Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Senator Kimberly A. Lightford
SB 00001 (CONTINUED)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the School Code to require a school board to report all credible cases of sexual assault or sexual abuse by a licensed educator to the State Board of Education, to establish a hearing procedure for student victims, and to ensure that a licensed educator under investigation by the State Superintendent of Education is reassigned to non-classroom duty. Amends the Counties Code, the Illinois Municipal Code, Illinois Insurance Code, the Health Maintenance Organization Act, and the Illinois Public Aid Code. In provisions concerning coverage for mammograms, provides that coverage shall also include a diagnostic mammogram when medically necessary, as determined by a physician licensed to practice medicine in all its branches, advanced practice registered nurse, or physician assistant. Makes changes to coverage for a comprehensive ultrasound screening and MRI. Effective immediately.

Senate Floor Amendment No. 1

Provides that if an insurance policy or medical assistance coverage includes mammogram coverage, the coverage shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage provided. Exempts coverage of diagnostic mammograms to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account. Defines "diagnostic mammogram" and "diagnostic mammography". Corrects a typographical error.

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Senator Kimberly A. Lightford
SB 00449 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()

Senator Kimberly A. Lightford
SB 00516 (CONTINUED)

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

New Act

110 ILCS 805/6-4.2

Creates the Course Equity Act. Defines terms. Requires the State Board of Education to establish a Course Equity Program in which any public or nonpublic school student in this State may enroll in a Course Equity Program course, provided that the student has completed all applicable prerequisite course requirements. Provides that the funding structure for Course Equity Program courses must maximize access to courses for low-income students and school districts by following a specified funding structure. Provides that the initial authorization of a Course Provider and courses shall be for a one-year period and the State Board may reauthorize a Course Provider for additional periods of up to 3 years. Provides that the initial authorization of a Course Provider requires the Board to establish a course review and approval process for Course Providers that may be implemented by the Board or an entity designated by the Board. Specifies qualifications for a course to be added to the Course Equity Catalog. Requires Course Providers to annually report to the Board; specifies report requirements. Provides for the Board's responsibilities and a school district's responsibilities. Allows for rulemaking by the Board. Amends the Public Community College Act to provide that, for purposes of enrollment in a dual credit course through the Course Equity Program, a student shall, for tuition purposes, be classified as a resident of a community college district if he or she meets the criteria to be deemed an Illinois resident under the Act. Effective immediately.

20 ILCS 505/8 from Ch. 23, par. 5008

Amends the Children and Family Services Act. Requires the Department of Children and Family Services, subject to appropriations, to provide eligible youth an apprenticeship stipend to cover those costs associated with entering an apprenticeship, including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provide that the following youth shall be eligible for an apprenticeship stipend: youth for whom the Department has court-ordered legal responsibility; youth who aged out of care at age 18 or older; or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Limits the stipend to eligible youth who: (i) are enrolled in an approved apprenticeship training program; (ii) are not a recipient of any other scholarship or fee waiver provided by the Department; and (iii) are under the age of 26. Provides that apprenticeship stipends shall be available to an eligible youth for a maximum of 5 years after the youth enrolls in a qualifying apprenticeship program. Waives the age requirement and 5-year cap on the stipend for applicants who were unable to enroll in a qualifying apprenticeship program because the applicant: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the apprenticeship stipends. Effective January 1, 2020.

Senate Floor Amendment No. 2

Provides that the Department of Children and Family Services shall provide eligible youth an apprenticeship stipend to cover those costs associated with entering and sustaining through completion an apprenticeship (rather than those costs associated with entering an apprenticeship), including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provides that certain youth may (rather than shall) be eligible for the apprenticeship stipend. Provides that, to receive a stipend, an applicant must be enrolled in an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or an apprenticeship program approved by the United States Department of Labor (rather than an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or a similar federal entity).

House Floor Amendment No. 2

Provides that youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, and youth formerly under care who have been adopted or who have been placed in private guardianship shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education at any community college, university, or college maintained by the State of Illinois (rather than providing that such youth shall receive a tuition and fee waiver if they are not selected to receive a scholarship or fee waiver under a specified provision of the Children and Family Services Act).

SB 01627 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Eliminates the amendatory changes made by Public Act 100-574 to the Code. Amends the Code of Civil Procedure. Provides that a movant may present a meritorious claim under this section if the allegations in the petition establish each of the following by a preponderance of the evidence: (1) she was convicted of a forcible felony; (2) her participation in the offense was a direct result of her suffering from post-partum depression or post-partum psychosis; (3) no evidence of post-partum depression or post-partum psychosis was presented by a qualified medical person at trial or sentencing, or both; (4) she was unaware of the mitigating nature of the evidence or, if aware, was at the time unable to present this defense due to suffering from post-partum depression or post-partum psychosis, or, at the time of trial or sentencing, neither was a recognized mental illness and as such she was unable to receive proper treatment; and (5) evidence of post-partum depression or post-partum psychosis as suffered by the person is material and noncumulative to other evidence offered at the time of trial or sentencing and it is of such a conclusive character that it would likely change the sentence imposed by the original court. Provides that the new provision is inoperative 2 years after its effective date. Provides that nothing in the new provision prevents a person from applying for any other relief under the Civil Practice Law or any other law otherwise available to her. Defines "post-partum depression" and "post-partum psychosis".

