New Act

Creates the Student Debt Assistance Act. Prohibits an institution of higher learning or a public or private entity that provides academic transcripts from (i) withholding academic transcripts from a current or former student because the student owes a debt to the institution, (ii) conditioning the provision of an academic transcript on the payment of a debt, other than a fee charged to provide the transcript, (iii) charging a higher fee to obtain an academic transcript or providing less favorable treatment of a request for an academic transcript because a current or former student owes a debt, or (iv) using academic transcript issuance as a tool for debt collection. Beginning with the 2022-2023 academic year, requires an institution of higher learning to make a good faith effort to offer a debt repayment plan to any student who owes a debt of $250 or more to the institution. Sets forth provisions concerning the debt repayment plan and enrollment procedures. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Creates the Student Debt Assistance Act. Prohibits an institution of higher education from refusing to provide an unofficial transcript to a current or former student on the grounds that the student owes a debt; conditioning the provision of an unofficial transcript on the payment of a debt, other than a fee charged to provide the transcript; or charging a higher fee for obtaining an unofficial transcript or providing less favorable treatment of a request for an unofficial transcript because a current or former student owes a debt. Provides that an institution of higher education (1) must provide an official transcript of a current or former student to a current or potential employer, even if the current or former student owes a debt; (2) may not condition the provision of an official transcript to a current or potential employer on the payment of a debt, other than a fee charged to provide the transcript; and (3) may not charge a higher fee for transferring an official transcript to a current or potential employer or provide less favorable treatment for such a request because a current or former student owes a debt. Beginning with the 2022-2023 school year, requires every institution of higher education to have a policy instituting a financial or physical hardship withdrawal process; sets forth requirements concerning the process. Provides that if an institution of higher education chooses to send a current or former student's past due debt to a debt collection agency, the past due debt may not be reported to any credit reporting agencies, except as provided by federal law (instead of may not be reported to any credit reporting agencies or used against that student in a credit report or credit score). Effective immediately.

65 ILCS 5/11-11-4 new

Amends the Illinois Municipal Code. Provides that a leasehold for a term not in excess of 50 years may be made with a nonprofit corporation or association and extended for an additional 25 years by ordinance or resolution thereafter for specified purposes, including, but not limited to: cultivation or use of vacant lots for gardening or recreational purposes; and the lease of a tract of land of less than 5 acres to sell fresh fruits and vegetables. Provides that, when the city council of a municipality determines that all or any part of a municipal-owned tract of land, with or without improvements, is not then needed for municipal purposes, the city council may, by resolution or ordinance, authorize a private sale and conveyance of the same, or any part thereof, for nominal consideration without compliance with any other law governing disposal of lands by municipalities requiring adequate consideration. Limits the use of the property leased or conveyed under the provisions. Provides that property leased or conveyed under the provisions is exempt from property taxation under the Property Tax Code if the property is actually used for the cultivation and sale of fresh fruits and vegetables and leased or owned by a nonprofit organization or association that includes among its principal purposes the cultivation and sale of fresh fruits and vegetables. Contains a statement of findings.

SB 00693

210 ILCS 50/3.155

Amends the Emergency Medical Services (EMS) Systems Act. Provides that when a patient has been determined by EMS personnel to (1) have no immediate life-threatening injuries or illness, (2) not be under the influence of drugs or alcohol, (3) have no immediate or obvious need for transport to an emergency department, and (4) have an immediate need for transport to an EMS System-approved mental health facility, the EMS personnel may contact Online Medical Control or his or her EMS Medical Director or Emergency Communication Registered Nurse to request bypass or diversion of the closest emergency department and request transport to the closest or appropriate EMS System-approved mental health facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following change. Provides that EMS personnel may transport a patient to an EMS System-approved urgent care or immediate care facility that meets the proper criteria and is approved by Online Medical Control or his or her EMS Medical Director or Emergency Communications Registered Nurse.

House Floor Amendment No. 5

210 ILCS 50/3.10

Adds reference to:
210 ILCS 50/3.50

Adds reference to:
210 ILCS 50/3.85

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that "non-emergency medical services" means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes.

Effective immediately.

Provides that a certain provision shall not be construed to limit the ability of a law enforcement agency or law enforcement official to notify a person in the law enforcement agency's custody about that person's right to communicate with consular officers from that person's country of nationality, or facilitate such communication, in accordance with the Vienna Convention on Consular Relations or other bilateral agreements. New Act

Creates the Fair Food Delivery Act. Prohibits a third-party delivery service from using the likeness, registered trademark, or  
intellectual property belonging to a merchant without obtaining written consent from the merchant for the use of the likeness,  
trademark, or other intellectual property. Provides that an agreement subject to the Act may not include a provision that requires a  
merchant to indemnify a third-party delivery service, an independent contractor acting on behalf of the third-party delivery service, or  
a registered agent of the third-party delivery service for any damages or harm that may occur after the merchant's product leaves the  
merchant's place of business. Authorizes recovery of actual damages or $5,000, whichever is greater. Imposes a civil penalty of not  
more than $1,000 per violation. Provides that each day a violation occurs constitutes a separate violation. Defines terms. Effective  
immediately.

Senate Floor Amendment No. 1

Removes a provision concerning third-party use of merchant trademarks and likenesses and instead provides that a third-party  
delivery service may not purchase or use the name, likeness, registered trademark, or intellectual property belonging to a merchant,  
and may not take or arrange for the pickup or delivery of an order from a merchant, without first obtaining written consent from the  
merchant. Provides that an agreement subject to the Fair Food Delivery Act may not include a provision that requires a merchant to  
indemnify a third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the  
third-party delivery service for any damages or harm partially or wholly caused by or resulting from the third-party delivery service, an  
independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service. Removes the  
Immediate effective date.

New Act

Creates the Consumer Choice in Maternal Care for African-American Mothers Pilot Program Act. Requires the Task Force on Infant and Maternal Mortality Among African Americans to partner with community-based maternal care providers to develop rules and regulations for a Medicaid voucher pilot program to expand consumer choice for Black mothers that includes planned home birth services and in-home perinatal and postpartum care services provided by racially concordant nationally accredited certified professional midwives. Requires the Department of Healthcare and Family Services to implement the pilot program no later than January 1, 2023. Provides that the pilot program shall operate for a 5-year period. Requires the Task Force to submit annual reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter through January 1, 2028, that provides a status update on the pilot program and annual impact measure reporting. Provides that the pilot program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postpartum period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode.

