Amends the Worker's Compensation Act and the Workers' Occupational Diseases Act. Provides that specified Sections limiting recovery do not apply to injuries or death resulting from an occupational disease as to which the recovery of compensation benefits under the Act would be precluded due to the operation of any period of repose or repose provision. Provides that, as to any such injury occupational disease, the employee, the employee's heirs, and any person having the standing under law to bring a civil action at law has the nonwaivable right to bring such an action against any employer or employers. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1596 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1596 amends the Worker's Compensation Act and the Worker's Occupational Diseases Act in a way that does not impact any State pension fund.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1596; therefore, there are no appraisals to be filed.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Central Management Services)

It is not possible to calculate an exact fiscal impact of this proposed legislation due to the case-specific nature of any claims that may arise pursuant to this legislation. However, based on the average cost of a workers' compensation claim and the percentage of claims that are denied for untimely filing, the Department of Central Management Services estimates the proposed legislation would result in a cost increase of approximately \$250,000 annually.

Amends the Illinois Public Aid Code. Requires the Illinois Student Assistance Commission (ISAC) to identify and flag college students who are potentially eligible to receive Supplemental Nutrition Assistance Program (SNAP) benefits. Provides that the factors to be used to determine potential SNAP eligibility shall be prescribed by ISAC in consultation with the Department of Human Services, but at a minimum shall include income information reported on a college student's Free Application for Federal Student Aid. Requires ISAC, in consultation with the Department of Human Services, to develop a notice that ISAC shall make available electronically to institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline. Requires Illinois institutions of higher education that participate in the Monetary Award Program to provide the notice in writing to all students who are enrolled or accepted for enrollment and are identified by ISAC as potentially SNAP eligible. Requires ISAC to adopt rules. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

305 ILCS 5/12-4.13b

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes and additions: Provides that the Department of Human Services shall consult with the Illinois Workforce Innovation Board (rather than with the Illinois Workforce Investment Board) to establish a protocol to identify and verify all potential exemptions to certain federal eligibility rules under the Supplemental Nutrition Assistance Program (SNAP). Provides that a career and technical educational program approved by the Illinois Community College Board that could be a component of a SNAP Employment and Training (E&T) program, as identified by the Department of Human Services, shall be considered an employment and training program under a specified provision of the Code of Federal Regulations, unless prohibited by federal law. In provisions requiring the Illinois Student Assistance Commission (ISAC) to adopt rules concerning SNAP eligibility notifications to college students, requires ISAC to adopt the rules on or before October 1, 2020 (rather than on or before October 1, 2019). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois Student Assistance Commission (ISAC) to annually include information about the Supplemental Nutrition Assistance Program (SNAP) in the language that schools are required to provide to students eligible for the Monetary Award Program grant (rather than requiring ISAC to identify and flag college students who are potentially eligible to receive SNAP benefits). Provides that the language shall, at a minimum, direct students to information about college student eligibility criteria for SNAP, and direct students to the Department of Human Services and to the Illinois Hunger Coalition's Hunger Hotline for additional information. Requires Illinois institutions of higher education that participate in the Monetary Award Program (MAP) to provide the notice to all students who are enrolled, or who are accepted for enrollment and intending to enroll, and who have been identified by ISAC as MAP-eligible at the institution (rather than requiring ISAC to develop, in consultation with the Department of Human Services, an electronic notice for institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline).

Provides that persons required to report under the Act must complete mandated reporter training provided through or approved by the Department and that the training must be completed within a specified timeframe. Requires the Department to adopt rules by January 1, 2020 on its process for approving mandated reporter training. Provides that, by January 1, 2021, continuing education requirements for persons licensed by the Department of Financial and Professional Regulation must include mandated reporter training. Requires the Department, by January 1, 2020, to adopt rules and procedures for educating members of the public about their right to report child abuse or neglect. Requires the Department to seek assistance from businesses and organizations on raising awareness about child abuse and child neglect and the Department's statewide toll-free child abuse hotline.

Senate Committee Amendment No. 1

Senator Jacqueline Y. Collins
SB 01778 (CONTINUED)

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, and his or her profession has continuing education requirements, the training mandated under the Act shall count toward meeting the licensee's required continuing education hours. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

House Committee Amendment No. 1

Adds reference to:

50 ILCS 705/7

from Ch. 85, par. 507

Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. Further amends the Abused and Neglected Child Reporting Act. Provides that persons required to report under the Act must complete an initial mandated reporter training (rather than must complete mandated reporter training) within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, or within the time frame of any other applicable State law that governs training requirements for a specific profession, and at least every 3 years thereafter. Provides that the initial requirement (rather than the initial 3-month requirement) only applies to the first time they engage in their professional or official capacity (rather than only applies to the first time they engage in their professional or official capacity and may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession).

SB 01808 (CONTINUED)

Amends the Children and Family Services Act. Provides that in order to intercept and divert youth in care from experiencing homelessness, incarceration, unemployment, and other similar outcomes the Department of Children and Family Services and several specified agencies shall enter into an interagency agreement for the purpose of providing preventive services to youth in care and young adults who are aging-out of or have recently aged out of the custody or guardianship of the Department. Provides that the intergovernmental agreement shall require the Department and the other specified agencies to: (i) establish an interagency liaison to review cases of at-risk youth in care and young adults; and (ii) connect such youth in care and young adults to the appropriate supportive services and treatment programs to stabilize them during their transition out of State care. Requires the Department and the other specified agencies to determine how best to provide housing, education, and employment services to at-risk youth in care and young adults. House Floor Amendment No. 2

Senator Jacqueline Y. Collins
SB 01852 (CONTINUED)

