SB 02973

Sen. Bill Cunningham and Laura M. Murphy
(Rep. Robert Rita)

230 ILCS 45/25-50

If and only if House Bill 3136 of the 102nd General Assembly becomes law, amends the Sports Wagering Act. Provides that beginning 4 years after issuance of the initial supplier license, a holder of a supplier license shall pay a $50,000 license fee for each additional 4-year renewal period (rather than a $150,000 annual license fee). Effective immediately or on the date House Bill 3136 of the 102nd General Assembly takes effect, whichever is later.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the language of the introduced bill without the provisions making the bill contingent upon another bill becoming law. Effective immediately.

230 ILCS 5/26 from Ch. 8, par. 37-26  
Amends the Illinois Horse Racing Act of 1975. Removes a provision that provides that an eligible race track located in a county that has a population of more than 230,000 and is bounded by the Mississippi River may establish up to 9 inter-track wagering locations, an eligible race track located in Stickney Township in Cook County may establish up to 16 inter-track wagering locations, and an eligible race track located in Palatine Township in Cook County may establish up to 18 inter-track wagering locations. Removes a provision that provides that any eligible racetrack conducting Standardbred racing may have up to 16 inter-track wagering locations. Provides that an inter-track wagering location licensee may conduct inter-track wagering and simulcast wagering without written consent regardless of whether it is located within 5 miles (or 8 miles for specific locations outside of Chicago) of a race track if the Illinois Racing Board licensed the inter-track wagering location licensee before initially issuing an organization license to the race track in question.  

Senate Floor Amendment No. 2

Provides that in addition to these inter-track wagering location licenses, all other eligible race tracks may have up to 34 in total between all eligible inter-track wagering location licenses (instead of an eligible race track located in Stickney Township in Cook County establishing up to 16 inter-track wagering locations and an eligible race track located in Palatine Township in Cook County establishing up to 18 inter-track wagering locations). Provides that no inter-track wagering location licensee, inter-track wagering licensee, or organization licensee may give anything of value to a licensed establishment as an incentive or inducement to locate video gaming terminals in that establishment.

Provides that as a condition of being eligible for the benefits in a provision concerning firefighters who participated in more than one pension fund, a person who is hired to a position as a firefighter after December 31, 2010 must within 21 months after being hired or within 21 months after the effective date of the amendatory Act, whichever is later, notify the new employer, all of his or her previous employers under the Article, and the Public Pension Division of the Department of Insurance of his or her intent to receive those benefits; and make the required contributions with applicable interest. Provides that a person who was hired to a position as a firefighter after December 31, 2010 and who, before the effective date of the amendatory Act, notified the new employer, all of his or her previous employers, and the Public Pension Division of the Department of Insurance of his or her intent to receive the benefits under a provision concerning firefighters who participated in more than one pension fund shall be deemed to have met the notice requirement. SB 00561 (CONTINUED)

Creates the PFAS Reduction Act. Provides that a person, local government, fire department, or State agency may not discharge or otherwise use for training or testing purposes a class B firefighting foam containing intentionally added PFAS. On and after January 1, 2022, prohibits the knowing manufacture, sale, offering for sale, distribution for sale, or distribution for use of a class B firefighting foam containing intentionally added PFAS. Provides specified notice and recall requirements for manufacturers. Contains a prohibition and exemption for the manufacture, sale, offering for sale, or distribution for sale of food packaging containing intentionally added PFAS. Requires manufacturers of class B firefighting foam containing PFAS to register with the Environmental Protection Agency and pay to the Agency an annual registration fee of $5,000. Requires the Agency to administer and enforce the Act and to adopt rules. Requires the Office of the State Fire Marshal to conduct a survey of fire departments and to provide a report of the results of the survey to the General Assembly no later than 90 days after its completion. Provides a civil penalty of $5,000 for the first violation of the Act and $10,000 for each subsequent violation. Provides that nothing in the Act shall prevent or discourage a fire department from responding to and mitigating incidents where a fire, spill, or leak of a known or suspected flammable liquid has occurred or is believed to be imminent. Provides that specified prohibitions do not apply to the use of Class B firefighting foam containing PFAS chemicals by a fire department while responding to an emergency situation. Contains provisions regarding the proper disposal of Class B firefighting foam containing PFAS. Removes provisions regarding firefighting personal protective equipment, food packaging and exemptions, and the PFAS Program Fund. Removes language providing that persons who violate the Act are subject to specified civil penalties. Makes other changes.

