SB 00818  (CONTINUED)

**Balanced Budget Note (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 818 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

This legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

**Home Rule Note (Dept. of Commerce & Economic Opportunity)**

This bill does not pre-empt home rule authority.

**Pension Note (Government Forecasting & Accountability)**

SB 0818, as engrossed, will not impact any public pension fund or retirement system in the State of Illinois.

**State Debt Impact Note (Government Forecasting & Accountability)**

SB 0818, as Engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

**Housing Affordability Impact Note (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

**Fiscal Note (Dept. of Human Services)**

No fiscal impact to IDHS related to the changes proposed in SB 818.

**State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)**

This bill does not create a State mandate.

**Correctional Note (Dept of Corrections)**

This amendment has no fiscal impact or population impact on the department.

**Fiscal Note (Dept. of Public Health)**

SB 818 would not pose any fiscal cost aside from standard staff time helping ISBE develop standards, where the cost would be negligible.

**Land Conveyance Appraisal Note (Dept. of Transportation)**

No land conveyances are included in Senate Bill 818; therefore, there are no appraisals to be filed.

**Fiscal Note (State Board of Education)**

SB 818 will have a fiscal impact of $2,175,588.61 over 3 fiscal years.

Senator Laura M. Murphy

Creates the Student Debt Assistance Act. Prohibits an institution of higher learning or a public or private entity that provides academic transcripts from (i) withholding academic transcripts from a current or former student because the student owes a debt to the institution, (ii) conditioning the provision of an academic transcript on the payment of a debt, other than a fee charged to provide the transcript, (iii) charging a higher fee to obtain an academic transcript or providing less favorable treatment of a request for an academic transcript because a current or former student owes a debt, or (iv) using academic transcript issuance as a tool for debt collection. Beginning with the 2022-2023 academic year, requires an institution of higher learning to make a good faith effort to offer a debt repayment plan to any student who owes a debt of $250 or more to the institution. Sets forth provisions concerning the debt repayment plan and enrollment procedures. Effective immediately.

Senate Floor Amendment No. 1

Prohibits an institution of higher education from refusing to provide an unofficial transcript to a current or former student on the grounds that the student owes a debt; conditioning the provision of an unofficial transcript on the payment of a debt, other than a fee charged to provide the transcript; or charging a higher fee for obtaining an unofficial transcript or providing less favorable treatment of a request for an unofficial transcript because a current or former student owes a debt. Provides that an institution of higher education (1) must provide an official transcript of a current or former student to a current or potential employer, even if the current or former student owes a debt; (2) may not condition the provision of an official transcript to a current or potential employer on the payment of a debt, other than a fee charged to provide the transcript; and (3) may not charge a higher fee for transferring an official transcript to a current or potential employer or provide less favorable treatment for such a request because a current or former student owes a debt. Beginning with the 2022-2023 school year, requires every institution of higher education to have a policy instituting a financial or physical hardship withdrawal process; sets forth requirements concerning the process. Provides that if an institution of higher education chooses to send a current or former student's past due debt to a debt collection agency, the past due debt may not be reported to any credit reporting agencies or used against that student in a credit report or credit score. Effective immediately.

House Floor Amendment No. 2

SB 0818, as engrossed, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
SB 0818, as Engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)

New Act

Creates the Fair Food Delivery Act. Prohibits a third-party delivery service from using the likeness, registered trademark, or intellectual property belonging to a merchant without obtaining written consent from the merchant for the use of the likeness, trademark, or other intellectual property. Provides that an agreement subject to the Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor acting on behalf of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm that may occur after the merchant's product leaves the merchant's place of business. Authorizes recovery of actual damages or $5,000, whichever is greater. Imposes a civil penalty of not more than $1,000 per violation. Provides that each day a violation occurs constitutes a separate violation. Defines terms. Effective immediately.