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that no person shall conduct ethylene oxide sterilization operations, unless the ethylene oxide sterilization source captures 100% of all ethylene oxide emissions and reduces ethylene oxide emissions to the atmosphere from each exhaust point at the ethylene oxide sterilization source by at least 99.9% or to 0.2 parts per million. Requires that, within 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, the owner or operator of the ethylene oxide sterilization source shall conduct an initial emissions test. Sets forth criteria for the test and requires certain information concerning the test be submitted to the Environmental Protection Agency. Requires the owner or operator of the ethylene oxide sterilization source to conduct emissions testing on all exhaust points at the ethylene oxide sterilization source at least once each calendar year (at least 6 months apart) to demonstrate compliance with these requirements and any applicable requirements concerning ethylene oxide that are set forth in either United States Environmental Protection Agency rules or Pollution Control Board rules. Provides that if certain conditions are not met the owner or operator of an ethylene oxide sterilization source shall immediately cease ethylene oxide sterilization operations and notify the Agency within 24 hours of becoming aware of a failed emissions test. Within 60 days after the date of the test, requires the owner or operator of the ethylene oxide sterilization source to: complete an analysis to determine the root cause of the failed emissions test; take any actions necessary to address that root cause; submit a report to the Agency; and restart operations only to the extent necessary to conduct additional emissions tests. Provides that, beginning 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date of the amendatory Act as an ethylene oxide sterilization source, no person shall conduct ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source submits for review and approval by the Agency an Ambient Air Monitoring Plan. Requires the owner or operator of an ethylene oxide sterilization source to apply for and obtain a construction permit from the Agency for any modifications made to the source to comply with the requirements of the amendatory Act and a modification of the source's operating permit to incorporate such modifications made to the source. Prohibits a person from conducting ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source has performed dispersion modeling and the Agency approves such modeling. Prohibits a facility that is permitted to emit ethylene oxide and subject to a seal order from using ethylene oxide for sterilization or fumigation purposes. Requires specified entities to notify the Agency of any property right in sterilization technology that does not involve the use of ethylene oxide. Provides that, within 30 days after discovering noncompliance with specified requirements the Agency must post a notice on its website and notify the specified persons and entities. Requires the Agency to conduct at least one unannounced inspection of all ethylene oxide sterilization sources subject to the provisions per year. Requires the Agency to (i) conduct air testing to determine ambient levels of ethylene oxide and (ii) submit rules for ambient air testing of ethylene oxide to the Board within 180 days after the amendatory Act's effective date. Effective immediately.

Provides that the Director of State Police shall (rather than may) establish a statewide multi-jurisdictional Violent Crime Intelligence Task Force. Provides that the Violent Crime Intelligence Task Force shall also conduct enforcement operations against persons whose Firearm Owner's Identification Cards have been revoked or suspended and persons who fail to comply with the revocation or suspension requirements of the Firearm Owners Identification Card Act, prioritizing individuals presenting a clear and present danger to themselves or to others under that Act. Provides that the Task Force shall collaborate with local law enforcement agencies to enforce provisions of the Firearm Owners Identification Card Act, the Firearm Concealed Carry Act, the Firearm Dealer License Certification Act, and the Deadly Weapons Article of the Criminal Code of 2012. Provides that the Director of State Police may establish intergovernmental contracts written and executed in conformity with the Intergovernmental Cooperation Act. Provides that the Department of State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Amends the Firearm Owners Identification Card Act. Modifies definition of "clear and present danger". Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Department of State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Department under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that any transfer of a surrendered firearm must be conducted under the firearm transfer provisions of the Firearm Owners Identification Card Act. Provides that nothing in the firearm revocation or suspension provisions of the Firearm Owners Identification Card Act prevents a court from ordering an individual to surrender his or her Firearm Owner's Identification Card to a law enforcement agency of the court's choosing in a timeframe shorter than 48 hours after receipt of the notice of revocation or suspension. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. Provides that a person commits the offense of unlawful sale or delivery of firearms when he or she transfers ownership of a firearm to a person in violation of the Firearm Owners Identification Card Act. This offense is a Class 4 felony. Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. Modifies requirements for transfer of firearms to a law enforcement agency as required under those Acts. Makes other changes. Effective immediately.

SB 02091 (CONTINUED)

Amends the Higher Education Student Assistance Act. Provides that, beginning with the 2019-2020 academic year, the Illinois Student Assistance Commission must implement and administer a program to award Early Childhood Workforce Free College grants to all eligible child care workers seeking an associate or bachelor's degree from a public institution or a regionally accredited, online-only early childhood education degree program; defines terms. Specifies grant eligibility and renewal requirements. Creates the Early Childhood Workforce Advisory Committee to advise the Commission on all matters relating to the Early Childhood Workforce Free College grant program and on the ways to improve and expand the early childhood workforce in this State. Provides for the membership and support of the Committee and requires the Committee to (i) study and make recommendations to the Commission that are related to the implementation of the Early Childhood Workforce Free College grant program, (ii) conduct an analysis from data received by the Commission to ensure the program is at full utilization, (iii) address access issues to the program, including, but not limited to, geographic, financial, cultural, and workplace settings, and (iv) address ways to expand the early childhood workforce in this State. Amends the State Finance Act to create the Early Childhood Workforce Free College Fund. Effective immediately.