Replaces everything after the enacting clause. Amends the Illinois Freedom to Work Act. Provides that a covenant not to compete shall not be valid or enforceable unless the employee's actual or expected annualized rate of earnings exceeds $75,000 per year on the effective date of the amendatory Act, $80,000 per year beginning on January 1, 2027, $85,000 per year beginning on January 1, 2032, or $90,000 per year beginning on January 1, 2037 (rather than no employer shall enter into a covenant not to compete with any low-wage employee of the employer). Provides that a covenant not to solicit shall not be valid or enforceable unless the employee's actual or expected annualized rate of earnings exceeds $45,000 per year. Provides that a covenant not to compete is void and illegal for any employee who an employer terminates or furloughs or lays off as the result of business circumstances or governmental orders related to the COVID-19 pandemic, or under circumstances that are similar to the COVID-19 pandemic, unless enforcement of the covenant not to compete includes compensation equivalent to the employee's base salary at the time of termination for the period of enforcement minus compensation earned through subsequent employment during the period of enforcement. Provides that a covenant not to compete is void and illegal for individuals covered by a collective bargaining agreement under the Illinois Public Labor Relations Act or the Illinois Educational Labor Relations Act. Contains provisions concerning the enforceability of a covenant not to compete or a covenant not to solicit; notice requirements for employers under a covenant not to compete or a covenant not to solicit; remedies for employees who prevail against an employer's civil action to enforce a covenant not to compete or a covenant not to solicit; and certain factors a court may consider when determining whether to reform a covenant not to compete or a covenant not to solicit. Amends the Illinois Modular Dwelling and Mobile Structure Safety Act. In provisions regarding definitions, provides that codes for structural requirements adopted for modular dwellings shall be no more stringent than the requirements contained in the most recent edition of the International Residential Code for One- and Two-Family Dwellings or the International Building Code, as applicable. Provides that the Code of Standards shall permit the use of new technology, techniques, methods and materials, for both modular dwellings and mobile structures, consistent with recognized and accepted codes and standards developed by the Illinois Energy Conservation Code.
Amends the Community Benefits Act. Provides that the Act applies to all nonprofit and public hospitals licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act (rather than not applying to a hospital operated by a unit of government, a hospital located outside of a metropolitan statistical area, or a hospital with 100 or fewer beds). Requires community benefits plans to describe activities the hospital is undertaking to address health equity, reduce health disparities, and improve community health. Provides that, in order to increase transparency and accessibility of charity care and financial assistance data, the Attorney General shall post on the Attorney General’s website: all community benefits plans contained in reports submitted by hospitals; and a compiled report that summarizes information from completed community benefits plans. Provides that an electronic version of the compiled report shall be sent to the Governor and each member of the General Assembly. Provides a late filing fee for nonprofit hospitals for community benefits plans of $2,500 per month that the report is late (rather than $100). Makes other changes. Provides that hospitals, other than a rural hospital or Critical Access Hospitals, shall provide a discount from charges to specified uninsured patients for all medically necessary health care services exceeding $150 (rather than $300) in any one inpatient admission or outpatient encounter. Provides civil monetary penalties of not $1,000 to $5,000 (rather than $500). Provides that a hospital shall offer specified uninsured patients an opportunity to be screened for and assistance with applying for public health insurance programs if there is a reasonable basis to believe that the uninsured patient may be eligible for a public health insurance program. Provides that, no later than September 1, 2022, the Attorney General shall provide data on the Attorney General’s website regarding enforcement efforts performed under the Act from January 1, 2021 through June 30, 2022. Provides that, no later than September 1 of each year through September 1, 2027, the Attorney General shall provide data on the Attorney General’s website regarding enforcement efforts performed under the Act from July 1, 2021 through June 30, 2022. Makes other changes. Effective January 1, 2022.

House Committee Amendment No. 1

In provisions of the Hospital Uninsured Patient Discount Act regarding patient responsibility, provides that hospitals may make the availability of a discount and the maximum collectible amount under the Act contingent upon the uninsured patient first applying for coverage under public health insurance programs (rather than public programs) if there is a reasonable basis to believe that the uninsured patient may be eligible for such program.

Amends the Nurse Practice Act. Provides that registered professional nursing practice is a scientific process founded on a professional body of knowledge; it is a learned profession based on the understanding of the human condition across the life span and environment and includes all nursing specialties and means the performance of any nursing act based upon professional knowledge, judgment, and skills acquired by means of completion of an approved professional nursing education program. Provides that registered professional nurses may delegate nursing interventions and tasks (rather than nursing interventions) to other registered professional nurses and licensed practical nurses based on a comprehensive nursing assessment. Provides that registered professional nurses may delegate tasks to unlicensed personnel based on a comprehensive nursing assessment. Provides that a registered professional nurse is prohibited from delegating work requiring nursing knowledge, assessment, judgment, inference, decision making (including medication administration), the development of a plan of care, and the evaluation of a plan of care to unlicensed non-nurse personnel. Removes provisions concerning delegation of nursing interventions and administration of medications in community-based or in-home care settings. Makes other changes. Effective August 1, 2021.
Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

House Floor Amendment No. 1
Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Creates the Bias-Free Child Removal Pilot Program Act. Provides that subject to appropriation, the Department of Children and Family Services shall establish a 3-year Bias-Free Child Removal Pilot Program no later than July 1, 2023 for the purpose of promoting unbiased decision-making in the child removal process with the goal of decreasing the overrepresentation of BIPOC children in out-of-home placements. Requires the identified county to utilize a bias-free child removal strategy when deciding whether a child should be removed from his or her parents' home. Requires the Department to identify a public university to develop an evaluation design which identifies a control group (a county that does not utilize a bias-free child removal strategy) and compare those results with the intervention group (a county that utilizes a bias-child removal strategy). Provides that no later than January 1, 2023, the Department shall establish a Bias-Free Child Removal Review Committee consisting of an interdisciplinary, diverse group of 9 child welfare professionals and advocates for the purpose of creating the pilot program and the pre-implementation plan for the pilot program. Requires the Department to establish other procedures and protocols concerning (i) which diverse group of professions should be represented on the Committee, including required degrees, credentials, and experience, (ii) the frequency of bias-free child removal meetings, and (iii) decision-making protocols concerning removal. Contains provisions concerning certain demographic information that must be redacted from a child's case notes report prior to a determination on removal; the Department's evaluation reports to the General Assembly; and other matters. Effective immediately.