Provides that notifications and surveys shall only include a Fire Department Identification number if applicable. Provides that the Illinois Emergency Management Agency (rather than the Environmental Protection Agency) shall report specified notifications to the Office of the State Fire Marshal. Removes provisions requiring the Environmental Protection Agency to adopt rules for the implementation and administration of the Act. Requires the Office of the State Fire Marshal to conduct the survey of fire departments on or before January 1 of each of the 5 years (rather than annually) after January 1, 2022. Removes language requiring the Office of the State Fire Marshal to assist other State agencies, fire departments, and municipalities in avoiding purchasing or using firefighting agents containing PFAS chemicals that are regulated under the Act. Requires the Environmental Protection Agency to post on its website information regarding the proper methods for (rather than develop a program to assist fire departments in) disposing of Class B firefighting foam containing PFAS. Makes changes to the bill as amended by Senate Amendment No. 1 to provide that any person who operates a refinery or chemical or ethanol plant, a storage and distribution facility, or a tank farm or terminal for flammable liquids, or who has a fixed foam system in use at a manufacturing facility or warehouse, may extend the date of compliance under specified provisions to January 1, 2027 if, prior to January 1, 2025, the person determines that additional time for compliance is needed and sends notice of the determination to the Office of the State Fire Marshal.

235 ILCS 5/6-37 new
Senator Sara Feigenholtz
SB 00104 (CONTINUED)

Provides for repeal of provisions concerning delivery and carry out of mixed drinks on January 3, 2024 (rather than January 1, 2025). Further amends the Liquor Control Act of 1934. Provides that, from June 10, 2021 through July 10, 2021, a retail licensee may offer a single drink of alcoholic liquor at no cost to a customer as part of a publicly advertised promotion to encourage participation in any COVID-19 vaccination program if the customer provides proof of COVID-19 vaccination received at any time. Provides that drinks may be provided only from 6 p.m. through 10 p.m. Provides that a retail licensee’s participation in providing a single drink of alcoholic liquor is voluntary. Allows the retail licensee to determine or restrict which single drink of alcoholic liquor it will provide at no cost but provides that under no circumstances may a single drink of alcoholic liquor exceed 1.5 ounces of distilled spirits, 5 ounces of wine, or 12 ounces of beer. Allows a local liquor control commissioner or local liquor control commission to prohibit retail licensees within its jurisdiction from providing a single drink of alcoholic liquor at no charge by promulgating a rule or policy preempting this Section. Provides that, after receiving a single drink of alcoholic liquor at no charge, no customer shall receive a subsequent drink from the retail licensee providing the drink at no charge or from another retail licensee on the same day or any subsequent day. Requires the retail licensee to develop procedures to verify the identity of the vaccinated customer by comparing the vaccination card to a form of valid federal or State identification. Provides that the retail licensee shall develop procedures to ensure that a customer does not obtain more than a single drink at no charge and the retail licensee shall be subject to penalties imposed by the State Commission if the retail licensee provides more than a single drink to a particular customer at no charge. Provides that the Illinois Liquor Control Commission may publish further guidelines on the implementation of this Section not inconsistent with this Section and shall post them on the State Commission’s website. Provides for repeal of the provisions on July 11, 2021. Makes other changes.

