Replaces everything after the enacting clause. Amends the Court Reporters Act. Deletes language providing specific factors to consider when determining how many court reporters are needed in each circuit. Provides that the employer representative may authorize the chief judge of any circuit to appoint administrative, supervisory, and clerical staff when a need for such positions has been substantiated (rather than to appoint or designate a court reporter to a specific position). Provides that additional amounts paid to personnel shall be determined by the employer representative. Deletes language providing that additional amounts paid to personnel shall not exceed certain amounts. Provides that the audio or video recording system utilized by the court shall be approved by the Supreme Court. Deletes language providing that a court reporter shall not be in charge of an audio or video recording system where the system is the judge's personal property or has been supplied by a party or a party's attorney. Provides that a court reporting services employee may charge a page rate for the preparation of transcripts of court proceedings not to exceed the rate set by the employer representative (rather than not to exceed 25 cents per 100 words). Deletes language providing that the transcripts shall be filed and remain with the papers of the case. Provides that expense vouchers or claims submitted to the Office of the Comptroller for payment shall have the signed approval of the chief judge of the circuit court in which the court reporter is appointed (rather the chief judge of the circuit court in which the court reporter incurred the expense for which claim is made). Provides that each court reporter shall take a test to verify (rather than rate) his or her proficiency within one year of employment. Provides that the test shall be prepared and administered pursuant to standards set by rules. Provides that a proficiency test passed prior to employment may be accepted as proof of proficiency. Deletes language providing the test shall consist of 3 parts and be administered at least every 6 months. Deletes language providing specific amounts for a court reporter's salary. Deletes language providing for credited court reporter proficiency ratings. Deletes language requiring an annual appropriation request to be made in January. Provides that the employer representatives (rather than the Supreme Court) shall collectively bargain over wages, hours, and terms and conditions of employment of all persons employed as court reporters, appoint arbitrators under specified circumstances, and create a roster of arbitrators who are available and qualified for appointment.

House Committee Amendment No. 1
SB 00397 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes:
Defines "court reporting services employee". Provides that in Cook County, supervisory and administrative personnel shall be appointed from among the court reporting services' pool of employees when such a need has been substantiated. In a Section concerning collective bargaining, changes references to "court reporters" to "court reporting services employees".

Provides a minor alleged to be a delinquent minor taken into temporary custody must be brought before a judicial officer within 48 hours (rather than 40 hours, excluding Saturdays, Sundays and court designated holidays). Provides that if an appearance is required of any minor taken and held in a place of custody or confinement operated by the State or any of its political subdivisions, including counties and municipalities, the chief judge of the circuit may permit by rule for the minor's personal appearance to be made by means of two-way audio-visual communication, including closed circuit television and computerized video conference, in the following proceedings: (1) the initial appearance before a judge; (2) a detention or shelter care hearing; or (3) any status hearing. Amends the Probation and Probation Officers Act. Provides that the Division of Probation Services of the Supreme Court shall adopt a statewide juvenile detention screening instrument that has been verified through evidence-based and data-based practices that is to be used by all authorized juvenile detention facilities. Makes other changes. Effective immediately.
Amends the School Code. Requires the State Board of Education to create the Freshman Success pilot program. Provides that, subject to appropriation, the State Board must award grants to school districts to implement Freshman Success plans; specifies grant eligibility requirements. Provides that, on or before December 1, 2019 and on or before each December 1 thereafter, the State Board shall make grant applications available and issue a list of all school districts eligible to apply. Amends the Higher Education Student Assistance Act. Provides that a person is a qualified applicant if, despite not meeting other residency requirements, the applicant is a resident of Illinois at the time of application and at some point after leaving federal active duty service was a resident of Illinois for 15 consecutive years. Effective July 1, 2019.

Amends the University of Illinois Act. With regard to scholarships for children of veterans, provides that, subject to eligibility requirements, the child of a person who served in the armed forces of the United States during Operation Just Cause between December 20, 1989 and January 31, 1990 is entitled to a scholarship in the University. Effective July 1, 2019.
Senator Elgie R. Sims, Jr.
SB 01467 (CONTINUED)

Replaces everything after the enacting clause. Amends the Scholarships Article of the School Code. With regard to the MIA/POW Scholarship, provides that the definition of "eligible veteran or serviceperson" includes, among other requirements, a veteran or serviceperson who is a resident of Illinois at the time of application for the Scholarship and, at some point after leaving service, was a resident of Illinois for at least 15 consecutive years. Amends the Higher Education Student Assistance Act. With regard to the Illinois Veteran grant program, provides that a person is a qualified applicant if, despite not meeting other requirements, he or she is a resident of Illinois at the time of application to the Illinois Student Assistance Commission and, at some point after leaving federal active duty service, was a resident of Illinois for at least 15 consecutive years. Effective July 1, 2019.

Fiscal Note (Illinois Student Assistance Commission)

SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging $4,545, and for FY17 (most recent available), 1,211 Illinoisans received MIA/POW grants averaging $2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about $187,000 and MIA/POW waivers by about $30,000, for a total increase of $217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately $1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)

SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1467; therefore, there are no appraisals to be filed.

