(Rep. Will Guzzardi-Marcus C. Evans, Jr.-Jay Hoffman-Delia C. Ramirez-Emanuel Chris Welch, Jaime M. Andrade, Jr., Aaron M. Ortiz, Justin Slaughter, Celina Villanueva, Sara Feigenholtz, Yehiel M. Kalish, Thaddeus Jones, Anne Stava-Murray, Mary E. Flowers and Luis Arroyo)

820 ILCS 105/1 from Ch. 48, par. 1001

Amends the Minimum Wage Law. Makes a technical change in a Section concerning the short title. Senate Floor Amendment No. 1 Deletes reference to: 820 ILCS 105/1 Adds reference to: 5 ILCS 100/5-45 from Ch. 127, par. 1005-45 Adds reference to: 35 ILCS 5/704A from Ch. 48, par. 1004 Adds reference to: 820 ILCS 105/7 from Ch. 48, par. 1007 Adds reference to: 820 ILCS 105/10 from Ch. 48, par. 1010 Adds reference to: 820 ILCS 105/11 from Ch. 48, par. 1011 Adds reference to: 820 ILCS 105/12 from Ch. 48, par. 1012 Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to $9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of $15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of $100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)  
There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)  
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)
Increasing the minimum wage to $15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly $390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year. The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from $8.25 in 2019 to $10.00 in 2020, from $10.00 to $11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to $350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Adds a definition. Defines the term "sexual assault" to mean: (1) an act of sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012; or (2) any act of sexual penetration, as defined in Section 11-0.1 of the Criminal Code of 2012 and includes, without limitation, acts prohibited under Sections 11-1.20 through 11-1.60 of the Criminal Code of 2012.

Sen. Jacqueline Y. Collins-Iris Y. Martinez-Don Harmon

735 ILCS 5/15-1401.1
Amends the Mortgage Foreclosure Article of the Code of Civil Procedure in relation to short sales of property. Provides that, if an offer to purchase either a mortgage or residential property is made by an entity with a tax-exempt filing status under Section 501(c)(3) of the Internal Revenue Code for the purpose of reselling that mortgage or residential property to the mortgagor, and financing for the repurchase will be provided by a certified community development financial institution, an affidavit, statement, agreement, or addendum limiting ownership or occupancy of the residential property by the mortgagor shall not provide a basis to avoid a sale or transfer, nor is it enforceable against the acquiring entity or any real estate broker, mortgagor, or settlement agent named in the affidavit, statement, agreement, or addendum. Provides that, at the time of an offer, specified disclosures shall be made to the mortgagee in connection with any purchase of a sale. Provides that, upon request by the mortgagee, a certified community development financial institution shall provide documentation evidencing its current certification status. Effective immediately.

Senate Committee Amendment No. 1

Provides that “residential property” is limited to the primary (rather than the principal) residence of a person. Provides that specified disclosures shall be made to the mortgagor by the mortgagor. Provides that nothing in the new provisions shall impair, abrogate, or abridge in any manner the rights of the mortgagee to accept or reject an offer to purchase either a mortgage or residential property, nor shall it give rise to a cause of action.
Amends the Election Code. Provides that no candidate for President or Vice-President of the United States shall appear on the official ballot for the general election if that candidate has not released his or her tax returns at least 5 days prior to the date set for certification of the ballot for the general election. Defines "released his or her tax returns" to mean that the tax returns filed with the federal Internal Revenue Service for the 5 most recent years in which tax returns have been filed by the candidates for President and Vice-President of the United States have been filed with the Secretary of State. Requires the Secretary of State to post the tax returns on the Secretary of State's website and to certify that the tax returns have been filed to the State Board of Elections. Allows the Secretary of State to adopt rules to implement the provisions.

Senate Committee Amendment No. 1

Adds reference to:

10 ILCS 5/7-11
from Ch. 46, par. 7-11

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:

Further amends the Election Code. Provides that a candidate for President of the United States may have his name printed upon the primary ballot of his political party if he also files his income tax returns for the previous 5 years with the office of the Secretary of State. Provides that no candidate for President or Vice President of the United States shall appear on the official ballot for the general election if that candidate has not released his or her income tax returns for the 5 tax years immediately preceding the year of the general election (rather than at least 5 days prior to the date set for certification of the ballot for the general election). Provides that the Secretary of State shall redact certain personal information of a candidate on a submitted income tax return. Provides that if a candidate for President or Vice President has not filed his or her income tax return with the Internal Revenue Service for the tax year immediately preceding the year of the general election by the time electors have been chosen, then the candidate must submit his or her income tax return to the Secretary of State within 5 days after he or she files the income tax return with the Internal Revenue Service. Changes references to "tax returns" to "income tax returns". Defines "income tax return". Makes changes to the definition of "released his or her tax returns".

105 ILCS 5/10-22.31 from Ch. 122, par. 10-22.31

Amends the School Code. With regard to special education joint agreements, provides that under no circumstances may a petition for withdrawal from a joint agreement be presented to other member districts less than 18 months from the date of the proposed withdrawal. Provides that if a petition for withdrawal is not approved by the other member districts, any petitioning member district (rather than only a petitioning member district that is part of a Class II county school unit outside of a city of 500,000 or more inhabitants) may appeal the disapproval. Provides that the trustees of schools of the township having jurisdiction and authority over the withdrawing district or the hearing panel established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district shall convene and hear testimony to determine whether the withdrawing district has presented sufficient evidence that the district, standing alone, will provide a full continuum of services and support to all its students with disabilities in the foreseeable future; specifies requirements for the withdrawing district prior to the hearing. Provides that each withdrawing district shall develop a comprehensive plan that includes the administrative policies and procedures outlined in specified special education rules of the State Board of Education and all relevant portions of the federal Individuals with Disabilities Education Act. Provides that the withdrawing district must also demonstrate its ability to provide education for a wide range of students with disabilities, including a full continuum of support and services. Effective immediately.

Senate Floor Amendment No. 1

Provides that under no circumstances may a petition to withdraw from a joint agreement be presented to other member districts less than 12 (rather than 18) months from the date of the proposed withdrawal, unless the member districts agree to waive this timeline. Provides that upon approval by school board written resolution of all remaining member districts, the petitioning member district must submit its comprehensive plan to the State Board for review. Removes a provision providing that the petitioning member district shall be withdrawn from the joint agreement effective the following July 1. Provides that, in the event of a hearing conducted by a hearing panel, the withdrawing district must, prior to the hearing and among other requirements, hold a public hearing to allow for the opportunity to review (rather than hear) the plan for educating students after the withdrawal and prepare and provide a comprehensive plan (rather than prepare evidence that it has all of the components of a comprehensive plan).

