Replaces everything after the enacting clause. Amends the Election Code. Provides dates for the 2022 general primary
election and dates to prepare for the 2022 general election. Repeals the provisions on January 1, 2023. Provides that in a county with a
population of less than 3,000,000, the sheriff may establish a temporary branch polling place at the county jail. Limits eligibility to a
resident of a county who is in custody at the county jail and who has not been convicted of the offense for which the resident is in
custody. Allows an elector to be added to a list of permanent vote by mail status voters who receive an official vote by mail ballot for

shall remain on the permanent vote by mail list until the voter requests to be removed from permanent vote by mail status, the voter
provides notice to the election authority of a change in registration, or the election authority receives confirmation that the voter has
subsequently registered to vote in another county. Provides the notice to be sent by election authorities to all qualified voters before a

Deletes certain requirements concerning the procedures and notice obligations governing an application for insurability following the entry of an order. Deletes language providing that the court shall order the obligor to reimburse the obligee for 50% of the premium for placing the child on his or her health insurance policy under certain circumstances. Deletes language providing that the court may order the obligor to reimburse the obligee for 100% of the premium for placing the child on his or her health insurance policy. Deletes language providing that the obligor shall be liable to the obligee for the dollar amount of the premiums that were not paid. Provides that an employer may eliminate a child from the insurance obligor's health insurance coverage if the employer no longer provides a group health insurance plan to any employees or the child is no longer eligible for coverage due to federal or State restrictions. Amends the Energy Assistance Act. Provides that the Department of Commerce and Economic Opportunity may not set the annual eligibility level for energy assistance higher than 60% of the State median income as established by the U.S. Department of Health and Human Services. Requires the Department to ensure that households with children under the age of 6 years old are offered a priority application period. Provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Supplemental Low-Income Energy Assistance Fund into any other fund of the State. Contains provisions concerning certain unspent funds being utilized for weatherization expenses; allowances to Local Administrative Agencies for administrative expenses; incremental changes to the monthly energy assistance charges billed to utility customers; Department reports on monies collected and allocated to utilities for implementation of their Percentage of Income Payment Plans; and other matters. Provides that all energy assistance programs under the Act shall be available to eligible residents regardless of immigration status.

Senate Floor Amendment No. 1

Changes the date upon which each public utility, electric cooperative, and municipal utility shall begin assessing a monthly Energy Assistance Charge on customer accounts from January 1, 2021 to January 1, 2022. Restores a provision providing that the Percentage of Income Payment Plan is created as a mandatory bill payment assistance program for low-income residential customers of utilities serving more that 100,000 retail customers.

House Committee Amendment No. 1

Removes language that provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Fund into another fund of the State.

Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:

Provides that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability, if an individual has the necessary support system to assist the individual in complying with posttransplant medical requirements, consider the individual's inability to independently comply with posttransplant medical requirements to be medically significant. Provides that a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services. Provides that a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity.