Sen. Sara Feigenholtz and Rachelle Crowe
(Rep. Anna Moeller)
Amends the Nurse Practice Act. Removes language requiring that a collaborating physician attest to the completion of the clinical experience required for an advanced practice registered nurse to practice without a written collaborative agreement. Removes a provision that includes prescribing benzodiazepines or Schedule II narcotic drugs only in a consultation relationship with a physician within the scope of practice of an advanced practice registered nurse with full practice authority.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning clinical experience for an advanced practice registered nurse, provides that completion of the clinical experience must be attested to by the collaborating physician or physicians or employer (rather than the collaborating physician or physicians) and the advanced practice registered nurse. Provides that if the collaborating physician or physicians or employer is unable to attest to the completion of the clinical experience, the Department of Financial and Professional Regulation may accept other evidence of clinical experience as established by rule. Restores language concerning prescribing benzodiazepines or Schedule II narcotic drugs that was stricken in the introduced bill.
Amends the Children and Family Services Act. In provisions requiring the Department of Children and Family Services to submit annual reports to the General Assembly concerning youth in care who are awaiting placement or psychiatric hospitalization (rather than placement), provides that the reports are to be submitted no later than December 31 of each year (rather than on December 31 of each year through December 31, 2023). Requires the reports to be posted on the Department’s website and to include specified information, including: (i) the number of youth in care placed in out-of-state residential treatment facilities, whether each youth was referred to any in-state programs for placement and, if so, the number of in-state referrals for each youth prior to referring the youth to out-of-state programs; (ii) the number of youth not in the temporary custody or guardianship of the Department who are the subjects of open child protection cases, intact family cases, or any other types of child welfare case, including, but not limited to, those youth for whom the Department is required to make medical assistance payments because they were hospitalized in inpatient psychiatric hospitals or units and were beyond medical necessity during the Department’s involvement with the case; and (iii) the number of youth in care who remain in emergency rooms for longer than 24 hours waiting for admission to a psychiatric hospital bed. Effective immediately.
Amends the Adoption Act. Provides that a spouse or civil union partner is not required to join in a petition for the adoption of an adult if a petitioner is a former stepparent of that adult. Provides that the residence requirement for adoption shall not apply to: an adoption of a child placed by a State-licensed child welfare agency performing adoption services (rather than an adoption of a child placed by an agency); an adoption of an adult by a former stepparent; and an adoption of a child born in the State who has resided in the State continuously since birth, or a child who has continuously resided in the State for at least 6 months immediately preceding the commencement of the adoption proceeding. Includes additional information for the affidavit of identification to be given by the biological mother in an adoption proceeding. Provides that, in specified proceedings, in the case of a related adoption where the child sought to be adopted is not a youth in care, the court shall have the discretion to waive the appointment of a guardian ad litem. Provides that the ability for the petitioners to apply for judgment of adoption 6 months after the date of any interim order vesting temporary care, custody, and control of a child in the petitioners does not apply to a judgment for adoption of a related child, an adult, or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent. Deletes language providing that a judgment for adoption of an adult or a child as to whose adoption an agency or person authorized by law has the right of authority to consent may be entered at any time after service of process and after the return day designated therein. Provides instead that a judgment for adoption of: an adult may be entered at any time after the adult has consented to his or her adoption; or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent may be entered at any time after placement and completion of investigation. Makes other changes.

Amends the Health Care Surrogate Act. Changes certain uses of the term "qualified physician" to "qualified health care practitioner". Provides that execution of a POLST form shall not be a requirement for admission to any facility or a precondition to the provision of services by any provider of health care services. Provides that an individual may revoke a document directing that resuscitating efforts shall not be implemented. In a Section regarding Department of Public Health Uniform POLST forms, changes the definition of "attending health care practitioner". Provides that a health care provider facility shall comply with a POLST form, National POLST form, another state's POLST Paradigm portable medical orders form, or an out-of-hospital Do Not Resuscitate (DNR) order sanctioned by a State in the United States that: has been executed by an adult; and is apparent and immediately available. Provides that before voiding or revoking a uniform practitioner orders for life-sustaining treatment (POLST) form, National POLST form, or another state's POLST Paradigm portable medical orders form consented to by the individual, that individual's legally authorized surrogate decision maker shall first: engage in consultation with the attending health care practitioner; consult the patient's advance directive, if available; and make a good faith effort to act consistently, at all times, with the patient's known wishes, or, if the patient's wishes are not known, using substituted judgment as the standard. Provides that when an individual's legally authorized surrogate is making a good faith effort to act consistently with the patient's known wishes to void or revoke a POLST form, if the patient's wishes are unknown and remain unknown after reasonable efforts to discern them, the decision shall be made on the basis of the patient's best interests as determined by the surrogate decision maker.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Deletes the definition of "qualified physician". Defines "physician" as a physician licensed to practice medicine in all its branches in the State. Allows a surrogate decision maker to execute a POLST portable medical orders form to forgo life sustaining treatment. In a Section regarding Department of Public Health Uniform POLST forms, deletes the definition of "attending health care practitioner" and replaces references to "attending health care practitioner" with "qualified health care practitioner". Replaces "POLST Paradigm portable medical orders form" with "POLST portable medical orders form". Provides that certain requirements regarding the revocation of a POLST form do not apply to an individual wanting to revoke his or her own POLST form.
Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, in applying the regional wage adjuster component of the RUG-IV 48 reimbursement methodology, no adjuster shall be lower than 0.95. Effective immediately.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following change: provides that, in applying the regional wage adjuster component of the RUG-IV 48 reimbursement methodology, no adjuster shall be lower than 1.0 (rather than 0.95). Effective immediately.
Amends the Condominium Property Act. Provides that any unit owner objecting to a sale of the property shall have 30 (instead of 20) days from the date of the meeting approving the sale of the property to file a written objection. Provides that for the vote to approve a sale of the property to be valid, the notice to unit owners announcing the unit owner meeting shall include the name of the proposed purchaser, the amount the purchaser is offering, and copies of any written offer from the proposed purchaser. Provides that the notice shall apprise the unit owners that after the purchaser has received the required 75% approval, any unit owner objecting to the sale shall have 30 days from the date of the meeting approving the sale of the property to file a written objection. Provides that a sale of the property is solely within the powers, duties, and authority reserved by law to the members of the association. Restricts the association and the board of managers from acting in furtherance of a sale of the property on behalf of all unit owners absent the approval of such action. Allows a unit owner to serve a written demand on the board of managers to immediately cease and desist taking action if the association or board of managers takes any action in furtherance of a sale of the property on behalf of all unit owners without first receiving the affirmative vote of not less than 2/3 of unit owners. Requires the board of managers to certify to each unit owner making the demand that the action has ceased or that no such action has taken place within the preceding 90 days. Allows a unit owner making a demand to commence a legal action to enjoin and restrain the unauthorized action if the board of managers fails to certify that all action has ceased or is not taking place, or falsely certifies the same. Provides that, upon proof of a violation, the unit owner is entitled to recover from the association and any member of the board of managers participating in or approving the unauthorized action all reasonable costs and expenses. Makes other changes.
Amends the Condominium Property Act. Provides that the bylaws of each condominium association shall provide that, if the meeting of the board of managers is to be held without the physical presence of all of the members of the board by telephonic means, or by use of any acceptable technological means, notice of the meeting shall include a telephone number, web-based access portal, or other appropriate means of access to enable each unit owner to attend and hear or see, as applicable, the board meeting via telephonic or other acceptable technological means.