Amends the Grow Your Own Teacher Education Act. Makes changes to the definitions of "cohort", "eligible school", and "hard-to-staff school", and defines "dual credit course". Provides that Grown Your Own Illinois (rather than the Board of Higher Education) shall administer the Grow Your Own Teacher Education Initiative as a grant competition to fund consortia that will carry out Grow Your Own Teacher preparation programs. In provisions concerning selection of grantees, provides that the Board of Higher Education shall, subject to appropriation, allocate funds to Grow Your Own Illinois for the purpose of administering the program and awarding grants under the Act (rather than requiring the Board of Higher Education to award grants under the Act). Removes the language providing that the consortium shall consider whether a candidate has experienced an interruption in his or her college education when recruiting potential candidates for the program. Provides that, subject to the requirements under the Dual Credit Quality Act, an institution of higher education may offer a high school student a dual credit course under the program. Provides that the Board of Higher Education may not adopt rules regarding candidate eligibility that are more restrictive than those in the Act. Makes conforming changes. Effective immediately.

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Makes other changes. Effective immediately.

Amends the Suicide Prevention, Education, and Treatment Act. Makes changes concerning the findings of the General Assembly. Creates the Office of Suicide Prevention within the Department of Public Health for the purpose of implementing the Act. Requires the Office of Suicide Prevention, in consultation with the Illinois Suicide Prevention Alliance, to submit an annual report to the Governor and General Assembly on the effectiveness of the activities and programs undertaken under the Illinois Suicide Prevention Strategic Plan that includes any recommendations for modification to Illinois law to enhance the effectiveness of the Plan (instead of an annual report by the Illinois Suicide Prevention Alliance). Changes what shall be contained in the Plan. Provides that the Office of Suicide Prevention (in addition to the Department) shall provide technical assistance to the Illinois Suicide Prevention Alliance and implement a general awareness and screening program. Provides that the program shall include an annual statewide suicide prevention conference. Removes provisions requiring the Department to establish 5 suicide prevention pilot programs relating to youth, elderly, special populations, high-risk populations, and professional caregivers. Provides that the Office of Suicide Prevention shall establish programs that are consistent with the Plan. Effective July 1, 2019.

Senate Committee Amendment No. 1

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Creates the Office of Suicide Prevention within the Department of Public Health. Provides that the duties of the Office of Suicide Prevention shall include, but shall not be limited to: (1) coordinating suicide prevention, intervention, and postvention programs, services, and efforts statewide; (2) developing and submitting proposals for funding from federal agencies or other sources of funding to promote suicide prevention and coordinate activities; (3) with input from the Illinois Suicide Prevention Alliance, preparing the Illinois Suicide Prevention Strategic Plan and coordinating the activities necessary to implement the recommendations in that Plan; (4) with input from the Illinois Suicide Prevention Alliance, providing an annual report to the Governor and General Assembly; and (5) providing technical support for the activities of the Illinois Suicide Prevention Alliance. Corrects a typographical error.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes: Provides that the Department of Public Health shall (rather than may) implement specified activities associated with the Suicide Prevention, Education, and Treatment Act. Removes language creating the Office of Suicide Prevention and instead, where applicable, replaces references to the Office with references to the Department. Makes a technical change to the legislative findings. Provides that the bill is effective immediately (rather than on July 1, 2019).

Amends the Evidence Article of the Code of Civil Procedure. Provides that evidence of a person's immigration status is not admissible in any civil proceeding unless: it is essential to prove an element of a claim or an affirmative defense; or a person or his or her attorney voluntarily reveals his or her immigration status to the court. Provides that a party intending to offer evidence regarding a person's immigration status shall file a written motion at least 14 days before trial. Provides that the court shall conduct an in camera hearing to review the probative value of the person's immigration status. Provides that if the court finds that the probative value of the person's immigration status outweighs its prejudicial nature, the court shall make findings of fact and conclusions of law regarding the permitted use of the evidence. Provides that the motion, related papers, and the record of the hearing shall be sealed and remain under seal unless the court orders otherwise. Provides that a party who communicates to a person or witness any threat to or actually disclose a person's or witness's immigration status to any entity or immigration or law enforcement agency with the intent to deter the person from testifying commits a Class C misdemeanor.

Sen. Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes: Provides that evidence is also admissible if it is offered to prove an interest or bias of a witness, if it does not cause confusion of the issues or mislead the trier of fact, and the probative value of the evidence outweighs its prejudicial nature. Provides that a party intending to offer evidence related to a person's immigration status shall file a written motion that also explains why it is essential to a claim or affirmative defense or is probative of an interest or bias of a witness. Provides that the court shall make findings of fact and conclusions of law regarding the permitted use of the evidence.

Sen. Floor Amendment No. 2

Deletes language providing that a written motion shall explain why it is essential to a claim or affirmative defense or is probative of an interest or bias of a witness.

SB 01510 (CONTINUED)

Replaces everything after the enacting clause. Amends the Nursing Home Care Act. Removes language that requires light intermediate care to be staffed at the same staffing ratio as intermediate care. Provides that for purposes of minimum staffing ratios, all residents shall be classified as requiring either skilled care or intermediate care. Defines "intermediate care" and "skilled care". Provides that the Department of Public Health shall adopt rules on or before January 1, 2020 establishing a system for determining compliance with minimum direct care staffing standards and establishing penalties for noncompliance with minimum direct care staffing ratios. Provides that monetary penalties shall be imposed beginning no later than October 1, 2020 and quarterly thereafter. Provides that a violation of the minimum staffing requirements is, at minimum, a Type "B" violation. Provides that a facility that has received a notice of violation for having violated the minimum staffing requirements shall display a notice stating that the facility did not have enough staff to meet the needs of the facility's residents during the quarter cited in the notice of violation. Adds members to the Long-Term Care Facility Advisory Board. Provides that the affirmative vote of 7 (instead of 6) members of the Board shall be necessary for Board action. Provides that a prescribing clinician must obtain voluntary informed consent, in writing, from a resident or the resident's legal representative before authorizing the administration of a psychotropic medication to that resident. Provides that a violation of certain provisions concerning informed consent is a Type "A" violation and shall serve as prima facie evidence of abuse or criminal neglect of a person in a long-term care facility under the Criminal Code of 2012. Provides that no facility or managed care plan shall deny admission or continued residency to a person or resident based on the refusal of the administration of psychotropic medication, unless the prescribing clinician or facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