Senate Floor Amendment No. 2
Senator Michael E. Hastings

Deletes language providing that: a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services; and a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity. Provides instead that a covered entity shall comply with the requirements of the Americans with Disabilities Act of 1990 and its implementing regulations in making reasonable modifications to its policies or procedures in response to a request from an individual with disabilities regarding access to transplantation-related services. SB 02344 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds a provision concerning refund alternatives for ticket order cancellations and postponements due to events caused by epidemics and pandemics (rather than ticketed events canceled because of an Act of God, earthquake, epidemic, pandemic, explosion, strike, lockout, labor controversy, riot, civil disturbance act of public enemy, embargo, war, any law, ordinance or regulation, legal order, any failure or delay of any transportation, power, or communications system). Provides that the provision only applies to ticket orders sold by primary sellers and resale marketplaces after January 1, 2022 and to venues with a capacity in excess of 2500 ticket purchasers per ticketed event or, in the case of multiple-day concert festivals, venues with a daily attendance in excess of 2500 ticket purchasers. Provides that if a ticketed event is canceled and not rescheduled by reason of any epidemic or pandemic or any other similar cause not under the control of the primary seller or resale marketplace, then as soon as a time period of 60 (rather than 30) days has elapsed after the official cancellation of such ticketed event, the ticket purchaser may request full compensation worth at least 100% (rather than 110%) of the value of the purchaser's ticket order (including all fees, regardless of how characterized) from the entity that directly sold the purchaser the ticket. Provides that if a ticketed event is postponed by reason of any epidemic or pandemic or any other similar cause not under the control of the primary seller or resale marketplace and the original tickets are valid for entry at the time of the rescheduled event, then any purchaser of such tickets shall not be entitled to a refund or other compensation unless and until such ticketed event is canceled. Provides that if the postponed ticketed event is rescheduled more than 18 months after the originally scheduled date, then the ticket purchaser may either request full compensation worth at least 100% (rather than 110%) of the purchaser's order ticket or retain and use the ticket at the rescheduled event as soon as a time period of 30 days has elapsed after the date that is 18 months from the original date of performance of the ticketed event. Prohibits a person from knowingly using or selling software to circumvent a security measure or any other control measure used by a primary seller or venue to enforce event ticket purchasing limits or to maintain the integrity of online ticket purchasing order rules. Makes other changes.

Amends the Address Confidentiality for Victims of Domestic Violence, Sexual Assault, or Stalking Act. Changes the name of the Act to the Address Confidentiality for Victims of Domestic Violence, Sexual Assault, Human Trafficking, or Stalking Act. Makes the Act's requirements applicable to victims of human trafficking. Deletes language providing that: a program participant who is otherwise qualified to vote may apply to vote under the Election Code; the program participant shall automatically receive absentee ballots for all elections in the jurisdictions for which that individual resides; and the election authority shall transmit the absentee ballot to the program participant at the address designated by the participant in his or her application. Provides instead that a program participant who is otherwise qualified to vote may register to vote by submitting an Illinois Address Confidentiality Program Voter Registration Application created by the State Board of Elections to the appropriate election authority. Provides that the State Board of Elections (rather than the Attorney General) shall adopt rules to ensure the integrity of the voting process and the confidentiality of the program participant. In a provision regarding when disclosure of an address is prohibited, removes the exception requirement that a certification has been canceled. Exempts a program participant's address and phone number on file with the Attorney General from being disclosed under the Freedom of Information Act. Makes corresponding changes in the Freedom of Information Act and the Election Code.

Sen. Robert Peters-Linda Holmes, Celina Villanueva-Christopher Belt, Cristina H. Pacione-Zayas, Sara Feigenholtz, Robert F. Martwick and Ram Villivalam
Amends the School Code. Provides that all public schools shall provide daily time for supervised, unstructured, child-directed play for all students in kindergarten through grade 8. Specifies further requirements concerning play time. Provides that play time shall not count as a course of physical education. Provides that play time shall be considered clock hours for purposes of the Code. Provides for the inclusion of students with disabilities in play time. Provides that public schools shall prohibit the withholding of play time as a disciplinary or punitive action, except when a student's participation in play time poses an immediate threat to the safety of the student or others. Effective July 1, 2021.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill, and makes the following changes. Provides that play time shall be for all students in kindergarten through grade 5 (rather than for all students in kindergarten through grade 8). Requires play time to be for at least 30 minutes (rather than 60 minutes) on any school day that is 5 clock hours or longer in length. Provides that, for any school day less than 5 clock hours, play time shall be at least one-tenth (rather than one-fifth) of a day of attendance. Removes the requirement that, to the extent appropriate, students with disabilities shall participate in play with students who do not have a disability; provides instead that play time must comply with a student's applicable individualized education program (IEP) or federal Section 504 plan. Effective July 1, 2021.

