Provides that play time shall be considered clock hours for purposes of the Code. Provides for the inclusion of students with disabilities in play time. Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an application for an owners license to also include evidence that the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and a commitment to pay a prevailing wage for construction employees. Requires the project labor agreement to conform to certain requirements in the Project Labor Agreements Act. Provides that for pending applications before the Illinois Gaming Board, the applicant shall submit evidence of the labor agreement within 30 days after the effective date of the amendatory Act. Provides that the Board may not award any pending applications until the evidence of the labor agreement has been submitted to the Board. In its decision to grant an owners license, the Board shall also consider whether the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and whether the applicants pays a prevailing wage for construction employees. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed with the following changes: In provisions concerning an application for an owners license, requires the application to also include evidence that the applicant has entered into a fully executed project labor agreement with the applicable local building trades council (rather than evidence that the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and a commitment to pay a prevailing wage). Provides that in the Illinois Gaming Board's decision to grant an owners license, the Board shall also consider whether the applicant has entered into such a project labor agreement (rather than whether the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and whether the applicants pays a prevailing wage for construction employees). In provisions concerning the renewal of an owners license, removes language allowing the Board to shorten a renewal period. Effective immediately.

New Act

Creates the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act. Provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health or substance use disorder to obtain appropriate treatment across state lines in qualified hospitals and facilities that are closer to their homes than are facilities available in their home states. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to provide substance use or mental health treatment to Wisconsin residents who are subject to involuntary commitment orders for treatment issued by Wisconsin courts, except that no services may be provided to Wisconsin residents who are involved in a criminal proceeding. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to secure substance use or mental health treatment for Illinois residents who are subject to involuntary commitment orders for treatment issued by State courts, except that no services may be secured for Illinois residents who are committed under specified provisions of the Code of Criminal Procedure or the Unified Code of Corrections. Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities, required contract provisions, and other matters.

Senate Floor Amendment No. 1

Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act). Removes all references to treatment for a substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Allows the Illinois Innovation Voucher Program to be administered by a governmental entity with expertise in innovation, technology, economic development, research and development, and public private partnerships. Provides that the Department of Commerce and Economic Opportunity, subject to appropriation, shall be authorized to provide to the entity administering the Program an administrative fee in an amount not to exceed 10% (rather than 15%) of the total value of vouchers estimated by the Department to be issued in each fiscal year. Makes the awarding of innovation vouchers subject to appropriation. Makes other changes. Effective immediately.

House Committee Amendment No. 1

Adds reference to:

New Act

Provides that the Illinois Broadband Adoption Fund is established as a special fund within the State treasury for the purpose of providing financial assistance. Provides that if the Department of Human Services determines that an individual is eligible for financial assistance, the Department may provide financial assistance to the individual in the form of one or more vouchers, each in an amount up to (rather than in the amount of) $50, that can be used by the individual to pay one or more specified expenses.

House Floor Amendment No. 3

Provides that the Illinois Broadband Adoption Fund is established as a special fund within the State treasury for the purpose of providing financial assistance. Provides that if the Department of Human Services determines that an individual is eligible for financial assistance, the Department may provide financial assistance to the individual or to the broadband Internet provider designated by the individual in the form of one or more vouchers to pay for specified expenses. Provides that a provider that receives a voucher from an individual household who subscribes to the provider's broadband Internet service shall deduct the amount of the voucher from the amount owed by the subscriber for the provider's provision of broadband Internet service to the individual household on a monthly basis. Removes provision allowing the Illinois Innovation Voucher Program to be administered by an entity other than the Department of Commerce and Economic Opportunity. Makes a conforming change.

New Act

Creates the Statewide 2-1-1 Act. Contains only a short title provision.
Creates the PFAS Reduction Act. Provides that a person, local government, fire department, or State agency may not discharge or otherwise use for training or testing purposes a class B firefighting foam containing intentionally added PFAS. On and after January 1, 2022, prohibits the knowing manufacture, sale, offering for sale, distribution for sale, or distribution for use of a class B firefighting foam containing intentionally added PFAS. Provides specified notice and recall requirements for manufacturers. Contains a prohibition and exemption for the manufacture, sale, offering for sale, or distribution for sale of food packaging containing intentionally added PFAS. Requires manufacturers of class B firefighting foam containing PFAS to register with the Environmental Protection Agency and pay to the Agency an annual registration fee of $5,000. Requires the Agency to administer and enforce the Act and to adopt rules. Requires the Office of the State Fire Marshal to conduct a survey of fire departments and to provide a report of the results of the survey to the General Assembly no later than 90 days after its completion. Provides a civil penalty of $5,000 for the first violation of the Act and $10,000 for each subsequent violation. Provides that civil penalties collected must be deposited into the Environmental Protection Trust Fund to be used in accordance with the provisions of the Environmental Protection Trust Fund Act. Contains other provisions. Effective immediately.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes references to firefighting personal protection equipment. Provides that nothing in the Act shall prevent or discourage a fire department from responding to and mitigating incidents where a fire, spill, or leak of a known or suspected flammable liquid has occurred or is believed to be imminent. Provides that specified prohibitions do not apply to the use of Class B firefighting foam containing PFAS chemicals by a fire department while responding to an emergency situation. Requires manufacturers to provide specified notice to fire departments. Removes language requiring manufacturers that produce, sell, or distribute a restricted Class B firefighting foam to recall the product and reimburse the retailer or any other purchaser for the product. Requires the Agency to annually report specified notifications to the Office of the State Fire Marshal. Provides that the Agency shall not adopt any rule that would prevent a fire department from mitigating an emergency incident involving a Class B flammable liquid fire, spill, or leak. Removes information to be included in the Office of the State Fire Marshal's survey of fire departments. Contains provisions regarding the proper disposal of Class B firefighting foam containing PFAS. Removes provisions regarding firefighting personal protective equipment, food packaging and exemptions, and the PFAS Program Fund. Removes language providing that persons who violate the Act are subject to specified civil penalties. Makes other changes.