Amends the Substance Use Disorder Act. In provisions requiring the Department of Human Services to establish a public education program regarding gambling disorders, requires the program to (i) promote public awareness to create a gambling informed State regarding the impact of gambling disorders on individuals, families, and communities and the stigma that surrounds gambling disorders and (ii) use screening, crisis intervention, treatment, public awareness, prevention, in-service training, and other innovative means to decrease the incidents of suicide attempts related to a gambling disorder or gambling issues. Requires the Department to determine a statement regarding obtaining assistance with a gambling disorder, which each licensed gambling establishment owner shall post and each master sports wagering licensee shall include on the master sports wagering licensee's portal, Internet website, or computer or mobile application. Permits the Department: to provide advice to State and local officials on gambling disorders; to support gambling disorder prevention, recognition, treatment, and recovery projects; to collaborate with other community-based organizations, substance use disorder treatment centers, or other health care providers engaged in treating individuals who are experiencing gambling disorder; and to perform other actions. Permits the Department to award grants to create or support local gambling prevention, recognition, and response projects. Makes other changes.

SB 00693 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes: Further amends the Emergency Medical Services (EMS) Systems Act. Provides that “non-emergency medical services” means the provision of, and all actions necessary before and after the provision of, Basic Life Support (BLS) Services, Advanced Life Support (ALS) Services, and critical care transport (rather than means medical care, clinical observation, or medical monitoring rendered) to specified patients using a vehicle regulated by the Act and personnel licensed under the Act (rather than only using a vehicle regulated under the Act). Removes language providing that an Emergency Medical Responder provides emergency medical response services prior to the arrival of an ambulance or specialized medical services vehicle. Requires the Department of Public Health to create standards and requirements with respect to alternative vehicle staffing models for private, nonpublic local government employers (rather than vehicle staffing models) that include an Emergency Medical Responder who drives an ambulance with a licensed EMT, EMT-I, A-EMT, Paramedic, or PHRN, as appropriate, in the patient compartment providing care to the patient pursuant to the approval of the EMS System Program Plan developed and approved by the EMS Medical Director for an EMS System. Provides that the Department shall monitor the implementation and performance of alternative staffing models and may issue a notice of termination of an alternative staffing model only upon evidence that an EMS System Program Plan is not being adhered to. Provides that an EMS System Program Plan for a Basic Life Support transport utilizing an EMR and an EMT shall include specified requirements. Makes other changes. Effective immediately.

Amends the State Commemorative Dates Act. Provides that Juneteenth National Freedom Day shall be observed on June 19 of each year as a holiday throughout the State (currently, not a holiday and is observed on the third Saturday of June of each year). Provides that when June 19 falls on a Sunday, the following Monday shall be held and considered the holiday. Amends the Election Code, the Illinois Procurement Code, the School Code, and the Promissory Note and Bank Holiday Act to include Juneteenth National Freedom Day as a holiday. Effective immediately.

Fiscal Note (Dept. of Central Management Services)
Senate Bill 1965 will not require additional resources. Salaries will be paid, whether on holiday or at work. What is lost is productivity. If that equates to the cost of salaries, then CMS Bureau of Personnel's estimate is $11.3M statewide.

New Act

Creates the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act. Provides that the purpose of
the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for
the treatment of a mental health or substance use disorder to obtain appropriate treatment across state lines in qualified hospitals and
facilities that are closer to their homes than are facilities available in their home states. Permits mental health facilities located in
certain northern border counties to contract with Wisconsin county departments to provide substance use or mental health treatment to
Wisconsin residents who are subject to involuntary commitment orders for treatment issued by Wisconsin courts, except that no
services may be provided to Wisconsin residents who are involved in a criminal proceeding. Permits mental health facilities located in
certain northern border counties to contract with Wisconsin county departments to secure substance use or mental health treatment for
Illinois residents who are subject to involuntary commitment orders for treatment issued by State courts, except that no services may be
secured for Illinois residents who are committed under specified provisions of the Code of Criminal Procedure or the Unified Code of
Corrections. Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities,
required contract provisions, and other matters.

Senate Floor Amendment No. 1
Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the
Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act). Removes all references to treatment for a
substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject,
by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate
treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their
home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

Amends the Adoption Act. Provides that a spouse or civil union partner is not required to join in a petition for the adoption of an adult if a petitioner is a former stepparent of that adult. Provides that the residence requirement for adoption shall not apply to: an adoption of a child placed by a State-licensed child welfare agency performing adoption services (rather than an adoption of a child placed by an agency); an adoption of an adult by a former stepparent; and an adoption of a child born in the State who has resided in the State continuously since birth, or a child who has continuously resided in the State for at least 6 months immediately preceding the commencement of the adoption proceeding. Includes additional information for the affidavit of identification to be given by the biological mother in an adoption proceeding. Provides that, in specified proceedings, in the case of a related adoption where the child sought to be adopted is not a youth in care, the court shall have the discretion to waive the appointment of a guardian ad litem. Provides that the ability for the petitioners to apply for judgment of adoption 6 months after the date of any interim order vesting temporary care, custody, and control of a child in the petitioners does not apply to a judgment for adoption of a related child, an adult, or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent. Deletes language providing that a judgment for adoption of an adult or a child as to whose adoption an agency or person authorized by law has the right of authority to consent may be entered at any time after service of process and after the return day designated therein. Provides instead that a judgment for adoption of: an adult may be entered at any time after the adult has consented to his or her adoption; or a child as to whose adoption a State-licensed child welfare agency, or person authorized by law, has the right of authority to consent may be entered at any time after placement and completion of investigation. Makes other changes.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that if the Governor declares a statewide disaster due to a public health emergency and issues an executive order regarding the same disaster that orders hospitals and health care facilities to cancel or suspend elective or nonemergent surgeries or procedures, then the Department of Healthcare and Family Services must conduct an audit on each managed care organization under contract with the Department to determine if the managed care organization has maintained a minimum medical loss ratio of 85% during the disaster period established by the gubernatorial disaster proclamation. Requires the audit to be conducted no later than 90 days after the expiration of the proclaimed disaster. Requires each managed care organization, upon request, to submit to the Department all relevant data and other information in a form and manner prescribed by the Department to assist the Department in carrying out its duties concerning the audit. 10 ILCS 5/11-2 from Ch. 46, par. 11-2
10 ILCS 5/11-3 from Ch. 46, par. 11-3

Amends the Election Code. Provides that each election precinct shall contain 1,200 voters (currently, 500 voters in counties, 600 voters in a municipality with a board of election commissioners and fewer than 500,000 inhabitants, or 400 voters in a municipality with a board of election commissioners and more than 500,000 inhabitants). Makes corresponding and other changes. In provisions concerning the county board of a county with less than 3,000,000 inhabitants, removes language providing that an election precinct with more than 600 voters may be divided. Provides that a county board may (rather than shall) at specified meetings, redivide, consolidate, or readjust (rather than redivide or readjust) election precincts to meet the 1,200 voters per precinct standard. In provisions concerning a municipality with a board of election commissioners, provides that a city with over 500,000 residents may (rather than shall) rearrange its precincts within 90 days of a presidential election or at any time when the number of votes cast exceeds 1,200 (rather than equals 600) to meet the 1,200 voters per precinct standard. Effective immediately.