Senate Floor Amendment No. 1
Removes a provision concerning third-party use of merchant trademarks and likenesses and instead provides that a third-party delivery service may not purchase or use the name, likeness, registered trademark, or intellectual property belonging to a merchant, and may not take or arrange for the pickup or delivery of an order from a merchant, without first obtaining written consent from the merchant. Provides that an agreement subject to the Fair Food Delivery Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm partially or wholly caused by or resulting from the third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service. Removes the immediate effective date.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Creates the Fair Food Delivery Act. Provides that a third-party delivery service may not purchase or use the name, likeness, registered trademark, or intellectual property belonging to a merchant, and may not take or arrange for the pickup or delivery of an order from a merchant through the marketplace, without first obtaining written consent from the merchant. Provides that an agreement entered into pursuant to the Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm partially or wholly caused by or resulting from the third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service. SB 00672  (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Freedom to Work Act. Provides that a covenant not to compete shall not be valid or enforceable unless the employee's actual or expected annualized rate of earnings exceeds $75,000 per year on the effective date of the amendatory Act, $80,000 per year beginning on January 1, 2027, $85,000 per year beginning on January 1, 2032, or $90,000 per year beginning on January 1, 2037 (rather than no employer shall enter into a covenant not to compete with any low-wage employee of the employer). Provides that a covenant not to solicit shall not be valid or enforceable unless the employee's actual or expected annualized rate of earnings exceeds $45,000 per year and increasing in steps to $52,500 per year in 2037. Provides that a covenant not to compete is void and illegal for any employee who an employer terminates or furloughs or lays off as the result of business circumstances or governmental orders related to the COVID-19 pandemic, or under circumstances that are similar to the COVID-19 pandemic, unless enforcement of the covenant not to compete includes compensation equivalent to the employee's base salary at the time of termination for the period of enforcement minus compensation earned through subsequent employment during the period of enforcement. Provides that a covenant not to compete is void and illegal for individuals covered by a collective bargaining agreement under the Illinois Public Labor Relations Act or the Illinois Educational Labor Relations Act. Establishes exclusions for management professional personnel engaged in the construction industry. Provides a procedure for enforcement by the Attorney General. Contains provisions concerning the enforceability of a covenant not to compete or a covenant not to solicit; notice requirements for employers under a covenant not to compete or a covenant not to solicit; remedies for employees who prevail against an employer's civil action to enforce a covenant not to compete or a covenant not to solicit; and certain factors a court may consider when determining whether to reform a covenant not to compete or a covenant not to solicit. Defines "adequate consideration"; "covenant not to compete"; "covenant not to solicit"; "earnings"; and "employee". Removes the definition for the term "low-wage employee". Adds a severability clause. Effective January 1, 2022.

705 ILCS 405/5-401.6 new
725 ILCS 5/103-2.2 new
Senator Robert Peters
SB 02122 (CONTINUED)

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

**SB 03599 (CONTINUED)**

Amends the Election Code. Allows the State Board of Elections to receive voter registration information provided by applicants using electronic voter registration portals (rather than the Board's website). Provides that, notwithstanding any other provision of law, a person who is otherwise qualified to vote may preregister to vote on or after that person's 16th birthday, with the registration held in abeyance by the appropriate election authority until that individual attains the required age to vote. Requires preregistration to be completed using the online voter registration system or an electronic voter registration portal. Provides that, for the purposes of the Code, an individual who is 16 years of age or older (rather than who is 17 years of age and who will be 18 years of age on the date of the general or consolidated election) shall be deemed competent to execute and attest to any voter registration forms.

Creates the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act. Provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health or substance use disorder to obtain appropriate treatment across state lines in qualified hospitals and facilities that are closer to their homes than are facilities available in their home states. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to provide substance use or mental health treatment to Wisconsin residents who are subject to involuntary commitment orders for treatment issued by Wisconsin courts, except that no services may be provided to Wisconsin residents who are involved in a criminal proceeding. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to secure substance use or mental health treatment for Illinois residents who are subject to involuntary commitment orders for treatment issued by State courts, except that no services may be secured for Illinois residents who are committed under specified provisions of the Code of Criminal Procedure or the Unified Code of Corrections. Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities, required contract provisions, and other matters.

Senate Floor Amendment No. 1
Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act). Removes all references to treatment for a substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

Amends the Counties Code. Provides that a restrictive covenant modification to an unlawful restrictive covenant may be filed, for a fee not to exceed $10, by: (1) the holder of an ownership interest in property that is subject to the unlawful restrictive covenant; or (2) a common interest community association, a condominium association, a unit owners' association, or a master association of a parcel of property subject to the association's declaration and the parcel is subject to an unlawful restrictive covenant. Includes requirements for a restrictive covenant modification and the petition to modify. If the restrictive covenant modification is submitted to the State's Attorney, the State's Attorney shall make a determination within 30 days as to whether the original document contains an unlawful restrictive covenant and the recorder may not record the modification unless the State's Attorney determines an unlawful restrictive covenant exists. SB 02122

705 ILCS 405/5-401.6 new
725 ILCS 5/103-2.2 new

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1
Senator Elgie R. Sims, Jr.
SB 02122  (CONTINUED)
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that
the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of
age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is
procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was
voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a
conforming change.

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

New Act

Creates the Park District and Public Utility Liability Act. Provides that provisions in, or in connection with, a land lease agreement between an electric public utility and a park district that require a lessee park district to indemnify or hold harmless the lessor public utility against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence of the lessor is against public policy, void, and unenforceable. Provides that nothing in the Act shall prevent or prohibit a contract, promise, or agreement for a lessor to indemnify or hold harmless any lessee against liability for damages resulting from the sole negligence of the lessor. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:

Removes the word electric from the definition of "lessor." To the definition of "park district", adds forest preserve districts, conservation districts, and other local public entities that have recreation departments or facilities and have leases with lessors.