Deletes reference to:

210 ILCS 45/3-305 from Ch. 111 1/2, par. 4153-305

Replaces everything after the enacting clause with the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes: Throughout the Act, replaces references to a resident's authorized representative with references to a resident's surrogate decision maker. Contains provisions regarding the Department of Public Health's informed consent protocol. Provides that the Department shall utilize the rules, protocols, and forms previously developed and implemented under the Specialized Mental Health Rehabilitation Act of 2013, unless specified exceptions apply. Provides that informed consent forms may include side effects that the Department reasonably believes are more common. Provides that informed consent shall be sought by the facility from the resident unless the resident's attending physician determines that the resident lacks decisional capacity, as determined under the Health Care Surrogate Act. Provides that if the resident lacks decisional capacity, the facility shall seek informed consent from the resident's surrogate decision maker. Provides that no monetary penalty may be issued during the implementation period of rules establishing those penalties. Provides that the implementation period shall be July 1, 2020, through September 30, 2020. Provides that if a violation of staffing requirements is not more than a 5% deviation of the required minimum staffing requirements, the Department shall have the discretion to determine the gravity of the violation and, taking into account mitigating and aggravating circumstances and facts, may adjust any penalty or type or class of violation. Provides a notice form for facilities that do not meet the minimum staffing ratios. Makes other changes. Effective immediately.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that SB1857, as amended by House Amendment #2, would neither increase nor decrease the number of judges needed in the state of Illinois.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)
SB 1857, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note, House Floor Amendment No. 2 ()
does not pre-empt home rule authority.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)
No land conveyances are included in Senate Bill 1857 House Amendment #2; therefore, there are no appraisals to be filed.

Fiscal Note, House Floor Amendment No. 2 (Office of the Comptroller)
SB 1857 (H-AM2) deletes all and becomes the bill. It provides for some technical changes to various state programs and provides for the extension to several statutory provisions that are set to be repealed or expired. The effect of these provisions does not lead to an increase in estimated costs to state operations for programs, processes, or state funds, that are already established. Furthermore, there is no fiscal impact to the operations of the State Comptroller's Office.
Senator Iris Y. Martinez

Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.  
Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

New Act

Creates the Safe Patient Limits Act. Provides the maximum number of patients that may be assigned to a registered nurse in specified situations. Provides that nothing shall preclude a facility from assigning fewer patients to a registered nurse than the limits provided in Act. Provides that nothing in the Act precludes the use of patient acuity systems consistent with the Nurse Staffing by Patient Acuity Act; however, the maximum patient assignments in the Act may not be exceeded, regardless of the use and application of any patient acuity system. Provides that the Department of Public Health shall adopt rules governing the implementation and operation of the Act. Provides that all facilities shall adopt written policies and procedures for training and orientation of nursing staff and that no registered nurse shall be assigned to a nursing unit or clinical area unless that nurse has, among other things, demonstrated competence in providing care in that area. Provides that the written policies and procedures for the training and orientation of nursing staff shall require that all temporary personnel receive the same amount and type of training and orientation that is required for permanent staff. Provides that the Act's provisions are severable.

Changes the definition of "early childhood degree program" to a regionally accredited degree program (rather than online degree program) administered solely through an Illinois-based, not-for-profit organization or through a public institution through which a child care worker may attain a degree or credential or maintain a classroom role in any child care or early childhood education setting, including a Child Development Associate Credential program or an Early Childhood Education (ECE) degree program. Requires the Illinois Student Assistance Commission to implement and administer the Early Childhood Workforce Free College grant program beginning with the 2020-2021 (rather than 2019-2020) academic year and subject to appropriation. Provides that, if other eligibility requirements are met, an eligible child care worker seeking to enroll in an alternative educator licensure program under the School Code is eligible for a grant under the program. Removes a provision allowing for exceptions to a student's initial enrollment in a public institution or an early childhood degree program for extenuating circumstances as provided in rules by the Commission. Provides that, in awarding grants under the program, if, in any fiscal year, the amount appropriated for the grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the Commission must proportionately reduce the grants accordingly (rather than must develop the selection and renewal criteria for students). Requires the Illinois Early Learning Council (rather than the Commission) to provide the Early Childhood Workforce Advisory Committee with administrative and other support. Makes other changes.

Senate Floor Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes. Changes the definition of "early childhood degree program". Provides that if a student chooses to enroll in a private institution, the grant awarded to the student under the program shall be no more than 150% of the highest rate paid on behalf of students in a similar program at a public institution to cover the cost of tuition and mandatory fees, less all other student aid. Provides that after completion of or disenrolling from his or her program of study, a student must reside and work within this State in a child care or early childhood education setting for a minimum of one year. Provides that if the student does not reside and work within this State for a minimum of one year, the student must repay the total grant amount awarded to him or her through installments in accordance with rules adopted by the Illinois Student Assistance Commission. Creates the Early Childhood Workforce Free College Advisory Committee (rather than the Early Childhood Workforce Committee), established by the Illinois Early Learning Council; changes the membership of the Committee and the Committee's duties. Makes other changes. Effective immediately.
Amends the Counties Code. Changes the Rental Housing Support Program State surcharge a county recorder must collect on each real-estate related document from $9 to $18. Makes conforming changes.

Amends the Illinois Prepaid Tuition Act. Makes a change to a reference to the Illinois Pension Code with respect to subjecting the Illinois Student Assistance Commission to the same investment requirements as are imposed upon the board of trustees of a retirement system. Provides for an irrevocable and continuing appropriation (and the irrevocable and continuing authority for and direction to the State Comptroller and the State Treasurer to make the necessary transfers out of and disbursements from the revenues and funds of the State) if for any reason the General Assembly fails to make appropriations of amounts sufficient for the State to pay contractual obligations, and provides that the full faith and credit of the State of Illinois is pledged for the punctual payment of such obligations.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides for an irrevocable and continuing appropriation from the General Revenue Fund to the Illinois Student Assistance Commission if moneys in the Illinois Prepaid Tuition Trust Fund are insufficient to cover contractual obligations (rather than if for any reason the General Assembly fails to make appropriations of amounts sufficient for the State to pay contractual obligations). Removes the irrevocable and continuing authority of the Comptroller and Treasurer to make the necessary transfers and disbursements.