Senate Committee Amendment No. 1

Expands the definition of "child care worker". Changes the definition of "early childhood degree program" to a regionally accredited degree program (rather than online degree program) administered solely through an Illinois-based, not-for-profit organization or through a public institution through which a child care worker may attain a degree or credential or maintain a classroom role in any child care or early childhood education setting, including a Child Development Associate Credential program or an Early Childhood Education (ECE) degree program. Requires the Illinois Student Assistance Commission to implement and administer the Early Childhood Workforce Free College grant program beginning with the 2020-2021 (rather than 2019-2020) academic year and subject to appropriation. Provides that, if other eligibility requirements are met, an eligible child care worker seeking to enroll in an alternative educator licensure program under the School Code is eligible for a grant under the program. Removes a provision allowing for exceptions to a student's initial enrollment in a public institution or an early childhood degree program for extenuating circumstances as provided in rules by the Commission. Provides that, in awarding grants under the program, if, in any fiscal year, the amount appropriated for the grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the Commission must proportionately reduce the grants accordingly (rather than must develop the selection and renewal criteria for students). Requires the Illinois Early Learning Council (rather than the Commission) to provide the Early Childhood Workforce Advisory Committee with administrative and other support. Makes other changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes. Changes the definition of "early childhood degree program". Provides that if a student chooses to enroll in a private institution, the grant awarded to the student under the program shall be no more than 150% of the highest rate paid on behalf of students in a similar program at a public institution to cover the cost of tuition and mandatory fees, less all other student aid. Provides that after completion of or disenrolling from his or her program of study, a student must reside and work within this State in a child care or early childhood education setting for a minimum of one year. Provides that if the student does not reside and work within this State for a minimum of one year, the student must repay the total grant amount awarded to him or her through installments in accordance with rules adopted by the Illinois Student Assistance Commission. Creates the Early Childhood Workforce Free College Advisory Committee (rather than the Early Childhood Workforce Committee), established by the Illinois Early Learning Council; changes the membership of the Committee and the Committee's duties. Makes other changes. Effective immediately.

110 ILCS 805/2-26 new

Amends the Public Community College Act. Requires the Illinois Community College Board to establish and administer a manufacturing training grant program. Provides that to qualify for a grant, a community college district and a public high school located in that district must jointly establish a collaborative regional partnership with workforce development organizations, regional economic development organizations, and economic development officials in the district, along with manufacturers, healthcare service providers, and innovative technology businesses that have a presence in the district, to provide a manufacturing training program. Requires a grant recipient to provide the Board with a plan that meets certain requirements. Requires the Board to establish an advisory board for the program; sets forth the membership and duties of the advisory board.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Illinois Community College Board shall establish and administer a 21st Century Employment grant program (rather than a manufacturing training grant program). Provides that in awarding grants under the program, the Board must give priority to plans that demonstrate a formal articulation agreement between a public high school and a community college district. Provides that the plan must support a seamless transition into higher education and career opportunities and must outline the college credit and on-the-job training hours that will transfer from the high school to a community college. Adds to the membership of the advisory board. Makes other changes.

Senate Floor Amendment No. 2

Makes the 21st Century Employment grant program subject to appropriation.

110 ILCS 805/2-26 new

Amends the Public Community College Act. Requires the Illinois Community College Board to establish and administer a manufacturing training grant program. Provides that to qualify for a grant, a community college district and a public high school located in that district must jointly establish a collaborative regional partnership with workforce development organizations, regional economic development organizations, and economic development officials in the district, along with manufacturers, healthcare service providers, and innovative technology businesses that have a presence in the district, to provide a manufacturing training program. Requires a grant recipient to provide the Board with a plan that meets certain requirements. Requires the Board to establish an advisory board for the program; sets forth the membership and duties of the advisory board.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Illinois Community College Board shall establish and administer a 21st Century Employment grant program (rather than a manufacturing training grant program). Provides that in awarding grants under the program, the Board must give priority to plans that demonstrate a formal articulation agreement between a public high school and a community college district. Provides that the plan must support a seamless transition into higher education and career opportunities and must outline the college credit and on-the-job training hours that will transfer from the high school to a community college. Adds to the membership of the advisory board. Makes other changes.

Senate Floor Amendment No. 2

Makes the 21st Century Employment grant program subject to appropriation.

40 ILCS 5/4-118 from Ch. 108 1/2, par. 4-118
30 ILCS 805/8.43 new

Amends the Downstate Firefighter Article of the Illinois Pension Code. Requires a unit of local government of 5,000 or more inhabitants that employs a firefighter who is a full-time firefighter in a different downstate firefighter pension fund to make specified contributions to that downstate firefighter pension fund. Establishes reporting requirements. Authorizes the State comptroller to intercept State funds in the event the unit of local government does not make its required contribution to the primary employer's downstate pension fund. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Senate Committee Amendment No. 1

Provides that the required contributions by secondary employers are for the purposes of compensating the primary employer's pension fund for additional liabilities and risks to which firefighters are exposed when performing work as firefighters for secondary employers. Provides that the provisions shall not be construed to allow a secondary employee to qualify for benefits or creditable service for employment as firefighters for secondary employers.

House Floor Amendment No. 2

Adds reference to:

40 ILCS 5/4-110.2 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that the fire chief of a secondary employer shall report any injury, illness, or exposure incurred by a secondary employee during his or her employment to the primary employer's pension fund within 96 hours from the time of the occurrence. Provides that a municipality (instead of a unit of local government) that has established a pension fund under the Downstate Firefighter Article and who employs a full-time firefighter shall be deemed a primary employer with respect to that full-time firefighter. Provides that any municipality (instead of any unit of local government) of 5,000 or more inhabitants that employs or enrolls a firefighter (instead of employs a firefighter) and meets other criteria shall be deemed a secondary employer. Requires a secondary employer to annually prepare a report accounting for all hours worked by and wages and salaries (instead of wages and salaries) paid to secondary employee firefighters. Requires a certified copy of the report to be transmitted to the primary employer's pension fund (instead of the primary employer). Removes provisions requiring a secondary employer to make specified contributions to the primary employer's firefighters' pension fund. Makes conforming changes. Effective immediately.

