Provides that a certain provision shall not be construed to limit the ability of a law enforcement agency or law enforcement official to notify a person in the law enforcement agency's custody about that person's right to communicate with consular officers from that person's country of nationality, or facilitate such communication, in accordance with the Vienna Convention on Consular Relations or other bilateral agreements. Provides that unless presented with a federal criminal warrant, or otherwise required by federal law, a law enforcement agency or official may not perform specified actions. Amends the Energy Assistance Act. Provides that the Department of Commerce and Economic Opportunity may not set the annual eligibility level for energy assistance higher than 60% of the State median income as established by the U.S. Department of Health and Human Services. Requires the Department to ensure that households with children under the age of 6 years old are offered a priority application period. Provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Supplemental Low-Income Energy Assistance Fund into any other fund of the State. Contains provisions concerning certain unspent funds being utilized for weatherization expenses; allowances to Local Administrative Agencies for administrative expenses; incremental changes to the monthly energy assistance charges billed to utility customers; Department reports on monies collected and allocated to utilities for implementation of their Percentage of Income Payment Plans; and other matters. Provides that all energy assistance programs under the Act shall be available to eligible residents regardless of immigration status.

Senate Floor Amendment No. 1

Changes the date upon which each public utility, electric cooperative, and municipal utility shall begin assessing a monthly Energy Assistance Charge on customer accounts from January 1, 2021 to January 1, 2022. Restores a provision providing that the Percentage of Income Payment Plan is created as a mandatory bill payment assistance program for low-income residential customers of utilities serving more than 100,000 retail customers.

House Committee Amendment No. 1

Removes language that provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Fund into another fund of the State.
Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the metrics shall be enforced by the Department, in cooperation with the State Board of Education and the Board of Higher Education. Requires the Department, the State Board of Education, and the Board of Higher Education to follow all guidelines of the Centers for Disease Control and Prevention of the United States Department of Health and Human Services as it pertains to schools and institutions of higher education during the public health emergency. Provides that the Department shall be responsible for providing rapid COVID-19 testing in public schools and public institutions of higher education. Amends the School Code and the Board of Higher Education Act. Requires school districts and public institutions of higher education to grant paid sick leave to their employees if they contract the illness for which the public health emergency was declared. In provisions concerning the renewable portfolio standards, specifies the goals for procurement of renewable energy credits and cost-effective renewable energy resources that shall be included in the long-term renewable resources procurement plan and makes other changes concerning these procurements and provides for the calculation of the cost of equity for the purposes of recovering all reasonable and prudently incurred costs of energy efficiency measures from retail customers. Provides that savings of fuels other than electricity achieved by measures that educate about, incentivize, encourage, or otherwise support the use of electricity to power vehicles shall count towards the applicable annual incremental goal and shall not be included in determining certain limits. Amends the Public Utilities Act. Provides that an electric utility that serves less than 3,000,000 retail customers but more than 500,000 customers in this State may plan for, construct, install, control, own, manage, or operate photovoltaic electricity production facilities and any energy storage facilities that are planned for, constructed, installed, controlled, owned, managed, or operated in connection with photovoltaic electricity production facilities without obtaining a certificate of public convenience and necessity subject to specified terms and conditions. Provides that a public utility that provided electric service to at least 1,000,000 retail customers in Illinois and gas service to at least 500,000 retail customers in Illinois may elect to recover its natural gas delivery services costs through a performance-based rate. Provides that, beginning in 2022, without obtaining any approvals from the Commission or any other agency, regardless of whether any such approval would otherwise be required, a participating utility that is a combination utility shall pay $1,000,000 per year for 10 years to the energy low-income and support program. Adds provisions authorizing certain utilities to plan for, construct, install, control, own, manage, or operate electric vehicle charging infrastructure. Specifies that the education requirement shall only apply to applicants who serve or will serve adult populations and have or will have direct patient interactions in their capacity as physicians. Provides that not later than 12 months after the effective date of the amendatory Act, the Department shall adopt rules that require any continuing education for persons licensed to practice medicine under all of its branches to include an average of one hour of continuing education per license year on the diagnosis, treatment, and care of individuals with cognitive impairments, including, but not limited to, Alzheimer's disease and other dementias. Specifies that the continuing education requirement shall only apply to persons who serve adult populations and have direct patient interactions in their capacity as physicians. Provides that the curriculum used for the education and continuing education requirements shall cover the diagnosis of Alzheimer's disease and other dementias, including recognizing the signs and symptoms of dementia; person-centered care; assessment and care planning; and culturally competent health care.

Replaces everything after the enacting clause. Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Provides that for license or registration renewals occurring on or after January 1, 2023, a health care professional who has continuing education requirements must complete at least a one-hour course in training on the diagnosis, treatment, and care of individuals with Alzheimer's disease and other dementias per renewal period. Provides that the training shall include, but not be limited to, assessment and diagnosis, effective communication strategies, and management and care planning. Provides that the requirement shall only apply to health care professionals who provide health care services to adult populations age 26 or older in the practice of their profession. Provides that the Department of Financial and Professional Regulation may adopt rules for the implementation of the continuing education requirement. Effective immediately.

230 ILCS 10/7 from Ch. 120, par. 2407

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an application for an owners license to also include evidence that the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and a commitment to pay a prevailing wage for construction employees. Requires the project labor agreement to conform to certain requirements in the Project Labor Agreements Act. Provides that for pending applications before the Illinois Gaming Board, the applicant shall submit evidence of the labor agreement within 30 days after the effective date of the amendatory Act. Provides that the Board may not award any pending applications until the evidence of the labor agreement has been submitted to the Board. In its decision to grant an owners license, the Board shall also consider whether the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and whether the applicant pays a prevailing wage for construction employees. Effective immediately.

House Committee Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed with the following changes: In provisions concerning an application for an owners license, requires the application to also include evidence that the applicant has entered into a fully executed project labor agreement with the applicable local building trades council (rather than evidence that the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and a commitment to pay a prevailing wage). Provides that in the Illinois Gaming Board's decision to grant an owners license, the Board shall also consider whether the applicant has entered into such a project labor agreement (rather than whether the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and whether the applicant pays a prevailing wage for construction employees). In provisions concerning the renewal of an owners license, removes language allowing the Board to shorten a renewal period. Effective immediately.

Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities, required contract provisions, and other matters.