Provides that waivers of subrogation are against public policy.

House Floor Amendment No. 1

Provides that provisions in, or in connection with, a land lease agreement between a public utility (rather than an electric public utility) and a park district that require a lessee park district to indemnify or hold harmless the lessor public utility against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence of the lessor is against public policy, void, and unenforceable.

210 ILCS 50/3.155

Amends the Emergency Medical Services (EMS) Systems Act. Provides that when a patient has been determined by EMS personnel to (1) have no immediate life-threatening injuries or illness, (2) not be under the influence of drugs or alcohol, (3) have no immediate or obvious need for transport to an emergency department, and (4) have an immediate need for transport to an EMS System-approved mental health facility, the EMS personnel may contact Online Medical Control or his or her EMS Medical Director or Emergency Communication Registered Nurse to request bypass or diversion of the closest emergency department and request transport to the closest or appropriate EMS System-approved mental health facility.
Senator Steve Stadelman
SB 00693  (CONTINUED)

Senate Floor Amendment No. 2
Replaces everything after the enacting clause with the provisions of the introduced bill with the following change. Provides that EMS personnel may transport a patient to an EMS System-approved urgent care or immediate care facility that meets the proper criteria and is approved by Online Medical Control or his or her EMS Medical Director or Emergency Communications Registered Nurse.

House Floor Amendment No. 5
Adds reference to:
210 ILCS 50/3.10
Adds reference to:
210 ILCS 50/3.50
Adds reference to:
210 ILCS 50/3.85

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that “non-emergency medical services” means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes. Effective immediately.

55 ILCS 5/5-1188 new
60 ILCS 1/85-70 new

Amends the Counties Code. Provides that, if a county board member, county board chairman, State's Attorney, or other countywide elected official is criminally charged with an infamous crime or of any offense involving a violation of his or her official oath, the county board shall review the alleged crimes to determine by a three-fifths vote of all members if the countywide elected official should be placed on administrative leave. Provides that, if the county board believes the official has been criminally charged with an infamous crime or of any offense involving a violation of his or her official oath, the county board shall send their determination to the State's Attorney or, if the determination is regarding the State's Attorney, the determination shall be sent to the Attorney General. Provides that, upon receipt of a determination from the county board, if the State's Attorney or Attorney General believes the crime or crimes to be germane to the official's duties, then the State's Attorney or Attorney General shall file a motion to place the elected official on administrative leave with the circuit court of the county. Provides that, upon receipt of the motion, the circuit court shall review and determine if the official shall be placed on administrative leave. Provides that the court may require the county to pay court costs or reasonable attorney fees, or both, if the court dismisses the action. Provides that, if the official is placed on administrative leave because a conflict exists, the official is barred from county property and performing the official's duties until the case is closed and the county board determines the conflict is resolved. Provides that the official shall continue to receive all compensation and benefits during the official's administrative leave. Provides that, if the county board puts an official on administrative leave, the board shall appoint a replacement for the official while the official is on administrative leave. Amends the Township Code. Makes similar changes. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Provides that if a State's Attorney or township attorney believes the crime or crimes to be germane to the official's duties, or a special State's Attorney (rather than the Attorney General) if the crime or crimes deal with the State's Attorney, such attorney shall file a petition (rather than a motion) with the circuit court for a rule to show cause why not to place the elected official on administrative leave (rather than to have the court place the elected official on administrative leave). Replaces the procedure by which the court determines if an officer shall be placed on administrative leave with the following: provides that the court shall issue a rule requiring the officer to show cause why he or she should not be put on administrative leave and the officer shall have a trial in the date stated in the rule; and provides that, if, after trial, the court determined that the township officer should be placed on administrative leave, the township officer shall be removed from office. Effective immediately.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the Senate Amendment No. 1 with the following changes: Provides that the county board shall petition the court for the appointment of a special State's Attorney to review the board's determination if the determination is relating to the State's Attorney or if the State's Attorney has a conflict of interest (rather than only if relating to the State's Attorney). Makes conforming changes. Limits the provisions to counties that have a population of less than 500,000 people and townships within counties that have a population of less than 500,000 people. Effective immediately.

305 ILCS 20/20 new
Amends the Energy Assistance Act. Provides that the Department of Commerce and Economic Opportunity may not set the annual eligibility level for energy assistance higher than 60% of the State median income as established by the U.S. Department of Health and Human Services. Requires the Department to ensure that households with children under the age of 6 years old are offered a priority application period. Provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Supplemental Low-Income Energy Assistance Fund into any other fund of the State. Contains provisions concerning certain unspent funds being utilized for weatherization expenses; allowances to Local Administrative Agencies for administrative expenses; incremental changes to the monthly energy assistance charges billed to utility customers; Department reports on monies collected and allocated to utilities for implementation of their Percentage of Income Payment Plans; and other matters. Provides that all energy assistance programs under the Act shall be available to eligible residents regardless of immigration status.