Senator Thomas Cullerton
SB 00090 (CONTINUED)

Amends the Illinois Drainage Code. Provides that if one or more municipalities account for at least 50% of a drainage district's territory, the drainage district may be dissolved if each municipality that has territory within the drainage district and the county in which the drainage district lies adopt a resolution or ordinance dissolving the district. Provides that the resolution or ordinance must state: that there are no outstanding debts of the district that have been filed with the county clerk; that federal or State permits or grants will not be impaired by dissolution of the district; and the date of dissolution of the district. Provides for transfer of powers and real property of the former drainage district to the municipalities and county. Provides that if the former district had levied a tax that is still effective on the date of dissolution, then the county in which the drainage district lies has the authority to continue to collect, receive, and expend the proceeds of the tax within the boundaries of the former drainage district and the proceeds shall be expended or disposed of by the county in the same manner as the proceeds may have been expended or disposed of by the former drainage district. Provides that the county board shall, by ordinance or resolution, reduce or eliminate the tax levy under specified conditions. Provides that the county shall notify the Illinois Environmental Protection Agency of the dissolution of the district no later than 60 days after the date of dissolution of the district.

Senate Floor Amendment No. 1

70 ILCS 605/10-7.3 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that, upon adoption of the required resolutions or ordinances to dissolve a drainage district where one or more municipalities that accounts for at least 75% (rather than 50%) of the drainage district's territory, the county shall file a petition in the circuit court for dissolution and the court shall provide notice, hearing, and decision on the dissolution. Requires specified reports to be filed with the circuit court. Provides for conditions for the transfer of a levy by a former drainage district located in a county with a county stormwater committee. Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. Provides that each school district must adopt and implement a policy addressing sexual abuse investigations. Provides that, except for an educator licensed under the Educator Licensure Article of the Code, if a school board determines that any school district employee has willfully or negligently failed to report an instance of suspected child abuse or neglect, as required by the Abused and Neglected Child Reporting Act, then the school board may dismiss that employee immediately upon that determination. Provides that the State Superintendent of Education has the authority to initiate a suspension of or revoke the license of any educator licensed under the Educator Licensure Article of the Code if he or she negligently fails to report an instance of suspected child abuse or neglect. Provides that if an individual is dismissed by a school district for committing a physical or sexual act on a student, the State Superintendent of Education shall immediately suspend, pending revocation, any license issued to that individual under the Educator Licensure Article of the Code. Provides that if a mandated reporter within a school has knowledge of an alleged incident of sexual abuse, the reporter must call the Department of Children and Family Services' hotline immediately after obtaining the minimal information necessary to make a report, including the names of the affected parties and the allegations. Provides that for schools in a county with an accredited Children's Advocacy Center, every alleged incident of sexual abuse that is reported to the Department of Children and Family Services' hotline or a law enforcement agency and is subsequently accepted for investigation must be referred by the entity that received the report to the local Children's Advocacy Center pursuant to that county's multidisciplinary team's protocol under the Children's Advocacy Center Act for investigating child sexual abuse allegations. Provides for the local Children's Advocacy Center's duties and the duties of a school. Provides that if, during the course of its internal investigation and at any point during or after the multidisciplinary team's investigation, a school determines that it needs to interview an alleged victim of sexual abuse to successfully complete its investigation and the victim is under 18 years of age, a child advocate must be made available to the student and must be present during the school's interview. Provides that the Department of Children and Family Services and the appropriate law enforcement agency must notify the relevant school when an agency investigation of an alleged incident of sexual abuse is completed, which must include information on the outcome of that investigation. Creates the Make Sexual and Severe Physical Abuse Fully Extinct Task Force. Provides for the Task Force's membership, meeting requirements, and duties. With regard to employee dismissal proceedings, provides that in the case of charges involving physical or sexual contact with a student or a person under the age of 18, the hearing officer shall make alternative hearing procedures to protect a witness who is a student or who is under the age of 18 from being intimidated or traumatized. Amends the Personnel Record Review Act to provide that certain disclosure requirements under the Act do not apply to a school district responding to an inquiry from a prospective employer or to activities or associations with individuals or groups involved in the physical, sexual, or other exploitation of minors. Makes conforming and other changes. Adds an immediate effective date.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Makes other changes. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with the following changes. Provides that upon the issuance of any final decision or order that deviates from any report or recommendation of the Land Surveyors Licensing Board relating to the qualification of applicants, discipline of licensees or registrants, or adoption of rules, the Secretary of Financial and Professional Regulation shall notify the Board on any such deviation and shall specify with particularity the reason for the action in the final decision or order. In a provision concerning the Board's curriculum evaluation to approve a land surveying degree or a related science degree, provides for the submission to the Secretary of a written recommendation of acceptability of a curriculum. Provides that members of the Board shall (instead of may) be reimbursed for all legitimate, necessary, and authorized expenses. Deletes language providing that a professional land surveyor who has been actively licensed by the Department of Financial and Professional Regulation for 10 or more consecutive years with no prior disciplinary action or pending disciplinary proceedings shall be deemed compliant with continuing education hour requirements upon completion of half the number of hours required by rule. Provides that if the Secretary issues an order in contravention of the report of a hearing officer or the Board, the Secretary shall notify the Board on any such deviation and shall specify with particularity the reasons for such action in the final order (instead of provide a written explanation to the Board). Makes other changes.

Provides that if the Secretary of Financial and Professional Regulation issues an order contrary to the hearing officer or Board's report, the Secretary shall notify the Board of any such deviation and shall specify with particularity the reasons for such action in the final order.

from Ch. 116, par. 211

Amends the Freedom of Information Act. Provides that a public body that asserts that a record is exempt from disclosure has the burden of proving by clear and convincing evidence that release of the record would harm an interest protected by the asserted exemption. Removes the requirement that, before imposing specified civil penalties, the court find that a public body willfully and intentionally failed to comply with the Act or otherwise acted in bad faith. Provides that in assessing the civil penalty, the court shall consider in aggravation or mitigation, among other factors, whether the public body acted in bad faith and the extent to which the public body delayed the resolution of the request or lawsuit. Provides that, under specified circumstances, the court shall (rather than may) impose an additional penalty of up to \$1,000 for each day the violation continues.

