Furthermore, there is no fiscal impact to the operations of the State Comptroller's Office.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Senator Don Harmon
SB 01780 (CONTINUED)

735 ILCS 5/17-106

from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Provides that an employer is required to furnish the exclusive bargaining representative with a complete list of the names and addresses of the public employees in the bargaining unit at least once each month. Provides that the employer shall not discourage employees or applicants from becoming or remaining union members or authorizing dues deductions, and shall not otherwise interfere with the relationship between employees and their exclusive bargaining representative. Provides that the employer shall refer all inquiries about union membership to the exclusive bargaining representative, with certain exceptions. Provides that the employer may not disclose certain personal information with respect to any employee, except to that employee's exclusive representative. Contains provisions concerning the collection of dues. Amends the Illinois Pension Code. Prohibits the disclosure of certain personal information regarding participants and members. Makes other changes.

Correctional Note, House Floor Amendment No. 1 (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1784 (H-AM 1); therefore, there are no appraisals to be filed.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

SB 1784 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

There is no discernible fiscal impact associated with SB 1784, as amended by HA 1.

Fiscal Note, House Floor Amendment No. 1 (IL Educational Labor Relations Board)

In the event Senate Bill 1784 (H-AM 1) passes and becomes law, it is not expected to have any measurable fiscal impact on the Illinois Educational Labor Relations Board.

Housing Affordability Impact Note, House Floor Amendment No. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 2

Makes changes to the bill as amended by House Amendment No. 1 by providing that certain references to dues of a labor organization also include other payments to a labor organization. Makes a technical correction to change a reference from "employee" to "participant". Provides that certain provisions of House Amendment No. 1 concerning the disclosure of information by a pension fund or retirement system do not apply to a labor organization or other voluntary association affiliated with a labor organization or labor federation (in House Amendment No. 1, a labor organization or an exclusive representative).

10 ILCS 5/1A-16.5

10 ILCS 5/3-6

Amends the Election Code. Allows the State Board of Elections to receive voter registration information provided by applicants using electronic voter registration portals (rather than the Board's website). Provides that notwithstanding any other provision of law, a person who is otherwise qualified to vote may preregister to vote on or after that person's 16th birthday, with the registration held in abeyance by the appropriate election authority until that individual attains the required age to vote. Requires preregistration to be completed using the online voter registration system or an electronic voter registration portal. Provides that for the purposes of the Code, an individual who is 16 years of age or older (rather than who is 17 years of age and who will be 18 years of age on the date of the general or consolidated election) shall be deemed competent to execute and attest to any voter registration forms.

20 ILCS 605/913 new
30 ILCS 105/5.891 new

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Requires the Department of Commerce and Economic Opportunity to create a Clean Water Workforce Pipeline Program to provide grants and other financial assistance to individuals for careers in water infrastructure. Provides requirements for funding, grants, and other financial assistance from the Program on a competitive and annual basis for specified activities. Provides that the Program shall have an annual goal of training and placing 2,500 specified individuals in water sector jobs annually. Directs the Department to coordinate with the Environmental Protection Agency, Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects in order to encourage the employment of individuals trained through the Program onto projects receiving State financial assistance. Provides that the Department may select a Program Administrator to oversee the allocation of funds and select organizations that receive funding. Requires recipients under the Program to report annually to the Department on the success of their efforts and their contribution to reaching the goals of the Program. Requires the Department to compile the information and report specified information to the General Assembly annually. Within 90 days after the amendatory Act's effective date, requires the Department to propose a draft plan to implement amendatory Act's provisions for public comment and to finalize the plan within 180 days after the amendatory Act's effective date. Grants rulemaking authority to the Department to implement the Program and ensure compliance with the amendatory Act's provisions. Provides that moneys in the Water Workforce Development Fund shall only be used to fund the Program and to assist and enable implementation of clean water infrastructure capital investments. Amends the State Finance Act. Creates the Water Workforce Development Fund.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Provides that the Program shall be funded by appropriations from the Build Illinois Bond Fund, Capital Development Fund, or General Revenue Fund or other funds as identified by the Department of Commerce and Economic Opportunity. Provides that grants may be made, among other entities, to multi-craft labor organizations (currently, labor unions). Removes language providing that the continuing education for individuals to prepare for and build on workforce training and the training of individuals in various skill and trades necessary to build and maintain clean water infrastructure are activities for which grants and other financial assistance may be awarded. Provides that an annual goal of the Program is to train and place at least 300, or 25% of the number of annual jobs created by State financed water infrastructure projects, whichever is greater (currently, 2,500), specified persons in water sector-related apprenticeships (currently, jobs) annually. Provides that the Environmental Protection Agency, the Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects shall support the Program in attaining the goal of employing specified individuals. Provides that the Water Workforce Development Fund shall receive moneys from the Build Illinois Bond, the Capital Development Fund, the General Revenue Fund, and any other funds.