Amends the Property Tax Code. Provides that condominium associations and homeowner associations may also file appeals with the Property Tax Appeal Board.
Amends the Condominium Property Act. Provides that to sell a condominium property, there shall be the following percentage of affirmative votes of the unit owners: 75% for a property with 4 to 6 units (rather than 4 or more units); or 85% for a property with 7 or more units. Provides that an association that has agreed to sell the property shall inform the unit owners that the association may choose outside counsel to represent its interests during the sale process. Provides that it is a violation for a person, partnership, corporation, or other legal entity entitled to transact business on behalf of others, acting on behalf of one seeking to communicate with a unit owner for the purpose of purchasing his or her property once the unit owner has affirmatively requested that such a communication not be made. Provides that the bylaws shall provide that: matters subject to the affirmative vote of not less than 2/3 of the votes of unit owners shall require an independent audit of the votes; and unless a lesser percentage of ownership is provided for in the bylaws, no person, heir assign, family member, affiliate, partnership, corporation, or other legal entity entitled to transact business on behalf of others may own more than 10% of the units for a property containing 30 or more units, more than 15% of the units for a property containing 20 to 29 units, more than 20% for a property containing 5 to 19 units, and no more than a single unit for a property containing fewer than 5 units. Provides that it is a power and duty of the board of managers to: reject any arrangement that establishes an agreement for a buyer to purchase a property; and refrain from investigating an offer to purchase a property without first receiving authorization from the association through an affirmative vote of not less than 75% of unit owners based on the percentage of ownership. Provides that every officer and member of the board who violates, participates in, or permits any of the officers, agents, or assigns of the board to breach his or her fiduciary duty shall be held liable in his or her personal or individual capacity. Makes other changes. Makes a corresponding change in the Common Interest Community Association Act.

Provides that the payment rates calculated and determined, as provided in the amendatory Act, shall include an amount equal to any increase in the general inflation as determined by the consumer price index and shall be subject to appropriation. Effective immediately.
Amends the Chicago Teacher Article of the Illinois Pension Code. Provides that in case any officer whose signature appears upon any check or draft, issued pursuant to the Article, ceases to hold office, the signature nevertheless shall be valid and sufficient for all purposes. Removes language concerning checks or drafts signed by an officer who ceases to hold office before the delivery of the check to the payee. Provides that if the Fund mistakenly sets any benefit at an incorrect amount, the Fund shall recalculate the benefit as soon as may be practicable after the mistake is discovered. Provides that if the benefit was mistakenly set too low, the Fund shall make a lump sum payment to the recipient of an amount equal to the difference between the benefits that should have been paid and those actually paid, plus interest at the rate of 3% from the date the unpaid amounts accrued to the date of payment. Provides that if the benefit was mistakenly set too high, the Fund may recover the amount overpaid from the recipient plus interest at 3% from the date of overpayment to the date of recovery. Contains provisions concerning repayment of the overpaid amount. Provides that if (1) the amount of the benefit was mistakenly set too high, (2) the error was undiscovered for 3 years or longer from the date of the first mistaken benefit payment, and (3) the error was not the result of incorrect information supplied by the affected member, then upon discovery of the mistake the benefit shall be adjusted to the correct level, but the recipient of the benefit shall not be required to repay to the Fund the excess amounts received in error. Makes other changes.

