Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Floor Amendment No. 1

Senator Omar Aquino
SB 01780 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Replaces everything after the enacting clause. Amends the Illinois Public Labor Relations Act and the Illinois Educational Labor Relations Act. Provides that an employer is required to furnish the exclusive bargaining representative with a complete list of the names and addresses of the public employees in the bargaining unit at least once each month. Provides that the employer shall not discourage employees or applicants from becoming or remaining union members or authorizing dues deductions, and shall not otherwise interfere with the relationship between employees and their exclusive bargaining representative. Provides that the employer shall refer all inquiries about union membership to the exclusive bargaining representative, with certain exceptions. Provides that the employer may not disclose certain personal information with respect to any employee, except to that employee's exclusive representative. Contains provisions concerning the collection of dues. Amends the Illinois Pension Code. Prohibits the disclosure of certain personal information regarding participants and members. Makes other changes.

Correctional Note, House Floor Amendment No. 1 (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1784 (H-AM 1); therefore, there are no appraisals to be filed.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

SB 1784 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

There is no discernible fiscal impact associated with SB 1784, as amended by HA 1.

Fiscal Note, House Floor Amendment No. 1 (IL Educational Labor Relations Board)

In the event Senate Bill 1784 (H-AM 1) passes and becomes law, it is not expected to have any measurable fiscal impact on the Illinois Educational Labor Relations Board.

Housing Affordability Impact Note, House Floor Amendment No. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 2

Makes changes to the bill as amended by House Amendment No. 1 by providing that certain references to dues of a labor organization also include other payments to a labor organization. Makes a technical correction to change a reference from "employee" to "participant". Provides that certain provisions of House Amendment No. 1 concerning the disclosure of information by a pension fund or retirement system do not apply to a labor organization or other voluntary association affiliated with a labor organization or labor federation (in House Amendment No. 1, a labor organization or an exclusive representative).

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

Senator Omar Aquino
SB 01863 (CONTINUED)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2).Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

SB 02091 (CONTINUED)

Amends the Higher Education Student Assistance Act. Provides that, beginning with the 2019-2020 academic year, the Illinois Student Assistance Commission must implement and administer a program to award Early Childhood Workforce Free College grants to all eligible child care workers seeking an associate or bachelor's degree from a public institution or a regionally accredited, online-only early childhood education degree program; defines terms. Specifies grant eligibility and renewal requirements. Creates the Early Childhood Workforce Advisory Committee to advise the Commission on all matters relating to the Early Childhood Workforce Free College grant program and on the ways to improve and expand the early childhood workforce in this State. Provides for the membership and support of the Committee and requires the Committee to (i) study and make recommendations to the Commission that are related to the implementation of the Early Childhood Workforce Free College grant program, (ii) conduct an analysis from data received by the Commission to ensure the program is at full utilization, (iii) address access issues to the program, including, but not limited to, geographic, financial, cultural, and workplace settings, and (iv) address ways to expand the early childhood workforce in this State. Amends the State Finance Act to create the Early Childhood Workforce Free College Fund. Effective immediately.

Senate Committee Amendment No. 1

Expands the definition of "child care worker". Changes the definition of "early childhood degree program" to a regionally accredited degree program (rather than online degree program) administered solely through an Illinois-based, not-for-profit organization or through a public institution through which a child care worker may attain a degree or credential or maintain a classroom role in any child care or early childhood education setting, including a Child Development Associate Credential program or an Early Childhood Education (ECE) degree program. Requires the Illinois Student Assistance Commission to implement and administer the Early Childhood Workforce Free College grant program beginning with the 2020-2021 (rather than 2019-2020) academic year and subject to appropriation. Provides that, if other eligibility requirements are met, an eligible child care worker seeking to enroll in an alternative educator licensure program under the School Code is eligible for a grant under the program. Removes a provision allowing for exceptions to a student's initial enrollment in a public institution or an early childhood degree program for extenuating circumstances as provided in rules by the Commission. Provides that, in awarding grants under the program, if, in any fiscal year, the amount appropriated for the grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the Commission must proportionately reduce the grants accordingly (rather than must develop the selection and renewal criteria for students). Requires the Illinois Early Learning Council (rather than the Commission) to provide the Early Childhood Workforce Advisory Committee with administrative and other support. Makes other changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes. Changes the definition of "early childhood degree program". Provides that if a student chooses to enroll in a private institution, the grant awarded to the student under the program shall be no more than 150% of the highest rate paid on behalf of students in a similar program at a public institution to cover the cost of tuition and mandatory fees, less all other student aid. Provides that after completion of or disenrolling from his or her program of study, a student must reside and work within this State in a child care or early childhood education setting for a minimum of one year. Provides that if the student does not reside and work within this State for a minimum of one year, the student must repay the total grant amount awarded to him or her through installments in accordance with rules adopted by the Illinois Student Assistance Commission. Creates the Early Childhood Workforce Free College Advisory Committee (rather than the Early Childhood Workforce Committee), established by the Illinois Early Learning Council; changes the membership of the Committee and the Committee's duties. Makes other changes. Effective immediately.

35 ILCS 5/704A

Amends the Illinois Income Tax Act. Provides for a credit against withholding taxes in an amount equal to 25% of the wages or salary paid by a private employer to an Illinois employee while the employee is on organ donation leave if the employer grants all of its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone marrow donor. Provides that the credit may not exceed \$20,833.33 for each employee who takes organ donation leave. Provides that such a leave of absence must be taken without loss of pay, vacation time, compensatory time, personal days, or sick time for at least the first 30 days of the leave of absence. Effective immediately.

Senate Committee Amendment No. 2

Makes changes to the introduced bill to require the employer to provide medical documentation and documentation of the employer's organ donation leave policy to the Department of Revenue and to require the employee to allow medical records to be disclosed to the Department of Revenue. Provides that, if the leave taken spans into a second tax year, the employer qualifies for the credit in the later of the 2 years. Provides that the credit may be carried forward.