Senate Committee Amendment No. 1

Requires ISAC to adopt rules. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

305 ILCS 5/12-4.13b

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes and additions: Provides that the Department of Human Services shall consult with the Illinois Workforce Innovation Board (rather than with the Illinois Workforce Investment Board) to establish a protocol to identify and verify all potential exemptions to certain federal eligibility rules under the Supplemental Nutrition Assistance Program (SNAP). Provides that a career and technical educational program approved by the Illinois Community College Board that could be a component of a SNAP Employment and Training (E&T) program, as identified by the Department of Human Services, shall be considered an employment and training program under a specified provision of the Code of Federal Regulations, unless prohibited by federal law. In provisions requiring the Illinois Student Assistance Commission (ISAC) to adopt rules concerning SNAP eligibility notifications to college students, requires ISAC to adopt the rules on or before October 1, 2020 (rather than on or before October 1, 2019). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois Student Assistance Commission (ISAC) to annually include information about the Supplemental Nutrition Assistance Program (SNAP) in the language that schools are required to provide to students eligible for the Monetary Award Program grant (rather than requiring ISAC to identify and flag college students who are potentially eligible to receive SNAP benefits). Provides that the language shall, at a minimum, direct students to information about college student eligibility criteria for SNAP, and direct students to the Department of Human Services and to the Illinois Hunger Coalition's Hunger Hotline for additional information. Requires Illinois institutions of higher education that participate in the Monetary Award Program (MAP) to provide the notice to all students who are enrolled, or who are accepted for enrollment and intending to enroll, and who have been identified by ISAC as MAP-eligible at the institution (rather than requiring ISAC to develop, in consultation with the Department of Human Services, an electronic notice for institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline).

Correctional Note, House Floor Amendment No. 1 (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1784 (H-AM 1); therefore, there are no appraisals to be filed.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

SB 1784 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

There is no discernible fiscal impact associated with SB 1784, as amended by HA 1.

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 2

Makes a technical correction to change a reference from "employee" to "participant". Provides that certain provisions of House Amendment No. 1 concerning the disclosure of information by a pension fund or retirement system do not apply to a labor organization or other voluntary association affiliated with a labor organization or labor federation (in House Amendment No. 1, a labor organization or an exclusive representative).

Senator Kimberly A. Lightford
SB 02122 (CONTINUED)

Amends the Public Community College Act. Provides for legislative findings. Provides that, subject to appropriation, the Illinois Community College Board shall establish a community college apprenticeship grant program to expand opportunities for credit and non-credit education and training leading to high-demand jobs through apprenticeship programs offered in partnership with a community college and a local business or industry. Provides that the grants must be prioritized to expand apprenticeship programs to new populations, develop apprenticeships in new, non-traditional sectors, and identify ways to promote greater inclusion and diversity in apprenticeships. Requires the Illinois Community College Board to adopt rules. Effective immediately.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to Senate Bill 2122 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note (Government Forecasting & Accountability)

SB 2122, as engrossed, amends the Public Community College Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 2122, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Illinois Community College Board)

In the opinion of the Illinois Community College Board (ICCB), Senate Bill 2122 does not have a fiscal impact on the Illinois Community College Board or Illinois Community College System. The legislation is subject to appropriation.

Amends the Crime Victims Compensation Act. Deletes language providing that a victim does not include a person who is convicted of a felony until that person is discharged from probation or released from a correctional institution and has been discharged from parole or mandatory supervised release. Provides instead that a victim's criminal history or felony status shall not automatically prevent compensation to that victim. Expands the powers and duties of the Attorney General. Changes the amount of time a person entitled to compensation under the Act has to present an application to the Attorney General to 3 (rather than 2) years. Provides considerations for the Attorney General to consider in determining whether cooperation of the applicant has been reasonable. Provides that an award shall be reduced or denied according to the extent to which the victim's acts or conduct instigated or aggravated (rather than contributed) his or her injury or death and the victim's actions reasonably led to him or her being victimized (rather than the extent to which any prior criminal conviction or conduct of the victim may have directly or indirectly contributed to the injury or death of the victim). Provides that a denial or reduction shall not automatically bar the survivors of homicide victims from receiving specified services if the survivor's actions have not initiated, provoked, or aggravated the suspect into initiating the qualifying crime. Provides that emergency awards may be issued for the purpose of paying funeral and burial expenses and any relocation expenses incurred by the applicant. Provides that certain changes in the Act apply to actions commenced or pending on or after January 1, 2021. Makes other changes. Amends the Sexual Assault Survivors Emergency Treatment Act. Removes references to the Crime Victim Services Division. Effective immediately.