Senate Committee Amendment No. 2
Provides that specified persons and entities must notify the Illinois Emergency Management Agency (rather than submit a report to the Environmental Protection Agency) within 48 hours of a discharge or release. Provides that notifications and surveys shall only include a Fire Department Identification number if applicable. Provides that the Illinois Emergency Management Agency (rather than the Environmental Protection Agency) shall report specified notifications to the Office of the State Fire Marshal. Removes provisions requiring the Environmental Protection Agency to adopt rules for the implementation and administration of the Act. Requires the Office of the State Fire Marshal to conduct the survey of fire departments on or before January 1 of each of the 5 years (rather than annually) after January 1, 2022. Removes language requiring the Office of the State Fire Marshal to assist other State agencies, fire departments, and municipalities in avoiding purchasing or using firefighting agents containing PFAS chemicals that are regulated under the Act. Requires the Environmental Protection Agency to post on its website information regarding the proper methods for (rather than develop a program to assist fire departments in) disposing of Class B firefighting foam containing PFAS.

Senate Floor Amendment No. 3
Makes changes to the bill as amended by Senate Amendment No. 1 to provide that any person who operates a refinery or chemical or ethanol plant, a storage and distribution facility, or a tank farm or terminal for flammable liquids, or who has a fixed foam system in use at a manufacturing facility or warehouse, may extend the date of compliance under specified provisions to January 1, 2027 if, prior to January 1, 2025, the person determines that additional time for compliance is needed and sends notice of the determination to the Office of the State Fire Marshal.

New Act

Creates the Coal Tar Sealant Disclosure Act. Requires specified persons and entities, public schools and public school districts, and State agencies to disclose the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product. Provides requirements for disclosures made under the Act. Requires persons or entities to provide information regarding alternative sealant upon request and public schools or public school districts and the State to seek an asphalt-based sealant when distributing any request for proposals. Requires public schools or public school districts and State agencies to determine whether specified benefits of alternative products outweigh the cost, and if so to use them. Provides that the Department of Public Health, in consultation with the State Board of Education, shall conduct outreach to public schools and public school districts regarding coal tar-based sealant and high polycyclic aromatic hydrocarbon product. Provides that nothing in the Act applies to a construction project or sale in which coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product is used for roofing application. Contains other provisions.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes provisions regarding coal tar sealant disclosure requirements for contractors. Provides that on or before May 1, 2023 (rather than January 1, 2022): (1) the Department of Public Health and the State Board of Education shall post on their websites guidance on screening for coal tar-based sealant product or high polycyclic aromatic hydrocarbon sealant product, requirements for a request for proposals, and requirements for disclosure; and (2) the Department shall adopt rules for the procedures and standards to be used in assessing acceptable levels of high polycyclic aromatic hydrocarbon content of a pavement seal applied to any State agency property. Provides that provisions regarding coal tar-based sealant disclosure for State property do not apply to pavement engineering projects requiring the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product for pavement engineering-related use on a highway structure conducted by or under the authority of the Department of Transportation. Provides that the Act is effective January 1, 2023.

Provides that when a patient has been determined by EMS personnel to (1) have no immediate life-threatening injuries or illness, (2) not be under the influence of drugs or alcohol, (3) have no immediate or obvious need for transport to an emergency department, and (4) have an immediate need for transport to an EMS System-approved mental health facility, the EMS personnel may contact Online Medical Control or his or her EMS Medical Director or Emergency Communication Registered Nurse to request bypass or diversion of the closest emergency department and request transport to the closest or appropriate EMS System-approved mental health facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following change. Adds reference to:
   210 ILCS 50/3.85
Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that “non-emergency medical services” means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes. Effective immediately.

New Act

Creates the Wipes Labeling Act. Presents the findings of the General Assembly. Provides that a covered entity must clearly and conspicuously label a covered product as “do not flush” in accordance with specified requirements. Provides that, upon a request by a municipality or county, a covered entity must submit to the requesting entity, within 90 days after the request, nonconfidential business information and documentation demonstrating compliance with the Act in a format that is easy to understand. Provides that municipalities and counties have concurrent and exclusive authority to enforce the Act and to collect civil penalties for violations of the Act and may impose a civil penalty in the amount of up to $2,000 for the first violation of the Act, up to $5,000 for the second violation, and up to $10,000 for the third and any subsequent violation. Provides that a municipality or county must send a written notice of an alleged violation and a copy of the requirements of the Act to a noncompliant covered entity, which will have 90 days to become compliant. Provides that covered products required to be registered by the United States Environmental Protection Agency under the federal Insecticide, Fungicide, and Rodenticide Act must only comply with the Act on and after July 1, 2023. Limits home rule powers to regulate the labeling of covered products. Contains a severability provision. Effective July 1, 2022.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to municipalities and counties with references to jurisdictional wastewater authorities. Replaces the labeling requirements of the introduced bill with provisions requiring that, subject to specified exceptions, a covered product manufactured on or after July 1, 2022 shall be labeled clearly and conspicuously in adherence to specified labeling requirements. Provides that a covered entity may include on a covered product words or phrases in addition to those required for label notice if the words or phrases are consistent with the purposes of the provisions. Provides that jurisdictional wastewater authorities shall have the concurrent and exclusive authority (rather than only the authority) to enforce the Act and collect civil penalties for violation of the Act. New Act

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

SB 00208  (CONTINUED)

Amends the Illinois Secure Choice Savings Program Act. Removes all references to and the definition of "small employer". Provides that the Act applies to employers with at least one employee (rather than employers with fewer than 25 employees). Requires the Illinois Secure Choice Savings Board to (i) establish annual automatic increases to the contribution rates and (ii) verify employee eligibility for auto-enrollment in accordance with the Internal Revenue Code and applicable federal and State laws. Makes changes regarding penalties for employers who fail, without reasonable cause, to enroll an employee in the Illinois Secure Choice Savings Program (Program). Provides that, for purposes of the penalties, the Department of Revenue shall determine total employee count for employers using the annual average from employer-reported quarterly data. Provides that the Department may provide notice regarding penalties in an electronic format to be determined by the Department. Removes a provision authorizing the Department to implement the penalties 9 months after the Illinois Secure Choice Savings Board notifies the Director of Revenue that the Program has been implemented.