Senate Floor Amendment No. 4

Replaces everything after the enacting clause. Makes changes to update the statutory base. Reinserts the provisions of the bill as amended by Senate Amendment No. 2, but provides that the credit may not exceed \$1,000 in withholdings for each employee (in Senate Amendment No. 2, \$20,833.33). Provides that the credit applies for reporting periods beginning on or after January 1, 2020. Effective immediately.

SB 00209 (CONTINUED)

Amends the School Code. With regard to special education joint agreements, provides that under no circumstances may a petition for withdrawal from a joint agreement be presented to other member districts less than 18 months from the date of the proposed withdrawal. Provides that if a petition for withdrawal is not approved by the other member districts, any petitioning member district (rather than only a petitioning member district that is part of a Class II county school unit outside of a city of 500,000 or more inhabitants) may appeal the disapproval. Provides that the trustees of schools of the township having jurisdiction and authority over the withdrawing district or the hearing panel established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district shall convene and hear testimony to determine whether the withdrawing district has presented sufficient evidence that the district, standing alone, will provide a full continuum of services and support to all its students with disabilities in the foreseeable future; specifies requirements for the withdrawing district prior to the hearing. Provides that each withdrawing district shall develop a comprehensive plan that includes the administrative policies and procedures outlined in specified special education rules of the State Board of Education and all relevant portions of the federal Individuals with Disabilities Education Act. Provides that the withdrawing district must also demonstrate its ability to provide education for a wide range of students with disabilities, including a full continuum of support and services. Effective immediately.

Senate Floor Amendment No. 1

Provides that under no circumstances may a petition to withdraw from a joint agreement be presented to other member districts less than 12 (rather than 18) months from the date of the proposed withdrawal, unless the member districts agree to waive this timeline. Provides that upon approval by school board written resolution of all remaining member districts, the petitioning member district must submit its comprehensive plan to the State Board for review. Removes a provision providing that the petitioning member district shall be withdrawn from the joint agreement effective the following July 1. Provides that, in the event of a hearing conducted by a hearing panel, the withdrawing district must, prior to the hearing and among other requirements, hold a public hearing to allow for the opportunity to review (rather than hear) the plan for educating students after the withdrawal and prepare and provide a comprehensive plan (rather than prepare evidence that it has all of the components of a comprehensive plan).

SB 00449 (CONTINUED)

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Amends the Suicide Prevention, Education, and Treatment Act. Makes changes concerning the findings of the General Assembly. Requires the Office of Suicide Prevention, in consultation with the Illinois Suicide Prevention Alliance, to submit an annual report to the Governor and General Assembly on the effectiveness of the activities and programs undertaken under the Illinois Suicide Prevention Strategic Plan that includes any recommendations for modification to Illinois law to enhance the effectiveness of the Plan (instead of an annual report by the Illinois Suicide Prevention Alliance). Provides that the Office of Suicide Prevention (in addition to the Department) shall provide technical assistance to the Illinois Suicide Prevention Alliance and implement a general awareness and screening program. Provides that the program shall include an annual statewide suicide prevention conference. Removes provisions requiring the Department to establish 5 suicide prevention pilot programs relating to youth, elderly, special populations, high-risk populations, and professional caregivers. Provides that the Office of Suicide Prevention shall establish programs that are consistent with the Plan. Effective July 1, 2019.

Provides that nothing shall preclude a facility from assigning fewer patients to a registered nurse than the limits provided in Act. Provides that the Department of Public Health shall adopt rules governing the implementation and operation of the Act. Provides that all facilities shall adopt written policies and procedures for training and orientation of nursing staff and that no registered nurse shall be assigned to a nursing unit or clinical area unless that nurse has, among other things, demonstrated competence in providing care in that area. Provides that the written policies and procedures for the training and orientation of nursing staff shall require that all temporary personnel receive the same amount and type of training and orientation that is required for permanent staff. Provides that the Act's provisions are severable.

110 ILCS 979/30
110 ILCS 979/35

Amends the Illinois Prepaid Tuition Act. Makes a change to a reference to the Illinois Pension Code with respect to subjecting the Illinois Student Assistance Commission to the same investment requirements as are imposed upon the board of trustees of a retirement system. Provides for an irrevocable and continuing appropriation (and the irrevocable and continuing authority for and direction to the State Comptroller and the State Treasurer to make the necessary transfers out of and disbursements from the revenues and funds of the State) if for any reason the General Assembly fails to make appropriations of amounts sufficient for the State to pay contractual obligations, and provides that the full faith and credit of the State of Illinois is pledged for the punctual payment of such obligations.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides for an irrevocable and continuing appropriation from the General Revenue Fund to the Illinois Student Assistance Commission if moneys in the Illinois Prepaid Tuition Trust Fund are insufficient to cover contractual obligations (rather than if for any reason the General Assembly fails to make appropriations of amounts sufficient for the State to pay contractual obligations). Removes the irrevocable and continuing authority of the Comptroller and Treasurer to make the necessary transfers and disbursements.

305 ILCS 5/5-5.25 rep.

Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Repeals a provision requiring the Department to reimburse psychiatrists and federally qualified health centers for mental health services provided by psychiatrists to medical assistance recipients through telepsychiatry. Makes other changes.

Amends the School Code. Provides that for a pupil of legal school age and in kindergarten or any of grades 1 through 12, a day of attendance shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of (i) teachers or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in instances specified under the Code; provides for exceptions. Makes conforming changes, including in the Vocational Academies Act.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. With regard to daily pupil attendance, provides that pupil participation in any of the following activities shall be counted toward the calculation of clock hours of school work per day: (i) instruction in a college course in which a student is dually enrolled for both high school credit and college credit, (ii) participation in a supervised career development experience in which student participation and learning outcomes are supervised by an educator licensed under the School Code, (iii) participation in a youth apprenticeship in which student participation and outcomes are supervised by an educator licensed under the School Code, or (iv) participation in a blended learning program in which course content, student evaluation, and instructional methods are supervised by an educator licensed under the School Code. With regard to the e-learning days program, removes a requirement limiting the program to 3 school districts and requiring the State Board of Education to report its recommendations for expansion, revision, or discontinuation of the program on or before June 1, 2019. Provides that a research-based program for e-learning days must be verified by the regional office of education or intermediate service center for the school district (rather than submitted to the State Superintendent of Education for approval); makes related changes. Requires the program to address the school district's responsibility to ensure that all teachers and staff who may be involved in the provision of e-learning have access to any and all hardware and software that may be required for the program. Provides that a proposal for the program must include a provision that ensures that non-electronic materials are made available to students participating in the program who do not have access to the required technology or to participating teachers or students who are prevented from accessing the required technology and that ensures that the protocol regarding general expectations and responsibilities of the program is communicated to teachers, staff, and students at least 30 days prior to utilizing an e-learning day. Makes other and conforming changes. Effective July 1, 2019.