305 ILCS 5/5-5.25 rep.

Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Repeals a provision requiring the Department to reimburse psychiatrists and federally qualified health centers for mental health services provided by psychiatrists to medical assistance recipients through telepsychiatry. Makes other changes.

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

70 ILCS 805/8 from Ch. 96 1/2, par. 6315

Replaces everything after the enacting clause. Amends the Local Government Officer Compensation Act and Counties Code. Provides that an elected officer of a unit of local government, including county board members, shall not receive a salary or other compensation from the unit of local government if the member is receiving pension benefits from the Illinois Municipal Retirement Fund for the elected official's service in that same elected position and, if a current officer is receiving benefits, then reduces the official's salary and compensation to zero at the beginning of the official's next term. Limits home rule powers. Further amends the Counties Code. Provides that a chairman of a county board who is chosen by the board may be removed, for cause or without cause, upon a motion adopted by an affirmative vote of four-fifths of the board and the chairman removed maintains his or her status as a member of the county board. Includes procedures to replace the chairman. Provides that a vendor wishing to contract with a county for goods and services in an amount greater than \$30,000 shall disclose to the county, prior to a county board's vote on the contract, any familial relationship between the vendor and specified county officials. Provides that a county may deny, suspend, or terminate the eligibility of a person, firm, corporation, association, agency, institution, or other legal entity to participate as a vendor of goods or services to the county if such vendor, for contracts greater than \$30,000, fails to disclose to the county a familial relationship between a county elected official or county department director and specified individuals of the vendor. Defines "familial relationship". Provides that a contract greater than \$30,000 may be approved or renewed by roll call vote of the county board following a recitation of the name of the county official and the nature of the familial relationship being disclosed. Requires the county board chairperson, county board president, or county executive (rather than the county clerk) to notify newly elected countywide officials elected of the option for an auditor to conduct a transitional audit no later than 10 days (rather than 5 days) after certification of the election results.

House Floor Amendment No. 3

Provides that if a county has adopted an ordinance or resolution effective prior to January 1, 2019 that reduces compensation of elected county officials who are receiving pension benefits from the Illinois Municipal Retirement Fund for their service as elected officials of that county to an amount less than other elected county officials who are not receiving such pension benefits for their service as elected officials, then the provisions do not apply to that county.

Amends the School Code. Provides that in fixing the salaries of teachers, a school board shall pay those who serve on a full-time basis a rate not less than (i) \$32,076 for the 2020-2021 school year, (ii) \$34,576 for the 2021-2022 school year, (iii) \$37,076 for the 2022-2023 school year, and (iv) \$40,000 for the 2023-2024 school year. Replaces everything after the enacting clause. Amends the Educator Licensure Article of the School Code to allow a paraprofessional educator endorsement on an Educator License with Stipulations to be issued to an applicant who, among other qualifications, has passed a paraprofessional competency test (instead of allowing the endorsement to be issued only if the applicant holds an associate's degree or a minimum number of higher education credits). Requires the State Board of Education to adopt rules to implement the test. Amends the Charter Schools Law of the Code to require charter school employees in instructional positions to have passed a content area knowledge test. Makes changes concerning obsolete language. Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Repeals a provision requiring the Department to reimburse psychiatrists and federally qualified health centers for mental health services provided by psychiatrists to medical assistance recipients through telepsychiatry. Makes other changes.

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2).Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Amends the Election Code. Allows the State Board of Elections to receive voter registration information provided by applicants using electronic voter registration portals (rather than the Board's website). Provides that notwithstanding any other provision of law, a person who is otherwise qualified to vote may preregister to vote on or after that person's 16th birthday, with the registration held in abeyance by the appropriate election authority until that individual attains the required age to vote. Requires preregistration to be completed using the online voter registration system or an electronic voter registration portal. Provides that for the purposes of the Code, an individual who is 16 years of age or older (rather than who is 17 years of age and who will be 18 years of age on the date of the general or consolidated election) shall be deemed competent to execute and attest to any voter registration forms.

With regard to special education classes for children from orphanages, foster family homes, children's homes, or State residential units, removes a provision requiring each school district claiming reimbursement for a program operated as a group program to have an approved budget on file with the State Board prior to the initiation of the program's operation; makes a related change and other changes regarding claims and reimbursements. House Committee Amendment No. 1

Adds reference to:

105 ILCS 5/2-3.170

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. With regard to property tax relief pool grants, provides that the intended relief may not be greater than 1% of the EAV for a unit district, 0.69% of the EAV for an elementary school district, or 0.31% of the EAV for a high school district, multiplied by the school district's local capacity percentage multiplier; defines "local capacity percentage multiplier". Provides that if more school districts apply for relief than there are funds available, the State Board of Education must distribute the grants and prorate any remaining funds to the final school district that qualifies for grant relief. Removes a provision requiring the State Board to publish an estimated threshold unit equivalent tax rate and granting eligibility for relief to a school district whose adjusted operating tax rate is greater than the estimated threshold unit equivalent tax rate; makes conforming changes. Provides that, beginning with Fiscal Year 2020, if a school district receives a grant, the school district must present to the county clerk a duly authorized and approved abatement resolution by March 30 for the year in which the school district receives the grant and the successive fiscal year following the receipt of the grant, authorizing the county clerk to lower the school district's levy by the amount designated in its original application to the State Board. Provides that after receiving a resolution, the county clerk must reduce the amount collected for the school district by the amount indicated in the school district's abatement resolution for that fiscal year. With regard to the evidence-based funding formula, makes changes to the duties and powers of the Professional Review Panel. Makes other changes. Adds an immediate effective date.

House Floor Amendment No. 3

With regard to the evidence-based funding formula, provides that the Professional Review Panel shall, within 5 years after the implementation of the funding formula, and every 5 years thereafter (rather than only within 5 years after the implementation of the funding formula), complete an evaluative study of the entire funding model.

820 ILCS 105/12 from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Senator Iris Y. Martinez
SB 00001 (CONTINUED)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

SB 00037 (CONTINUED)

Amends the Downstate Firefighter Article of the Illinois Pension Code. Requires a unit of local government of 5,000 or more inhabitants that employs a firefighter who is a full-time firefighter in a different downstate firefighter pension fund to make specified contributions to that downstate firefighter pension fund. Establishes reporting requirements. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Senate Committee Amendment No. 1

Provides that the required contributions by secondary employers are for the purposes of compensating the primary employer's pension fund for additional liabilities and risks to which firefighters are exposed when performing work as firefighters for secondary employers. Provides that the provisions shall not be construed to allow a secondary employee to qualify for benefits or creditable service for employment as firefighters for secondary employers.

House Floor Amendment No. 2

40 ILCS 5/4-110.2 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that the fire chief of a secondary employer shall report any injury, illness, or exposure incurred by a secondary employee during his or her employment to the primary employer's pension fund within 96 hours from the time of the occurrence. Provides that a municipality (instead of a unit of local government) that has established a pension fund under the Downstate Firefighter Article and who employs a full-time firefighter shall be deemed a primary employer with respect to that full-time firefighter. Provides that any municipality (instead of any unit of local government) of 5,000 or more inhabitants that employs or enrolls a firefighter (instead of employs a firefighter) and meets other criteria shall be deemed a secondary employer. Requires a secondary employer to annually prepare a report accounting for all hours worked by and wages and salaries (instead of wages and salaries) paid to secondary employee firefighters. Requires a certified copy of the report to be transmitted to the primary employer's pension fund (instead of the primary employer). Removes provisions requiring a secondary employer to make specified contributions to the primary employer's firefighters' pension fund. Makes conforming changes. Effective immediately.

New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Prohibits retaliation against an employee for using a panic button, availing himself or herself of the protections afforded by an anti-sexual harassment policy, or disclosing, reporting, or testifying about violations of the Act. Provides remedies for noncompliance. Limits home rule powers. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to \$350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

Senate Floor Amendment No. 2

Adds a definition. Defines the term "sexual assault" to mean: (1) an act of sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012; or (2) any act of sexual penetration, as defined in Section 11-0.1 of the Criminal Code of 2012 and includes, without limitation, acts prohibited under Sections 11-1.20 through 11-1.60 of the Criminal Code of 2012.

105 ILCS 5/10-22.31 from Ch. 122, par. 10-22.31

Amends the School Code. With regard to special education joint agreements, provides that under no circumstances may a petition for withdrawal from a joint agreement be presented to other member districts less than 18 months from the date of the proposed withdrawal. Provides that if a petition for withdrawal is not approved by the other member districts, any petitioning member district (rather than only a petitioning member district that is part of a Class II county school unit outside of a city of 500,000 or more inhabitants) may appeal the disapproval. Provides that the trustees of schools of the township having jurisdiction and authority over the withdrawing district or the hearing panel established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district shall convene and hear testimony to determine whether the withdrawing district has presented sufficient evidence that the district, standing alone, will provide a full continuum of services and support to all its students with disabilities in the foreseeable future; specifies requirements for the withdrawing district prior to the hearing. Provides that each withdrawing district shall develop a comprehensive plan that includes the administrative policies and procedures outlined in specified special education rules of the State Board of Education and all relevant portions of the federal Individuals with Disabilities Education Act. Provides that the withdrawing district must also demonstrate its ability to provide education for a wide range of students with disabilities, including a full continuum of support and services. Effective immediately.