New Act

Amends the Higher Education Loan Act. Creates the Know Before You Owe Private Education Loan Act. Provides that before a private educational lender makes a private education loan to a student who attends an institution of higher education, the private educational lender must obtain certification from the institution about the student borrower’s: (i) enrollment status, (ii) cost of attendance, and (iii) the difference between the cost of attendance and the borrower's estimated financial assistance from all sources. Allows a private educational lender to disburse the funds of a private education loan if the institution of higher education fails to provide the requested certification within 15 business days of the request. Requires the private educational lender to provide notice to the institution that the loan has been disbursed without the certification. Requires a private educational lender to submit annual reports to the Department of Financial and Professional Regulation and to the Student Loan Ombudsman. Sets forth the requirements that must be included on the loan statement of a private educational loan. Provides that the institution of higher education must inform the student borrower of his or her lending options and whether the student has applied for or exhausted all available sources of federal financial assistance. Effective immediately.

Amends the Illinois Income Tax Act. Provides for a credit against withholding taxes in an amount equal to 25% of the wages or salary paid by a private employer to an Illinois employee while the employee is on organ donation leave if the employer grants all of its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone marrow donor. Senate Committee Amendment No. 2
Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that wardship concerning neglected, abused, and dependent minors terminates at 21 years of age rather than 19 years of age. Provides that a provision providing the wardship of the minor and any custodianship or guardianship respecting the minor for whom a petition was filed automatically terminates when the minor attains the age of 19 years becomes inoperative on and after the effective date of the amendatory Act. Provides that notwithstanding any provision of law to the contrary, the changes made by the amendatory Act apply to all cases that are pending on or after the effective date of the amendatory Act. Provides that when terminating wardship, if the minor is over 18, or if wardship is terminated in conjunction with an order partially or completely emancipating the minor in accordance with the Emancipation of Minors Act, the court shall also consider the following factors, in addition to the health, safety, and best interest of the minor and the public: (1) the minor's wishes regarding case closure; (2) the manner in which the minor will maintain independence without services from the Department of Children and Family Services; (3) the minor's engagement in services including placement offered by the Department; (4) if the minor is not engaged the Department's efforts to engage the minor; (5) the nature of communication between the minor and the Department; (6) the minor's involvement in other State systems or services; (7) the minor's connections with family and other community support; and (8) any other factor the court deems relevant. Effective immediately.

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Provides that prior to classifying a report of abuse or neglect as "indicated", "unfounded" or "undetermined", if the Department of Children and Family Services intends to classify the report as unfounded, the Department must first determine whether the report is subject to review and must complete the review process prior to classifying the report. Requires the Deputy Director of Child Protection to oversee a review process that ensures the Department reviews a random sample of at least 5% of child abuse and neglect reports in which the Department intends to be unfounded and any subject child of the report is not of compulsory school age as provided under the School Code. Provides that the review must be conducted by an area administrator outside the supervisory chain of the investigator and supervisor; and that the review shall ensure that the investigation was conducted in accordance with the Department's rules and procedures governing child abuse and neglect investigations and that the final intended finding is consistent with the goal of protecting the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect. Provides that if the reviewer determines the investigation or final recommended unfounded finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Unfounded Review Report and forward the Unfounded Review Report to specified persons to ensure corrective steps are taken in the case before the final finding is entered. Requires the Deputy Director of Child Protection to oversee a review process that ensures the Department reviews a random sample of at least 5% of indicated reports in which any subject child of the report is not of compulsory school age as provided under the School Code, the child is not a youth in care, and the Department is not opening a case for any type of services. Provides that if the reviewer determines the investigation or final finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Indicated Review Report and forward the Indicated Review Report to specified persons to ensure corrective steps are taken in the case. Requires the Department to report to the General Assembly its findings on the number of Unfounded Review Reports and Indicated Review Reports it documents. Provides that incentives that discourage or reward a decision to provide family preservation services after a report is indicated or a decision to refer a child for the filing of a petition under the Juvenile Court Act of 1987 are strictly prohibited and shall not be included in any contract, quality assurance, or performance review process. Provides that any decision regarding whether to provide family preservation services after an indicated report or to refer a child for the filing of a petition under the Juvenile Court Act of 1987 shall be based solely on the child's health, safety, and best interests and on any applicable law. Requires any Department employee responsible for reviewing contracts or program plans who is aware of a violation of these provisions to immediately refer the matter to the Inspector General of the Department. Effective immediately.

SB 01105 (CONTINUED)

Replaces everything after the enacting clause. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Makes changes to the legislative findings. Provides that the General Assembly finds that each year, approximately 1,500 (rather than 1,185) Illinois children are diagnosed with a serious illness (rather than with a potentially life-limiting illness); and that community-based pediatric palliative services have been shown to keep children out of the hospital by managing many symptoms in the home setting, thereby improving childhood quality of life while maintaining budget neutrality.

Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under Article V of the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program under the Illinois Public Aid Code and who suffers from a serious illness (rather than a potentially life-limiting medical condition).

Requires the Department to apply to the federal Centers for Medicare and Medicaid Services for a State Plan amendment to implement the program. Requires the Department to implement the State plan amendment within 12 months of the date of federal approval. Prohibits the Department from drafting any rules in contravention of this timetable for program development and implementation. Removes all provisions concerning application for a federal Medicaid waiver program authorized under the Social Security Act. Expands the list of serious illnesses (rather than medical conditions) that render a person eligible for pediatric palliative care to include any other serious illness that the Department determines to be appropriate. In a provision concerning authorized providers, provides that at a minimum, a participating provider must house a pediatric interdisciplinary team that includes: (i) a physician, acting as the program medical director, who is board certified or board eligible in pediatrics or hospice and palliative medicine; (ii) a registered nurse; and (iii) a licensed social worker with a background in pediatric care. Requires all members of the pediatric interdisciplinary team to meet criteria the Department may establish by rule, including demonstrated expertise in pediatric palliative care (rather than requiring all members of the pediatric interdisciplinary team to submit to the Department proof of pediatric End-of-Life Nursing Education Curriculum (Pediatric ELNEC Training) or an equivalent). Expands the list of reimbursable services offered under the program to include any other services that the Department determines to be appropriate. Requires the Department, in consultation with interested stakeholders, to establish standards for and provide technical assistance to managed care organizations, as defined in the Illinois Public Aid Code, to ensure the delivery of pediatric palliative care services. Contains provisions concerning reporting requirements and criteria a case manager must meet for demonstrated expertise in pediatric palliative care.