SB 01839 (CONTINUED)

Replaces everything after the enacting clause. Amends the Pharmacy Practice Act. In provisions exempting from the Act the sale or distribution of dialysate or devices necessary to perform home peritoneal renal dialysis for patients with end-stage renal disease, provides that an agent of the manufacturer who lawfully holds the dialysate or devices may be registered as a manufacturer, third-party logistics provider, or wholesaler (rather than a manufacturer or wholesaler). Amends the Wholesale Drug Distribution Licensing Act. Requires that each resident third-party logistics provider must be licensed by the Department of Financial and Professional Regulation, and every non-resident third-party logistics provider must be licensed in this State, in accordance with the Act, prior to shipping a prescription drug into this State (and removes language requiring a third-party logistics provider to be licensed as a wholesale distributor and, in order to be considered part of the normal distribution channel, to be an authorized distributor of record). Provides that each third-party logistics provider must designate an individual representative who shall serve as the contact person for the Department, and requires the individual representative to provide the Department with certain information. Prohibits a third-party logistics provider from operating from a place of residence, and requires a third-party logistics provider facility to be located apart and separate from any retail pharmacy licensed by the Department. Provides that the Department may not issue a third-party logistics provider license to an applicant, unless the Department first: ensures that a physical inspection of the facility satisfactory to the Department has occurred at the address provided by the applicant; and determines that the designated representative meets specified qualifications. Requires a third-party logistics provider to publicly display all licenses and have the most recent state and federal inspection reports readily available. Makes conforming changes throughout the Act. Provides that an application (rather than application blanks) for renewal of a license shall be mailed or emailed (rather than mailed) to each licensee at least 60 days before the license expires. Effective immediately.

Senator Bill Cunningham
SB 00516 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice to all affected property owners and local government within 2,500 feet of the leak site. Effective immediately.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice with specified information immediately upon discovery to all affected property owners and local government within 2,500 feet of the leak site. Provides that the amendatory Act's provisions apply only to an owner or operator of a sterilization source using one ton or more of ethylene oxide in a rolling 12-month period of sterilization or fumigation operations, and do not apply to beehive fumigators, research or laboratory facilities, or sources such as hospitals, doctors' offices, clinics, or other facilities for which the primary purpose is to provide medical services to humans or animals.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that no person shall conduct ethylene oxide sterilization operations, unless the ethylene oxide sterilization source captures 100% of all ethylene oxide emissions and reduces ethylene oxide emissions to the atmosphere from each exhaust point at the ethylene oxide sterilization source by at least 99.9% or to 0.2 parts per million. Requires that, within 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, the owner or operator of the ethylene oxide sterilization source shall conduct an initial emissions test. Sets forth criteria for the test and requires certain information concerning the test be submitted to the Environmental Protection Agency. Requires the owner or operator of the ethylene oxide sterilization source to conduct emissions testing on all exhaust points at the ethylene oxide sterilization source at least once each calendar year (at least 6 months apart) to demonstrate compliance with these requirements and any applicable requirements concerning ethylene oxide that are set forth in either United States Environmental Protection Agency rules or Pollution Control Board rules. Provides that if certain conditions are not met the owner or operator of an ethylene oxide sterilization source shall immediately cease ethylene oxide sterilization operations and notify the Agency within 24 hours of becoming aware of a failed emissions test. Within 60 days after the date of the test, requires the owner or operator of the ethylene oxide sterilization source to: complete an analysis to determine the root cause of the failed emissions test; take any actions necessary to address that root cause; submit a report to the Agency; and restart operations only to the extent necessary to conduct additional emissions tests. Provides that, beginning 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date of the amendatory Act as an ethylene oxide sterilization source, no person shall conduct ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source submits for review and approval by the Agency an Ambient Air Monitoring Plan. Requires the owner or operator of an ethylene oxide sterilization source to apply for and obtain a construction permit from the Agency for any modifications made to the source to comply with the requirements of the amendatory Act and a modification of the source's operating permit to incorporate such modifications made to the source. Prohibits a person from conducting ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source has performed dispersion modeling and the Agency approves such modeling. Prohibits a facility that is permitted to emit ethylene oxide and subject to a seal order from using ethylene oxide for sterilization or fumigation purposes. Requires specified entities to notify the Agency of any property right in sterilization technology that does not involve the use of ethylene oxide. Provides that, within 30 days after discovering noncompliance with specified requirements the Agency must post a notice on its website and notify the specified persons and entities. Requires the Agency to conduct at least one unannounced inspection of all ethylene oxide sterilization sources subject to the provisions per year. Requires the Agency to (i) conduct air testing to determine ambient levels of ethylene oxide and (ii) submit rules for ambient air testing of ethylene oxide to the Board within 180 days after the amendatory Act's effective date. Effective immediately.