Senate Committee Amendment No. 1

Provides that the Act applies to employers with at least 5 employees, rather than at least one employee. (Current law applies to employers with fewer than 25 employees.) Amends the Energy Assistance Act. Provides that the Department of Commerce and Economic Opportunity may not set the annual eligibility level for energy assistance higher than 60% of the State median income as established by the U.S. Department of Health and Human Services. Requires the Department to ensure that households with children under the age of 6 years old are offered a priority application period. Provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Supplemental Low-Income Energy Assistance Fund into any other fund of the State. Contains provisions concerning certain unspent funds being utilized for weatherization expenses; allowances to Local Administrative Agencies for administrative expenses; incremental changes to the monthly energy assistance charges billed to utility customers; Department reports on monies collected and allocated to utilities for implementation of their Percentage of Income Payment Plans; and other matters. Provides that all energy assistance programs under the Act shall be available to eligible residents regardless of immigration status.

Senate Floor Amendment No. 1

Changes the date upon which each public utility, electric cooperative, and municipal utility shall begin assessing a monthly Energy Assistance Charge on customer accounts from January 1, 2021 to January 1, 2022. Restores a provision providing that the Percentage of Income Payment Plan is created as a mandatory bill payment assistance program for low-income residential customers of utilities serving more that 100,000 retail customers.

House Committee Amendment No. 1

Removes language that provides that the Supplemental Low-Income Energy Assistance Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Fund into another fund of the State.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning information that a network plan shall make available through an electronic provider directory or in print, provides that information concerning use of telehealth or telemedicine includes, but is not limited to, whether the provider offers the use of telehealth or telemedicine to deliver services to patients for whom it would be clinically appropriate (rather than whether the provider offers the use of telehealth or telemedicine to deliver services) and what modalities are used and what types of services may be provided via telehealth or telemedicine (rather than what modalities are used and what services via telehealth or telemedicine are provided). believed to be imminent. Provides that specified prohibitions do not apply to the use of Class B firefighting foam containing PFAS
chemicals by a fire department while responding to an emergency situation. Requires manufacturers to provide specified notice to fire
departments. Removes language requiring manufacturers that produce, sell, or distribute a restricted Class B firefighting foam to recall
the product and reimburse the retailer or any other purchaser for the product. Requires the Agency to annually report specified
notifications to the Office of the State Fire Marshal. Provides that the Agency shall not adopt any rule that would prevent a fire
department from mitigating an emergency incident involving a Class B flammable liquid fire, spill, or leak. Removes information to be
included in the Office of the State Fire Marshal's survey of fire departments. Contains provisions regarding the proper disposal of
Class B firefighting foam containing PFAS. Removes provisions regarding firefighting personal protective equipment, food packaging
and exemptions, and the PFAS Program Fund. Removes language providing that persons who violate the Act are subject to specified
civil penalties. Makes other changes.

Senate Committee Amendment No. 2

Provides that specified persons and entities must notify the Illinois Emergency Management Agency (rather than submit a
report to the Environmental Protection Agency) within 48 hours of a discharge or release. Provides that notifications and surveys shall
only include a Fire Department Identification number if applicable. Provides that the Illinois Emergency Management Agency (rather
than the Environmental Protection Agency) shall report specified notifications to the Office of the State Fire Marshal. Removes
provisions requiring the Environmental Protection Agency to adopt rules for the implementation and administration of the Act.
Requires the Office of the State Fire Marshal to conduct the survey of fire departments on or before January 1 of each of the 5 years
(rather than annually) after January 1, 2022. Removes language requiring the Office of the State Fire Marshal to assist other State
gencies, fire departments, and municipalities in avoiding purchasing or using firefighting agents containing PFAS chemicals that are
regulated under the Act. Requires the Environmental Protection Agency to post on its website information regarding the proper
methods for (rather than develop a program to assist fire departments in) disposing of Class B firefighting foam containing PFAS.

Makes the Act's requirements applicable to victims of human trafficking. Deletes language providing that: a program participant who is otherwise qualified to vote may apply to vote under the Election Code; the program participant shall automatically receive absentee ballots for all elections in the jurisdictions for which that individual resides; and the election authority shall transmit the absentee ballot to the program participant at the address designated by the participant in his or her application. Provides instead that a program participant who is otherwise qualified to vote may register to vote by submitting an Illinois Address Confidentiality Program Voter Registration Application created by the State Board of Elections to the appropriate election authority. Provides that if the place of custody is located in a jurisdiction where the court has appointed the public defender or other attorney to represent persons who are in police custody, the telephone number to the public defender or appointed attorney's office must also be displayed. Provides that in the event a person who is in police custody is transferred to a new place of custody, his or her right to make at least 3 telephone calls within one hour after arrival is renewed. 705 ILCS 135/5-20
725 ILCS 5/124A-20
Amends the Criminal and Traffic Assessment Act. Deletes language providing that one hour of public or community service shall be equivalent to $4 of assessment. Provides instead that the period of public service necessary to satisfy the assessment shall be set by the court, but in no event shall the hourly rate of the public or community service performed by the defendant be equivalent to less than the minimum wage of the State. Provides that the performance of public or community service may (rather than shall) be a condition of probation, conditional discharge, or supervision and shall be in addition to the performance of any other period of public or community service ordered by the court or required by law. Amends the Code of Criminal Procedure of 1963. In a provision regarding assessment waiver, removes language from the definition of "assessments" excluding assessments tied to violations of the Illinois Vehicle Code. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the engrossed bill, and further amends the Code of Criminal Procedure of 1963. Reduces the amount by which criminal and traffic assessments may be waived for traffic and certain criminal offenses. Effective immediately.

Fiscal Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would likely have a negative fiscal impact on local circuit court budgets, as well as state, county, and municipal entities and law enforcement agencies who share revenue collected from traffic assessments. It is not possible to formulate a reliable estimate of the fiscal impact of this bill because comprehensive statewide data does not currently exist regarding the percentage of defendants in traffic cases, who would be eligible for full or partial waivers under the criteria contained in the bill, or the dollar amount of waived assessments in those cases that otherwise would have been collected.

House Floor Amendment No. 2
Removes the change to the Code of Criminal Procedure of 1963 that alters the definition of "assessments" to include assessments tied to violations of the Illinois Vehicle Code. Provides instead that, in a county having a population of more than 3,000,000, "assessments" includes assessments for violations of the Illinois Vehicle Code. Provides that the added language is inoperative on and after July 1, 2024.