Amends the Mental Health and Developmental Disabilities Code. Permits an advanced practice psychiatric nurse to order restraints or seclusion for a recipient of treatment. Provides that an advanced practice psychiatric nurse may examine a respondent and execute a certificate which states that the respondent is subject to involuntary admission on an inpatient basis and requires immediate hospitalization. Defines “advanced practice psychiatric nurse” as a nurse who is licensed to practice as an advanced practice registered nurse under the Nurse Practice Act and has been certified by the American Nurses Credentialing Center as a psychiatric mental health clinical nurse specialist or a psychiatric mental health nurse practitioner.

House Floor Amendment No. 1

Replaces everything after the enacting clause and reinserts the provisions of the engrossed bill with the following change:

Provides that as soon as possible but not later than 24 hours, excluding Saturdays, Sundays and holidays, after emergency admission of a respondent to a mental health facility on an inpatient basis, the respondent shall be personally examined (rather than examined) by a psychiatrist. Provides that for the purpose of this provision, a personal examination includes an examination performed in real time (synchronous examination) via an Interactive Telecommunication System as defined in the Illinois Administrative Code. Provides that an examination via an Interactive Telecommunication System may only be used for certification under this Section when a psychiatrist is not on-site within the time period set forth in this Section. If the examination is performed via an Interactive Communication System, that fact shall be noted on the certificate.

SB 01778
Amends the Abused and Neglected Child Reporting Act. Removes the list of mandated reports under the Act and instead lists several categories of professionals required to report suspected child abuse and neglect to the Department of Children and Family Services, including: (1) medical personnel; (2) social services and mental health personnel; and (3) crisis intervention personnel. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training provided through or approved by the Department and that the training must be completed within a specified timeframe. Requires the Department to adopt rules by January 1, 2020 on its process for approving mandated reporter training. Provides that, by January 1, 2021, continuing education requirements for persons licensed by the Department of Financial and Professional Regulation must include mandated reporter training. Requires the Department, by January 1, 2020, to adopt rules and procedures for educating members of the public about their right to report child abuse or neglect. Requires the Department to seek assistance from businesses and organizations on raising awareness about child abuse and child neglect and the Department's statewide toll-free child abuse hotline.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, and his or her profession has continuing education requirements, the training mandated under the Act shall count toward meeting the licensee's required continuing education hours. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.
Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

House Committee Amendment No. 1

Adds reference to:

50 ILCS 705/7 from Ch. 85, par. 507

Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. Further amends the Abused and Neglected Child Reporting Act. Provides that persons required to report under the Act must complete an initial mandated reporter training (rather than must complete mandated reporter training) within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, or within the timeframe of any other applicable State law that governs training requirements for a specific profession, and at least every 3 years thereafter. Provides that the initial requirement (rather than the initial 3-month requirement) only applies to the first time they engage in their professional or official capacity (rather than only applies to the first time they engage in their professional or official capacity and may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession).

State Debt Impact Note, House Floor Amendment No. 5 (Government Forecasting & Accountability)

SB 1863, as amended by House Amendment 5, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note, House Floor Amendment No. 5 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Balanced Budget Note, House Floor Amendment No. 5 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply "to Senate Bill 1863, as amended by House Amendment 5 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 5 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Correctional Note, House Floor Amendment No. 5 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Fiscal Note, House Floor Amendment No. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately $16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2) Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers.

The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

State Debt Impact Note, House Floor Amendment No. 6 (Government Forecasting & Accountability)
SB 1863, as amended by House Amendment 6, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

SB 01966  (CONTINUED)

Replaces everything after the enacting clause. Amends the Department of State Police Law of the Civil Administrative Code of Illinois. Provides that the Director of State Police shall (rather than may) establish a statewide multi-jurisdictional Violent Crime Intelligence Task Force. Provides that the Violent Crime Intelligence Task Force shall also conduct enforcement operations against persons whose Firearm Owner's Identification Cards have been revoked or suspended and persons who fail to comply with the revocation or suspension requirements of the Firearm Owners Identification Card Act, prioritizing individuals presenting a clear and present danger to themselves or to others under that Act. Provides that the Task Force shall collaborate with local law enforcement agencies to enforce provisions of the Firearm Owners Identification Card Act, the Firearm Concealed Carry Act, the Firearm Dealer License Certification Act, and the Deadly Weapons Article of the Criminal Code of 2012. Provides that the Director of State Police may establish intergovernmental contracts written and executed in conformity with the Intergovernmental Cooperation Act. Provides that the Department of State Police shall establish a portal for use by federal, State, or local law enforcement agencies, including Offices of the State's Attorneys and the Office of the Attorney General to capture a report of persons whose Firearm Owner's Identification Cards have been revoked or suspended. Amends the Firearm Owners Identification Card Act. Modifies definition of "clear and present danger". Provides that an applicant for the issuance or renewal of a Firearm Owner's Identification Card shall include a full set of his or her fingerprints in electronic format to the Department of State Police, unless the applicant has previously provided a full set of his or her fingerprints to the Department under the Act or the Firearm Concealed Carry Act. Provides that a Firearm Owner's Identification Card issued under the Act shall be valid for the person to whom it is issued for a period of 5 years (rather than 10 years) from the date of issuance, but provides that any person whose card was previously issued for a period of 10 years shall retain the 10-year issuance period until the next date of renewal, at which point the card shall be renewed for 5 years. Provides that a person who receives a revocation or suspension notice under the Act (currently, only revocation notice) shall, within 48 hours of receiving notice of the revocation or suspension: (1) surrender his or her Firearm Owner's Identification Card to the local law enforcement agency where the person resides; and (2) complete a Firearm Disposition Record on a form prescribed by the Department of State Police and place his or her firearms in the location or with the person reported in the Firearm Disposition Record. Provides that any transfer of a surrendered firearm must be conducted under the firearm transfer provisions of the Firearm Owners Identification Card Act. Provides that nothing in the firearm revocation or suspension provisions of the Firearm Owners Identification Card Act prevents a court from ordering an individual to surrender his or her Firearm Owner's Identification Card to a law enforcement agency of the court's choosing in a timeframe shorter than 48 hours after receipt of the notice of revocation or suspension. Provides that the Firearm Disposition Record shall contain a statement to be signed by the transferee that the transferee: (1) is aware of, and will abide by, current law regarding the unlawful transfer of a firearm; (2) is aware of the penalties for violating the law as it pertains to unlawful transfer of a firearm; and (3) intends to retain possession of the firearm or firearms until it is determined that the transferor is legally eligible to possess a firearm and has an active Firearm Owners Identification Card, if applicable, or until a new person is chosen to hold the firearm or firearms. Amends the State Finance Act. Creates the State Police Revocation Enforcement Fund and the School-Based Mental Health Services Fund in the State treasury and defines their purposes. Amends the Firearm Concealed Carry Act. Provides that an applicant for renewal need not resubmit a full set of fingerprints if the applicant has previously done so under the Act or the Firearm Owners Identification Card Act. Amends the Criminal Code of 2012. Provides that a person commits the offense of unlawful sale or delivery of firearms when he or she transfers ownership of a firearm to a person in violation of the Firearm Owners Identification Card Act. This offense is a Class 4 felony. Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. Modifies requirements for transfer of firearms to a law enforcement agency as required under those Acts. Makes other changes. Effective immediately.