415 ILCS 5/9.16 new

Amends the Environmental Protection Act. Provides that beginning on the effective date of the amendatory Act no facility shall have fugitive emissions of ethylene oxide above zero. Provides that each facility shall be subject to regular and frequent inspections and testing to ensure that no fugitive emissions of ethylene oxide exist. Provides that inspections shall be unannounced and conducted by a third party chosen by the municipality in which the facility operates. Provides that each facility shall be subject to fence line ambient air testing, at random, once within every 90 to 120 days for a duration of 24-hour samples of no less than 6 consecutive days. Provides that the testing shall be conducted by a third party chosen by the municipality in which the facility operates. Defines "fugitive emissions". Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that inspections shall be unannounced and conducted by the Agency, or, at the Agency's direction, a qualified third party chosen by the Agency (currently, by a qualified third party chosen by the Agency, in consultation with the municipality in which the facility operates). Provides that emissions test shall be paid for by the facility. Effective immediately.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of House Amendment No. 2 with the following change: Provides that "nonnegligible ethylene oxide emissions source" includes sources emitting 150 pounds of ethylene oxide as reported on the source's 2017 Toxic Release Inventory (currently, sources emitting 150 pounds of ethylene oxide annually from a stack).

110 ILCS 805/2-26 new

Amends the Public Community College Act. Requires the Illinois Community College Board to establish and administer a manufacturing training grant program. Provides that to qualify for a grant, a community college district and a public high school located in that district must jointly establish a collaborative regional partnership with workforce development organizations, regional economic development organizations, and economic development officials in the district, along with manufacturers, healthcare service providers, and innovative technology businesses that have a presence in the district, to provide a manufacturing training program. Requires a grant recipient to provide the Board with a plan that meets certain requirements. Requires the Board to establish an advisory board for the program; sets forth the membership and duties of the advisory board.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Illinois Community College Board shall establish and administer a 21st Century Employment grant program (rather than a manufacturing training grant program). Provides that in awarding grants under the program, the Board must give priority to plans that demonstrate a formal articulation agreement between a public high school and a community college district. Provides that the plan must support a seamless transition into higher education and career opportunities and must outline the college credit and on-the-job training hours that will transfer from the high school to a community college. Adds to the membership of the advisory board. Makes other changes.

Senate Floor Amendment No. 2

Makes the 21st Century Employment grant program subject to appropriation.

110 ILCS 805/2-26 new

Amends the Public Community College Act. Provides for legislative findings. Provides that, subject to appropriation, the Illinois Community College Board shall establish a community college apprenticeship grant program to expand opportunities for credit and non-credit education and training leading to high-demand jobs through apprenticeship programs offered in partnership with a community college and a local business or industry. Provides that the grants must be prioritized to expand apprenticeship programs to new populations, develop apprenticeships in new, non-traditional sectors, and identify ways to promote greater inclusion and diversity in apprenticeships. Requires the Illinois Community College Board to adopt rules. Effective immediately.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to Senate Bill 2122 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note (Government Forecasting & Accountability)

SB 2122, as engrossed, amends the Public Community College Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 2122, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Illinois Community College Board)

In the opinion of the Illinois Community College Board (ICCB), Senate Bill 2122 does not have a fiscal impact on the Illinois Community College Board or Illinois Community College System. The legislation is subject to appropriation.

SB 00516 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

Amends the Adoption Act. Provides that the residence requirement for adoption shall not apply to: an adoption of a child placed by a State-licensed child welfare agency performing adoption services (rather than an adoption of a child placed by an agency); and an adoption of a child born in the State who has resided in the State continuously since birth, or a child who has continuously resided in the State for at least 6 months immediately preceding the commencement of the adoption proceeding. SB 00193 (CONTINUED)

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Provides that prior to classifying a report of abuse or neglect as "indicated", "unfounded" or "undetermined", if the Department of Children and Family Services intends to classify the report as unfounded, the Department must first determine whether the report is subject to review and must complete the review process prior to classifying the report. Requires the Deputy Director of Child Protection to oversee a review process that ensures the Department reviews a random sample of at least 5% of child abuse and neglect reports in which the Department intends to be unfounded and any subject child of the report is not of compulsory school age as provided under the School Code. Provides that the review must be conducted by an area administrator outside the supervisory chain of the investigator and supervisor; and that the review shall ensure that the investigation was conducted in accordance with the Department's rules and procedures governing child abuse and neglect investigations and that the final intended finding is consistent with the goal of protecting the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect. Provides that if the reviewer determines the investigation or final recommended unfounded finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Unfounded Review Report and forward the Unfounded Review Report to specified persons to ensure corrective steps are taken in the case before the final finding is entered. Requires the Deputy Director of Child Protection to oversee a review process that ensures the Department reviews a random sample of at least 5% of indicated reports in which any subject child of the report is not of compulsory school age as provided under the School Code, the child is not a youth in care, and the Department is not opening a case for any type of services. Provides that if the reviewer determines the investigation or final finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Indicated Review Report and forward the Indicated Review Report to specified persons to ensure corrective steps are taken in the case. Requires the Department to report to the General Assembly its findings on the number of Unfounded Review Reports and Indicated Review Reports it documents. Provides that incentives that discourage or reward a decision to provide family preservation services after a report is indicated or a decision to refer a child for the filing of a petition under the Juvenile Court Act of 1987 are strictly prohibited and shall not be included in any contract, quality assurance, or performance review process. Provides that any decision regarding whether to provide family preservation services after an indicated report or to refer a child for the filing of a petition under the Juvenile Court Act of 1987 shall be based solely on the child's health, safety, and best interests and on any applicable law. Requires any Department employee responsible for reviewing contracts or program plans who is aware of a violation of these provisions to immediately refer the matter to the Inspector General of the Department. SB 00667 (CONTINUED)

Replaces everything after the enacting clause. Amends the Attorney General Act. Provides that the Attorney General shall investigate the pricing of prescription insulin drugs to ensure adequate consumer protections for Illinois consumers and to determine whether additional consumer protections are necessary. Requires the Attorney General to make the findings available to the public and to report to the Governor, the Department of Insurance, and to the Judiciary Committees of the Senate and the House of Representatives. Provides for the repeal of the Attorney General's investigative duties on December 31, 2020. Amends the Illinois Insurance Code. Provides that insurers that provide coverage for prescription insulin drugs must limit the total amount an insured is required to pay for a covered prescription insulin drug to \$100 per 30-day supply of insulin regardless of the type and amount of insulin needed by the insured. Provides that the limitation on insulin costs also applies to provisions requiring coverage of certain diabetes items to be subject to the same coverage, deductible, co-payment, and co-insurance provisions under a policy. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, and the Voluntary Health Services Plans Act. Effective January 1, 2021, except that changes to the Attorney General Act take effect immediately.

