions to the atmosphere from each exhaust point at the ethylene oxide sterilization source by at least 99.9% or to 0.2 parts per million. Requires that, within 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, the owner or operator of the ethylene oxide sterilization source shall conduct an initial emissions test. Sets forth criteria for the test and requires certain information concerning the test be submitted to the Environmental Protection Agency. Requires the owner or operator of the ethylene oxide sterilization source to conduct emissions testing on all exhaust points at the ethylene oxide sterilization source at least once each calendar year (at least 6 months apart) to demonstrate compliance with these requirements and any applicable requirements concerning ethylene oxide that are set forth in either United States Environmental Protection Agency rules or Pollution Control Board rules. Provides that if certain conditions are not met the owner or operator of an ethylene oxide sterilization source shall immediately cease ethylene oxide sterilization operations and notify the Agency within 24 hours of becoming aware of a failed emissions test. Within 60 days after the date of the test, requires the owner or operator of the ethylene oxide sterilization source to: complete an analysis to determine the root cause of the failed emissions test; take any actions necessary to address that root cause; submit a report to the Agency; and restart operations only to the extent necessary to conduct additional emissions tests. Provides that, beginning 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date of the amendatory Act as an ethylene oxide sterilization source, no person shall conduct ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source submits for review and approval by the Agency an Ambient Air Monitoring Plan. Requires the owner or operator of an ethylene oxide sterilization source to apply for and obtain a construction permit from the Agency for any modifications made to the source to comply with the requirements of the amendatory Act and a modification of the source's operating permit to incorporate such modifications made to the source. Prohibits a person from conducting ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source has performed dispersion modeling and the Agency approves such modeling. Prohibits a facility that is permitted to emit ethylene oxide and subject to a seal order from using ethylene oxide for sterilization or fumigation purposes. Requires specified entities to notify the Agency of any property right in sterilization technology that does not involve the use of ethylene oxide. Provides that, within 30 days after discovering noncompliance with specified requirements the Agency must post a notice on its website and notify the specified persons and entities. Requires the Agency to conduct at least one unannounced inspection of all ethylene oxide sterilization sources subject to the provisions per year. Requires the Agency to (i) conduct air testing to determine ambient levels of ethylene oxide and (ii) submit rules for ambient air testing of ethylene oxide to the Board within 180 days after the amendatory Act's effective date. Effective immediately.

Amends the Mortgage Foreclosure Article of the Code of Civil Procedure in relation to short sales of property. Provides that, if an offer to purchase either a mortgage or residential property is made by an entity with a tax-exempt filing status under Section 501(c)(3) of the Internal Revenue Code for the purpose of reselling that mortgage or residential property to the mortgagor, and financing for the repurchase will be provided by a certified community development financial institution, an affidavit, statement, agreement, or addendum limiting ownership or occupancy of the residential property by the mortgagor shall not provide a basis to avoid a sale or transfer, nor is it enforceable against the acquiring entity or any real estate broker, mortgagor, or settlement agent named in the affidavit, statement, agreement, or addendum. Provides that, at the time of an offer, specified disclosures shall be made to the mortgagee in connection with any purchase of a sale. Provides that, upon request by the mortgagee, a certified community development financial institution shall provide documentation evidencing its current certification status. Effective immediately.

Amends the Child Labor Law. Provides that, before a child may be issued a permit to work as a child performer, a trust account must be established providing, at a minimum, that: at least 15% (or a greater percentage as determined by rule) of the gross earnings of the child performer shall be deposited into the account; the funds in the account shall be available only to the child performer; the funds shall be held by a bank, corporate fiduciary, or trust company, as those terms are defined in the Corporate Fiduciary Act; and the funds in the account shall become available to the child performer upon the child performer attaining the age of 16 years. Provides that the new provisions do not apply to an employer of a child performer employed to perform services as an extra, services as a background performer, or services in a similar capacity. Provides that the Department of Labor shall adopt rules to implement the provisions.

Senate Floor Amendment No. 1
Provides that funds placed into a trust account for a child performer shall remain in the account until the child performer attains the age of 18, instead of 16, or until the child performer is declared emancipated. Requires trusts to meet the requirements of the Illinois Uniform Transfers to Minors Act. Provides that if a parent or guardian fails to provide to an employer information necessary to transfer funds into a trust account within 30 days after the expiration of a temporary employment certificate, the employer shall transfer the funds to the State treasurer in accordance with the Revised Uniform Unclaimed Property Act.