Senate Floor Amendment No. 1

Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act). Removes all references to treatment for a substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 2 with the following changes. Provides that “music therapy intervention” as defined occurs during a therapist-client relationship and includes collaborating with and educating the client and the family, caregiver of the client, or any other appropriate person regarding the needs of the client that are being addressed in music therapy and the manner in which the music therapy treatment addresses those needs in compliance with state and federal law. Provides that the Music Therapy Advisory Board shall advise the Department of Financial and Professional Regulation on all matters pertaining to disciplinary actions for practice of music therapy in the State. Removes a provision that provides that nothing in the Act may be construed to prohibit the practice of a person whose training and national certification attests to the individual’s preparation and ability to practice the individual’s certified profession or occupation. Provides that the Secretary of Financial and Professional Regulation shall issue a license to an applicant for a professional music therapist license if the applicant is of good moral character. Provides that in determining moral character under the provisions of qualifications for licensure, the Department may take into consideration whether the applicant has engaged in conduct which would constitute grounds for discipline under the Act. Removes a ground for discipline of a failure to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by a tax Act administered by the Department of Revenue. Adds that whenever the Secretary believes substantial justice (rather than only justice) has not been done in the revocation, suspension, or refusal to issue or renew a license or the discipline of a license, the Secretary may order a rehearing. Removes provisions concerning: the suspension of license for failure to pay restitution; the surrender of license; and conflict with the Act. Makes other and conforming changes.

Senator Christopher Belt
SB 03900 (CONTINUED)

Creates the Right to Read Act. Provides that the State Board of Education shall offer support: to each public school district to select evidence-based core reading instruction programs and implement them using structured literacy instruction; and to each early childhood, elementary, and special education teacher, reading specialist, literacy coach, and administrator to complete evidence-based training in teaching reading. Requires the State Board of Education to annually compile and post on its website information on the steps it has undertaken to support school districts to deliver high-quality, evidence-based literacy instruction, including a list of any Early Literacy Grant recipients, documentation of how the recipient allocated the funding to support improved literacy, and what evidence-based literacy curricula the recipient is utilizing. Amends the School Code. In provisions concerning educator testing, requires applicants seeking specified licenses to pass a test in reading foundations, which shall include assessment of the applicant’s understanding of phonological and phonemic awareness, concepts of print and the alphabetic principle, the role of phonics in promoting reading development, word analysis skills and strategies, vocabulary development, application of reading comprehension skills and strategies, and methods for assessing reading development. In provisions concerning minimum requirements for educators trained in other states or countries, provides that an applicant who has successfully completed a reading foundations test of at least comparable rigor to the Illinois reading foundations test is not required to complete a reading foundations test. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:
105 ILCS 5/21B-20

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes. Makes changes to the General Assembly’s findings. Makes changes concerning the support offered by the State Board of Education to a public school district to select evidence-based core reading instruction programs and implement them. Makes changes concerning the support offered by the State Board of Education to each early childhood, elementary, and special education teacher, reading specialist, literacy coach, higher education faculty member, and administrator to complete evidence-based training in teaching reading, including creation of a tool that school districts and the public may use to evaluate professional development and training programs (instead of the creation of an advisory list of rigorous professional development programs). Further amends the School Code. Requires that, before October 1, 2023, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, review and, as needed, amend its professional licensure standards to align with the principles of evidence-based literacy instruction. Makes changes to the amendatory provisions concerning educator testing, including requiring that applicants seeking specified licenses pass a test in reading foundations after October 1, 2025. Makes changes concerning the minimum requirements for educators trained in other states or countries, including providing that applicants must complete coursework concerning evidence-based methods of reading that include explicit and repeated focus on phonemic awareness, a systematic approach to phonics (decoding), spelling instruction (encoding), vocabulary development, including morphology, reading fluency, oral language development, and reading comprehension, including syntax and background (content) knowledge. Effective immediately.

Amends the Illinois Vehicle Code. Provides that in a county having a population of 3,000,000 or more, the county sheriff shall establish with other law enforcement agencies a vehicle theft hotline to facilitate the location of stolen vehicles via their installed existing global positioning systems, collaborate with vehicle manufacturers and dealers to provide information and assistance to law enforcement officers in the investigation of vehicle theft, and ensure that consumers are provided with information concerning the hotline and any new or used vehicle manufactured with a global positioning system by publishing the information in a conspicuous location on the county sheriff's website. Urges the Performance Evaluation Advisory Council (PEAC) to initiate and complete a research study into the implementation of teacher evaluation in Illinois, gather feedback from stakeholders state-wide, review best practice from other states, and use that research to inform a set of policy recommendations that would address any identified challenges while preserving the core benefits of PERA's robust evaluation system with an interim report to the legislature by December 31, 2022 that includes a full timeline for report creation, including a plan for gathering stakeholder feedback, with a final report to be given to the legislature by December 31, 2023. Further urges the PEAC convene to initiate discussion on this charge by April 30, 2022.

Senate Committee Amendment No. 1

Deletes everything. Inserts new language that calls upon the Performance Evaluation Advisory Council (PEAC) to initiate and complete a research study performed by an educational research organization that is not a state agency to examine the implementation of teacher evaluation in Illinois, gather feedback from stakeholders state-wide, and review best practice from other states. Urges PEAC to use that research to inform a set of policy recommendations that would address any identified challenges while preserving the core benefits of PERA's robust evaluation system with an interim report urged to be delivered to the legislature by January 16, 2023 that includes a full timeline for report creation, including a plan for gathering stakeholder feedback, with a final report urged to be delivered to the legislature by June 30, 2024. Urges the Chair of the Illinois State Board of Education to work with the PEAC Chair. Urges PEAC convene to initiate discussion on this charge by April 30, 2022.

New Act
Creates the PFAS Reduction Act. Provides that a person, local government, fire department, or State agency may not discharge or otherwise use for training or testing purposes a class B firefighting foam containing intentionally added PFAS. On and after January 1, 2022, prohibits the knowing manufacture, sale, offering for sale, distribution for sale, or distribution for use of a class B firefighting foam containing intentionally added PFAS. Provides specified notice and recall requirements for manufacturers. Contains a prohibition and exemption for the manufacture, sale, offering for sale, or distribution for sale of food packaging containing intentionally added PFAS. Requires manufacturers of class B firefighting foam containing PFAS to register with the Environmental Protection Agency and pay to the Agency an annual registration fee of $5,000. Requires the Agency to administer and enforce the Act and to adopt rules. Requires the Office of the State Fire Marshal to conduct a survey of fire departments and to provide a report of the results of the survey to the General Assembly no later than 90 days after its completion. Provides a civil penalty of $5,000 for the first violation of the Act and $10,000 for each subsequent violation. Provides that civil penalties collected must be deposited into the Environmental Protection Trust Fund to be used in accordance with the provisions of the Environmental Protection Trust Fund Act. Contains other provisions. Effective immediately.