New Act

Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and "recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility specified information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental health records by law, regulation, or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental Health and Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental health records to the extent necessary to give the Act full implementation.

New Act

Senator Laura Fine
SB 02087 (CONTINUED)

Creates the Customized Employment for Individuals with Disabilities Act. Requires the Department of Human Services' Division of Rehabilitation Services to establish a 5-year Customized Employment Pilot Program that serves a minimum of 25 individuals by the second year of the Pilot Program. Provides that the Pilot Program shall include certain components, including: (1) an intensive discovery phase during which the unique needs, abilities, and interests of each program participant will be explored; (2) a customized person-centered planning process based upon information gathered during the discovery phase that involves capturing, organizing, and presenting the information in a blueprint for the job search; and (3) an employer negotiation process in which job duties and employee expectations are negotiated to align the skills and interests of each program participant to the needs of an employer. Provides that community-based agencies serving persons with intellectual or developmental disabilities shall identify and refer individuals to the Department for participation in the Pilot Program. Requires program participants to reflect the geographical, racial, ethnic, gender, and income-level diversity of the State. Contains provisions concerning data collection and reporting, administrative rules, and other matters.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: Provides that the purpose of the Act is to assist individuals with intellectual or developmental disabilities or similar conditions resulting in a most significant disability (rather than individuals with intellectual or developmental disabilities and complex needs). Provides that the Customized Employment Pilot Program shall be implemented through an individualized plan for employment developed by the individual with a disability and the vocational rehabilitation counselor employed by the Division of Rehabilitation Services. Provides that the individual with a disability may choose to have a personal representative participate in the development of the individualized plan for employment. Includes the State Rehabilitation Council in the list of entities from which the Department of Human Services is required to seek advice and recommendations concerning the creation, operation, and administration of the Customized Employment Pilot Program.

New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Prohibits retaliation against an employee for using a panic button, availing himself or herself of the protections afforded by an anti-sexual harassment policy, or disclosing, reporting, or testifying about violations of the Act. Provides remedies for noncompliance. Limits home rule powers. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to \$350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

Senate Floor Amendment No. 2

Adds a definition. Defines the term "sexual assault" to mean: (1) an act of sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012; or (2) any act of sexual penetration, as defined in Section 11-0.1 of the Criminal Code of 2012 and includes, without limitation, acts prohibited under Sections 11-1.20 through 11-1.60 of the Criminal Code of 2012.

Amends the Public Community College Act. Requires the Illinois Community College Board to establish and administer a manufacturing training grant program. Provides that to qualify for a grant, a community college district and a public high school located in that district must jointly establish a collaborative regional partnership with workforce development organizations, regional economic development organizations, and economic development officials in the district, along with manufacturers, healthcare service providers, and innovative technology businesses that have a presence in the district, to provide a manufacturing training program. Requires a grant recipient to provide the Board with a plan that meets certain requirements. Requires the Board to establish an advisory board for the program; sets forth the membership and duties of the advisory board.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Illinois Community College Board shall establish and administer a 21st Century Employment grant program (rather than a manufacturing training grant program). Provides that in awarding grants under the program, the Board must give priority to plans that demonstrate a formal articulation agreement between a public high school and a community college district. Provides that the plan must support a seamless transition into higher education and career opportunities and must outline the college credit and on-the-job training hours that will transfer from the high school to a community college. Adds to the membership of the advisory board. Makes other changes.

Senate Floor Amendment No. 2

Makes the 21st Century Employment grant program subject to appropriation.

Provides requirements for funding, grants, and other financial assistance from the Program on a competitive and annual basis for specified activities. Provides that the Program shall have an annual goal of training and placing 2,500 specified individuals in water sector jobs annually. Provides that the Department may select a Program Administrator to oversee the allocation of funds and select organizations that receive funding. Requires recipients under the Program to report annually to the Department on the success of their efforts and their contribution to reaching the goals of the Program. Requires the Department to compile the information and report specified information to the General Assembly annually. Within 90 days after the amendatory Act's effective date, requires the Department to propose a draft plan to implement amendatory Act's provisions for public comment and to finalize the plan within 180 days after the amendatory Act's effective date. Provides that an annual goal of the Program is to train and place at least 300, or 25% of the number of annual jobs created by State financed water infrastructure projects, whichever is greater (currently, 2,500), specified persons in water sector-related apprenticeships (currently, jobs) annually. Provides that the Environmental Protection Agency, the Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects shall support the Program in attaining the goal of employing specified individuals. Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice to all affected property owners and local government within 2,500 feet of the leak site. Effective immediately.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice with specified information immediately upon discovery to all affected property owners and local government within 2,500 feet of the leak site. Provides that the amendatory Act's provisions apply only to an owner or operator of a sterilization source using one ton or more of ethylene oxide in a rolling 12-month period of sterilization or fumigation operations, and do not apply to beehive fumigators, research or laboratory facilities, or sources such as hospitals, doctors' offices, clinics, or other facilities for which the primary purpose is to provide medical services to humans or animals.