Amends the Illinois Municipal Code. Provides that a leasehold for a term not in excess of 50 years may be made with a nonprofit corporation or association and extended for an additional 25 years by ordinance or resolution thereafter for specified purposes, including, but not limited to: cultivation or use of vacant lots for gardening or recreational purposes; and the lease of a tract of land of less than 5 acres to sell fresh fruits and vegetables. Provides that, when the city council of a municipality determines that all or any part of a municipal-owned tract of land, with or without improvements, is not then needed for municipal purposes, the city council may, by resolution or ordinance, authorize a private sale and conveyance of the same, or any part thereof, for nominal consideration without compliance with any other law governing disposal of lands by municipalities requiring adequate consideration. Limits the use of the property leased or conveyed under the provisions. Provides that property leased or conveyed under the provisions is exempt from property taxation under the Property Tax Code if the property is actually used for the cultivation and sale of fresh fruits and vegetables and leased or owned by a nonprofit organization or association that includes among its principal purposes the cultivation and sale of fresh fruits and vegetables. Amends the Emergency Medical Services (EMS) Systems Act. Provides that when a patient has been determined by EMS personnel to (1) have no immediate life-threatening injuries or illness, (2) not be under the influence of drugs or alcohol, (3) have no immediate or obvious need for transport to an emergency department, and (4) have an immediate need for transport to an EMS System-approved mental health facility, the EMS personnel may contact Online Medical Control or his or her EMS Medical Director or Emergency Communication Registered Nurse to request bypass or diversion of the closest emergency department and request transport to the closest or appropriate EMS System-approved mental health facility.

Senate Floor Amendment No. 2

210 ILCS 50/3.85
Replaces everything after the enacting clause with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that "non-emergency medical services" means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. New Act

Creates the Fair Food Delivery Act. Prohibits a third-party delivery service from using the likeness, registered trademark, or
intellectual property belonging to a merchant without obtaining written consent from the merchant for the use of the likeness,
trademark, or other intellectual property. Provides that an agreement subject to the Act may not include a provision that requires a
merchant to indemnify a third-party delivery service, an independent contractor acting on behalf of the third-party delivery service, or
a registered agent of the third-party delivery service for any damages or harm that may occur after the merchant's product leaves the
merchant's place of business. Authorizes recovery of actual damages or $5,000, whichever is greater. Imposes a civil penalty of not
more than $1,000 per violation. Provides that each day a violation occurs constitutes a separate violation. Defines terms. Effective
immediately.

Senate Floor Amendment No. 1

Removes a provision concerning third-party use of merchant trademarks and likenesses and instead provides that a third-party
delivery service may not purchase or use the name, likeness, registered trademark, or intellectual property belonging to a merchant,

merchant. Provides that an agreement subject to the Fair Food Delivery Act may not include a provision that requires a merchant to
indemnify a third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the
third-party delivery service for any damages or harm partially or wholly caused by or resulting from the third-party delivery service, an
independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service. Removes the
immediate effective date.

New Act

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

430 ILCS 115/2 from Ch. 67 1/2, par. 502
Amends the Illinois Modular Dwelling and Mobile Structure Safety Act. In provisions regarding definitions, provides that codes for structural requirements adopted for modular dwellings shall be no more stringent than the requirements contained in the most recent edition of the International Residential Code for One- and Two-Family Dwellings or the International Building Code, as applicable. Provides that the Code of Standards shall permit the use of new technology, techniques, methods and materials, for both modular dwellings and mobile structures, consistent with recognized and accepted codes and standards developed by the Illinois Energy Conservation Code.
Amends the Community Benefits Act. Provides that the Act applies to all nonprofit and public hospitals licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act (rather than not applying to a hospital operated by a unit of government, a hospital located outside of a metropolitan statistical area, or a hospital with 100 or fewer beds). Requires community benefits plans to describe activities the hospital is undertaking to address health equity, reduce health disparities, and improve community health. Provides that the annual report for the community benefits plan must include details about specified financial assistance applications received and processed by the hospital. Provides that, for a health system that includes more than one hospital, charity care spending and financial assistance application data must be reported separately for each individual hospital within the health system. Provides that a hospital shall make the annual hospital community benefits plan report submitted to the Attorney General available to the public by publishing the information on the hospital's website in the same location where annual reports are posted or on a prominent location on the homepage of the hospital's website. Provides that a hospital is not required to post its audited financial statements. Requires the Attorney General to provide notice on the Attorney General's website informing the public that, upon request, the Attorney General will provide the annual reports filed with the Attorney General. Makes changes concerning definitions. Makes other changes. Amends the Hospital Uninsured Patient Discount Act. Provides that hospitals, other than a rural hospital or Critical Access Hospitals, shall provide a discount from charges to specified uninsured patients for all medically necessary health care services exceeding $150 (rather than $300) in any one inpatient admission or outpatient encounter. Provides civil monetary penalties of not $1,000 to $5,000 (rather than $500). Requires the Attorney General to publish an annual report that outlines complaints received related to hospital uninsured discount programs and financial assistance applications. Makes other changes. Effective immediately.