Amends the Illinois Municipal Code. Provides that, when a person who intends to be a write-in candidate for an uncontested nonpartisan office has not timely filed nomination papers but has filed a written statement or notice of his or her intent, no primary ballot shall be printed (rather than requiring a primary ballot to be prepared and a primary election held if the write-in candidate is the fifth candidate filed). Provides that where no primary is held, a person intending to become a write-in candidate shall re-file a declaration of intent to be a write-in candidate for the general election with the appropriate election authority or authorities. Removes language: concerning requirements for the written statement or notice; and providing that an election authority has no duty to conduct a primary and prepare a ballot for an uncontested office, unless the written statement or notice is filed in a timely manner.

Amends the Election Code. Allows an elector to be added to a list of permanent vote by mail status voters who receive an official vote by mail ballot for all subsequent elections. Provides that a voter whose application for permanent vote by mail status is accepted by the election authority shall remain on the permanent vote by mail list until the voter requests to be removed from permanent vote by mail status, the voter provides notice to the election authority of a change in registration, or the election authority receives confirmation that the voter has subsequently registered to vote in another county. Provides the notice to be sent by election authorities to all qualified voters before a general election for the option to be placed on the list of permanent vote by mail status voters. Provides the application form for permanent vote by mail status. Allows an election authority to combine the applications for single election vote by mail and permanent vote by mail status on one form. Makes conforming changes.

New Act

Creates the Privacy of Adult Victims of Criminal Sexual Offenses Act. Defines "adult victim" and "criminal history record information." Provides that notwithstanding any other law to the contrary, inspection and copying of law enforcement records maintained by any law enforcement agency or all circuit court records maintained by any circuit clerk relating to any investigation or proceeding pertaining to a criminal sexual offense, by any person not exempted by this Act, shall be restricted to exclude the identity of the adult victim without a court order. Provides that when a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools if certain conditions are met. Makes other changes.

SB 02340  (CONTINUED)

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change:
Clarifies language related to restricting the identity of victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed, with the following changes:
Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records, and removes "parent" from the list of exempt individuals. Provides that a court may for the adult victim's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the adult victim's identity. Provides that a court may prohibit such disclosure only after giving notice and a hearing to all affected parties. Provides that in determining whether to prohibit disclosure of the adult victim's identity the court shall consider: (a) the best interest of the adult victim; and (b) whether such nondisclosure would further a compelling State interest. Provides that the copy of the criminal history record information that is to be provided under a provision concerning criminal sexual offense and school districts shall exclude the identity of the adult victim. Provides that the superintendent shall be restricted from revealing the identity of the adult victim.

House Floor Amendment No. 2

Provides that the Attorney General and Assistant Attorneys General may be exempt from a requirement to exclude a victim's identity in certain records.

New Act
105 ILCS 5/21B-30
105 ILCS 5/21B-35

Creates the Right to Read Act. Provides that the State Board of Education shall offer support to each public school district to select evidence-based core reading instruction programs and implement them using structured literacy instruction; and to each early childhood, elementary, and special education teacher, reading specialist, literacy coach, and administrator to complete evidence-based training in teaching reading. Requires the State Board of Education to annually compile and post on its website information on the steps it has undertaken to support school districts to deliver high-quality, evidence-based literacy instruction, including a list of any Early Literacy Grant recipients, documentation of how the recipient allocated the funding to support improved literacy, and what evidence-based literacy curricula the recipient is utilizing. Amends the School Code. In provisions concerning educator testing, requires applicants seeking specified licenses to pass a test in reading foundations, which shall include assessment of the applicant's understanding of phonological and phonemic awareness, concepts of print and the alphabetic principle, the role of phonics in promoting reading development, word analysis skills and strategies, vocabulary development, application of reading comprehension skills and strategies, and methods for assessing reading development. In provisions concerning minimum requirements for educators trained in other states or countries, provides that an applicant who has successfully completed a reading foundations test of at least comparable rigor to the Illinois reading foundations test is not required to complete a reading foundations test. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:
105 ILCS 5/21B-20