Senate Floor Amendment No. 1
Changes the date upon which each public utility, electric cooperative, and municipal utility shall begin assessing a monthly Energy Assistance Charge on customer accounts from January 1, 2021 to January 1, 2022. Restores a provision providing that the Percentage of Income Payment Plan is created as a mandatory bill payment assistance program for low-income residential customers of utilities serving more than 100,000 retail customers.

House Committee Amendment No. 1
Removes language that provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Fund into another fund of the State.

States that policy decisions enacted by the Illinois State Legislature should acknowledge and take into account the principles of trauma, whenever possible, and consider the concepts of toxic stress, early adversity, and buffering relationships and note the role of early intervention and investment in trauma-informed policies leading to a healing-centered environment. States that Illinois should invest in technological connectivity that includes detailed information and resources on trauma-informed care, standards for providing evidence-based trauma informed treatment, peer to peer networking, and creation of belonging through narrative expression. States that Illinois should move from a siloed, individual approach to a collaborative, person-centered healing approach to identify, strengthen, and empower individuals and communities to craft a future positive history of Illinois.

SB 01826 (CONTINUED)

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Senate Committee Amendment No. 1

Provides that the Medicaid voucher pilot program includes home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives who are licensed and registered in Illinois (rather than racially concordant nationally accredited certified professional midwives).

705 ILCS 405/5-175 new
Amends the Juvenile Court Act of 1987. Provides that the Chief Judge of each judicial circuit may establish a Justice for Juveniles Program, which would require that juveniles arrested or detained for eligible offenses be represented by legal counsel throughout the entire custodial interrogation of the juvenile. Provides that if a Chief Judge establishes a Justice for Juveniles Program, any oral, written, or sign language statement of a juvenile made without the presence of legal counsel during a custodial interrogation on or after the effective date of the Program shall be inadmissible as evidence against the juvenile in a proceeding under this Act or in a proceeding under the Criminal Code of 1961 or the Criminal Code of 2012. Defines "eligible offense" and "juvenile".

Amends the Community Benefits Act. Provides that the Act applies to all nonprofit and public hospitals licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act (rather than not applying to a hospital operated by a unit of government, a hospital located outside of a metropolitan statistical area, or a hospital with 100 or fewer beds). Requires community benefits plans to describe activities the hospital is undertaking to address health equity, reduce health disparities, and improve community health. Provides that, in order to increase transparency and accessibility of charity care and financial assistance data, the Attorney General shall post on the Attorney General's website: all community benefits plans contained in reports submitted by hospitals; and a compiled report that summarizes information from completed community benefits plans. Provides that an electronic version of the compiled report shall be sent to the Governor and each member of the General Assembly. Provides a late filing fee for nonprofit hospitals for community benefits plans of $2,500 per month that the report is late (rather than $100). Makes other changes.

Amends the Hospital Uninsured Patient Discount Act. Provides that hospitals, other than a rural hospital or Critical Access Hospitals, shall provide a discount from charges to specified uninsured patients for all medically necessary health care services exceeding $150 (rather than $300) in any one inpatient admission or outpatient encounter. Provides civil monetary penalties of not $1,000 to $5,000 (rather than $500). Requires the Attorney General to publish an annual report that outlines complaints received related to hospital uninsured discount programs and financial assistance applications. Makes other changes. Replaces everything after the enacting clause. Amends the Community Benefits Act. Provides that the community benefits plans developed by a nonprofit hospital must describe activities the hospital is undertaking to address health equity, reduce health disparities, and improve community health. Provides that the annual report for the community benefits plan must include details about specified financial assistance applications received and processed by the hospital. Provides that, for a health system that includes more than one hospital, charity care spending and financial assistance application data must be reported separately for each individual hospital within the health system. Provides that a hospital shall make the annual hospital community benefits plan report submitted to the Attorney General available to the public by publishing the information on the hospital's website in the same location where annual reports are posted or on a prominent location on the homepage of the hospital's website. Provides that a hospital is not required to post its audited financial statements. Requires the Attorney General to provide notice on the Attorney General's website informing the public that, upon request, the Attorney General will provide the annual reports filed with the Attorney General. Makes changes concerning definitions. Makes other changes. Amends the Hospital Uninsured Patient Discount Act. Provides that a hospital meeting specified requirements shall provide: (1) a discount from its charges to any uninsured patient who applies for a discount and has family income of not more than 600% of the federal poverty income guidelines for all medically necessary health care services exceeding $150 (rather than $300) in any one inpatient admission or outpatient encounter; and (2) a charitable discount of 100% of its charges for all medically necessary health care services exceeding $150 (rather than $300) in any one inpatient admission or outpatient encounter to any uninsured patient who applies for a discount and has family income of not more than 200% of the federal poverty income guideline. Provides that the maximum amount that may be collected in a 12-month period for health care services provided by a hospital from a patient determined by that hospital to be eligible under specified provisions is 20% (rather than 25%) of the patient's family income. Requires hospital financial assistance applications to include language that directs the uninsured patient to contact the hospital's financial counseling department with questions or concerns, along with contact information for the financial counseling department, and a specified statement. Provides that a hospital shall permit an uninsured patient to apply for a discount within 90 (rather than 60) days of the date of discharge or date of service. Provides that a hospital shall offer specified uninsured patients an opportunity to be screened for and assistance with applying for public health insurance programs if there is a reasonable basis to believe that the uninsured patient may be eligible for a public health insurance program. Provides that, no later than September 1, 2022, the Attorney General shall provide data on the Attorney General's website regarding enforcement efforts performed under the Act from July 1, 2021 through June 30, 2022. Provides that, no later than September 1 of each year through September 1, 2027, the Attorney General shall annually provide data on the Attorney General's website regarding enforcement efforts performed under the Act from July 1 through June 30 of each year. Makes other changes. Effective January 1, 2022.