Provides that the maximum amount that may be collected in a 12-month period for health care services provided by a hospital from a patient determined by that hospital to be eligible under specified provisions is 20% (rather than 25%) of the patient's family income. Requires hospital financial assistance applications to include language that directs the uninsured patient to contact the hospital's financial counseling department with questions or concerns, along with contact information for the financial counseling department, and a specified statement. Provides that a hospital shall permit an uninsured patient to apply for a discount within 90 (rather than 60) days of the date of discharge or date of service. Provides that a hospital shall offer specified uninsured patients an opportunity to be screened for and assistance with applying for public health insurance programs if there is a reasonable basis to believe that the uninsured patient may be eligible for a public health insurance program. Provides that, no later than September 1, 2022, the Attorney General shall provide data on the Attorney General's website regarding enforcement efforts performed under the Act from July 1, 2021 through June 30, 2022. House Committee Amendment No. 1
In provisions of the Hospital Uninsured Patient Discount Act regarding patient responsibility, provides that hospitals may make the availability of a discount and the maximum collectible amount under the Act contingent upon the uninsured patient first applying for coverage under public health insurance programs (rather than public programs) if there is a reasonable basis to believe that the uninsured patient may be eligible for such program.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1

Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

   210 ILCS 50/3.85

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that "non-emergency medical services" means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes. Effective immediately.

New Act

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Senate Committee Amendment No. 1

Provides that the Medicaid voucher pilot program includes home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives who are licensed and registered in Illinois (rather than racially concordant nationally accredited certified professional midwives).

Amends the State Commemorative Dates Act. Provides that Juneteenth National Freedom Day shall be observed on June 19 of each year as a holiday throughout the State (currently, not a holiday and is observed on the third Saturday of June of each year). Provides that when June 19 falls on a Sunday, the following Monday shall be held and considered the holiday. Amends the Election Code, the Illinois Procurement Code, the School Code, and the Promissory Note and Bank Holiday Act to include Juneteenth National Freedom Day as a holiday. Effective immediately.

Fiscal Note (Dept. of Central Management Services)
Senate Bill 1965 will not require additional resources. Salaries will be paid, whether on holiday or at work. What is lost is productivity. If that equates to the cost of salaries, then CMS Bureau of Personnel's estimate is $11.3M statewide.

New Act

Creates the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act. Provides that the purpose of
the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for
the treatment of a mental health or substance use disorder to obtain appropriate treatment across state lines in qualified hospitals and
facilities that are closer to their homes than are facilities available in their home states. Permits mental health facilities located in
certain northern border counties to contract with Wisconsin county departments to provide substance use or mental health treatment to
Wisconsin residents who are subject to involuntary commitment orders for treatment issued by Wisconsin courts, except that no
services may be provided to Wisconsin residents who are involved in a criminal proceeding. Permits mental health facilities located in
certain northern border counties to contract with Wisconsin county departments to secure substance use or mental health treatment for
Illinois residents who are subject to involuntary commitment orders for treatment issued by State courts, except that no services may be
secured for Illinois residents who are committed under specified provisions of the Code of Criminal Procedure or the Unified Code of
Corrections. Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities,
required contract provisions, and other matters.