Amends the Medical Practice Act of 1987. Provides that not later than 12 months after the effective date of the amendatory Act, the Department of Financial and Professional Regulation shall adopt rules that require a person seeking licensure to practice medicine in all of its branches to have completed 3 hours of education on the diagnosis, treatment, and care of individuals with cognitive impairments, including, but not limited to, Alzheimer's disease and other dementias. Specifies that the education requirement shall only apply to applicants who serve or will serve adult populations and have or will have direct patient interactions in their capacity as physicians. Provides that not later than 12 months after the effective date of the amendatory Act, the Department shall adopt rules that require any continuing education for persons licensed to practice medicine under all of its branches to include an average of one hour of continuing education per license year on the diagnosis, treatment, and care of individuals with cognitive impairments, including, but not limited to, Alzheimer's disease and other dementias. Specifies that the continuing education requirement shall only apply to persons who serve adult populations and have direct patient interactions in their capacity as physicians. Provides that the curriculum used for the education and continuing education requirements shall cover the diagnosis of Alzheimer's disease and other dementias, including recognizing the signs and symptoms of dementia; person-centered care; assessment and care planning; and culturally competent health care.

Senate Committee Amendment No. 2

Deletes reference to:
225 ILCS 60/11 from Ch. 111, par. 4400-11

225 ILCS 60/20.1 new

Replaces everything after the enacting clause. Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Provides that for license or registration renewals occurring on or after January 1, 2023, a health care professional who has continuing education requirements must complete at least a one-hour course in training on the diagnosis, treatment, and care of individuals with Alzheimer's disease and other dementias per renewal period. Provides that the training shall include, but not be limited to, assessment and diagnosis, effective communication strategies, and management and care planning. Provides that the requirement shall only apply to health care professionals who provide health care services to adult populations age 26 or older in the practice of their profession. Provides that a health care professional may count that one hour for completion of the course toward meeting the minimum credit hours required for continuing education. Provides that any training on Alzheimer's disease and other dementias applied to meet any other State licensure requirement, professional accreditation or certification requirement, or health care institutional practice agreement may count toward the continuing education requirement. Provides that the Department of Financial and Professional Regulation may adopt rules for the implementation of the continuing education requirement. Effective immediately.

Senate Floor Amendment No. 4

Provides that the continuing education requirements shall only apply to health care professionals who provide health care services to, and have direct patient interactions with (rather than who provide health care services to), adult populations age 26 or older in the practice of their profession.

SB 00692  (CONTINUED)

Creates the Coal Tar Sealant Disclosure Act. Requires specified persons and entities, public schools and public school districts, and State agencies to disclose the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product. Provides requirements for disclosures made under the Act. Requires persons or entities to provide information regarding alternative sealant upon request and public schools or public school districts and the State to seek an asphalt-based sealant when distributing any request for proposals. Requires public schools or public school districts and State agencies to determine whether specified benefits of alternative products outweigh the cost, and if so to use them. Provides that the Department of Public Health, in consultation with the State Board of Education, shall conduct outreach to public schools and public school districts regarding coal tar-based sealant and high polycyclic aromatic hydrocarbon product. Provides that nothing in the Act applies to a construction project or sale in which coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product is used for roofing application. Contains other provisions.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes provisions regarding coal tar sealant disclosure requirements for contractors. Provides that on or before May 1, 2023 (rather than January 1, 2022): (1) the Department of Public Health and the State Board of Education shall post on their websites guidance on screening for coal tar-based sealant product or high polycyclic aromatic hydrocarbon sealant product, requirements for a request for proposals, and requirements for disclosure; and (2) the Department shall adopt rules for the procedures and standards to be used in assessing acceptable levels of high polycyclic aromatic hydrocarbon content of a pavement seal applied to any State agency property. Provides that provisions regarding coal tar-based sealant disclosure for State property do not apply to pavement engineering projects requiring the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product for pavement engineering-related use on a highway structure conducted by or under the authority of the Department of Transportation. Provides that the Act is effective January 1, 2023.

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postpartum periods which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Amends the Nursing Home Care Act. Provides that the Department of Public Health shall require each long-term care facility in the State, as a condition of facility licensure, to adopt and implement written policies, provide for the availability of technology to facility residents, and ensure that appropriate staff and other capabilities are in place to prevent the social isolation of facility residents. Contains specified requirements for the social isolation prevention policies. Provides that the Department shall distribute civil monetary penalty funds, as approved by the federal Centers for Medicare and Medicaid Services, and any other available federal and State funds, upon request, to facilities for communicative technologies and accessories needed for the purposes of the provisions. Provides that whenever the Department conducts an inspection of a long-term care facility, the Department's inspector shall determine whether the long-term facility is in compliance with the provisions and the policies, protocols, and procedures adopted pursuant to the provisions. Requires the Department to adopt rules necessary to implement the provisions within 60 days after the amendatory Act's effective date (and makes conforming changes in the Illinois Administrative Procedure Act). Contains other provisions. Effective immediately.

Senate Committee Amendment No. 1
Senator Jacqueline Y. Collins
SB 02137 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes language providing that the Department of Public Health shall require each long-term care facility in the State to perform specified actions as a condition of facility licensure. Provides that the social isolation prevention policies shall not be interpreted as a substitute for in person visitation, but shall be wholly in addition to the existing in person visitation policies. Provides that a resident's individualized visitation plan shall give priority to the resident's preferences over the preferences of the resident's representative. Provides that a long-term care facility may apply for (rather than the Department shall distribute) civil monetary penalty fund grants, and may request other available federal and State funds to obtain assistive and supportive technologies and related accessories that would facilitate communication between residents and other family members, friends, and external support systems. Provides that the Department (rather than the Department's inspector) shall determine whether a long-term care facility is in compliance with the provisions whenever the Department conducts an annual licensure and certification survey, when a complaint is received, or as frequently as may be necessary (rather than whenever the Department conducts an inspection of a long-term care facility). Provides that noncompliant long-term care facility shall be liable to pay an administrative penalty as a Type "C" violation. Provides that implementation of an administrative penalty as a Type "C" violation under the provisions shall not be imposed prior to January 1, 2023. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

In provisions amending the Nursing Home Care Act, provides that the social isolation prevention policies adopted by each long-term care facility shall be consistent with the rights and privileges guaranteed to residents and constraints provided under specified provisions of the Nursing Home Care Act.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Adds provisions regarding legislative findings. Replaces references to specified types of equipment with references to assistive and supportive technology and devices. Requires appropriate staff to develop and update an individualized virtual visitation schedule while taking into account the individual's requests and preferences (rather than to assess and regularly reassess the individual needs and preferences of facility residents). Requires appropriate staff to develop an individualized virtual visitation schedule (rather than an individualized visitation plan) with specified requirements. Provides that specific protocols and procedures shall be developed to ensure that the quantity of assistive and supportive technology and devices maintained on-site at a facility remains sufficient, at all times, to meet the assessed social and activity needs and preferences of each facility resident. Makes other changes. Effective immediately.