House Committee Amendment No. 1

In provisions of the Hospital Uninsured Patient Discount Act regarding patient responsibility, provides that hospitals may make the availability of a discount and the maximum collectible amount under the Act contingent upon the uninsured patient first applying for coverage under public health insurance programs (rather than public programs) if there is a reasonable basis to believe that the uninsured patient may be eligible for such program.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of “deception” changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1

Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes language providing that the Department of Public Health shall require each long-term care facility in the State to perform specified actions as a condition of facility licensure. Provides that the social isolation prevention policies shall not be interpreted as a substitute for in person visitation, but shall be wholly in addition to the existing in person visitation policies. Provides that a resident's individualized visitation plan shall give priority to the resident's preferences over the preferences of the resident's representative. Provides that a long-term care facility may apply for (rather than the Department shall distribute) civil monetary penalty fund grants, and may request other available federal and State funds to obtain assistive and supportive technologies and related accessories that would facilitate communication between residents and other family members, friends, and external support systems. Provides that the Department (rather than the Department's inspector) shall determine whether a long-term care facility is in compliance with the provisions whenever the Department conducts an annual licensure and certification survey, when a complaint is received, or as frequently as may be necessary (rather than whenever the Department conducts an inspection of a long-term care facility). Provides that a noncompliant long-term care facility shall be liable to pay an administrative penalty as a Type "C" violation. Provides that implementation of an administrative penalty as a Type "C" violation under the provisions shall not be imposed prior to January 1, 2023. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

In provisions amending the Nursing Home Care Act, provides that the social isolation prevention policies adopted by each long-term care facility shall be consistent with the rights and privileges guaranteed to residents and constraints provided under specified provisions of the Nursing Home Care Act.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Adds provisions regarding legislative findings. Replaces references to specified types of equipment with references to assistive and supportive technology and devices. Requires appropriate staff to develop and update an individualized virtual visitation schedule while taking into account the individual’s requests and preferences (rather than to assess and regularly reassess the individual needs and preferences of facility residents). Requires appropriate staff to develop an individualized virtual visitation schedule (rather than an individualized visitation plan) with specified requirements. Provides that specific protocols and procedures shall be developed to ensure that the quantity of assistive and supportive technology and devices maintained on-site at a facility remains sufficient, at all times, to meet the assessed social and activity needs and preferences of each facility resident. Makes other changes. Effective immediately.

New Act

Creates the Park District and Public Utility Liability Act. Provides that provisions in, or in connection with, a land lease agreement between an electric public utility and a park district that require a lessee park district to indemnify or hold harmless the lessor public utility against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence of the lessee is against public policy, void, and unenforceable. Provides that nothing in the Act shall prevent or prohibit a contract, promise, or agreement for a lessor to indemnify or hold harmless any lessee against liability for damages resulting from the sole negligence of the lessor. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Removes the word electric from the definition of "lessor." To the definition of "park district", adds forest preserve districts, conservation districts, and other local public entities that have recreation departments or facilities and have leases with lessors.
Provides that waivers of subrogation are against public policy.

House Floor Amendment No. 1

Provides that provisions in, or in connection with, a land lease agreement between a public utility (rather than an electric public utility) and a park district that require a lessee park district to indemnify or hold harmless the lessor public utility against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence of the lessor is against public policy, void, and unenforceable.

755 ILCS 50/5-15  was 755 ILCS 50/4.5

Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability, if an individual has the necessary support system to assist the individual in complying with posttransplant medical requirements, consider the individual's inability to independently comply with posttransplant medical requirements to be medically significant. Provides that a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services. Provides that a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity.