House Committee Amendment No. 1
Provides that upon the failure of a parent or guardian to provide to an employer information necessary to transfer funds into a trust account within 30 days after an employment certificate has been issued (rather than within 30 days of a temporary employment certificate having expired), the employer shall transfer the funds to the State Treasurer in accordance with the Revised Uniform Unclaimed Property Act.

House Floor Amendment No. 3
Provides that the Department of Labor shall prescribe the form of the temporary employment certificate and make it available on its website. Removes the authorization to increase by rule the amount of gross earnings that must be deposited into the trust account. Provides that the Department of Labor may, rather than shall, adopt rules relating to trust fund accounts.

Amends Public Act 101-221. Delays, from July 1, 2020 until March 1, 2021, the effective date of the Hotel and Casino Employee Safety Act. Effective immediately.

State Debt Impact Note, House Committee Amendment No. 1 (Government Forecasting & Accountability)
SB 1530, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note, House Committee Amendment No. 1 (Government Forecasting & Accountability)
SB 1530, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Committee Amendment No. 1 (Dept. of Transportation)
No land conveyances are included in Senate Bill 1530 House Amendment #1; therefore, there are no appraisals to be filed.

Fiscal Note, House Committee Amendment No. 1 (Office of the Comptroller)
SB 1530 (H-AM 1) deletes all and becomes the bill. It provides for the extension of several statutory provisions set to be repealed by 1 year. The effect of these provisions does not lead to an increase in estimated costs to state operations for programs that are already established. Furthermore, there is no fiscal impact to the operations of the State Comptroller's Office.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does pre-empt home rule authority.

State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Correctional Note, House Committee Amendment No. 1 ()
This amendment has no fiscal impact or population impact on the department.

Balanced Budget Note, House Committee Amendment No. 1 (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1530, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Committee Amendment No. 1 (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

New Act

735 ILCS 5/17-101 from Ch. 110, par. 17-101
735 ILCS 5/17-102 from Ch. 110, par. 17-102
735 ILCS 5/17-105 from Ch. 110, par. 17-105
735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Correctional Note, House Floor Amendment No. 1 (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)
No land conveyances are included in Senate Bill 1784 (H-AM 1); therefore, there are no appraisals to be filed.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
SB 1784 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

There is no discernible fiscal impact associated with SB 1784, as amended by HA 1.

Fiscal Note, House Floor Amendment No. 1 (IL Educational Labor Relations Board)

In the event Senate Bill 1784 (H-AM 1) passes and becomes law, it is not expected to have any measurable fiscal impact on the Illinois Educational Labor Relations Board.

Housing Affordability Impact Note, House Floor Amendment No. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 2

Makes a technical correction to change a reference from "employee" to "participant". Provides that certain provisions of House Amendment No. 1 concerning the disclosure of information by a pension fund or retirement system do no apply to a labor organization or other voluntary association affiliated with a labor organization or labor federation (in House Amendment No. 1, a labor organization or an exclusive representative).

Deletes reference to:

225 ILCS 340/18 rep.

Adds reference to:

225 ILCS 340/18 from Ch. 111, par. 6618
Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Deletes language providing that a person shall also be regarded as practicing structural engineering who is engaged as a principal in the design, analysis, or supervision of the construction of structures or of the structural part of edifices designed solely for specified purposes. Provides that nothing imposes on a person licensed under the Act the responsibility for the performance of any acts or practice unless the person specifically contracts to provide it. Provides that nothing precludes an employee from acting under the direct supervision or responsible charge of a licensed structural engineer. Expands the powers and duties of the Department of Financial and Professional Regulation and the Structural Engineering Board. Provides that if technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by a computer. Provides that the licensee may provide an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer. Deletes language providing that an applicant applying for licensure as a structural engineer who has been licensed as a structural engineer in another United States jurisdiction for 10 consecutive years without discipline is not required to submit proof of qualifications other than a certified verification of licensure from the jurisdiction in which the applicant practiced. Deletes language providing that the Department may take disciplinary action for directly or indirectly giving to or receiving from any person or entity any fee, commission, rebate, or other form of compensation for any professional service not actually or personally rendered. Provides that the Department may take disciplinary action for making a statement that technical submissions prepared by the structural engineer or prepared under the structural engineer's responsible control for construction or alteration of an occupancy required to be in compliance with the Environmental Barriers Act are in compliance with the Environmental Barriers Act when such technical submissions are not in compliance (rather than that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance). Makes changes to provisions concerning discipline of a licensee or registrant for failing to file a return or to pay any tax, penalty, or interest as required by any tax Act. Provides that use of the title "structural engineer" or any of its derivations is limited to those persons or entities licensed or registered under the Act.