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes. Makes changes to the General Assembly's findings. Makes changes concerning the support offered by the State Board of Education to a public school district to select evidence-based core reading instruction programs and implement them. Makes changes concerning the support offered by the State Board of Education to each early childhood, elementary, and special education teacher, reading specialist, literacy coach, higher education faculty member, and administrator to complete evidence-based training in teaching reading, including creation of a tool that school districts and the public may use to evaluate professional development and training programs (instead of the creation of an advisory list of rigorous professional development programs). Further amends the School Code. Requires that, before October 1, 2023, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, review and, as needed, amend its professional licensure standards to align with the principles of evidence-based literacy instruction. Makes changes to the amendatory provisions concerning educator testing, including requiring that applicants seeking specified licenses pass a test in reading foundations after October 1, 2025. Makes changes concerning the minimum requirements for educators trained in other states or countries, including providing that applicants must complete coursework concerning evidence-based methods of reading that include explicit and repeated focus on phonemic awareness, a systematic approach to phonics (decoding), spelling instruction (encoding), vocabulary development, including morphology, reading fluency, oral language development, and reading comprehension, including syntax and background (content) knowledge. Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Revised Uniform Unclaimed Property Act. Provides that for an amount held on a payroll card, an indication of owner interest includes wages from an employer under the Illinois Wage Payment and Collection Act in the form of a recurring Automated Clearing House credit previously authorized by the apparent owner. Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the General Assembly, Illinois Municipal Retirement Fund (IMRF), State Universities, Downstate Teachers, and Judges Articles, makes changes to the age at which certain distributions are required and the age at which certain annuities are payable. In the General Provisions and IMRF Articles, moves provisions concerning Tier 2 members of IMRF from the General Provisions Article to the IMRF Article. Provides that the increase to the retirement annuity of a Tier 1 regular employee shall be computed from the effective date of the retirement annuity, the first increase being 0.25% (instead of .167%) of the monthly amount times the number of months from the effective date to January 1. Provides that if the employee was a Tier 1 regular employee, the surviving spouse annuity shall be increased by an amount equal to (i) 3% of the original amount thereof if the deceased employee was receiving a retirement annuity at the time of his or her death; otherwise (ii) 0.25% (instead of 0.167%) of the original amount thereof for each complete month that has elapsed since the date the annuity began. In the Metropolitan Water Reclamation District Article, provides that payments of an ordinary disability benefit shall be made at least monthly (instead of intervals of not more than 30 days). In the Chicago Teacher Article, makes changes concerning mistakes in benefit amount, the definition of "administrator", and payroll deductions. In the State Universities Article, makes changes concerning the qualification of trustees and the optional defined contribution benefit. In a provision of the Cook County Forest Preserve Article concerning the property tax levy for providing revenue for the Fund, provides that the forest preserve district may use other lawfully available funds in lieu of all or part of the levy. In a provision of the Cook County Article concerning proof of disability, provides that proof of duty or ordinary disability shall be furnished to the board by at least one licensed and practicing physician appointed by or acceptable to the board (instead of appointed by the board) and provides that each disabled employee who receives a duty or ordinary disability benefit shall be examined at least once a year or a longer period of time as determined by the board (instead of at least once a year). In the State Employee Article, provides that the System may indemnify a financial institution insured by an agency of the federal government as necessary to recover for the System any benefit overpayment that the System has made to the financial institution on behalf of a member. In the Social Security Enabling Act Article, repeals a provision requiring the submission of a report to the General Assembly covering the administration and operation of the Article during the preceding biennium. In the Downstate Firefighter Article, provides that an active member of the State Employees' Retirement System (SERS) who is an arson investigator may apply to transfer to SERS his or her credits and creditable service accumulated in any downstate firefighter pension fund. In the IMRF Article, provides that an active member of SERS who is a Commerce Commission police officer may apply to transfer to SERS certain IMRF credits. In the State Employee Article, provides that a State policeman, conservation police officer, arson investigator, or Commerce Commission police officer may elect to establish eligible creditable service under the alternative retirement annuity formula. Provides that a State policeman or conservation police officer may elect to convert service credit earned under the Article to eligible creditable service. In the Chicago Teacher Article, provides that payment from the Fund shall be made upon checks or through direct deposit transmittals authorized by the executive director (instead of upon warrants signed by the president and the secretary of the Board of Education, the president of the Board, and countersigned by the executive director). In the Downstate Teacher Article, adds to the definition of "teacher", the chief administrative officer of the education service centers established under the School Code and serving that portion of a Class II county outside a city of 500,000 or more inhabitants. Amends the State Mandates Act to require implementation without reimbursement. Certain changes to the Illinois Pension Code and the changes to the State Mandates Act are effective immediately.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In provisions amending the State Universities Retirement System Article of the Illinois Pension Code, removes language that changes references to the "optional defined contribution benefit" to "optional defined contribution plan". Amends the State Employees Group Insurance Act of 1971. Deletes language providing that if in any case an error is made in billing a TRS benefit recipient under a provision concerning health benefits for TRS benefit recipients and TRS dependent beneficiaries, the Department shall identify the error and refund the overpaid amount as soon as practicable; and providing that a TRS benefit recipient who has overpaid shall be entitled to a refund of overpayments for up to 7 years of past payments. Provides that if, for any month beginning on or after January 1, 2013, a TRS benefit recipient or TRS dependent beneficiary was enrolled in Medicare Parts A and B and such Medicare coverage was primary to coverage under certain provisions of the Act but payment for that coverage was made at a rate greater than the Medicare primary rate published by the Department of Central Management Services, the TRS benefit recipient or TRS dependent beneficiary shall be entitled to a refund equal to the difference between the amount paid by the TRS benefit recipient or TRS dependent beneficiary and the published Medicare primary rate. Provides that to receive a refund, the TRS benefit recipient or TRS dependent beneficiary must provide documentation to the Department of Central Management Services evidencing the TRS benefit recipient's or TRS dependent beneficiary's Medicare coverage and the amount paid by the TRS benefit recipient or TRS dependent beneficiary during the applicable time period. Certain changes to the Illinois Pension Code and the changes to the State Mandates Act are effective immediately.

Provides that, by October 1, 2022, the Illinois Environmental Protection Agency shall submit a report to the General Assembly containing its plan to replace the dismantled official inspection stations located in the City of Chicago. Provides that the plan shall consist of either a pilot program or a permanent replacement program, and shall provide information on the proposed locations of the new stations within the City of Chicago, information on programs implemented in other states, and a target date for full operation of all stations. Provides that the Agency shall issue a request for proposals related to its plan by January 1, 2023. Provides that the described plan shall also contain a timeline of actions, shall include procurement of services, technology, equipment, and other elements necessary to replace the former vehicle testing lanes, and shall state whether the replacement stations in the City of Chicago will utilize permanent self-service kiosks or other services. Provides that the plan shall also include the Agency's strategy of how best to inform people of the location and hours of operation of the new official inspection stations and conduct an informational campaign. Provides that any contracts awarded as a result of the plan shall adhere to State procurement requirements, and that the State shall consider contracting with minority-owned businesses. Effective immediately.

Amends the Student Online Personal Protection Act. Provides that an operator shall not knowingly sell, rent, lease, or trade a student's information (rather than knowingly sell or rent a student's information). Regarding an operator's request to receive covered information from a school, a school district, or the State Board of Education, provides that the written agreement related thereto must require the operator to provide a parent with a means to view and to request edits to the covered information to be maintained by the operator. If a breach occurs and is attributed to the operator, provides that any investigation and remediation costs and expenses incurred by the school as a result of the breach shall be borne by the operator (rather than the costs and expenses shall be allocated between the operator and the school). Requires the State Board of Education to develop and make available model student data privacy policies and procedures as soon as practical after July 1, 2021. Amends the Limited Liability Company Act. Provides that the statutory fiduciary duties a member owes to a member-managed company and its other members do not limit any fiduciary duties owed at common law. Removes a provision requiring a member to discharge his or her duties to a member-managed company and its other members under the Act or under the operating agreement and to exercise any rights consistent with the obligation of good faith and fair dealing. Instead provides that the implied contractual covenant of good faith and fair dealing applies to the operating agreement and members of a member-managed company in the same manner and to the same extent that it applies at law to other contracts and parties to the contracts. Makes changes concerning the extent to which an operating agreement of a limited liability company may restrict or eliminate a fiduciary duty owed at common law or under the Act. 40 ILCS 5/17-105.1
40 ILCS 5/17-106 from Ch. 108 1/2, par. 17-106
Amends the Chicago Teacher Article of the Illinois Pension Code. Adds to the definition of “teacher”, educational staff employed by a Chicago contract school in a position requiring certification or licensure, except for managerial, supervisory, or confidential employees, who are required to or elect to participate in the Fund. Requires such educational staff to participate, unless they began employment with the contract school before the effective date of the amendatory Act. Provides that educational staff that began employment with the contract school before the effective date of the amendatory Act may elect to participate as a member for service accrued after the effective date of the election. Makes conforming and other changes. Amends the State Mandates Act to require implementation without reimbursement by the State. Effective July 1, 2021.