105 ILCS 5/10-22.31 from Ch. 122, par. 10-22.31

Amends the School Code. With regard to special education joint agreements, provides that under no circumstances may a petition for withdrawal from a joint agreement be presented to other member districts less than 18 months from the date of the proposed withdrawal. Provides that if a petition for withdrawal is not approved by the other member districts, any petitioning member district (rather than only a petitioning member district that is part of a Class II county school unit outside of a city of 500,000 or more inhabitants) may appeal the disapproval. Provides that the trustees of schools of the township having jurisdiction and authority over the withdrawing district or the hearing panel established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district shall convene and hear testimony to determine whether the withdrawing district has presented sufficient evidence that the district, standing alone, will provide a full continuum of services and support to all its students with disabilities in the foreseeable future; specifies requirements for the withdrawing district prior to the hearing. Provides that each withdrawing district shall develop a comprehensive plan that includes the administrative policies and procedures outlined in specified special education rules of the State Board of Education and all relevant portions of the federal Individuals with Disabilities Education Act. Provides that the withdrawing district must also demonstrate its ability to provide education for a wide range of students with disabilities, including a full continuum of support and services. Effective immediately.

Senate Floor Amendment No. 1

Provides that under no circumstances may a petition to withdraw from a joint agreement be presented to other member districts less than 12 (rather than 18) months from the date of the proposed withdrawal, unless the member districts agree to waive this timeline. Provides that upon approval by school board written resolution of all remaining member districts, the petitioning member district must submit its comprehensive plan to the State Board for review. Removes a provision providing that the petitioning member district shall be withdrawn from the joint agreement effective the following July 1. Provides that, in the event of a hearing conducted by a hearing panel, the withdrawing district must, prior to the hearing and among other requirements, hold a public hearing to allow for the opportunity to review (rather than hear) the plan for educating students after the withdrawal and prepare and provide a comprehensive plan (rather than prepare evidence that it has all of the components of a comprehensive plan).

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. Provides that each school district must adopt and implement a policy addressing sexual abuse investigations. Provides that, except for an educator licensed under the Educator Licensure Article of the Code, if a school board determines that any school district employee has willfully or negligently failed to report an instance of suspected child abuse or neglect, as required by the Abused and Neglected Child Reporting Act, then the school board may dismiss that employee immediately upon that determination. Provides that the State Superintendent of Education has the authority to initiate a suspension of or revoke the license of any educator licensed under the Educator Licensure Article of the Code if he or she negligently fails to report an instance of suspected child abuse or neglect. Provides that if an individual is dismissed by a school district for committing a physical or sexual act on a student, the State Superintendent of Education shall immediately suspend, pending revocation, any license issued to that individual under the Educator Licensure Article of the Code. Provides that if a mandated reporter within a school has knowledge of an alleged incident of sexual abuse, the reporter must call the Department of Children and Family Services' hotline immediately after obtaining the minimal information necessary to make a report, including the names of the affected parties and the allegations. Provides that for schools in a county with an accredited Children's Advocacy Center, every alleged incident of sexual abuse that is reported to the Department of Children and Family Services' hotline or a law enforcement agency and is subsequently accepted for investigation must be referred by the entity that received the report to the local Children's Advocacy Center pursuant to that county's multidisciplinary team's protocol under the Children's Advocacy Center Act for investigating child sexual abuse allegations. Provides for the local Children's Advocacy Center's duties and the duties of a school. Provides that if, during the course of its internal investigation and at any point during or after the multidisciplinary team's investigation, a school determines that it needs to interview an alleged victim of sexual abuse to successfully complete its investigation and the victim is under 18 years of age, a child advocate must be made available to the student and must be present during the school's interview. Provides that the Department of Children and Family Services and the appropriate law enforcement agency must notify the relevant school when an agency investigation of an alleged incident of sexual abuse is completed, which must include information on the outcome of that investigation. Creates the Make Sexual and Severe Physical Abuse Fully Extinct Task Force. Provides for the Task Force's membership, meeting requirements, and duties. With regard to employee dismissal proceedings, provides that in the case of charges involving physical or sexual contact with a student or a person under the age of 18, the hearing officer shall make alternative hearing procedures to protect a witness who is a student or who is under the age of 18 from being intimidated or traumatized. Amends the Personnel Record Review Act to provide that certain disclosure requirements under the Act do not apply to a school district responding to an inquiry from a prospective employer or to activities or associations with individuals or groups involved in the physical, sexual, or other exploitation of minors. Makes conforming and other changes. Adds an immediate effective date.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Makes other changes. Effective immediately.

SB 01212 (CONTINUED)

110 ILCS 805/6-4.2

Creates the Course Equity Act. Defines terms. Requires the State Board of Education to establish a Course Equity Program in which any public or nonpublic school student in this State may enroll in a Course Equity Program course, provided that the student has completed all applicable prerequisite course requirements. Provides that the funding structure for Course Equity Program courses must maximize access to courses for low-income students and school districts by following a specified funding structure. Provides that the initial authorization of a Course Provider and courses shall be for a one-year period and the State Board may reauthorize a Course Provider for additional periods of up to 3 years. Provides that the initial authorization of a Course Provider requires the Board to establish a course review and approval process for Course Providers that may be implemented by the Board or an entity designated by the Board. Specifies qualifications for a course to be added to the Course Equity Catalog. Requires Course Providers to annually report to the Board; specifies report requirements. Provides for the Board's responsibilities and a school district's responsibilities. Allows for rulemaking by the Board. Amends the Public Community College Act to provide that, for purposes of enrollment in a dual credit course through the Course Equity Program, a student shall, for tuition purposes, be classified as a resident of a community college district if he or she meets the criteria to be deemed an Illinois resident under the Act. Effective immediately.