House Floor Amendment No. 2

Senator Suzy Glowiak Hilton
SB 01852 (CONTINUED)

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that no person shall conduct ethylene oxide sterilization operations, unless the ethylene oxide sterilization source captures 100% of all ethylene oxide emissions and reduces ethylene oxide emissions to the atmosphere from each exhaust point at the ethylene oxide sterilization source by at least 99.9% or to 0.2 parts per million. Requires that, within 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, the owner or operator of the ethylene oxide sterilization source shall conduct an initial emissions test. Sets forth criteria for the test and requires certain information concerning the test be submitted to the Environmental Protection Agency. Requires the owner or operator of the ethylene oxide sterilization source to conduct emissions testing on all exhaust points at the ethylene oxide sterilization source at least once each calendar year (at least 6 months apart) to demonstrate compliance with these requirements and any applicable requirements concerning ethylene oxide that are set forth in either United States Environmental Protection Agency rules or Pollution Control Board rules. Provides that if certain conditions are not met the owner or operator of an ethylene oxide sterilization source shall immediately cease ethylene oxide sterilization operations and notify the Agency within 24 hours of becoming aware of a failed emissions test. Within 60 days after the date of the test, requires the owner or operator of the ethylene oxide sterilization source to: complete an analysis to determine the root cause of the failed emissions test; take any actions necessary to address that root cause; submit a report to the Agency; and restart operations only to the extent necessary to conduct additional emissions tests. Provides that, beginning 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date of the amendatory Act as an ethylene oxide sterilization source, no person shall conduct ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source submits for review and approval by the Agency an Ambient Air Monitoring Plan. Requires the owner or operator of an ethylene oxide sterilization source to apply for and obtain a construction permit from the Agency for any modifications made to the source to comply with the requirements of the amendatory Act and a modification of the source's operating permit to incorporate such modifications made to the source. Prohibits a person from conducting ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source has performed dispersion modeling and the Agency approves such modeling. Prohibits a facility that is permitted to emit ethylene oxide and subject to a seal order from using ethylene oxide for sterilization or fumigation purposes. Requires specified entities to notify the Agency of any property right in sterilization technology that does not involve the use of ethylene oxide. Provides that, within 30 days after discovering noncompliance with specified requirements the Agency must post a notice on its website and notify the specified persons and entities. Requires the Agency to conduct at least one unannounced inspection of all ethylene oxide sterilization sources subject to the provisions per year. Requires the Agency to (i) conduct air testing to determine ambient levels of ethylene oxide and (ii) submit rules for ambient air testing of ethylene oxide to the Board within 180 days after the amendatory Act's effective date. Effective immediately.

735 ILCS 5/15-1401.1

Amends the Mortgage Foreclosure Article of the Code of Civil Procedure in relation to short sales of property. Provides that, if an offer to purchase either a mortgage or residential property is made by an entity with a tax-exempt filing status under Section 501(c)(3) of the Internal Revenue Code for the purpose of reselling that mortgage or residential property to the mortgagor, and financing for the repurchase will be provided by a certified community development financial institution, an affidavit, statement, agreement, or addendum limiting ownership or occupancy of the residential property by the mortgagor shall not provide a basis to avoid a sale or transfer, nor is it enforceable against the acquiring entity or any real estate broker, mortgagor, or settlement agent named in the affidavit, statement, agreement, or addendum. Provides that, at the time of an offer, specified disclosures shall be made to the mortgagee in connection with any purchase of a sale. Provides that, upon request by the mortgagee, a certified community development financial institution shall provide documentation evidencing its current certification status. Effective immediately.

Senate Committee Amendment No. 1

Provides that "residential property" is limited to the primary (rather than the principal) residence of a person. Provides that specified disclosures shall be made to the mortgagee by the mortgagor. Provides that nothing in the new provisions shall impair, abrogate, or abridge in any manner the rights of the mortgagee to accept or reject an offer to purchase either a mortgage or residential property, nor shall it give rise to a cause of action.

Sen. Don Harmon
(Rep. Michelle Mussman-Bob Morgan)

820 ILCS 205/12.5 new

Amends the Child Labor Law. Provides that, before a child may be issued a permit to work as a child performer, a trust account must be established providing, at a minimum, that: at least 15% (or a greater percentage as determined by rule) of the gross earnings of the child performer shall be deposited into the account; the funds in the account shall be available only to the child performer; the funds shall be held by a bank, corporate fiduciary, or trust company, as those terms are defined in the Corporate Fiduciary Act; and the funds in the account shall become available to the child performer upon the child performer attaining the age of 16 years. Provides that the new provisions do not apply to an employer of a child performer employed to perform services as an extra, services as a background performer, or services in a similar capacity. Provides that the Department of Labor shall adopt rules to implement the provisions.

Senate Floor Amendment No. 1

Provides that funds placed into a trust account for a child performer shall remain in the account until the child performer attains the age of 18, instead of 16, or until the child performer is declared emancipated. Requires trusts to meet the requirements of the Illinois Uniform Transfers to Minors Act. Provides that if a parent or guardian fails to provide to an employer information necessary to transfer funds into a trust account within 30 days after the expiration of a temporary employment certificate, the employer shall transfer the funds to the State treasurer in accordance with the Revised Uniform Unclaimed Property Act.

House Committee Amendment No. 1

Senator Don Harmon
SB 00147 (CONTINUED)

Provides that upon the failure of a parent or guardian to provide to an employer information necessary to transfer funds into a trust account within 30 days after an employment certificate has been issued (rather than within 30 days of a temporary employment certificate having expired), the employer shall transfer the funds to the State Treasurer in accordance with the Revised Uniform Unclaimed Property Act.

House Floor Amendment No. 3

Provides that the Department of Labor shall prescribe the form of the temporary employment certificate and make it available on its website. Removes the authorization to increase by rule the amount of gross earnings that must be deposited into the trust account. Provides that the Department of Labor may, rather than shall, adopt rules relating to trust fund accounts.