Senate Floor Amendment No. 2
Senator Karina Villa
SB 00500     (CONTINUED)

Deletes language providing that: a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services; and a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity. Provides instead that a covered entity shall comply with the requirements of the Americans with Disabilities Act of 1990 and its implementing regulations in making reasonable modifications to its policies or procedures in response to a request from an individual with disabilities regarding access to transplantation-related services. Adds a definition for "covered entity".

Changes the name of the Act to the Address Confidentiality for Victims of Domestic Violence, Sexual Assault, Human Trafficking, or Stalking Act. Makes the Act's requirements applicable to victims of human trafficking. Deletes language providing that: a program participant who is otherwise qualified to vote may apply to vote under the Election Code; the program participant shall automatically receive absentee ballots for all elections in the jurisdictions for which that individual resides; and the election authority shall transmit the absentee ballot to the program participant at the address designated by the participant in his or her application. Provides instead that a program participant who is otherwise qualified to vote may register to vote by submitting an Illinois Address Confidentiality Program Voter Registration Application created by the State Board of Elections to the appropriate election authority. Provides that the State Board of Elections (rather than the Attorney General) shall adopt rules to ensure the integrity of the voting process and the confidentiality of the program participant. In a provision regarding when disclosure of an address is prohibited, removes the exception requirement that a certification has been canceled. Exempts a program participant's address and phone number on file with the Attorney General from being disclosed under the Freedom of Information Act. Makes corresponding changes in the Freedom of Information Act and the Election Code.

House Floor Amendment No. 2

40 ILCS 5/16-158
from Ch. 108 1/2, par. 16-158

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.

Further amends the Downstate Teacher Article of the Illinois Pension Code. In a provision that requires an employer to make an additional contribution to the System for certain salary increases greater than 6%, excludes salary increases resulting from teaching summer school on or after May 1, 2021 and before September 15, 2022. Effective immediately.

Fiscal Note, House Floor Amendment No. 2 (Teachers Retirement System)

Actuarial cost impact. SB 1646 as amended would have an unknown impact to TRS. Changes allowing optional service purchase under the bill are designed to be fully paid for by the related member contributions. Changes in required school district contributions would likely create some additional cost to the State of Illinois, but the total cost cannot be calculated without knowing the actual behavior of individual school districts and employees. Administrative cost impact.

Administering the provisions of this bill would not increase the administrative costs of TRS.

Adds reference to:

40 ILCS 5/24-104

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Universities Article, provides that the System shall offer a deferred compensation plan that is eligible under a specified provision of the Internal Revenue Code of 1986 to participating employees of the System employed by employers that qualify as eligible employers under a specified provision of the Internal Revenue Code of 1986 (instead of offering a defined contribution benefit to active members of the System). Changes references from "defined contribution benefit" to "deferred compensation plan". Provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2022 under an eligible automatic contribution arrangement. Provides that an employee who is automatically enrolled shall have 3% of his or her compensation for each pay period deferred on a pre-tax basis into his or her account. Provides that an employee may elect not to participate or to increase or reduce the amount of elective deferrals made to the plan. Provides that the System may provide that the default percentage for any employee automatically enrolled in the eligible deferred compensation plan be increased by a specified percentage each plan year after the plan year in which the employee is automatically enrolled in the plan. Provides that the changes are intended to be retroactive to August 10, 2018 (the effective date of Public Act 100-769, which established the defined contribution benefit). In the Downstate Teacher Article, provides that the System may use funds provided under a provision concerning State and employer contributions to defray any and all costs of creating and maintaining the defined contribution benefit and then shall reimburse those costs from funds received from the employee and employer contributions to the defined contribution benefit. Provides that as soon as is practicable on or after January 1, 2022, the System shall automatically enroll any employee in the optional defined contribution benefit who first becomes an active member or participant in the System, and the member shall have 3% of his or her pre-tax gross compensation for each compensation period deferred into his or her deferred compensation account, unless the member otherwise instructs the System. Provides that the System may elect to increase the contribution rate subject to certain restrictions. In the Deferred Compensation Article, provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

In the State Universities Article of the Illinois Pension Code, provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2023 (rather than July 1, 2022) under an eligible automatic contribution arrangement. In the Public Employees' Deferred Compensation Article of the Illinois Pension Code, provides that "employee", for the purposes of the State Employees Deferred Compensation Plan, does not include a person employed by a certain State university employer who first becomes a participant of the retirement system under the State Universities Article on or after July 1, 2023 unless the person has made an election to defer compensation into the State Employees Deferred Compensation Plan under a written agreement and the deferral election is in effect as of June 30, 2023. SB 03707