House Committee Amendment No. 1

Provides that "multi-craft labor organization" includes a labor-management apprenticeship program that is registered with and approved by a labor organization that has an accredited training program through the Higher Learning Commission or the Illinois Community College Board.

SB 00657 (CONTINUED)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Deletes language providing that a person shall also be regarded as practicing structural engineering who is engaged as a principal in the design, analysis, or supervision of the construction of structures or of the structural part of edifices designed solely for specified purposes. Provides that nothing imposes on a person licensed under the Act the responsibility for the performance of any acts or practice unless the person specifically contracts to provide it. Provides that nothing precludes an employee from acting under the direct supervision or responsible charge of a licensed structural engineer. Expands the powers and duties of the Department of Financial and Professional Regulation and the Structural Engineering Board. Provides that if technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by a computer. Provides that the licensee may provide an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer. Deletes language providing that an applicant applying for licensure as a structural engineer who has been licensed as a structural engineer in another United States jurisdiction for 10 consecutive years without discipline is not required to submit proof of qualifications other than a certified verification of licensure from the jurisdiction in which the applicant practiced. Deletes language providing that the Department may take disciplinary action for directly or indirectly giving to or receiving from any person or entity any fee, commission, rebate, or other form of compensation for any professional service not actually or personally rendered. Provides that the Department may take disciplinary action for making a statement that technical submissions prepared by the structural engineer or prepared under the structural engineer's responsible control for construction or alteration of an occupancy required to be in compliance with the Environmental Barriers Act are in compliance with the Environmental Barriers Act when such technical submissions are not in compliance (rather than that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance). Makes changes to provisions concerning discipline of a licensee or registrant for failing to file a return or to pay any tax, penalty, or interest as required by any tax Act. Provides that use of the title "structural engineer" or any of its derivations is limited to those persons or entities licensed or registered under the Act. Restores language providing that if the Secretary of the Department disagrees with the report of the Board or hearing officer, he or she may issue an order in contravention thereof, and that the Secretary may (rather than shall) notify the Board of any such deviation. Makes other changes. Effective immediately.

House Floor Amendment No. 3

Specifies that all meetings of the Structural Engineering Board shall be conducted in accordance with the Open Meetings Act. Removes language allowing the Structural Engineering Board to recommend employment or utilization of and the Department of Financial and Professional Regulation to employ or utilize legal services of outside counsel and investigative services of outside personnel. Provides that if any person practices as a licensed structural engineer or holds himself out as a structural engineer without being licensed under the provisions of the Act, then any licensed structural engineer, any interested party or any person injured thereby may file a complaint with the Department.

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

Senate Floor Amendment No. 1

Senator Linda Holmes
SB 01226 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.
Repeals the State Charter School Commission Fund on October 1, 2020 (rather than July 31, 2020). Provides that, beginning on July 1, 2020 through August 31, 2020, all money in the State Charter School Commission Fund shall be used by the State Board of Education for operational and administrative costs and, on September 1, 2020 (rather than July 1, 2020), in consultation with the State Board, the State Comptroller shall order transferred and the State Treasurer shall transfer all money in the State Charter School Commission Fund to the State Board of Education Special Purpose Trust Fund. Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that, beginning on the effective date of the amendatory Act, the Commission may not enter into or renew a contract, other than a charter renewal, that expires after July 1, 2020. Until July 1, 2020, allows the State Charter School Commission to hear an appeal on a local board's decision to not renew a charter. Allows the State Board of Education to reverse a local board's decision to revoke or, beginning on July 1, 2020, not renew a charter if certain conditions are met. Requires the State Board to appoint and utilize a hearing officer for those appeals. Provides that if a charter school fails to make payments toward administrative costs, the State Board may withhold State funds from that school until it has made all payments for those costs. Adds an immediate effective date.