Senate Committee Amendment No. 1
In provisions concerning the submission of payroll records and pension contributions, provides that the Fund shall provide a conditional grace period for contract schools that show evidence of timely and good faith efforts to submit payroll records and make pension contributions due between July 1, 2021 and October 1, 2021. Provides that if payroll records and pension contributions due during that time period are not submitted by October 1, 2021, the statutory penalties, liquidated damages, and interest shall be calculated from the original due date to the submission date of the pension contributions or payroll records, as applicable. Provides that evidence of timely and good faith efforts shall include specified evidence.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Changes the dates of the conditional grace period for contract schools to show evidence of timely and good faith efforts to submit payroll records and make pension contributions due to between January 1, 2022 and April 1, 2022 (rather than between July 1, 2021 and October 1, 2021). Provides that participation in the Fund shall begin on January 1, 2022 for educational staff employed in a contract school beginning employment on and after the effective date of the amendatory Act. Allows educational staff employed in a contract school before the effective date of the amendatory Act that elect to participate in the Fund to participate as a member for service accrued after January 1, 2022 (rather than after the effective date of the election) with the contract school, another contract school, a charter school, or the Board of Education. Prohibits a person from accruing service for employment with a contract school that occurred before January 1, 2022 (rather than before the effective date of the election to participate as a member). Changes the effective date to July 1, 2021 (rather than July 1, 2022).

40 ILCS 5/15-186.1 from Ch. 108 1/2, par. 15-186.1

Amends the State Universities Article of the Illinois Pension Code. In provisions concerning mistakes in benefit calculation, provides that if the amount of the benefit was mistakenly set too high, the error was undiscovered for 3 years or longer, and the error was not the result of incorrect information supplied or information omitted (instead of incorrect information supplied) by the affected member or beneficiary, then upon discovery of the mistake the benefit shall be adjusted to the correct level, but the recipient of the benefit need not repay to the System the excess amounts received in error. Provides that regardless of the date an overpayment is discovered, if the System determines that the overpayment has occurred for specified reasons, the System may recover the overpayment from the recipient thereof or the recipient's estate, plus interest at the effective rate from the date of the overpayment to the date of recovery, either directly or by deducting such amount from the remaining benefits payable to the recipient or the recipient's estate, or by any other means available to the System. Makes other changes. Effective immediately.
Amends the State Universities Article of the Illinois Pension Code. In a provision that requires an employer to make an additional contribution to the State Universities Retirement System for certain salary increases greater than 6%, provides that the System shall exclude any earnings increase paid in an academic year beginning on or after July 1, 2020 (instead of any earnings increase) resulting from overload work performed in an academic year subsequent to an academic year in which the employer was unable to offer or allow to be conducted overload work due to an emergency declaration limiting such activities. Makes other changes.

Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.
Amends the State Universities Article of the Illinois Pension Code. Provides that in computing service: one day of service in a calendar month shall constitute a full month of service. For a participant who teaches a course or courses, a participant is deemed to be in service until the date on which the employer requires grades to be submitted for that course or courses, and that date shall be deemed to constitute a day of service. Provides that the changes made by the amendatory Act are retroactive to 2 years before the effective date of the amendatory Act. Provides that a participant may request a recalculation of his or her service based on the changes made by the amendatory Act. Requires an employer to annually provide to each of its participating employees a statement of the amount of service the employer reported to the System for that participating employee during the preceding academic year. Provides that if a person disputes the amount of any benefit payment, the amount of service credit the benefit was based on, the formula used to calculate the benefit, the calculation of the benefit, or the information provided to the System by the employer, he or she may, within 90 days after the commencement of the benefit, apply to the System in writing for a recalculation. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of “new benefit increase”. Makes other changes. Effective immediately.

New Act

Creates the Coal Tar Sealant Disclosure Act. Requires specified persons and entities, public schools and public school districts, and State agencies to disclose the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product. Provides requirements for disclosures made under the Act. Requires persons or entities to provide information regarding alternative sealant upon request and public schools or public school districts and the State to seek an asphalt-based sealant when distributing any request for proposals. Requires public schools or public school districts and State agencies to determine whether specified benefits of alternative products outweigh the cost, and if so to use them. Provides that the Department of Public Health, in consultation with the State Board of Education, shall conduct outreach to public schools and public school districts regarding coal tar-based sealant and high polycyclic aromatic hydrocarbon product. Provides that nothing in the Act applies to a construction project or sale in which coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product is used for roofing application. Contains other provisions.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes provisions regarding coal tar sealant disclosure requirements for contractors. Provides that on or before May 1, 2023 (rather than January 1, 2022): (1) the Department of Public Health and the State Board of Education shall post on their websites guidance on screening for coal tar-based sealant product or high polycyclic aromatic hydrocarbon sealant product, requirements for a request for proposals, and requirements for disclosure; and (2) the Department shall adopt rules for the procedures and standards to be used in assessing acceptable levels of high polycyclic aromatic hydrocarbon content of a pavement seal applied to any State agency property. Provides that provisions regarding coal tar-based sealant disclosure for State property do not apply to pavement engineering projects requiring the use of a coal tar-based sealant or high polycyclic aromatic hydrocarbon sealant product for pavement engineering-related use on a highway structure conducted by or under the authority of the Department of Transportation. Provides that the Act is effective January 1, 2023.