Senate Committee Amendment No. 1

Provides that, upon submitting an application to the regional superintendent of schools, a school district may obtain a temporary door locking device for use on a school building. Specifies application requirements. Provides that an approved temporary door locking device shall be used only (i) by a staff member of a school district trained under the provision, (ii) during an emergency situation that threatens the health and safety of students and staff members or during an active shooter drill, and (iii) when law enforcement officials and the local fire department have been notified prior to use of the device. Provides that a school district with an approved temporary door locking device shall conduct an in-service training program for staff members on the proper use of the device.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the School Code. Provides that a school district may install a door security locking means on a door of a school building to prevent unwanted entry through the door if certain requirements are met; defines "door security locking means". Requires a school district to include the location of any door security locking means and to address the use of the locking and unlocking means from within and outside the room in its filed school safety plan under the School Safety Drill Act. Provides that a door security locking means may be used only (i) by a school district employee who has completed required training, (ii) during an emergency that threatens the health and safety of students and employees or during an active shooter drill, and (iii) when local law enforcement officials and the local fire department have been notified of its installation prior to its use. Requires a school district that has installed a door security locking means to conduct an in-service training program for school district employees on the proper use of the door security locking means. Provides that a door security locking means that requires 2 releasing operations must be discontinued from use when the door is replaced or is a part of new construction and replacement and new construction door hardware must include mortise locks, compliant with the applicable building code, and be lockable from the occupied side without opening the door. Effective July 1, 2019.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Changes the definition of "door security locking means" to mean a door locking means intended for use by a trained school district employee in a school building for the purpose of preventing ingress (rather than both ingress and egress) through a door of the building. Adds to the requirements a school district must meet to install a door security locking means. Provides that a school district may install a door security locking means that does not comply with all applicable State and federal accessibility requirements or that is more than 48 inches above the finished floor if (i) the school district meets all other requirements for installing a door security locking means and (ii) prior to its installation, local law enforcement officials, the local fire department, and the school board agree, in writing, to the installation and use of the door security locking means. Provides that the school district must keep the agreement on file, must, upon request, provide the agreement to its regional office of education, and must include the agreement in its filed school safety plan under the School Safety Drill Act. Effective July 1, 2019.

New Act

Creates the Customized Employment for Individuals with Disabilities Act. Requires the Department of Human Services' Division of Rehabilitation Services to establish a 5-year Customized Employment Pilot Program that serves a minimum of 25 individuals by the second year of the Pilot Program. Provides that the Pilot Program shall include certain components, including: (1) an intensive discovery phase during which the unique needs, abilities, and interests of each program participant will be explored; (2) a customized person-centered planning process based upon information gathered during the discovery phase that involves capturing, organizing, and presenting the information in a blueprint for the job search; and (3) an employer negotiation process in which job duties and employee expectations are negotiated to align the skills and interests of each program participant to the needs of an employer. Provides that community-based agencies serving persons with intellectual or developmental disabilities shall identify and refer individuals to the Department for participation in the Pilot Program. Requires program participants to reflect the geographical, racial, ethnic, gender, and income-level diversity of the State. Contains provisions concerning data collection and reporting, administrative rules, and other matters.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: Provides that the purpose of the Act is to assist individuals with intellectual or developmental disabilities or similar conditions resulting in a most significant disability (rather than individuals with intellectual or developmental disabilities and complex needs). Provides that the Customized Employment Pilot Program shall be implemented through an individualized plan for employment developed by the individual with a disability and the vocational rehabilitation counselor employed by the Division of Rehabilitation Services. Provides that the individual with a disability may choose to have a personal representative participate in the development of the individualized plan for employment. Includes the State Rehabilitation Council in the list of entities from which the Department of Human Services is required to seek advice and recommendations concerning the creation, operation, and administration of the Customized Employment Pilot Program.

New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Senate Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to \$350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

Senator Melinda Bush
SB 00090 (CONTINUED)

Amends the Illinois Drainage Code. Provides that if one or more municipalities account for at least 50% of a drainage district's territory, the drainage district may be dissolved if each municipality that has territory within the drainage district and the county in which the drainage district lies adopt a resolution or ordinance dissolving the district. Provides that the resolution or ordinance must state: that there are no outstanding debts of the district that have been filed with the county clerk; that federal or State permits or grants will not be impaired by dissolution of the district; and the date of dissolution of the district. Provides for transfer of powers and real property of the former drainage district to the municipalities and county. Provides that if the former district had levied a tax that is still effective on the date of dissolution, then the county in which the drainage district lies has the authority to continue to collect, receive, and expend the proceeds of the tax within the boundaries of the former drainage district and the proceeds shall be expended or disposed of by the county in the same manner as the proceeds may have been expended or disposed of by the former drainage district. Provides that the county board shall, by ordinance or resolution, reduce or eliminate the tax levy under specified conditions. Provides that the county shall notify the Illinois Environmental Protection Agency of the dissolution of the district no later than 60 days after the date of dissolution of the district.

Senate Floor Amendment No. 1

Adds reference to:

70 ILCS 605/10-7.3 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that, upon adoption of the required resolutions or ordinances to dissolve a drainage district where one or more municipalities that accounts for at least 75% (rather than 50%) of the drainage district's territory, the county shall file a petition in the circuit court for dissolution and the court shall provide notice, hearing, and decision on the dissolution. Requires specified reports to be filed with the circuit court. Provides for conditions for the transfer of a levy by a former drainage district located in a county with a county stormwater committee. Changes references of "tax" to "assessment". Limits the provisions of the bill to drainage districts wholly or partially contained within the Lake Michigan Watershed, Chicago/Calumet Watershed, Des Plaines River Watershed, or Fox River Watershed.

