New Act

Creates the Fair Food Delivery Act. Prohibits a third-party delivery service from using the likeness, registered trademark, or intellectual property belonging to a merchant without obtaining written consent from the merchant for the use of the likeness, trademark, or other intellectual property. Provides that an agreement subject to the Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor acting on behalf of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm that may occur after the merchant's product leaves the merchant's place of business. Authorizes recovery of actual damages or $5,000, whichever is greater. Imposes a civil penalty of not more than $1,000 per violation. Provides that each day a violation occurs constitutes a separate violation. Defines terms. Effective immediately.

Senate Floor Amendment No. 1

Removes a provision concerning third-party use of merchant trademarks and likenesses and instead provides that a third-party delivery service may not purchase or use the name, likeness, registered trademark, or intellectual property belonging to a merchant, and may not take or arrange for the pickup or delivery of an order from a merchant, without first obtaining written consent from the merchant. Provides that an agreement subject to the Fair Food Delivery Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm partially or wholly caused by or resulting from the third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service. Removes the immediate effective date.

Establishes exclusions for management professional personnel engaged in the construction industry. Provides a procedure for enforcement by the Attorney General. Defines "adequate consideration"; "covenant not to compete"; "covenant not to solicit"; "earnings"; and "employee". Removes the definition for the term "low-wage employee". Adds a severability clause. Effective January 1, 2022.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.
Senator Robert Peters  
SB 02122  (CONTINUED)  

Senate Committee Amendment No. 1  
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2  
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1  
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. New Act

Creates the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act. Provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health or substance use disorder to obtain appropriate treatment across state lines in qualified hospitals and facilities that are closer to their homes than are facilities available in their home states. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to provide substance use or mental health treatment to Wisconsin residents who are subject to involuntary commitment orders for treatment issued by Wisconsin courts, except that no services may be provided to Wisconsin residents who are involved in a criminal proceeding. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to secure substance use or mental health treatment for Illinois residents who are subject to involuntary commitment orders for treatment issued by State courts, except that no services may be secured for Illinois residents who are committed under specified provisions of the Code of Criminal Procedure or the Unified Code of Corrections. Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities, required contract provisions, and other matters.

Senate Floor Amendment No. 1

Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act). Removes all references to treatment for a substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

20 ILCS 2805/38

Amends the Department of Veterans' Affairs Act. Provides that the Veterans' Service-Related Ailments Task Force shall meet at least once every 2 months beginning on or before January 1, 2022 (rather than beginning July 1, 2019). Removes language requiring the Director of Veterans' Affairs or the Director's designee to serve as chairperson of the Task Force and replaces it with language providing that Task Force members shall select from among themselves a chairperson or co-chairpersons at the initial Task Force meeting. Provides that the Task Force shall submit a report of its findings to the Governor and General Assembly on or before June 1, 2023 (rather than December 31, 2020). Provides that the Task Force is dissolved, and the provisions repealed, on December 31, 2023 (rather than 2021). Effective immediately.

705 ILCS 405/5-401.6 new
725 ILCS 5/103-2.2 new
Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senator Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

       Placed on Calendar Order of Concurrence House Amendment(s) 1 - May 30, 2021
Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

SB 00693  (CONTINUED)

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that "non-emergency medical services" means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes. Effective immediately.

Amends the Illinois Secure Choice Savings Program Act. Removes all references to and the definition of "small employer". Provides that the Act applies to employers with at least one employee (rather than employers with fewer than 25 employees). Requires the Illinois Secure Choice Savings Board to (i) establish annual automatic increases to the contribution rates and (ii) verify employee eligibility for auto-enrollment in accordance with the Internal Revenue Code and applicable federal and State laws. Makes changes regarding penalties for employers who fail, without reasonable cause, to enroll an employee in the Illinois Secure Choice Savings Program (Program). Provides that, for purposes of the penalties, the Department of Revenue shall determine total employee count for employers using the annual average from employer-reported quarterly data. Provides that the Department may provide notice regarding penalties in an electronic format to be determined by the Department. Removes a provision authorizing the Department to implement the penalties 9 months after the Illinois Secure Choice Savings Board notifies the Director of Revenue that the Program has been implemented.  

Senate Committee Amendment No. 1

Provides that the Act applies to employers with at least 5 employees, rather than at least one employee. (Current law applies to employers with fewer than 25 employees.) Provides that a small employer is an employer that employed less than 5 employees during any quarter of the previous calendar year, rather than less than 25 employees at any one time throughout the previous calendar year. Provides enrollment deadlines. Provides that small employers may, but are not required to, establish payroll deduction arrangements for retirement savings arrangements.