Senate Floor Amendment No. 1

Provides that under no circumstances may a petition to withdraw from a joint agreement be presented to other member districts less than 12 (rather than 18) months from the date of the proposed withdrawal, unless the member districts agree to waive this timeline. Provides that upon approval by school board written resolution of all remaining member districts, the petitioning member district must submit its comprehensive plan to the State Board for review. Removes a provision providing that the petitioning member district shall be withdrawn from the joint agreement effective the following July 1. Provides that, in the event of a hearing conducted by a hearing panel, the withdrawing district must, prior to the hearing and among other requirements, hold a public hearing to allow for the opportunity to review (rather than hear) the plan for educating students after the withdrawal and prepare and provide a comprehensive plan (rather than prepare evidence that it has all of the components of a comprehensive plan).

Amends the Grow Your Own Teacher Education Act. Makes changes to the definitions of "cohort", "eligible school", and "hard-to-staff school", and defines "dual credit course". Provides that Grown Your Own Illinois (rather than the Board of Higher Education) shall administer the Grow Your Own Teacher Education Initiative as a grant competition to fund consortia that will carry out Grow Your Own Teacher preparation programs. In provisions concerning selection of grantees, provides that the Board of Higher Education shall, subject to appropriation, allocate funds to Grow Your Own Illinois for the purpose of administering the program and awarding grants under the Act (rather than requiring the Board of Higher Education to award grants under the Act). Removes the language providing that the consortium shall consider whether a candidate has experienced an interruption in his or her college education when recruiting potential candidates for the program. Provides that, subject to the requirements under the Dual Credit Quality Act, an institution of higher education may offer a high school student a dual credit course under the program. Senator Iris Y. Martinez
SB 00449 (CONTINUED)

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. Provides that each school district must adopt and implement a policy addressing sexual abuse investigations. Provides that, except for an educator licensed under the Educator Licensure Article of the Code, if a school board determines that any school district employee has willfully or negligently failed to report an instance of suspected child abuse or neglect, as required by the Abused and Neglected Child Reporting Act, then the school board may dismiss that employee immediately upon that determination. Provides that the State Superintendent of Education has the authority to initiate a suspension of or revoke the license of any educator licensed under the Educator Licensure Article of the Code if he or she negligently fails to report an instance of suspected child abuse or neglect. Provides that if an individual is dismissed by a school district for committing a physical or sexual act on a student, the State Superintendent of Education shall immediately suspend, pending revocation, any license issued to that individual under the Educator Licensure Article of the Code. Provides that if a mandated reporter within a school has knowledge of an alleged incident of sexual abuse, the reporter must call the Department of Children and Family Services' hotline immediately after obtaining the minimal information necessary to make a report, including the names of the affected parties and the allegations. Provides that for schools in a county with an accredited Children's Advocacy Center, every alleged incident of sexual abuse that is reported to the Department of Children and Family Services' hotline or a law enforcement agency and is subsequently accepted for investigation must be referred by the entity that received the report to the local Children's Advocacy Center pursuant to that county's multidisciplinary team's protocol under the Children's Advocacy Center Act for investigating child sexual abuse allegations. Provides for the local Children's Advocacy Center's duties and the duties of a school. Provides that if, during the course of its internal investigation and at any point during or after the multidisciplinary team's investigation, a school determines that it needs to interview an alleged victim of sexual abuse to successfully complete its investigation and the victim is under 18 years of age, a child advocate must be made available to the student and must be present during the school's interview. Provides that the Department of Children and Family Services and the appropriate law enforcement agency must notify the relevant school when an agency investigation of an alleged incident of sexual abuse is completed, which must include information on the outcome of that investigation. Creates the Make Sexual and Severe Physical Abuse Fully Extinct Task Force. Provides for the Task Force's membership, meeting requirements, and duties. With regard to employee dismissal proceedings, provides that in the case of charges involving physical or sexual contact with a student or a person under the age of 18, the hearing officer shall make alternative hearing procedures to protect a witness who is a student or who is under the age of 18 from being intimidated or traumatized. Amends the Personnel Record Review Act to provide that certain disclosure requirements under the Act do not apply to a school district responding to an inquiry from a prospective employer or to activities or associations with individuals or groups involved in the physical, sexual, or other exploitation of minors. Makes conforming and other changes. Adds an immediate effective date.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Makes other changes. Effective immediately.

Senator Iris Y. Martinez
SB 01407 (CONTINUED)

Replaces everything after the enacting clause. Creates the Illinois Hazardous Materials Workforce Training Act. Provides that the Department of Labor shall develop by rule a curriculum of approved advanced safety training for workers at high hazard facilities. Provides that an owner or operator, when contracting for the performance of construction work at the stationary source, shall require that its contractors and any subcontractors use a skilled and trained workforce to perform all onsite work within an apprenticeable occupation in the building and construction trades. Provides a penalty for violation of the Act. Creates the Illinois Hazardous Materials Workforce Training Fund as a special fund in the State treasury. Makes corresponding changes in the State Finance Act. Effective immediately.