Provides that an individual requesting information must submit to the mental health facility specified information. 40 ILCS 5/24-102  

In the State Universities Article of the Illinois Pension Code, provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2023 (rather than July 1, 2022) under an eligible automatic contribution arrangement. In the Public Employees' Deferred Compensation Article of the Illinois Pension Code, provides that "employee", for the purposes of the State Employees Deferred Compensation Plan, does not include a person employed by a certain State university employer who first becomes a participant of the retirement system under the State Universities Article on or after July 1, 2023 unless the person has made an election to defer compensation into the State Employees Deferred Compensation Plan under a written agreement and the deferral election is in effect as of June 30, 2023. Removes language that provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles.

Provides that when applying for benefits, the Department shall identify a representative payee in accordance with specified federal requirements. Requires the Department to immediately notify a youth over the age of 16, the youth's attorney and guardian ad litem, and the youth's parent or legal guardian or another responsible adult of: (1) any application for or any application to become representative payee for benefits on behalf of a youth in care; (2) any communications from the Social Security Administration, the U.S. Department of Veterans Affairs, or the Railroad Retirement Board pertaining to the acceptance or denial of benefits or the selection of a representative payee; and (3) any appeal or other action requested by the Department regarding a application for benefits. 35 ILCS 200/15-178  

Amends the Property Tax Code. Provides that to receive a reduction in assessed value, an owner, for the purpose of the initial application and only until the building is put in service, may provide proof of either a deed restriction or participation in a government program that includes legally enforceable affordability requirements comparable to the requirements of this Code and the chief county assessment officer shall furnish a letter of intent to the applicant indicating that a preliminary assessment of the new construction or qualifying rehabilitation indicates that it will meet all eligibility requirements. Modifies "assessed value for the residential real property in the base year" to mean the assessed value used to calculate the tax bill, as certified by the Board of Review, for the tax year immediately prior to the tax year in which the building permit is issued; for property assessed as other than residential property, the "assessed value for the residential real property in the base year" means the assessed value that would have been obtained had the property been classified as residential as derived from the Board of Review's certified market value (currently, the value in effect at the end of the taxable year prior to the latter of: (1) the date of initial application; or (2) the date on which 20% of the total number of units in the property are occupied by eligible tenants paying eligible rent). Modifies "maximum income limits" to include when a property may be deemed to have satisfied the maximum income limits with a weighted average if municipal, state, or federal laws, ordinances, rules or regulations requires the use of a weighted average of no more than 60% of area median income for that property. Modifies "maximum rent" to include that a property may be deemed to have satisfied the maximum rent with a weighted average if municipal, state, or federal laws, ordinances, rules or regulations requires the use of a weighted average of no more than 60% of area median income for that property.

New Act

Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and "recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility specified information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental health records by law, regulation, or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental Health and Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental health records to the extent necessary to give the Act full implementation. Effective immediately.

New Act

Creates the Student Debt Assistance Act. Prohibits an institution of higher learning or a public or private entity that provides academic transcripts from (i) withholding academic transcripts from a current or former student because the student owes a debt to the institution, (ii) conditioning the provision of an academic transcript on the payment of a debt, other than a fee charged to provide the transcript, (iii) charging a higher fee to obtain an academic transcript or providing less favorable treatment of a request for an academic transcript because a current or former student owes a debt, or (iv) using academic transcript issuance as a tool for debt collection. Beginning with the 2022-2023 academic year, requires an institution of higher learning to make a good faith effort to offer a debt repayment plan to any student who owes a debt of $250 or more to the institution. Sets forth provisions concerning the debt repayment plan and enrollment procedures. Effective immediately.

Senate Floor Amendment No. 1

Prohibits an institution of higher education from refusing to provide an unofficial transcript to a current or former student on the grounds that the student owes a debt; conditioning the provision of an unofficial transcript on the payment of a debt, other than a fee charged to provide the transcript; or charging a higher fee for obtaining an unofficial transcript or providing less favorable treatment of a request for an unofficial transcript because a current or former student owes a debt. Provides that an institution of higher education (1) must provide an official transcript of a current or former student to a current or potential employer, even if the current or former student owes a debt; (2) may not condition the provision of an official transcript to a current or potential employer on the payment of a debt, other than a fee charged to provide the transcript; and (3) may not charge a higher fee for transferring an official transcript to a current or potential employer or provide less favorable treatment for such a request because a current or former student owes a debt. Beginning with the 2022-2023 school year, requires every institution of higher education to have a policy instituting a financial or physical hardship withdrawal process; sets forth requirements concerning the process. Provides that if an institution of higher education chooses to send a current or former student's past due debt to a debt collection agency, the past due debt may not be reported to any credit reporting agencies or used against that student in a credit report or credit score. Effective immediately.