Sen. John G. Mulroe  

735 ILCS 5/15-1503  from Ch. 110, par. 15-1503

Amends the Code of Civil Procedure. Provides that the failure to send a copy of the notice of foreclosure to the alderman or to file an affidavit as required results in a fine of $500 payable to the ward in which the property is located (instead of resulting in the dismissal without prejudice of the complaint or counterclaim on a motion of a party or the court). Deletes language regarding the requirements a party must comply with if the party refiles the complaint or counterclaim. Effective immediately.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes: Deletes language providing that the failure to send a copy of the notice to the alderman or to file an affidavit as required results in a fine of $500 payable to the ward in which the property is located. Provides instead that the failure to send a copy of the notice to the alderman or to file an affidavit as required shall result in a stay of the foreclosure action on a motion of a party or the court; if the foreclosure action has been stayed by order of the court, the plaintiff shall send the notice by certified mail or by private carrier that provides proof of delivery; and after proof of delivery is tendered to the court, the court shall lift the stay of the foreclosure action. Effective immediately.

Sen. John G. Mulroe-Laura M. Murphy
(Rep. William Davis-Kathleen Willis and Elizabeth Hernandez)
Amends the Illinois Health Facilities Planning Act. Provides that any written review or findings of the Board staff set forth in the State Board Staff Report concerning an application for a permit must be made available to the public and the applicant (currently, only the public) at least 14 calendar days before the meeting of the State Board at which the review or findings are considered. Provides that members of the public and the applicant (currently, only members of the public) shall have until 10 days before the meeting of the State Board to submit any written response concerning the Board staff's written review or findings. Provides that the State Board shall, among other powers and duties, elect a Vice Chairman to preside over State Board meetings and otherwise act in place of the Chairman when the Chairman is unavailable. Provides that State Board staff shall, among other powers and duties, issue advisory opinions upon request. Provides that staff advisory opinions do not constitute determinations by the State Board. Provides that determinations by the State Board are made through the declaratory ruling process. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes. Removes discontinuation of a health care facility from the list of projects eligible for exemption rather than a permit. Provides that the Health Facilities and Services Review Board may accept an application for an exemption for the discontinuation of a category of service at a health care facility only once in a 6-month period following (1) the previous application for exemption at the same health care facility or (2) the final decision of the Board regarding the discontinuation of a category service at the same health care facility, whichever occurs later. Provides that a discontinuation of a category of service shall otherwise require an application for a permit if an application for an exemption has already been accepted within the 6-month period. Provides that the Board shall provide by rule for an expedited process for obtaining an exemption for a change of ownership among related persons (rather than any change of ownership). Adds a Section concerning applications for permit for discontinuation of a health care facility or category of service. Provides that upon a finding that an application to close a health care facility or discontinue a category of service is complete, the Board shall publish a legal notice on 3 consecutive days in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. Provides further specified public notice requirements. Provides that no later than 30 days after issuance of a permit to close a health care facility or discontinue a category of service, the permit holder shall give written notice of the closure or discontinuation to the State Senator and State Representative serving the legislative district in which the health care facility is located. Provides that if there is a pending lawsuit that challenges an application to discontinue a health care facility that either names the Board as a party or alleges fraud in the filings of the application, the Board may defer action on the application for up to 6 months from the date of the initial deferral of the application. Adds a Section concerning certificates of exemption for change of ownership of a health care facility, and makes changes concerning notice and the closure of a health care facility or the discontinuation of a category of service at a health care facility. Provides that specified changes shall apply to all applications submitted after the effective date of this amendatory Act of the 101st General Assembly. Makes other changes. Effective immediately.

SB 00001  (CONTINUED)

Adds reference to:

820 ILCS 105/12 from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to $9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of $15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of $100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Increasing the minimum wage to $15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly $390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from $8.25 in 2019 to $10.00 in 2020, from $10.00 to $11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)
Senator Antonio Muñoz  
SB 00001  (CONTINUED)

There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Provides that the term "qualified school district" means a school district that certifies to the county clerk that the district: (i) submitted a claim or claims to the Illinois State Board of Education for reimbursement of certain State mandated categoricals for the school fiscal year immediately preceding the levy year and received reimbursement for those State mandated categoricals that was less than 97% of the district's claims; or (ii) did not receive the minimum funding required for that school district under the evidence-based funding formula. Amends the School Code. Requires the State Board of Education to certify to each school district whether or not the school district is eligible for designation as a qualified school district. Effective January 1, 2021, but does not take effect at all unless Senate Joint Resolution Constitutional Amendment No. 1 of the 101st General Assembly is approved by the voters of the State prior to that date.

Amends the Crematory Regulation Act. Provides that a "temporary container" is, among other things, a single container of sufficient size to hold the cremated remains only until an urn is acquired. Provides that a funeral director (rather than a crematory authority or authorizing agent) has responsibilities specified throughout the Act. Provides that a crematory authority shall not cremate human remains until it has received, among other things, the name of the funeral establishment or cemetery (rather than the person) authorized to receive the cremated remains from the crematory authority and the manner in which final disposition of the cremated remains is to take place, whether it be burial, entombment, or inurnment in a cemetery. Provides that cremated remains must (rather than may) be disposed of by placing them in a grave, crypt, or niche in a designated cemetery. Removes language authorizing a crematory authority to dispose of cremated remains in a specified manner if the authorizing agent has not, within 60 days following the date of the cremation, instructed the crematory authority to arrange for the final disposition of the remains or claimed the remains. Removes language allowing for the disposal of cremated remains commingled with those of another person when scattering cremated remains at sea, by air, or in an area located in a dedicated cemetery and used exclusively for those purposes. Provides that an authorizing agent has the right to request and retain up to 8 ounces of cremated remains for memorialization before final disposition of the remains and requires funeral directors to notify an authorizing agent of that right. Makes other changes.