Requires the Department to ensure that households with children under the age of 6 years old are offered a priority application period. Contains provisions concerning certain unspent funds being utilized for weatherization expenses; allowances to Local Administrative Agencies for administrative expenses; incremental changes to the monthly energy assistance charges billed to utility customers; Department reports on monies collected and allocated to utilities for implementation of their Percentage of Income Payment Plans; and other matters. Provides that all energy assistance programs under the Act shall be available to eligible residents regardless of immigration status.

Senator Patricia Van Pelt

Replaces everything after the enacting clause. Amends the Election Code. Provides dates for the 2022 general primary election and dates to prepare for the 2022 general election. Repeals the provisions on January 1, 2023. Provides that in a county with a population of less than 3,000,000, the sheriff may establish a temporary branch polling place at the county jail. Limits eligibility to a resident of a county who is in custody at the county jail and who has not been convicted of the offense for which the resident is in custody. Allows an elector to be added to a list of permanent vote by mail status voters who receive an official vote by mail ballot for all subsequent elections. Provides that a voter whose application for permanent vote by mail status is accepted by the election authority shall remain on the permanent vote by mail list until the voter requests to be removed from permanent vote by mail status, the voter provides notice to the election authority of a change in registration, or the election authority receives confirmation that the voter has subsequently registered to vote in another county. Provides the notice to be sent by election authorities to all qualified voters before a general election for the option to be placed on the list of permanent vote by mail status voters. Provides the application form for permanent vote by mail status. Allows an election authority to combine the applications for single election vote by mail and permanent vote by mail status on one form. Provides that a political committee selected to conduct an audit shall only be required to conduct the audit if it was required to file at least one quarterly report during the period to be covered by the audit and has a fund balance of $10,000 or more, an average closing fund balance of $10,000 or more on quarterly reports, or average total receipts of $10,000 or more on quarterly reports. Requires a political committee owing unpaid fines at the time of its random selection to conduct an audit. Amends the Public Officer Simultaneous Tenure Act. Provides that a unit of local government may not adopt an ordinance or resolution that requires a member of the General Assembly to resign his or her office in order to be eligible to seek elected office in the unit of local government and that any such ordinance or resolution is void. Provides that the Section applies to ordinances or resolutions adopted on or after November 8, 2016. Limits home rule powers. Amends the Counties Code. Provides that a sheriff shall enter upon the duties of his or her office on the December 1 following his or her election (rather than on the first day in the month of December following his or her election on which the office of the sheriff is required, by statute or by action of the county board, to be open). Amends the Township Code. Amends the Illinois Municipal Code. Provides that when a person who intends to be a write-in candidate for an uncontested nonpartisan office has not timely filed nomination papers but has filed a written statement or notice of his or her intent, no primary ballot shall be printed (rather than requiring a primary ballot to be prepared and a primary election held if the write-in candidate is the fifth candidate filed). Provides that where no primary is held, a person intending to become a write-in candidate shall file a declaration of intent to be a write-in candidate for the general election with the appropriate election authority or authorities. Removes language: concerning requirements for the written statement or notice; and providing that an election authority has no duty to conduct a primary and prepare a ballot for an uncontested office, unless the written statement or notice is filed in a timely manner. Amends the Revised Cities and Villages Act of 1941. In the provisions concerning the prohibition on the city treasurer serving 2 terms in succession, allows the city to establish different succession terms by ordinance. Amends various Acts and Codes. Changes all statutory references of alderman and aldermen to alderperson and alderpersons. Changes all statutory references of congressman to congressperson. Makes other and conforming changes. House Committee Amendment No. 1

In provisions of the Hospital Uninsured Patient Discount Act regarding patient responsibility, provides that hospitals may make the availability of a discount and the maximum collectible amount under the Act contingent upon the uninsured patient first applying for coverage under public health insurance programs (rather than public programs) if there is a reasonable basis to believe that the uninsured patient may be eligible for such program.

705 ILCS 405/5-401.6 new
725 ILCS 5/103-2.2 new

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1

Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes language providing that the Department of Public Health shall require each long-term care facility in the State to perform specified actions as a condition of facility licensure. Provides that the social isolation prevention policies shall not be interpreted as a substitute for in person visitation, but shall be wholly in addition to the existing in person visitation policies. Provides that a resident's individualized visitation plan shall give priority to the resident's preferences over the preferences of the resident's representative. Provides that a long-term care facility may apply for (rather than the Department shall distribute) civil monetary penalty fund grants, and may request other available federal and State funds, upon request, to facilities for communicative technologies and accessories needed for the purposes of the provisions. Provides that whenever the Department conducts an inspection of a long-term care facility, the Department's inspector shall determine whether the long-term facility is in compliance with the provisions and the policies, protocols, and procedures adopted pursuant to the provisions. Requires the Department to adopt rules necessary to implement the provisions whenever the Department conducts an annual licensure and certification survey, when a complaint is received, or as frequently as may be necessary (rather than whenever the Department conducts an inspection of a long-term care facility). Provides that a noncompliant long-term care facility shall be liable to pay an administrative penalty as a Type "C" violation. Provides that implementation of an administrative penalty as a Type "C" violation under the provisions shall not be imposed prior to January 1, 2023. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