New Act

Creates the Privacy of Adult Victims of Criminal Sexual Offenses Act. Defines "adult victim" and "criminal history record information." Provides that notwithstanding any other law to the contrary, inspection and copying of law enforcement records maintained by any law enforcement agency or all circuit court records maintained by any circuit clerk relating to any investigation or proceeding pertaining to a criminal sexual offense, by any person not exempted by this Act, shall be restricted to exclude the identity of the adult victim without a court order. Provides that when a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools if certain conditions are met. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change: Clarifies language related to restricting the identity of victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed, with the following changes: Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records, and removes "parent" from the list of exempt individuals. Provides that a court may for the adult victim's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the adult victim's identity. Provides that a court may prohibit such disclosure only after giving notice and a hearing to all affected parties. Provides that in determining whether to prohibit disclosure of the adult victim's identity the court shall consider: (a) the best interest of the adult victim; and (b) whether such nondisclosure would further a compelling State interest. Provides that the copy of the criminal history record information that is to be provided under a provision concerning criminal sexual offense and school districts shall exclude the identity of the adult victim. Provides that the superintendent shall be restricted from revealing the identity of the adult victim.

House Floor Amendment No. 2

Provides that the Attorney General and Assistant Attorneys General may be exempt from a requirement to exclude a victim's identity in certain records.

In a provision requiring training for registered employees of a private detective agency within 30 days of their employment, specifies that the training may be classroom-based or online Internet-based and removes certain topics that must be included in that training. Provides that registered employees of a private detective agency and private detectives shall complete an additional 8 hours of annual training each calendar year. Provides that private security contractors shall complete an additional 4 hours of annual training each calendar year. Provides that classroom basic training for private security contractors may be provided in a classroom setting or may be Internet-based online or other supervised computerized training. Provides that if a private security contractor owns or is employed by a private security contractor agency, the private security contractor agency shall maintain a record of the annual training and must make the record of annual training available to the Department of Financial and Professional Regulation upon request. Provides that a licensee applying for a firearm control card must complete a firearm training course consisting of 48 hours (rather than 40 hours) of training. Provides that a licensee or employee in possession of a valid firearm control card shall complete an additional 8 hours of refresher training each calendar year. Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In provisions amending the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004, provides that training for registered employees of a private detective agency, private detectives, and private security contractors may be provided in a classroom or seminar setting or via Internet-based online learning programs (rather than in a classroom setting or may be Internet-based online or other supervised computerized training); provides that the original form or a copy (rather than the form) that certifies that the employee successfully completed basic and annual training shall be placed in the employee's file with the employer for the period the employee remains with the employer (and makes conforming changes); and makes other changes. In provisions amending the Criminal Code of 2012, removes language that provides that specified provisions concerning the unlawful use of a weapon do not apply to an athlete's possession, transport on official Olympic and Paralympic transit systems established for athletes, or use of competition firearms sanctioned by the International Olympic Committee, the International Paralympic Committee, the International Shooting Sport Federation, or USA Shooting in connection with such athlete's training for and participation in shooting competitions at the 2016 Olympic and Paralympic Games and sanctioned test events leading up to the 2016 Olympic and Paralympic Games; specifies that, for certain security guards, 20 hours of training for a security officer and 28 (rather than 20) hours of firearm training are required to qualify for an exemption; and makes conforming changes.

40 ILCS 5/7-173 from Ch. 108 1/2, par. 7-173
Amends the Illinois Pension Code. In the State Universities Article, provides that the optional defined contribution plan shall provide for one or more automatic contribution arrangements, at least one of which shall be an eligible automatic contribution arrangement that permits a withdrawal of default elective contributions in accordance with a specified provision of the Internal Revenue Code of 1986. In the Illinois Municipal Retirement Fund (IMRF) Article, provides that the amount of the separation benefit shall include interest credited to the end of the preceding calendar year for contributions made under provisions authorizing employees to make additional contributions for retirement annuity purposes. Provides that employees who first participate in the Fund on or after 6 months after the effective date of the amendatory Act shall automatically contribute 3% of each payment of earnings as additional contributions for retirement annuity purposes. Provides that employees may change such contributions to an amount not to exceed 10% of each payment of earnings at any time. Provides that the Board may limit the number of withdrawals of those additional contributions to an amount not less than once per calendar year and may charge an administrative fee. In the Deferred Compensation Article, provides for automatic enrollment of any employee who is a member under the State Employee, Downstate Teacher, or Chicago Teacher Article, regardless of when the employee first became a member under that Article. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately, except that the changes to the IMRF and Deferred Compensation Articles of the Illinois Pension Code and to the State Mandates Act take effect January 1, 2022.