Replaces everything after the enacting clause. Amends the Medical Patient Rights Act. Removes language providing that nothing in the Act shall restrict the ability of a health care facility to regulate the hours of visitation, the number of visitors per patient or the movement of visitors within the facility. Provides that, during a period for which the Governor has issued a proclamation declaring that a disaster exists or in the event of an outbreak or epidemic of a communicable disease in the community in which the health care facility is located, a health care facility shall ensure an opportunity for at least one visitor, not counting a clergy person, to visit a resident or patient of the health care facility. Requires visitation to be subject to the guidelines, conditions, and limitations of the health care facility's visitation policy and any rules or guidelines established by the U.S. Centers for Medicare and Medicaid Services and the Centers for Disease Control and Prevention. Provides that visitors may be required by the health care facility to submit to health screenings necessary to prevent the spread of infectious disease. Provides that a health care facility may deny visitation under the Act if the situation demands. Makes other changes. Effective immediately.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Authorizes a skilled nursing home, extended care facility, or intermediate care facility to prohibit an individual from visiting a resident or patient of the nursing home or facility if specific facts demonstrate that the individual would endanger his or her physical health or safety or the health or safety of a resident, patient, or health care worker of the nursing home or facility. Requires such a denial to be in writing and provided to the individual and the resident or patient with whom the individual was denied visitation. Requires each skilled nursing home, extended care facility, and intermediate care facility to inform each resident of the nursing home or facility (or that individual's representative) of the resident's visitation rights and the facility's visitation-related policies and procedures. Specifies that these nursing homes and facilities must not restrict, limit, or otherwise deny visitation privileges on the basis of race, color, national origin, religion, sex, gender identity, sexual orientation, or disability. Requires the nursing homes and facilities to ensure that all visitors enjoy full and equal visitation privileges, consistent with the residents' preferences.

Amends the Abused and Neglected Child Reporting Act. In provisions concerning persons authorized to have access to reports of child abuse or neglect, provides that State's Attorneys are authorized to receive unfounded reports for the purposes of screening and prosecuting court petitions making an allegation of abuse or neglect relating to the same child, a sibling of the child involving the same perpetrator, or a child or perpetrator in the same household as the child for whom the petition is being filed. Provides that parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, or a child or perpetrator in the same household as the child, including a household from which a child was removed or into which a child may be placed for purposes of certain types of juvenile court hearings. Amends the Juvenile Court Act of 1987. Requires the Department of Children and Family Services to notify parties of the final finding on a report of alleged abuse or neglect within 5 days after the Department classifies the report. Provides that a court shall not terminate wardship if there is a pending investigation involving any person acting in a caretaker role in the minor's household, unless the court makes written factual findings that, despite the pending investigation, there is no risk of abuse or neglect to the minor, that good cause exists to terminate wardship, and it is in the minor's best interest to terminate wardship. Effective upon becoming law, except some provisions take effect January 1, 2022.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Further amends the Abused and Neglected Child Reporting Act by providing that parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, the same perpetrator, or a child or perpetrator in the same household as the child for purposes of certain types of juvenile court hearings (rather than parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, or a child or perpetrator in the same household as the child, including a household from which a child was removed or into which a child may be placed, for purposes of certain types of juvenile court hearings). Makes revisions to language in the introduced bill concerning the admissibility of unfounded reports in certain judicial proceedings and hearings. Further amends the Juvenile Court Act of 1987. In a provision requiring the Department of Children and Family Services to notify parties of its final finding in an abuse or neglect report, requires the Department to notify the parties within 10 days (rather than 5 days) after the abuse or neglect report is classified by the Department. Removes language requiring the Department to provide the parties with copies of the abuse or neglect report. In a provision concerning the duration of wardship, provides that to terminate wardship, the court shall consider a pending investigation in accordance with the Abused and Neglected Child Reporting Act, if any, involving any person acting in a caretaker role in the minor's household, and make written factual findings that, despite the pending investigation, there is no risk of abuse or neglect to the minor, and it is in the minor's best interest to terminate wardship.

Provides that a group or individual policy of accident and health insurance or managed care plan that offers a program for wellness coverage must not provide a total incentive that exceeds 30% (rather than 20%) of the cost of self-only or employee-only coverage (rather than only employee-only coverage). Provides that the Strategy shall address key components of current and past legislation as well as current initiatives related to behavioral health services in order to develop a cohesive behavioral health system. Requires the Department to establish, by January 1, 2022, a program for the implementation of certified community behavioral health clinics. Amends the Medical Assistance Article of the Illinois Public Aid Code. Contains provisions concerning inpatient hospitalization for opioid-related overdose or withdrawal patients; services provided by licensed clinical professional counselors and marriage and family therapists; payments for long-acting injectable medications for mental health or substance use disorders; medical assistance benefits for persons determined eligible during the COVID-19 public health emergency; medical assistance coverage for services performed by a chiropractic physician, including, but not limited to, chiropractic manipulative treatment; medical assistance coverage for federally approved tobacco cessation medications and for tobacco cessation counseling services and medications provided through the Illinois Tobacco Quitline; medical assistance coverage for noncitizens for immunosuppressive drugs and related services associated with post-kidney transplant management, excluding long-term care costs; hospital reimbursements for immunizations; supplemental per diem rates for supportive living facilities; a supports waiver program for young adults with developmental disabilities; prior approval for wheelchair repairs; increased funding for dental services; and other matters. Removes a provision that requires the Department of Healthcare and Family Services to post the contracted claims report required by HealthChoice Illinois on its website every 3 months. In a provision requiring vendor payment claims to be received by the Department of Healthcare and Family Services within a specified time period, provides an exception to the filing deadline in cases established by Department rule. Provides that subject to federal approval, children younger than 19 with income at or below 313% of the federal poverty level shall be eligible for medical assistance. Grants the Department of Healthcare and Family Services emergency rulemaking authority. Provides that those provisions under the Illinois Public Aid Code that grant the Department of Healthcare and Family Services the authority to recover the value of health care benefits provided to a recipient under the Children's Health Insurance Program Act or the Covering ALL KIDS Health Insurance Act shall remain in force as to those causes of actions that accrued prior to the date upon which the Children's Health Insurance Program Act or the Covering ALL KIDS Health Insurance Act become inoperative. Permits the Department to forgive, compromise, or reduce any debt owed by a former or current recipient of medical assistance under the Illinois Public Aid Code or health care benefits under the Children's Health Insurance Program or the Covering ALL KIDS Health Insurance Program. Amends the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act. Makes the Acts inoperative if (i) the Department of Healthcare and Family Services receives federal approval to make children younger than 19 who have countable income at or below 313% of the federal poverty level eligible for medical assistance under the Illinois Public Aid Code and (ii) the Department, upon federal approval, transitions children eligible for health care benefits under the Acts into the medical assistance program. Amends the Department of Healthcare and Family Services Law. Requires the Department of Healthcare and Family Services to recognize veteran support specialists who are certified by, and in good standing with, the Illinois Alcohol and Other Drug Abuse Professional Certification Association, Inc. as mental health professionals as defined in the Illinois Title XIX State Plan and in the Illinois Administrative Code. Amends the Illinois Health Information Exchange and Technology Act. Changes the repeal date for the Act to January 1, 2027 (rather than January 1, 2022). Amends the Children with Disabilities Article of the School Code. Provides that the Community and Residential Services Authority shall have the power and duty to establish a pilot program to act as a residential research hub to research and identify appropriate residential settings for youth who are being housed in an emergency room for more than 72 hours or who are deemed beyond medical necessity in a psychiatric hospital. House Floor Amendment No. 3