Senate Floor Amendment No. 1
Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the
Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act). Removes all references to treatment for a
substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject,
by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate
treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their
home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Amends the Adoption Act. Provides that a spouse or civil union partner is not required to join in a petition for the adoption of an adult if a petitioner is a former stepparent of that adult. Provides that the residence requirement for adoption shall not apply to: an adoption of a child placed by a State-licensed child welfare agency performing adoption services (rather than an adoption of a child placed by an agency); an adoption of an adult by a former stepparent; and an adoption of a child born in the State who has resided in the State continuously since birth, or a child who has continuously resided in the State for at least 6 months immediately preceding the commencement of the adoption proceeding. Includes additional information for the affidavit of identification to be given by the biological mother in an adoption proceeding. Provides that, in specified proceedings, in the case of a related adoption where the child sought to be adopted is not a youth in care, the court shall have the discretion to waive the appointment of a guardian ad litem. Provides that the ability for the petitioners to apply for judgment of adoption 6 months after the date of any interim order vesting temporary care, custody, and control of a child in the petitioners does not apply to a judgment for adoption of a related child, an adult, or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent. Deletes language providing that a judgment for adoption of an adult or a child as to whose adoption an agency or person authorized by law has the right of authority to consent may be entered at any time after service of process and after the return day designated therein. Provides instead that a judgment for adoption of: an adult may be entered at any time after the adult has consented to his or her adoption; or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent may be entered at any time after placement and completion of investigation. New Act

Creates the Privacy of Adult Victims of Criminal Sexual Offenses Act. Defines "adult victim" and "criminal history record information." Provides that notwithstanding any other law to the contrary, inspection and copying of law enforcement records maintained by any law enforcement agency or all circuit court records maintained by any circuit clerk relating to any investigation or proceeding pertaining to a criminal sexual offense, by any person not exempted by this Act, shall be restricted to exclude the identity of the adult victim without a court order. Provides that when a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools if certain conditions are met. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change:  
Clarifies language related to restricting the identity of victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed, with the following changes:  
Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records, and removes "parent" from the list of exempt individuals. Provides that a court may for the adult victim's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the adult victim's identity. Provides that a court may prohibit such disclosure only after giving notice and a hearing to all affected parties. Provides that in determining whether to prohibit disclosure of the adult victim's identity the court shall consider: (a) the best interest of the adult victim; and (b) whether such nondisclosure would further a compelling State interest. Provides that the copy of the criminal history record information that is to be provided under a provision concerning criminal sexual offense and school districts shall exclude the identity of the adult victim.

House Floor Amendment No. 2

Provides that the superintendent shall be restricted from revealing the identity of the adult victim.

In the General Assembly, Illinois Municipal Retirement Fund (IMRF), State Universities, Downstate Teachers, and Judges Articles, makes changes to the age at which certain distributions are required and the age at which certain annuities are payable. In the General Provisions and IMRF Articles, moves provisions concerning Tier 2 members of IMRF from the General Provisions Article to the IMRF Article. Provides that the increase to the retirement annuity of a Tier 1 regular employee shall be computed from the effective date of the retirement annuity, the first increase being 0.25% (instead of .167%) of the monthly amount times the number of months from the effective date to January 1. In the IMRF Article, provides that an active member of SERS who is a Commerce Commission police officer may apply to transfer to SERS certain IMRF credits. In the State Employee Article, provides that a State policeman, conservation police officer, arson investigator, or Commerce Commission police officer may elect to establish eligible creditable service under the alternative retirement annuity formula. Provides that a State policeman or conservation police officer may elect to convert service credit earned under the Article to eligible creditable service. In the Chicago Teacher Article, provides that payment from the Fund shall be made upon checks or through direct deposit transmittals authorized by the executive director (instead of upon warrants signed by the president and the secretary of the Board of Education, the president of the Board, and countersigned by the executive director). Adds reference to:

40 ILCS 5/16-204 from Ch. 108 1/2, par. 24-104
Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Universities Article, provides that the System shall offer a deferred compensation plan that is eligible under a specified provision of the Internal Revenue Code of 1986 to participating employees of the System employed by employers that qualify as eligible employers under a specified provision of the Internal Revenue Code of 1986 (instead of offering a defined contribution benefit to active members of the System). Changes references from "defined contribution benefit" to "deferred compensation plan". Provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2022 under an eligible automatic contribution arrangement. Provides that an employee who is automatically enrolled shall have 3% of his or her compensation for each pay period deferred on a pre-tax basis into his or her account. Provides that an employee may elect not to participate or to increase or reduce the amount of elective deferrals made to the plan. Provides that the System may provide that the default percentage for any employee automatically enrolled in the eligible deferred compensation plan be increased by a specified percentage each plan year after the plan year in which the employee is automatically enrolled in the plan. Provides that the changes are intended to be retroactive to August 10, 2018 (the effective date of Public Act 100-769, which established the defined contribution benefit). In the Downstate Teacher Article, provides that the System may use funds provided under a provision concerning State and employer contributions to defray any and all costs of creating and maintaining the defined contribution benefit and then shall reimburse those costs from funds received from the employee and employer contributions to the defined contribution benefit. Provides that as soon as is practicable on or after January 1, 2022, the System shall automatically enroll any employee in the optional defined contribution benefit who first becomes an active member or participant in the System, and the member shall have 3% of his or her pre-tax gross compensation for each compensation period deferred into his or her deferred compensation account, unless the member otherwise instructs the System. Provides that the System may elect to increase the contribution rate subject to certain restrictions. In the Deferred Compensation Article, provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Deletes reference to:
40 ILCS 5/24-104
Adds reference to:
40 ILCS 5/24-102 from Ch. 108 1/2, par. 24-102

In the State Universities Article of the Illinois Pension Code, provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2023 (rather than July 1, 2022) under an eligible automatic contribution arrangement. In the Public Employees' Deferred Compensation Article of the Illinois Pension Code, provides that "employee", for the purposes of the State Employees Deferred Compensation Plan, does not include a person employed by a certain State university employer who first becomes a participant of the retirement system under the State Universities Article on or after July 1, 2023 unless the person has made an election to defer compensation into the State Employees Deferred Compensation Plan under a written agreement and the deferral election is in effect as of June 30, 2023. Removes language that provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles.

40 ILCS 5/17-151.1

If and only if Senate Bill 1056 of the 102nd General Assembly, as amended by House Amendment 1, becomes law, amends
the Chicago Teacher Article of the Illinois Pension Code. Provides that if an annuitant does not elect to repay a mistaken overpayment
from the Fund by a lump sum, monthly payments, or reduction of the corrected benefit, the annuitant may have his or her automatic
annual increase discontinued beginning in January of the following calendar year until the pension payment matches his or her
corrected pension rate. Provides that upon full repayment, the annuitant's automatic annual increase shall resume at the rate of increase
equivalent to a comparable annuitant whose automatic annual increase was not discontinued. Removes language that provides that if
(1) the amount of the benefit was mistakenly set too high, (2) the error was undiscovered for 3 years or longer from the date of the first
mistaken benefit payment, and (3) the error was not the result of incorrect information supplied by the affected member, then upon
discovery of the mistake the benefit shall be adjusted to the correct level, but the recipient of the benefit shall not be required to repay
to the Fund the excess amounts received in error. Effective immediately or on the date Article 20 of Senate Bill 1056 takes effect,
whichever is later.