Senate Floor Amendment No. 2

Provides that activities described in Code 324110, 325110, 325193, and 325199 (currently, only 324110 and 325110) of the 2017 North American Industry Classification System are within the meaning of "owner or operator".

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1407; therefore, there are no appraisals to be filed.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1407, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1407 will not impact any public pension fund or retirement system in Illinois.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 1407 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

735 ILCS 5/8-2901 new

Amends the Evidence Article of the Code of Civil Procedure. Provides that evidence of a person's immigration status is not admissible in any civil proceeding unless: it is essential to prove an element of a claim or an affirmative defense; or a person or his or her attorney voluntarily reveals his or her immigration status to the court. Provides that a party intending to offer evidence regarding a person's immigration status shall file a written motion at least 14 days before trial. Provides that the court shall conduct an in camera hearing to review the probative value of the person's immigration status. Provides that if the court finds that the probative value of the person's immigration status outweighs its prejudicial nature, the court shall make findings of fact and conclusions of law regarding the permitted use of the evidence. Provides that the motion, related papers, and the record of the hearing shall be sealed and remain under seal unless the court orders otherwise. Provides that a party who communicates to a person or witness any threat to or actually disclose a person's or witness's immigration status to any entity or immigration or law enforcement agency with the intent to deter the person from testifying commits a Class C misdemeanor.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes: Provides that evidence is also admissible if it is offered to prove an interest or bias of a witness, if it does not cause confusion of the issues or mislead the trier of fact, and the probative value of the evidence outweighs its prejudicial nature. Provides that a party intending to offer evidence related to a person's immigration status shall file a written motion that also explains why it is essential to a claim or affirmative defense or is probative of an interest or bias of a witness, it does not cause confusion of the issues or mislead the trier of fact, and the probative value of the evidence outweighs its prejudicial nature. Makes a corresponding change regarding findings of fact and conclusions of law the court must make regarding the permitted use of the evidence.

Senate Floor Amendment No. 2

Provides that no facility or managed care plan shall deny admission or continued residency to a person or resident based on the refusal of the administration of psychotropic medication, unless the prescribing clinician or facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk. Provides that no monetary penalty may be issued during the implementation period of rules establishing those penalties. Provides that the implementation period shall be July 1, 2020, through September 30, 2020. Provides that if a violation of staffing requirements is not more than a 5% deviation of the required minimum staffing requirements, the Department shall have the discretion to determine the gravity of the violation and, taking into account mitigating and aggravating circumstances and facts, may adjust any penalty or type or class of violation. Provides a notice form for facilities that do not meet the minimum staffing ratios. Makes other changes. Effective immediately.

SB 01641 (CONTINUED)

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes and additions: Provides that the Department of Human Services shall consult with the Illinois Workforce Innovation Board (rather than with the Illinois Workforce Investment Board) to establish a protocol to identify and verify all potential exemptions to certain federal eligibility rules under the Supplemental Nutrition Assistance Program (SNAP). Provides that a career and technical educational program approved by the Illinois Community College Board that could be a component of a SNAP Employment and Training (E&T) program, as identified by the Department of Human Services, shall be considered an employment and training program under a specified provision of the Code of Federal Regulations, unless prohibited by federal law. In provisions requiring the Illinois Student Assistance Commission (ISAC) to adopt rules concerning SNAP eligibility notifications to college students, requires ISAC to adopt the rules on or before October 1, 2020 (rather than on or before October 1, 2019). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois Student Assistance Commission (ISAC) to annually include information about the Supplemental Nutrition Assistance Program (SNAP) in the language that schools are required to provide to students eligible for the Monetary Award Program grant (rather than requiring ISAC to identify and flag college students who are potentially eligible to receive SNAP benefits). Provides that the language shall, at a minimum, direct students to information about college student eligibility criteria for SNAP, and direct students to the Department of Human Services and to the Illinois Hunger Coalition's Hunger Hotline for additional information. Requires Illinois institutions of higher education that participate in the Monetary Award Program (MAP) to provide the notice to all students who are enrolled, or who are accepted for enrollment and intending to enroll, and who have been identified by ISAC as MAP-eligible at the institution (rather than requiring ISAC to develop, in consultation with the Department of Human Services, an electronic notice for institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline).

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that SB1857, as amended by House Amendment #2, would neither increase nor decrease the number of judges needed in the state of Illinois.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1857, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Home Rule Note, House Floor Amendment No. 2 ()

does not pre-empt home rule authority.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1857 House Amendment #2; therefore, there are no appraisals to be filed.

Fiscal Note, House Floor Amendment No. 2 (Office of the Comptroller)

SB 1857 (H-AM2) deletes all and becomes the bill. It provides for some technical changes to various state programs and provides for the extension to several statutory provisions that are set to be repealed or expired. The effect of these provisions does not lead to an increase in estimated costs to state operations for programs, processes, or state funds, that are already established. Furthermore, there is no fiscal impact to the operations of the State Comptroller's Office.