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes references to firefighting personal protection equipment. Provides that nothing in the Act shall prevent or discourage a fire department from responding to and mitigating incidents where a fire, spill, or leak of a known or suspected flammable liquid has occurred or is believed to be imminent. Provides that specified prohibitions do not apply to the use of Class B firefighting foam containing PFAS chemicals by a fire department while responding to an emergency situation. Contains provisions regarding the proper disposal of Class B firefighting foam containing PFAS. Removes provisions regarding firefighting personal protective equipment, food packaging and exemptions, and the PFAS Program Fund. New Act
Senator Melinda Bush
SB 00692 (CONTINUED)

Creates the Coal Tar Sealant Disclosure Act. Requires specified persons and entities, public schools and public school districts, and State agencies to disclose the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product. Provides requirements for disclosures made under the Act. Requires persons or entities to provide information regarding alternative sealant upon request and public schools or public school districts and the State to seek an asphalt-based sealant when distributing any request for proposals. Requires public schools or public school districts and State agencies to determine whether specified benefits of alternative products outweigh the cost, and if so to use them. Provides that the Department of Public Health, in consultation with the State Board of Education, shall conduct outreach to public schools and public school districts regarding coal tar-based sealant and high polycyclic aromatic hydrocarbon product. Provides that nothing in the Act applies to a construction project or sale in which coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product is used for roofing application. Contains other provisions.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes provisions regarding coal tar sealant disclosure requirements for contractors. Provides that on or before May 1, 2023 (rather than January 1, 2022): (1) the Department of Public Health and the State Board of Education shall post on their websites guidance on screening for coal tar-based sealant product or high polycyclic aromatic hydrocarbon sealant product, requirements for a request for proposals, and requirements for disclosure; and (2) the Department shall adopt rules for the procedures and standards to be used in assessing acceptable levels of high polycyclic aromatic hydrocarbon content of a pavement seal applied to any State agency property. Provides that provisions regarding coal tar-based sealant disclosure for State property do not apply to pavement engineering projects requiring the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product for pavement engineering-related use on a highway structure conducted by or under the authority of the Department of Transportation. Provides that the Act is effective January 1, 2023.

210 ILCS 50/3.155

Amends the Emergency Medical Services (EMS) Systems Act. Provides that when a patient has been determined by EMS personnel to (1) have no immediate life-threatening injuries or illness, (2) not be under the influence of drugs or alcohol, (3) have no immediate or obvious need for transport to an emergency department, and (4) have an immediate need for transport to an EMS System-approved mental health facility, the EMS personnel may contact Online Medical Control or his or her EMS Medical Director or Emergency Communication Registered Nurse to request bypass or diversion of the closest emergency department and request transport to the closest or appropriate EMS System-approved mental health facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following change. Provides that EMS personnel may transport a patient to an EMS System-approved urgent care or immediate care facility that meets the proper criteria and is approved by Online Medical Control or his or her EMS Medical Director or Emergency Communications Registered Nurse.

House Floor Amendment No. 5

210 ILCS 50/3.10

Add reference to:

210 ILCS 50/3.50

Add reference to:

210 ILCS 50/3.85

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that "non-emergency medical services" means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes. Effective immediately.

Effective Date May 23, 2022

May 23 22  S  Public Act . . . . . . . . . 102-0895
Amends the Food Handling Regulation Enforcement Act. In provisions regarding cottage food operations: makes changes to
definitions; requires cottage food operations to comply with specified requirements (rather than providing that specified entities may
regulate the transaction of food or drink by a cottage food operation if the requirements are met); adds requirements for the sale
of low-acid canned foods and fermented or acidified foods; provides that food and drink produced by a cottage food operation shall be
sold directly to consumers for their own consumption and not for resale; removes language requiring State-certified local public health
departments to regulate the service of food by a cottage food operation and allowing them to require a cottage food operation to submit
specified canned foods to a commercial laboratory to verify specified information; requires local health departments to register eligible
cottage food operations and issue certificates of registration; adds an exemption for a person who produces or packages a
non-potentially hazardous baked good for sale by a religious, charitable, or nonprofit organization for fundraising purposes; preempts
home rule; and makes other changes. Repeals provisions regarding home kitchen operations.

Audit Committee Amendment No. 1

Deletes reference to:

410 ILCS 625/3.6 rep.

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Restores
the definition of "farmers' market". Removes the definition of "hot fill and hold method". Provides that cottage food operations shall
not sell or offer to sell low-acid canned foods (rather than listing specified varieties of low-acid canned foods). Provides that, in order
to sell a fermented or acidified food, a cottage food operation shall (rather than a local health department may require a cottage food
operation to) submit either (rather than both): (1) a recipe meeting meeting specified requirements; or (2) an annual written food safety
plan and pH tests every 3 years (rather than only a pH test) meeting specified requirements. Provides that a local health department
may require a water sample test to verify that the water source being used meets public safety standards related to E. coli coliform
(rather than only meets public safety standards). Provides that food packaging may include the designation "Illinois-grown",
"Illinois-sourced", or "Illinois farm product" if the products are local farm or food products as defined in specified provisions.
Removes the repeal of provisions concerning home kitchen operations. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Food Handling Regulation Enforcement Act. Removes specified
provisions containing requirements for cottage food operations. Contains requirements for cottage food operations that sell fermented
or acidified food and baked goods with cheese. Contains requirements for the preparation and packaging of products by a cottage food
operation. Provides that food and drink produced by a cottage food operation shall be sold directly to consumers for their own
consumption and not for resale. Provides that only food that is non-potentially hazardous may be shipped. Prohibits a cottage food
product from being shipped out of State. Requires each cottage food product that is shipped to be sealed in a manner that reveals
tampering. Provides that a local health department shall register any eligible cottage food operation that meets the requirements of the
provisions and shall issue a certificate of registration with an identifying registration number to each registered cottage food operation.
Provides that a local health department may establish a self-certification program for cottage food operators to affirm compliance with
applicable laws, rules, and regulations. Provides that registration shall be completed annually and the local health department may
impose a fee not to exceed $50. Provides for inspection, fees, and penalties in the event of a consumer complaint or foodborne illness
outbreak, an imminent health hazard, or a product that has been found to be misbranded, adulterated, or not in compliance with the
conditions for cottage food operations. Provides that a local health department that receives a consumer complaint or a report of
foodborne illness related to a cottage food operator in another jurisdiction shall refer the complaint or report to the local health
department where the cottage food operation is registered. Contains an exemption from the requirements for a non-potentially
hazardous baked good for sale by a religious, charitable, or nonprofit organization for fundraising purposes. Contains a home rule