Senate Floor Amendment No. 4
Deletes reference to:

40 ILCS 5/24-104

from Ch. 108 1/2, par. 24-104

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Universities Article, provides that the System shall offer a deferred compensation plan that is eligible under a specified provision of the Internal Revenue Code of 1986 to participating employees of the System employed by employers that qualify as eligible employers under a specified provision of the Internal Revenue Code of 1986 (instead of offering a defined contribution benefit to active members of the System). Changes references from “defined contribution benefit” to “deferred compensation plan”. Provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2022 under an eligible automatic contribution arrangement. Provides that an employee who is automatically enrolled shall have 3% of his or her compensation for each pay period deferred on a pre-tax basis into his or her account. Provides that an employee may elect not to participate or to increase or reduce the amount of elective deferrals made to the plan. Provides that the System may provide that the default percentage for any employee automatically enrolled in the eligible deferred compensation plan be increased by a specified percentage each plan year after the plan year in which the employee is automatically enrolled in the plan. Provides that the changes are intended to be retroactive to August 10, 2018 (the effective date of Public Act 100-769, which established the defined contribution benefit). In the Downstate Teacher Article, provides that the System may use funds provided under a provision concerning State and employer contributions to defray any and all costs of creating and maintaining the defined contribution benefit and then shall reimburse those costs from funds received from the employee and employer contributions to the defined contribution benefit. Provides that as soon as is practicable on or after January 1, 2022, the System shall automatically enroll any employee in the optional defined contribution benefit who first becomes an active member or participant in the System, and the member shall have 3% of his or her pre-tax gross compensation for each compensation period deferred into his or her deferred compensation account, unless the member otherwise instructs the System. Provides that the System may elect to increase the contribution rate subject to certain restrictions. In the Deferred Compensation Article, provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

40 ILCS 5/24-104

Adds reference to:

40 ILCS 5/24-102 from Ch. 108 1/2, par. 24-102

In the State Universities Article of the Illinois Pension Code, provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2023 (rather than July 1, 2022) under an eligible automatic contribution arrangement. In the Public Employees' Deferred Compensation Article of the Illinois Pension Code, provides that "employee", for the purposes of the State Employees Deferred Compensation Plan, does not include a person employed by a certain State university employer who first becomes a participant of the retirement system under the State Universities Article on or after July 1, 2023 unless the person has made an election to defer compensation into the State Employees Deferred Compensation Plan under a written agreement and the deferral election is in effect as of June 30, 2023. Amends the Homeowners' Energy Policy Statement Act. Changes the definition of "solar storage mechanism" to include batteries. Provides that the entity may determine the specific configuration of the elements of a solar energy system on a given roof face, provided that it may not prohibit elements of the system from being installed on any roof face and that any such determination may not reduce the production of the solar energy system by more than 10% (rather than specific location where a solar energy system may be installed on the roof within an orientation to the south or within 45 degrees east or west of due south provided that the determination does not impair the effective operation of the solar energy system). Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that on and after a specified date, no unit of local government or school district may file or become a party to opioid litigation against an opioid defendant that is subject to a national multistate opioid settlement unless approved by the Attorney General. Provides that if counties representing 60% of the population of the State, including all counties with a population of at least 250,000, have agreed to an intrastate allocation agreement with the Attorney General, then the Attorney General has the authority to appear or intervene in any opioid litigation, and release with prejudice any claims brought by a unit of local government or school district against an opioid defendant that are subject to a national multistate opioid settlement and are pending on a specified date. Provides that this does not affect the Attorney General's authority to appear, intervene, or control litigation brought in the name of the State of Illinois or on behalf of the People of the State of Illinois. (Rep. Anna Moeller)
Amends the Nurse Practice Act. Removes language requiring that a collaborating physician attest to the completion of the clinical experience required for an advanced practice registered nurse to practice without a written collaborative agreement. Removes a provision that includes prescribing benzodiazepines or Schedule II narcotic drugs only in a consultation relationship with a physician within the scope of practice of an advanced practice registered nurse with full practice authority.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning clinical experience for an advanced practice registered nurse, provides that completion of the clinical experience must be attested to by the collaborating physician or physicians or employer (rather than the collaborating physician or physicians) and the advanced practice registered nurse. Provides that if the collaborating physician or physicians or employer is unable to attest to the completion of the clinical experience, the Department of Financial and Professional Regulation may accept other evidence of clinical experience as established by rule. Restores language concerning prescribing benzodiazepines or Schedule II narcotic drugs that was stricken in the introduced bill.
Amends the Children and Family Services Act. In provisions requiring the Department of Children and Family Services to submit annual reports to the General Assembly concerning youth in care who are awaiting placement or psychiatric hospitalization (rather than placement), provides that the reports are to be submitted no later than December 31 of each year (rather than on December 31 of each year through December 31, 2023). Requires the reports to be posted on the Department's website and to include specified information, including: (i) the number of youth in care placed in out-of-state residential treatment facilities, whether each youth was referred to any in-state programs for placement and, if so, the number of in-state referrals for each youth prior to referring the youth to out-of-state programs; (ii) the number of youth not in the temporary custody or guardianship of the Department who are the subjects of open child protection cases, intact family cases, or any other types of child welfare case, including, but not limited to, those youth for whom the Department is required to make medical assistance payments because they were hospitalized in inpatient psychiatric hospitals or units and were beyond medical necessity during the Department's involvement with the case; and (iii) the number of youth in care who remain in emergency rooms for longer than 24 hours waiting for admission to a psychiatric hospital bed. Effective immediately.
Amends the Adoption Act. Provides that a spouse or civil union partner is not required to join in a petition for the adoption of an adult if a petitioner is a former stepparent of that adult. Provides that the residence requirement for adoption shall not apply to: an adoption of a child placed by a State-licensed child welfare agency performing adoption services (rather than an adoption of a child placed by an agency); an adoption of an adult by a former stepparent; and an adoption of a child born in the State who has resided in the State continuously since birth, or a child who has continuously resided in the State for at least 6 months immediately preceding the commencement of the adoption proceeding. Includes additional information for the affidavit of identification to be given by the biological mother in an adoption proceeding. Provides that, in specified proceedings, in the case of a related adoption where the child sought to be adopted is not a youth in care, the court shall have the discretion to waive the appointment of a guardian ad litem. Provides that the ability for the petitioners to apply for judgment of adoption 6 months after the date of any interim order vesting temporary care, custody, and control of a child in the petitioners does not apply to a judgment for adoption of a related child, an adult, or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent. Deletes language providing that a judgment for adoption of an adult or a child as to whose adoption an agency or person authorized by law has the right of authority to consent may be entered at any time after service of process and after the return day designated therein. Provides instead that a judgment for adoption of: an adult may be entered at any time after the adult has consented to his or her adoption; or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent may be entered at any time after placement and completion of investigation. 755 ILCS 40/20  from Ch. 110 1/2, par. 851-20
755 ILCS 40/65
Amends the Health Care Surrogate Act. Changes certain uses of the term "qualified physician" to "qualified health care practitioner". Provides that execution of a POLST form shall not be a requirement for admission to any facility or a precondition to the provision of services by any provider of health care services. Provides that an individual may revoke a document directing that resuscitation efforts shall not be implemented. In a Section regarding Department of Public Health Uniform POLST forms, changes the definition of "attending health care practitioner". Provides that a health care provider facility shall comply with a POLST form, National POLST form, another state's POLST Paradigm portable medical orders form, or an out-of-hospital Do Not Resuscitate (DNR) order sanctioned by a State in the United States that: has been executed by an adult; and is apparent and immediately available. Provides that before voiding or revoking a uniform practitioner orders for life-sustaining treatment (POLST) form, National POLST form, or another state's POLST Paradigm portable medical orders form consented to by the individual, that individual's legally authorized surrogate decision maker shall first: engage in consultation with the attending health care practitioner; consult the patient's advance directive, if available; and make a good faith effort to act consistently, at all times, with the patient's known wishes, or, if the patient's wishes are not known, using substituted judgment as the standard. Provides that when an individual's legally authorized surrogate is making a good faith effort to act consistently with the patient's known wishes to void or revoke a POLST form, if the patient's wishes are unknown and remain unknown after reasonable efforts to discern them, the decision shall be made on the basis of the patient's best interests as determined by the surrogate decision maker.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Deletes the definition of "qualified physician". Defines "physician" as a physician licensed to practice medicine in all its branches in the State. Allows a surrogate decision maker to execute a POLST portable medical orders form to forgo life sustaining treatment. In a Section regarding Department of Public Health Uniform POLST forms, deletes the definition of "attending health care practitioner" and replaces references to "attending health care practitioner" with "qualified health care practitioner". Replaces "POLST Paradigm portable medical orders form" with "POLST portable medical orders form". Provides that certain requirements regarding the revocation of a POLST form do not apply to an individual wanting to revoke his or her own POLST form.