Senator Iris Y. Martinez
SB 01857 (CONTINUED)

House Floor Amendment No. 3

Adds reference to:

30 ILCS 500/30-30

Extends the operative dates of a provision of the Illinois Procurement Code concerning design-bid-build construction.

Correctional Note, House Floor Amendment No. 2 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1857, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

New Act

Creates the Safe Patient Limits Act. Provides the maximum number of patients that may be assigned to a registered nurse in specified situations. Provides that nothing shall preclude a facility from assigning fewer patients to a registered nurse than the limits provided in Act. Provides that nothing in the Act precludes the use of patient acuity systems consistent with the Nurse Staffing by Patient Acuity Act; however, the maximum patient assignments in the Act may not be exceeded, regardless of the use and application of any patient acuity system. Provides that the Department of Public Health shall adopt rules governing the implementation and operation of the Act. Provides that all facilities shall adopt written policies and procedures for training and orientation of nursing staff and that no registered nurse shall be assigned to a nursing unit or clinical area unless that nurse has, among other things, demonstrated competence in providing care in that area. Provides that the written policies and procedures for the training and orientation of nursing staff shall require that all temporary personnel receive the same amount and type of training and orientation that is required for permanent staff. Provides that the Act's provisions are severable.

SB 02091 (CONTINUED)

Expands the definition of "child care worker". Changes the definition of "early childhood degree program" to a regionally accredited degree program (rather than online degree program) administered solely through an Illinois-based, not-for-profit organization or through a public institution through which a child care worker may attain a degree or credential or maintain a classroom role in any child care or early childhood education setting, including a Child Development Associate Credential program or an Early Childhood Education (ECE) degree program. Requires the Illinois Student Assistance Commission to implement and administer the Early Childhood Workforce Free College grant program beginning with the 2020-2021 (rather than 2019-2020) academic year and subject to appropriation. Provides that, if other eligibility requirements are met, an eligible child care worker seeking to enroll in an alternative educator licensure program under the School Code is eligible for a grant under the program. Removes a provision allowing for exceptions to a student's initial enrollment in a public institution or an early childhood degree program for extenuating circumstances as provided in rules by the Commission. Provides that, in awarding grants under the program, if, in any fiscal year, the amount appropriated for the grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the Commission must proportionately reduce the grants accordingly (rather than must develop the selection and renewal criteria for students). Requires the Illinois Early Learning Council (rather than the Commission) to provide the Early Childhood Workforce Advisory Committee with administrative and other support. Makes other changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes. Changes the definition of "early childhood degree program". Provides that if a student chooses to enroll in a private institution, the grant awarded to the student under the program shall be no more than 150% of the highest rate paid on behalf of students in a similar program at a public institution to cover the cost of tuition and mandatory fees, less all other student aid. Provides that after completion of or disenrolling from his or her program of study, a student must reside and work within this State in a child care or early childhood education setting for a minimum of one year. Provides that if the student does not reside and work within this State for a minimum of one year, the student must repay the total grant amount awarded to him or her through installments in accordance with rules adopted by the Illinois Student Assistance Commission. Creates the Early Childhood Workforce Free College Advisory Committee (rather than the Early Childhood Workforce Committee), established by the Illinois Early Learning Council; changes the membership of the Committee and the Committee's duties. Makes other changes. Effective immediately.

Amends the Illinois Prepaid Tuition Act. Makes a change to a reference to the Illinois Pension Code with respect to subjecting the Illinois Student Assistance Commission to the same investment requirements as are imposed upon the board of trustees of a retirement system. Provides for an irrevocable and continuing appropriation (and the irrevocable and continuing authority for and direction to the State Comptroller and the State Treasurer to make the necessary transfers out of and disbursements from the revenues and funds of the State) if for any reason the General Assembly fails to make appropriations of amounts sufficient for the State to pay contractual obligations, and provides that the full faith and credit of the State of Illinois is pledged for the punctual payment of such obligations.

Senate Committee Amendment No. 1

Provides for an irrevocable and continuing appropriation from the General Revenue Fund to the Illinois Student Assistance Commission if moneys in the Illinois Prepaid Tuition Trust Fund are insufficient to cover contractual obligations (rather than if for any reason the General Assembly fails to make appropriations of amounts sufficient for the State to pay contractual obligations). Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that wardship concerning neglected, abused, and dependent minors terminates at 21 years of age rather than 19 years of age. Provides that a provision providing the wardship of the minor and any custodianship or guardianship respecting the minor for whom a petition was filed automatically terminates when the minor attains the age of 19 years becomes inoperative on and after the effective date of the amendatory Act. Provides that notwithstanding any provision of law to the contrary, the changes made by the amendatory Act apply to all cases that are pending on or after the effective date of the amendatory Act. Provides that when terminating wardship, if the minor is over 18, or if wardship is terminated in conjunction with an order partially or completely emancipating the minor in accordance with the Emancipation of Minors Act, the court shall also consider the following factors, in addition to the health, safety, and best interest of the minor and the public: (1) the minor's wishes regarding case closure; (2) the manner in which the minor will maintain independence without services from the Department of Children and Family Services; (3) the minor's engagement in services including placement offered by the Department; (4) if the minor is not engaged the Department's efforts to engage the minor; (5) the nature of communication between the minor and the Department; (6) the minor's involvement in other State systems or services; (7) the minor's connections with family and other community support; and (8) any other factor the court deems relevant. 325 ILCS 5/8.2