Provides that collected fees shall be deposited in the state treasury and credited to the Nursing Dedicated and Professional Fund. Provides that for renewal of licensure, the licensee shall submit an attestation detailing the number of contracted shifts, number of shifts missed, and number of shifts fulfilled for the 3 quarters preceding the application. Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that on and after a specified date, no unit of local government or school district may file or become a party to opioid litigation against an opioid defendant that is subject to a national multistate opioid settlement unless approved by the Attorney General. Provides that if counties representing 60% of the population of the State, including all counties with a population of at least 250,000, have agreed to an intrastate allocation agreement with the Attorney General, then the Attorney General has the authority to appear or intervene in any opioid litigation, and release with prejudice any claims brought by a unit of local government or school district against an opioid defendant that are subject to a national multistate opioid settlement and are pending on a specified date. Provides that this does not affect the Attorney General's authority to appear, intervene, or control litigation brought in the name of the State of Illinois or on behalf of the People of the State of Illinois. Defines "national multistate opioid settlement", "opioid defendant", "opioid litigation", and "unit of local government". Denies home rule powers. Effective immediately.

New Act

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postpartum phases of a pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Senate Committee Amendment No. 1
 Provides that the Medicaid voucher pilot program includes home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives who are licensed and registered in Illinois (rather than racially concordant nationally accredited certified professional midwives).

820 ILCS 80/5
820 ILCS 80/30
820 ILCS 80/60
820 ILCS 80/85

Amends the Illinois Secure Choice Savings Program Act. Removes all references to and the definition of "small employer". Provides that the Act applies to employers with at least one employee (rather than employers with fewer than 25 employees). Requires the Illinois Secure Choice Savings Board to (i) establish annual automatic increases to the contribution rates and (ii) verify employee eligibility for auto-enrollment in accordance with the Internal Revenue Code and applicable federal and State laws. Makes changes regarding penalties for employers who fail, without reasonable cause, to enroll an employee in the Illinois Secure Choice Savings Program (Program). Provides that, for purposes of the penalties, the Department of Revenue shall determine total employee count for employers using the annual average from employer-reported quarterly data. Provides that the Department may provide notice regarding penalties in an electronic format to be determined by the Department. Removes a provision authorizing the Department to implement the penalties 9 months after the Illinois Secure Choice Savings Board notifies the Director of Revenue that the Program has been implemented.

Senate Committee Amendment No. 1

Provides that the Act applies to employers with at least 5 employees, rather than at least one employee. (Current law applies to employers with fewer than 25 employees.) Provides that a small employer is an employer that employed less than 5 employees during any quarter of the previous calendar year, rather than less than 25 employees at any one time throughout the previous calendar year. Provides enrollment deadlines. Provides that small employers may, but are not required to, establish payroll deduction arrangements for retirement savings arrangements.

(Rep. Jay Hoffman)
Amends the Homeowners’ Energy Policy Statement Act. Changes the definition of “solar storage mechanism” to include batteries. Provides that the entity may determine the specific configuration of the elements of a solar energy system on a given roof face, provided that it may not prohibit elements of the system from being installed on any roof face and that any such determination may not reduce the production of the solar energy system by more than 10% (rather than specific location where a solar energy system may be installed on the roof within an orientation to the south or within 45 degrees east or west of due south provided that the determination does not impair the effective operation of the solar energy system). Provides that within 60 (rather than 120) days after a homeowners’ association, common interest community association, or condominium unit owners’ association receives a request for a policy statement or an application from an association member, the association shall adopt an energy policy statement. Provides that whenever approval is required for the installation or use of a solar energy system, the application for approval shall be processed by the appropriate approving entity of the association within 60 (rather than 90) days of (rather than after) the submission of the application. Provides that the Act shall not apply to any building that is greater than 60 (rather than 30) feet high.

Provides that on and after a specified date, no unit of local government or school district may file or become a party to opioid litigation against an opioid defendant that is subject to a national multistate opioid settlement unless approved by the Attorney General. Provides that if counties representing 60% of the population of the State, including all counties with a population of at least 250,000, have agreed to an intrastate allocation agreement with the Attorney General, then the Attorney General has the authority to appear or intervene in any opioid litigation, and release with prejudice any claims brought by a unit of local government or school district against an opioid defendant that are subject to a national multistate opioid settlement and are pending on a specified date. Amends the Energy Assistance Act. Provides that the Department of Commerce and Economic Opportunity may not set the annual eligibility level for energy assistance higher than 60% of the State median income as established by the U.S. Department of Health and Human Services. Requires the Department to ensure that households with children under the age of 6 years old are offered a priority application period. Provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Supplemental Low-Income Energy Assistance Fund into any other fund of the State. Contains provisions concerning certain unspent funds being utilized for weatherization expenses; allowances to Local Administrative Agencies for administrative expenses; incremental changes to the monthly energy assistance charges billed to utility customers; Department reports on monies collected and allocated to utilities for implementation of their Percentage of Income Payment Plans; and other matters. Provides that all energy assistance programs under the Act shall be available to eligible residents regardless of immigration status.

Senate Floor Amendment No. 1

Changes the date upon which each public utility, electric cooperative, and municipal utility shall begin assessing a monthly Energy Assistance Charge on customer accounts from January 1, 2021 to January 1, 2022. Restores a provision providing that the Percentage of Income Payment Plan is created as a mandatory bill payment assistance program for low-income residential customers of utilities serving more than 100,000 retail customers.

House Committee Amendment No. 1
Removes language that provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Fund into another fund of the State.

Senate Floor Amendment No. 1
Deletes reference to:
720 ILCS 678/9
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that "electronic cigarette" does not include any device that meets the definition of cannabis paraphernalia under the Cannabis Regulation and Tax Act. In provisions of the Preventing Youth Vaping Act regarding prohibitions, removes language providing that it is unlawful to sell in any one transaction more than 2 electronic cigarettes, 4 prepackaged cartridges of electronic cigarette solution, or 100 milliliters of electronic cigarette solution to a consumer. Provides that electronic cigarettes first sold prior to August 8, 2016 and for which a premarket tobacco product application was submitted to the U.S. Food and Drug Administration by September 9, 2020 shall not be deemed to be in violation of specified provisions. Removes language requiring manufacturers to annually submit specified reports and lists of ingredients to the Attorney General. In provisions amending the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, provides that no person shall honor or accept any discount, coupon, or other benefit or reduction in price that is inconsistent with specified provisions, subsequent United States Food and Drug Administration industry guidance, or any rules adopted under the specified federal provisions. Makes other changes. In provisions amending the Prevention of Cigarette Sales to Persons under 21 Years of Age Act, removes changes to provisions concerning statements for delivery sales. Makes other changes. Effective immediately.