House Floor Amendment No. 2

Removes language providing that the card issued by a discounted health care services plan administrator to its beneficiaries shall include information about the regulatory entity that holds authority over the plan.
Amends the Department of Healthcare and Family Services Law of the Civil Administrative Code of Illinois. Requires the Department of Healthcare and Family Services, subject to federal law, to take all necessary action to ensure that proposed modifications, additions, deletions, or amendments to the healthcare and behavioral healthcare (mental health and substance use disorder) provisions of the Illinois Public Aid Code are announced, shared, disseminated, and explained prior to the Department undertaking such proposed modifications, if legally possible. Requires the Department to provide consumer or patient advocacy groups, managed care organizations under contract with the Department, and other interested parties with notice, information, and opportunity to comment, object, or support prior to final action upon, addition, modification, deletion, or amendment to the healthcare and behavioral healthcare (mental health and substance use disorder) provisions to or from the Illinois Public Aid Code or rules or regulations promulgated based upon the Illinois Public Aid Code, for which the Department has authority over. Requires the Department to give the interested parties the opportunity to provide input and advice upon proposed actions of the Department regarding healthcare and behavioral healthcare (mental health and substance use disorder) provisions to or from the Illinois Public Aid Code or Department rules. Amends the Property Tax Code. Provides that to receive a reduction in assessed value, an owner, for the purpose of the initial application and only until the building is put in service, may provide proof of either a deed restriction or participation in a government program that includes legally enforceable affordability requirements comparable to the requirements of this Code and the chief county assessment officer shall furnish a letter of intent to the applicant indicating that a preliminary assessment of the new construction or qualifying rehabilitation indicates that it will meet all eligibility requirements. Modifies "assessed value for the residential real property in the base year" to mean the assessed value used to calculate the tax bill, as certified by the Board of Review, for the tax year immediately prior to the tax year in which the building permit is issued; for property assessed as other than residential property, the "assessed value for the residential real property in the base year" means the assessed value that would have been obtained had the property been classified as residential as derived from the Board of Review's certified market value (currently, the value in effect at the end of the taxable year prior to the latter of: (1) the date of initial application; or (2) the date on which 20% of the total number of units in the property are occupied by eligible tenants paying eligible rent). Modifies "maximum income limits" to include when a property may be deemed to have satisfied the maximum income limits with a weighted average if municipal, state, or federal laws, ordinances, rules or regulations requires the use of a weighted average of no more than 60% of area median income for that property. Modifies "maximum rent" to include that a property may be deemed to have satisfied the maximum rent with a weighted average if municipal, state, or federal laws, ordinances, rules or regulations requires the use of a weighted average of no more than 60% of area median income for that property.

Senate Committee Amendment No. 1

Senate Floor Amendment No. 3

Adds reference to:
In the Illinois Power Agency Act, in a provision regarding the procurement of renewable energy credits from new renewable energy facilities installed at or adjacent to the sites of electric generating facilities that burn or burned coal as their primary fuel source, provides that the first procurement event shall be conducted no later than January 30, 2022, unless the Agency elects to delay it, until no later than May 1, 2022 (rather than March 31, 2022), due to its overall volume of work. In the Property Tax Code, provides that spent fuel pools and dry cask storage systems in which nuclear fuel is stored and is pending further or final disposal from a nuclear power plant that was decommissioned before January 1, 2021 shall be considered real property and be assessable. In the Public Utilities Act, provides that the rules adopted by the Illinois Commerce Commission to carry out the provisions regarding the Multi-Year Integrated Grid Plan may (rather than shall) be effective no later than 90 days after the effective date of the amendatory Act. In the Environmental Protection Act: Deletes language providing that all public GHG-emitting units that use coal as a fuel source shall reduce carbon dioxide emissions by 105% of the unit's 2021 annual carbon emission amount, that at least 95% of the carbon dioxide emission reductions shall be attained through carbon capture and sequestration or unit retirement by 2045, that the remainder of the total carbon dioxide emission reductions required by 2045 and thereafter shall be attained through direct air carbon capture or any other available technology proven to directly remove carbon dioxide from the atmosphere, and that all EGU's and large greenhouse gas-emitting units that use coal as a fuel and are public GHG-emitting units that are greater than 700 megawatts of nameplate capacity shall follow specified requirements. Provides instead that all EGU's and large greenhouse gas-emitting units that use coal as a fuel and are public GHG-emitting units shall permanently reduce carbon dioxide and copollutant emissions to zero no later than December 31, 2045. Makes other changes to the Public Utilities Act and the Environmental Protection Act. Makes additional changes to the Energy Transition Act and the Illinois Procurement Code.

