To Whom It May Concern:

We are the Westside Ministers Coalition (WMC) and we represent the Westside of Chicago.

We categorically announce that we need to keep the 4th and 5th Senatorial Districts on the Westside of Chicago. We feel that these two Senatorial Districts well represent the Westside of Chicago and know that they will continue to have the citizens of the Westside of Chicago best interest and needs in mind.

In His Service,

Rev. Dr. Lewis Flowers, PhD.
Chairman of the Board

"Building a Better Community for all People"