House Committee Amendment No. 1

Limits the provisions to drainage districts: (1) wholly or partially contained within the Lake Michigan Watershed, Chicago/Calumet Watershed, Des Plaines River Watershed, or Fox River Watershed; and (2) wholly contained within a county with a stormwater management planning committee (rather than only to those districts wholly or partially contained within the specified watersheds).

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, as amended by House Amendment No. 1, with the following changes: Provides that the county and municipality (rather than only the county) in which the drainage district lies has the authority to continue to collect, receive, and expend the proceeds of the assessment within the boundaries of the former drainage district in a proportionate share to the area of the dissolved drainage district contained within the county or municipality. Makes conforming changes.

Amends the Counties Code, the Illinois Municipal Code, Illinois Insurance Code, the Health Maintenance Organization Act, and the Illinois Public Aid Code. In provisions concerning coverage for mammograms, provides that coverage shall also include a diagnostic mammogram when medically necessary, as determined by a physician licensed to practice medicine in all its branches, advanced practice registered nurse, or physician assistant. Makes changes to coverage for a comprehensive ultrasound screening and MRI. Effective immediately.

Senate Floor Amendment No. 1

Provides that if an insurance policy or medical assistance coverage includes mammogram coverage, the coverage shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage provided. Exempts coverage of diagnostic mammograms to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account. Defines "diagnostic mammogram" and "diagnostic mammography". Corrects a typographical error.

House Floor Amendment No. 1

Changes the immediate effective date to January 1, 2020.

Pension Note, House Committee Amendment No. 1 (Government Forecasting & Accountability)

SB 557, as amended by HA 1, amends the Environmental Protection Act in a manner that does not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note, House Committee Amendment No. 1 (Government Forecasting & Accountability)

SB 557, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note, House Committee Amendment No. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 557 (HA #1), therefore, there are no appraisals to be filed.

Fiscal Note, House Committee Amendment No. 1 (Illinois Environmental Protection Agency)

The Illinois EPA anticipates accomplishing the mandates of the legislation with existing resources.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

New Act

Creates the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Defines terms. Provides that a depicted individual who is identifiable and who suffers harm from a person's intentional dissemination or threatened dissemination of a private sexual image without the depicted individual's consent has a cause of action under specified circumstances. Provides that a person is not liable under the Act if the person proves that the dissemination of, or a threat to disseminate, a private sexual image was made in good faith in certain cases. Provides that a defendant who is a parent, legal guardian, or individual with legal custody of a child is not liable under the Act for a dissemination or threatened dissemination of intimate private sexual image of the child. Provides that the dissemination of, or a threat to disseminate, a private sexual image is not a matter of public concern or public interest solely because the depicted individual is a public figure. Provides that, in an action under the Act, a plaintiff may use a pseudonym or the court may exclude or redact the plaintiff's name and other identifying characteristics from all pleadings and documents filed. Provides remedies. Provides that an action for a nonconsensual dissemination may not be brought later than 4 years from the date the dissemination was discovered or should have been discovered with the exercise of reasonable diligence. Provides that for an action for a threat to disseminate may not be brought later than 4 years from the date of the threat to disseminate. Provides that an action brought depicting an individual who was a minor on the date of the dissemination or threat to disseminate, the 4-year limitation is tolled until the depicted individual attains the age of majority. Provides that if any provision of the Act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Act that can be given effect without the invalid provision or application.

Senate Floor Amendment No. 1

Provides that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person.

Senate Floor Amendment No. 2

Corrects a typographical error. Deletes language providing that the statutory damages a prevailing plaintiff may recover may not exceed \$10,000.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Changes the definitions of: "dissemination" or "disseminate"; "private"; "person"; "sexual activity"; and "private sexual image". Requires the depicted individual in a sexual image to be identifiable by a reasonable person. Requires the person disseminating the private image to be over the age of 18. Deletes language providing that a depicted individual who does not consent to the sexual conduct or uncovering of the part of the body depicted in a sexual image of the individual retains a reasonable expectation of privacy even if the image was created when the individual was in a public place. Deletes language providing that a person is not liable if the person proves that the dissemination of or threat to disseminate a sexual image was reasonably intended to assist the depicted individual. Provides that if a plaintiff is granted privacy protections, a defendant may file a motion with the court to receive the same privacy protections. Provides that statutory damages shall not exceed \$10,000. Provides that an action for a nonconsensual dissemination may not be brought later than 2 years (instead of 4 years) from the date the dissemination was discovered or should have been discovered with the exercise of reasonable diligence. Makes other changes.

House Floor Amendment No. 2

Provides that a threat to disseminate may not be brought later than 2 years (rather than 4 years) from the date of the threat to disseminate.

210 ILCS 45/3-305.8 new

Replaces everything after the enacting clause. Amends the Nursing Home Care Act. Removes language that requires light intermediate care to be staffed at the same staffing ratio as intermediate care. Provides that for purposes of minimum staffing ratios, all residents shall be classified as requiring either skilled care or intermediate care. Defines "intermediate care" and "skilled care". Provides that the Department of Public Health shall adopt rules on or before January 1, 2020 establishing a system for determining compliance with minimum direct care staffing standards and establishing penalties for noncompliance with minimum direct care staffing ratios. Provides that monetary penalties shall be imposed beginning no later than October 1, 2020 and quarterly thereafter. Provides that a violation of the minimum staffing requirements is, at minimum, a Type "B" violation. Provides that a facility that has received a notice of violation for having violated the minimum staffing requirements shall display a notice stating that the facility did not have enough staff to meet the needs of the facility's residents during the quarter cited in the notice of violation. Adds members to the Long-Term Care Facility Advisory Board. Provides that the affirmative vote of 7 (instead of 6) members of the Board shall be necessary for Board action. Provides that a prescribing clinician must obtain voluntary informed consent, in writing, from a resident or the resident's legal representative before authorizing the administration of a psychotropic medication to that resident. Provides that a violation of certain provisions concerning informed consent is a Type "A" violation and shall serve as prima facie evidence of abuse or criminal neglect of a person in a long-term care facility under the Criminal Code of 2012. Provides that no facility or managed care plan shall deny admission or continued residency to a person or resident based on the refusal of the administration of psychotropic medication, unless the prescribing clinician or facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