House Floor Amendment No. 3
In provisions creating the Preventing Youth Vaping Act, provides that the Department of Revenue may adopt rules that are reasonable, necessary, and related to the administration and enforcement of the provisions of the Act (rather than providing that the Department of Agriculture, the Department of Revenue, the Department of Public Health, and the Illinois State Police shall have equal and joint authority to administer and enforce the Act and may adopt rules for the purpose of administering and enforcing the Act). Provides that the Department of Revenue, the Department of Public Health, a local public health department, the Department of Human Services, the Illinois State Police, a county sheriff, and a municipal police department (rather than the Department of Agriculture, Department of Revenue, Department of Public Health, and Illinois State Police) may inspect any business that sells, manufactures, transports, or distributes electronic cigarettes in the State to ensure compliance with the Act. Requires any violation of the Act to be reported to the Department of Revenue within 7 business days. In provisions amending the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, removes language providing that no person under 21 years of age shall buy any tobacco product, electronic cigarette, or alternative nicotine product. Provides that any peace officer or duly authorized member of the Illinois State Police, a county sheriff's department, a municipal police department, the Department of Revenue, the Department of Public Health, a local health department, or the Department of Human Services (rather than any peace officer or duly authorized member of the Department of Revenue or the Department of Public Health) may seize specified products. Provides that after the Department of Revenue has seized any tobacco product, nicotine product, or electronic cigarette under the amendatory provisions and a person having any property interest in the seized property has not been charged with an offense under specified provisions, the Department of Revenue must hold a hearing and determine specified information. Removes language providing an immediate effective date. Makes other changes.

SB 00626

705 ILCS 135/5-20
725 ILCS 5/124A-20
Amends the Criminal and Traffic Assessment Act. Deletes language providing that one hour of public or community service shall be equivalent to $4 of assessment. Provides instead that the period of public service necessary to satisfy the assessment shall be set by the court, but in no event shall the hourly rate of the public or community service performed by the defendant be equivalent to less than the minimum wage of the State. Provides that the performance of public or community service may (rather than shall) be a condition of probation, conditional discharge, or supervision and shall be in addition to the performance of any other period of public or community service ordered by the court or required by law. Amends the Code of Criminal Procedure of 1963. In a provision regarding assessment waiver, removes language from the definition of "assessments" excluding assessments tied to violations of the Illinois Vehicle Code. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and further amends the Code of Criminal Procedure of 1963. Reduces the amount by which criminal and traffic assessments may be waived for traffic and certain criminal offenses. Effective immediately.

Fiscal Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would likely have a negative fiscal impact on local circuit court budgets, as well as state, county, and municipal entities and law enforcement agencies who share revenue collected from traffic assessments. It is not possible to formulate a reliable estimate of the fiscal impact of this bill because comprehensive statewide data does not currently exist regarding the percentage of defendants in traffic cases, who would be eligible for full or partial waivers under the criteria contained in the bill, or the dollar amount of waived assessments in those cases that otherwise would have been collected.

House Floor Amendment No. 2

Removes the change to the Code of Criminal Procedure of 1963 that alters the definition of "assessments" to include assessments tied to violations of the Illinois Vehicle Code. Provides instead that, in a county having a population of more than 3,000,000, "assessments" includes assessments for violations of the Illinois Vehicle Code. Provides that the added language is inoperative on and after July 1, 2024.

Amends the Crime Victims Compensation Act. Deletes language providing that a victim does not include a person who is convicted of a felony until that person is discharged from probation or released from a correctional institution and has been discharged from parole or mandatory supervised release. Provides instead that a victim's criminal history or felony status shall not automatically prevent compensation to that victim. Expands the powers and duties of the Attorney General. Changes the amount of time a person entitled to compensation under the Act has to present an application to the Attorney General to 3 (rather than 2) years. Provides considerations for the Attorney General to consider in determining whether cooperation of the applicant has been reasonable. Provides that an award shall be reduced or denied according to the extent to which the victim's acts or conduct instigated or aggravated (rather than contributed) his or her injury or death and the victim's actions reasonably led to him or her being victimized (rather than the extent to which any prior criminal conviction or conduct of the victim may have directly or indirectly contributed to the injury or death of the victim). Provides that a denial or reduction shall not automatically bar the survivors of homicide victims from receiving specified services if the survivor's actions have not initiated, provoked, or aggravated the suspect into initiating the qualifying crime. Provides that emergency awards may be issued for the purpose of paying funeral and burial expenses and any relocation expenses incurred by the applicant. Provides that certain changes in the Act apply to actions commenced or pending on or after January 1, 2022. Makes other changes. Amends the Sexual Assault Survivors Emergency Treatment Act. Removes references to the Crime Victim Services Division. Effective immediately.

Amends the Courses of Study Article of the School Code. Amends the Unified Code of Corrections. Provides that the wages paid to a person for work as a person committed to the Department of Corrections or the Department of Juvenile Justice, either in the correctional industries program, on work release, or in a work training program, shall not be less than the State minimum wage. Provides that the respective Department shall charge businesses reasonable hourly rates for meals and the housing of committed persons on work release, if applicable. Effective January 1, 2022.