Amends the Worker's Compensation Act and the Workers' Occupational Diseases Act. Provides that specified Sections limiting recovery do not apply to injuries or death resulting from an occupational disease as to which the recovery of compensation benefits under the Act would be precluded due to the operation of any period of repose or repose provision. Provides that, as to any such injury occupational disease, the employee, the employee's heirs, and any person having the standing under law to bring a civil action at law has the nonwaivable right to bring such an action against any employer or employers. Effective immediately.
It is not possible to calculate an exact fiscal impact of this proposed legislation due to the case-specific nature of any claims that may arise pursuant to this legislation. However, based on the average cost of a workers' compensation claim and the percentage of claims that are denied for untimely filing, the Department of Central Management Services estimates the proposed legislation would result in a cost increase of approximately $250,000 annually.

Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State's or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately $16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs; additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

SB 1863, as amended by House Amendment 6, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Provides that, if a county purchases delinquent property, the county may take steps to maintain the property, including, but not limited to, the mowing of grass or removal of nuisance greenery, the removal of garbage, waste, debris, or other materials, or the demolition, repair, or remediation of unsafe structures. In a Section concerning sales in error granted because a county, city, village or incorporated town has an interest in the property because of advancements made from public funds, provides that no petition for a sale in error may be brought unless the party seeking the sale in error has submitted a request in writing to the county, city, village, or town to waive the amounts owed, and that request has been (i) denied or (ii) not acted upon for a period of at least 90 days from the date on which the request was made. Provides that the redemption period for property that has been declared abandoned or blighted is 6 months (currently, 2 years) from: (1) the date of sale, if the holder of the certificate of purchase is a unit of local government; or (2) the date the property was declared abandoned or blighted, if the holder of the certificate of purchase is not a unit of local government.

Amends the Illinois Torture Inquiry and Relief Commission Act. Provides that a majority of the Illinois Torture Inquiry and Relief Commission members currently appointed shall constitute a quorum (rather than a majority of the voting members). Provides that a vacancy in the membership of the Commission shall not impair the right of a quorum to perform all of the duties of the Commission. Provides that vacancies occurring before the expiration of a term shall be filled by a gubernatorial appointment for the remainder of the unexpired term with the advice and consent of the Senate (rather than in the manner provided for the members first appointed). Deletes language providing that all 8 voting members of the Commission shall participate in a vote to establish further case disposition. Provides that 5 or more voting members (rather than 5 or more of the 8 voting members) of the Commission conclude that there is sufficient evidence of torture to merit judicial review, the case shall be referred to the Chief Judge of the Circuit Court of Cook County. Provides that if 4 or more voting members (rather than less than 5 of the 8 voting members) of the Commission conclude that there is insufficient evidence of torture to merit judicial review, the Commission shall conclude there is insufficient evidence of torture to merit judicial review. Provides that if a vote results in neither a minimum of 5 votes finding sufficient evidence of torture to merit judicial review, nor a minimum of 4 votes finding insufficient evidence of torture to merit judicial review, the claim shall be postponed for future reconsideration.

New Act

Creates the Mental Health Modernization and Access Improvement Act. Requires the Department of Healthcare and Family Services to apply for a Medicaid waiver or State Plan amendment, or both, within 6 months after the effective date of the Act to develop and implement a regulatory framework that allows, incentivizes, and fosters payment reform models for all Medicaid community mental health services provided by community mental health centers or behavioral health clinics. Provides that all documentation and reporting requirements under the regulatory framework must comply with the federal Mental Health Parity and Addiction Equity Act of 2008 and the State mental health parity requirements under the Illinois Insurance Code. Contains provisions concerning quality and outcomes metrics reporting; data sharing; the establishment of a Stakeholder Quality and Outcomes Metrics Development Working Group; statewide in-person trainings to ensure provider readiness for the regulatory framework; quality and patient safety protections; implementation timeline; certification of community mental health centers that opt into the regulatory framework; and other matters. Provides that the Act shall be implemented upon federal approval and only to the extent that federal financial participation is available. Effective immediately.

Senate Floor Amendment No. 2
Deletes reference to:
110 ILCS 305/9

Adds reference to:
105 ILCS 5/30-14.2 from Ch. 122, par. 30-14.2

Replaces everything after the enacting clause. Amends the Scholarships Article of the School Code. With regard to the MIA/POW Scholarship, provides that the definition of "eligible veteran or serviceperson" includes, among other requirements, a veteran or serviceperson who is a resident of Illinois at the time of application for the Scholarship and, at some point after leaving service, was a resident of Illinois for at least 15 consecutive years. Amends the Higher Education Student Assistance Act. With regard to the Illinois Veteran grant program, provides that a person is a qualified applicant if, despite not meeting other requirements, he or she is a resident of Illinois at the time of application to the Illinois Student Assistance Commission and, at some point after leaving federal active duty service, was a resident of Illinois for at least 15 consecutive years. Effective July 1, 2019.