Fiscal Note (Illinois Student Assistance Commission)
SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging $4,545, and for FY17 (most recent available),1,211 Illinoisans received MIA/POW grants averaging $2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about $187,000 and MIA/POW waivers by about $30,000, for a total increase of $217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately $1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)

State Debt Impact Note (Government Forecasting & Accountability)
SB 1467, as engrossed, would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes. Removes discontinuation of a health care facility from the list of projects eligible for exemption rather than a permit. Provides that the Health Facilities and Services Review Board may accept an application for an exemption for the discontinuation of a category of service at a health care facility only once in a 6-month period following (1) the previous application for exemption at the same health care facility or (2) the final decision of the Board regarding the discontinuation of a category service at the same health care facility, whichever occurs later. Provides that a discontinuation of a category of service shall otherwise require an application for a permit if an application for an exemption has already been accepted within the 6-month period. Provides that the Board shall provide by rule for an expedited process for obtaining an exemption for a change of ownership among related persons (rather than any change of ownership). Adds a Section concerning applications for permit for discontinuation of a health care facility or category of service. Provides that upon a finding that an application to close a health care facility or discontinue a category of service is complete, the Board shall publish a legal notice on 3 consecutive days in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. Provides further specified public notice requirements. Provides that no later than 30 days after issuance of a permit to close a health care facility or discontinue a category of service, the permit holder shall give written notice of the closure or discontinuation to the State Senator and State Representative serving the legislative district in which the health care facility is located. Provides that if there is a pending lawsuit that challenges an application to discontinue a health care facility that either names the Board as a party or alleges fraud in the filings of the application, the Board may defer action on the application for up to 6 months from the date of the initial deferral of the application. Adds a Section concerning certificates of exemption for change of ownership of a health care facility, and makes changes concerning notice and the closure of a health care facility or the discontinuation of a category of service at a health care facility. 105 ILCS 5/21B-50

Amends the Educator Licensure Article of the School Code. With regard to the fee section, moves and changes a provision concerning the license renewal fee for an Educator License with Stipulations with a paraprofessional educator endorsement. With regard to the alternative educator licensure program, provides that, in addition to other requirements, an individual must pass the State Board of Education's teacher performance assessment (rather than pass the assessment of professional teaching) no later than the end of the first semester of his or her second year of residency (rather than before entering the second residency year). Effective immediately.

House Floor Amendment No. 1

Adds reference to:
105 ILCS 5/10-20.21

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the School Code. With regard to the requirement that all contracts for the purchase of supplies and materials or work involving an expenditure in excess of $25,000 or a lower amount as required by school board policy be awarded to the lowest responsible bidder, exempts contracts for the purchase of fuel, including diesel, gasoline, oil, aviation, natural gas, or propane, lubricants, or other petroleum products (rather than contracts for the purchase of natural gas when the cost is less than that offered by a public utility). With regard to the alternative educator licensure program, restores a provision requiring an individual to pass the State Board of Education's teacher performance assessment before entering the second residency year. Effective immediately.

SB 1407, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1407 will not impact any public pension fund or retirement system in Illinois.

20 ILCS 505/8 from Ch. 23, par. 5008
Amends the Children and Family Services Act. Requires the Department of Children and Family Services, subject to appropriations, to provide eligible youth an apprenticeship stipend to cover those costs associated with entering an apprenticeship, including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provide that the following youth shall be eligible for an apprenticeship stipend: youth for whom the Department has court-ordered legal responsibility; youth who aged out of care at age 18 or older; or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Limits the stipend to eligible youth who: (i) are enrolled in an approved apprenticeship training program; (ii) are not a recipient of any other scholarship or fee waiver provided by the Department; and (iii) are under the age of 26. Provides that apprenticeship stipends shall be available to an eligible youth for a maximum of 5 years after the youth enrolls in a qualifying apprenticeship program. Waives the age requirement and 5-year cap on the stipend for applicants who were unable to enroll in a qualifying apprenticeship program because the applicant: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the apprenticeship stipends. Effective January 1, 2020.

Senate Floor Amendment No. 2

Provides that the Department of Children and Family Services shall provide eligible youth an apprenticeship stipend to cover those costs associated with entering and sustaining through completion an apprenticeship (rather than those costs associated with entering an apprenticeship), including, but not limited to fees, tuition for classes, work clothes, rain gear, boots, and occupation-specific tools. Provides that certain youth may (rather than shall) be eligible for the apprenticeship stipend. Provides that, to receive a stipend, an applicant must be enrolled in an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or an apprenticeship program approved by the United States Department of Labor (rather than an apprenticeship training program approved or recognized by the Illinois Department of Employment Security or a similar federal entity).

House Floor Amendment No. 2

Provides that youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, and youth formerly under care who have been adopted or who have been placed in private guardianship shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education at any community college, university, or college maintained by the State of Illinois (rather than providing that such youth shall receive a tuition and fee waiver if they are not selected to receive a scholarship or fee waiver under a specified provision of the Children and Family Services Act).

Amends the Illinois Public Aid Code. Requires the Illinois Student Assistance Commission (ISAC) to identify and flag college students who are potentially eligible to receive Supplemental Nutrition Assistance Program (SNAP) benefits. Provides that the factors to be used to determine potential SNAP eligibility shall be prescribed by ISAC in consultation with the Department of Human Services, but at a minimum shall include income information reported on a college student's Free Application for Federal Student Aid. Requires ISAC, in consultation with the Department of Human Services, to develop a notice that ISAC shall make available electronically to institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline. Requires Illinois institutions of higher education that participate in the Monetary Award Program to provide the notice in writing to all students who are enrolled or accepted for enrollment and are identified by ISAC as potentially SNAP eligible. Requires ISAC to adopt rules. Effective immediately.

House Committee Amendment No. 1
Requires the Illinois Student Assistance Commission (ISAC) to annually include information about the Supplemental Nutrition Assistance Program (SNAP) in the language that schools are required to provide to students eligible for the Monetary Award Program grant (rather than requiring ISAC to identify and flag college students who are potentially eligible to receive SNAP benefits). Provides that the language shall, at a minimum, direct students to information about college student eligibility criteria for SNAP, and direct students to the Department of Human Services and to the Illinois Hunger Coalition's Hunger Hotline for additional information. Requires Illinois institutions of higher education that participate in the Monetary Award Program (MAP) to provide the notice to all students who are enrolled, or who are accepted for enrollment and intending to enroll, and who have been identified by ISAC as MAP-eligible at the institution (rather than requiring ISAC to develop, in consultation with the Department of Human Services, an electronic notice for institutions of higher education that includes, at a minimum, college student SNAP eligibility criteria, the Application for Benefits Eligibility's website address, and the Illinois Hunger Coalition's Hunger Hotline).