(Rep. Robyn Gabel-Carol Ammons and Elizabeth Hernandez)

New Act

Creates the Coal Tar Sealant Disclosure Act. Requires specified persons and entities, public schools and public school districts, and State agencies to disclose the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product. Provides requirements for disclosures made under the Act. Requires persons or entities to provide information regarding alternative sealant upon request and public schools or public school districts and the State to seek an asphalt-based sealant when distributing any request for proposals. Requires public schools or public school districts and State agencies to determine whether specified benefits of alternative products outweigh the cost, and if so to use them. Provides that the Department of Public Health, in consultation with the State Board of Education, shall conduct outreach to public schools and public school districts regarding coal tar-based sealant and high polycyclic aromatic hydrocarbon product. Provides that nothing in the Act applies to a construction project or sale in which coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product is used for roofing application. Contains other provisions.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes provisions regarding coal tar sealant disclosure requirements for contractors. Provides that on or before May 1, 2023 (rather than January 1, 2022): (1) the Department of Public Health and the State Board of Education shall post on their websites guidance on screening for coal tar-based sealant product or high polycyclic aromatic hydrocarbon sealant product, requirements for a request for proposals, and requirements for disclosure; and (2) the Department shall adopt rules for the procedures and standards to be used in assessing acceptable levels of high polycyclic aromatic hydrocarbon content of a pavement seal applied to any State agency property. Provides that provisions regarding coal tar-based sealant disclosure for State property do not apply to pavement engineering projects requiring the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product for pavement engineering-related use on a highway structure conducted by or under the authority of the Department of Transportation. Provides that the Act is effective January 1, 2023.

Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions. Provides that an insurer shall not limit benefits or coverage for medically necessary services on the basis that those services should be or could be covered by a public program. Provides that an insurer shall base any medical necessity determination or the utilization review criteria on current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care. Provides that in conducting utilization review of covered health care services and benefits for the diagnosis, prevention, and treatment of mental, emotional, and nervous disorders or conditions in children, adolescents, and adults, an insurer shall exclusively apply the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Creates the Flavored Tobacco Ban Act. Provides that a tobacco retailer or his or her agents or employees may not sell, offer for sale, or possess with the intent to sell or offer for sale, a flavored tobacco product, flavored related tobacco product, flavored alternative nicotine product, or flavored solution or substance intended for use with electronic cigarettes. Provides that (1) "tobacco product" includes products containing tetrahydrocannabinol and products containing a mixture of tetrahydrocannabinol and nicotine, and (2) "tobacco retailer" includes dispensing organizations and dispensing organization agents, as those terms are defined in the Cannabis Regulation and Tax Act. Creates a presumption that a tobacco product, related tobacco product, alternative nicotine product, or solution or substance intended for use with electronic cigarettes is a banned product, solution, or substance intended for use with electronic cigarettes if it has or produces a characterizing flavor. Establishes penalties for violations. Provides that all moneys collected as fines and civil penalties for violations of the Act shall be distributed: one-half to the State agency or unit of local government that successfully prosecuted the offender; and one-half to the Department of Revenue to be used for enforcing the Act and the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act. Provides that the Act does not preempt or otherwise prohibit the adoption of a local standard that imposes greater restrictions on the access to specified products, solutions, or substances than the restrictions imposed by the Act. Amends the Tobacco Products Tax Act of 1995. Permits the Department of Revenue to suspend the license of any distributor that violates the Flavored Tobacco Ban Act.

In provisions regarding obstetric hemorrhage and hypertension training, requires the Department of Public Health to ensure that all birthing facilities have a written policy and conduct continuing education yearly (rather than only conduct continuing education yearly) for providers and staff of obstetric medicine and of the emergency department and other staff that may care for pregnant or postpartum women. Requires the Department, in collaboration with the Department of Human Services and specified entities, and, on or before June 1, 2024, to revise or add to the rules of the Maternal and Child Health Services Code that govern the High Risk Infant Follow-up, using current scientific and national and State outcomes data, to expand existing services to improve both maternal and infant outcomes overall and to reduce racial disparities in outcomes and services provided. Contains other provisions. Amends the Illinois Public Aid Code. Provides that, on or after July 1, 2022, individuals who are otherwise eligible for medical assistance under specified provisions shall receive coverage for perinatal depression screenings for the 12-month period beginning on the last day of their pregnancy, subject to specified conditions. Provides that within 90 days of the amendatory Act's effective date, the Department of Healthcare and Family Services shall seek approval of a State Plan amendment to expand coverage for family planning services to individuals whose income is at or below 208% of the federal poverty level. Provides that the Department shall allow Medicaid providers to receive Medicaid reimbursement for a postpartum visit that is separate from Medicaid reimbursement for prenatal care and labor and delivery services. Makes other changes. Effective immediately.

Governor Amendatory Veto Message

Recommends that coverage for specified family planning services including presumptive eligibility to individuals whose income is at or below 208% of the federal poverty level shall be effective beginning no later than December 1, 2022 (rather than beginning July 1, 2022).

New Act

Replaces everything after the enacting clause. Creates the Consumer Choice in Maternal Care for African-American Mothers Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with Holistic Birth Collective to develop rules for a Medicaid voucher program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives who are licensed and registered in Illinois. Requires the Task Force to submit reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter, that provide a status update on the program and annual impact measure reporting. Provides that the program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode. Effective January 1, 2022.

Provides that the Department of Healthcare and Family Services and the Department of Public Health are authorized to adopt rules to implement the new provisions. Provides that the Department of Healthcare and Family Services must apply for a State Plan amendment no later than December 31, 2022.

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Amends the Illinois Insurance Code. Provides that a contract for life insurance covering a natural person 64 years of age or older that has been in force for at least one year may not be lapsed for nonpayment of premium unless the insurer has mailed a notification of the impending lapse in coverage to the policyowner and to a specified secondary addressee if such addressee has been designated in writing by name and address by the policyowner. Provides that an insurer issuing a life insurance contract on or after January 1, 2022 shall notify the applicant of the right to designate a secondary addressee at the time of application for the policy, on a form provided by the insurer and at any time the policy is in force, by submitting a written notice to the insurer containing the name and address of the secondary addressee. Provides that the notice of impending lapse in coverage must be mailed to the policyowner and the secondary addressee at least 21 days before the expiration of the grace period provided in the policy in specified circumstances. Provides that the secondary notice requirement does not apply to any life insurance contract under which premiums are payable monthly or more frequently and are regularly collected by a licensed agent or are paid by credit card or any preauthorized check processing or automatic debit service of a financial institution. Provides that if the policyowner has a life agent of record or any agent of record, the insurer must also notify the agent of the impending lapse in coverage at least 21 days before the effective date of the lapse. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

5 ILCS 100/5-45.8 new
Senator Jacqueline Y. Collins  
SB 02137 (CONTINUED)  

Amends the Nursing Home Care Act. Provides that the Department of Public Health shall require each long-term care facility in the State, as a condition of facility licensure, to adopt and implement written policies, provide for the availability of technology to facility residents, and ensure that appropriate staff and other capabilities are in place to prevent the social isolation of facility residents. Contains specified requirements for the social isolation prevention policies. Provides that the Department shall distribute civil monetary penalty funds, as approved by the federal Centers for Medicare and Medicaid Services, and any other available federal and State funds, upon request, to facilities for communicative technologies and accessories needed for the purposes of the provisions. Provides that whenever the Department conducts an inspection of a long-term care facility, the Department's inspector shall determine whether the long-term facility is in compliance with the provisions and the policies, protocols, and procedures adopted pursuant to the provisions. Requires the Department to adopt rules necessary to implement the provisions within 60 days after the amendatory Act's effective date (and makes conforming changes in the Illinois Administrative Procedure Act). Contains other provisions. Effective immediately.