Amends the Election Code. Requires the State Board of Elections to design an alternative signature verification method for the verification of petition signatures for statewide advisory referenda (rather than designing a standard and scientific random sampling method for the verification of petition signatures for statewide advisory referenda). Makes changes to the filing requirements of a petition for a statewide advisory referendum, including removing the requirement that a proponent file a copy of the petition with each proper election authority. Entitles registered proponents and opponents of a proposed amendment to the Legislative Article of the Illinois Constitution to observe the conduct of the sample signature verification. SB 00825  (CONTINUED)

Replaces everything after the enacting clause. Amends the Election Code. Provides dates for the 2022 general primary election and dates to prepare for the 2022 general election. Repeals the provisions on January 1, 2023. Provides that in a county with a population of less than 3,000,000, the sheriff may establish a temporary branch polling place at the county jail. Limits eligibility to a resident of a county who is in custody at the county jail and who has not been convicted of the offense for which the resident is in custody. Allows an elector to be added to a list of permanent vote by mail status voters who receive an official vote by mail ballot for all subsequent elections. Provides that a voter whose application for permanent vote by mail status is accepted by the election authority shall remain on the permanent vote by mail list until the voter requests to be removed from permanent vote by mail status, the voter provides notice to the election authority of a change in registration, or the election authority receives confirmation that the voter has subsequently registered to vote in another county. Provides the notice to be sent by election authorities to all qualified voters before a general election for the option to be placed on the list of permanent vote by mail status voters. Provides the application form for permanent vote by mail status. Allows an election authority to combine the applications for single election vote by mail and permanent vote by mail status on one form. Provides that a political committee selected to conduct an audit shall only be required to conduct the audit if it was required to file at least one quarterly report during the period to be covered by the audit and has a fund balance of $10,000 or more, an average closing fund balance of $10,000 or more on quarterly reports, or average total receipts of $10,000 or more on quarterly reports. Requires a political committee owing unpaid fines at the time of its random selection to conduct an audit. Amends the Public Officer Simultaneous Tenure Act. Provides that a unit of local government may not adopt an ordinance or resolution that requires a member of the General Assembly to resign his or her office in order to be eligible to seek elected office in the unit of local government and that any such ordinance or resolution is void. Provides that the Section apply to ordinances or resolutions adopted on or after November 8, 2016. Limits home rule powers. Amends the Counties Code. Provides that a sheriff shall enter upon the duties of his or her office on the December 1 following his or her election (rather than on the first day in the month of December following his or her election on which the office of the sheriff is required, by statute or by action of the county board, to be open) Amends the Township Code. Amends the Illinois Municipal Code. Provides that when a person who intends to be a write-in candidate for an uncontested nonpartisan office has not timely filed nomination papers but has filed a written statement or notice of his or her intent, no primary ballot shall be printed (rather than requiring a primary ballot to be prepared and a primary election held if the write-in candidate is the fifth candidate filed). Provides that where no primary is held, a person intending to become a write-in candidate shall file a declaration of intent to be a write-in candidate for the general election with the appropriate election authority or authorities. Changes language: concerning requirements for the written statement or notice; and providing that an election authority has no duty to conduct a primary and prepare a ballot for an uncontested office, unless the written statement or notice is filed in a timely manner. Amends the Revised Cities and Villages Act of 1941. In the provisions concerning the prohibition on the city treasurer serving 2 terms in succession, allows the city to establish different succession terms by ordinance. Amends various Acts and Codes. Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. In a provision concerning rates for inpatient services, requires the Department of Healthcare and Family Services to make adjustment payments to a hospital that reopens a previously closed hospital facility within 3 calendar years of the hospital facility's closure, if the previously closed hospital facility qualified for certain inpatient adjustment payments at the time of closure, until utilization data for the new facility is available for the Medicaid inpatient utilization rate calculation. Provides that a "closed hospital facility" shall include hospitals that have been terminated from participation in the medical assistance program. Provides that qualifying hospitals shall have the payment rate assigned to the previously closed hospital facility at the date of closure, until utilization data for the new facility is available for the Medicaid inpatient utilization rate calculation. In a provision requiring the Department to develop add-on payments that are consistent with Medicare outlier principles, provides that outlier fixed loss thresholds may be updated to control for excessive growth in outlier payments no more frequently than on an annual basis, but at least once every 4 years (rather than triennially). Requires the Department to update certain reimbursement components at least once every 4 years (rather than triennially). Effective immediately.