Deletes reference to:

(305 ILCS 5/5-5)
Further amends the Medical Assistance Article of the Illinois Public Aid Code. Removes the language added by House Amendment No. 2 concerning inpatient admissions for persons experiencing opioid-related overdose or withdrawal and instead provides that the Department of Healthcare and Family Services shall ensure that patients, whether enrolled under the Medical Assistance Fee For Service program or enrolled with a Medicaid Managed Care Organization, experiencing opioid-related overdose or withdrawal are admitted on an inpatient status and the provider shall be reimbursed accordingly, when deemed medically necessary, as determined by either the patient's primary care physician, or the physician or other practitioner responsible for the patient's care at the hospital to which the patient presents, using criteria established by the American Society of Addiction Medicine. Provides that if it is determined by the physician or other practitioner responsible for the patient's care at the hospital to which the patient presents, that a patient does not meet medical necessity criteria for admission, then the patient may be treated via observation and the provider shall seek reimbursement accordingly. Provides that nothing shall diminish the requirements of a provider to document medical necessity in the patient's record. Removes the language added by House Amendment No. 2 concerning payments for long-acting injectable medications for mental health or substance use disorders and instead provides that, effective for dates of service on and after January 1, 2022, the medical assistance program shall separately reimburse at the prevailing fee schedule, for long-acting injectable medications administered for mental health or substance use disorder in the hospital inpatient setting, and which are compliant with prior authorization requirements. Provides that the Department of Healthcare and Family Services, in consultation with a statewide association representing a majority of hospitals and managed care organizations shall implement, by rule, reimbursement policy and prior authorization criteria for the use of long-acting injectable medications administered in the hospital inpatient setting for the treatment of mental health disorders. Makes a technical change in a provision concerning payments for long-acting injectable medications for mental health or substance use disorders. Removes language authorizing the Department of Healthcare and Family Services to establish, by rule, exemptions to the filing deadline for vendor payments.

Amends the Illinois Public Aid Code. Provides that the medical assistance program shall cover community-based pediatric palliative care from a trained interdisciplinary team. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program and suffers from a serious illness (rather than a potentially life-limiting medical condition). Contains provisions concerning a State Plan amendment; prohibited Department rules; pediatric interdisciplinary teams; reimbursable services offered under the pediatric palliative care program; standards for and technical assistance to managed care organizations; reporting requirements; criteria a case manager must meet for demonstrated expertise in pediatric palliative care; and other matters.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes to the Pediatric Palliative Care Act. Makes changes to the definition of “serious illness”. Restores language requiring the Department of Healthcare and Family Services to apply for a waiver to implement the pediatric palliative care program. Defines a qualifying child to be a person under the age of 21 who is enrolled in the medical assistance program and is diagnosed by the child's primary physician or specialist as suffering from a serious illness (rather than a person under 19 years of age who is enrolled in the medical assistance program and suffers from a serious illness). Provides that those serious illnesses that render a child eligible for pediatric palliative care services include any other serious illness that the Department, in consultation with interested stakeholders, determines to be appropriate. Restores language making certain reimbursable services offered under the pediatric palliative care program subject to federal approval for matching funds. Changes “case manager” to “program manager”. Changes “qualifying participants” to “qualifying children”.

305 ILCS 5/5-4 from Ch. 23, par. 5-4
Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the community spouse resource allowance to be established and maintained at the maximum amount permitted under a specified provision of the Social Security Act, or an amount set after a fair hearing, or the amount transferred by the institutionalized spouse to the community spouse by court order, whichever is greater (rather than requiring the community spouse resource allowance to be established and maintained at the higher of $109,560 or the minimum level permitted under the Social Security Act, or an amount set after a fair hearing, whichever is greater).

Requires the monthly maintenance allowance for the community spouse to be established and maintained at the maximum amount permitted under a specified provision of the Social Security Act, or an amount set after a fair hearing, or the amount transferred by the institutionalized spouse to the community spouse by court order, whichever is greater (rather than requiring the monthly maintenance allowance for the community spouse to be established and maintained at the higher of $2,739 per month or the minimum level permitted under the Social Security Act, or an amount set after a fair hearing, whichever is greater).

Senate Floor Amendment No. 1

Restores language that makes the community spouse resource allowance amount subject to federal approval. Makes the bill effective January 1, 2023.
Amends the Property Tax Code. Provides that, for the purposes of the senior citizens assessment freeze homestead exemption, “income” does not include any required minimum distribution from an individual retirement annuity. Effective immediately.

Amends the Sexual Assault Survivors Emergency Treatment Act. Removes language providing that, on and after July 1, 2012, the Department of Public Health shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by the Act or the Illinois Public Aid Code to reduce any rate of reimbursement for services or other payments in accordance with specified provisions of the Illinois Public Aid Code. Provides that, notwithstanding any other provision of law, a specified person or entity who provides an acute exam to a sexual assault survivor under the Act who is uninsured or receives medical assistance under the Illinois Public Aid Code shall receive reimbursement for each acute exam provided in the amount of $3,000 for acute exams provided to adult sexual assault survivors or to pediatric sexual assault survivors. Provides that the rates of reimbursement may be increased by the Department of Public Health. Provides that a sexual assault survivor with a nonprimary insurance policy may opt out of billing the sexual assault survivor's private insurance provider in a situation in which a concern for safety or confidentiality exists. Effective immediately.
Amends the Illinois Insurance Code to provide that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2023 shall provide coverage for continuous glucose monitors. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.

Amends the Hospital Licensing Act. In provisions regarding patient protection from abuse, provides that no patient, administrator, agent, or employee (rather than administrator, agent, or employee) of a hospital or a member of its medical staff may abuse a patient in the hospital. Provides that "abuse" in the provisions means any physical or mental injury or sexual abuse intentionally inflicted by, among other specified persons, a patient.

Amends the Child Labor Law. Provides that minors under 16 years of age working as child performers shall be permitted to work until 10 p.m. without seeking a waiver from the Department of Labor. Provides that an employer may apply to the Director of Labor, or his or her authorized representative, for a waiver permitting a minor to work outside of the hours allowed by the Act if specified criteria are satisfied.