Further amends the Abused and Neglected Child Reporting Act by providing that parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, the same perpetrator, or a child or perpetrator in the same household as the child for purposes of certain types of juvenile court hearings (rather than parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, a child or perpetrator in the same household as the child, including a household from which a child was removed or into which a child may be placed, for purposes of certain types of juvenile court hearings). Requires the Department to establish, by January 1, 2022, a program for the implementation of certified community behavioral health clinics. Amends the Medical Assistance Article of the Illinois Public Aid Code. Contains provisions concerning inpatient hospitalization for opioid-related overdose or withdrawal patients; services provided by licensed clinical professional counselors and marriage and family therapists; payments for long-acting injectable medications for mental health or substance use disorders; medical assistance benefits for persons determined eligible during the COVID-19 public health emergency; medical assistance coverage for services performed by a chiropractic physician, including, but not limited to, chiropractic manipulative treatment; medical assistance coverage for federally approved tobacco cessation medications and for tobacco cessation counseling services and medications provided through the Illinois Tobacco Quitline; medical assistance coverage for immunosuppressive drugs and related services associated with post-kidney transplant management, excluding long-term care costs; hospital reimbursements for immunizations; supplemental per diem rates for supportive living facilities; a supports waiver program for young adults with developmental disabilities; prior approval for wheelchair repairs; increased funding for dental services; and other matters. Removes a provision that requires the Department of Healthcare and Family Services to post the contracted claims report required by HealthChoice Illinois on its website every 3 months. In a provision requiring vendor payment claims to be received by the Department of Healthcare and Family Services within a specified time period, provides an exception to the filing deadline in cases established by Department rule. Provides that subject to federal approval, children younger than 19 with income at or below 313% of the federal poverty level shall be eligible for medical assistance. Grants the Department of Healthcare and Family Services emergency rulemaking authority. Provides that those provisions under the Illinois Public Aid Code that grant the Department of Healthcare and Family Services the authority to recover the value of health care benefits provided to a recipient under the Children's Health Insurance Program Act or the Covering ALL KIDS Health Insurance Act shall remain in force as to those causes of actions that accrued prior to the date upon which the Children's Health Insurance Program Act or the Covering ALL KIDS Health Insurance Act become inoperative. Provides that the Executive Director of the Authority or his or her designee shall be added as a participant on the Interagency Clinical Team established in the intergovernmental agreement among the Department of Healthcare and Family Services, the Department of Children and Family Services, the Department of Human Services, the State Board of Education, the Department of Juvenile Justice, and the Department of Public Health, with consent of the youth or the youth’s guardian or family pursuant to the Custody Relinquishment Prevention Act. House Floor Amendment No. 3

Deletes reference to:

(305 ILCS 5/5-5)
Further amends the Medical Assistance Article of the Illinois Public Aid Code. Removes the language added by House Amendment No. 2 concerning inpatient admissions for persons experiencing opioid-related overdose or withdrawal and instead provides that the Department of Healthcare and Family Services shall ensure that patients, whether enrolled under the Medical Assistance Fee For Service program or enrolled with a Medicaid Managed Care Organization, experiencing opioid-related overdose or withdrawal are admitted on an inpatient status and the provider shall be reimbursed accordingly, when deemed medically necessary, as determined by either the patient's primary care physician, or the physician or other practitioner responsible for the patient's care at the hospital to which the patient presents, using criteria established by the American Society of Addiction Medicine. Provides that if it is determined by the physician or other practitioner responsible for the patient's care at the hospital to which the patient presents, that a patient does not meet medical necessity criteria for admission, then the patient may be treated via observation and the provider shall seek reimbursement accordingly. Provides that nothing shall diminish the requirements of a provider to document medical necessity in the patient's record. Removes the language added by House Amendment No. 2 concerning payments for long-acting injectable medications for mental health or substance use disorders and instead provides that, effective for dates of service on and after January 1, 2022, the medical assistance program shall separately reimburse at the prevailing fee schedule, for long-acting injectable medications administered for mental health or substance use disorder in the hospital inpatient setting, and which are compliant with prior authorization requirements. Provides that the Department of Healthcare and Family Services, in consultation with a statewide association representing a majority of hospitals and managed care organizations shall implement, by rule, reimbursement policy and prior authorization criteria for the use of long-acting injectable medications administered in the hospital inpatient setting for the treatment of mental health disorders. Makes a technical change in a provision concerning payments for long-acting injectable medications for mental health or substance use disorders. Removes language authorizing the Department of Healthcare and Family Services to establish, by rule, exemptions to the filing deadline for vendor payments.