Deletes reference to:

210 ILCS 45/3-305

from Ch. 111 1/2, par. 4153-305

Replaces everything after the enacting clause with the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes: Throughout the Act, replaces references to a resident's authorized representative with references to a resident's surrogate decision maker. Contains provisions regarding the Department of Public Health's informed consent protocol. Provides that the Department shall utilize the rules, protocols, and forms previously developed and implemented under the Specialized Mental Health Rehabilitation Act of 2013, unless specified exceptions apply. Provides that informed consent forms may include side effects that the Department reasonably believes are more common. Provides that informed consent shall be sought by the facility from the resident unless the resident's attending physician determines that the resident lacks decisional capacity, as determined under the Health Care Surrogate Act. Provides that if the resident lacks decisional capacity, the facility shall seek informed consent from the resident's surrogate decision maker. Provides that no monetary penalty may be issued during the implementation period of rules establishing those penalties. Provides that the implementation period shall be July 1, 2020, through September 30, 2020. Provides that if a violation of staffing requirements is not more than a 5% deviation of the required minimum staffing requirements, the Department shall have the discretion to determine the gravity of the violation and, taking into account mitigating and aggravating circumstances and facts, may adjust any penalty or type or class of violation. Provides a notice form for facilities that do not meet the minimum staffing ratios. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that in the event of an ethylene oxide leak a facility shall issue a notice with specified information immediately upon discovery to all affected property owners and local government within 2,500 feet of the leak site. Provides that the amendatory Act's provisions apply only to an owner or operator of a sterilization source using one ton or more of ethylene oxide in a rolling 12-month period of sterilization or fumigation operations, and do not apply to beehive fumigators, research or laboratory facilities, or sources such as hospitals, doctors' offices, clinics, or other facilities for which the primary purpose is to provide medical services to humans or animals.

House Floor Amendment No. 2

Senator Melinda Bush
SB 01852 (CONTINUED)

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides that no person shall conduct ethylene oxide sterilization operations, unless the ethylene oxide sterilization source captures 100% of all ethylene oxide emissions and reduces ethylene oxide emissions to the atmosphere from each exhaust point at the ethylene oxide sterilization source by at least 99.9% or to 0.2 parts per million. Requires that, within 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date as an ethylene oxide sterilization source, the owner or operator of the ethylene oxide sterilization source shall conduct an initial emissions test. Sets forth criteria for the test and requires certain information concerning the test be submitted to the Environmental Protection Agency. Requires the owner or operator of the ethylene oxide sterilization source to conduct emissions testing on all exhaust points at the ethylene oxide sterilization source at least once each calendar year (at least 6 months apart) to demonstrate compliance with these requirements and any applicable requirements concerning ethylene oxide that are set forth in either United States Environmental Protection Agency rules or Pollution Control Board rules. Provides that if certain conditions are not met the owner or operator of an ethylene oxide sterilization source shall immediately cease ethylene oxide sterilization operations and notify the Agency within 24 hours of becoming aware of a failed emissions test. Within 60 days after the date of the test, requires the owner or operator of the ethylene oxide sterilization source to: complete an analysis to determine the root cause of the failed emissions test; take any actions necessary to address that root cause; submit a report to the Agency; and restart operations only to the extent necessary to conduct additional emissions tests. Provides that, beginning 180 days after the effective date of the amendatory Act or prior to any ethylene oxide sterilization operation for any source that first becomes subject to regulation after the effective date of the amendatory Act as an ethylene oxide sterilization source, no person shall conduct ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source submits for review and approval by the Agency an Ambient Air Monitoring Plan. Requires the owner or operator of an ethylene oxide sterilization source to apply for and obtain a construction permit from the Agency for any modifications made to the source to comply with the requirements of the amendatory Act and a modification of the source's operating permit to incorporate such modifications made to the source. Prohibits a person from conducting ethylene oxide sterilization operations unless the owner or operator of the ethylene oxide sterilization source has performed dispersion modeling and the Agency approves such modeling. Prohibits a facility that is permitted to emit ethylene oxide and subject to a seal order from using ethylene oxide for sterilization or fumigation purposes. Requires specified entities to notify the Agency of any property right in sterilization technology that does not involve the use of ethylene oxide. Provides that, within 30 days after discovering noncompliance with specified requirements the Agency must post a notice on its website and notify the specified persons and entities. Requires the Agency to conduct at least one unannounced inspection of all ethylene oxide sterilization sources subject to the provisions per year. Requires the Agency to (i) conduct air testing to determine ambient levels of ethylene oxide and (ii) submit rules for ambient air testing of ethylene oxide to the Board within 180 days after the amendatory Act's effective date. Effective immediately.

230 ILCS 50/30-15

Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

Adds reference to:

230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

Adds reference to:

230 ILCS 45/25-35

In provisions amending the Sports Wagering Act, provides that the license fee for an initial master sports wagering license issued to an owners licensee under the Illinois Gambling Act shall be paid by July 1, 2021 (rather than July 1, 2020).