Sen. Laura Fine, Sara Feigenholtz, Julie A. Morrison-Karina Villa, Laura Ellman and Eric Mattson
Amends the Illinois Act on the Aging. Provides that the amendatory Act applies to any person who is employed by the Department on Aging, or is contracted with the Department, to provide direct services to individuals enrolled in the Community Care Program. Requires dementia training of at least 2 hours to be completed at the start of employment with the Department or contractor. Provides that persons who are employees of the Department or a contractor on the effective date of the amendatory Act shall complete this training within 6 months after the effective date of the amendatory Act. Requires the training to cover the following subjects: Alzheimer's disease and dementia, safety risks, and communication and behavior. Requires annual continuing education training to include at least 2 hours of dementia training covering those subjects. Provides that if laws or rules existing on the effective date of the amendatory Act contain more rigorous training requirements for employees or contractors providing direct services to Community Care Program enrollees, those laws or rules shall apply. Provides that where there is overlap between the provisions of the amendatory Act and other laws and rules, the Department shall interpret the provisions of the amendatory Act to avoid duplication of requirements while ensuring that the minimum requirements set in the amendatory Act are met.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the amendatory Act applies to any person who is employed by the Department on Aging, or by an agency that is contracted with the Department, to provide direct services to individuals participating in the Community Care Program (rather than the amendatory Act applies to any person who is employed by the Department, or is contracted with the Department, to provide direct services to individuals enrolled in the Community Care Program). Provides that the amendatory Act is designed to improve the quality of training for Community Care Program direct service workers (rather than to address gaps in current dementia training requirements for Community Care Program direct service workers and improve the quality of training). Provides that an individual who is required to receive dementia training under other laws and rules may be considered exempt, as long as the requirement includes a minimum 2 hours of dementia training. Provides that an individual shall be required to show proof he or she received the training required under the amendatory Act. Removes language providing that where there is overlap between the amendatory Act and other laws and rules, the Department shall interpret the amendatory Act to avoid duplication of requirements while ensuring that the minimum requirements set in the amendatory Act are met.
New Act

Creates the Bias-Free Child Removal Pilot Program Act. Provides that subject to appropriation, the Department of Children and Family Services shall establish a 3-year Bias-Free Child Removal Pilot Program no later than July 1, 2023 for the purpose of promoting unbiased decision-making in the child removal process with the goal of decreasing the overrepresentation of BIPOC children in out-of-home placements. Requires the Department to choose a county that, based on a county-based analysis, indicates the highest rates of racial disproportionality. Requires the identified county to utilize a bias-free child removal strategy when deciding whether a child should be removed from his or her parents' home. Requires the Department to identify a public university to develop an evaluation design which identifies a control group (a county that does not utilize a bias-free child removal strategy) and compare those results with the intervention group (a county that utilizes a bias-child removal strategy). Provides that no later than January 1, 2023, the Department shall establish a Bias-Free Child Removal Review Committee consisting of an interdisciplinary, diverse group of 9 child welfare professionals and advocates for the purpose of creating the pilot program and the pre-implementation plan for the pilot program. Requires the Department to establish other procedures and protocols concerning (i) which diverse group of professions should be represented on the Committee, including required degrees, credentials, and experience, (ii) the frequency of bias-free child removal meetings, and (iii) decision-making protocols concerning removal. Contains provisions concerning certain demographic information that must be redacted from a child's case notes report prior to a determination on removal; the Department's evaluation reports to the General Assembly; and other matters. Effective immediately.
Replaces everything after the enacting clause. Creates the Bias-Free Child Removal Pilot Program Act. Provides that the purpose of the Act is to: (1) require the Department of Children and Family Services to establish a 3-year, Bias-Free Child Removal Pilot Program for the purpose of promoting unbiased decision making in the child removal process, while maintaining the safety of children and reducing risk, with the goal of decreasing the overrepresentation of BIPOC children in out-of-home placements; (2) establish a pre-implementation steering committee to: (i) develop and implement the Bias-Free Removal Pilot Program by January 1, 2024; (ii) recruit members for the Bias-Free Case Review Team; and (iii) recruit members for the Bias-Free Child Removal Advisory Board; (3) establish a Bias-Free Case Review Team consisting of a child protection supervisor, an area administrator, and a regional administrator from an area other than the pilot area to: (i) review removal decisions absent specific demographic information; and (ii) determine whether removal of the child is necessary to avoid imminent risk to his or her safety, health, and well-being; and (4) establish a Bias-Free Child Removal Advisory Board to monitor and oversee the Bias-Free Case Review Team and ensure that the Bias-Free Case Review Team executes bias-free removals in accordance with the provisions of the Act. Contains provisions on the 3-year Bias-Free Child Removal Pilot Program and its implementation in field offices located in Cook County, Champaign County, and St. Clair County; Department reports to the General Assembly that detail the pilot program's implementation and that provide an analysis of the pilot program's effect and impact on the removal rates of BIPOC children; establishment of a steering committee by January 1, 2023; the steering committee's composition and duties, including the development of a written plan and requirements for the pilot program; the composition and duties of the Bias-Free Case Review Team; the requirement that certain demographic and identifiable information concerning children and parents be redacted from intake summaries, case notes, and investigations; the Department's development of a tool or rubric for the Review Team to fully document the decision-making process and what led to the final decision; the composition and duties of a Bias-Free Child Removal Advisory Board; the criteria that must be met to justify statewide expansion of the pilot program; and other matters. Provides that the Department shall adopt rules, policies, and procedures necessary to implement the Act with the assistance of the steering committee. Provides that the Act is repealed on January 1, 2027. Effective immediately.