from Ch. 23, par. 2058.2

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Provides that prior to classifying a report of abuse or neglect as "indicated", "unfounded" or "undetermined", if the Department of Children and Family Services intends to classify the report as unfounded, the Department must first determine whether the report is subject to review and must complete the review process prior to classifying the report. Requires the Deputy Director of Child Protection to oversee a review process that ensures the Department reviews a random sample of at least 5% of child abuse and neglect reports in which the Department intends to be unfounded and any subject child of the report is not of compulsory school age as provided under the School Code. Provides that the review must be conducted by an area administrator outside the supervisory chain of the investigator and supervisor; and that the review shall ensure that the investigation was conducted in accordance with the Department's rules and procedures governing child abuse and neglect investigations and that the final intended finding is consistent with the goal of protecting the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect. Provides that if the reviewer determines the investigation or final recommended unfounded finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Unfounded Review Report and forward the Unfounded Review Report to specified persons to ensure corrective steps are taken in the case before the final finding is entered. Requires the Deputy Director of Child Protection to oversee a review process that ensures the Department reviews a random sample of at least 5% of indicated reports in which any subject child of the report is not of compulsory school age as provided under the School Code, the child is not a youth in care, and the Department is not opening a case for any type of services. Provides that if the reviewer determines the investigation or final finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Indicated Review Report and forward the Indicated Review Report to specified persons to ensure corrective steps are taken in the case. Requires the Department to report to the General Assembly its findings on the number of Unfounded Review Reports and Indicated Review Reports it documents. Provides that incentives that discourage or reward a decision to provide family preservation services after a report is indicated or a decision to refer a child for the filing of a petition under the Juvenile Court Act of 1987 are strictly prohibited and shall not be included in any contract, quality assurance, or performance review process. Provides that any decision regarding whether to provide family preservation services after an indicated report or to refer a child for the filing of a petition under the Juvenile Court Act of 1987 shall be based solely on the child's health, safety, and best interests and on any applicable law. Requires any Department employee responsible for reviewing contracts or program plans who is aware of a violation of these provisions to immediately refer the matter to the Inspector General of the Department. Effective immediately.

Senator Julie A. Morrison
SB 01105 (CONTINUED)

Replaces everything after the enacting clause. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Makes changes to the legislative findings. Provides that the General Assembly finds that each year, approximately 1,500 (rather than 1,185) Illinois children are diagnosed with a serious illness (rather than with a potentially life-limiting illness); and that community-based pediatric palliative services have been shown to keep children out of the hospital by managing many symptoms in the home setting, thereby improving childhood quality of life while maintaining budget neutrality. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under Article V of the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program under the Illinois Public Aid Code and who suffers from a serious illness (rather than a potentially life-limiting medical condition). Requires the Department to apply to the federal Centers for Medicare and Medicaid Services for a State Plan amendment to implement the program. Requires the Department to implement the State plan amendment within 12 months of the date of federal approval. Prohibits the Department from drafting any rules in contravention of this timetable for program development and implementation. Removes all provisions concerning application for a federal Medicaid waiver program authorized under the Social Security Act. Expands the list of serious illnesses (rather than medical conditions) that render a person eligible for pediatric palliative care to include any other serious illness that the Department determines to be appropriate. In a provision concerning authorized providers, provides that at a minimum, a participating provider must house a pediatric interdisciplinary team that includes: (i) a physician, acting as the program medical director, who is board certified or board eligible in pediatrics or hospice and palliative medicine; (ii) a registered nurse; and (iii) a licensed social worker with a background in pediatric care. Requires all members of the pediatric interdisciplinary team to meet criteria the Department may establish by rule, including demonstrated expertise in pediatric palliative care (rather than requiring all members of the pediatric interdisciplinary team to submit to the Department proof of pediatric End-of-Life Nursing Education Curriculum (Pediatric ELNEC Training) or an equivalent). Expands the list of reimbursable services offered under the program to include any other services that the Department determines to be appropriate. Requires the Department, in consultation with interested stakeholders, to establish standards for and provide technical assistance to managed care organizations, as defined in the Illinois Public Aid Code, to ensure the delivery of pediatric palliative care services. Contains provisions concerning reporting requirements and criteria a case manager must meet for demonstrated expertise in pediatric palliative care.