Amends the Worker's Compensation Act and the Workers' Occupational Diseases Act. Provides that specified Sections limiting recovery do not apply to injuries or death resulting from an occupational disease as to which the recovery of compensation benefits under the Act would be precluded due to the operation of any period of repose or repose provision. Provides that, as to any such injury occupational disease, the employee, the employee's heirs, and any person having the standing under law to bring a civil action at law has the nonwaivable right to bring such an action against any employer or employers. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1596 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1596 amends the Worker's Compensation Act and the Worker's Occupational Diseases Act in a way that does not impact any State pension fund.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1596; therefore, there are no appraisals to be filed.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Central Management Services)

It is not possible to calculate an exact fiscal impact of this proposed legislation due to the case-specific nature of any claims that may arise pursuant to this legislation. However, based on the average cost of a workers' compensation claim and the percentage of claims that are denied for untimely filing, the Department of Central Management Services estimates the proposed legislation would result in a cost increase of approximately \$250,000 annually.

Adds reference to:

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Senator Mattie Hunter
SB 00001 (CONTINUED)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

SB 00516 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

New Act

Creates the Right to Shop Act. Requires a carrier offering a health plan to develop and implement a program that provides incentives for enrollees in a health plan who elect to receive a comparable health care service from a provider that collects less than the average in-network allowed amount paid by that carrier to a network provider for that comparable health care service. Provides how incentives may be calculated, distributed, and offered. Requires the carrier to file a description of the health care service incentive program with the Department of Insurance. Requires a carrier to establish an interactive mechanism on its website to enable an enrollee to request the estimated amount the carrier would pay to a network provider for a comparable health care service. Requires the Director of Central Management Services to conduct an analysis on the cost effectiveness of implementing an incentive-based program for current enrollees and retirees of the State group health benefits plan. Requires a program found to be cost effective to be implemented as part of the next open enrollment. Effective immediately.

SB 01510 (CONTINUED)

Replaces everything after the enacting clause. Amends the Nursing Home Care Act. Removes language that requires light intermediate care to be staffed at the same staffing ratio as intermediate care. Provides that for purposes of minimum staffing ratios, all residents shall be classified as requiring either skilled care or intermediate care. Defines "intermediate care" and "skilled care". Provides that the Department of Public Health shall adopt rules on or before January 1, 2020 establishing a system for determining compliance with minimum direct care staffing standards and establishing penalties for noncompliance with minimum direct care staffing ratios. Provides that monetary penalties shall be imposed beginning no later than October 1, 2020 and quarterly thereafter. Provides that a violation of the minimum staffing requirements is, at minimum, a Type "B" violation. Provides that a facility that has received a notice of violation for having violated the minimum staffing requirements shall display a notice stating that the facility did not have enough staff to meet the needs of the facility's residents during the quarter cited in the notice of violation. Adds members to the Long-Term Care Facility Advisory Board. Provides that the affirmative vote of 7 (instead of 6) members of the Board shall be necessary for Board action. Provides that a prescribing clinician must obtain voluntary informed consent, in writing, from a resident or the resident's legal representative before authorizing the administration of a psychotropic medication to that resident. Provides that a violation of certain provisions concerning informed consent is a Type "A" violation and shall serve as prima facie evidence of abuse or criminal neglect of a person in a long-term care facility under the Criminal Code of 2012. Provides that no facility or managed care plan shall deny admission or continued residency to a person or resident based on the refusal of the administration of psychotropic medication, unless the prescribing clinician or facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