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

In a provision that allows a manufacturer, distributor, or importing distributor to provide permanent outdoor signs to retailers if certain conditions are met, provides that the permanent outside sign shall cost not more than \$3,000 per brand (instead of per manufacturer). Contains provisions concerning the servicing of certain systems by a manufacturer, distributor, or importing distributor. Amends the Local Government Property Transfer Act. Provides that a municipality must convey property to specified public agencies subject to an intergovernmental agreement. Amends the Illinois Municipal Code. Provides that a municipality or specified public agency (rather than only the corporate authorities of a municipality) may take specified actions against blighted buildings and properties, including petitioning a circuit court to have property declared abandoned, or dangerous or unsafe. Provides that liens for removal of dangerous or unsafe buildings are superior to tax liens. Requires notice to a municipality before a public agency may apply for an order related to blighted buildings or petition to have property declared abandoned. Modifies the requirements for property to be declared abandoned. In provisions concerning removal or repair of blighted buildings or property, expands the costs recoverable in a lien by a municipality. Defines terms. Modifies various notice provisions. Makes other changes. Amends the Criminal Code of 2012. Expands aggravated criminal housing management to include injury or death (currently, only death).

Senate Floor Amendment No. 2

Deletes reference to:

720 ILCS 5/12-5.1a

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Removes provisions allowing a specified public agency to take specified actions against blighted buildings and properties, except that a municipality may petition a court to issue a judicial deed for abandoned property to a public agency. Removes language providing that liens for removal of dangerous or unsafe buildings are superior to tax liens. Removes examples of impairments to public health, safety, or welfare from requirements for property to be declared abandoned. In provisions allowing any person with a legal or equitable interest in a property to request a hearing in the court that has ordered demolition, repair, enclosure, or removal of garbage, debris, or other substances from the property, removes language providing that no hearing may be brought after the municipality commences any demolition, repair, or enclosure of the structure or causes the removal of garbage, debris, or noxious material. Removes an expansion to aggravated criminal housing management to include injury or death in the Criminal Code of 2012.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in SB 2052; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 2052, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Senator Cristina Castro
SB 02052 (CONTINUED)

Pension Note (Government Forecasting & Accountability)

SB 2052, as engrossed, amends the Local Government Property Transfer Act and the Criminal Code of 2012 in a way that does not impact any pension system.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Housing Development Authority)

Since the Illinois Housing Development Authority does not have sufficient data to determine the exact amount of costs that a municipality can place on a vacant property lien, the increased cost to a potential homebuyer cannot be reasonably calculated. Regardless of this concern, this bill as proposed would have no immediate or long-range impacts to the Illinois Housing Development Authority.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to Senate Bill 2052. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Adds reference to:

820 ILCS 105/12 from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Senator Jacqueline Y. Collins
SB 00001 (CONTINUED)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Provides that prior to classifying a report of abuse or neglect as "indicated", "unfounded" or "undetermined", if the Department of Children and Family Services intends to classify the report as unfounded, the Department must first determine whether the report is subject to review and must complete the review process prior to classifying the report. Provides that the review must be conducted by an area administrator outside the supervisory chain of the investigator and supervisor; and that the review shall ensure that the investigation was conducted in accordance with the Department's rules and procedures governing child abuse and neglect investigations and that the final intended finding is consistent with the goal of protecting the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect. Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Senator Jacqueline Y. Collins
SB 00449 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Senator Jacqueline Y. Collins
SB 00456 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. Provides that each school district must adopt and implement a policy addressing sexual abuse investigations. Provides that, except for an educator licensed under the Educator Licensure Article of the Code, if a school board determines that any school district employee has willfully or negligently failed to report an instance of suspected child abuse or neglect, as required by the Abused and Neglected Child Reporting Act, then the school board may dismiss that employee immediately upon that determination. Provides that the State Superintendent of Education has the authority to initiate a suspension of or revoke the license of any educator licensed under the Educator Licensure Article of the Code if he or she negligently fails to report an instance of suspected child abuse or neglect. Provides that if an individual is dismissed by a school district for committing a physical or sexual act on a student, the State Superintendent of Education shall immediately suspend, pending revocation, any license issued to that individual under the Educator Licensure Article of the Code. Provides that if a mandated reporter within a school has knowledge of an alleged incident of sexual abuse, the reporter must call the Department of Children and Family Services' hotline immediately after obtaining the minimal information necessary to make a report, including the names of the affected parties and the allegations. Provides that for schools in a county with an accredited Children's Advocacy Center, every alleged incident of sexual abuse that is reported to the Department of Children and Family Services' hotline or a law enforcement agency and is subsequently accepted for investigation must be referred by the entity that received the report to the local Children's Advocacy Center pursuant to that county's multidisciplinary team's protocol under the Children's Advocacy Center Act for investigating child sexual abuse allegations. Provides for the local Children's Advocacy Center's duties and the duties of a school. Provides that if, during the course of its internal investigation and at any point during or after the multidisciplinary team's investigation, a school determines that it needs to interview an alleged victim of sexual abuse to successfully complete its investigation and the victim is under 18 years of age, a child advocate must be made available to the student and must be present during the school's interview. Provides that the Department of Children and Family Services and the appropriate law enforcement agency must notify the relevant school when an agency investigation of an alleged incident of sexual abuse is completed, which must include information on the outcome of that investigation. Creates the Make Sexual and Severe Physical Abuse Fully Extinct Task Force. Provides for the Task Force's membership, meeting requirements, and duties. With regard to employee dismissal proceedings, provides that in the case of charges involving physical or sexual contact with a student or a person under the age of 18, the hearing officer shall make alternative hearing procedures to protect a witness who is a student or who is under the age of 18 from being intimidated or traumatized. Amends the Personnel Record Review Act to provide that certain disclosure requirements under the Act do not apply to a school district responding to an inquiry from a prospective employer or to activities or associations with individuals or groups involved in the physical, sexual, or other exploitation of minors. Makes conforming and other changes. Adds an immediate effective date.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Makes other changes. Effective immediately.