Provides that the payment rates calculated and determined, as provided in the amendatory Act, shall include an amount equal to any increase in the general inflation as determined by the consumer price index and shall be subject to appropriation. Effective immediately.
Amends the Chicago Teacher Article of the Illinois Pension Code. Provides that in case any officer whose signature appears upon any check or draft, issued pursuant to the Article, ceases to hold office, the signature nevertheless shall be valid and sufficient for all purposes. Removes language concerning checks or drafts signed by an officer who ceases to hold office before the delivery of the check to the payee. Provides that if the Fund mistakenly sets any benefit at an incorrect amount, the Fund shall recalculate the benefit as soon as may be practicable after the mistake is discovered. Provides that if the benefit was mistakenly set too low, the Fund shall make a lump sum payment to the recipient of an amount equal to the difference between the benefits that should have been paid and those actually paid, plus interest at the rate of 3% from the date the unpaid amounts accrued to the date of payment. Provides that if the benefit was mistakenly set too high, the Fund may recover the amount overpaid from the recipient plus interest at 3% from the date of overpayment to the date of recovery. Provides that employees who first participate in the Fund on or after 6 months after the effective date of the amendatory Act shall automatically contribute 3% of each payment of earnings as additional contributions for retirement annuity purposes. Provides that employees may change such contributions to an amount not to exceed 10% of each payment of earnings at any time. Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Universities Article, provides that the System shall offer a deferred compensation plan that is eligible under a specified provision of the Internal Revenue Code of 1986 to participating employees of the System employed by employers that qualify as eligible employers under a specified provision of the Internal Revenue Code of 1986 (instead of offering a defined contribution benefit to active members of the System). Changes references from "defined contribution benefit" to "deferred compensation plan". Provides that the System shall automatically enroll in the eligible deferred compensation plan any employee of an eligible employer who first becomes a participating employee of the System on or after July 1, 2022 under an eligible automatic contribution arrangement. Provides that an employee who is automatically enrolled shall have 3% of his or her compensation for each pay period deferred on a pre-tax basis into his or her account. Provides that an employee may elect not to participate or to increase or reduce the amount of elective deferrals made to the plan. Provides that the System may provide that the default percentage for any employee automatically enrolled in the eligible deferred compensation plan be increased by a specified percentage each plan year after the plan year in which the employee is automatically enrolled in the plan. Provides that the changes are intended to be retroactive to August 10, 2018 (the effective date of Public Act 100-769, which established the defined contribution benefit). In the Downstate Teacher Article, provides that the System may use funds provided under a provision concerning State and employer contributions to defray any and all costs of creating and maintaining the defined contribution benefit and then shall reimburse those costs from funds received from the employee and employer contributions to the defined contribution benefit. Provides that as soon as is practicable on or after January 1, 2022, the System shall automatically enroll any employee in the optional defined contribution benefit who first becomes an active member or participant in the System, and the member shall have 3% of his or her pre-tax gross compensation for each compensation period deferred into his or her deferred compensation account, unless the member otherwise instructs the System. Provides that the System may elect to increase the contribution rate subject to certain restrictions. In the Deferred Compensation Article, provides that pamphlets describing the deferred compensation plan shall not be distributed to employees who are covered under the Illinois Municipal Retirement Fund (IMRF), State Universities, or Downstate Teacher Articles. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Amends the Medical Assistance Article of the Illinois Public Aid Code. In a provision requiring the Department of Healthcare and Family Services to establish, by rule, a process by which a provider of ambulance services can appeal a denied request for payment of ambulance services (rather than payment of non-emergency transportation by means of ground ambulance service), provides that for all appeals concerning ambulance services provided on and after December 15, 2012, the provider shall establish the medical necessity of the transport utilizing the patient care report and any other materials available in accordance with specified criteria established under the Code. Provides that a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form is not necessary to establish subject matter jurisdiction for appeal or medical necessity on appeal but may be considered if available. Provides that all Department rules, or parts thereof, in conflict with the provisions of the amendatory Act shall not apply. Provides that nothing in the amendatory Act shall be construed to affect any rights, actions, or causes of action that accrued prior to the effective date of the amendatory Act, except that the non-necessity of a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form as provided in the amendatory Act shall be retroactively applied to the full extent permissible.