Fiscal Note (Illinois Student Assistance Commission)
SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging $4,545, and for FY17 (most recent available), 1,211 Illinoisans received MIA/POW grants averaging $2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about $187,000 and MIA/POW waivers by about $30,000, for a total increase of $217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately $1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)
SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
The Balanced Budget Note Act does not apply to this bill. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in Senate Bill 1467; therefore, there are no appraisals to be filed.

Replaces everything after the enacting clause. Creates the Healthy Workplace Act and amends the State Finance Act. Requires employers to provide specified paid sick days to employees. Sets forth the purposes for and manner in which the sick days may be used. Contains provisions regarding employer responsibilities, unlawful employer practices, and other matters. Exempts employers subject to the Railway Labor Act. Provides that it is unlawful for an employer to interfere with, restrain, deny, change work days or hours scheduled to avoid paying sick time, or discipline an employee for the exercise of, or the attempt to exercise, any right provided under or in connection with the Act, including considering the use of paid sick time as a negative factor in an employment action that involves hiring, terminating, evaluating, promoting, disciplining, or counting the paid sick time under a no-fault attendance policy. Provides that any employer that the Department of Labor or a court finds by a preponderance of the evidence to have knowingly, repeatedly, or with reckless disregard violated any provision of the Act or any rule adopted under the Act is subject to a civil money penalty to be paid to the employee not to exceed $2,500 for each separate offense. Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
The fiscal impact of SB 471, as amended by HA 1, is not known as the number of COVID-related fatalities amongst the ranks of Chicago police officers and firefighters cannot be predicted.

New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Provides remedies for noncompliance. Limits home rule powers. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to $350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

Senate Floor Amendment No. 2

SB 1863, as amended by HA 4, will not impact any public pension fund or retirement system in Illinois.
State Debt Impact Note, House Floor Amendment No. 4 (Government Forecasting & Accountability)  
SB 1863, as amended by House Amendment 4, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.
Balanced Budget Note, House Floor Amendment No. 4 (Office of Management and Budget)  
Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1863, as amended by House Amendment 4 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.
Fiscal Note, House Floor Amendment No. 4 (State Board of Elections)

In provisions creating the Conduct of the 2020 General Election Article in the Election Code, excludes absent electors in military or naval service from the requirement that any elector submitting an application on or before October 1, 2020 shall receive a ballot no later than October 6, 2020. Correctional Note, House Floor Amendment No. 5 (Dept of Corrections)
This amendment has no fiscal impact or population impact on the department.

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)
It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately $16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Replaces everything after the enacting clause. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Provides that the Director of State Police shall (rather than may) establish a statewide multi-jurisdictional Violent Crime Intelligence Task Force. Provides that the Violent Crime Intelligence Task Force shall also conduct enforcement operations against persons whose Firearm Owner's Identification Cards have been revoked or suspended and persons who fail to comply with the revocation or suspension requirements of the Firearm Owners Identification Card Act, prioritizing individuals presenting a clear and present danger to themselves or to others under that Act. Provides that the Task Force shall collaborate with local law enforcement agencies to enforce provisions of the Firearm Owners Identification Card Act, the Firearm Concealed Carry Act, the Firearm Dealer License Certification Act, and the Deadly Weapons Article of the Criminal Code of 2012. Provides that the Director of State Police may establish intergovernmental contracts written and executed in conformity with the Intergovernmental Cooperation Act. Provides that the Department of State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Amends the Firearm Owners Identification Card Act. Modifies definition of "clear and present danger". Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Department of State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Department under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that any transfer of a surrendered firearm must be conducted under the firearm transfer provisions of the Firearm Owners Identification Card Act. Provides that nothing in the firearm revocation or suspension provisions of the Firearm Owners Identification Card Act prevents a court from ordering an individual to surrender his or her Firearm Owner's Identification Card to a law enforcement agency of the court's choosing in a timeframe shorter than 48 hours after receipt of the notice of revocation or suspension. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. Amends the Firearm Concealed Carry Act. Provides that an applicant for renewal need not resubmit a full set of fingerprints if the applicant has previously done so under the Act or the Firearm Owners Identification Card Act. Amends the Criminal Code of 2012. Provides that a person commits the offense of unlawful sale or delivery of firearms when he or she transfers ownership of a firearm to a person in violation of the Firearm Owners Identification Card Act. This offense is a Class 4 felony. Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. Modifies requirements for transfer of firearms to a law enforcement agency as required under those Acts. Makes other changes. Effective immediately.

Requires the Department to conduct demonstration projects to identify additional ways to assist aging and minority senior citizens throughout the State (rather than requiring the Department to conduct a study of the feasibility of implementing the Senior Companion Program throughout the State). In a provision requiring the Department on Aging and the Department of Human Services to file a joint report with the Governor and the General Assembly, removes the requirement that the report be filed on or before September 30 of each year. Requires the Department on Aging and other specified agencies to submit an annual report on program and services for minority senior citizens in the State to be filed with the Governor and the General Assembly within 12 months of the closing of the lapse period for the fiscal year included in the report.