New Act

Creates the Mental Health Modernization and Access Improvement Act. Requires the Department of Healthcare and Family Services to apply for a Medicaid waiver or State Plan amendment, or both, within 6 months after the effective date of the Act to develop and implement a regulatory framework that allows, incentivizes, and fosters payment reform models for all Medicaid community mental health services provided by community mental health centers or behavioral health clinics. Requires the regulatory framework to: (i) allow for and incentivize service innovation that is aimed at producing the best health outcomes for Medicaid enrollees with mental health conditions; (ii) reward high-quality care through annual incentive payments to community mental health centers and behavioral health clinics; (iii) require community mental health centers and behavioral health clinics to report on specified quality and outcomes metrics; and other matters. Provides that all documentation and reporting requirements under the regulatory framework must comply with the federal Mental Health Parity and Addiction Equity Act of 2008 and the State mental health parity requirements under the Illinois Insurance Code. Contains provisions concerning quality and outcomes metrics reporting; data sharing; the establishment of a Stakeholder Quality and Outcomes Metrics Development Working Group; statewide in-person trainings to ensure provider readiness for the regulatory framework; quality and patient safety protections; implementation timeline; certification of community mental health centers that opt into the regulatory framework; and other matters. Provides that the Act shall be implemented upon federal approval and only to the extent that federal financial participation is available. Effective immediately.

SB 01778

Amends the Abused and Neglected Child Reporting Act. Removes the list of mandated reports under the Act and instead lists several categories of professionals required to report suspected child abuse and neglect to the Department of Children and Family Services, including: (1) medical personnel; (2) social services and mental health personnel; and (3) crisis intervention personnel. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training provided through or approved by the Department and that the training must be completed within a specified timeframe. Requires the Department to adopt rules by January 1, 2020 on its process for approving mandated reporter training. Provides that by January 1, 2021, continuing education requirements for persons licensed by the Department of Financial and Professional Regulation must include mandated reporter training. Requires the Department, by January 1, 2020, to adopt rules and procedures for educating members of the public about their right to report child abuse or neglect. Requires the Department to seek assistance from businesses and organizations on raising awareness about child abuse and child neglect and the Department's statewide toll-free child abuse hotline.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Organizes the list of mandated reporters under the Act into the following categories of professionals: (i) medical personnel; (ii) social services and mental health personnel; (iii) crisis intervention personnel; (iv) education personnel; (v) recreation or athletic program or facility personnel; (vi) child care personnel; (vii) law enforcement personnel; (viii) funeral home directors; (ix) clergy members; and (x) physicians and other specified medical personnel who provide abortions, abortion referrals, or contraceptives. Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, a single report may be made by a designated reporter. Provides that nothing in the Act requires a child to come before the mandated reporter in order for the reporter to make a report of suspected child abuse or child neglect. Provides that persons required to report under the Act must complete mandated reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, and at least every 3 years thereafter. Provides that the trainings shall be in-person or web-based, and shall include, at a minimum, information on certain topics, including: (a) indicators for recognizing child abuse and child neglect, as defined under the Act; and (b) responding to a child in a trauma-informed manner. Provides that the mandated reporter training shall be provided through the Department of Children and Family Services, through an entity authorized to provide continuing education for professionals licensed through the Department of Financial and Professional Regulation, the State Board of Education, the Illinois Law Enforcement Training Standards Board, or the Department of State Police, or through an organization approved by the Department to provide mandated reporter training. Requires the Department of Children and Family Services to make available a free web-based training for reporters. Requires each mandated reporter to report to his or her employer and, when applicable, to his or her licensing or certification board that he or she received the mandated reporter training. Provides that beginning January 1, 2021, if a mandated reporter receives licensure from the Department of Financial and Professional Regulation or the State Board of Education, and his or her profession has continuing education requirements, the training mandated under the Act shall count toward meeting the licensee's required continuing education hours. Requires the Department of Children and Family Services to develop culturally sensitive materials on child abuse and child neglect, the statewide toll-free telephone number established under the Act, and the process for reporting any reasonable suspicion of child abuse or child neglect.

Senate Floor Amendment No. 2
Senator Robert Peters
SB 01778   (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, but with the following changes: Provides that educational personnel required to report under the Abused and Neglected Child Reporting Act must do so only to the extent required under a specified provision of the Act (rather than only to the extent required in accordance with other provisions expressly concerning the duty of school board members to report suspected child abuse). Provides that when 2 or more persons who work within the same workplace and are required to report under the Act share a reasonable cause to believe that a child may be an abused or neglected child, one of those reporters may be designated to make a single report (rather than a single report may be made by a designated reporter). In a provision requiring mandated reporters to complete reporter training within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, provides that the 3-month requirement may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession. Requires certain medical personnel who work with children in their professional or official capacity to complete mandated reporter training at least every 6 years. Requires such medical personnel to attest at each time of licensure renewal on their renewal form that they understand they are a mandated reporter of child abuse and neglect, that they are aware of the process for making a report, that they know how to respond to a child in a trauma-informed manner, and that they are aware of the role of child protective services and the role of a reporter after a call has been made. Requires medical personnel who do not work with children in their professional or official capacity to make similar affirmations in lieu of repeated training.

House Committee Amendment No. 1

Adds reference to:

50 ILCS 705/7

from Ch. 85, par. 507

Amends the Illinois Police Training Act. Provides that the curriculum for probationary police officers at all certified police training schools shall include a block of instruction addressing the mandatory reporting requirements under the Abused and Neglected Child Reporting Act. Provides that minimum in-service training requirements, which a police officer must complete every 3 years, shall include training on reporting child abuse and neglect. Further amends the Abused and Neglected Child Reporting Act. Provides that persons required to report under the Act must complete an initial mandated reporter training (rather than must complete mandated reporter training) within 3 months of their date of engagement in a professional or official capacity as a mandated reporter, or within the time frame of any other applicable State law that governs training requirements for a specific profession, and at least every 3 years thereafter. Provides that the initial requirement (rather than the initial 3-month requirement) only applies to the first time they engage in their professional or official capacity (rather than only applies to the first time they engage in their professional or official capacity and may be extended to 6 months pursuant to any other applicable State law that governs training requirements for a specific profession).