210 ILCS 45/3-305

from Ch. 111 1/2, par. 4153-305

Replaces everything after the enacting clause with the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes: Throughout the Act, replaces references to a resident's authorized representative with references to a resident's surrogate decision maker. Contains provisions regarding the Department of Public Health's informed consent protocol. Provides that the Department shall utilize the rules, protocols, and forms previously developed and implemented under the Specialized Mental Health Rehabilitation Act of 2013, unless specified exceptions apply. Provides that informed consent forms may include side effects that the Department reasonably believes are more common. Provides that informed consent shall be sought by the facility from the resident unless the resident's attending physician determines that the resident lacks decisional capacity, as determined under the Health Care Surrogate Act. Provides that if the resident lacks decisional capacity, the facility shall seek informed consent from the resident's surrogate decision maker. Provides that no monetary penalty may be issued during the implementation period of rules establishing those penalties. Provides that the implementation period shall be July 1, 2020, through September 30, 2020. Provides that if a violation of staffing requirements is not more than a 5% deviation of the required minimum staffing requirements, the Department shall have the discretion to determine the gravity of the violation and, taking into account mitigating and aggravating circumstances and facts, may adjust any penalty or type or class of violation. Provides a notice form for facilities that do not meet the minimum staffing ratios. Makes other changes. Effective immediately.

Senator Mattie Hunter**SB 01778 (CONTINUED)**

Amends the Abused and Neglected Child Reporting Act. Removes the list of mandated reports under the Act and instead lists several categories of professionals required to report suspected child abuse and neglect to the Department of Children and Family Services, including: (1) medical personnel; (2) social services and mental health personnel; and (3) crisis intervention personnel. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training provided through or approved by the Department and that the training must be completed within a specified timeframe. Requires the Department to adopt rules by January 1, 2020 on its process for approving mandated reporter training. Provides that, by January 1, 2021, continuing education requirements for persons licensed by the Department of Financial and Professional Regulation must include mandated reporter training. Requires the Department, by January 1, 2020, to adopt rules and procedures for educating members of the public about their right to report child abuse or neglect. Requires the Department to seek assistance from businesses and organizations on raising awareness about child abuse and child neglect and the Department's statewide toll-free child abuse hotline.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, and his or her profession has continuing education requirements, the training mandated under the Act shall count toward meeting the licensee's required continuing education hours. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

50 ILCS 705/7

from Ch. 85, par. 507

Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. Further amends the Abused and Neglected Child Reporting Act. Provides that persons required to report under the Act must complete an initial mandated reporter training (rather than must complete mandated reporter training) within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, or within the time frame of any other applicable State law that governs training requirements for a specific profession, and at least every 3 years thereafter. Provides that the initial requirement (rather than the initial 3-month requirement) only applies to the first time they engage in their professional or official capacity (rather than only applies to the first time they engage in their professional or official capacity and may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession).

SB 00449 (CONTINUED)

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

Amends the State Revenue Sharing Act and the Illinois Income Tax Act. Provides that a monthly transfer shall be made to the Local Government Distributive Fund an amount certified by the Department of Revenue equal to: (1) the amount that would have been distributed under the State Revenue Sharing Act to all financially distressed cities if a sum calculated using 10% of the net revenue realized from the tax imposed by the Illinois Income Tax Act upon individuals, trusts, estates, and corporations during the preceding month had been transferred to the Local Government Distributive Fund; and (2) subtracting the amount distributed to all financially distressed cities from the Local Government Distributive Fund under the State Revenue Sharing Act. Provides for continuing appropriation if insufficient appropriations are made. Amends the Financially Distressed City Law of the Illinois Municipal Code. Makes the law applicable to both home rule and non-home rule municipalities. Provides that a State agency or unit of local government may also render technical assistance to a municipality's Financial Advisory Authority as the Authority may request. Provides that the State shall not reduce revenues or impose additional costs affecting a financially distressed city affecting the municipality unless it is consistent with the Financial Plan and Budget in effect. Provides that State mandates enacted while a municipality is designated as a financially distressed city that would cause the municipality to incur costs are not valid or enforceable during the period when the municipality is under the financially distressed city designation. Effective January 1, 2021.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1407, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1407 will not impact any public pension fund or retirement system in Illinois.