Senate Floor Amendment No. 4
Senator Karina Villa  
SB 03720   (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 2 with the following changes: Provides that the steering committee shall include 5 staff members from the Department of Children and Family Services (rather than 3 staff members from the Department) which shall include a child protection investigator and a child protection supervisor. Requires the steering committee to include in the development of the Bias-Free Child Removal Pilot Program (i) a decision regarding a timeline for convening the Bias-Free Case Review Team and (ii) how and when the child protection investigator or child protection supervisor shall present an investigation to the Bias-Free Case Review Team. Provides that the pilot program shall not prevent a child protection investigator or supervisor from performing routine assignments required under Department policy after taking protective custody of a child. Provides that the redaction of case file information or the preparation of case files for the Review Team shall not be completed by the child protection investigator or the child protection supervisor. In a provision requiring the Review Team to make a final decision on whether a child's removal should be upheld, removes language requiring the Review Team to make that final decision as soon as possible but no later than 48 hours prior to a shelter care hearing. Creates the Higher Education Housing and Opportunities Act. Requires an institution of higher education (including a business, technical, or vocational school) to designate at least one employee who works within the financial aid department, campus housing services, or any other appropriate office or department, as may be determined by the institution, to serve as a liaison between the institution and a homeless student or student in care who is enrolled at the institution. Senate Committee Amendment No. 1

Adds the Illinois Community College Board as a governing body with responsibilities under the Act. Requires an institution to create a position to carry out the responsibilities of a liaison if the number of students experiencing homelessness or students in care exceeds 2% (rather than 1%) of the student body. Effective August 1, 2022.

Provides that the $100 additional fee is an annual, flat fee that shall be based on an applicant's new or existing registration year for the vehicle's corresponding weight category. Provides that a designation as an electric vehicle shall not alter a vehicle's registration. Provides that $1 of the additional fees shall be deposited into the Secretary of State Special Services Fund and the remainder of the additional fees shall be deposited into the Road Fund. Provides that the Secretary shall adopt any rules necessary to implement the new provisions.

Senate Committee Amendment No. 2

Removes language providing that a purchaser of a vehicle who obtains a security interest in a vehicle in good faith for value takes free of any undisclosed liens unless the purchaser has notice of such liens and that, upon the perfection of the security interest, the Secretary of State shall invalidate the undisclosed lienholder's interest in the vehicle subject to an investigation by the Secretary of State Department of Police. Removes language allowing only a licensed dealer to use the reassignment portion included on a certificate of title to reassign a vehicle to another licensed dealer. SB 02243  (CONTINUED) 

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 2 with the following changes. Provides that "music therapy intervention" as defined occurs during a therapist-client relationship and includes collaborating with and educating the client and the family, caregiver of the client, or any other appropriate person regarding the needs of the client that are being addressed in music therapy and the manner in which the music therapy treatment addresses those needs in compliance with state and federal law. Provides that the Music Therapy Advisory Board shall advise the Department of Financial and Professional Regulation on all matters pertaining to disciplinary actions for practice of music therapy in the State. Removes a provision that provides that nothing in the Act may be construed to prohibit the practice of a person whose training and national certification attests to the individual's preparation and ability to practice the individual's certified profession or occupation. Provides that the Secretary of Financial and Professional Regulation shall issue a license to an applicant for a professional music therapist license if the applicant is of good moral character. Provides that in determining moral character under the provisions of qualifications for licensure, the Department may take into consideration whether the applicant has engaged in conduct which would constitute grounds for discipline under the Act. Removes a ground for discipline of a failure to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by a tax Act administered by the Department of Revenue. Adds that whenever the Secretary believes substantial justice (rather than only justice) has not been done in the revocation, suspension, or refusal to issue or renew a license or the discipline of a license, the Secretary may order a rehearing. Removes provisions concerning: the suspension of license for failure to pay restitution; the surrender of license; and conflict with the Act. Makes other and conforming changes.

Provides that in the development of rules to monitor usage of nurse agency services, the Department may consult with the Department of Public Health to ensure the rules will determine the quality of care and public health impacts of the usage of nurse agency services.