Amends the Illinois Public Aid Code. Provides that the medical assistance program shall cover community-based pediatric palliative care from a trained interdisciplinary team. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program and suffers from a serious illness (rather than a potentially life-limiting medical condition). Contains provisions concerning a State Plan amendment; prohibited Department rules; pediatric interdisciplinary teams; reimbursable services offered under the pediatric palliative care program; standards for and technical assistance to managed care organizations; reporting requirements; criteria a case manager must meet for demonstrated expertise in pediatric palliative care; and other matters.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes to the Pediatric Palliative Care Act. Makes changes to the definition of "serious illness". Restores language requiring the Department of Healthcare and Family Services to apply for a waiver to implement the pediatric palliative care program. Defines a qualifying child to be a person under the age of 21 who is enrolled in the medical assistance program and is diagnosed by the child's primary physician or specialist as suffering from a serious illness (rather than a person under 19 years of age who is enrolled in the medical assistance program and suffers from a serious illness). Provides that those serious illnesses that render a child eligible for pediatric palliative care services include any other serious illness that the Department, in consultation with interested stakeholders, determines to be appropriate. Restores language making certain reimbursable services offered under the pediatric palliative care program subject to federal approval for matching funds. Changes "case manager" to "program manager". Changes "qualifying participants" to "qualifying children".

SB 02339

Amends the Privacy of Child Victims of Criminal Sexual Offenses Act. Provides that law enforcement agency records and all circuit court records relating to any investigation or proceeding pertaining to a criminal sexual offense shall be restricted to exclude the identity of a child victim, and shall not be restricted to exclude the identity of any child who is a victim of such criminal sexual offense or alleged criminal sexual offense only if a court order is issued authorizing the disclosure of a particular case or particular cases records maintained by any circuit court clerk.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change:
Clarifies language related to restricting the identity of child victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

House Committee Amendment No. 1
Further amends the Privacy of Child Victims of Criminal Sexual Offenses Act. Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records (in addition to the exemptions provided in current law). Provides that the copy of the criminal history record information to be provided under a specified provision shall exclude the identity of the child victim. Provides that, in a provision concerning criminal sexual offense and school districts, a superintendent shall be restricted from revealing the identity of the victim. Provides that nothing in this Article precludes or may be used to preclude a mandated reporter from reporting child abuse or child neglect as required under the Abused and Neglected Child Reporting Act.

House Floor Amendment No. 2
Provides that the Attorney General and Assistant Attorneys General may be exempt from a requirement to exclude a victim's identity in certain records.

New Act

Creates the Privacy of Adult Victims of Criminal Sexual Offenses Act. Defines "adult victim" and "criminal history record information." Provides that notwithstanding any other law to the contrary, inspection and copying of law enforcement records maintained by any law enforcement agency or all circuit court records maintained by any circuit clerk relating to any investigation or proceeding pertaining to a criminal sexual offense, by any person not exempted by this Act, shall be restricted to exclude the identity of the adult victim without a court order. Provides that when a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools if certain conditions are met. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change: Clarifies language related to restricting the identity of victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed, with the following changes: Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records, and removes "parent" from the list of exempt individuals. Provides that a court may for the adult victim's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the adult victim's identity. Provides that a court may prohibit such disclosure only after giving notice and a hearing to all affected parties. Provides that in determining whether to prohibit disclosure of the adult victim's identity the court shall consider: (a) the best interest of the adult victim; and (b) whether such nondisclosure would further a compelling State interest. Provides that the copy of the criminal history record information that is to be provided under a provision concerning criminal sexual offense and school districts shall exclude the identity of the adult victim. Provides that the superintendent shall be restricted from revealing the identity of the adult victim.

House Floor Amendment No. 2

Provides that the Attorney General and Assistant Attorneys General may be exempt from a requirement to exclude a victim's identity in certain records.