Senate Committee Amendment No. 1  

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes language providing that the Department of Public Health shall require each long-term care facility in the State to perform specified actions as a condition of facility licensure. Provides that the social isolation prevention policies shall not be interpreted as a substitute for in person visitation, but shall be wholly in addition to the existing in person visitation policies. Provides that a resident's individualized visitation plan shall give priority to the resident's preferences over the preferences of the resident's representative. Provides that a long-term care facility may apply for (rather than the Department shall distribute) civil monetary penalty fund grants, and may request other available federal and State funds to obtain assistive and supportive technologies and related accessories that would facilitate communication between residents and other family members, friends, and external support systems. Provides that the Department (rather than the Department's inspector) shall determine whether a long-term care facility is in compliance with the provisions whenever the Department conducts an annual licensure and certification survey, when a complaint is received, or as frequently as may be necessary (rather than whenever the Department conducts an inspection of a long-term care facility). Provides that a noncompliant long-term care facility shall be liable to pay an administrative penalty as a Type "C" violation. Provides that implementation of an administrative penalty as a Type "C" violation under the provisions shall not be imposed prior to January 1, 2023. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2  

In provisions amending the Nursing Home Care Act, provides that the social isolation prevention policies adopted by each long-term care facility shall be consistent with the rights and privileges guaranteed to residents and constraints provided under specified provisions of the Nursing Home Care Act. 

House Floor Amendment No. 2  

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Adds provisions regarding legislative findings. Replaces references to specified types of equipment with references to assistive and supportive technology and devices. Requires appropriate staff to develop and update an individualized virtual visitation schedule while taking into account the individual's requests and preferences (rather than to assess and regularly reassess the individual needs and preferences of facility residents). Requires appropriate staff to develop an individualized virtual visitation schedule (rather than an individualized visitation plan) with specified requirements. Provides that specific protocols and procedures shall be developed to ensure that the quantity of assistive and supportive technology and devices maintained on-site at a facility remains sufficient, at all times, to meet the assessed social and activity needs and preferences of each facility resident. Makes other changes. Effective immediately.

New Act

Creates the Privacy of Adult Victims of Criminal Sexual Offenses Act. Defines "adult victim" and "criminal history record information." Provides that notwithstanding any other law to the contrary, inspection and copying of law enforcement records maintained by any law enforcement agency or all circuit court records maintained by any circuit clerk relating to any investigation or proceeding pertaining to a criminal sexual offense, by any person not exempted by this Act, shall be restricted to exclude the identity of the adult victim without a court order. Provides that when a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools if certain conditions are met. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change: Clarifies language related to restricting the identity of victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed, with the following changes: Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records, and removes "parent" from the list of exempt individuals. Provides that a court may for the adult victim's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the adult victim's identity. Provides that a court may prohibit such disclosure only after giving notice and a hearing to all affected parties. Provides that in determining whether to prohibit disclosure of the adult victim's identity the court shall consider: (a) the best interest of the adult victim; and (b) whether such nondisclosure would further a compelling State interest. Provides that the copy of the criminal history record information that is to be provided under a provision concerning criminal sexual offense and school districts shall exclude the identity of the adult victim. Provides that the superintendent shall be restricted from revealing the identity of the adult victim.

House Floor Amendment No. 2

New Act
Senator Jacqueline Y. Collins  
SB 03720  (CONTINUED)

Creates the Bias-Free Child Removal Pilot Program Act. Provides that subject to appropriation, the Department of Children and Family Services shall establish a 3-year Bias-Free Child Removal Pilot Program no later than July 1, 2023 for the purpose of promoting unbiased decision-making in the child removal process with the goal of decreasing the overrepresentation of BIPOC children in out-of-home placements. Requires the Department to choose a county that, based on a county-based analysis, indicates the highest rates of racial disproportionality. Requires the identified county to utilize a bias-free child removal strategy when deciding whether a child should be removed from his or her parents' home. Requires the Department to identify a public university to develop an evaluation design which identifies a control group (a county that does not utilize a bias-free child removal strategy) and compare those results with the intervention group (a county that utilizes a bias-child removal strategy). Provides that no later than January 1, 2023, the Department shall establish a Bias-Free Child Removal Review Committee consisting of an interdisciplinary, diverse group of 9 child welfare professionals and advocates for the purpose of creating the pilot program and the pre-implementation plan for the pilot program. Requires the Department to establish other procedures and protocols concerning (i) which diverse group of professions should be represented on the Committee, including required degrees, credentials, and experience, (ii) the frequency of bias-free child removal meetings, and (iii) decision-making protocols concerning removal. Contains provisions concerning certain demographic information that must be redacted from a child's case notes report prior to a determination on removal; the Department's evaluation reports to the General Assembly; and other matters. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Creates the Bias-Free Child Removal Pilot Program Act. Provides that the purpose of the Act is to: (1) require the Department of Children and Family Services to establish a 3-year, Bias-Free Child Removal Pilot Program for the purpose of promoting unbiased decision making in the child removal process, while maintaining the safety of children and reducing risk, with the goal of decreasing the overrepresentation of BIPOC children in out-of-home placements; (2) establish a pre-implementation steering committee to: (i) develop and implement the Bias-Free Removal Pilot Program by January 1, 2024; (ii) recruit members for the Bias-Free Case Review Team; and (iii) recruit members for the Bias-Free Child Removal Advisory Board; (3) establish a Bias-Free Case Review Team consisting of a child protection supervisor, an area administrator, and a regional administrator from an area other than the pilot area to: (i) review removal decisions absent specific demographic information; and (ii) determine whether removal of the child is necessary to avoid imminent risk to his or her safety, health, and well-being; and (4) establish a Bias-Free Child Removal Advisory Board to monitor and oversee the Bias-Free Case Review Team and ensure that the Bias-Free Case Review Team executes bias-free removals in accordance with the provisions of the Act. Contains provisions on the 3-year Bias-Free Child Removal Pilot Program and its implementation in field offices located in Cook County, Champaign County, and St. Clair County; Department reports to the General Assembly that detail the pilot program's implementation and that provide an analysis of the pilot program's effect and impact on the removal rates of BIPOC children; establishment of a steering committee by January 1, 2023; the steering committee's composition and duties, including the development of a written plan and requirements for the program; the composition and duties of the Bias-Free Case Review Team; the requirement that certain demographic and identifiable information concerning children and parents be redacted from intake summaries, case notes, and investigations; the Department's development of a tool or rubric for the Review Team to fully document the decision-making process and what led to the final decision; the composition and duties of a Bias-Free Child Removal Advisory Board; the criteria that must be met to justify statewide expansion of the pilot program; and other matters. Provides that the Department shall adopt rules, policies, and procedures necessary to implement the Act with the assistance of the steering committee. Provides that the Act is repealed on January 1, 2027. Effective immediately.