Amends the Illinois School Student Records Act. Provides that school student records or information may be shared under an intergovernmental agreement, if the elementary school district and the high school district have attendance boundaries that overlap and are parties to an intergovernmental agreement that allows the sharing of student records and information between the districts. Requires the sharing of student information under an intergovernmental agreement to be voluntary, to apply only to students who have been enrolled in both districts or would be enrolled in both districts based on district attendance boundaries, and does not exceed the scope of information that is shared among schools in a unit school district. Allows the terms of an intergovernmental agreement to place further limitations on the information that is allowed to be shared. Effective immediately.

To allow the sharing of student information under an intergovernmental agreement, provides that a student's parent or guardian must also express in writing that the student intends to enroll or has enrolled in the high school district (instead of only requiring that the student has been enrolled or would be enrolled in both districts based on district attendance boundaries to allow the sharing of the student information).

215 ILCS 5/143.17b new

Amends the Illinois Insurance Code. Provides that a contract for life insurance covering a natural person 64 years of age or older that has been in force for at least one year may not be lapsed for nonpayment of premium unless the insurer has mailed a notification of the impending lapse in coverage to the policyowner and to a specified secondary addressee if such addressee has been designated in writing by name and address by the policyowner. Provides that an insurer issuing a life insurance contract on or after January 1, 2022 shall notify the applicant of the right to designate a secondary addressee at the time of application for the policy, on a form provided by the insurer and at any time the policy is in force, by submitting a written notice to the insurer containing the name and address of the secondary addressee. Provides that the notice of impending lapse in coverage must be mailed to the policyowner and the secondary addressee at least 21 days before the expiration of the grace period provided in the policy in specified circumstances. Sen. Jason A. Barickman, John Connor, Rachelle Crowe, Brian W. Stewart, Robert F. Martwick, Scott M. Bennett-Michael E. Hastings-Dan McConchie, Jil Tracy, Meg Loughran Cappel, Thomas Cullerton, Patrick J. Joyce-Karina Villa and Jason Plummer
Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability, if an individual has the necessary support system to assist the individual in complying with posttransplant medical requirements, consider the individual's inability to independently comply with posttransplant medical requirements to be medically significant. Provides that a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services. Provides that a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity.

Senate Floor Amendment No. 2
Deletes language providing that: a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services; and a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity. Provides instead that a covered entity shall comply with the requirements of the Americans with Disabilities Act of 1990 and its implementing regulations in making reasonable modifications to its policies or procedures in response to a request from an individual with disabilities regarding access to transplantation-related services. Adds a definition for "covered entity".

Adds reference to:

815 ILCS 414/1.9 new
Senator Michael E. Hastings
SB 02344 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds a provision concerning refund alternatives for ticket order cancellations and postponements due to events caused by epidemics and pandemics (rather than ticketed events canceled because of an Act of God, earthquake, epidemic, pandemic, explosion, strike, lockout, labor controversy, riot, civil disturbance act of public enemy, embargo, war, any law, ordinance or regulation, legal order, any failure or delay of any transportation, power, or communications system). Provides that the provision only applies to ticket orders sold by primary sellers and resale marketplaces after January 1, 2022 and to venues with a capacity in excess of 2500 ticket purchasers per ticketed event or, in the case of multiple-day concert festivals, venues with a daily attendance in excess of 2500 ticket purchasers. Provides that if a ticketed event is canceled and not rescheduled by reason of any epidemic or pandemic or any other similar cause not under the control of the primary seller or resale marketplace, then as soon as a time period of 60 (rather than 30) days has elapsed after the official cancellation of such ticketed event, the ticket purchaser may request full compensation worth at least 100% (rather than 110%) of the value of the purchaser's ticket order (including all fees, regardless of how characterized) from the entity that directly sold the purchaser the ticket. Provides that if a ticketed event is postponed by reason of any epidemic or pandemic or any other similar cause not under the control of the primary seller or resale marketplace and the original tickets are valid for entry at the time of the rescheduled event, then any purchaser of such tickets shall not be entitled to a refund or other compensation unless and until such ticketed event is canceled. Provides that if the postponed ticketed event is rescheduled more than 18 months after the originally scheduled date, then the ticket purchaser may either request full compensation worth at least 100% (rather than 110%) of the purchaser's order ticket or retain and use the ticket at the rescheduled event as soon as a time period of 30 days has elapsed after the date that is 18 months from the original date of performance of the ticketed event. Prohibits a person from knowingly using or selling software to circumvent a security measure or any other control measure used by a primary seller or venue to enforce event ticket purchasing limits or to maintain the integrity of online ticket purchasing order rules. Makes other changes.