Sets forth the purposes for and manner in which the sick days may be used. Contains provisions regarding employer responsibilities, unlawful employer practices, and other matters. Exempts employers subject to the Railway Labor Act. Provides that an employee who works in the State who is absent from work for specified reasons is entitled to earn and use a minimum of 40 hours of paid sick time during a 12-month period or a pro rata number of hours of paid sick time under the provisions of the Act. Provides that it is unlawful for an employer to interfere with, restrain, deny, change work days or hours scheduled to avoid paying sick time, or discipline an employee for the exercise of, or the attempt to exercise, any right provided under or in connection with the Act, including considering the use of paid sick time as a negative factor in an employment action that involves hiring, terminating, evaluating, promoting, disciplining, or counting the paid sick time under a no-fault attendance policy. Provides that any employer that the Department of Labor or a court finds by a preponderance of the evidence to have knowingly, repeatedly, or with reckless disregard violated any provision of the Act or any rule adopted under the Act is subject to a civil money penalty to be paid to the employee not to exceed \$2,500 for each separate offense. SB 00667 (CONTINUED)

Replaces everything after the enacting clause. Amends the Attorney General Act. Provides that the Attorney General shall investigate the pricing of prescription insulin drugs to ensure adequate consumer protections for Illinois consumers and to determine whether additional consumer protections are necessary. Requires the Attorney General to make the findings available to the public and to report to the Governor, the Department of Insurance, and to the Judiciary Committees of the Senate and the House of Representatives. Provides for the repeal of the Attorney General's investigative duties on December 31, 2020. Amends the Illinois Insurance Code. Provides that insurers that provide coverage for prescription insulin drugs must limit the total amount an insured is required to pay for a covered prescription insulin drug to \$100 per 30-day supply of insulin regardless of the type and amount of insulin needed by the insured. Provides that the limitation on insulin costs also applies to provisions requiring coverage of certain diabetes items to be subject to the same coverage, deductible, co-payment, and co-insurance provisions under a policy. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, and the Voluntary Health Services Plans Act. Effective January 1, 2021, except that changes to the Attorney General Act take effect immediately.

In provisions amending the Illinois Insurance Code concerning cost sharing in prescription insulin drugs, provides that the definition of "prescription insulin drug" does not include an insulin drug that is administered to a patient intravenously.

Replaces everything after the enacting clause. Amends the School Code. With regard to teacher evaluation ratings, provides that, beginning with the first school year following the effective date of the amendatory Act, each school district shall, in good faith cooperation with its teachers or, if applicable, through good faith bargaining with the exclusive bargaining representative of its teachers develop and implement an appeals process for "unsatisfactory" ratings that includes, but is not limited to, an assessment of the original rating by a panel of qualified evaluators agreed to by a joint committee that has the power to reevaluate and re-rate a teacher who appeals. Requires the joint committee to determine the criteria for successful appeals. Effective immediately.

SB 01226 (CONTINUED)

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Repeals the State Charter School Commission Fund on October 1, 2020 (rather than July 31, 2020). Provides that, beginning on July 1, 2020 through August 31, 2020, all money in the State Charter School Commission Fund shall be used by the State Board of Education for operational and administrative costs and, on September 1, 2020 (rather than July 1, 2020), in consultation with the State Board, the State Comptroller shall order transferred and the State Treasurer shall transfer all money in the State Charter School Commission Fund to the State Board of Education Special Purpose Trust Fund. Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that, beginning on the effective date of the amendatory Act, the Commission may not enter into or renew a contract, other than a charter renewal, that expires after July 1, 2020. Until July 1, 2020, allows the State Charter School Commission to hear an appeal on a local board's decision to not renew a charter. Allows the State Board of Education to reverse a local board's decision to revoke or, beginning on July 1, 2020, not renew a charter if certain conditions are met. Requires the State Board to appoint and utilize a hearing officer for those appeals. Provides that if a charter school fails to make payments toward administrative costs, the State Board may withhold State funds from that school until it has made all payments for those costs. Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. With regard to the Illinois Teaching Excellence Program, provides that if adequate funds are available, incentives under the Program must include (i) a one-time incentive of \$3,000 payable to National Board certified teachers teaching in Tier 1 rural or remote school districts, (ii) an annual incentive of \$3,200 for National Board certified teacher rural or remote candidate cohort facilitators, and (iii) an annual incentive of \$2,500 for National Board certified teacher rural or remote liaisons; defines terms. Makes the program applicable to qualified educators who are employed by or retired from schools districts (rather than just employed by school districts) and who are in the process of obtaining licensure through the National Board for Professional Teaching Standards. Changes references of poverty or low-performing schools to Tier 1 school districts. Makes other changes.

Provides that a violation of the minimum staffing requirements is, at minimum, a Type "B" violation. Provides that a facility that has received a notice of violation for having violated the minimum staffing requirements shall display a notice stating that the facility did not have enough staff to meet the needs of the facility's residents during the quarter cited in the notice of violation. Requires the Department of Children and Family Services, subject to appropriations, to provide eligible youth an apprenticeship stipend to cover those costs associated with entering an apprenticeship, including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provide that the following youth shall be eligible for an apprenticeship stipend: youth for whom the Department has court-ordered legal responsibility; youth who aged out of care at age 18 or older; or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Limits the stipend to eligible youth who: (i) are enrolled in an approved apprenticeship training program; (ii) are not a recipient of any other scholarship or fee waiver provided by the Department; and (iii) are under the age of 26. Provides that apprenticeship stipends shall be available to an eligible youth for a maximum of 5 years after the youth enrolls in a qualifying apprenticeship program. Waives the age requirement and 5-year cap on the stipend for applicants who were unable to enroll in a qualifying apprenticeship program because the applicant: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the apprenticeship stipends. Effective January 1, 2020.

Senate Floor Amendment No. 2

Provides that the Department of Children and Family Services shall provide eligible youth an apprenticeship stipend to cover those costs associated with entering and sustaining through completion an apprenticeship (rather than those costs associated with entering an apprenticeship), including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provides that certain youth may (rather than shall) be eligible for the apprenticeship stipend. Provides that, to receive a stipend, an applicant must be enrolled in an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or an apprenticeship program approved by the United States Department of Labor (rather than an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or a similar federal entity).

House Floor Amendment No. 2

Provides that youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, and youth formerly under care who have been adopted or who have been placed in private guardianship shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education at any community college, university, or college maintained by the State of Illinois (rather than providing that such youth shall receive a tuition and fee waiver if they are not selected to receive a scholarship or fee waiver under a specified provision of the Children and Family Services Act).