Senate Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 2 with the following changes: Provides that the steering committee shall include 5 staff members from the Department of Children and Family Services (rather than 3 staff members from the Department) which shall include a child protection investigator and a child protection supervisor. Requires the steering committee to include in the development of the Bias-Free Child Removal Pilot Program (i) a decision regarding a timeline for convening the Bias-Free Case Review Team and (ii) how and when the child protection investigator or child protection supervisor shall present an investigation to the Bias-Free Case Review Team. Provides that the pilot program shall not prevent a child protection investigator or supervisor from performing routine assignments required under Department policy after taking protective custody of a child. Provides that the redaction of case file information or the preparation of case files for the Review Team shall not be completed by the child protection investigator or the child protection supervisor. In a provision requiring the Review Team to make a final decision on whether a child's removal should be upheld, removes language requiring the Review Team to make that final decision as soon as possible but no later than 48 hours prior to a shelter care hearing. Effective immediately.

Provides that a licensee applying for a firearm control card must complete a firearm training course consisting of 48 hours (rather than 40 hours) of training. Provides that a licensee or employee in possession of a valid firearm control card shall complete an additional 8 hours of refresher training each calendar year. Reinserts the provisions of the introduced bill with the following changes: In provisions amending the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004, provides that training for registered employees of a private detective agency, private detectives, and private security contractors may be provided in a classroom or seminar setting or via Internet-based online learning programs (rather than in a classroom setting or may be Internet-based online or other supervised computerized training); provides that the original form or a copy (rather than the form) that certifies that the employee successfully completed basic and annual training shall be placed in the employee's file with the employer for the period the employee remains with the employer (and makes conforming changes); and makes other changes. In provisions amending the Criminal Code of 2012, removes language that provides that specified provisions concerning the unlawful use of a weapon do not apply to an athlete's possession, transport on official Olympic and Paralympic transit systems established for athletes, or use of competition firearms sanctioned by the International Olympic Committee, the International Paralympic Committee, the International Shooting Sport Federation, or USA Shooting in connection with such athlete's training for and participation in shooting competitions at the 2016 Olympic and Paralympic Games and sanctioned test events leading up to the 2016 Olympic and Paralympic Games; specifies that, for certain security guards, 20 hours of training for a security officer and 28 (rather than 20) hours of firearm training are required to qualify for an exemption; and makes conforming changes.

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Universities Article, provides that the System shall offer a deferred compensation plan that is eligible under a specified provision of the Internal Revenue Code of 1986 to participating employees of the System employed by employers that qualify as eligible employers under a specified provision of the Internal Revenue Code of 1986 (instead of offering a defined contribution benefit to active members of the System). Changes references from "defined contribution benefit" to "deferred compensation plan". Provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2022 under an eligible automatic contribution arrangement. Provides that an employee who is automatically enrolled shall have 3% of his or her compensation for each pay period deferred on a pre-tax basis into his or her account. Provides that an employee may elect not to participate or to increase or reduce the amount of elective deferrals made to the plan. Provides that the System may provide that the default percentage for any employee automatically enrolled in the eligible deferred compensation plan be increased by a specified percentage each plan year after the plan year in which the employee is automatically enrolled in the plan. Provides that the changes are intended to be retroactive to August 10, 2018 (the effective date of Public Act 100-769, which established the defined contribution benefit). In the Downstate Teacher Article, provides that the System may use funds provided under a provision concerning State and employer contributions to defray any and all costs of creating and maintaining the defined contribution benefit and then shall reimburse those costs from funds received from the employee and employer contributions to the defined contribution benefit. Provides that as soon as is practicable on or after January 1, 2022, the System shall automatically enroll any employee in the optional defined contribution benefit who first becomes an active member or participant in the System, and the member shall have 3% of his or her pre-tax gross compensation for each compensation period deferred into his or her deferred compensation account, unless the member otherwise instructs the System. Provides that the System may elect to increase the contribution rate subject to certain restrictions. In the Deferred Compensation Article, provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Adds reference to:
  40 ILCS 5/24-102  
from Ch. 108 1/2, par. 24-102

In the State Universities Article of the Illinois Pension Code, provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2023 (rather than July 1, 2022) under an eligible automatic contribution arrangement. In the Public Employees’ Deferred Compensation Article of the Illinois Pension Code, provides that “employee”, for the purposes of the State Employees Deferred Compensation Plan, does not include a person employed by a certain State university employer who first becomes a participant of the retirement system under the State Universities Article on or after July 1, 2023 unless the person has made an election to defer compensation into the State Employees Deferred Compensation Plan under a written agreement and the deferral election is in effect as of June 30, 2023. Removes language that provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles.

Provides that data that has been sufficiently de-identified such that it is rendered anonymous data may be processed for any purpose. Provides that a party may disregard a user’s do-not-track signal when the user has given express affirmative consent to track. Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that on and after a specified date, no unit of local government or school district may file or become a party to opioid litigation against an opioid defendant that is subject to a national multistate opioid settlement unless approved by the Attorney General. Provides that if counties representing 60% of the population of the State, including all counties with a population of at least 250,000, have agreed to an intrastate allocation agreement with the Attorney General, then the Attorney General has the authority to appear or intervene in any opioid litigation, and release with prejudice any claims brought by a unit of local government or school district against an opioid defendant that are subject to a national multistate opioid settlement and are pending on a specified date. Provides that this does not affect the Attorney General’s authority to appear, intervene, or control litigation brought in the name of the State of Illinois or on behalf of the People of the State of Illinois. Defines "national multistate opioid settlement", "opioid defendant", "opioid litigation", and "unit of local government". Denies home rule powers. Effective immediately.