In provisions amending the Nursing Home Care Act, provides that the social isolation prevention policies adopted by each long-term care facility shall be consistent with the rights and privileges guaranteed to residents and constraints provided under specified provisions of the Nursing Home Care Act.

House Floor Amendment No. 2
Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Adds provisions regarding legislative findings. Replaces references to specified types of equipment with references to assistive and supportive technology and devices. Requires appropriate staff to develop and update an individualized virtual visitation schedule while taking into account the individual's requests and preferences (rather than to assess and regularly reassess the individual needs and preferences of facility residents). Requires appropriate staff to develop an individualized virtual visitation schedule (rather than an individualized visitation plan) with specified requirements. Provides that specific protocols and procedures shall be developed to ensure that the quantity of assistive and supportive technology and devices maintained on-site at a facility remains sufficient, at all times, to meet the assessed social and activity needs and preferences of each facility resident. Makes other changes. Effective immediately.

Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

House Floor Amendment No. 2
Adds reference to:

40 ILCS 5/16-127 from Ch. 108 1/2, par. 16-127

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.

Further amends the Downstate Teacher Article of the Illinois Pension Code. In a provision that requires an employer to make an additional contribution to the System for certain salary increases greater than 6%, excludes salary increases resulting from teaching summer school on or after May 1, 2021 and before September 15, 2022. Effective immediately.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)
SB 1646, as amended by HA 2, would reopen a window for teachers to apply for optional service credit for work done in approved private schools as teachers and administrators. The Teachers' Retirement System reports having 3,463 members who have applied for this private school credit in previous window openings, as described below. TRS estimates that the fiscal impact of this bill would be low, as the member must pay both the member and employer contributions, plus the actuarially assumed rate of interest to take advantage of this credit. The fiscal impact to TRS as a result of exempting summer school teaching from the 6% Final Average Salary Cap is unknown, as it is not known how many teachers would accrue pensionable salary in excess of 6% from the previous school year with the same employer via summer school teaching rendered between May 1, 2021 and September 15, 2022.

Fiscal Note, House Floor Amendment No. 2 (Teachers Retirement System)

Actuarial cost impact. SB 1646 as amended would have an unknown impact to TRS. Changes allowing optional service purchase under the bill are designed to be fully paid for by the related member contributions. Changes in required school district contributions would likely create some additional cost to the State of Illinois, but the total cost cannot be calculated without knowing the actual behavior of individual school districts and employees. Administrative cost impact.

Administering the provisions of this bill would not increase the administrative costs of TRS.

from Ch. 108 1/2, par. 24-104

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Universities Article, provides that the System shall offer a deferred compensation plan that is eligible under a specified provision of the Internal Revenue Code of 1986 to participating employees of the System employed by employers that qualify as eligible employers under a specified provision of the Internal Revenue Code of 1986 (instead of offering a defined contribution benefit to active members of the System). Changes references from "defined contribution benefit" to "deferred compensation plan". Provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2022 under an eligible automatic contribution arrangement. Provides that an employee who is automatically enrolled shall have 3% of his or her compensation for each pay period deferred on a pre-tax basis into his or her account. Provides that an employee may elect not to participate or to increase or reduce the amount of elective deferrals made to the plan. Provides that the changes are intended to be retroactive to August 10, 2018 (the effective date of Public Act 100-769, which established the defined contribution benefit). In the Downstate Teacher Article, provides that the System may use funds provided under a provision concerning State and employer contributions to defray any and all costs of creating and maintaining the defined contribution benefit and then shall reimburse those costs from funds received from the employee and employer contributions to the defined contribution benefit. Provides that as soon as is practicable on or after January 1, 2022, the System shall automatically enroll any employee in the optional defined contribution benefit who first becomes an active member or participant in the System, and the member shall have 3% of his or her pre-tax gross compensation for each compensation period deferred into his or her deferred compensation account, unless the member otherwise instructs the System. Provides that the System may elect to increase the contribution rate subject to certain restrictions. In the Deferred Compensation Article, provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