Senate Floor Amendment No. 1
Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code.
Provides that for all claims concerning ambulance services provided to fee-for-service Medicaid beneficiaries denied for failure of submittal of a valid Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance provided on and after December 15, 2012, the provider shall be able to appeal such denial and establish the medical necessity of the transport utilizing the patient care report and any other materials available in accordance with specified criteria established under the Code. Provides that a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form is not necessary to establish subject matter jurisdiction for appeal or medical necessity on appeal but may be considered if available. Provides that all Department rules, or parts thereof, in conflict with the provisions of the amendatory Act shall not apply. Provides that nothing in the amendatory Act shall be construed to affect any rights, actions, or causes of action that accrued prior to the effective date of the amendatory Act, except that the non-necessity of a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form as provided in the amendatory Act shall be retroactively applied to the full extent permissible, including allowing any claims denied for failure to procure such form which were not appealed at the time of denial to have an opportunity for proper appeal.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code,
Provides that for non-emergency ground ambulance claims properly denied under the policy of the Department of Healthcare and Family Services at the time the claim is filed due to failure to submit a valid Medical Certification for Non-Emergency Ambulance on and after December 15, 2012 and prior to January 1, 2021, the Department shall allot $2,000,000 to a pool to reimburse such claims if the provider proves medical necessity for the service by other means. Requires providers to submit any such denied claims for which they seek compensation to the Department no later than December 31, 2021 along with documentation of medical necessity. Provides that no later than May 31, 2022, the Department shall determine for which claims medical necessity was established. Provides that such claims for which medical necessity was established shall be paid at the rate in effect at the time of the service, provided the $2,000,000 is sufficient to pay at those rates. Provides that if the pool is not sufficient, claims shall be paid at a uniform percentage of the applicable rate such that the pool of $2,000,000 is exhausted. Provides that the appeal process described in a specified provision of the Code shall not be applicable to the Department's determinations. Effective immediately.

New Act

Creates the Coal Tar Sealant Disclosure Act. Requires specified persons and entities, public schools and public school districts, and State agencies to disclose the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product. Provides requirements for disclosures made under the Act. Requires persons or entities to provide information regarding alternative sealant upon request and public schools or public school districts and the State to seek an asphalt-based sealant when distributing any request for proposals. Provides that nothing in the Act applies to a construction project or sale in which coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product is used for roofing application. Contains other provisions.

Provides that provisions regarding coal tar-based sealant disclosure for State property do not apply to pavement engineering-related projects requiring the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product for pavement engineering-related use on a highway structure conducted by or under the authority of the Department of Transportation. Provides that the Act is effective January 1, 2023.

Provides that travel insurance may be classified and filed under an inland marine line of insurance, however, travel insurance that provides specified coverage may be filed under either an accident and health line of insurance or an inland marine line of insurance. Provides that travel insurance may be in the form of an individual, group, master, or blanket policy. Provides that the Department may adopt rules to implement the Article. Defines terms. Repeals a provision concerning travel insurance business entity licenses. Effective 90 days after becoming law.
Amends the Illinois Insurance Code. In provisions concerning development of medical necessity criteria for coverage of treatment models for early treatment of serious mental illnesses, provides that the rule adopted by the Department of Insurance that defines medical necessity for each of the treatment models shall be updated during calendar year 2021 to include nationally recognized, generally acceptable clinical criteria sourced to evidence-based medicine and to avoid unnecessary anti-competitive impacts.

Amends the Developmental Disability and Mental Disability Services Act. Requires the Department of Human Services, with the advice of appropriate advisory committees and stakeholders, to develop a plan and a timetable for the full implementation, by no later than State Fiscal Year 2024, of the recommended funding and policy changes presented in the 2020 report "Developmental Disability Services Rate Study: Residential Services and Related Supports". Requires the plan to identify the percentage of lost purchasing power for the Home-Based Support Services Program for Adults with Mental Disabilities since State Fiscal Year 2015 due to increases in workforce costs and rates. Amends the Illinois Public Aid Code. Provides that the medical assistance program shall cover community-based pediatric palliative care from a trained interdisciplinary team. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program and suffers from a serious illness (rather than a potentially life-limiting medical condition). Contains provisions concerning a State Plan amendment; prohibited Department rules; pediatric interdisciplinary teams; reimbursable services offered under the pediatric palliative care program; standards for and technical assistance to managed care organizations; reporting requirements; criteria a case manager must meet for demonstrated expertise in pediatric palliative care; and other matters.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes to the Pediatric Palliative Care Act. Provides that those serious illnesses that render a child eligible for pediatric palliative care services include any other serious illness that the Department, in consultation with interested stakeholders, determines to be appropriate. Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and "recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility specified information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental health records by law, regulation, or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental Health and Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental health records to the extent necessary to give the Act full implementation.

Amends the University of Illinois Hospital Act, the Ambulatory Surgical Treatment Center Act, the Hospital Licensing Act, and the Pharmacy Practice Act. Requires hospitals and facilities to offer a patient any unused portion of a facility-provided medication upon discharge when it is administered to a patient at the hospital or facility and is required for continuing treatment. Defines "facility-provided medication". Provides that an unused portion of a facility-provided medication required for continuing treatment must be provided to a patient upon discharge when the facility-provided medication is ordered at least 24 hours in advance for surgical procedures. Requires facility-medications to be consistent with labeling requirements under specified provisions of the Pharmacy Practice Act. Effective July 1, 2021.

New Act

Creates the Renters' Right to Recycle Act. Requires owners of multifamily dwellings to arrange for recycling services that are appropriate to the multifamily dwelling, including, but not limited to, the provision of on-site paper, plastic, and aluminum recycling containers for tenants. Provides exceptions for multifamily dwellings with inadequate space for recycling containers, that do not have a solid waste enterprise providing recycling services that serve the location, or for which the cost of recycling services creates a financial hardship for the building owner. Directs the Environmental Protection Agency to implement, administer, and enforce the Act and adopt necessary rules. Allows residents of multifamily dwellings to file claims with the Agency stating that the owner of the unit in which the resident resides is in violation of the Act. Provides that violators of the Act's provisions may be assessed a civil penalty in an amount to be determined by the Agency. Provides that the Act does not interfere with or prevent a unit of local government from requiring recycling services for multifamily dwellings. Effective July 1, 2022.