40 ILCS 5/24-102 from Ch. 108 1/2, par. 24-102

In the State Universities Article of the Illinois Pension Code, provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2023 (rather than July 1, 2022) under an eligible automatic contribution arrangement. In the Public Employees' Deferred Compensation Article of the Illinois Pension Code, provides that "employee", for the purposes of the State Employees Deferred Compensation Plan, does not include a person employed by a certain State university employer who first becomes a participant of the retirement system under the State Universities Article on or after July 1, 2023 unless the person has made an election to defer compensation into the State Employees Deferred Compensation Plan under a written agreement and the deferral election is in effect as of June 30, 2023. Removes language that provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles.
Amends the Illinois Pesticide Act. Adds and changes monetary penalties for specified amounts of violation points. Provides that beginning on January 1, 2022, and every January 1 thereafter, the monetary penalties shall automatically be increased or decreased by a percentage equal to the percentage change in a specified document during the preceding 12-month calendar year. Provides that the updated monetary penalties resulting from each annual adjustment shall be made available to the public via the Department of Agriculture's official website on or before January 1 of the calendar year for which the new monetary penalties apply. Provides point values for exposure to a pesticide which resulted in herbaceous plants and woody perennial plants (rather than plants) or property showing signs of damage. Defines “herbaceous plant” and “woody perennial plant”. Makes other changes. Effective immediately.

Amends the School Code. Requires each member of a school board and the district superintendent to complete a course of instruction approved by the State Board of Education regarding the adoption and administration of a trauma-informed school standard on an annual basis. Provides that the required training shall focus on (i) the recognition of and care for trauma in students and educators, (ii) the relationship between educator wellness and student learning, (iii) the effect of trauma on student behavior and learning, (iv) the prevalence of trauma among students, including the prevalence of trauma among student populations at higher risk of experiencing trauma, and (v) the effects of implicit or explicit bias on recognizing trauma among various racial or ethnic groups of students. Sets forth other provisions concerning the course of instruction. By no later than December 1, 2021, requires the State Board of Education to approve one or more courses of instruction that satisfy the training requirements. Effective immediately.

Further amends the Illinois TRUST Act. In a provision concerning legislative purpose, provides that the changes made to the definitions of immigration detainer and civil immigration warrant (formerly "non-judicial immigration warrant") by a specified provision of this amendatory Act of the 102nd General Assembly are declarative of existing law. Provides that nothing in this Act shall prevent a law enforcement officer from contacting another law enforcement agency for the purposes of clarifying or confirming the civil or criminal nature of notifications or other records provided by the National Crime Information Center, or the Law Enforcement Agencies Data Administrative System. Adds to definitions of "law enforcement official" and "immigration detainer". Deletes the definition of "non-judicial immigration warrant". Defines "citizenship or immigration status", "civil immigration warrant", "contact information", and "immigration agent".

Prohibits a licensee from permitting an individual who is not an agent of the licensee to purchase a vehicle at an auction.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the contents of the introduced bill and makes the following changes:
Provides that, beginning with the 2023 registration year, upon the request of the vehicle owner, an electric vehicle owner may register an electric vehicle with any qualifying registration, and an additional $100 surcharge shall be collected in addition to the applicable registration fee. Provides that the $100 additional fee is to identify the vehicle as an electric vehicle. Provides that the $100 additional fee is an annual, flat fee that shall be based on an applicant's new or existing registration year for the vehicle's corresponding weight category. Provides that a designation as an electric vehicle shall not alter a vehicle's registration. Provides that $1 of the additional fees shall be deposited into the Secretary of State Special Services Fund and the remainder of the additional fees shall be deposited into the Road Fund. Provides that the Secretary shall adopt any rules necessary to implement the new provisions.

Senate Committee Amendment No. 2
Removes language providing that a purchaser of a vehicle who obtains a security interest in a vehicle in good faith for value takes free of any undisclosed liens unless the purchaser has notice of such liens and that, upon the perfection of the security interest, the Secretary of State shall invalidate the undisclosed lienholder's interest in the vehicle subject to an investigation by the Secretary of State Department of Police. Removes language allowing only a licensed dealer to use the reassignment portion included on a certificate of title to reassign a vehicle to another licensed dealer. Makes conforming changes and corrects typographical errors.

This bill does not pre-empt home rule authority.

Pension Note (Government Forecasting & Accountability)

SB 0818, as engrossed, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

SB 0818, as Engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Human Services)

No fiscal impact to IDHS related to the changes proposed in SB 818.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Correctional Note (Dept of Corrections)

SB 818 would not pose any fiscal cost aside from standard staff time helping ISBE develop standards, where the cost would be negligible.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 818; therefore, there are no appraisals to be filed.
